## Former Pastor Here Dies

Many members of Iowa Park United Methodist church & friends in the early thirties were saddened this week when news came of the death last Wednesday of the Rev. Mr. Cicero B. Fielder. Funeral was conducted last Thursday in First United Methodist church of Farmersville.

Fielder was pastor here from 1931 through 1933.

Fielder is described in the Farmersville Times as one of that city's most beloved citizens and a long time leader in North Texas conference. He had been a Methodist pastor since 1916 and for many years was secretary of the conference.

Twice Cicero had served the Farmersville church. He and his wife had decided years ago to live there after retirement and had built a home there at that time.

While in Iowa Park, Fielder was active in the community life, taking a special liking to the fire department. He and Boss Smith organized the first donkey baseball team, which afforded the citizenry many evenings of fun.

Survivors include the widow; two sons: B. C. of Farmersville (now treasurer of North Texas Conference of United Methodist church) and Burton Fielder of San Angelo; two daughters: Mrs. Walt Talbot of Richardson and Mrs. James Tolbert of Austin; and five grandchildren, Mattie, now Mrs. Tolbert, was a popular member of the high school set in Iowa Park.

According to Coach Tommy Watkins the best defense against a strong team is to keep the ball in your own possession.

Of course you have to offer possession to your opponent after each touchdown or field goal, but then immediately you are in position to hold them and get possession yourself.

To accomplish this worthy purpose, Watkins and his staff have created a stalwart defensive unit. Pictured above are seven of the best the Hawks can throw at our opponents. There are many others, but these have been singled out to represent the Mean Green front line and back-up formation.

No. 12 Steve Webb was injured last Friday in the Haskell game

and probably won't get to suit up for the final tilt with Refugio this Saturday night in Waco.

The other six are ready to go—offensively and defensively—at the best South Texas has to offer in Class AA. They are: 62, Jimmy Gilmore; 33, Steve Watson; 81, Jackie Perkins; 57 Jackie Gholson; 73, Don Harrison; 74, Chuck Buikema.

## Engaged

The engagement of Miss Joyce Joanne Quinn to Richard Gordon Bigham has been announced by her parents Mr. and Mrs. G. H. Quinn of Vernon, former Iowa Park residents.

Richard is son of Mr. and Mrs. R. L. Bigham of Lubbock.

Joyce was an honor graduate of Monterey high school at Lubbock and attended Texas Tech. She is employed in the accounting department of Southwestern Public Service Co. in Lubbock.

Bigham is also a graduate of Monterey, attended New Mexico Military Institute at Roswell and is now attending South Plains college at Levelland. He is employed with Bigham Battery and Electric in Lubbock.

The wedding date has not been set.

## Church of God Christmas Plans

"The Silver Forest" is the title of a play to be given at the Church of God at 7 p.m. Sunday by teenagers and young adults. The public is invited.

On Wednesday evening, Dec. 23, the congregation of the Church of God will have the annual Christmas social. Mrs. Robbie Watts is chairman of arrangements.

There will be a program. Each family will bring food for the supper, and there will be a gift exchange in charge of the Sunday school teachers.

Santa Claus will make his appearance and fruit and nuts will be distributed to each one present.

## Boosters

Boosters met Tuesday of this week so as not to interfere with the choral program scheduled for Monday night at IPHS.

President Hoyt Watson introduced the two captains of 1970 Hawks: Don Harrison and Steve Watson. These fine young men exemplify the Hawks in every sense of the word and they told the Boosters some of the things they do as captains.

First, they try to keep the spirit of their teammates high. They encourage the boys to do their best at all times, even in the face of adversity. Their duties include keeping the squad relaxed and interested in playing.

This has been going on for 17 weeks and only one or two boys have dropped from the roster.

Another duty of the captains is to be on the field at the coin toss and make the decision to kick, receive or defend a particular goal. Captains also make decisions on penalties. The Boosters had to chuckle when the boys said the reason for two captains is so one can talk to the officials while the other one looks to the bench for a signal.

Watson and Harrison said they were proud to be captains and happy to be in the State AA finals.

