

Mr. and Mrs. Robert A. Fuller

HIGHLIGHTS FROM THE PAST TO THE PRESENT

East we travel this week as we reach a bit into Ochiltree County, though we are still visiting with a family who has been associated with Hansford County and calls this county their home. The family in the spotlight for this week is the Robert A Fuller family who moved to this area in May of 1911.

Robert A Fuller were born in Gleason, Tennessee, July 10, 1865. He was the son of J. Augustus Fuller, a native of North Carolina, and Sallie C. White, a native of Tennessee. Robert Fuller's mother's father was Asbury White, who was supposedly named for the famous circuit preacher, Francis Asbury. At the age of fifteen Robert A. Fuller accompanied his parents to Texas where the family made their home.

On December 30, 1886 Robert A. Fuller and Mary Alma Pearson were married in Johnson County Texas. Miss Alma Pearson was born in Henderson County Tennessee on February 11, 1865. She was the daughter of Elizabeth Verlinda Rhodes and Ira James Lee Pearson.

Following the marriage of Robert A. and Mary Alma Fuller the couple lived in or near the towns of Cleburne, Caddo, Tascosa, Vernon, Fort Worth, Joshua, Grand Falls and Barstow before moving to this area. Nine children were born to the couple prior to their move to the Panhandle. The children are Alta Elizabeth, Ira; William Gordon, Lawrence Lee, Lena Mae, Mattie Ethel, Guy, a child who died at infancy, and Robert Pearson. The couple also reared a grandson, John Winters Walker, after the death of his mother.

In 1911 Mr. Fuller traded his land in Ward County Texas for a farm and ranch twelve miles east of Spearman. Not caring for the land of Ward County, Mr. Fuller followed his brother-in-law who had moved to the Panhandle earlier. Mr. Fuller traded the land with Mr. Yates. Along with the trade of the land was also a trade in the farm implements owned by each party.

A twenty one day trip from Ward County by covered wagon was made by the Fuller family in May of 1911. All but two of the older-children who were grown accompanied the couple on the journey.

Their land which was purchased was improved and a two room house was standing for the family to move into. They also had a windmill for their water supply.

Farming and ranching was taken up by Mr. Fuller and farming and ranching was begun from scratch. There was very little of the purchased land broken sod. The boys helped their father with the chores. They brought their horses on their journey from Ward County. The horses were used with the sod plough to break the land. The grain was planted with a one row lister pulled by a team. The wheat was harvested and stacked then thrashed and as the fall of the year rolled around the grain would be taken to market.

Most of the supplies for the family were purchased at Texhoma and Glazier. Mrs. Fuller always had a garden and Mr. Fuller did all the butchering for the family. When the family first arrived their land was fenced but there were few roads. Ochiltree was the county seat but there was no road to the town.

At the very beginning the family received their mail at the Stump home at Wawaka which was at that time a ranch house. Wawaka is now called Waka. But after a few years the mail was delivered on the route which led from Old Ochiltree to Old Hansford and was carried by "Uncle" Jimmy Kelly.

Wagons were the only mode of transportation for travel. When going to market it would take four days to travel, and four days to return. Entertainment for the family centered mostly around the Literary Societies and the school. Church was held in the Black School House. The family were active and faithful mem-

bers of the Church of Christ.

The Fuller children attended school at the Black Country School where Mrs. W.E. Cox was one of the early school teachers, for the children. When the Black School was discontinued the children of that school went to Spearman. The building was also moved to Spearman.

Mr. and Mrs. Fuller were civic minded and always were interested in the growth of character through building institutions. They gave the land on which the Black school was built. Mr. Fuller served as Black School Trustee for many years. For twelve years he served Ochiltree County Commissioner. Many roads and the courthouse of Ochiltree County were built during the time he served as commissioner. A member of the Masonic Lodge, Mr. Fuller was also a member of the Spearman Equity Exchange and served as its president for eight years.

During the early part of the 1900's families would be moving by wagon across the plains to Colorado or other points west and many times the Fuller family would have guests such as these spending the night. It was quite a treat to have visitors at that time. Close neighbors for the family included the Smiths, Gillams, Dr. Pearson and family, Stumps and GreEVERS.

The children would tend to the chores come morning and night. Other forms of pastimes for the past included debates. Tent meetings were also held and families from throughout the area would travel by wagon to attend. The families had to create their own entertainment and alongside the previous mentioned was baseball for the Black Community had an active team. Horse races were also held among the children.

