## YOUR CHAMBER OF COMMERCE —

RUTH HILL YEARGAN

We are told — by someone who uses two tenths — that the average adult uses just one tenth of his brain.

Appalling, isn't it, to think that nine-tenths of our brain is filled with nothingness. And yet, thrilling to think that we can store it with knowledge that will help our business; enthusiastic planning and co-operation that will build our town; clever conversation that will delight our friends; and good reading that will be a source of mental food to nourish us when we are laid up or alone.

Of course, there just isn't anyone in the world who knows everything. Perhaps you have heard about the farmer-rancher who once needed a loan and listing his property (lands, cattle, farm equipment and so on) included the eight cattle guards on his place.

In due time the loan was approved, but the agency thought it wise to make a few suggestions on how the farmer-rancher might cut down expenses and so wrote: "We note that you have eight cattle guards, or the number of cattle you own, we think you should dismiss two of your cattle guards."

Some pupils in school, so we hear, are satisfied to get just enough knowledge to keep from causing a family row when they take their report cards home to be signed.

Some college students put their recreational activities before their studies, as if all the fun they will ever have in this world will be while they are in school.

Some adults read, listen and look for entertainment, yet wonder why their children do not get down to serious reading and thinking.

Evidently there just isn't anyone who uses ten-tenths of his brain.

The very last thing your Chamber of Commerce would want would be for any good citizen to sprain his brain, even in a good cause, but we do wish someone would use nine-tenths of his brain and figure out where we can put all these people who are coming daily into this office begging for living quarters.

Let's have some brain-work coupled with action and see Iowa Park grow into a fine residential town.

## Methodist Women Begin New Series

A most profitable ninety minutes was spent by members of the Woman's Society of Christian Service, Monday afternoon as they met at the Methodist church for the introductory lesson of the theme, Our Geographical Frontiers, with special emphasis on the text, "On Our Door-step," with Mrs. L. C. Perry, secretary of missionary education and service, chairman of the planning committee and Mrs. W. E. Stockton as director of the activities of the afternoon.

Pertinent facts on Hawaii were presented by Mrs. Arch Hughes; on Alaska by Mrs. Carl Sullivan; the Virgin Islands by Mrs. Stockton; the Panama Canal Zone by Mrs. Miles Thompson; and Puerto Rico by Mrs. Herman Mahler.

A vocal solo, "Fair Hawaii," by Mrs. C. W. Coppock, and two poems, "Dear Alaska" and "Cross against Tropical Skies," read by Mrs. James Sewell and Mrs. Kirk Beard, added effective notes to the presentation of the topics.

Mrs. Perry appointed each one present as a member of the committee to collect current items about any of the above named countries.

Mrs. Perry appointed each one present as a member of the committee to collect current items about any of the above named countries. Mesdames Hugh Thompson, A. S. Morris, J. N. George and Dan Sunday served very attractive refreshment plates to the 28 members present during the enjoyable social hour following the program. Other than the above named those present included Mesdames H. W. Weaver, S. L. Denny, A. D. Butcher, Joe Bell, China B. Smith, R. E. Waters, L. A. Teal, E. B. Taylor, Fenton Dale, O. B. Gilstrap, C. C. Davis, C. J. Simpson, W. A. Litchfield, Ida Weeks and Richey Abernathy.

## WSCS Takes Interest In World Church

"The World Council of Churches" was the theme of a program at the meeting of the Woman's Society of Christian Service of the Methodist church Tuesday afternoon.

This was the first session of the organization following the vacation period and those present were responsive and enthusiastic about the year's program of study and work.

Mrs. Richey Abernathy was leader for the afternoon. Mrs. Kirk Beard directed the period of worship on the subject "For Whom the Whole Family is Named," opening the program with the theme hymn for the year "Thou Whose Almighty Word," with Mrs. A. D. Butcher as piano accompanist.

The three topics for discussion, Ten Aspects of the Christian Religion which All Churches Hold in Common, The Founding of the Early Church, and the Origin of the World Council of Churches, were presented by Mrs. W. M. Owens, Mrs. Otis Gay and Mrs. Neil Johnson.

During the business session presided over by Mrs. Herman Mahler three vacancies in the list of officers were filled. Mrs. Velva Bell was elected vice-president; Mrs. Carl Sullivan, secretary of student work; and Mrs. W. E. Stockton, secretary of status of women.

The committee on local work reported that a new dining room suite, new mattress, refrigerator and other smaller items had been purchased for the parsonage.

Those present were Mesdames H. W. Weaver, Richey Abernathy, A. S. Morris, S. L. Denny, Leo Thompson, Elgin Denny, D. O. Smith, J. W. Craft, Neil Johnson, E. B. Taylor, L. A. Teal, W. M. Owens, Kirk Beard, Arch Hughes, Otis Gay, C. W. Coppock, Miles Thompson, Herman Mahler, A. D. Butcher, W. E. Stockton, Carl Sullivan and James Sewell.

