DR. EARL WATSON
520 W. CLARA
IOWA PARK, TEXAS

Plans finalized for next weekend's homecoming, Whoop-T-Do events

A bonfire at 8 p.m. next Thursday night will signal the beginning of a full weekend of activities which possibly will include the participation of everyone in the community.

It's Iowa Park High School homecoming and Whoop-T-Do celebration time.

Following the bonfire, which will be held between Shaw Ford and Park West Shopping Center, a parade will be held downtown at 4 p.m. the next day, preceding the Iowa Park - Burk Burnett football game at 8 p.m.

A new feature has been added to the parade, to include a division for decorated bicycles. It is reported a group of three-wheel-bicycle riding senior citizens plans to be in the activity also. The Student Council sponsors the parade.

Crowning of the homecoming

queen is to take place prior to the start of the football game.

And after the contest, an informal dance for all students and exes is to be held in the school cafeteria.

The annual Turtle Trot at 9:30 Saturday morning will initiate a full day's activities in the downtown area. It's traditionally the first event of the Whoop-T-Do.

The Whoop-T-Do is a carnival-like affair at which organizations can put up booths on the 100 block of East Cash. It was started as an annual affair to give people something to do on homecoming weekend.

Thus far, 24 organizations have indicated an interest in having a booth, but only 10 have paid their fee to the Chamber of Commerce, sponsor of the activity. Booths must be reserved by 4 p.m. Oct. 6.

A new event has been added to the Whoop-T-Do, that being a talent show, which will start at 3 p.m. and continue until 5. Winners of three categories will receive \$50 cash, and a trophy.

Last year a new attraction of a sidewalk art and craft event includes a division exclusively for youngsters.

And to give something extra for those attending, the Retail Merchants Association has announced members are planning a town-wide sidewalk sale for customers.

The annual Ex-Student Association's banquet and business meeting will cap off the activities at 7:30 that evening in the high school cafeteria. Officers for the coming year will be elected. IPHS graduate Lynn Hensley, now an attorney in Houston, will be the principal speaker.

HOT TIME IN THE OLD TOWN - Title to the old popular song has a dual meaning. It was a hot time in old Iowa Park, back in 1919, when a theatre and cafe burned on the east end of Cash Street, across the street from where the city hall now stands. And when the gang's all here for Iowa

Park school homecoming next week, they will have a chance to see this and several other pictures and documents on display Oct. 7 at the State National Bank. In fact, several who were here when the fire took place will be there to see the exhibit.

VOL. IX NO. 4 15 CENTS

Hawks to open district play tomorrow at Stephenville

The Hawks travel to Stephenville for an 8 p.m. District 4-AAA kickoff tomorrow night.

It's been three years since Iowa Park has defeated the Stephenville Yellow Jackets, and the Mean Green feels that's long enough.

When Coach Leon Manley's crew turned the trick in 1975, at Stephenville, that was the first time Iowa Park had lost to the 'Jackets.

The predominantly senior club has had its problems so far this season, though not as many as have the Hawks.

Stephenville is 1-1 on the year,

after having laid off for an open date last week. The Jackets tied Fort Worth Nolen in the season opener, 13-13, came back to beat Granbury 9-0, and then fell to Class AA Breckenridge 6-19 before their open date.

Manley's son, Mark, heads a list of 20 seniors on the club, which is joined by seven juniors and two sophomores, according to the team program.

Manley was about the difference in the game here last year, running for a pair of touchdowns from his quarterback position. He is an

all-round athlete who is quick and knowledgeable.

The Jackets use Manley's running ability to put pressure on the defending cornerbacks, running primarily from a pro set. He has the option to hand off, pitch out or keep the ball and run. Manley is also an adequate thrower.

Working out has been difficult for the Hawks Monday and Tuesday, both because players are missing and due to the extreme heat.

Tackle Paul Arrington possibly is out for the season. He reinjured a knee Friday night, leaving the game in the second quarter. Doctors cannot determine the extent of the injury, however, until after the swelling subsides enough tests can be made.

Sophomore lineman Tommy Ross, second largest player on the team, has been limping quite a bit lately with a sore leg hurt in the Bowie scrimmage. Coach Pat Tone says Ross will probably be able to play.

Continued on page 5.

Trio pleads guilty in cattle theft case

Three men indicted for their alleged involvement in a cattle theft ring pleaded guilty Monday in Wichita Falls federal court.

Trial date for the three men was set for 10 a.m. Oct. 11.

Frank Kenneth Simmons and Jerry

Johnson, Price plead innocent

H.C. Johnson and Patricia Price of Iowa Park both pleaded innocent in federal court to all counts of an indictment involving alleged interstate transportation of stolen grain and the furnishing of false information.

The innocent pleas were entered Monday in the Wichita Falls federal courtroom of U.S. Dist. Judge Robert M. Hill.

Johnson and Mrs. Price are scheduled to appear in the Wichita Falls federal courtroom again on Oct. 11.

Johnson and Mrs. Price were named in a 26-count federal indictment along with Robert Johnson, the missing Iowa Park grain dealer whose business dealings have been under investigation since his mysterious disappearance in January.

Malone, both of Fort Worth, and William Davis Lewis of Colorado, each pleaded guilty to two counts of an indictment that charges they were involved in a cattle theft ring.

Malone and Lewis both pleaded guilty to count two of the indictment that alleges they knowingly transported 200 head of stolen cattle from Portales, N.M., to Iowa Park.

They also pleaded guilty to count four of the indictment which alleges a truck used to transport the cattle was stolen March 20 at Clovis, N.M.

Simmons pleaded guilty to counts one and two of the indictment dealing with theft of 62 head of cattle and theft of an additional 200 head of cattle during March.

Classes out early Friday

All school classes will be dismissed at 2:30 p.m. Friday, Supt. Farris Nowell announced yesterday.

Purpose of the early class closing is to let the buses make their regular routes, in time to take the band and pep squad to Stephenville that evening for the Hawks' District 4-AAA opener.

Reception Saturday to honor Woodfin

A reception to honor Virgil Woodfin, superintendent at Iowa Park Experimental Station, who is retiring will be Saturday 2-4 p.m. at Texas Electric Reddy Room.

His retirement was official Aug. 31 but he has continued at the station where he had worked 32 years and two months.

He earned his B.S. degree in

agriculture from Texas Tech and was employed in Abilene as a lab technician before coming to Iowa Park as a horticulturist at the Texas A&M University facility in 1945. He became superintendent in 1965.

Mr. and Mrs. Woodfin, the former Lola Faye Nelson of Abilene, have two children, Mrs. James Cook of Amarillo and Charles of Lubbock.

City aldermen Monday night received a request to provide water to a housing development, not require a building permit for school student project construction, and to install four-way stop signs at five places in the city.

A request that the city furnish water to Bogan Acres, a tract of land at the southeast corner of Bell Road and U.S. 287, was taken under advisement for study.

Sam Fairchild, speaking for his father-in-law, Dean Hawkins, asked that the city extend water to the new homes both under construction and planned to be built.

Hawkins, it was disclosed, had purchased the tract some two years ago from Parker Square Savings and Loan, the firm which assumed ownership from developer Jack Bogan a few years ago.

Buck Voyles, who has purchased a two-acre tract of the area, also asked the council how he could get water to his proposed new home site.

They were told that the city's policy has long been to require any developer to extend water and other utilities to the property, at the developer's expense.

For the city to lay a six-inch line to the property would cost an estimated \$18,000, Gene Britton, city administrator, said.

Fairchild reminded the council that about 14 months ago the former council had agreed to run a two-inch line to Bogan Acres, but it had not yet been done.

He said a new home is already under construction on Bell Road, and listed four or five other new homes to be built.

Members of the council voted to table the issue for further study, but to have an answer to the request within 60 days.

School trustee Jesse McCullough appeared before the council to ask that some agreement be made which

would relieve the school from requesting a building permit each year for the project house of the Building Trades class.

McCullough said an agreement had been worked a couple of years ago, but those now running the city were not aware of it.

Mayor Johnny Crawford pointed out that the building code ordinance prohibits Britton from not requiring a permit. Any such agreement has to come from the council.

After a lengthy discussion, council members approved the issuing of a building permit, which includes inspections and dumping fees, to the school for its projects, at no expense.

STOP SIGNS

Almost all the heads of commission members were nodding in agreement as Buster Reeves requested four-way stop signs be placed at various locations along the old highway through town.

He specifically pointed to the three intersections where the traffic lights were formally located, and at Johnson Road.

A fifth location was also asked by Billy Gilmore, at Cash and Hawthorn, to hold traffic to a reasonable speed for protection to children in the area.

Reeves pointed to four-way signs on major roads in Chillicothe, Vernon, Electra and Archer City.

Crawford said he felt anything concerning this subject should be

brought before the Citizen's Traffic Council, which meets the first Tuesday of each month. And he also received agreement from aldermen to appoint Reeves to the Council, if there is an opening.

Council members approved Ordinance 88-A, which prohibits parking on the east side of Johnson Road between West Highway and Westridge.

A two-inch water line is being laid in Oscar Park by city employees, which will allow watering of grass and garden areas planned for improving the west side of Gordon Lake, members were told.

At the end of the regular meeting, Gilmore told members of the council he did not appreciate receiving a notice that he had 10 days to mow weeds in a lot next to his house, and said he wouldn't do it.

During a lengthy discussion, it was brought out that the city works with residents who indicate they intend to keep up their property, but the government has to have some method of protecting the citizens.

Gilmore said he intends to mow the area, when he has time, as he has already done once this summer. "They can issue me a summons if they want to, but that doesn't mean I'll get them out any sooner," said the former city councilman.

Aldermen agreed that if he intends to do it, there would be no problem.

City receives requests for water, stop signs

Major effort to reach employees made

More of a major effort toward larger Iowa Park firms is being made this year during the annual campaign, according to Charles Lee, chairman of the annual United Way Campaign.

At a meeting held Monday, Wayne House, major firms division chairman, showed representatives from various businesses the methods that could be used in reaching their employees.

"Each company's campaign, of necessity, must be conducted differently," he said. "For instance, it's virtually impossible for J.B. Barbour Trucking Co. to get all their employees together at one time since they're driving all over the 48 states."

"Cryovac must reach each different shift, while other businesses can have only one employee meeting for the campaign. It's up to each firm to find

the best solution for its own special situation," House said.

"The loaned executive program is extremely useful for group meetings," House pointed out, "and we'd like to see this knowledgeable group of young men used whenever possible."

The Loaned Executives are businessmen lent to the United Way for the duration of the campaign to show films and answer questions of individuals concerning the United Way.

Last week at a report meeting in Wichita Falls, 13% of the goal of \$1,112,805 was reported turned in by volunteers in the Wichita Falls, Burk Burnett and Iowa Park area.

The drive, which has set Nov. 2 as

NOTICE
VRJC SCHEDULE PLANNING MEETINGS

You are urged to attend one of the following meetings for the purpose of planning to be taught by Vernon Regional Junior College in Iowa Park and Burkburnett during the spring semester.

Iowa Park Oct. 3, 7 p.m. High School Library
 Burkburnett Oct. 6, 7 p.m. High School Cafetorium

Local named 'Little Sister' of area Young Homemakers

The Area IV Young Homemakers of Texas awarded Kathy Johnson of Iowa Park its "Little Sister" award at a meeting held in Abilene Saturday.

Texas wild flowers are program topic

The Iowa Park Garden Club met in Texas Electric Reddy Room Friday morning for a regular meeting with Mrs. Joe R. Cope and Mrs. R.L. Good serving as hostesses.

"Nine Requirements for Contented Living" was the topic of the devotional thoughts taken from The Open Door and given by Mrs. Frank Harlin.

Mrs. Charlie Lee, president, introduced Craig Steffens of the Texas Highway Department who presented the program for the morning on "Enjoying the Wild Flowers of Texas". He stressed that people should take time to enjoy the beauty of the flowers in the fields and on highways throughout Texas. He showed slides of wild flowers of Texas to impress his viewers with their exquisite beauty.

