LEE QUIT WHIMPERING—PAID THE MORTGAGE

There are many, many people—the tears splashed down my cheeks I renewed my covenant with my Maker. When I got through praying I felt like a new man. I got up, squared my shoulders and said, "I am through with self-pity and feeling sorry for myself. I am going out and by the help of God I am coming out of this."

What happened to Lee Braxton after that should happen to everyone. He started using his energies to believe instead of to feel sorry for himself. He became a new man inside and in a matter of days he had persuaded the mortgage people to give him a little more time. He secured credit for his business. He didn't lose his self-respect because when he began to believe, he found that his faith was the most powerful thing in the world. Other people saw he was a new man and they wanted to do business with a man like that. It is people who resist self-pity, who do not feel sorry for themselves, who will not allow themselves to cringe and whimper before life's struggles, who stand up and say, "I believe God is with me. And if He is with me nothing or nobody can successfully be against me. I will succeed!"

When a storm strikes an eagle he sets his wings in such a way that the winds lift him above the storm by its very fury. This is God's way for us. With the right use of our faith, we will not fear the storms that come our way. It is the set of our faith that causes us to rise above the storms. Have faith in God!

OUTSTANDING FARM FOLK

The agricultural committee, John Sibley, chairman, with Joe Price, Virgil Woodfin, Fenton Dale, members, in co-operation with B. T. Haws, county agent, and Thelma Wirges, home demonstration agent, have named Mr. and Mrs. L. J. Lane, route two, Iowa Park, as the Outstanding Farm Family of the Year.

Dorothy Price, daughter of Mr. and Mrs. Joe Price, was selected as Outstanding 4-H club girl.

Barbara Dick, daughter of Mr. and Mrs. J. C. Dick of Wichita Valley Farms, was named Outstanding FFA.

Don Roy Klinkerman, son of Mr. and Mrs. H. B. Klinkerman of route two, was selected Outstanding FFA.

Garland Lehman, son of Mr. and Mrs. Rex Lehman, route two, was named Outstanding 4-H club boy.

Area from which the outstanding farm folk were chosen for awards is the Iowa Park Independent School district. Awards will be given at the All-Town C of C banquet the night of Dec. 2.

HOME OF THE MONTH

City beautification committee, Mrs. F. E. Hill chairman for October, and members Mmes. E. E. Wallis, C. J. Thurber, Curtis Hill, Mabel Karstetter and Taylor George, will make a tour of Iowa Park before Nov. 1 to select the home most deserving for October.

They also wish to commend the school and students and other citizens of our town for co-operating so wonderfully in keeping litter off the streets. Now that northers are beginning to blow, it is more important than ever to keep trash and paper in receptacles.

A woman called the C of C to report she had an abundance of tiger lily bulbs she was digging up and had to dispose of, as now is the time to transplant them. We found people who were glad to get them.

Anyone else having extra bulbs, instead of throwing them away, could find new homeowners who would like to have them.

ALL-TOWN BANQUET

We were fortunate in securing talented Mrs. W. J. Lacy of Burkburnett and Mrs. Joe Bob Tyler of Wichita Falls, associate members of Iowa Park Modern Music Study club, to provide snappy, beautiful musical numbers for our banquet. Lottie Lechridge will provide the dinner music on the Baldwin organ.

Mr. and Mrs. Newman and two sons Newt, 6, and Randy, 5, came to Iowa Park from Lake Jackson and have established residence at the corner of South Bond and East Jefferson.

Born in Dundee, Newman was graduated from Valley View high school in 1941. He served in the marine corps in the South Pacific and received his discharge June 1946.

In May 1949 he and Miss Estelene Taylor, daughter of Mrs. Estell Taylor, were married in Freeport. Newman received the LL.B. degree in 1956 from South Texas College of Law of the University of Houston. He practiced law at Lake Jackson before coming to Iowa Park.

The Newman family attend the Christian church, and he is a member of the Lake Jackson Masonic lodge.

District 15, V.F.W. Meets Here Saturday and Sunday

Delegates and members of VFW and its Ladies Auxiliary from Hardeman, Knox, Foard, Wilbarger, Baylor, Archer, Wichita, Clay Young and Montague counties will attend the encampment, according to Lloyd E. Harris, commander of Iowa Park Post 7211.

Officers and members of the host Post and Auxiliary have prepared an interesting program for the two-day meeting.