Mr. and Mrs. John L. Street of Wichita Falls have purchased the home on East Washington street from Mr. and Mrs. W. N. House, and will move here about the middle of October. They belong to the Methodist church.

Mr. and Mrs. Roy Lancaster had as recent visitors Mr. and Mrs. J. A. Aston of Cleburne; Mr. and Mrs. Louise Tidwell; Mr. and Mrs. Paul Spangler and Roy Lee; and John Lancaster of Wichita Falls; and Mr. and Mrs. Bob Lancaster and children of Holliday.

## Support Prices Topic of Farm Bureau Meet

Extensive planning, led by Austin Crownover of the state office, for the fall round-up program featured the meeting of presidents and secretaries of District 3, Texas Farm Bureau Federation in the session in Wichita Falls, Monday with 11 counties participating. District 3 director, Loys D. Barbour, presided.

Crownover stressed the point that the big boys were out to do away with support prices for the farmer and that the best way to meet the situation was for more farmers to work as a group through the Farm Bureau.

A report on the rural roads program which is sponsored by the Texas Farm Bureau was given by Loys Barbour, chairman of the state committee. The plans were completed at a recent meeting in Waco and will be presented to the state convention in November. If approved there they will be presented to the state legislature in January.

The county allotment of roads as advocated in the Farm Bureau plan will be based on 50 per cent rural population and 50 per cent rural mileage.

The long range farm program as adopted by the recent Congress was up for consideration. In this program the Commodity Credit Corporation was made a permanent organization where previously it was just extended from time to time. "However," said Barbour, "the item which means most to the farmer was not included in the bill — the item which permitted to CCC to build storage space, or to assist the farmer to build storage space. Consequently it is forcing the farmer to sell his grain at the prevailing market price."

The district quota contest will be held at the Holt hotel on October 1 in connection with the annual district meeting. Five out-of-the-district judges will officiate and contestants will wear formal dresses.

The Texas Farm Bureau was luncheon host to the presidents and county agents present.

The Executive Board of Iowa Park Parent-Teacher Association got together recently and finished plans for this year's work, which, under leadership of Mrs. Taylor George, promises to be an interesting and useful program of activities. Pictured from right to left, back row, are: Mrs. Chauncey Weiler, Mrs. Lloyd Lowe, Mrs. Gale Lowrance, Miss Ethyle Kidwell, Mrs. Tom Pace, Mrs. Loyd Bell, Mrs. Fenton Dale, Mrs. Archie Bryant and Mrs. Ray Herrington. Seated are the Mesdames Jack Ralston, M. J. McDonald, L. E. Brooks, John Wesley, Taylor George, Herman Mahler, O. R. Owens, George R. Huckaby, and Clarence Hill.

## HEREFORD SHOW AT IOWA PARK TO BREAK RECORDS

Wednesday, October 6 is Hereford Day at the Texas-Oklahoma Fair in Iowa Park, and a record number of entrants is promised for the Hereford division of North Texas' greatest fall show.

Although the Hereford shows here have always been outstanding exhibitions, the event this year will far exceed any previous showing, according to Wayne H. Hammon of Wichita Falls, who heads the project. Mr. Hammon is a successful breeder of this heavy type of beef cattle.

Al Darlow of Oklahoma A and M college, Stillwater, will be the judge and ribbons will be distributed on Hereford Day. Judging will start promptly at 9:00 a. m. This year's premium list totals \$5,000, with one fourth of the money coming from the American Hereford association.

G. R. McNeil, Wichita county agricultural agent for many years and now secretary-manager of the T-O Fair, says, "Good clean soft water will be available for all Herefords entered in the fair." It is being obtained from the Lake Kickapoo source to offset the many complaints received last year from Hereford owners. Their aristocrats just would not drink the Iowa Park water.

So far the following breeders have entered animals for exhibit: Bowen Hereford Ranch, Comanche, Texas; Hartsdale Farms, Fort Worth; J. M. Smallwood, Lawn, Texas; A. F. Pogle, Tuscola, Texas; Flat Top Ranch, Walnut Springs, Texas; T. D. Young, Roscoe, Texas; W. B. Barrett, Comanche, Texas; Hardy Grisson, Abilene; Arledge Brothers, Seymour; Cox and McInnis, Byrds, Texas; Roy Largent, Merkel, Texas; M. D. Whitte Hereford Farms, Dallas; P. D. Jones, Rhame; Stanton Hereford Ranch, Johnson City; Lester Carter, Jacksboro; and W. H. Hammon, Wichita Falls.

Hereford entries close September 30. All breeders who are interested in entering animals who have not done so may obtain entry blanks from Wayne Hammon.

## Pythian Sisters Met Monday Night

Romona Temple No. 92 of Pythian Sisters met in regular session last Monday night at the Knights of Pythias hall in Iowa Park.