Coach Watkins then took over and told the Boosters about the Haskell game. The coaching staff and the team are pleased to be in the finals for the second time. They know they defeated a real fine team when they knocked off the Haskell Indians. Watkins said the graduating seniors on Haskell's team had gone undefeated their 8th grade year; lost only to Abilene Cooper in their freshman season.

He said the Indians have some real fine athletes and truly great young men on their team. Watkins and his staff are truly proud and satisfied with the 14-13 victory.

Our team had a few breakdowns on offense caused by penalties and fumbles but the Hawks stuck to their game plan and did not panic.

The plan was to keep the ball as much as possible and not give No. 22 many chances to beat us.

This worked beautifully as the Hawks ran 85 plays to Haskell's 39, and we did not kick to Charley Franklin at all.

Tommy noted that we averaged 4.3 yards per play while holding the Indians to 4.1 yards. Iowa Park rushed for more than 300 yards in the game.

Refugio was the next topic for discussion and members were told the Bobcats are everything that a championship team has to be. They are big, fast, aggressive, and

like to control the football and the game.

They have several backs who are capable of breaking from any part of the field. We cannot key on any one of their boys.

Byron Shaw is reported to be the big gun in the Bobcat offense, having rushed for more than 2000 yards and picked up many more on 51 pass receptions.

Bill English, quarterback, who was All-District last year, is a truly outstanding passer. He has accounted for over 2300 yards in the air and he does not play favorites. In addition to Shaw, Refugio has three receivers with more than 20 catches.

Refugio is reported to have 9 juniors, 1 senior and 1 sophomore in the starting lineup. Two big tackles: Vance Claybrook 215 and Sonny Elliott 210 anchor a precision blocking line.

The Bobcats like to grind the ball right at their opponents and do not go much for the big play. Their defensive secondary is quite fast and has been able to keep their foes from breaking away for long gainers.

The game Saturday night at Waco should be a great one between two truly great teams.

## Hawk Week

This week has been declared Hawk Week by the Mayor and City Council. Friday will be Hawk Day and all people are asked to wear Green in honor of the football team A pep rally will be held in the stadium this Thursday night.

Tickets for the final game will sell for \$2.50 each. Student ticket price is \$1.00.

Charter busses for the Waco trip are under direction of Jack and Marie Callon. Tickets are \$8.30 for the round trip. Money must be turned in by noon Thursday. The busses plan to leave around 2:45 from the TESCO office.

Iowa Park fans can take either of two routes to Waco. Take 287 to Ft. Worth and get on 35W which will put you into Waco. Take 17th Street exit right, then turn left on Dutton Ave. Bavior stadium lies on the left of Dutton Ave.

If you prefer going through Jacksboro, get on US 281 and go until it intersects with 199. This will take you to an intersection with 35W going South.

Mrs. J. C. Stafford of Electra was in Iowa Park on business Monday and had lunch at Metz Coffee Shop.

Mrs. Burl Bryant of Wichita Falls was a recent weekend guest of Mrs. Carroll Duke.

## Hawks 14 Indians 13

Using a game plan specially designed to keep Charley Franklin from receiving kickoffs and punts, the Iowa Park Hawks put down Haskell in the semi-finals last Friday night at Coyote Canyon.

The plan blossomed at the opening kickoff, when Iowa Park kicked short to Haskell. The ball went out of bounds and we had to kick again from the 35. The second kick-off slithered outside, and the Bobcats took over about the 32.

With Franklin involved in five of the next 7 plays, Haskell had posted a 7-point lead early in the first quarter.

Then the game plan took over and the Hawks used 13 plays and lots of time to knot the count at 7-7. The Hawks three times made the necessary yardage on fourth down with scary yardage yet to reel off. Greg Frazier finally closed the march with a 4-yard thrust through the left side.

Lee Dawson's PAT kick was perfect as usual.

Hawks again gave up yardage in the kick-off to keep the ball out of Franklin's hands. This time they held and obtained possession before Haskell could develop an offensive drive.

Hawks drove relentlessly downfield again but a fumble on Bobcat 4 delayed their winning touchdown until the third quarter.

Haskell put on a good halftime band show with marching and music. The Mean Green Marching Machine proved its I rating is no joke by entertaining with a great display of formations and precision stepping.

