Vocational Facilities Needed on Iowa Park High School Grounds

After months of deliberation, research and trips to other schools, the Iowa Park school board has arrived at a tentative plan for meeting the dilemma facing the system with regard to a vocational education plant.

Texas Education Agency insists that vocational classes be conducted on the high school campus, thus eliminating the lost time, at least 20 minutes from each class period, and the expense of bussing students and teachers from the present vocational buildings to the high school.

There is another need for a new building: Within the foreseeable future there likely will be eight departments in the vocational school, and the present building will be inadequate, even with the next school year, when building trades is to be a new course.

Plans call for a 100 x 275 foot structure, if not now, eventually, built of steel, similar to the "little green building" east of the present Junior High.

Bids will be asked for only on the building; the foundation and floor will be built by the school. Bids might be made on a 100 x 150 foot building, a 100 x 200 foot structure, or on the full floor plan.

The plant will be located east of the high school and north of the stadium. According to the blue print, seven stalls for auto mechanics will be on the east side, with one of them large enough for a bus.

Next to that will be the building trades department, with tool-room between the two class laboratories.

Vocational agriculture class and assembly room and the ornamental horticulture area and greenhouse would be next in line, the latter being built with fiber glass roof and south side, except for the space needed for the aspen pads. Temperature here will be thermostatically controlled.

Such courses as business machines, drafting, cosmetology, and commercial art are in the picture for the future, depending on pupil need and demand.

These plans are flexible, and the means of implementing them are also flexible. It seems now that it would be more economical to do it "on our own" rather than with federal aid; and that it might possibly be done with borrowed money rather than with a bond issue.

If we do it on our own and build the largest plant and there is space not needed by vocational classes, other subjects demanding more room in the high school can be taught here, thus eliminating the need for building expensive additions to the already-full high school plant.

If federal aid be accepted, the building must be constructed along lines matching the present high school building (brick) and no classes could be taught in the building except vocational education work.

As to the cost of such an addition to the school, estimates approximate \$106,000. Since no bids have been made, it is premature to state a figure. Of one thing the board is sure: They will do what seems most economical, practical and feasible to meet the needs.

And what are the needs? Already for next year 120 girls have

signed up for homemaking classes 1, 2 and 3; the boys for auto mechanics number 25; for building trades, 23; for vocational agriculture, 70; and ornamental horticulture has attracted 24 students.

Some three months ago a survey was run, and enough interest was indicated in drafting, cosmetology and commercial art to merit classes in those subjects now, instead of delaying several years, as the school board plans to do.

Service Set for Harry Parker

Harry T. Parker was missed at breakfast time Wednesday, and when looked for was found dead at his home, 3102 Seymour Highway, Wichita Falls. His death was apparently from natural causes.

He has been a successful rancher and oil operator for many years.

Funeral service will be conducted at 2:00 Friday in Tanner Funeral Home chapel with the Rev. Mr. Gerald Tidwell officiating.

School to Collect Transfer Tuitions from Ineligibles

Due to the rising cost of educating a student, Iowa Park Independent School District has found it necessary to set a policy relating to acceptance of transfer and ineligible pupils and assessment of cost for providing their school opportunities. Effective Aug. 31, this new policy will apply.

Application for transfer must be in the local school administration offices by June 1, 1970.

For the coming school year the following schedule of tuition rates will apply:

Grades 1 through 5: permonth for pupils eligible for Iowa Park's A.D.A.—\$25. Per month for pupils not eligible for Iowa Park's A.D.A. \$50.

Grades 6 through 8: \$35, \$65. Grades 9 through 12: \$40, \$65. Special education: \$40, \$65.

Tuition shall be payable by the month in advance when it is the obligation of the parent or one in parental relationship. If a district assumes responsibility for tuition, it shall be payable at the end of each semester.

Student Council election this week had the following result: President, Steve Watson; Vice-president, Don Harrison; Treasurer, Brenda Gibbs; Secretary, Gregg Ancell.

Safety Posters

Last Friday at 1:30 in Kidwell school and at 2:30 in Bradford school, J. Carl Kuehn presented certificates to winners in the safety posters contests sponsored by Travelers Protective Association each year. Contestants were pupils in the fourth and fifth grades.

Mr. Kuehn of Wichita Falls goes over the state at his own expense to aid TPA in the safety programs. Kuehn explained the emphasis on safety fostered by TPA and reminded the students that Fess Parker—Daniel Boone—is a member. He urged the youngsters to be especially careful during the summer vacation as they ride bicycles, go swimming and ride horseback.