Mr. Fuller made his home on their farm until his death in 1934. Mrs. Fuller was always interested in the webs of genealogy and loved to search back to reveal relatives on the family tree. She lived to be almost eighty-eight years of age and died in Lubbock in October of 1952.

The living children make their home in Lubbock or Hansford County. Alta Elizabeth F. Walker died in 1915. Augustus Fuller died in 1956. William Gordon Fuller Ph.D. is professor of math at Texas Tech in Lubbock. Lawrence Lee Fuller passed away in 1936. Lena Mae F. Hopper is a school teacher in Lubbock. Mattie Ethel F. Keim made her home in Ochiltree County and passed away in 1961. Guy Reagan Fuller is a stock farmer in Spearman. Robert Pearson Fuller has oil interests in Lubbock. Mr. and Mrs. Robert A. Fuller's grandson who they reared, John Winters Walker, is associated with an automobile leasing business in Midland, Texas.

We look back over the history of this family we realize that without such families as these our county couldn't be as strong as it is today. Their civic minds as well as farming interests have made them one of the outstanding families in the History of Hansford County.

NOTICE

If you are interested in becoming an Explorer Scout, be at 905 King Street, John Cotter Jr.'s home, Monday, September 28 at 8:00 p.m. If you cannot make this meeting contact Alford Blount at school.

Cub Scout Round-up

Boys 8-11 who are interested in joining and their parents are invited to a cook-out

Monday, September 28 at 7:00 p.m. at the First Christian Church.

One parent must be present before the boy may join.

Mrs. Gwenfred Lackey and Janyth Lackey of Spearman, Mrs. L.R. Gammertsfelder of Morse, Mr. and Mrs. T.J. Bergin and family, Mrs. Agatha Rafferty and Mrs. Warren Jeffries and Marian visited Sunday in the home of Mr. and Mrs. Jack Taber.

SPEARMAN SQUEEZES BY GRUVER, 6-0

The Spearman Lynx edged passed the Gruver Greyhounds 6-0 in a Friday night thriller. The win for Spearman was the first for them after an eight year losing streak.

The Greyhounds mounted up 52 yards rushing and 58 yards passing while Spearman took 65 yards rushing and 11 yards passing. Outstanding defense work was shown on the part of both teams as only twelve first downs were accounted for throughout the game as nine penalties went against the Greyhounds while Spearman had eight.

Spearman's strong defense along with several penalties held the Hounds from capturing a first down in the first half. Spearman was held to six first downs in the first half. Spearman's score came at the beginning of the second quarter after they took possession of the ball on a punt on the Gruver 18. As the ball hit the ground on the Gruver 23 it bounced to touch a Greyhound and a Lynx fell on the ball.

With 8:01 left in the first half the Spearman halfback, Morris, raced to score for Spearman, giving the Lynx the lead 6-0. As the first half closed Gruver had possession of the ball on the 35 yard line of Spearman.

The second half gave the Greyhounds five first downs while the Greyhound defense held the Spearman offense to only one. Midway in the third quarter the hounds began a goal line drive from Spearman's 47, making two first downs in a row before Leatherman raced to the goal line from the Spearman twenty-eight. A red flag on the play against the Hounds pulled the ball back to the Gruver thirty-three with a 2nd and fifteen facing the Hounds. On the last play of the game Sam Tipton completed a pass to Mack Hoel on the ten yard line.

Laxson, Cluck, Riley, Leatherman, Nobles, Jerry Gumfory, Tommy Pumfory, Allen Saltzman, Rex Shapley O.E. Gammill and John Knudson made up the forceful defense for the Greyhounds and allowed Spearman only seven first downs for the night. Tommy Gumfory took over the position of his brother, Jerry, as center after Jerry was hurt during the game. The backfield made up of Arnold, Tipton, Etter, Mathews, Wilson, Hoel and Silva also showed outstanding defense work against the Lynx.

Gruver opened the game with a kick by Mack Hoel to the Spearman ten yard line where Spearman fumbled and Wayne Leatherman recovered. But

with only seven yards gained in the next attempts the ball went over to Spearman. The strong defense of Gruver held the Lynx to no gain and forced them to kick to the 43. Silva made seven yards but the Hounds were pushed back five and also received a 15 yard penalty to make third and 20. A pass failed for the Hounds and Hoel kicked from the Gruver thirty-five to the Spearman 12. Spearman made three first downs before the Hounds were able to hold them and gain possession of the ball on the Gruver 40.

