On Tuesday afternoon at 2:30 Iowa Park seniors left for Biloxi, C. L. Vaughn, Band Instrument Miss

Our first stop was at a roadside park just out of Denton, where we ate supper. We arrived in Shreveport about 11:30. The next morning we left at about 9:00. Our next stop was at Vicksburg. T. C. Berry, Wichita Falls Times After lunching there we took a trip through the Civil War battlefields which surround that city. At about 4:00 we headed for Biloxi. At about 7:00 we stopped in Hattiesburg for supper and arrived in Biloxi at 10:30. The next morning most of the seniors went swimming until 11:00. Then we went to downtown Biloxi for a look-see. At 2:00 we boarded the Pan-American Clipper and took a boat ride to Ship Island, where we played and swam until 5:00. That night we ate at the Friendship House (famous through the South for its sea food). Some of our seniors tried lobster for the first time. Some of them didor try to kill it.

n't know whether to try to eat it Friday we drove to Mobile, Ala. to spend the day. Mobile was the most beautiful city we saw. Trees were so large they overlapped the If you are overweight, here is the four-lane highway going into the first really thrilling news to come town. As we entered we drove along in years.