The speaker told club members that money had been appropriated to landscape the numerous new rest stops that have been built along the highways and that work on the one west of Iowa Park which will involve beautification with plants, trees and shrubs will start soon.

He described the Texas Highway Department's nursery at Scottsdale where they raise many of their plants and told members that wild flower seeds could be ordered from Green Horizons at Kerrville.

The club gave the speaker and his department a vote of thanks for their diligence in watering the crape myrtles, pampas grass and oak trees furnished by the Iowa Park Garden Club along the highway.

Mrs. Lee conducted the business. She introduced three new members, Mrs. Howard Marlar, Mrs. David Parkey and Mrs. Thurman Reitz, and one guest, Mrs. Jerry Dunham.

Mrs. W.A. George, community service chairman, requested members to wash, cut out both ends and save their tin cans for the Opti-Mrs. Club to decorate

for the outdoor Christmas ornaments in the city.

The president appointed Mrs. Luther Shaw and Mrs. R.B. Faulkner to serve on the nominating committee.

Also attending were Mmes. Johnny Bernstein, Myrl Cabe, Jim Connatser, Allen Gilstrap, L.C. Hill, N.D. Hodson, Mike Hodson, Arch Hughes, Ida Parker, Roy B. Smith, George Trammell and R.G. Warner.

Shower fetes bride elect

A miscellaneous bridal shower was given Saturday afternoon in Texas Electric Reddy Room complementary to Miss Laura Littrell, bride-elect of Jackie Perkins. Hostesses were Mmes. Keith Dyer, Gary Crawford, Jimmy Jameson, Jackie Hodges, Norman Hodges, Miss Michelle Skelton and Miss Cathy Cosstick.

The refreshment table was covered with an heirloom net cloth over ecru and centered with an arrangement of silk flowers in apricot and leaf green, the honoree's chosen colors.

Gifts were displayed on a table draped with white net over white satin appointed with a wedding bell arrangement.

The future bride was presented with a carnation corsage in her colors.

Special guests were Mrs. Ira M. Littrell Jr. and Mrs. Bob Perkins, mothers of the betrothed couple, Mrs. Gene Box of Dallas, sister of Miss Littrell, and Mmes. G.L. Herrington, T.M. Littrell and G.C. Hodges, grandmothers of the prospective bride and groom who will be married Oct. 15.

She received a certificate of award and a \$25 savings bond and will compete in state "Little Sister" contest to be held in Austin in February.

The Young Homemakers of Texas is an organization of young adults and is affiliated with the schools of Texas from the state level down to the local level. It is considered the "Big Sister" club to Future Homemakers of America.

Each year a "Little Sister" is elected from each area of YHT at the area meetings for outstanding work done in FHA-HERO. Next year the title of the honor will be changed to Outstanding Future Homemaker in fairness to the males now in the homemaking program of Texas schools.

Attending the meeting from the Iowa Park chapter of YHT were Mmes. Charles Barr, president; Mrs. Jerry Hodges, vice president; Mrs. Reynold Redclift, historian; Mrs. Delbert Wilson and Miss Linda Ayers, advisors to YHT and FHA and Mrs. Thomas Johnson.

KATHY JOHNSON

Club plans garage sale

The discussion of a garage sale Oct. 20, 21, 22 was the main item of business discussed when the Park Area Home Demonstration Club met with Mrs. Joe R. Cope Wednesday morning. Mrs. W.E. Karstetter was in charge of business.

Members responded to roll call with "A credit mistake I made."

Others attending were Mmes. James Todd, Roy Fortner, W.G. Partney, J.E. Penn, Floyd Stermer, Bertha McDonald, Grady Henderson and Elvy Sargent.

Cemetery group slates meeting

The quarterly business meeting of Highland Cemetery Association will be held Sunday at 2:30 p.m. at First Christian Church.

George Richter will direct the business when a nominating committee will be elected to secure officers for the new year beginning in January 1978.

Rusks to observe 50th anniversary

Mr. and Mrs. C. Rusk will be honored at a reception Sunday from 2 to 4 p.m. commemorating their 50th wedding anniversary. The affair will be held in the home of Mr. and Mrs. Garland Rusk, a son and daughter-in-law, at 521 W. Clara.

Also hosting the reception will be the couple's other children and their spouses, Mr. and Mrs. Clarence Cowles of Placentia, Calif. and Mr. and Mrs. John Hunt of Hurst. They will be assisted by the honored couple's eight grandchildren. They also have three great-grandchildren.

Mr. and Mrs. Rusk were married in Walters, Okla. Oct. 1, 1927. They lived in Cotton Co. where he farmed until he retired and they moved to Iowa Park in 1962.

At the reception, Mr. and Mrs. Rusk will be seated in the living room in gold chairs.

The refreshment table will be draped to the floor with a gold satin cloth and centered with an arrangement composed of gold mums and gold candles. The three-tiered anniversary cake will be decorated with appropriate anniversary symbols and topped with

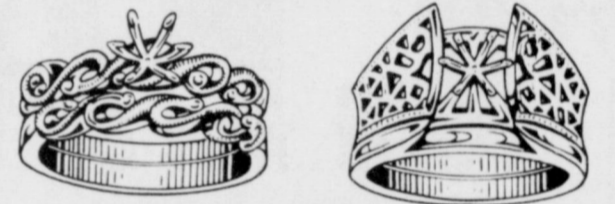

"50" in gold numerals. The cake will be served with a gold server and punch will be served from a crystal bowl with a gold ladle.

Granddaughters of the

couple will receive signatures of the guests in a special anniversary book and preside at the refreshment table.

"Peace is our final good." St. Augustine

Kirby Sewell, senior electrical engineer for TESCO, checks construction progress at the Comanche Peak nuclear plant site.

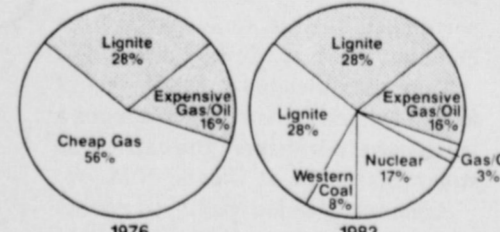

"Today most of your electricity is made with cheap natural gas. But this gas will be gone soon."

How will we supply the electricity you'll need then?"

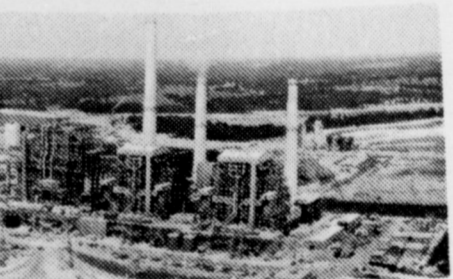

"About 70 percent of the electricity you use today is generated in plants that run on natural gas.

Most of it is gas we got at a low price many years ago. But those long-term contracts will expire soon.

This is why our construction budget is nearly a quarter-billion dollars this year — so we can continue building plants that can use other fuels, specifically lignite coal and nuclear.

One reason for Texas Electric's low rates is low cost gas contracted for years ago. As the chart on the left shows, more than half the fuel we use now is cheap natural gas. But our contracts for this gas expire soon. The chart on the right shows how we will replace this gas by 1983 with more abundant fuels.

At the Monticello plant near Mt. Pleasant, two lignite coal units are in operation now and a third unit is under construction.

The first unit of the Comanche Peak nuclear plant is scheduled to go into service in 1981 and the second unit in 1983.

And we have five lignite coal-fired generating units in operation now, with five more under construction. Others are being planned.

By 1983, over 80 percent of your electricity will come from coal and nuclear fueled plants. This is how we intend to continue supplying you with the electricity you'll need."

Electricity. You count on it today. We're working to keep it that way.

W. N. HOUSE, Manager, Phone 592-4149

Cook of the Week

The leaves are turning and falling once again as a reminder that autumn is here in spite of the continuing summertime temperatures.

The first sign of autumn always seems to have a sort of magic to dispel the "too hot to bake" syndrome that cooks have in the summertime as it rekindles an interest in baking.

Marie (Mrs. Victor) Koelzer's pie recipes and cake recipe for the first autumn issue of the Leader will probably be conducive to heating the oven that was used infrequently during the summer and "popping" in a pie or cake to bring the noon or evening meal to a successful finish.

Sugar is an important ingredient in each of her dessert recipes. Housewives today think nothing of going to the grocery store and purchasing a five or ten lb. bag of sugar. In the 18th century sugar was such a rare and prized commodity it was included in a list of jewels and precious gems presented as a wedding gift to Maria Theresa, the future Queen of Hungary and Bohemia.

Hundreds of years before the birth of Christ, the people of India learned how to make sugar from sugar cane. Not until the time of the Crusades was sugar introduced by the Arabs into

Mrs. Victor Koelzer

Europe. At first it was a great rarity and was even used for medicine.

The Koelzers are among the many interesting newcomers to Iowa Park. He works in production for Petroleum Corporation out of Breckenridge. They have two children, Virginia of the home, a high school sophomore, and Kenneth, who is married and lives in Electra.

Mrs. Koelzer was graduated from Lindsay High School. She worked for seven years for Weber Aircraft at Gainesville before the family moved to this area. She is a member of the Catholic Church and St. Paul's Altar Society at Electra. She likes to sew and do yardwork.

3/4 to 1 cup milk
2 T baking powder
Melt margarine in tall baking tin and pour in the above mixture. Do not stir. Dump in a can of pie filling (apple, peach, cherry or apricot). Do not stir. Bake 45 minutes to 1 hour.

PINEAPPLE COCONUT PIE

1/2 cup sugar
1 - 1 lb. 4 1/2 oz. can crushed pineapple
3 T cornstarch
1/2 cup pineapple juice
1/4 t salt
2 T oleo
2/3 cup flake coconut
2 T lemon juice
1 unbaked pie shell
Blend together sugar, cornstarch and salt, stir in undrained pineapple; cook and stir over medium heat until it thickens. Stir in oleo. Remove from fire, add lemon juice and coconut. Bake at 375° for 50 minutes or until brown.

OATMEAL CAKE

1 cup oatmeal
1 stick oleo
1 cup boiling water
Mix above ingredients and let cool.
Add:
1 cup white sugar
1 cup brown sugar
2 eggs
1 t cinnamon
1 1/2 cups flour
1/2 t nutmeg
1/2 t soda
1/2 t salt
1 t vanilla
Mix well and bake at 350° for 35 minutes or until done.

ICING

1/2 cup sugar
1/2 cup cream
1 cup coconut
Cook until thick, stir and spread on warm cake. Put under broiler to brown.

STRAWBERRY SALAD

1 large box strawberry jello dissolved in:
2 cups boiling water
When cool add:
1 small can crushed pineapple
2 bananas, mashed
1/2 cup chopped nuts
1/2 of small carton sour cream
Top with frozen strawberries and let congeal. Spread remaining sour cream on top. Refrigerate.

COBBLER PIE

Mix together:
1 cup sugar
1 cup flour
1 t cinnamon
1/2 t salt

Nocona woman is UMW speaker

Mrs. T.D. Howard of Nocona was guest speaker for the Tuesday morning meeting of United Methodist Women held in the Randolph Clark chapel. She was introduced by Mrs. M.L. Hines.

The speaker's topic was "The Office of the Deaconess" and she started from its inception in the early church mentioning Phoebe as the first deaconess. She put major emphasis on the Diaconate composed of the deacons and deaconesses and the services they render.

Stating that the deacons and deaconesses do not receive full recognition in today's Methodist church but to ordain them would not be in competition with the ministers rather a complement to the ordained ministry.