Two fifteen yard penalties against the Hounds in the next four attempts gave Spearman possession of the ball on the 30 yard line. The Lynx made only four yards and kicked as the quarter changed but the Hounds were penalized and Spearman took possession from the Spearman 47. Still held by the strong Gruver defense the Lynx kicked to the Gruver 17 where the ball hit a Gruver player and was recovered by Spearman. Two attempts gaining seven yards followed by a run by Morris put the Lynx over for their lone touchdown. But Gruver held on the two point attempt allowing very little gain.

Gruver received the Spearman kick at the thirty-five and

carried to the 43 where first down began. Mathews and Silva were held to three yards and a pass attempt failed so the Hounds again faced the punt situation. With one penalty after another called against Spearman, Tommy Gumfory pushed through to hold to Lynx to a 4th and 23 situation. The Lynx kick gave Gruver the ball on the 20 but the Hounds could make no progress and Spearman took over on the Gruver 45. A ten yard penalty against Spearman along with the strong Gruver line gave the Lynx 4th and 13 and the Lynx took to the air. Wilson of Gruver intercepted the pass on the thirty yard line of Gruver but with only time for three plays the half came to an end.

Spearman kicked to Gruver to begin the second half and Mack Hoel took the ball on the 30. But the first play was followed by another fifteen yard penalty making the Hounds face a 1st and 25. Sam Tipton passed but the pass was intercepted on the 35 and was carried to the 15. Arnold and Riley were there for the tackle of the first play to push the Lynx back six but Gruver drew another penalty of ten yards. Spearman made no gain and was penalized fifteen more yards as one of their boys was taken from the game for poor conduct.

Gruver made no gain and the ball went to Spearman on their own 30 after a kick but Spearman was forced to kick in four tries to Gruver's thirty. Don Mathews carried for five yards and a fifteen yard penalty for Spearman gave the Hounds their first down of the game. But penalties against the Hounds forced them to kick to Spearman where they took possession on their two yard line as fourth quarter began. Spearman kicked and Joe Cluck took the ball on the Spearman 36. Again the Spearman defense held, but the Hound defense held as Spearman took possession and the Lynx kicked to the Gruver 40 where Silva carried to the 47.

Silva carried ten yards for a Gruver first down. On first try the Hounds were held but Sam Tipton completed his pass of twenty six yards to Mack Hoel for the first down. Silva pushed ahead for one yard and Leatherman took the next play as he raced over the goal line, but the score did not count since the Greyhounds had their back field in motion before the play began. Two pass attempts were tried but to no avail, and Spearman too lost yardage but kicked out to Wilson on the 20. The Hounds moved up the field as Spearman took a fifteen yard penalty. Two of Sam Tipton's passes failed but the next play Silva bounded for fifteen yards to the Spearman 45. Tipton's next pass fell incomplete outside the boundaries and the clock stopped. For the final play Tipton completed his pass to Mack Hoel for 21 yards to put the ball at rest on the 19 yard line as the game closed.

Next week the Greyhounds will take up action on their home field as the Stinnett Rattlers come to Gruver.

Church Revival Slated

The Reverend Leon Cummings of Pueblo, Colorado will be the visiting evangelist for the annual series of revival services to be held in the Community Bible Church. The special evangelistic meetings will begin with the morning worship service on Sunday, September 27th and continue throughout the week, closing on the evening of October 4th.

The Reverend Cummings needs no introduction to residents of this area, having formerly served as pastor of the Community Church at Hitchland. His many friends in the community are looking forward to renewing their association; and members of Community Bible Church extend a cordial invitation to everyone to worship with them during their forthcoming revival emphasis week. Song services during the week will be led by Glenn Ray Harris of Gruver.

Ritual Slated

An examination for proficiency in Masonic ritual has been set for Saturday, Sept. 26th, at 9:00 a.m. in Isom Lodge 1242 in Borger. The examination will be conducted by Eob G. Andis, a Pampa rancher and a member of the Texas Masonic Grand Lodge Committee on Work. The meeting is scheduled for all day Saturday.

Masons in this area who qualify in the examination will be granted certificates of proficiency in the Masonic ritual at the Annual Grand Lodge of Texas to be held in Waco, December 2nd.

Notes Of Interest

Allen Kreiger of Brackettville, Texas dropped by the Gruver Independent office Saturday for a short visit. Mr. Kreiger was accompanied by his uncle Mr. Butterbaugh, publisher of the Boise City, Oklahoma, News.

The name Kreiger will sound familiar to some of the Gruver residents since Fred Kreiger, Allen's father, had the first paper in Gruver when the town was established. Allen Kreiger enjoyed looking at several copies of the "Hansford News" which were on file in the Independent office.

