## Chamber Banquet Was Huge Success

by Mrs. Grover Cleveland

A very specal day and one that vill be long remembered took place last Thursday night when the Iowa Park Chamber of Commerce held its banquet. In the first place our state governor Preston Smith favored us with a visit and most inspiring talk.

In the second place this social event of the year took place in our new high school building. Or shouldn't these both be "first place" events in all fairness?

Many people should be thanked fer doing a fine job of planning and for many hours of work organizing this affair. Plans started under leadership of Kenneth Sullivan. He spent much time and Wichita county this year had promade many contacts to see that duced two state championship all went well. Outstanding thing about Bob was that he went ahead and did what he was supposed to do without any outside proding. Just how many can be depended on to be like that?

Much of the help came from Iowa Park Florists, when Mr. Wilson kindly agreed to work along with the Garden club. Mrs. Frank Harlin and Mrs. W. A. George were in charge of this project. The whole club is to be congratulated for the beautiful display.

Head table was decorated with two large arrangements of yellow eladiolas and black wrought iron holder with olive green candles at the center, furnished by Iowa Park Florists.