Highlight of the meeting was announcement of a Pythian homecoming at Weatherford on October 17. Next meeting night is Monday, September 20.

## Mother of Mrs. Blum Dies at Hillsboro

Mrs. Uriah Blum was called to Hillsboro, Saturday to be with her mother Mrs. T. J. Herring who was seriously ill.

Mrs. Herring died Sunday, Sept. 12, at the age of 75, after a six-weeks illness.

She is survived by nine children, all of whom were present at their mother's bedside; a number of grandchildren; and one brother J. L. Smith of Hillsboro.

Funeral services for Mrs. Herring's funeral were her grandsons.

E. L. Scott left last Wednesday for Plainview to go to the bedside of his grandfather who is seriously ill.

## Women in Burk Plan for T-O Fair

Mrs. Taylor George and Mrs. Homer Blalock were in Burk Burnett, Tuesday afternoon in the interest of the women's division of the Texas-Oklahoma Fair. A meeting was held at the home of Mrs. A. A. Evert, general chairman of Burk Burnett, which was attended by representatives of eight outstanding clubs of Burk Burnett.

The clubs represented were the Junior University, Burk Burnett Study Club, Senior University, Unity Home, Current Literature, Hardin Home Demonstration, Burk Burnett Garden and Bluebonnet Garden.

The enthusiasm and interest of those in attendance gave evidence that their city would be well represented in each department of the women's division. Serving with Mrs. Evert are the following chairmen: Mrs. Ross Reagen, hobbies; Mrs. Gene Robertson, baking; Mrs. Levi Garrett, fine arts and amateur photography; Mrs. Charles Boyd, floral; Mrs. J. C. Adams, antiques and curios; Mrs. E. Danforth, needlecraft; Mrs. S. E. Askins, canned foods; Mrs. Ralph Davis, knitting, crochet, tatting, quilts and rugs.

Others attending were Mesdames A. L. Gilbow, J. M. Patterson, E. J. Simons and O. E. Melton.

## VALLEY VIEW H. S. TAKES ST. JO, 6-0

M. G. Jones jr.

A touchdown in the first few minutes of play provided the margin of victory for Valley View Warriors over the football team from St. Jo high school. The final score was 6 to 0. The game was played on the Valley View field last Friday night, Sept. 10.

At the kick-off the Warrior quarterback Young took the ball and returned to midfield. Fullback Kenneth Mann then plunged the line three times for a touchdown.

Further in the game an exchange of fumbles put St. Jo in possession on Valley View's 10 yard line, but great defense work by Joe McDonald, James Breazeale and the other fighting Warriors held off threats to score.

Young got off another run for 40 yards and passed 20 yards to Thompson, wing back, but the final whistle prevented another Valley View score.

Coach Ernest Sutherland of Valley View is well pleased with results of the Warriors' first game of the season, but says there are some rough spots yet to be worked out before the next game, which will be Friday, Sept. 17 at Jacksboro.

The team as a whole has assured their coach that they will go to Jacksboro fighting for another upset.

Dr. C. J. Simpson left Monday for Florida to accompany his sisters the Misses Elizabeth and Jane Simpson, who plan to make Florida their home this winter. Dr. Simpson will return by way of Galveston and join Mrs. Simpson, who will return home with him. Mrs. Simpson left here this week for Galveston.

Miss Martha Kate Hudson left Iowa Park this week for Denton, where she will resume her studies as an accounting major in NTSC after spending the summer vacation here with her mother Mrs. Bonnie Hudson. She was accompanied by Mrs. Hudson who will return home Friday.

Johnnie Joe Bates has gone to Fort Worth where he will re-enter TCU for the ensuing term as a junior student.

## Union Services to Close after Sunday, Dr. Boren to Preach

The annual summer union worship services of the Christian, Methodist and Presbyterian churches will be brought to a close Sunday evening with Dr. James B. Boren, president of Hardin college, Wichita Falls, bringing the sermon, "Religious Horizons" will be the subject of the speaker.

Special music is being planned for the service under direction of Mrs. O. R. Owens.

The services will open at 7:30 on the lawn of the Methodist church. Bill Sawyer will be song leader for the evening and the men's choir will sing.

## REGISTRATION FOR DRAFT TOTALS 170

By Wednesday noon of this week 170 men in the 18-25 year age class had registered for selective service at the Iowa Park city hall. The clerical work is being done by Miss Dossie Smith, city secretary, and Mrs. M. C. Yeagan, Chamber of Commerce secretary. Al Reed is the local chairman in charge of arrangements for the draft.

Mr. Reed announced Wednesday that registration will be completed Saturday noon, September 18. He also said that it is a violation of law to fail to register if eligible. All ex-service men must register if they are within the age limits — 18 to 25 — even though they have been in service and are not subject to call.

Registration will continue, of course, for those who become 18 years of age from time to time. Anyone having failed to register in the time specified for their age group may still do so till Saturday noon.