When Haskell kicked to Iowa Park at the opening of the second half they almost gave up permanent title to the pigskin. Again the Mean Green used 13 plays to go 66 yards and used more than half that period. Jeff McDonald got the 13 yards needed for TD, and Dawson made the winning point with his educated toe.

In this winning drive there were more fourth down punches at the stubborn Bobcat defensive unit.

Later in the quarter Haskell got another chance to get on the winning side. The Hawks had 4th and long. A punt was the order, but the Hawk kicker let the ball slip from his fingers.

Haskell had the ball in Iowa Park territory. A rarity indeed! Franklin made 28 yards to the 15. Keith Everett made 2 and then Franklin got loose for the 13-yard scamper that ended scoring for the night. A two-point try for conversion was still-born.

Iowa Park used most of the 4th stanza traveling north but foun-dered on the 8. Haskell took over but never could generate a sustained drive to paydirt.

Ever a high school football game was better played and more interestingly contested, we have never seen nor heard of it.

We believe the game at Waco this Saturday night might turn out to be a match for the Haskell tilt, and trust it will have a happy ending for Iowa Park Hawks and their loyal fans!

## Outstanding

Coach Tommy Watkins and his staff selected this week as outstanding Hawks: Jackie Gholson as Lineman of the Week; and Lee Dawson as Back of the Week for his 2 extra point kicks and several good pass receptions; and his Big Play offense, the second and winning PAT kick; and his Specialty of the Week.

TOPS Trimetres No. 224 met Wednesday with seven members weighing in. Hazel Moore was the queen.

The Christmas luncheon and party was given in the home of Mrs. Willie Robertson. Seven members and three Dreamers attended: Betty Lowe, Mildred Beall and Margaret Farkas.

Jimmy Wiese, 15, son of Leo J. Wiese, has won 43 trophies this past year in dirt track cycle racing. He owns three Yamaha cycles. Two are racers: a 125 cc and a 250 cc, and one street bike, a 350 cc machine.

Jimmy races just for fun, not for money, and rides with all comers, some good, some just beginning.

In his first race at age 14, he won 2nd place in motor cross

race, at Lawton, Okla. He also has trophies for scrambles and short track racing. Until one is 18, he can ride only in sportsman races.

Jimmy has won five overall trophies at Bowie. All riders who have won a trophy in a series of races on that day are allowed to compete for the overall trophy.

Jimmy is a sophomore in Iowa Park high school. His major interest is in the field of science.

When quite young he wanted a regular street motorcycle and finally got one. One day his father came home with a racer for dirt track racing. He did it to keep his son off the street, as he considered the ordinary motorcycle too dangerous.

That did it. From then on, Jimmy has become an accomplished dirt rider, and is looking forward to his 18th birthday.

At the Iowa Park Garden club annual Christmas party on Dec. 11 Miss Ethyle Kidwell gave a program on "Symbols of Christmas." On display were symbols of the season against a gold background.

The gold represented the wisdom of God in sending his only son into the world as a babe; the white Madonna and white candle represent purity and the red rose represents the ultimate sacrifice of Jesus.

One of the oldest of all Christmas symbols is the burning candle. Long before Christians began to celebrate Christmas as the day of our Lord's birth, the candle was used to signify "Christ as the light of the world. Always light your candle, otherwise it becomes only an ornament.

The star is the symbol that leads us, as it did the wise men. As Christians we may be serving as a star to someone. But are we pointing the right way?

Another symbol is the Christmas rose. Many of us have used white rose at Christmas not knowing its meaning. The white rose symbolizes the nativity of our Lord.

The holy wreath with its prickly points on its dark sunny leaves and bright red berries resembles crops of biocigs. It reminds the worshiper that Mary's child was born to wear a cruel crown of thorns.

Pine branches from the chandeliers swaying in the wind when the door opens make a song. The story goes that a little pine tree cried because it had no gift for the baby Jesus. When Jesus heard the moaning and sobbing of the pine branches he said, "That is my lullaby at love." Lifting his hand he blessed the little pine tree. That is why, we are told, when a pine cone is cut in two, often we see the outline of a baby's hand. Pine cones are counted as blessings which come from the Christ child.

