SUPPORT OUR HOME TOWN

# SWEET N' SOUR

By A. Dill

Spring arrived officially this week, the swallows, albeit with allerons iced over, landed in Capistrano on schedule and only you, the mesquies, and the thermometer, refuse, and the thermometer, refuse, and the callahan County Farmers Cooperative Transcriptors soli, the mesquites, and the thermometer, refuse to concede. Spring, to be sure, is the season of hope, but it sometimes runs the gamu of the undestrable extenses of that virtue, presumption and despair. Perhaps the best course after all is that good solid temperate one that neither expects too much nor resigns to the death and the same amenting of the Board of Directors held Thursday night, March 16th. A very special welcome home to three Bairdites who are back in the home town and this time for keeps - Mickey and Pat Brown and son, Dewayne Edwin. The Browns have been in Washington while Mickey was stationed there with the armed services, but now that is over, home looks mighty sweet to them - and they look good to us, especially that happy, smiling, cherub of a baby, he's a dandy.

Spring flowers, bless their courageous hearts, are peeping out all over the hometown - Mrs. Uzzell has a fine star jasamine that is exceptionally pretty.

At the O. P. Thompson's, it's the royal purple Iris that are the joy of the household and they really are beautiful.

they really are beautiful.

All of the blooms of spring are wonderful, but somehow the one that seems the epitome of the season is the lilac and here in Baird they are growing more lovely each day - as witness the ones in Mrs. Walter Boyd's yard. The D. A. Abernathy's have some really pretty lilacs this spring and there's an exquisite one in the Casto Peek yard. The Sterling Abernathys also have some very attractive lilacs at their home.

Birthday greetings to Mrs. L. B. Howard who celebrated March 16th, and to daughter Sue Howard who has her day Saturday the 25th - and by the way, that's Janis Walker's birthday and the special day of a very special person, Ruth Strickland - Happy Birthday, all of you.

Congratulations to Mrs. Bruce Williams (who has already won my personal award for being one of the most attractive young lar in this or any county) for my top honors in the Vogue Fashion show, presented in connection with the Neophyte Club's Style Revue last week. High school division was won by that most capable young Senior, Virginia McIntosh. Costumes were constructed by the contestants, and were judged on talloring as well as appearance. ### Only Half of Cars Registered So Far

Albert Lovell, County Tax Assessor-Collector, has announced that up to Tuesday night, March 21, only 1661 passenger license tags for Callahan County had been sold.

The total for the county is one week to go, and only half the cars in the county tagged, Mr. Lovell urges everyone to come in as soon as possible so you won't be caught in the last minute rush and have to wait in line for your tags.

# **Plans Complete** For Clean Up

According to plan agreed upon by the Chamber of Commerc and the City, Baird's annual Clean-Up Campaign is due to kick off Monday morning, April 3rd.

From all reports, most citizens are anxious and willing to cooperate and many plan to start cleaning up prior to April 3rd. This could be the most success-ful clean up campaign in the history of Baird; it all depends upon the determination and civic pride of each individual living within the city limits of Baird.

One of the best advertsements a town can have is the reputa-tion of being a "clean town."

If you are planning to clean up in the near future, why not get it done during the Clean-Up Campaign, and help make the entire town clean at one time.

The City will provide trucks and manpower to haul all trash, rubbish, tree limbs, etc., during this campaign, but the cooperation of all citizens is needed to make this project a success.

First, in cleaning your proper-ty, burn as much trash, weeds, grass, tree limbs, etc., as you can safely burn -- do not allow the and traveled over the country and Alaska working on construction projects.

Survivors include his parents, Mr. and Mrs. S. P. Dahms of Baird; three sisters, Mrs. A. W. Smith of Freemont, Calif., Mrs. N. W. Willingham of Dallas, and Mrs. S. J. Havens of Indiana; four brothers, Robert of Tucson, The City plans to keen the

job on schedule.

The City plans to keep the trucks hauling from the beginning of the campaign through the following week, in order to get all trash hauled that has accumulated during the Clean Up Drive. All this extra hauling is being done free of charge by the City, in cooperation with the Chamber of Commerce, which is attempting a number of projects for the betterment of our town. After April 15th, extra hauling will be billed at the normal rates charged for such services.

The trucks are scheduled to start hauling Monday morning, April 3rd, in the East part of town, and will travel the alleys

Civic Pride

What is it? It is a state of mind that induces constant effort toward better things, not only for yourself, but also for your community. It goes beyond ideology and theory. It is more than just a way of thinking. It is a way of doing. We are not born with it. We have to be educated to it's importance.

and function.

These ideas are about as new as ancient history. So, why preach it? How about this question; why go to church? You have heard the Eleven Commandments before. All of us have to be reminded once in a while. Few people would deny that civic pride as a good thing; but how many of us apply it?

Have you heard the statement. "I can't hear what you say for what you do." For example: those of you who say that you would like to have cleaner streets where do you sweep your dirt? where do you sweep your dirt?

# Clyde Schools Show 20 Percent Increase in Enrollment over 1960

Clyde has one of the fastest And not only has the number rowing public school systems in of scholastics increased, bu Clyde has one of the fastest growing public school systems in West Central Texas. It has shown a 20 percent increase in the last year, according to Ferrell Newton, Superintendent.

At this time last year, it enrolled 547 students. Now it has 660. It reflects a large population growth of the city, with many new homes, some pretentious, erected in the last year.

Presently the high school enrolls 154.

And not only has the number of scholastics increased, but, this Fall, four new teachers will be added to the staff, giving the system 30 instructors besides the system 30 instructo

tious, erected in the last year.
Presently the high school enrolls 154.
In May, the high school expects to graduate 27, of whom
14 are boys and 13 girls. This is
about the same number as graduated last year. However, the
number is expected to increase
wand.
At a recent board meeting,
Newton's contract was extended
three years. He had two years
about the same number as graduated last year. However, the

support to the successful promotion of meritorious civic projects.

Abilene and this district are fortunate to have such a man as Jim Thompson in a position of responsibility and service, and this newspaper feels that it merely reflects public opinion in paying this brief tribute to one of the city's more progressive business men.

# "Tiny" Titlow

In critical times such as these, it takes business men of more than average ability to carry on their operations successfully. In making this statement, the man we have in mind is one of Abilene's more dependable service station pump and equipment sales and service dealers. "Tiny" Titlow of the Titlow Pump Service, who has a wide circle of personal friends and customers scattered throughout this entire district - and many of whom reside in our own community. His contagious optimism and freely expressed belief in the assured future prosperity of the people of Abilene and its metropelitan trading area, are characteristics which are to be appreciated in a progressive business man. He has always taken an interest in community affairs, at has shown a willingness to der his share of the civic load.

It is such men as Mr. Titlow who, because of the successful conduct of their business and private affairs, and their willingness to contribute to the public good, who are wholly deserving of a few words of commendation. It is a pleasure to pay him this brief tribute.

# Earl M. and **Bob G. Bailey**

Due to the efforts of a group of wide-awake business men, the city of Abliene has attained a dominent position in the comital and business life of the section of Texas. And two of the men who have justly earned credit for being progressive members of that group are Earl M. and Bob G. Bailey, well-known and completely reliable road contractors.

It is because of the successful operations of such a business as theirs that the city of Abilene has earned the reputation of being one of the more progressive cities in this area.

The Bailey's have been conspicuously successful in spite of the fact that they have repeatedly neglected their own private affairs to devote a part of their time and efforts te the successful promotion of civic projects.

It is considered a privilege to include Earl and Bob Bailey in this Abilene review and to pub-
