We have approximately 200 wells which have been pressured with gas and vacuum pulled. We are to put in a small pit and if it works we will expand it later."
Robertson continued: "This is a beautiful country; the main industries are oil, coal mining and lumber. Our cottage is on the bank of the Allegheny river where fishing is good. Plenty of wall-eye pike, muskies and small mouth bass. We are 50 miles from Lake Erie and about 115 miles from Niagara Falls. Old Glory Is Old Glory floating over your domicile today?
As ours went out this morning "You're a grand old flag" came naturally to mind and I found myself humming it through a good part of the morning. The making and the meaning of the flag lingered in my thoughts.
There was the patriarch who had brought his family to America to find freedom—religious freedom was high on his list of necessities. He had given nine sons to the cause during the Revolution and had himself exerted much influence.
Because of his staunch resistance, this old gentleman past 70 years was forced to flee from his home just before 20 Redcoats came, ransacked and plundered the house. His wife and granddaughter hid outside within hearing.
Telling the story years afterward, the granddaughter remembered her grandmother became so audible in communion with God that she all but gave away their hiding place to the marauders.
Just recently Mary Helen Wallis visited the Smithsonian Institute in Washington, D.C., and saw the original flag, the work of the hands of Betsy Ross.
What a good time to remember many things—about where we came from and where we are going! —Drucilla

The State of Texas
To: Boyd Hilton Long, Defendant, Greeting:
You are hereby commanded to appear before the Honorable 89th District Court of Wichita County, at the Courthouse thereof, in Wichita Falls, Texas, by filing a written answer at or before 10 o'clock A.M. of the first Monday next after the expiration of forty-two days from the date of the issuance of this citation, same being the 3rd day of August A.D. 1964, to Plaintiff's First Amended Original Petition filed in said court, on the 5th day of June A.D. 1964, Original Petition filed December 9, 1963, in this cause, numbered 75,893-C on the docket of said court and styled Aundrea Darlene Graves Long, Plaintiff, vs. Boyd Hilton Long, Defendant.

A brief statement of the nature of this suit is as follows, to-wit: After alleging jurisdiction, plaintiff further alleges that she and defendant were married on or about the month of April, 1963, and continued to live together as husband and wife until on or about the 3rd day of June, 1963, when by reason of cruel, hard and tyrannical treatment on the part of the defendant toward this plaintiff without cause or provocation, was of such a nature as to render their further living together insupportable; that there was one child born of this marriage, to-wit: Gary Boyd Long, a boy.

Wherefore, plaintiff prays that defendant be cited to appear and answer herein, and that upon trial hereof, she have judgment for divorce and for care, custody and control of said minor child; that Defendant be awarded reasonable visitation privileges with the said minor child in that Plaintiff be awarded a reasonable amount of child support each month; that Plaintiff be awarded her share of the community property; that she be awarded her attorney's fees; and for such other and further relief, in law or in equity, which she may show herself justly entitled, as is more fully shown by Plaintiff's Petition on file in this suit.

If this citation is not served within ninety days after the date of issuance, it shall be returned unserved.

The Officer executing this process shall promptly execute the same according to law and make due return as the law directs.

Issued and given under my hand and the Seal of said Court, at office in Wichita Falls, Texas, this 16th day of June A.D. 1964.

Attest: (Seal) Wayne Wiggins, Clerk, 89th District Court, Wichita County, Texas.
By Alma Lee Armstrong, Deputy. (June 18, 25, July 2, 9, 1964)

The State of Texas
To: Geo. T. Beven, G. W. McNew, N. J. Moore, Herm Specht, Clarissy Pollard, Defendants, Greeting:
You are hereby commanded to appear before the Honorable 78th District Court of Wichita County, at the Courthouse thereof, in Wichita Falls, Texas, by filing a written answer at or before 10 o'clock a.m. of the first Monday next after the expiration of forty-two days from the date of the issuance of this citation, same being the 27th day of July A.D. 1964, to Plaintiff's Petition filed in said court, on the 2nd day of April A.D. 1964, in this cause, numbered 74,387-B on the docket of said court and styled L. Harris, Independent Executor of the Estate of Emma Ellen Redin, Deceased, and Joy L. Harris, Individually, joined by her husband L. E. Harris, Plaintiff, vs. Geo. T. Beven, G. W. McNew, N. J. Moore, Herm Specht, Clarissy Pollard, Defendants.

A brief statement of the nature of this suit is as follows, to-wit: This is a trespass to try title suit wherein Plaintiff alleges that on the 16th day of May, 1952, Plaintiff and those they hold title under were and still are the owners in fee simple of the following described premises situated in the County of Wichita, State of Texas, to-wit: The West One-Half (W 1/2) (being West 2 acres) of Block No. Thirty-four (34) of Texas Addition to Town of Iowa Park, Wichita County, Texas, according to recorded plat thereof.

Plaintiffs say that the defendants should be divested of title and title entered in Plaintiff's names by judgment of this Court under the ten year statute of limitation because the persons holding the apparent record titles to the land have not exercised dominion over said land any time during such period of ten years next preceding the filing of this suit, nor have they done so one or more years during such period; and that the Plaintiffs have openly exercised dominion over said land for said ten year period. Wherefore, the plaintiffs say that title to such land have passed to them.

Wherefore, Plaintiffs pray that the Defendants be cited to answer this petition, and that Plaintiffs have judgment for the titles and possession of the above described premises, and for such other and further relief as they may be entitled to either in law or in equity.

As is more fully shown by Plaintiff's Petition on file in this suit. If this citation is not served within ninety days after the date of issuance, it shall be returned unserved.

The Officer executing this process shall promptly execute the same according to law and make due return as the law directs.

LAWNMOWER SAFETY

Safe operation of power lawn mowing equipment starts with a good knowledge of the mower and how it works. If youngsters are to handle the lawn-mowing chores, be sure adequate instruction is given so they are familiar with the mower's features and the safety rules for mowing lawns.

Lawn Boy power mowers passes along those tips for a summer filled with safe, healthy lawn mowing.

1. Know your controls. Learn how to stop the engine quickly in an emergency.
2. Make sure the lawn is clear of sticks, stones, wire and debris that could be thrown by the blade.
3. Keep children and pets at a good safe distance.
4. On slopes or wet grass, be extra sure of your footing.
5. Never cut the grass by pulling the mower towards you.
6. Stop the engine before pushing the mower across gravel drives, walks or roads.
7. Stop the engine whenever you leave the mower, even for a short time.
8. Do not operate the engine where carbon monoxide fumes can collect.
9. Stop the engine and disconnect spark wire before working on the mower.
10. Never add fuel when engine is running. Fuel outside in fresh air only. Wipe up any spilled gas.

Noted Musician Mourned Here

A host of friends were saddened recently to learn of the death of Dr. John F. Williams, founder of Westminster Choir and of Westminster Choir college. He died in a hospital in Toledo, Ohio, where he was to conduct a choral clinic. He was also scheduled to collaborate with the Guilman Organ school July 6-11 in New York City.

A number of Iowa Park folk had the privilege of singing under the direction of this outstanding choir man several years ago and of hearing him lecture on church music. He had definite ideas on the subject and on the importance of music in our national life.

He had the ability to inspire students to a remarkable degree. Among them he was lovingly referred to as Dr. Emphathy.

Mrs. James A. Sewell attended master classes two summers under Dr. Williamson's direction, the second year also including Dr. George Lynn, former associate director, who is present music director of Westminster Choir college, having assumed that post June 1.