## Fire Losers Need Studio Couch Frame

A. L. Bohannon of Iowa Park is trying very hard to find a good studio couch frame. When he obtains it, he is going to give it a thorough overhauling job and reupholster it. Then it goes to a local family who are victims of a recent fire, having lost home and all furnishings without insurance coverage.

Mr. Bohannon would appreciate very much having some local family call and donate a studio couch frame which is sturdy, complete with springs, and worth remarking for its purpose.

## Cleland Minniear to Wed Gloria Gregory

Mr. and Mrs. R. P. Gregory are announcing the approaching marriage of their daughter Gloria Dell to Claud Cleland Minniear jr, son of Mr. and Mrs. C. C. Minniear of Electra.

The ceremony will take place Friday evening at eight, Sept. 17, in the Highland Heights Christian church of Wichita Falls. The Rev. Mr. Francis Barnes of Iowa Park will direct the recitation of the nuptial lines. Music for the ceremony is to be provided by Miss Helen Jarvis of Wichita Falls, pianist, and by Mrs. Charles Coppock, vocalist.

Matron of honor will be Mrs. H. E. Steincamp jr. of Wichita Falls. A trio of bridesmaids is to consist of Betty Green, Jeanear Dearman and Mary Lee Swindell, all of Wichita Falls.

Beverly Stowe is to serve as flower girl while Ronald Gregory will be ring bearer.

H. E. Steincamp jr. will serve as best man for the groom. Ushers and groomsmen are to be Joe Borden of Munday, Ray Reed of Olney and Elzie Parks of Iowa Park.

The bride-elect is a graduate of Wichita Falls high school and attended Hardin college. Mr. Minniear, who is a graduate of Iowa Park High School, also attended Hardin. Both young people were members of the Hardin college Indian band.

During the war Mr. Minniear served with the navy for more than three years with 32 months in the Pacific area. He is now employed by the Kadane-Griffith Oil company in Wichita Falls.

Doranna Scott, daughter of Mr. and Mrs. Edgar Scott, is doing nicely now following a recent operation for an abscessed bone in her leg. Doranna should be able to go to school in about two weeks.

John Thomas of San Francisco has been visiting here for about two weeks in the home of his sister Mrs. Edgar Scott and Mr. Scott.

## HAWKS WIN, 7 - 0, GO TO HENRIETTA FOR NIGHT GAME

With one victory to their credit, the Iowa Park Hawks will travel to Henrietta this Friday, September 17, for another non-conference contest. Viewing it as one of the toughest games of the season, Coach R. V. Wood expects a hard fought contest. Though several of the boys have had colds, the team will be near full strength with the return of Jackie Banks, who was absent from last week's lineup.

The Iowa Park boys took their first game of the season last week by defeating Newcastle, 7 to 0. The locals held a substantial edge in every phase of the game, gaining 16 first downs to 6 for the opposing team; completing two of nine passes attempted, while the visitors completed two out of 22 attempted. The Hawks were handicapped by the loss of two of their best backs, Benton Lewis, who was hurt on the first play of the game, and Jackie Banks, who was out of town.

The lone touchdown came after a long run by Don Paul Lemons followed by two quick-driving plays when Lemons carried the ball over the marker. Outstanding linemen of the initial contest were guard Jerry Rogers, end Jummy McDonald and center Tom Huckaby.

If last Friday's attendance was any indication of their intentions for the season, there won't be many left in Iowa Park come game time this Friday night.

## MODERN MUSIC CLUB PLANS YEAR

An added feature of opening night at the Texas-Oklahoma Fair is a Folk Festival sponsored by the Modern Music club of Iowa Park.

Plans for this innovation were worked out last Saturday night during a picnic at the home of Mr. and Mrs. O. R. Owens.

The picnic, complete with an abundance of food, home made ice cream and cookies was the opening affair of an ambitious season for the music club. Special numbers were sung by trio John and Jim Bradford and Pat Sewell.

The Folk Festival will include numbers from each music club in this district and entrants are requested to arrange their own numbers and present them in colorful costumes fitted to the theme of their offerings.

Place of presentation of the Folk Festival will be the area, admission will be free of any charge. Following the one-hour-long program it is planned to have numbers by a group from Hardin college.

Among other plans for the club year of the Modern Music organization of Iowa Park is the Thanksgiving program which will feature young musicians of Our Town.

A Christmas party at the home of Mr. and Mrs. C. W. Coppock will be a highlight of the season's activities. At Easter time the club will give its annual Easter vespers, a program which is always open to the public.

As a climax to the year's activities they plan to have a program featuring the Hardin college a capella choir.

## Travis R. Shipp Buys M. & G. Oil Company

Travis R. Shipp, formerly of Duncan, Okla., has purchased the M. & G. Oil company of Iowa Park from W. C. McDonald and H. J. Griffin and took charge of the business on Monday of this week.