On exhibit were posters made by each pupil carrying out some phase of the "Watch That Child" theme.

At Kidwell, Donna Sharp won first; Belinda Price, second; with Mark Puder and Kevin Pierce tied for third.

At Bradford, Bob Hodges won first; Reesa Robinson and Sandra Cannedy tied for second; Richard Smith took third.

One of the catchy slogans on a poster was "Buckle Up or Be Bungled Up." Creativeness was evident in all winning posters.

Scholarship

Mrs. Ross Roberts, third grade teacher at Kidwell, was presented a \$100 scholarship at the teachers' meeting at Kidwell school Tuesday by the Wichita County Council of Parent-Teacher Association.

Letters of commendation of teachers worthy of recognition were submitted weeks ago by PTA groups and Dr. Arthur Beyer of Midwestern university was chairman of the committee of judges. Mrs. D. O. James of Iowa Park, county president, made the presentation.

Mrs. Roberts taught in McGaha school of Wichita Falls six years before coming to Kidwell four and one-half years ago. She is mother of three children, two in school.

Her parents are Mr. and Mrs. O. T. Holmes of Quanah, where she was valedictorian of her class. Four years later she was graduated with honor from North Texas State university, Denton. She plans to continue her studies at Midwestern.

Mr. Roberts is a civil service employee at SAFB in the field of educational curriculum building, and has bachelor's and master's degree. In addition to teaching, he enjoys farming and cattle raising on small acreage where the family live in Wichita Valley Farms.

Troop 38, Boy Scouts of America recently held an Eagle Court of Honor at the United Methodist church for David Brott and Carl Watson, sons of Mr. and Mrs. Fay Brott and Dr. and Mrs. Earl F.

Watson. As is his custom, James Harrison presented each with an identification bracelet. Pictured during the ceremony are Harrison, Watson and Brott.

Two plaques were awarded for worthy endeavor at the teachers' meeting at Kidwell school Tuesday morning, one going to an individual and one to the school.

Mrs. Grace Chastain, cafeteria worker in the school system since 1944 and at present manager of Kidwell school cafeteria, is retiring this year. In recognition of her years of commendable service, Harold Cowley, principal, expressed the thanks of teachers and pupils as he presented the plaque to Mrs. Chastain.

For participation in the clean-up campaign sponsored this year by the Garden club, Mrs. James A. Sewell presented a Kidwell school plaque denoting a job well done by pupils and teachers, in maintaining a clean campus. Cowley accepted the award to be placed with other trophies.

Each week inspection was made of the school campuses by some member of the Garden club. Every day for the past six weeks a pick-up crew, under direction of various teachers, collected trash and unsightly rubbish. The plaque was given in recognition of that effort.

upon request or may be picked up at Camp Fire office, 1901 Tenth, Wichita Falls 76301. Telephone is 322-5209.

Registrations will be accepted as long as there is a vacancy, says Joyce Lauck, executive director, because she wants every space filled this summer with a girl who will enjoy camping at Letoli.

Parents of girls who would like to go to summer camp in the next three months are reminded that Camp Letoli, near St. Jo, is one of the best places in this part of Texas for camping.

Don't say, "Whoa. That's for Camp Fire girls and Blue Birds!" True, but it's also for all girls and non Camp Fire girls are welcome and specially invited to take part in Camp Letoli's summer program.

Besides belonging to Camp Fire and Blue Birds, Camp Letoli is a member of American Camping association, a nationwide non-profit organization of people interested in organized camping.

You are invited to contact local Camp Fire and Blue Birds leaders if interested in enrolling your girls in Camp Letoli this summer.

FLY-UP

Shining Stars Blue Birds were made Camp Fire girls in an impressive fly-up ceremony May 20 at Harrell Park Camp Fire girls' lodge.

Tanda Camp Fire unit assisted by their guardian Mrs. Earl Watson conducted the fly-up.

Blue Birds and Camp Fire girls entered the lodge singing the processional. They formed a semi-circle on either side of the bridge, which was entwined with flowers and birds. On each side were rustic log candleholders decorated with yellow flowers and white doves.

Mrs. Joe McDonald, Blue Bird leader, lighted the first taper and gave it to Cathy Cosstick, who lighted the first Blue Bird wish candle and passed it on to the next girl until nine pale blue candles were burning.