Being rushed for time, Mr. Kreiger was unable to visit with many of his friends here. Attending school when the Gruver School was in a small white frame building, Mr. Kreiger recalls many of his school mates who still make their home in Gruver. He is presently in the insurance business in Brackettville, Texas near the southern border.

Everyone was quite happy last week as the county received measurable amounts of moisture. The rain came general for the entire area with amounts ranging upwards to an inch and a half in measurements.

This was the first general moisture since the first of June. The farmers are making preparations to plant their wheat and hoping that another nice rail will follow soon.

The milo harvest is beginning with irrigated crops bringing good yields.

It is the fall of the year again and the new cars are making their appearance on the markets. The Chevrolets have their first showing today and the Fords will follow on Friday.

The Gruver Greyhounds have had a little misfortune the past two weeks with losses with White Deer and the Spearman Lynx. But the boys are full of spirit and are ready to change that record as they meet the Stinnett Rattlers Friday night.

The Stinnett team has won all their games. They beat Canadian in their opener and followed with a win over Sunray. Last week they topped the Stratford Elks 12-8. Gruver won their opener with the Clarendon Broncs, but faced misfortune in the next two games.

HD CLUB TO BE ORGANIZED

An organizational meeting School. Linda Webb, county to organize a Home demonstration Club in Gruver will conduct the meeting.

A nursery will be provided at the Methodist Church for 25¢ per child.

Mr. and Mrs. Thomas Reeves

TURNER-REEVES WEDDING VOWS REVEALED

Marriage vows were exchanged Friday, September 18th between Carolyn Turner and Thomas Reeves. The ceremony was held in the First Baptist Church at 7:00 p.m. The bride is the daughter of Mr. and Mrs. Floyd Turner of Gruver and the groom is the son of Mr and Mrs. Roy Reeves of Pampa.

Before an ornately adorned altar centered with a bouquet of white gladioli, Reverend Herbert Hughes read the double ring ceremony. The altar was flanked by two white tapered candelabras intermingled with greenery. Ann Dorman presented the traditional wedding selections at the organ. Sharon

Barkley sang "Because" and "Always" as special numbers. Miss Connie Turner, niece of the bride, was flower girl and was attired in a white dress and carried a white basket of white carnations edged with blue. The flowers in her hair completed her dress. Given in marriage by her

father the bride wore a two piece box suit of white. The suit was designed with a fur collar, and three-quarter length sleeves. Her accessories were of blue as was her hat and veil. She wore a white pearl necklace, a gift of the groom. The tradition of something odd, something new, something borrowed and something blue was carried throughout the ceremony. Her bridal bouquet was a cascade of white carnations accented by satin ribbon atop a white Bible.

Attending the bride was her sister, Floyce Ann Corcoran of Pampa who was attired in a three piece suit of blue trimmed with white. Her accessories were of matching blue. She carried a nosegay of white carnations. The best man was David Turner, brother of the bride, of Gruver.

Mary Alice Trexler of Dumas, cousin of the bride presided at the guest register.

The bride's mother wore a blue silk dress and black accessories for her daughter's wedding. Mrs. Reeves wore a dress of blue wool and accented her attire with black accessories also. The two mothers wore corsages of white carnations. Mrs. Elizabeth Turner, Grandmother of the bride of Dumas, was presented a corsage of white carnations.

A reception was held immediately following the ceremony in the fellowship hall of the church. Following the receiving line the guest passed by the refreshment table laid in white linen with a white net over lay. The white wedding cake held a bride and groom amid a pillared layer of three circlets. White roses and a touch of silver added adorning touches to the cake. The silver punch service off set the cake at the other end of the table. Two candles and the bride's bouquet completed the table decor. Serving were Linda Queen of Pampa and Patsy Cudd of Waka. Assisting were Marie Fulfer, Geneva Eddleman, Frankie Leather-

Sponge as Bug Holder

Small bass bugs and poppers can be a problem out of the water. Where to put them so you can grab one without tangling the others is the question. A piece of sponge sewn to the crown of your favorite fishing hat provides a handy place to perch your favorite bugs. They're easy to remove and they won't fall out.

Grips on Sinkers

When fishing a sandy bottom where there's a fast-moving current, getting a sinker to hold is a problem. To solve this, drive a few nails into the soft lead. These "legs" will grip the soft bottom and anchor the sinker in even the fastest water.

Emergency Wader Repairs

How many times have you been caught with your waders or boots in dire need of first aid and there wasn't a patch to be had?

Next time you head for the lake, on a fishing trip, don't leave home until you've tucked a few adhesive plaster strips in your tackle box. One of

man and Patsy Burleson.