Mr. and Mrs. Shipp have three children: Richard, nine years old; Karla Ann, three; and Susan Gay, two. He is a Baptist and she is a member of the Christian church. The family plans to make Iowa Park their home as soon as accommodations can be arranged for.

In announcing the change in ownership, Mr. Shipp said that he would continue the business as a wholesale and retail gasoline, oil and greases outlet. He has the dealership for Gates tires and Amalie lubricants.

Joe Griffin will continue to reside in Iowa Park and commute to Wichita Falls where he is a student at Hardin college.

Mr. McDonald will stay here also and work at the station until later in the fall. His plans after that are not definitely made.

The new owner has issued an invitation to all the old customers of M. & G. to continue their patronage with him.

Mr. and Mrs. Earl Oliver of Burk Burnett spent Saturday with Mr. and Mrs. Henry Brown.

Mr. and Mrs. E. E. Gates, formerly of Iowa Park, now of Pochontas, Ark., and their children Ruby Nell and Denzil visited two days recently in Iowa Park. They were guests of Miss Dillie Lomax, a teacher in the elementary school here. Miss Lomax is a niece of Mrs. Gates.

Mrs. Homer Bialock and Mrs. Taylor George were in Burkburnett, Tuesday in the interests of the Texas-Oklahoma Fair.

**Election Laws Need Revision Says Daniel**

The Texas election laws need restudy and overhauling from stem to stern, Attorney General Price Daniel said in Austin this week after concluding that the present statutes give him no authority to make investigations or prosecutions of alleged election irregularities. During the past two weeks Daniel and his assistants have been digging into the laws and court decisions to see if the state's chief legal officer has the power to investigate charges and counter-charges made by friends of both senatorial candidates Lyndon Johnson and Coke Stevenson after the August 28 runoff primary. "Our conclusion is that the legislature has vested exclusive authority in the county and district attorneys to investigate and prosecute alleged election law frauds the same as other criminal offenses. The present laws leave the attorney general without authority to act," Daniel said.

"This has been the consistent conclusion of previous attorneys general," Daniel added, "but on account of the serious statewide importance of the recent complaints from both sides we made a complete restudy of the question to be sure that we were doing everything in our power to help the people of Texas know if the various charges and suspicions are true or false and to prosecute any who may be guilty."

"In my opinion, future legislation should leave such prosecution for offenses committed in a single county or district as a primary duty of the local county or district attorney, but add a provision that the attorney general shall step in if the local officials fail or refuse to do their duty. For offenses alleged on a statewide scale, it seems to me the attorney general should be given authority to investigate and prosecute," Daniel said.

"But this is only one of the many changes which have been needed for a long time in our Texas election laws," Daniel continued. "The majority of the present laws were great improvements over their predecessors when enacted in 1905-1919, but they now need restudy and overhauling from stem to stern." The attorney general says he believes two of the most needed changes are to rewrite and put some teeth into the campaign expenditures law, and to withhold announcement of election returns by precincts and counties until all the votes have been officially counted, duly sworn to and filed with the proper local officials.

Daniel's last proposal would eliminate all unofficial returns and reports. Election officials would be required to count, swear to, seal their returns and deliver their boxes to the county clerk within 48 hours (by Monday night after a Saturday election) and not divulge the count on any race until after the official returns are opened and canvassed in public the following morning. Under this plan no one would know how any candidate stood until after the returns from every box had been certified and delivered. It would be too late then for a pre-

**Birk Family Enjoys Rocky Mountains**

Mr. and Mrs. C. E. Birk and Betty and Bobby, and Mrs. C. Birk returned Wednesday night from a vacation trip in the Rocky Mountain National Park. Miss Betty Birk had been at the Y camp in Colorado all summer with more than 100 college students. She helped to manage the camp, where she had office duties and was in charge of recreation. During Betty's stay in Colorado she got in about 200 miles of hiking and mountain climbing. Mr. Birk and Bobby did more than 50 miles of mountain climbing and hiking. On one trip Bobby was caught in a snow storm on Long's Peak. Both men are enthusiastic about mountain climbing and say that it is real sport. Betty will go back to school for another year, while Bobby begins his college career this week, having been a 1948 graduate of Iowa Park High School.

Glenn Odle and Mr. and Mrs. Jim Odle visited Miss Clara Lowrance last week. They are sons of Mrs. Edward Odle, the former Miss Blanche Coffman, who years ago lived in Iowa Park. The family has lived in Modesto, Calif., a long time. Mrs. Blanche Coffman Odle has visited her early home here a number of times. She died in California last March.

**FULL FEEDING IS ENCOURAGED BY PRICE OUTLOOK**

Pentiful supplies of feed at prices much lower than a year ago, and the continued high prices of meat and milk should encourage feeding for maximum production, livestock authorities agree. Extremely small livestock numbers, large feed production and expected demand for meat and milk greatly exceeding the indicated supply are conditions indicating that it will be unusually profitable to feed for fast gain, good finish and maximum production. Full feeding of rations containing adequate protein will take advantage of early marketing during the current shortage of fed animals.