She described the Diakonia, International Federation of Deaconesses Association founded in 1947, now with 22,000 members active in 28 countries and closed by showing slides of the Wesley Community House in Louisville, Ky.
Others attending were Mmes. C.L. Lee, H.W. Carter, Larry Parks, Wilbert Wynn, Donald Cook, Don Beals, Jimmie Kasparek, Carl Sullivan, C.L. Thompson, George Trammell, Clyde Winfrey, Kathleen Hatten, Emma Gauntt, W.M. Owens, Elgin Denny, Carl Walsh, H.M. Mahler, T.J. Pace, Rafael Carrillo Miranda, Charlie Thompson, Otis Gay, L.A. Teal, Bertha McDonald, Phil Krum, L.A. Thurlo, James Todd, E.L. Gallop, Ina Slover and Ruby Smyers from Holliday and Josephine Cogdell from Electra.

Lioness Club sets theme

"The Freedom to Be Yourself" was noted as the theme of the Iowa Park Lioness Club activities for 1977-78 when yearbooks were distributed at the first meeting of the new year Thursday evening. Mmes. Faris Nowell, Wm. Nunn and D.O. James planned the programs.

The first meeting was highlighted with a visit to the Wichita Falls Museum and Art Center where members viewed the Phillip Anschutz Collection of Western Art and saw the spectacular solar system show at the planetarium.

During the business meeting directed by Mrs. W.E. Karstetter at Samba's later in the evening, plans were made for the club's booth at Whoop-T-Do Oct. 8 where homemade cakes, pies and coffee will be served. Whole cakes and pies will also be for sale.

Some of the outstanding programs for the current year will include a program of narration and slides by Mrs. R.A. Tanner on South America, a country that she toured recently, a program on Tokyo and its schools by Mrs. Omega Harris, a teacher at City View, who visited Tokyo and other places in Japan during the summer of 1977, a talk by Jimmy Howell, ornamental horticulture teacher at Iowa Park High School and a Beacon Lights program.

The club strives to encourage young people to develop and use their talents by having them to appear on

programs throughout the year. This year those scheduled to appear are the Iowa Park Junior High School Choir directed by Mrs. Marsha Brown, Lynette Flick and Janis James, pianists, Kathy Johnson, flautist, and a boys quartet from the Iowa Park High School A Cappella Choir.

Other non-club members who will contribute arts numbers are Mrs. Rollins Woodall, who will read some of her original poems for the combined November-December meeting and Mrs. Joe Singer who will present special music for the May meeting.

Club members are Mmes. Keith Aulds, T.C. Berry, Homer Blalock, W.F. Boohar, L.E. Brooks, W.C. Fowler, Sam Hill, Sam Hunter, Geo. R. Huckaby (inactive), D.O. James, W.E. Karstetter, Faris Nowell, Wm. Nunn and R.A. Tanner.

IF YOU THINK IT WAS HARD GETTING WHERE YOU ARE, WAIT 'TIL YOU SEE HOW HARD IT IS TO STAY THERE.

Getting there is only half the battle. But we've got something that will give you extra staying power once you're there . . . and help if you're on the way up. It's a package of important banking services designed to save you time and money. Here's what you get:

For starters, there's unlimited checking with no extra monthly activity charge. Then . . . \$10,000 accidental death insurance coverage with Insurance Company of North America . . . divided equally on joint checking account members. There's no extra charge for your wallet-size checks and deposit tickets. All you need . . . imprinted with your name, address and phone number. No fee for Traveler's Checks, Cashier's Checks and Money Orders . . . purchased at the bank.

You'll enjoy automatic membership in the Gift of the Month Club. Each month you'll have the chance to purchase a nationally known item at a substantial club discount.

And . . . a club membership-identification card which serves as a check-cashing card as well as your key to all club services and national discounts.

There you have it! All the services you need for only \$3.00 per month and no other bank charges. Actually, it won't just help you stay where you are . . . we designed it to help you move ahead! Join today.

Stanley Williamson, Chairman of the Board and Chief Executive officer, Herschel Nipper, Executive Vice President, and David Parkey, Vice President, will be willing to consult with you at any time.

Sorority meeting features dinner

Alpha Epsilon Omicron chapter of Beta Sigma Phi held a mystery dinner in the party room of Establishment Apartments Thursday evening for one of the rush parties.

Guests were Mmes. Dick Lunsford, Richard Dietrichson, John Condry, Gary Ritter and Miss Sandi Swayden.

Waitresses from the chapter were Mmes. Danny Holman, Ron Fullerton, John Conklin, Travis Bradford and Gayle Cleghorn.

Other members present were Mmes. Gene Bond, Bobby Attwood, Clifford Klinkerman, Wilbur Garrels, James Owens and Miss LaVonne Stogner.

The regular meeting of the chapter was held Monday at the home of Mrs. Travis Bradford. Rituals were led by Mrs. Danny Holman and Mrs. John Conklin.

Mrs. Gene Bond directed the business when members voted to donate money

toward a city project for the year. Plans were completed for the chapter's booth at Whoop-T-Do where caramel apples will be sold.

Mrs. Holman was named to attend a planning meeting for the Faith City Council fall tea Oct. 23 in Clark Student Center at Midwestern State University. AEO chapter will be responsible for decorations.

Members were reminded to bring canned goods to the meetings between now and Thanksgiving to fill baskets for distribution during the holiday. Announcement was made that the Christmas auction among members would be held Dec. 5.

Students meet to plan float

Iowa Park Building Tradets met Tuesday and made plans for the float entry in the homecoming parade Oct. 7. Curtis Wheeler, vice president, will be in charge but all members will participate in the work entailed for preparing the float.

Students recognized for donating blood during the latest visit of the Red Cross Bloodmobile were O'Dell Ladwig, Curtis Wheeler, Randy Eakin, Kent Boykin and Jim Cockrum.

Municipal Court Records

Results of municipal court held here last Thursday were: Bruce W. Rohrbaugh, speeding, \$28.50; Charlie Earlie Correll, disobeyed stop sign, \$18.50; Larry Dale Fuller, public intoxication, \$28.50; Matthew Curt Wallace, public intoxication, \$28.50.

'Lucky Dozen' meet Thursday

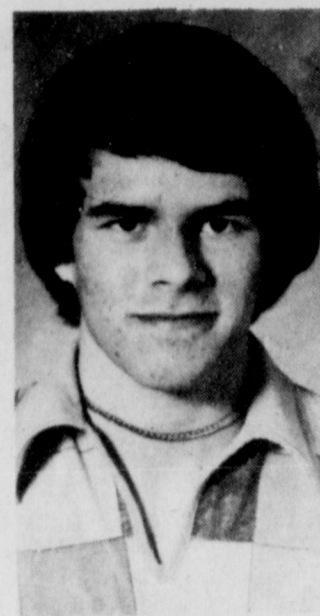

The "Lucky Dozen" Blue Birds of Valley View, all second graders at Bradford Elementary School, held their first meeting Thursday afternoon in the home of their leader, Mrs. Ronny Cravens.

She was assisted by Mrs. Jerry Hodges, assistant leader, and Mrs. Danny Cravens, club sponsor.

During the election of officers the following were named: Shelly Davis, secretary; Jerri Brown, treasurer; Sheri Cravens, flag bearer; Lisa Hodges, candlelighter.

The group will meet on the second and fourth Thursdays of each month between 2:45 - 4:15 p.m. in the leader's home.

Mrs. Jerald Brown furnished refreshments.

BILLY FARMER

Billy Farmer is recognized

The Opti-Mrs. Club has selected Billy Farmer, son of Mr. and Mrs. J.W. Farmer, for the Outstanding Student of the Month in English.

A senior at Iowa Park High School, he is on the varsity track team and likes to lift weights. He is vice president of the National Honor Society.

Billy is active in the United Methodist Church where he sings in the choir and is president of the Fellowship Youth Club. He works part-time as a helper in a nursing home.

He plans to attend college and prepare to be a physical therapist.

Mrs. Denny leads WMS lesson

Nine members of Day WMS of First Baptist Church met with Mrs. Howard Marlar Tuesday morning for a Bible study lesson given by Mrs. Earle Denny on "People."

Mrs. W.G. Partney was in charge of the missionary prayer calendar.

Others present were Mmes. Donald Hill, J.E. Penn, Kenneth Flowers, Don Wilson, C.O. Dodd, and Johnny Bernstein.

The next meeting will be at Mrs. Wilson's.

Three queens to be crowned

The selection and crowning of a queen generate enthusiasm and interest in all things pertaining to or attended by festivities, whether it be a county fair, old settlers' reunion, school homecoming or Chamber of Commerce sponsored Whoop-T-Do.

During the whirl of activities homecoming weekend Oct. 7-8, three lovely young ladies will have the honor of wearing a queen's tiara.

The Iowa Park High School homecoming queen will be named and crowned Friday night during halftime at the Burk Burnett Bulldogs - Iowa Park Hawks football game.

Two Whoop-T-Do queens will be crowned Saturday afternoon during the festivities to climax a contest sponsored by Epsilon Eta chapter of Epsilon Sigma

Alpha. Mrs. Bill Vanek is chairman of this year's contest.

There will be two divisions, La Petite for girls ranging in age from 4-7, and Junior Miss, girls from 8-12.

To enter the contest, the girls or their mothers should call Mrs. Bill Hrcncirik at 592-5076 or Mrs. Jean Proulx at 592-2296 immediately and receive their instructions. The deadline for entering is Tuesday. By entering early the girls can place their jars in downtown businesses and get a head start on the "penny a vote" way in which the winners will be chosen. They can also start soliciting votes from relatives and friends.

Jars and money must be turned in on Friday and contest entrants will be informed by Mrs. Hrcncirik or Proulx where to turn them in.

Humor 'n Whimsey

Joe Riordan

The summer of 1941 burned its way into my hometown before Spring had a chance to bid a lingering goodbye. Most of us welcomed the long hot days since it meant tourists from the city would be moving through on their way to the lake fifteen miles away; and tourists meant summer jobs, summer romances and increased prosperity for our crossroads hamlet. I was sitting in front of Ira Flarp's General Store and Mercantile Emporium drinking a NuGrape and eating a Moon Pie when she pulled her yellow Packard convertible to a

stop. Flarp was leaning against the wall in a wooden chair slapping at flies and dipping an occasional "chew" from a package of Mail Pouch tobacco.

When she opened the door of the car and stepped out, I thought he would swallow the quid of tobacco that was resting in his right cheek. She was a long-legged blonde dressed in a pair of close-fitting shorts. Her feet, complete with painted toenails, rested in a pair of white sandals, and the top of her body was covered with a brief bra held up with spaghetti straps. She looked at me briefly while the chocolate covering from the Moon Pie dripped down my fingers. By this time Ira was on his feet, his glasses which had been resting on the top of his head had fallen down on the end of his nose, and though he was staring at her like a tree full of hoot owls, he managed to speak.

"Can, uh, we, er I mean I help you m'am?"

She smiled as she pulled off her sun glasses.

"Yes, I was wondering if this road leads to Lake Pahoka?"

Ira pointed and said, "Yes, m'am, straight up this road fifteen miles. The turnoff to the left is marked by a large sign. You can't miss it."

She thanked him and slipped back into the convertible. Ira stared at her the entire time.

After her car pulled back on the road, he stared for several seconds, and then fired a stream of tobacco into the dust. By this time I was staring at my chocolate stained hands while trying to blow away the flies which were congregating around the top of my bottle of NuGrape.

I realized Ira Flarp had been shocked by the woman's brief costume.

"She wasn't wearing a lot of clothes, was she Mr. Flarp?"

"Sonny", he said as he sent another stream of tobacco juice into the air, "I've been married to the same woman for the last forty two years and I ain't never seen that much of her naked at one time."

Burglaries reported

Two burglaries headlined police investigations here this week.

Iowa Park police received a report Monday from principal Jimmy Alsop that the junior high gymnasium had been burglarized.

A tennis racket valued at \$45 was stolen, and another \$35 racket was broken. Also taken was a pair of football pants valued at \$20 and a game jersey priced at \$15.