Mrs. Watson asked the Camp Fire girls to explain the seven crafts and three ranks of Camp Fire. She then had the Blue Birds recite the Camp Fire Girls' Desire. Lisa Watson stepped forward and explained the meaning of the Camp Fire hand sign and asked the Shining Stars to give the hand sign.

Mrs. Watson invited each Blue Bird to cross the bridge into the land of Camp Fire. The Tanda girls placed the traditional red tie on each of the new Camp Fire girls.

Cody Collins, Lisa Owens and Toni Copeland put matches to the group's first candles of work and health and love.

As the new Camp Fire girls' names were called they came forward and Mrs. McDonald presented each a certificate, the Blue Bird patch and the Camp Fire girls handbook. Then both groups with their guardians formed a friendship circle and sang the "Camp Fire Law."

Immediately following the fly-up a reception was given honoring the new group. Tanda girls presided at refreshment table.

Girls promoted were Tammie Greenway, Cathy Cosstick, Sherry McDonald, Jill Koonce, Lisa Owens, Mary Kathryn Bludnick, Cody Collins, Traci Salmon, Toni Copeland.

Camp Fire girls were Lisa Watson, Elaine Cole, Ann House, Sandra Hammack, Dee Smith, Bonnie Papinchock, Susan Moore, Holly Burrell.

Families of all the girls were invited to attend, and special guests were Mrs. Billy Greenway, assistant leader of Shining Stars; Mrs. Pete Koonce, sponsor; Mrs. Johnny Cole, sponsor of Tanda Camp Fire girls. Approximately 50 persons attended.

Mr. and Mrs. G. T. Counts and son of Marshalltown, Iowa, are visiting here with Mr. and Mrs. J. C. Whitley.

Miss Alma Dakey entertained members of her family at lunch in Metz Coffee Shop last Saturday. Present were Mr. and Mrs. Calvin Lakey of Austin and daughter Linda, a Baylor university student; and Mr. and Mrs. Leroy Lakey of Valley View community.

Miss Donna Hill was honoree at a bridal shower in the home of Mrs. Glen Miller last Friday evening. Assisting with hostess duties were Mmes. Wayne Williams, Clyde Patterson, Jimmy Voyles, Buck Voyles, A. J. Wood, Jimmy Medlinger, Jack Railsback, R. B. Smith, Bill Curry, Tom C. Berry, Cloyd Dodd, O. R. Ackerman, H. W. Darnell.

Mothers of the betrothed couple Mrs. Donald Hill of Iowa Park and Mrs. B. H. Sparkman of Burkburnett, were seated beside Donna. Her sister Cindy Hill and Roy's sister Mrs. Dan Breshears of Wichita Falls assisted with unwrapping and displaying gifts.

Donna is an IPHS graduate and has completed two years of study at Hardin-Simmons university.

Roy Sparkman is a graduate of Burkburnett high school. Both of them are to enroll at Texas Tech in Lubbock for the semester beginning in September.

Mr. and Mrs. Elmo Traylor have returned after a week's visit with his brother Ed and family in Normal, Ill. While in St. Louis Elmo and Mildred attended a ball game between the Cardinals and the Chicago Cubs.

Church of God held its annual graduation banquet for seniors of the church last Friday. Seventy attended.

Speaker for the evening was Mrs. Bertha McDonald. Father Time appeared in his white robe and long hair, portrayed by Robert Lamb, and read a scroll which brought memories back for the six seniors. He mentioned things that had almost been forgotten; things that had happened during their school years.

Guests enjoyed singing by two groups: Debbie Cook and Janet Fox, and Boys Trio: Lynn Dozier, Steve Goforth, Ronnie Stewart.

The six honorees—Patti Brown, Jimmy Lee, Gary Rusk, Brenda Fox, Judy Case, Mike Spillman—then were presented gifts from the church.

Chicken Shack catered the meal which was served in the new fellowship hall of the church. Rev. Mr. Bill Williams was master of ceremonies.

Another area of safety promoted by the schools is Safety Patrol. Participants serve as directors of traffic on the school grounds. This year more than 70 youngsters did safety work in the two schools. They do six weeks stretches or more, and must maintain at least B averages. They are proud to wear the danger "red" jackets while on duty.

Careful!