Careful management and feeding are essential, however, to take full advantage of this situation. A. L. Ward, educational director of the National Cottonseed Products association, points out. Costs of feeder animals and breeding stock, labor and equipment make it necessary to use sound judgment and reduce expenses to a minimum. Proper use of protein concentrates such as cottonseed meal, pellets or cake, is one effective way to increase production and reduce costs. Adequate protein in fattening rations makes faster gains, more gain per pound of feed and higher finish.

Milk production of the dairy herd and beef cows is increased through liberal feeding of cottonseed meal or cake to supplement grains, dry roughages and grasses. Protein also helps the herd to breed regularly and produce healthier, heavier offspring. Cottonseed meal in the concentrate mixture for dairy cows not only increases production but also reduces costs by increasing efficiency of other feeds and grazing. With swine, balancing the ration with adequate protein produces more pork from less feed; fattens animals faster; and helps sows to breed regularly, produce larger litters and produce more milk to nurse the litter.

Cottonseed meal and cake have been tested by many experiment stations as well as through years of extensive use on farms and stock ranches. Their value has been proved by such results as:

In balanced fattening rations, 100 pounds of cottonseed meal saves 250 to 300 pounds of grains. At the Kansas experiment station recent work indicated that one lb. of cottonseed cake produced 3/4 of a lb. of additional gain when 1 1/2 lbs. of cottonseed cake were fed

**Park Area Club Plans T-O Fair Exhibits**

Park Area Demonstration club met this Wednesday at the home of Mrs. W. A. Scott. During the business meeting directed by Mrs. Niel Johnson, president, an invitation was read from the Enterprise Club at Electra for the Park Area members to be guests at the country club at Pumpkin Center soon. Plans were made for the Texas-Oklahoma fair exhibition of the club. Ten members were present. Next meeting will be the third Wednesday in October with Mrs. J. L. Harbour.

The college group of Iowa Park was entertained at the Methodist church last Saturday night with a party. Croquet and games on the lawn were enjoyed. Sponsors and adults assisting with the party were Mrs. Carl Sullivan, Mrs. Herman Mahler, Mrs. Roy Johnson, Mrs. Otis Gay, Mrs. James Sewell, Mrs. Harry Weaver, and the Rev. Mr. and Mrs. Kirk Beard.

**Teacher Assignments Listed by Bradford**

Teaching assignments for the school year 1948-49 were announced this week by Superintendent W. R. Bradford as follows: Principal R. V. Wood, who will also teach physical education, junior high school social science, and coach high school athletics. C. Lee Brigham will be assistant coach and teach history in both the junior and senior high schools. Roy Smith has been assigned the mathematics and will also be a regular bus driver. Mrs. Chauncey Weiler will serve as a utility teacher — half day in junior and senior high and also in the ward school. Mrs. Dorothy Thompson will be in charge of arithmetic and science. Mrs. Louise Ralston will teach English, Spanish and be the librarian. Mrs. Maude Owens is scheduled to teach high school English. Miss Marjorie Howard is home economics teacher for the high school girls. Miss Florine Linton has the commercial subjects. Mrs. M. J. McDonald will teach government in high school, and junior business and history in junior high. Mrs. D. R. Lucy, girls' physical education.

Mr. and Mrs. Henry Brown have as visitors in their home two nephews. One is Pfc. Donald Coleman, who is stationed at Fort Monmouth, N. J., and the other nephew is Gary Coleman of Marlow, Okla.

Mr. and Mrs. Marritt Hubbell of Nocona visited her mother Mrs. Mary Lee Shaw over the weekend.

### Baptist Women Study on Soul Winning

Soul Winning was the subject of  
the lesson which Mrs. Jim Miller  
taught when the Mary-Martha circle  
met at the Baptist church on  
Monday. Mrs. P. A. Blaylock gave  
the opening devotional. Those present  
for the study were Mesdames  
Milton Brubaker, Maxine Henson,  
H. I. Tatom, Jonkins, Jim Miller  
and Blaylock.

Mrs. Sam Ferguson was hostess to  
the Sallee-Morgan circle with Mrs.  
Curry teaching the Bible lesson after  
the devotional by Mrs. L. N.  
Lochridge. Present were Mesdames  
E. W. Sumrall, Curry, Lochridge, J.  
A. Berg, May Farmer and Ferguson.

The new circle chairman for the  
Ruth circle, Mrs. Herman Mitchell,  
presided at the business session after  
an inspiring devotional "We  
Are Witnesses" by Mrs. J. T. West.  
The following officers were elected to  
serve with Mrs. Mitchell; Mrs.  
R. R. Bruaker, co-chairman; Mrs.  
J. C. Searl, service; community mis-  
sions, Mrs. O. M. Jones; euevolence,  
Mrs. Lila Traylor; Bible study, Mrs.  
J. T. West; mission study, Mrs. Cur-  
tis Hill; missions, Mrs. James East-  
erwood and Mrs. Charlie Metz;  
stewardship, Mrs. Earle L. Denny.