A.O. Robertson of Wichita Falls told the police on Sunday that \$300 worth of tools had been taken from a storage shed in the backyard at 806 E. Cash.

On Tuesday police investigated a case of criminal mischief reported by Melvin McCreary, 310 W. Jefferson, who said someone had used a sharp instrument to scratch his vehicle.

Police here are continuing their efforts to find the owner of a green Hornet Sportabout abandoned two weeks ago at the corner of E. Ruby and S. Victoria.

Hawks

Continued from page 1.

though.

That pinched nerve in David Wright's neck, received late in Friday game at Azle, is still bothering the senior quarterback. He missed workout Monday, but reported Tuesday.

Troy Thompson, leading rusher for the Hawks though only a sophomore, was held out of the second half Friday due to hyperventilation. He apparently is not bothered by it this week, working out both Monday and Tuesday.

Center Sid Waldrop's elbow is bruised, but he also is working out.

Senior Terry Daniels missed the Azle game, due to a death in the family. He is expected to play against Stephenville.

Thompson is averaging 66 yards a game this season, having gained 52 against Lawton, 89 against Hirschi and 58 in the first half at Azle.

Kip Fuller, junior fullback, is averaging 45 yards per game.

As I See It....

By BOB HAMILTON

For some 15 years, I've pointed an accusing finger at the federal government, as the primary cause of inflation.

I've said from time to time that the government's interference with private business has brought about many, many more problems for the people than it has helped.

One of my major gripes is minimum wage. Anyone knows, if they've ever paid a salary, that when the bottom wage goes up, so must all other wages of other employees paid more than bottom wage.

And when wages go up, so must prices. The employer must do this in order to stay in business.

So, with the minimum wage going up again, as our leaders (?) in Washington are deciding, you can watch for prices to take some big jumps in the next couple of years.

And while government is giving the business man fits with minimum wage, that same government is competing for employees. It's simple for the government to compete, too. All it does is raise taxes so it can pay the increases government employees receive.

Oh, you don't think government employees get such a break over those working for private business?

Well, according to the Sept. 12 issue of U.S. News and World Report,

Election set for directors

Subdivision four of the Wichita Soil and Water Conservation District will hold a director's election at 7:30 p.m. Oct. 4 at the Iowa Park High School Administration Building.

Ray Hicks of Iowa Park currently is serving as the subdivision's director. The subdivision is bordered by U.S. 287, FM 368 and the Wilbarger and Archer county lines.

To be eligible to vote in the election, a voter must be at least 21 and own land within subdivision four. A landowner or his wife may vote in the election.

when the newly improved salary increases for federal white collar workers go into effect, which is Oct. 1, that will be their 12th salary increase since mid 1967.

How much, you ask?

Well, Saturday's new salary will be only 7.05 per cent over the one approved last year.

But in the last 10 years, white collar workers will have received a 94.8 per cent increase in pay!

How many of us in private enterprise have gotten that kind of raise?

Now, I'm not blaming the employees. Especially those who haven't sat down and griped about their pay, written their congressmen, or held slowdown work programs to get raises.

It's our elected officials who are to blame.

Remember about a year I commented on the salaries paid postal workers, and was corrected by a local resident? Well, an Oklahoma postal

district manager recently gave the following wage comparisons:

* Postal City carriers earn \$8.95 an hour compared with salaries for drivers for manufacturers (\$5.12), trucking (\$5.76) and public utility (\$6.71) firms.

* Postal clerks earned \$8.93 compared to clerks in the banking (\$3.24), general manufacturing (\$3.90) and public utility (\$5.05) businesses.

* Postal supervisors earned \$11.05 per hour compared to supervisory salaries in the manufacturing (\$5.32), fabricated metals (\$5.54) and health (\$5.96) fields.

* Postmasters earned an average of \$9.64, compared to salaries for other "highly" educated professionals" of tax accountants (\$7.32), class A programmers (\$6.35), electrical engineers (\$9.23), mechanical engineers (\$8.46) and organic chemists (\$8.82). Only geologists (\$10.74) and petroleum engineers (\$11.34) fared better on the average.

Nuff said?

Effort

Continued from page 1.

the deadline for the solicitation of funds to benefit 32 agencies throughout the North Texas area, works all parts of the community.

"We want people to realize all the services the United Way covers. If you have ever had a Boy Scout, Girl Scout or Campfire Girl, then you've utilized United Way agencies. If you've had a little League player or a grandparent who attends the Senior Citizens Center, then you've used the United Way," House stressed.

Iowa Park's first United Way funded agency was started last year. "The Friendly Door" receives partial funding from the area-wide organization and soon the Youth "Rec" Center will be the second local community center to fly the United Way Banner.

The second report session to tally the funds for the campaign will be next Tuesday at 9:55 a.m. in the Texas Electric Reddy Room in Wichita Falls.

Azle edges hobbling Hawks, 25-12

After recovering from a series of early miscues, the Hawks briefly held the lead over Azle's Hornets Friday night, but saw victory slip from their grasp, losing 12-25.

In a punishing contest that saw three Hawk starters helped from the field, the vastly-improved Hornets delighted their hometown fans by winning their fourth game of the season.

To Iowa Park, many felt Azle might have been their best chance for a win this season. It was the Hornets which provided Iowa Park its only varsity football victory last year since the 1974 season.

But the game did give insight to what possibly will come in the future. The Hawks were blanked offensively in their first game, they scored one touchdown in the second, and then twice Friday.

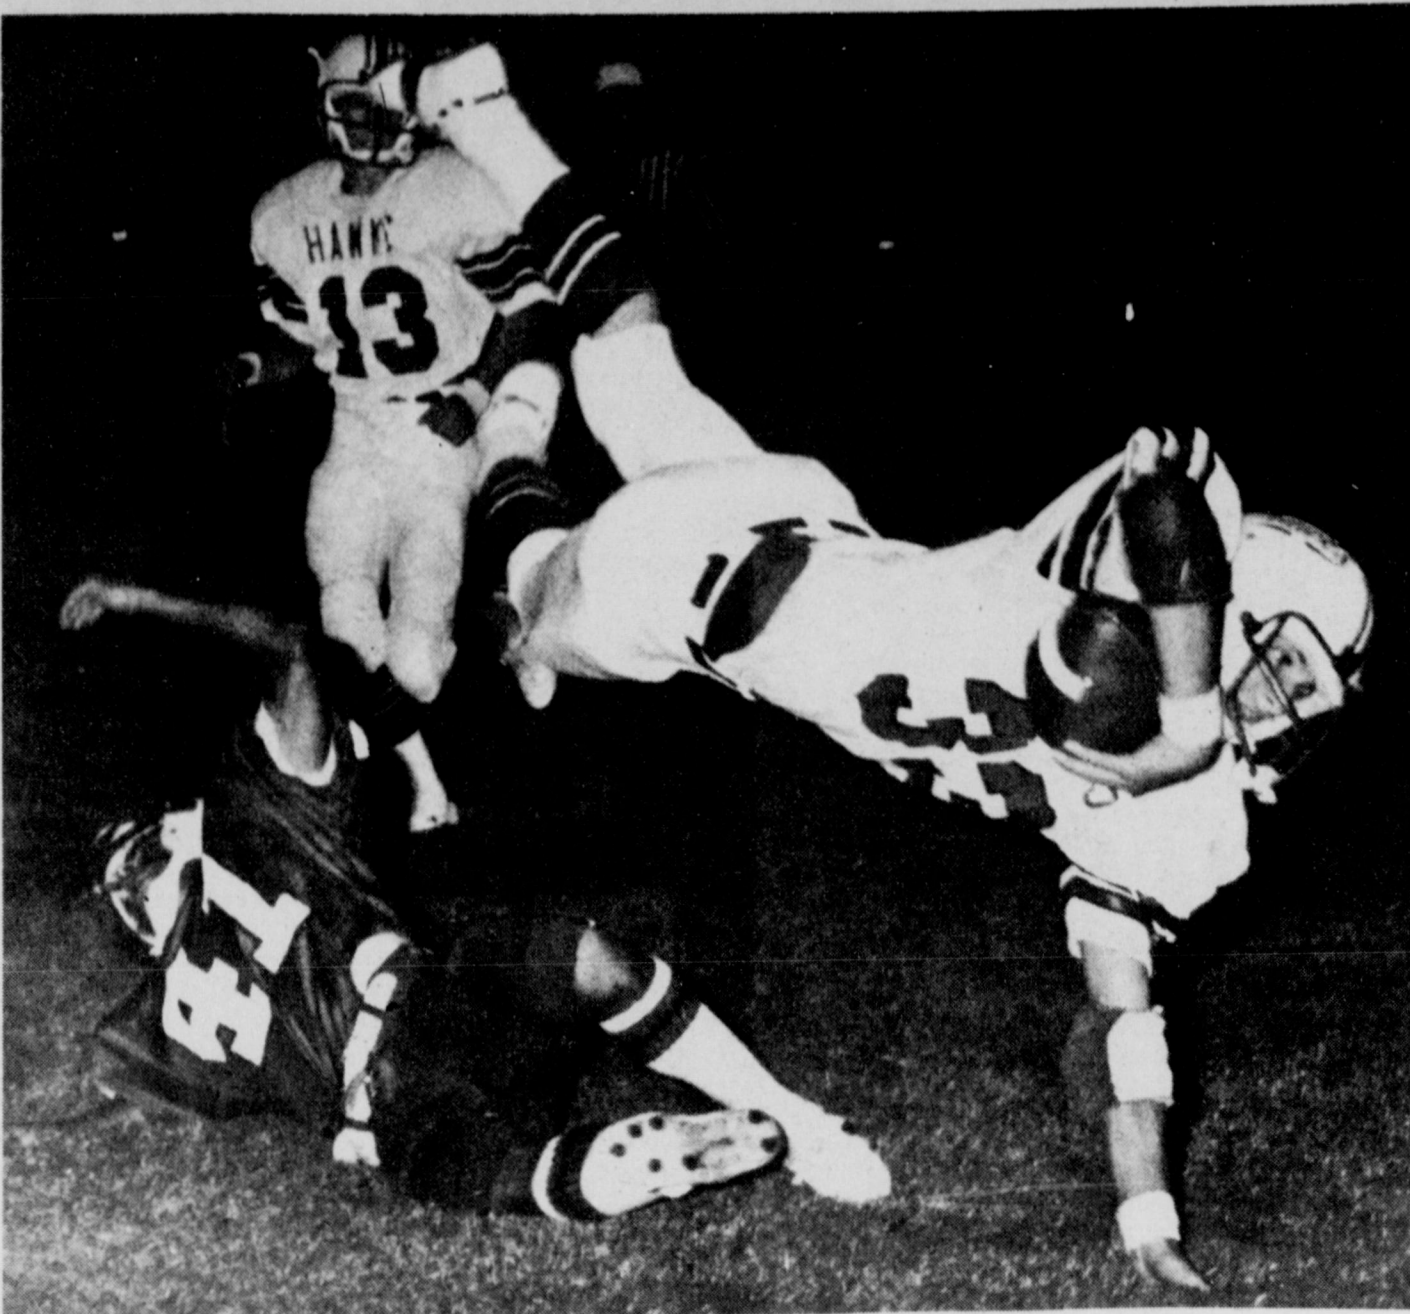

Leading rusher of the season, sophomore Troy Thompson, was sent to the showers at halftime, suffering from what was described as hyperventilation.

Thompson, who had gained 58 yards, threw a 36-yard pass and scored a touchdown, was knocked to the turf with less than a minute remaining on the scoreboard clock in the second period. He had attempted a second pass, which was intercepted, and had the wind knocked out of him.

Senior quarterback David Wright was helped from the field with 1:35 left in the game. His injury was said to be a pinched nerve in his neck.

Tackle Paul Arrington, who had missed several weeks of play with an injured knee, was helped off the field midway through the second quarter, apparently with a repeat injury.