Miss Kidwell also gave two legends of the Christmas poinsettia. This Christmas when you see the beautiful poinsettias, will you remember they mean immortal, unchanging love, a star of hope blooming for you?

Of all the outward symbols of Christmas, the most joyous is the ringing of bells and chimes. The melow sweet toned ones in the church steeples and belfries all over the world have heralded the tidings of Christmas since medieval times.

The beautiful climax to her program was a recording of Christmas bells and chimes.

"Merry Christmas."

Mrs. Pete Koonce was hostess and co-hostesses were Mrs. Gilbert Kohl and Mrs. Cleo Nipper.

Mrs. Dick Reilly, president, conducted a short business meeting before the party.

Mrs. R. G. Warner gave an appropriate devotional for the holiday season.

Decorations throughout the house

were in the Christmas motif. The table appointments were green crystal candle holders and condies with matching compote filled with holly and red Christmas balls.

Center of attraction was a beautiful green Christmas tree with fruit and flower twinkling lights. At the base was fruit arranged around the wicker basket the tree was in. A large ceramic tree, a burlap angel and a lovely ceiling-high wall hanging were in the living-room.

Delicious refreshments were enjoyed by Mmes Luther Shaw, R. G. Warner, A. W. Bedford, W. A. Black, D. C. Bondurant, Richard Carver, W. A. George, Frank Harlin, L. C. Hill, Arch Hughes, Gilbert Kohl, Pete Koonce, O. N. Newman, Dick Reilly, James Sewell, Bobby Sinclair, E. F. Soell, L. W. Teel jr., Delbert Todd, Cleo Nipper, John Meux; and Miss Ethyle Kidwell.

**ESA**

The home of Mrs. Glen Miller was the scene of the annual Christmas party of Epsilon Eta members Tuesday evening. Mrs. Raymond Cope, Mrs. William Mattis, Mrs. Grady Graves, Mrs. James Shumsky and Mrs. Donald Lucy were hostesses.

Mrs. Roy Johnson introduced Mrs. Homer Blalock, who presented a review of "A Miracle in Texas," by Luise Putcamp jr. This story was beautifully related by Mrs. Blalock. Miss Nancy Miller provided organ selections of Christmas carols as background music for the story.

As members were singing carols a surprise visit from Santa Claus wearing a "Hawk" hat delighted those present. He had brought his guitar, and led the group with new carols. He was accompanied by Mrs. Graves at the organ and by Mrs. Austin Webb at the piano. Santa then distributed gifts to each person from the lovely tree.

Others present were Mmes. T. C. Perry, Louise Berry, John Clapp jr., Tom Compton, James Dyer, R. B. Faulkner, Marian Guthrie, N. E. Guthrie jr., Frank Harlin, Pete Koonce, Bud Mercer, Chester Morrison, Luther Shaw, John Sibley, Bobby Sinclair, Bill Steger, Tommy Watkins, Frankie Hendrick, Bud Adams, Tommy Britt, Bob Hamilton.

All members of Epsilon Eta extend warm wishes to everyone for a very very Merry Christmas and a Happy New Year!

Mrs. Pete Koonce, Mrs. Tommy Watkins and Mrs. John Sibley have just won the highest honor their sorority Epsilon Sigma Alpha International bestows on a new member—the First Pearl Award.

The three women earned their awards by completing a difficult series of achievements for their chapter. They received their First Pearl awards in a special ceremony this week.

ESA, one of the world's foremost leadership-service organizations for women, emphasizes educational and philanthropic accomplishments in attaining the First Pearl Award.

Mrs. Anthony's topic was "Neighbors Through Understanding." She stressed sharing and giving as the Christian way of being neighbors.

The speaker's experiences as a teacher of young people and her volunteer work with those who are studying to become American citizens have strengthened her convictions that neighborliness is best developed through understanding.

Mrs. D. O. James, as president of the club, was emcee of the dinner and called upon Lion John L. Meples to word the invocation. Mrs. Sam Hill conducted a memorial service for the late Mrs. Henry Jones.

## Music Study

The home of Mrs. Joe Singer, gaily bedecked as for a Christmas season in New England, was a fitting and lovely setting for the Dec. 10 meeting of Modern Music Study club.