Reflections from the Bible

By Ray Marcum, Minister Iowa Park Church of Christ

Many pray to God for salvation, but the Bible nowhere teaches that salvation is given in answer to prayer. Salvation comes to him who, through faith, obeys the gospel of Christ. If a man who is a sinner were to address God, he would address Jehovah from the state of his rebellion. God is the Father of those who become His Children, by obedience to the gospel. He is not the Father of sinners. The sinner who prays, "My Father who is in heaven," just has his father mislocated. A sinner's father is not in heaven.

The way of salvation is made plain in the Bible and until man has ceased his rebellion and has obeyed the Lord, he cannot expect to receive the blessings of the Heavenly Father. If God would answer the prayer of a sinner as he would answer the prayer of a Christian, then there is no advantage of being a Christian. He who seeks the Lord through the avenue of prayer seeks him in the wrong way.

God is not sought by those who are not separated from him; nor is he sought by those who do not realize that they are separated from him. The seeking carried with it a knowledge of the separation. The Lord says in Matt. 7, "Seek and ye shall find." There is no uncertainty connected with this statement.

The Church of God began its revival Wednesday evening with a good attendance and service, according to the pastor Rev. L. C. Pennington. He was pleased so many came to the first service in spite of the flu.

The evangelist, Rev. W. L. Hopper, will be delivering heart warming sermons at each service, and good music will be heard. Mr. and Mrs. Hopper are both talented musicians. Hopper is author of several songs that are often sung in this area, among them: "Who?" and "When the Spirit Came Down."

The revival will continue thru next week. A cordial welcome is extended to the public to attend these services.

Careful!

Now that the haunting season is here again, little ghosts and witches are advised to see and be seen on Hallowe'en.

Many false faces limit the vision of those wearing them—make it hard to see approaching cars. Parents should help the kids disguise their faces by using makeup. Rouge, lipstick and eyebrow pencil can do an amazing job of producing weird and funny faces.

Also parents should see to it that the youngsters wear costumes of light-colored or reflectorized material. These precautions aid drivers in seeing the trick-or-treat vagabonds, should they wander into the street.

Heart Attack Takes Brown

'23 Study Club

The forward look of the year is bright and interesting for the 23 Study club if the enthusiasm registered at a breakfast held recently to inaugurate regular meetings for 1957-58 is an accurate touchstone.

The affair took place in the country home of Mrs. K. P. Abernathy, where hospitality and cheer are always immediately felt by guests on any occasion. Also serving as hostesses were Mrs. Richey Abernathy and Mrs. Homer Black.

The glory of color of the autumnal season was reflected in the flowers and trees of the outside setting. Inside the house, floral decorations emphasized the club colors of purple and gold. Tables were covered with pink linen cloth and centered with purple flowers arranged in unique pumpkin containers.

Mrs. S. L. Denny offered the invocation preceding the meal.

Theme for the program was Federation Day and Famous Americans (Women). Mrs. James A. Sewell, who is state chairman of the latter division, served as program leader. In keeping with the idea suggested by the year's theme "Rising to Greater Heights" the point of height reached for the meeting was Rock Creek Butte.

For the meditation Mrs. Taylor George led the members in repeating the Club Woman's Creed.

Mrs. Sam Hill read a group of appropriate poems for the Fine Arts portion of the program.

Mrs. Sewell served as co-ordinator for the feature "Years of Achievement," which gave interesting information about the presidents of General Federation of Women's clubs from 1890 to 1957.

Mrs. W. G. Steele, vice-president, directed the business session which was opened with the pledge of allegiance to the U.S. flag. Members responded to roll call with assigned topics.

The community affairs committee composed of Mmes. Earle Denny, C. J. Simpson and Bialock was instructed to prepare a sheet of information and projects for the Chamber of Commerce to use at the annual banquet Dec. 3.

Others present included Mmes. C. E. Birk, L. E. Brooks, R. R. Brubaker, C. W. Coppock, Carroll Duke, Dave Harbour, O. E. Lochridge, Homer Thompson, C. J. Thurber, Fred Widmoyer, Florence Sherwood.

Sophs

Few of the Sophs escaped the flu epidemic last week, but the majority are back now—runny noses and all.

Butch and Bobby seem to be listening intently to every word in history class. Every time the instructor says "Of course," they jot down a mark and they go around with pockets full of pennies. A strange pair!

One of our good looking Sophs, whose initials are Donald Thompson is dating a blonde Jr. They're cute together.