Though the host Hornets led in the score after the first quarter, they had not been allowed a first down by the aggressive Hawk defensive platoon. Azle had

FLYING HAWK - Tailback Troy Thompson sails through the air after being hit on a nine-yard gainer in the first quarter Friday against Azle. Though the talented

sophomore did not play in the second half, he picked up 58 yards running, threw a pass for 36 yards, and scored a three-yard touchdown.

gained only 17 yards rushing, but led 2-0 on the scoreboard.

Both teams were plagued with miscues in the opening quarter. Azle lost the ball twice on fumbles, covered by Blaine Horton and Randy Gibson.

But the Hawks had given up possession twice with the same problem. Once starting quarterback Bruce Holder fumbled a snap from center on his 23, and Thompson

misjudged a punt he was attempting to catch, touched it and a Hornet made the recovery, on the Hawk 35.

Horton's fumble recovery halted a scoring drive by Azle on the Iowa Park two yard line. Unable to pick up a first down, even with a five-yard penalty against Azle, Iowa Park was forced to punt from the 11 yard line.

But the snap from center was low, and punter Jeff

Nolen had no chance to get the ball off. He was tackled in the end zone for a Hornet two-point safety.

Iowa Park had to free kick after that, and on the first play, Gibson covered Azle's fumble, giving the Hawks possession on the Hornet 44 yard line.

From there, the Hawks marched to the Azle end zone to score.

With Thompson and fullback Kip Fuller alternating running the ball, Iowa Park worked the ball to Azle's three yard line.

Then Thompson was tossed the ball on a left end

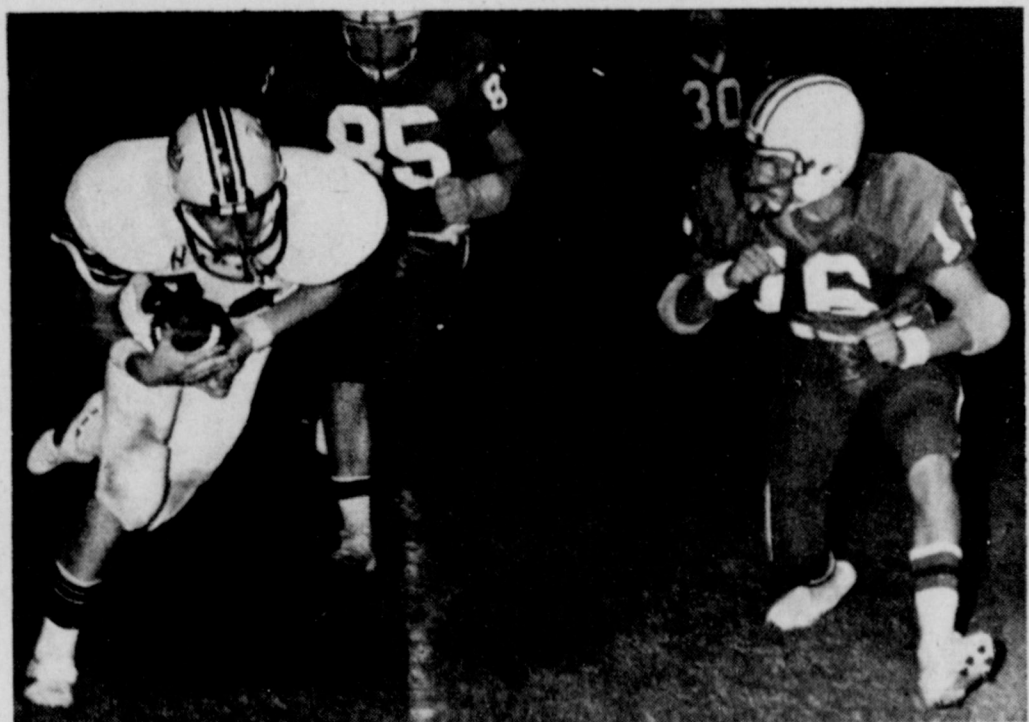

sweep. Behind a block by Gary Blackerby on the defensive corner, that sent the Hornet sprawling, Thompson scored standing up.

The try to run for the extra point failed, but for the first time this year, Iowa Park led in the scoring, 6-2.

Azle retaliated quickly, however. The Hornet coaching staff changed their plays, sending the second back through a hole with the ball, instead of the first, and it worked. Azle marched 61 yards in 10 plays and slightly over four minutes to score. But the kick failed, and the hosts led 8-6.

INTERCEPTION CONVOY - Andy Sitgraves picks up blocking from Ron Taylor, left, and Keith Hillard after intercepting a Hornet pass on the final play of the first half Friday. He made the steal on the Hawk 26, and returned it to Azle's 46 before being brought down.

FIVE-YARD GAIN is picked up by Hawk end Eddie Cannedy in the fourth quarter. The play helped set up Iowa Park's second touchdown.

TOUCHDOWN - Gary Blackerby makes a diving, finger-tip catch of a five-yard pass from David Wright for Iowa Park's second touchdown Friday night. Blackerby caught another pass on the same drive, good for 14 yards.

Azle took the opening kickoff of the second half, and controlled the ball just over eight minutes on a sustained drive, to score from six yards out. That gave the Hornets a 15-6 lead.

Holder's pass was intercepted on the only series of plays Iowa Park had during the third period, and the ball was returned all the way to the Hawk 12 yard line.

In all, Azle got off 19 plays from scrimmage during the third quarter, and Iowa Park had five.

Azle scored from two yards out on the first play of the last quarter, and added a 25-yard field goal seven minutes later, to account for the 25 Hornet points.

The Hawks went to the air after the field goal, in an effort to get more points on the scoreboard.

They marched 62 yards on the drive, covering the distance on passes by Wright, a 23-yard scamper by Andy Sitgraves, a 11-yard run by Wright, and two carries by Fuller for 14 yards, to reach the five-yard line.

Then Wright hit flanker Blackerby in the right side of the end zone for another Hawk score.

Blackerby had to make a diving catch, but was sure in his reception.

The attempt to send Sitgraves over for the two-point conversion failed, but Iowa Park had pulled to within 13 points with 1:50 yet remaining in the game.

An on-sides kick attempt failed, giving Azle possession on the Hornet 48 yard line.

But Iowa Park breathed new life, when on the next play Horton again covered a Hornet fumble. However, the Hawks were unable to gain any ground, and had to give up the ball.

Holiday News

Routine agenda for council

It was a typical night of tending the unexciting chores of running municipal government when the Holliday City Council met Tuesday night.

Only formal votes by the council concerned the approval to purchase tools, a filing cabinet, badges for police and tires for the police cruiser.

Alderman Melvin Bills reported on his progress concerning contract agreements with businesses for garbage collection.

City employee Junior Akers discussed with the council the need to move a fence on Holliday Circle to allow more easy access to the alley for the garbage truck.

Akers, who also doubles as the city's animal warden, asked the council to purchase a tranquilizer gun. Councilmen postponed action on the purchase.

Akers said he had nabbed more than 30 dogs and cats since he took the job Sept. 1, and that he had been bitten three times.

Aldermen also asked City Sec. Evon Carter to begin work on the city budget which must be filed with the state by Oct. 15.

Glenn Wood, fire marshal, discussed sending citations to persons who have not replied to the city's requests to have dangerous structures and property cleared of high weeds and debris.

The council also decided to

advertise for bids on a new city pickup.

Councilmen plan to purchase a new pickup for the water department, and convert the current truck into an animal control vehicle.

Mayor Jim Darr and the full council was present at Tuesday night's regular meeting. Visitors included Mike Parker and Tom Hall, municipal judge and dump ground superintendent.

No loop team without scars

Whoever emerges as the District 13-A champion this year will climb on the throne wearing a scarred crown.

Although loop competition does not begin until Oct. 14, all teams in District 13-A have suffered defeats during the first four weeks of regular play.

Archer City has had the most problems with three losses and no wins.

The district's second year newcomer, Petrolia, is 1-2.

Lindsay has two wins and a single loss.

Holliday, Muenster and Callisburg each are 2-2 on the year.

The Eagles will open district competition here against Petrolia on Oct. 14.

Holliday will trek to Lindsay for an Oct. 21 district bout, and then Muenster will visit the Eagles for an Oct. 28 grudge match.

Holliday will be in Archer City on Nov. 4, and will close district play here on Nov. 11 against Callisburg.

HHS BAND BEAUTY CROWNED FRIDAY NIGHT
...Sweetheart Jane Parker escorted by Barry Lawson

Royalty crowned

Amanda Wood was crowned homecoming queen, and Jane Parker was named band sweetheart during Holliday High School homecoming ceremonies.

Representing the senior class, Miss Wood was crowned before a large homecoming crowd during pre-game ceremonies Friday night. She is a member of the band and a cheerleader. She also is involved in basketball, volleyball and track.

Miss Wood was escorted by Larry Ayres.

The queen's court and their escorts included DeDe Leonard and Mark Wells, Karen Wilkerson and Jody Collier and Kristi Lucy and Lindy Dolberry.

Jane Parker, a senior who plays flute and tenor saxophone in Holliday's bands, was crowned band sweetheart during halftime ceremonies.

She was escorted by Barry Lawson.

Band sweetheart court and their escorts included Traci Anderson and Steve Parnell and Debbie Brown and Mark Wells.

During Saturday's homecoming festivities, Nancy Sanders was named Roundup Queen. Her court included Lisa Talley, Teresa Borton and Tracy Clemens.

Roundup escorts included Jerry Jones, Kyle Stone, Joey Kincaid and Scott Collier.

Students win awards

Two Holliday students will receive cash awards for their winning poster entries during the Archer County Health Fair scheduled from 9 a.m. until 4 p.m. Oct. 8 at the Windthorst Parish Hall.

In their division, Debbie Noll took second and Karen

Molina took third in the county health fair poster contest.

Both students are sixth graders at Holliday.

Debbie will receive \$10 and Karen will receive a \$5 cash prize.

The health fair is being sponsored by the Family Living Committee and Lola Hestand, Archer County extension agent.

The fair will have screening and information booths including cancer, cardiopulmonary resuscitation, blood pressure check, diabetes screening, glaucoma screening, arthritis, blood typing, emergency medical services and smoking sam and pulmonary function testing.

Others will be an eye bank, dental screening, oral hygiene, prenatal care, child abuse, health careers, nutrition, mental health and home health services.

Subscription deadline set

Deadline is October 10 for Eagle Band members to turn in their subscription orders for the Iowa Park Leader, according to Dwade Reinsch, director.

The band has been selling Leader subscriptions for the past month.

For each new subscription, the Leader will pay the band \$1 to go toward purchase of new band uniforms.

Deadline of the drive will be the morning of October 10.

Holliday School Menu

FRIDAY, Sept. 30
Hamburgers, pickles, lettuce, tomatoes, potato salad, milk, ice cream.