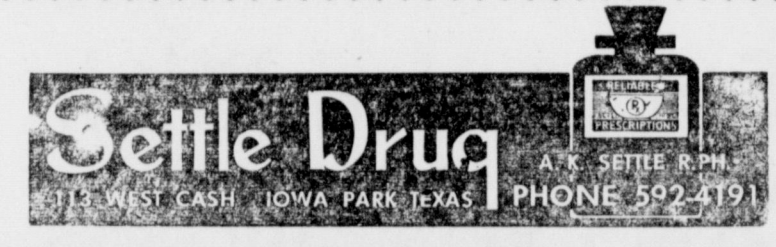

Memorial Day signals the beginning of summer travel season for thousands of Texas motorists. Too often, these travelers think about fun, not driving safety.

Highway department workers are engrossed constantly in making travel on Texas roads as safe and convenient as possible. Yet construction areas this time of year may pose hazards. Drivers must be on the lookout for warning signs of roads under construction with resultant lower rates of speed suggested. Obey the signs and make your summer driving safe.

Don't be a Memorial Day trip casualty!

Senior Citizens are reminded that next meeting will be luncheon at United Methodist church on Monday, June 1, at noon.

Mr. and Mrs. Hill Spruiell and Mr. and Mrs. T. M. Clark served cake, cookies and coffee to 22 members on Monday 25: Messrs. and Mmes. L. P. Lambert, Herman Evans, Ed Hayes, M. L. Hines, J. A. Berg; Mmes. Pearl Pettus, Gladys Thompson, Mary Evans, Martha Dillard, E. H. White, C. E. Russell, Anna Chesler, Lydia Hudson, and Davida Wright.

Dreamers

Seven members of Dreamers attended the TOPS International Recognition Days in Houston, May 14-15-16. They are Mmes DeWayne Williams, A. J. Wood, A. O. Beall, H. Pierce, E. H. Towne, G. V. Henderson, W. D. Vestal.

Over 3000 members from around the world attended the annual convention with a fiesta theme. Sessions in the Astrohall included a fun night with skits, games and big dress parade; parade of each state's royalty; recognition of KOPS including coronation of a KOPS queen and king; awards for greatest improvement and Century club; talk by Dr. R. K. Kalkhoff, director of deaconess—Tops Obesity Treatment Research and Treatment Program; and patients of that center.

Most impressive meeting was coronation of International royalty and awards to division winners.

The David A. Fox award was presented to the chapter in Ralston, Minn., by Esther Manz, founder of TOPS in 1948. The 17 members of that community had an average loss of over 31 pounds per member in 1969.

The Iowa Park women went to Houston by chartered bus with other area TOPS members.

There are 11,195 chapters with

300,864 members who lost a total of 2,659,820 pounds in 1969.

Of particular interest was information about losses by male members as well as teenagers and children. Stork club winners had amazing losses during pregnancy. There are two clubs in Iowa Park—Dreamers and Trimetters.

CWF

Installation of officers for 1970-71 featured the dinner meeting of Christian Workers class of United Methodist church last Thursday evening.

Mrs. R. G. Warner is president; Mrs. Emma Gaunt, vice-president; Floyd Boyd, treasurer; Mrs. J. C. Ralston, secretary, with Miss Mary Butcher at assistant; Mrs. Bertha McDonald, teacher, with Mrs. Travis Smith as assistant.

New emblem of the church—the cross representing the life and sacrifice of Christ; and the flame representing the Holy Spirit—was built bit by bit in a poster, as each officer added a piece under direction of Mrs. Miles Hines. The ceremony was concluded as Mrs. Otis Gay and Mrs. Richard Perry led the group in singing, "Holy Spirit, Faithful Guide."

Mmes. Swan Reaves, C. C. Robinson and Lydia Hudson, hostesses, decorated the tables in a most

unusual way, as colorful and jeweled lady bugs, each different to every other, crawled over logs arranged along the center of each table, all headed for an attractive oil-cloth flower arrangement at head table.

George Trammell presided and introduced the guests: two airmen from Indonesia, two from Vietnam, one from Illinois. Following treasurer's report by Floyd Boyd, the class voted to give \$100 to the church budget.

Others present were Messrs. and Mmes. Elgin Denny, Carroll Hester, Ray Low Gene Lowrey, Herman Mahler, W. M. Owens; Mmes. Leonard Parker, Kathleen Hatten, Floyd Boyd, Hazel Trammell; Messrs. R. G. Warner, Otis Gay, Taylor George, Miles Hines.

Funeral service was conducted early this week at Weatherford. Mr. Long is survived by a sister Mrs. Shelman Reele of Dallas.

Mrs. Rowena Parker and Mrs. Leonard Parker visited over the weekend with relatives in Clarendon and Amarillo.