Janice seems more interested in out of town boys. In fact she likes one in particular who lives in another state. Ditto for Phyllis.

We're all sorry to lose Ann Blankenship. Lucky Seymour!

Football colors will be distributed this week. Good luck, girls!

So long for now.—Portia

SECOND PERIOD HOME EC

Students in the second period homemaking class have done well in redecorating the bedroom and bathroom of the cottage. We have painted the bathroom a bright pink and are in the process of painting a table and chair, gray to add.

Some of the girls painted the door facings and the windows of the bedroom white, in order to brighten the room.

Our class chose five girls to go to Wichita Falls on Tuesday with Mrs. Hutchins to choose a carpet and curtains for our bedroom. We hope to have the cottage completed within three weeks.

—Cynthia Tatom

A large number of faculty members, with their husbands and wives, attended the Oil Progress Week banquet at Midwestern university last Saturday night. They were Messrs. and Mmes. Keith D. Swin, James E. Elms, Chauncey Weiler, Floyd Zion; Messrs. Vernon Hutchins, Ben Nash, Roy Smith; Mmes. Bertha McDonald, Grace Reaves, Mae Roby, Audrey Hartsell, Joy Belle McKinnon, Alva Worthington, Zada Jones; Misses Ethyle Kidwell, Dillie Lowax.

Supt. Keith Swin attended the Texas State Association of School Administrators in Austin last week. He accompanied several schoolmen of this area to Austin.

Chapel

United Nations Day program for Iowa Park was presented by a group of Mrs. O. R. Owens' high school speech students at chapel exercise Thursday morning in the auditorium. The program was sponsored by the United Church Women of Iowa Park.

To open the meeting Portia McManus read President Eisenhower's UN Day proclamation.

With each participating student carrying a Bible, Charles Tatom led the group in scripture reading.

Kay Scott and Jerre Jo Spears described the UN flag, using the flag that was presented to the high school by the UCW.

Mrs. Owens conducted the panel discussion on eight of the UN programs, pointing out their accomplishments and efforts toward maintaining peace.

During the program it was noted that each general assembly opens and closes with prayer; and that the total year's cost to the United States for membership in the UN is equal to only 10 hours of war.

Other students participating included Wilma Kingcade, Delpha Keiningham, Phoebe Jo Custis, Betty Tatom, Lenora Brown, Jane Waters, Loretta Britt, Sheri Faye Waters.

The Hawks have only one more home game. It will be the annual homecoming celebration, and will have the Holiday Eagles here as district opponents.

Senior class of IPHS postponed the annual magazine subscription drive because of the flu. It will begin Monday, Oct. 28, and last all week. Seniors ask all their friends to subscribe for their favorite magazines through them.

Iowa Park school officials considered closing the schools because of the flu, but decided it would be better to keep going, as other public meetings here have not been postponed. The days lost would have to be made up at the end of the school year.

FIRST PERIOD HOME EC

First period homemaking students have completed much of their part of redecoration of the cottage. We have put a lacquer finish on the small coffee table and on the buffet, and have papered one wall.

Woodwork and window sills have been painted and we are now in the process of scraping the paint off the window panes.

Some of the girls were selected to go to Wichita Falls and pick out material for the drapes we are to make.

We are proud of the work and hope it meets with approval. —Kathy Teal

Mrs. A. D. Hestand of Wichita Falls spent Sunday night with her sister Mrs. M. O. Cheves.

Church Women To Gather Here

Eighth annual meeting of District 17 of United Church Women will be held at the Methodist church in Iowa Park next Wednesday, Oct. 30.

Registration will begin at 9:30, according to Mrs. T. R. Horine, president of the local organization. The worship service at 10:00 will be conducted by Mrs. Rollins Woodall.

Mrs. George Davis of Wichita Falls will give the response.

Mrs. W. R. Cooper of Seymour, district president, will direct the meeting. She stated the meeting will be devoted to fellowship and inspiration among church women of different churches, and will feature programs in the areas of Christian world missions, Christian social relations and Christian international relations. It will also be highlighted by an address by a prominent area minister.

Each woman attending is requested to bring a paper sack lunch. The local UCW will furnish the drink.

Mrs. Sadie Birdwell was admitted to Wichita General hospital last Saturday for treatment.

Joe Price, manager of the Jack Martin farm, located south of Iowa Park, was guest speaker at Noon Lions club Tuesday. Other guests were Jack Martin and Earl Sargent of Wichita Falls and Oliver Newman.