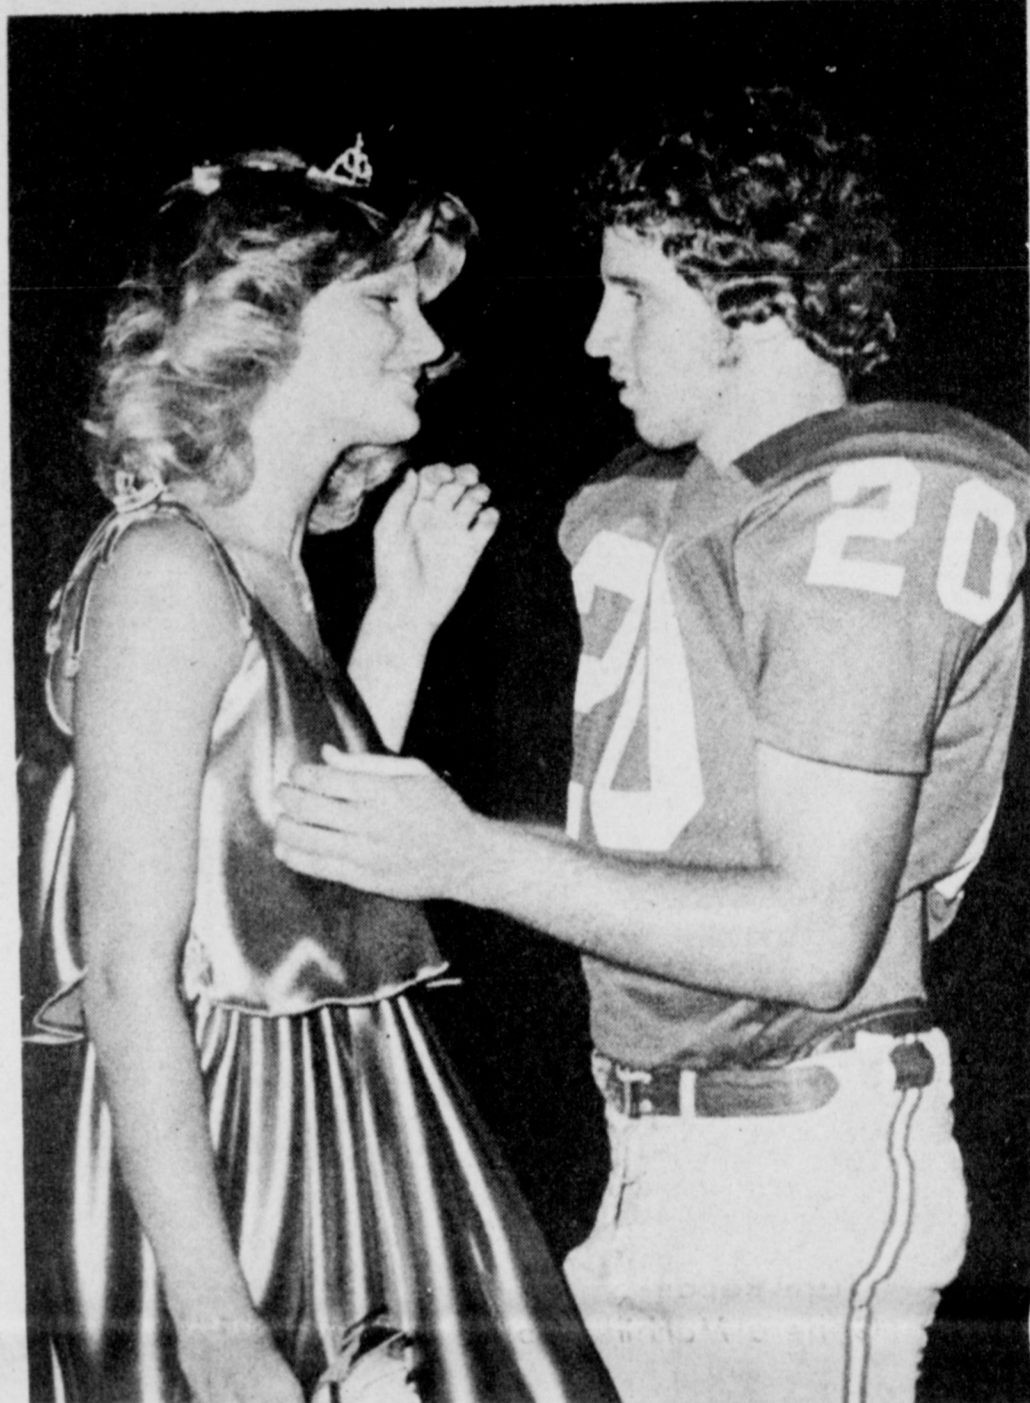

MONDAY, Oct. 3
Sandwiches, bologna, turkey roll, cheese, salad, milk, dessert, potato chips.

TUESDAY, Oct. 4

THURSDAY, Oct. 6
Chicken noodles, green peas, carrots, cranberry sauce, milk, hot rolls, dessert.

FRIDAY, Oct. 7
Batter fried fish, whipped potatoes, tartar sauce, beans, catsup, milk, bread, dessert.

SENIOR SELECTED HHS HOMECOMING QUEEN
...Amanda Wood crowned and kissed by Larry Ayres

A veteran Wichita Falls police sergeant was found shot to death Tuesday afternoon south of Mankins.

The body of Wichita Falls Police Sgt. John Cawyer, 52, was found in the front seat of his automobile on an oil lease.

Although an autopsy has been ordered, officials indicated Cawyer had been shot once in the chest with a .357-magnum revolver.

Also a deputy county medical examiner, Cawyer had been on the Wichita Falls Police Department 22 years.

He was on vacation at the time of his death.

Cawyer's body was found by a man working in the rural area, who noticed the car Tuesday morning and decided to investigate when he saw the car hadn't been moved later in the day.

Policeman found shot

Big Red out for blood

It's a sure bet the Eagles will be out for blood Friday night when they invade Henrietta.

Kickoff time in Henrietta is 8 p.m. Friday.

Holliday's seventh, eighth and junior varsity teams will play host to Windthorst here tonight with the first of three games slated to begin at 5 p.m.

Pre-game supper available Friday

Holliday football fans who want to eat in Henrietta before Friday night's Eagle-Bearcat clash may want to take advantage of a salad supper on the Henrietta

High School campus.

Henrietta All Sports Club will sponsor a salad supper from 5:30 - 7:30 p.m. Friday at the school cafeteria.

Eagle gamble backfires

STEP ASIDE - Holliday's Jay Wright eludes a Seymour Panther as he rounds the corner on a sweep.

If the Eagles had been playing blackjack in Vegas instead of football in Holliday they would have had to ride home on a Greyhound.

It was one of those classical do-or-die situations. The Eagles decided to gamble and lost to Seymour in a 7-6 homecoming upset.

It looked grim for the Eagles when the Panthers took their first possession and marched 59 yards for a touchdown with three minutes left in the first quarter. The fateful PAT was good. By the end of the opening period Seymour had garnered seven points and seven first downs. Holliday had nothing to show in either category, having been completely shut down on two offensive confrontations.

Excitement gripped the crowd at the outset of the second quarter when a Seymour receiver and Holliday's Jay Wright went into the air after a 30-yard Panther offensive aerial. The Seymour receiver came up with the pigskin, but protested possible interference by spiking the ball which was answered by a 15-yard penalty on Seymour for unsportsmanlike conduct.

Twenty yards from paydirt, the Eagle defense was doomsday on the Panthers, who ended the drive on an unsuccessful field goal try.

Holliday made it to midfield twice more in the first half, but on both occasions quarterback Steve Lucy's gun sights were out of fix and he had passes intercepted.

It appeared the second half would bring no better

fortunes to the Eagles when the Panthers recovered an Eagle fumble late in the third quarter.

But three plays later Holliday's Bennie Ezzell fell on a Panther fumble, marking an unmistakable turning point in the Big Red Machine's performance.

Holliday was setting on its own 45 when the fourth quarter began.

Nickle-and-dimers Larry Ayres and Wright kept the drive going, sparked by a 14-yard carry by Stanley Craddock and a bootleg sweep by Lucy.

The capacity homecoming crowd was brought to its feet when Wright found Rusty McDaniel in the end zone for a five-yard TD toss. Holliday's kicker, Mark Wells, came limping off the field with an ankle injury on the play.

On the extra point try Wright lined up as kicker, but Lucy took the snap and rolled out to find passing room. Receiver Kent Lemons couldn't hold on, and the Eagles had only six minutes to build a victory.

Holliday held Seymour like a brick wall following

the kickoff, and it appeared the Eagle offense might be able to pull it off with two quick first downs including a ten-yarder from Lucy to Lemons.

A backfield miscue that ended in Seymour recovering a Holliday fumble was all the Panthers needed to coast half a minute for their skinny win.

Other standouts for Holliday included Steve Parnell, Sonny Henson, Dennis Holt, Jeff Coats, Lynn Coats and Doug Stevens.

Andy Barton was credited

with several key defensive plays, and Larry Ayres also came up with a Panther fumble.

Eagles sidelined for injuries were Mark Mankins, Bimbo Stone, Lynn Ayres and Buff Young.

H	S	
11	First Downs	15
160	Yards Rushing	173
15	Yards Passing	85

2	Fumbles Lost	2
0	Interceptions By	2
3-23	Penalties	7-59
5-28	Punts	4-29

TOUGH PLOWING - Holliday quarterback Steve Lucy picks up six against Seymour late in the second quarter.

Eagles in on the play include Jay Wright, Benny Ezzell and Mark Wells.

Syyles leads JV past Olney

With Kirk "Geek" Styles as the premier player, Holliday's junior varsity Eagles rocketed past Olney 26-0.

Holliday jumped out ahead in the opening quarter on a 30-yard TD run by Styles, who also had another touchdown sprint called back.

Styles tossed a 30-yard TD pass to Joey Kincaid, and then punched it across from three out to give Holliday an 18-0 halftime margin.

The Eagles ended their scoring streak in the final stanza on a single yard TD plunge by Styles, capped off by an extra point pass from Matt Cavanaugh to Kincaid.

Jeff Snyers hauled in a couple crucial long yardage passes to aid the Eagles cause.

In Holliday's freshman game with Burk Burnett's third string JV's, the Eagles were defeated 6-0.

Larry Boydston intercepted a stray

Bulldog pass, and Lindy Dolberry was credited with several good receptions.

JUNIOR HIGH

Holliday's seventh grade Eagles remain the city's only unbeaten team with their 16-0 win over Olney.

Holliday's eighth graders were nudged out by Olney 9-6, with the winning numbers coming on a safety by Olney in the final quarter.

Ray Looney scored Holliday's lone TD on a 30-yard scamper. Olney's touchdown came in the second period.

TOP OF TEXAS

Holliday's Midgets were rolled over by Seymour 22-0, although Mike Muse and Ronnie Felhaeur both hauled in interceptions for Holliday.

Carmon Goodwin returned an interception for a touchdown for Holliday's only score in the Pee Wee's 26-6 loss to Seymour.

Home, farm products to be judged at fair

The Wichita County Fair is scheduled for October 11-15, at the old C.C. Pitts property across from Channel 6 Television on the Seymour Highway. Farm producers are invited to enter their choice samples of field crops, fruits and vegetables, and pecans.

Farm product divisions include cotton bolls (10), cotton stalks, gallon samples

of wheat, barley, oats, grain sorghum, and peas. Grain sorghum or hegari heads can be entered with a sample of 10 heads.

The hay division includes a bale of coastal bermudagrass, sudan, cane, alfalfa, or any other legume hay. All types of fruits, pecans, and vegetables can be shown.

The Fair has a special division for the home

gardener. This will be an excellent opportunity for the hobby gardeners to exhibit some of their choice vegetables, fruits, and ornamentals.

The classes include sweet potatoes (peck), irish potatoes (peck), watermelon, pumpkin, turnips (6), onions (6), tomatoes (6).

Bunch of six beets, squash (2), dozen peppers, dozen peaches, 24 pods of okra, gallon of green beans, 24 radishes, six carrots and 4 eggplants.

Other classes include quart of native pecans, quart of improved pecans, and horticultural plants. A division of canned fruit and vegetables includes virtually every vegetable and fruit grown in Wichita County.

Entries will be accepted at the fair grounds on Oct. 10 between 8 a.m. and 6 p.m. and Oct. 11 between 8 a.m. and 10 a.m. The judging will begin on Oct. 11 at 10 a.m. All exhibits will be left on display until the closing of the fair on Oct. 15.

Entry blanks can be clipped from the Iowa Park Leader and mailed to George Gay, P.O. Box 1207,

Wichita Falls, Texas 76307. Entry blanks should be completed for each entry in the fair as soon as possible.

The Wichita County Fair is under the sponsorship of the Lions Club of Wichita County.