In a most appealing manner, Miss Ethyle Kidwell gave the story of a family observance of Christmas with a comic twist. Mrs. C. P. Pace was leader for the evening. Mrs. Bertha McDonald is president.

Three vocal solos complemented the Christmas theme as Mrs. Joe Singer sang "Sweet Little Jesus Boy"; Mrs. Carl McKinnon, "Behold That Star" both accompanied by Mrs. W. G. Steele; and Mrs. Kenneth Flowers did a traditional spiritual "Rise up, Shepherds, and Follow" accompanied by Mrs. Sewell. Mrs. Singer also related the history of the hymn of the month "O Come, All Ye Faithful."

Mrs. Flowers helped in serving refreshments and in the gift exchange during the fellowship hour following the program. Also present were Mmes. J. W. Farmer, Georgia Flanagan, Otis Gay, Delbert Todd.

"Christmas Around the World" was the theme portrayed in arrangements for the annual Christmas banquet of IPHS a cappella choir last Saturday evening in the cafeteria.

Six tables were decorated representing France, Germany, Italy, Mexico, Sweden and the USA, with the head table designated as an international table.

Choir members did the decorating and made the favors typical of the various countries. Speaker of the evening State Representative Dave Allred issued a challenge to youth when he talked on "What You Can Contribute to Christmas."

Entertainment featured the Texonic Quartet from the Wichita unit of barber shop singers in a medley of Christmas songs.

Special guests were the three sweetheart candidates: Jerrie Johnson, Beverly Klinkerman and Debbie Smith. It was revealed that Debbie was the winner.

Larry Fortner was master of ceremonies and Jimmy Harrison gave the invocation. The 96 members and guests joined in singing the Alma Mater song as concluding number on the program.

I want some guns and some neckerchiefs for my daddy, also a real gun. Becky wants dolls, dolls and more dolls. My stocking will be on the fireplace.  
John Davidson

At 7:00 Sunday evening, Dec. 20 the choir of Faith Baptist church will present a cantata "Love Transcending" by John W. Peterson. The singers will be directed by Darrell Dick.

Soloists will be Mrs. James Wadsworth, soprano; Mike Wadsworth, baritone; Mike O'Donnell and Donnie Travis, tenors; Mrs. Ron Killingsworth, alto.

The pastor, Rev. Mr. Don Killingsworth, will be narrator.

"Glory to God" by J. T. Adams is the cantata the choral department of IPHS will give in the auditorium at 7:30 p.m. next Monday. Darrell Dick will direct the program presented by 175 singers. Soloists will be Reggie Kidd, Mike Wadsworth, Mike O'Donnell, Donnie Travis, Lynn Dozier. Narrator will be Jay Cantrell; pianist, Terri Singer; organist, Pam Huff; tympanum, Darrell Jolley; trumpets, Dozier, Travis, O'Donnell.

The public is invited. A capacity house listened with pleasure as five choirs from area high schools presented a festival of Christmas music in the IPHS auditorium Monday evening.

Iowa Park director Darrell Dick remarked that he wondered when the new building was completed if it would ever be full. "Now we know," he said. "Tonight we have standing room only left."

Selections of variety including such numbers as:  
The Sleigh Ride  
Jingle Bells  
Never Was a Man  
Rudolph the Red Nosed Reindeer  
Sixteen Holes

were presented by groups from Burkburnett, Iowa Park, Vernon and Hirschi of Wichita Falls.

More than 300 voices joined in the grand finale "Do You Hear What I Hear?" as the audience stood and cheered approval for an evening of fine entertainment.

A cappella choir of IPHS under direction of Darrell Dick will sing at the noon hour this Thursday in First Wichita National Bank.

## Farm Bureau

Seven members of the Wichita County Farm Bureau attended the American Farm Bureau Federation convention Dec. 6-10 in Houston. Some 650 state members attended.

Attending from Iowa Park were Mr. and Mrs. Loys D. Barbour and Mrs. Ruth Gard; Wichita Falls sent Mr. and Mrs. J. W. Tole; Electra provided Ed Foster Jr.; and Burkburnett provided county president Raymond Schroeder.

One night the group attended the Houston Oilers - Cleveland Browns football game in the astrodome. The group took part in the demonstration on the convention floor Tuesday morning, along with 300 other Texans, as former governor John Connally was introduced to speak.