Price spoke on coastal bermuda and its advantages in beef raising. Tests on the eight acres that have coastal bermuda growing on the Martin farm show an increase of 324 to 500 pounds of beef an acre.

This year the farm averaged 3 1/2 head per acre. Next year, with the rains and good weather that have helped the grass, 5 head per acre will be run. Next year he plans to have 25 acres in coastal bermuda and to increase the herd.

Lester Brooks was program chairman. Sweethearts Thelma Gay and Marilyn Vaughn provided dinner music.

Next Tuesday the Noon club will have Ladies Day when members meet at the Christian church.

Evening Lions met Tuesday in the Christian church dining room with Paul Zink, president, in charge. Tom Pace offered the invocation. C. L. Vaughn led the opening songs.

Jimmy Stewart announced Dist. Gov. H. R. Garrett will make his official visit to the club Tuesday, Nov. 2.

M. A. Clark rejoined the club after several months' absence.

Bill Sawyer reminded the club October is membership month.

Guests introduced by Vaughn were Dan Barnes and George R. Huckaby, both of the Noon club.

Doc Waters acted as tall-twister in the absence of Alvin Scheibal. Sweetheart Marilyn Vaughn and Mrs. Oscar Lochridge provided the dinner music.

FOOTBALL FUN

Another football season is underway. If there are any fans around your house, it's likely that the radio and television sets will be working overtime for the next few months bringing the games into your home. It's the next best thing to having a 50-yard-line seat.

as well as other radio and television sets. We handle the transmission of programs to company tant places for your enjoyment.

Telephone engineers have worked constantly through the years to improve these facilities. Today we use both cable and microwave networks to transmit these broadcasts.

And, of course, improved transmission means more pleasure from the programs for you.

This is another example of how the telephone company always seeks to bring you improved communications—in radio, television, on a local telephone call across town or a Long Distance call across the nation.

Getting back to football, have you attended any of the Iowa Park Hawks' games this season? If not, why don't you plan to be at the next one. Better still, go to all the Hawks' games this year. You'll enjoy them and the team will appreciate your support.

SAVE 1-3 ON OUT-OF-TOWN CALLS

Whether you're making a business call or just keeping in touch with members of the family in other cities, it's smart to place your Long Distance calls Station-to-Station.

You save money because Station-to-Station rates are about one-third lower than Person-to-Person rates. This means you can make three calls for the price of two.

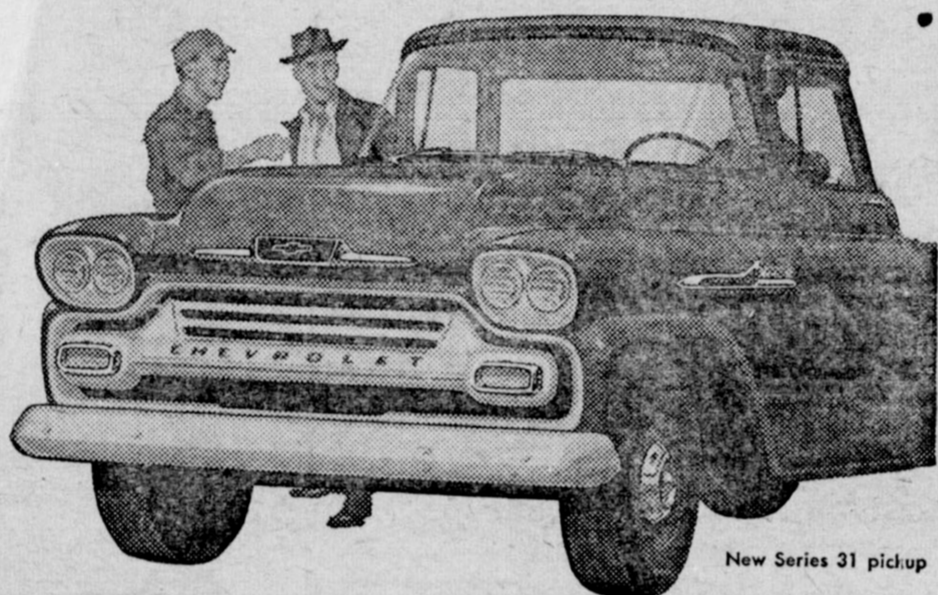

And here's another Long Distance tip to remember: call by number — it's twice as fast.