Senior adult choir to perform here Sunday

The Melody Makers Choir of First Baptist Church at Woodville will present special music at First Baptist Church here Sunday at 11 a.m.

The choir is a senior adult choir made up of men and women 55 years of age and older. Organized in April 1976 with 26 members, it now has 65 members with only seven members of the regular adult choir.

The singers will be enroute to Gloria, N.M. to conduct a choir tour and attend the Oct. 3-7 Chataqua. They will sing in several churches while they are on the trip and will stay in church homes in the cities they visit.

The group's musical program usually consists of both secular and church songs and accompaniment is

provided by piano, tub bass (made from a wash tub and mop) and recorded tapes.

The women wear full length bright red dresses or red polka dot blouses with long white skirts. The men dress in white shirts, red vests, red bow ties and grey pants.

Since the choir was organized, members have had opportunities to sing at various churches, rest homes, AARP meetings and they sing at their own church once each month. They have had fun trips including Hodges Gardens in La., baseball at the Astro-dome and picnicking at Lake Sam Rayburn. The choir also appeared on tv for a 20-minute show from channel 4 at Port Arthur on two occasions.

Following the morning worship at First Baptist Church Sunday, a covered-dish luncheon will be served in the Fellowship Hall.

Obituaries

Arnold Killian

Services were last Friday for Arnold Killian, 85, of Wichita Falls, brother of J.A. and G.R. Killian, both of Holliday.

The Rev. Bob Bryan, pastor of First United Methodist Church at Holliday, officiated. Burial was in Holliday.

Killian, a retired oil field worker, died last Wednesday in a Wichita Falls hospital. Born March 5, 1892, at Newport, Tex., Killian was a member of Maskat Shrine Temple and Jacksboro Masonic Lodge AF & AM.

In addition to the brothers in Holliday, survivors include a sister, Mrs. Bob Elenburg of El Reno, Okla.

PPG announces new scholarship

Ralph Siebach, Wichita Falls plant manager and foundation agent for PPG Industries, recently announced plans for the 1979 Foundation Community Scholarship Program.

Siebach reminded junior class students who are graduating in 1979 that they must take the combined Preliminary Scholastic Aptitude Test/National Merit Scholarship Qualifying Test (PSAT/NMSQT) on Oct. 18th or 22nd, to become eligible for the Foundation's four-year scholarship valued up to \$6,000. The winner will receive a stipend ranging from \$250 to \$1,500

annually, depending on the student's financial need. The PSAT/NMSQT is used as a basis for selecting candidates for further consideration. Juniors attending the following designated area high schools: Rider, Hirschi, Wichita Falls, Burkburnett, Iowa Park, and Notre Dame, as well as children of employees of the PPG Wichita Falls Plant, regardless of which secondary school they attend, are eligible to compete for the Foundation Community Scholarship. The scholarship will be granted to a student planning to attend school full time in a four-year college or university of their choice in the United States.

Siebach reported that 1979 Foundation Community Scholarship brochures/application forms have been distributed to the designated area high schools and juniors can obtain them by contacting their high school principals, or by writing to the Foundation Scholarship Representative at the Wichita Falls plant. Students competing for the scholarship Representative at the local plant by December 15.

CUT OUT FOR FUTURE REFERENCE

Great News FOR THE WORLD

GOD DEARED

That Christ rose from the dead was the leading feature of the Apostles' preaching. But this brings the question, Who raised Christ from the dead? The New Testament answer was given by Peter when on trial: "The God of our fathers raised up Jesus, whom ye slew and hanged on a tree" (Acts 5:30). "The God of our fathers" is defined as "The God of Abraham, and of Isaac, and of Jacob" (Acts 3:13).

This seems simple and obvious. Difficulty only arises when the distinction between Christ, the Son of God, on the one hand, and "the God and Father of our Lord Jesus Christ" on the other, is confused. Yet here also the teaching of the New Testament is clear. "There is one God the Father ... and one Lord Jesus Christ" (1 Cor. 8:6). He is "God, even the Father of our Lord Jesus Christ" (Rom. 15:6; 2 Cor. 1:3). Here again (as in Eph. 1:3, quoted above) the Revised Version reads, "the God and Father ...", an expression which says clearly that God is God even to His Son, the "only begotten" (John 1:18). And although Christ is the Son born of the Virgin by the overshadowing power of the Holy Spirit, he is "himself man": "For there is one God, and one mediator between God and men, the man Christ Jesus" (1 Tim. 2:5).

Only when this distinction between the Father and the Son is grasped can other elements of Scripture teaching be understood. First, that which the Apostle Paul speaks of when he refers to "the working of God's mighty power which he wrought in Christ, when he raised him from the dead" (Eph. 1:19-20). Again, Paul says Christ "was crucified through weakness, yet he liveth by the power of God" (2 Cor. 13:4). Such passages clearly describe the action of the Eternal God towards a Son bearing human nature; they are quite incomprehensible if we apply them to the action of one Person of an eternal Trinity towards another co-equal and co-eternal Person.

The second truth which this distinction illuminates is that God, Who raised up the Lord Jesus, "will also raise up by His own power" (1 Cor. 6:14). In that way Jesus becomes the "first fruits" of a harvest to be reaped from death (1 Cor. 15:20). This again is only intelligible if we have a right grasp of Bible teaching about the Father, and the Son's relation to Him. There was a time when the Son of God was dead, but the Father, who cannot die, lives ever, raised His Son from death to die no more (Deut. 32:40; Rom. 6:9). By the same power, and in the same way, He will raise up those who believe in His Son.

What does the Bible say concerning the Eternal God?

1. -- That the Creator of heaven and earth is ONE PERSON and not three, the glorious and uncreated Father.

"The Lord our God is ONE Lord" (Deut. 6:4; Mark 12:29). "To us there is but ONE GOD, the Father, of whom are all things, and we in him" (1 Cor. 8:6). "ONE GOD and

Father of all, who is above all and through (Isa. 45:5). "I am God, and there is NONE ELSE" (Isa. 46:9-10). "Beside me there is no God" (Isa. 44:6). (See also passages quoted above.)

2. -- That the Creator dwells in heaven -- at some unknown point of measureless immensity -- to which the Lord Jesus ascended forty days after his resurrection.

"O thou that dwellest in the heavens" (Psa. 123:1). "Hear thou IN HEAVEN thy dwelling-place" (1 Kings 8:30). "Our Father who art IN HEAVEN" (Lord's Prayer). "God is in heaven, and thou upon earth" (Ecc. 5:2). "He hath looked down from the height of his sanctuary; from heaven did the Lord behold the earth" (Psa. 102:19). "Jesus was parted from them, and carried up into heaven" (Luke 24:51). "He was received up into heaven and sat on the right hand of God" (Mark 16:19).

3. -- That He is light and life incorporate in glorious form, even that which the human form faintly reflects.

"Dwelling in the light that no man can approach" (1 Tim. 6:16). "He covereth himself with light as with a garment" (Psa. 104:2). "His glory is above the heavens" (Psa. 113:4). "Men, who are made after the similitude of God" (Jas. 3:9). "The man is the image and glory of God" (1 Cor. 11:7). "The similitude of the Lord shall he (Moses) behold" (Num. 12:9).

4. -- That though the Creator is thus located in "heaven his dwelling-place", the invisible energy or spirit which flows from Him fills immensity so that God is everywhere present.

"Whither shall I go from thy spirit? or whither shall I flee from thy presence?" (Psa. 139:2-12). "Thou sendest forth thy spirit, they are created" (Psa. 104:30). "Can any hide himself in secret places that I shall not see him? saith the Lord. Do not I fill heaven and earth?" (Jer. 23:24). "The eyes of the Lord are in every place, beholding the evil and the good" (Prov. 15:3).

5. -- That the angels [of like nature with Himself] are the instruments of His wisdom and power, His servants by whom His commands are executed and His designs in heaven and earth performed.

"He maketh his angels spirits" (Heb. 1:7). "His angels that excel in strength, that do his commandments, hearkening unto the voice of his word ... ministers of his that do his pleasure" (Psa. 103:20-21). (See also the numerous instances of their appearance.)

The God thus revealed to us in the Bible is a creator, a father, and a person -- universal in His presence and power by the spirit, but still located and glorious Person whom we can contemplate, love, confide in, and adore. Jesus is His Son, begotten by the Spirit, and exalted to the Father's presence as mediator between God and men.

Send for free booklet "One God, Not Three" to Christadelphians 804 E. Pasadena, Iowa Park, Texas or call 592-5143.

IPHS vocalists dominate district

The Iowa Park High School A Cappella Choir members dominated the All-District competition Saturday by placing 29 individuals in the district choir.

All choir members compete on an individual basis regardless of school size. A total of 12 persons were selected from each section,

totaling 96 individuals. Schools participating were Iowa Park 29; Rider 21; Vernon 14; Wichita Falls High 13; Mineral Wells 8; Burkburnett 5; Hirschi 4; Henrietta 2.

Making All-District qualified the musicians for All-Region competition which will include the All-District winners from Abilene, Snyder and Sweetwater areas. The All-Region auditions will be held Oct. 29 at Rider High School in Wichita Falls.

Iowa Park students competing will be: first soprano - Carrie Cole, Robin Doan, Tandra Wilkerson, Robyn Walsh, Debbie Hill, Karen Arrington; second soprano - and Donna Casper.

In the first alto section will be Carrie Edwards and Wendy Baston, and competitors in second alto will be Michelle Miller, Mary Bludnick and Kay Baca.

Competing in the first tenor section will be Norman Flowers, Brian Dowell, Wendall Burnam, Ronnie Mays and Jim Hodges; and David Morton and Ernie Soell will be competing in second tenor.

First bass competitors will be Scott Fowler, Chris Lester and Bruce Holder. Second bass competitors will be Lee Gwinn, David Flowers, Kevin Edwards, Michael Davis and Butch Sadberry.

College wants to know what subjects desired

The public will have an opportunity Monday night to help determine courses offered here in the spring by Vernon Regional Junior College.

The meeting is scheduled for 7 p.m. Monday at the Iowa Park High School Library.

"Your input is needed so that we can plan a schedule of classes to meet the needs of as many people as possible," said Jim Fritze, VRJC associate dean of instruction for continuing education.

Similar meetings will be held at 8 p.m. tonight at the Seymour High School and at 7 p.m. next Thursday at

Friendly Door Lunch Menu

Antelope hunting said promising

Good range conditions in the Texas Panhandle are promising for antelope hunters.

Panhandle antelope herds counted on representative ranches in the animal's natural range shows a total population of 2,059 animals with 290 permits being issued to the landowners.

Sportsmen will have four days to hunt the fleet antelope during the Oct. 1-4 season in the Panhandle. Hunters in the Permian Basin and Trans Pecos regions will have nine days to hunt from Oct. 1-9 with range conditions less than ideal.

"It is dry in most areas of West Texas and this will make it better for the hunter to bag an antelope," said Herb Kothmann, wildlife biologist stationed in Big Spring.

Both doe and buck permits will be issued in the Permian Basin as over 767,000 acres of ranchland in 10 counties were surveyed by Texas Parks and Wildlife Department personnel.

A total of 353 buck permits and 25 doe permits will be issued on 41 ranches in the Permian Basin management area stretching from the South Plains through the Abilene area.

Six counties in the Trans Pecos management area will receive 837 permits as TP&WD surveys tallied over 5,777 antelope.

Sportsmen must obtain the permit from the landowner before the animal is hunted.

Soccer team ties Hirschi

Iowa Park's high school age soccer team Sunday opened the season with a 2-2 tie with Hirschi, at Jaycee Park in Wichita Falls.

Albert Alambar and Russell Guyette each scored for the locals. Both Hirschi scores came on penalty shots, as Goalie Jerry Ellison was credited with stopping 16 shots on goal.

The team plays at 4 p.m. Sunday at Midwestern State Univ. soccer field, against Wichita Falls High. The game will follow the MSU Indian contest.