Those present included Mesdames  
Edith Stone, Charlie Metz, Lila  
Traylor, O. M. Jones, Herman Mit-  
chell, J. T. West, James Easterwood,  
J. C. Searl and R. R. Bruaker.

Circles will meet next week at  
the church with Mrs. Addie Harris  
and Mrs. Herman Mitchell.

Mr. and Mrs. Herman Mahler  
visited with Mr. and Mrs. W. H.  
Mahler and Mr. and Mrs. John Maier  
of Wichita Falls last Sunday.

Mrs. Johnny Barrion of Wichita  
Falls is visiting in the home of her  
daughter and son-in-law Mr. and  
Mrs. E. A. Stewart.

Mrs. G. H. Hamilton is spending  
the weekend in Odessa with her  
daughter Mrs. Mauda Mae Martin.  
She will also visit friends in New  
Mexico before returning to Iowa  
Park next week.

### Uncle Sam Says

The first observance of Labor Day in  
the United States was held in New  
York City in 1882 by the American  
Federation of Labor. In 1948, some  
60 millions of you wage earners will  
join in the 66th annual celebration  
of that day. Congratulations are in  
order. Millions of you workers are  
now guarding against any future  
emergencies by allotting a portion of  
your weekly wages to the purchase  
of U.S. Savings Bonds through the  
Payroll Savings Plan. You like it  
because it is automatic, it is sure.  
If not enrolled you can sign up to-  
day where you work for the Payroll  
Savings Plan, or, if self-employed,  
see your banker and ask to be en-  
rolled for the Bond-a-Month Plan to  
purchase U.S. Savings Bonds. An  
allotment of \$3.75 a week will  
bring you \$2163.45 in just ten  
years.

U.S. Treasury Department

**JAMES G. PATTON,**  
President, National  
Farmers' Union, says:  
"My advice to the  
farmers is to put all cash  
they can spare into U. S. Savings  
Bonds, and to hold onto every Bond  
they own. If the farmers and ranch-  
ers generally will do that—and mil-  
lions of them are doing it today—  
we won't have the heartbreaking  
hard times we had after the last  
war on most of the farms of this  
country. Money saved in savings  
now is hardship saved later."

Mrs. G. W. Harris was in Byers  
recently to attend the funeral of  
J. D. Harrison and to visit with  
her uncle G. H. Harding and fam-  
ily.

### Yearbook of 23 Study Club Is Compiled

The 25th annual announcement of  
activity plans and programs has  
been given to the printers by the  
program committee of the Twenty-  
three Study Club of Iowa Park, ac-  
cording to announcement made by  
Mrs. L. E. Brooks, president, and  
her program committee. The latter  
group is composed of Mesdames R.  
A. Tanner, J. A. Sewell and Homer  
Blalock. The yearbooks will be ready  
for distribution at the re-assembly  
luncheon which will be held in the  
Texas room of the Holt hotel in  
Wichita Falls on October 14.

After numerous meetings devoted  
to preparation of the year's pro-  
grams, the committee members feel  
that much of interest has been in-  
cluded from educational and cul-  
tural standpoints. The fine arts  
committee made up of Mesdames C.  
W. Coppock, Sam Hill and M. C.  
Yeagan are arranging high type  
musical and cultural additions to  
each program.

The theme for the year is World  
Neighborhood, and each program  
was carefully planned to empha-  
size the theme.

The following is a skeleton out-  
line of the various programs and  
meetings of the Twenty-three Study  
club for the current year.

Oct. 14. Federation Day. Re-  
assembly luncheon, Texas room of  
Holt hotel. Mrs. M. C. Yeagan will  
use an attractive Federation Day  
acrostic to impress each officer of  
her respective duties. Mrs. C. W.  
Coppock is scheduled to contribute  
a medley of popular songs for mu-  
sical entertainment.

Oct. 21. Legislative and Citizen-  
ship program. Mrs. Gayle Park,  
hostess. Mrs. John Barbour and  
Mrs. Martha Lou McSteen will be  
the featured speakers and will dis-  
cuss the pending bill to abolish the  
electoral college system, and the  
Social Security bill. Mrs. J. A. Sew-  
ell will direct the group in singing  
patriotic songs.

### State Fair Expects 2,000,000 Visitors At State Fair of Texas

Stimulated by the greatest expansion program undertaken in years, the 1948 State Fair of Texas is in the final stages of preparation for its 63rd season, Oct. 9 to 24. Some two million visitors will discover the "new look" on the 187-acre exposition where over three million dollars have been spent on new buildings and improvements. These include the \$800,000 automobile, aviation and recreation building and the \$1,280,000 reconstruction job on the Cotton Bowl.

the glitter and the hard business, the agricultural triumphs and concession offerings into one splendid mass of excitement, officials are preparing for the people of the Southwest an exposition which is bigger and better than anything hitherto presented by the State Fair of Texas.