Schroeder was honored at the Tuesday night awards and recognitions program with other county presidents.

Another proud moment for the Texas delegates came when the Kilgore college Ranger Band and Rangerettes thrilled the crowd with their performance in the Coliseum Tuesday night.

Elgin says he has two homes now, as he plans to continue as caretaker for his dog, the cats and the chickens on the farm southwest of town where Elgin and Mary have resided for 34 years.

John Mixon, son Jerry and Miles Hines were three of a group of eight area men who hunted deer in Llano county the past week end. They made the Hines cabin at Lake Buchanan their headquarters. They brought home nine deer—and Jerry bagged two of them.

James R. Solomon arrived home Sunday morning at 9:30 from Vietnam, after spending a year there with Dynecton Corp. He is being transferred to Big Spring, Texas.

## Is Christmas Christian or Pagan?

"Prove all things; hold fast that which is good."  
1st Thess. 5:21.

The world again holds high carnival at this "Xmas" season. And again there is "no room in the inn" for the "Man of Sorrows." Shall we who have "been washed from our sins in His Own Blood" join the mixed multitude in their willful and selfish celebration of an utterly unscriptural "Christes Masse"? Shall we thus make it easier for them to forget that Heaven's loving offer of "Peace on earth, good will toward men" was scornfully met by a fiendish sword, soon reeking with the life's blood of hundreds of Jewish boy babies—earth's mad effort to kill Bethlehem's Baby Boy?

We will search our Bibles in vain for any hint of "Christmas." Absolutely nothing is said as to the exact date of Christ's birth, not even the month being given! Nor can we find any suggestion concerning our "celebration" of His birth and there is no hint that any of the early church ever did such a thing.

Just before going to the accursed tree to bear the world's load of sin, Christ said to His disciples: "The world hated me—they hated me without a cause." Should we co-operate in chanting "Christmas" carols with those who crucify Christ? Have we forgotten that the world's last treatment of our Lord caused Him to cry "Reproach hath broken my heart . . . I looked for some to take pity, but there was none." Psalms 69:20.

Only the impudent and blasphemous will profess to celebrate His birthday while making no effort to find out what will please Him. "Without faith it is impossible to please Him." And "faith cometh by hearing, and hearing by the word of God." Heb. 11:6; Rom. 10:17. On your birthday, who gets the gifts? Is your birthday deliberately changed so as to coincide with Hirohito's and Hitler's in order to favorably attract your bitter and cruel enemies? To all believers with tender consciences, the Holy Spirit's words are sufficient: "What agreement hath the temple of God with idols . . . wherefore come out from among them and be ye separate, saith the Lord." We can no longer innocently observe this imitation of the pagan Sun-Worshippers' winter festival to the Sun and its supposed "mother." Their annual feasts of Saturnalia and Maternalia were characterized by unspeakably filthy sexual practices. Surely none but those who are "lovers of pleasure more than lovers of God" will stubbornly disobey our Lord's clear command to "Touch not the unclean thing." 2nd Cor. 6:14-7:2.

However, both Commercial Babylon and Religious Babylon are built upon the satanic supposition that "gain is godliness," therefore they will think no loyal and intelligent Christian who seeks to expose their wicked and adulterous mixture—their impudent and profane thrusting the holy name of Christ into this popish-pagan fraud that was consistently condemned by all spiritual Christians up to about ninety years ago. (Read the encyclopedias and history on on this subject.)

Since God's Word tells us nothing about any "birthday celebrations" for Christ, and since it does say that "whatsoever is not of faith is sin" (Rom. 14:23), the humble child of God will step out of the pagan procession to please the One whose birthday is mockingly celebrated by the very crowd and satanic system that murdered Him.

Let us remember that the "Root out of dry ground," though ruthlessly crushed to earth, rose again and is to appear on "this old earth, not as a tender plant" but as "the Plant of Renown." His first coming was as the Lamb of God to die for our sins according to the Scriptures. His second (may it be soon) will be as "the Lion of the tribe of Judah" to reign.

Please read: Jer. 10:1-4; 2nd Cor. 5:15-17; Col. 3:1-3; Phil. 3:3.