Kidwell beats, ties Capehart

Kidwell won the Pee Wee game against Sheppard Capehart and the Midgets tied, in Top of Texas non-conference play Saturday.

The Pee Wees scored on a 74-yard sprint by Shawn Price, with David Dietrichson running over the two-point conversion. Price finished the day with 80 yards in 12 carries, and Dietrichson accounted for 33 yards of four plays.

Bobby Whisnand led the defensive platoon with 10 tackles, while Randy Boutwell had eight and Price seven.

In the defensive battle of the Midget teams, local fans felt Craig Whisnand scored on both of the last two plays, when the ball's nose rested at the goal line. However, the officials didn't see it that way, and the tie resulted.

Bret Cappleman led the offense with 35 yards on six carries. Defensively, Cappleman, Whisnand and James Beebe each were credited with nine tackles. Van Hedrich and Beebe each had interceptions, also.

Kidwell opens conference play Saturday, when they play Electra.

Teams split with Burk

Iowa Park teams split with Burkburnett Thursday night, the freshmen winning 8-6 and the junior varsity losing 6-10.

Despite the expected high temperatures, the Frosh are slated to play Hirschi at 3:15 this afternoon in Wichita Falls Memorial Stadium. The JV is to meet the Huskies in Hawk Stadium, starting at 7:30 p.m.

Comptroller's personnel to visit area businesses

The Texas Comptroller has alerted businessmen to begin looking for a friendly visit from a comptroller's enforcement officer sometime during the next nine months.

The comptroller said that the enforcement officers from his 40 field offices will fan out across the state with the goal of offering personal assistance to each and every Texas business.

A testing of the canvassing program in July showed that 19 percent of taxpayers contacted required assistance or needed permits, Bob Bullock, comptroller, said. "The theme of this project is taxpayer assistance," Bullock said. "We have found that in many instances only personal contact can

eliminate errors that eventually prove costly both to the taxpayer and the comptroller's office."

He said his employees, armed with smiles and packages of taxpayer information, will be knocking on doors with the hopes of:

- providing education to taxpayers;
 - making sure every business is properly permitted;
 - establishing personal lines of communication between taxpayers and the individual enforcement officer responsible for the area;
 - updating comptroller's office records;
 - making certain each taxpayer is filing returns and paying tax properly.
- July's sample of 4,702 businesses showed that 97 were operating without needed permits, 766 had changed address or business name without notifying the Comptroller's Office and 37 were not paying tax properly, Bullock said.

"We hope to take care of every little problem on the spot, before it turns into a big problem," he said. "Above all," Bullock added, "we want people to believe us when we say 'I'm from the comptroller's office and I'm here to help you.'"

Retiree decides to remain here

Staff Sgt. Kenneth E. Hunt is one of eight military personnel retiring at the end of September from Sheppard Air Force Base.

A printing technician of 3750th Air Base Group, Sgt. Hunt's announced his plans to remain in Iowa Park. His address is listed as 906 West Highway.

4-H CLUB News

There will be several opportunities to purchase pigs for 4-H projects in October. There will be a show pig sale October 8 at noon in the Nolan County Coliseum in September, and in Seguin on Oct. 15 at 6:30 p.m. at the Sequin Fairgrounds.

There will be all major breeds and crosses sold at both of these sales. Swine projects are one of the less tire consuming projects that 4-H members can have. Show pigs will vary in cost from \$75 to \$150.

There are several junior livestock shows that the 4-H members can exhibit their projects including the coun-

Noon Lions meeting place to be changed

Tuesday was the final time the Noon Lions Club will hold its weekly meeting at the First Christian Church, President John Sibley told members.

Starting next week, the noon meetings will be held in the First Presbyterian Church's fellowship hall, he said.

Tuesday's program was a film study of early American clocks, photographed at the Ford Museum and Smithsonian Institute. Program was provided by Richard Hill.

ty livestock show in March. New pig feeders should contact Corky Redden at the county extension office to obtain assistance in selecting the new show pigs.

The Wichita Falls 4-H FFA project show will be held Oct. 29 at the 4-H Complex. Any 4-H or FFA member attending a school in Wichita Falls is eligible to exhibit livestock. For more information contact Corky Redden, 1626 Midwestern Parkway, Wichita Falls.

Have you heard about the "4-H Economics Extravaganza" which will be held at the Texas 4-H Center near Brownwood on Oct. 11-13? County Extension Agent Dee James says "This 4-H leader training workshop will give 4-H adult volunteers a unique opportunity to gain new knowledge and skills in areas related to all 4-H home economics projects."

Concurrent subject matter sessions will be offered by Extension Specialists including: Clothing's optical illusion, personality development, energy mysteries, metric's in the kitchen, and creative home decoration. General sessions will include a fashion show, cooking with a wok, a Rodeo Omelet Rodeo dinner, and special awards.

REMEMBERING...

PLAYING HOOKEY

I loved school, that is until fourth grade. My fourth grade teacher had no appreciation for my talent of collecting bugs, horned toads, and other creatures as well as assorted bolts, wires and plain junk, all of which I stored in my desk. I kept

them there mainly to take out and play with when things got boring in the classroom.

My secret was discovered when my entire beetle collection escaped from their match box house and went parading through the room. The teacher was aghast that so many bugs could be in her

classroom at one time and she demanded an explanation. Susie Green immediately pointed an accusing finger in my direction and said, "He done it! He done it!"

I was forced to surrender all the precious contents of my desk, most of which I never saw again. I got so mad at the teacher I decided to never go back to school. Mom and Dad had different ideas, however, and informed me otherwise.

Playing hookey seemed like a good idea so that night I planned how I might do it. While walking to school with my sister and brother the next day I would simply lag behind and when they got far enough ahead I would dash into the brush and they would never miss me. I would spend the day in the woods just roaming around having fun then go home that evening like nothing had happened.

Things went just as planned. I was so smart. As I ran deeper into the woods I thought of all those poor kids having to spend the day in the classroom with that old teacher, while I was out having fun. I laughed.

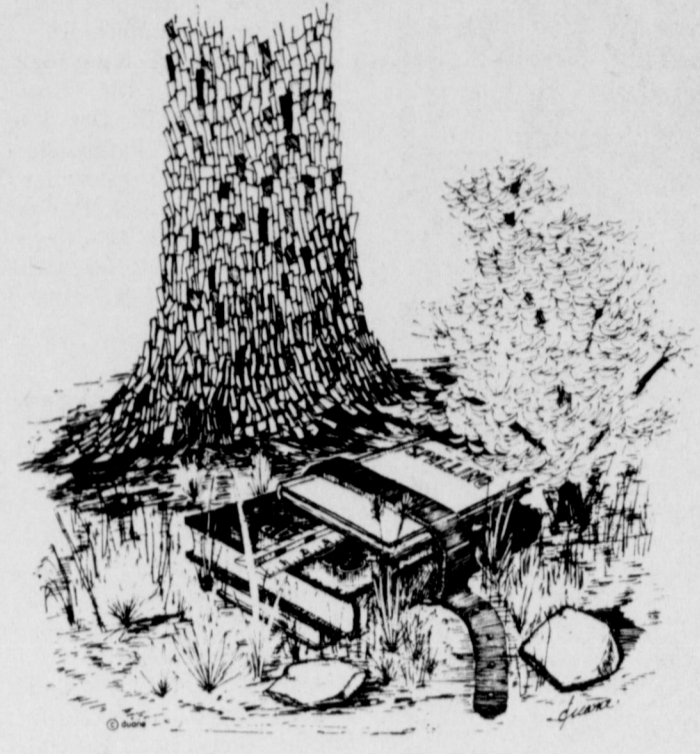

I walked around till the sun was high in the sky. As I rested under a big tree I wondered what my friends were doing. "Oh well, they're probably out for noon recess now playing Red

Rover, but who cares, bet they're not having as much fun as I am." "Wish't I'd a brought somethin' along to eat." I decided to skip some flat rocks at the water hole where we sometimes went swimming. But that wasn't much fun with nobody there to watch.

I was walking across the footlog over the deep part when my foot slipped and into the water I went, clothes and all. I remember thinking, "How am I going to explain these wet clothes to my mother," then I felt the cuff of my overalls catch on something down in the water. I tried to kick loose but couldn't. For what seemed like a long time I was dog paddling, kicking and screaming, and maybe crying a little, then I saw a bunch of people coming.

My teacher had become concerned when I wasn't in school and had checked with my sister. Sis was bewildered to hear of my absence. The teacher got a group of kids to go looking for me and it seems they found me just in time.

She was standing there on the muddy bank as they hauled me out of the water. Her stockings were torn from the brush and she looked terribly worried. She seemed like a lot better person after that. Or maybe I just saw her in a little bit different light.

Soil sampling improves grazing

By DON D. DECKER County Agent Soil tests are being used by Darrell Taylor of Iowa

Park as a guide to determine the fertilizer needs for intensive grazing by his dairy herd on wheat pasture. Three farms were sampled with similar results on two of these. The other farm requires a different fertility level.

Phosphorous was low to very low on two places while it was very high on the other farm. The fertilizer recommendation calls for 80-80-0 on the farms low in phosphorous at planting time. An additional 80 pounds of nitrogen is recommended as top dressing late in the winter.

The recommendation on the high phosphorous farm was 80-0-0 at planting with top dressing 80 more pounds of nitrogen in late winter. These high fertilizer rates are for early September planting. If planting is delayed, the rates should be reduced.

The amount of fertilizer for intensive grazing is

about twice as much as for wheat to be harvested for grain. Soil test kits are being made available at fertilizer dealers over the county through the cooperation of the county field crops committee. Kits can also be obtained at the agricultural agency offices - county Extension service and FHA offices in Wichita Falls and the SCS and ASCS offices in Iowa Park.

The Wichita County Pecan Show is scheduled for Dec. 2-3 at Sikes Center, and I need a list of pecan growers to assist with the show and to make entries into the show. Any grower with one acre or more of pecan trees is requested to contact the County Extension Office. I need your name, address, and telephone number.

The Pecan Show is being expanded this year and the assistance of several pecan producers is needed to

process pecan entries, man an information booth, and operate pecan crackers. Please get on our list of pecan producers by calling the Extension office at 766-0131.

A demonstration comparing skip-row planting of cotton to every row planting is being conducted by Lawrence Wood near Karmay.

The demonstration outlay calls for part of the field being planted two rows in and one row out.

Yield measurements will be taken at harvest to determine if the skip-row planting has any advantage in this area.

Art show is slated

Area artists and craftsmen are invited to participate in the 30th annual "Top O' Texas" Sidewalk Art Show, sponsored by the Wichita Falls Art Association.

Traditionally held in downtown Wichita Falls on the 2nd Saturday in October, this year's show on Oct. 8 will offer \$1,000 in award prizes, and more than \$1,000 also given in purchase prizes, ranging from \$25 to \$100.

The Wichita Falls Art Association gives \$100 for Best of Show, and cash prizes for winners in each category in addition to ribbon awards.

Registration will be at all four corners of 10th and Scott intersection from 8 a.m. to 10 a.m. on the day of the show, which ends at 5 p.m.

Robert Gartland of Lawton, Okla. will be the judge.

Categories are oil and acrylics, watercolor, pastel and mixed media, both representational and abstract; graphics, sculpture, ceramics and crafts. Pictures entered for judging must be framed, ready for hanging.

No display props will be furnished. No street areas reserved in advance. Entry fee is \$3.00 for 5 or less and \$8.00 for more than 5.

For information before show, contact Erma Barton, show director, Box 26, Holliday, 586-1463.

PP&K registration deadline Friday

Iowa Park youngsters have only two days to register to compete in this year's Punt, Pass and Kick Contest.

Competition is open to all boys and girls ages 8-13 and will be held Oct. 7 at the junior high football stadium.

Entry forms are available at Shaw Motor Company, sponsors of the annual event. Deadline for entering is Friday.

Happy 42nd Birthday!