The layman will see an entirely new-type Agriculture Show that is easy to understand and fascinating to behold because it will present living exhibits of all the major crops of Texas in various phases of growth and maturity.

The 1948 livestock show will feature more breeds of cattle than ever brought together before for a major show, including two national shows, the National Brahman and the National Milking Shorthorn shows, October 13-22. A mammoth exhibit of new automobiles and an equally impressive farm implement show will be other highlights.

Sixty thousand 4-H club boys and girls, Future Farmers and Future Homemakers will be guests of the State Fair, Oct. 16, Rural Youth Day, the largest gathering of rural youth ever to assemble at one time in one place.

Nine colorful games will be played on the football field of the Cotton Bowl, including the University of

Texas - University of Oklahoma on opening day, and SMU - Santa Clara on October 23.

Heading the entertainment field at the Fair will be Jimmy Durante and Harry James in the auditorium; the Flying L Rodeo starring Jimmy Wakely; the third all-new edition of Ice Cycles of 1948; and Serrano, the psychic horse with the college education.

### Seniors Elect Officers and Room Mothers

Politicin' time rolled around to IPHS this week as the senior class held election of officers, senior mothers and teacher sponsors.

Leading the class of '49 will be Jimmy McDonald as president; Tom Huckaby, vice-president; Carolyn Baxter, treasurer; Lucy Lee Dale, secretary; and Billy Jean Girard, reporter.

Members of the class selected as their senior mothers Mrs. Penton Dale, Mrs. Viola Scott, Mrs. George R. Huckaby, Mrs. Herman Mahler and Mrs. E. L. McDonald.

Teacher sponsors of the class will be Mrs. Maude Owens and Mrs. Al- ma Wormington.

Alfredo Casares and his orchestra will play typical Mexican music in the Patio of Natural Gas Building at 1:30, 3:30, 5:30 and 7:30 each afternoon and evening during Texas State Fair, Dallas, starting October nine. Decorations of the building, housing a huge display of automatic gas appliances, were inspired by the splendor, color and drama of Modern Mexico.

### Quarter Horse Show To Draw 200 Entrants Valley View Classes Organized This Week

Perry Cotton of Visalia, Calif., and Bob Burton of Arlington, Texas, two of the best informed men on Quarter Horses in the nation, will judge the State Fair of Texas quarter horse show, Oct. 18-24, Ray W. Wilson, manager of the livestock department, has announced.

With a \$3,000 premium list, the judging program, including halter and performance classes, will be held Oct. 22-24. Besides the cash prizes beautiful silver awards will be presented to owners of the champion quarter horse mare, stallion, get of sire and produce of dam.

"We had 135 entries last year and are planning on 200," Wilson said. "The livestock committee is planning a program which will focus attention on the quarter horse as a breed and the importance of the breed to the livestock industry of the Southwest."

Wilson pointed out that the recognition given the quarter horse is well deserved due to the animal's utility value on farms and ranches in Texas and the Southwest. The quarter horse is regarded as the ranch horse of the nation.

Entries in the quarter horse show close October 1.

Dr. and Mrs. Gordon Clark were called to Fort Worth last Thursday to be with her sister Mrs. Lewis Tandy, who had suffered a heart attack. Mrs. Clark is reported doing nicely this week. On Tuesday of this week the Clarks returned from Dallas where they had been visiting. Mrs. Elizabeth Duvall, mother of Mrs. Clark, returned to Iowa Park with them.

### Youth Choir for Town To Be Directed by Mrs. James Sewell

A Youth Choir is being organized for Iowa Park under the sponsorship of the music committee of the Methodist church, with active supervision of Mrs. James Sewell.

The choir will begin public appearances at evening services of the church but will not confine itself to just that.

Mrs. Sewell has announced this week that the choir will practice on Monday nights and invites all boys of Iowa Park to come to the rehearsals and take a part. At present, some of the men have offered to help and will be in the choir.

As the singing group becomes more able to put on a complete program, they will then be open to invitations to sing for other functions of Our Town.

From where I sit... by Joe Marsh. "Farming" Versus "Ranching" Talked to some editors who run my column in their papers - in states where there's mostly cattle and sheep raising - about the differences there might be between farming and ranching. And they told me: "Joe, there's no real difference between cattlemen and farmers. We make our living from the land like your folks do; we have the same 4-H Clubs and Granges; the same problems of prices and marketing. "When it comes to recreation, we have the same liking to get together now and then for a barbecue and a friendly glass of beer." And from where I sit, that about sums it up. Ranchers may have different names for things or grow different crops. But all over America folks who work the land share those common traits of hard work, sober moderation, and good fellowship, whether they're growing cattle for beef, or barley for good American beer and ale.