For their wedding trip to Amarillo the bride wore her wedding suit and blue accessories and added an orchid corsage to her attire.

The couple are at home in Pampa where the groom is employed as a mechanic at the John Deere Business. The bride will continue her schooling at the Pampa School of Hair Dressing.

Out of town guests included: Mr. and Mrs. Roy Reeves, Mr. and Mrs. Tommy Corcoran and Tammy, Mr. and Mrs. Johnny Duncan and family, Mr. and Mrs. Bert Queen all of Pampa; Mr. and Mrs. Floyd Rutter, Mr. and Mrs. Johnny Preston, Mr. and Mrs. Dewey Johnson and Mr. and Mrs. Lewis Johnson all of Amarillo, Mr. and Mrs. B.J. Turner and son of Waka, Mrs. Bill Patterson of Dalhart, Elizabeth Turner, Mr. and Mrs. Elvin Trexler, Miss Mary Alice Trexler, Mr. Dennis Wylie all of Dumas, Mr. and Mrs. Bill Turner, Mrs. Hershel Ooley and Mary Lee, Mr. and Mrs. Joe Cage of Spearman and Mr. and Mrs. Chuck Cudd and family of Waka.

these strips on each side of a tear or hole in a wader will provide an emergency patch that makes the waders almost as good as new.

Foam Rubber Dog Bed

An old foam rubber automobile seat, cut down to size, makes perfect bedding for a dog house. Ticks and other insects that sometimes infest ordinary bedding will be locked out by the foam rubber.

Pork Rind Substitute

If the fish are hitting and you suddenly run out of pork rind, try using a piece of an old innertube cut into half-inch wide strips about three inches long.

Such a strip adds lots of action to your lure and looks almost like the real thing.

Gun Identification

One sure way to identify your rifle is to put your name on it—or rather in it. Remove the butt plate and insert a piece of paper bearing your name, address and telephone number.

Emergency Gun Cleaning Rod

A piece of fishing line about four feet long loaded with a half-dozen split-shot sinkers and an oiled patch at one end makes an excellent emergency gun cleaning rod that can be carried afield.

Mr. and Mrs. R. L. Thom and Mr. and Mrs. W. J. Eddleman are on vacation. They went to Denver to take a Deluxe train to

Cheyenne, Wyoming and on to Rawlins, Wyoming. This was a special tour train with food being served smorgsbord.

OSLO NEWS

Sunday School and Church again next Sunday at the usual time, both at Oslo Lutheran and at 9:00 at Spearman Faith Lutheran. These services are temporarily being held at the Farm Bureau Building.

Mr. and Mrs. Bobby Carver are happy over the arrival of a new baby girl. Proud grandparents are the Frank Mandrells, Congratulations.

Mr. and Mrs. Hix Spivey and family were Sunday dinner guests at the Gordon Stedje home. In the afternoon, the James and Clifford Stedje families called at the Gordon Stedje home.

Mr. and Mrs. Glen Ward and son were dinner guests at the David Schmelling home on Sunday.

Friends in Oslo were grieved to hear of the death of Sam Martin in Dallas. Mr. Martin was the first county agent of Hansford County. The Martins were on a trip around the world, and Mr. Martin died in Tokyo. Funeral services will be held in Dallas Friday morning at 10:00 a.m.

Little Mike Shaeff was honored on his birthday Saturday. Several little folks came and helped him celebrate his sixth year and enjoyed birthday cake and favors.

Visiting Sunday in the Tom Schaeff home were Mr. and Mrs. Chris Schaeff of Canadian.

Mr. and Mrs. Bill Johnson went to Amarillo on Sunday evening and attended the stage play "Camelot".

Mr. and Mrs. Clifford Stedje and family were coffee guests in the Joel Stavlo home on Sunday.

Mr. and Mrs. R. Anderson and son of Guyton were dinner guests in the Robert Cordes home on Sunday.

"THE WAY I SEE IT"

by Pastor Robert Cordes

Guidance Needed

A party started to ascend Mt. Washington, when the motel proprietor urged them to take a guide. They said, "we are determined to find our own way to Tip-Top House." "But," the guide said, "I'll guide you for nothing." "No, we won't have you, even for nothing; we want to do something that will astonish our friends." "But it is very dangerous." "We are strong and will risk it."

Near the top a snowstorm swirled down upon them. "Oh, how I wish we had that guide now!" said one. Darkness came on, and they were lost in the deep swirling snow. Two ladies, who could not walk another step, sank down in the deep cold snow. In the morning the storm cleared away, and as the keepers of the house looked out, they saw, only a little way off, the half-buried party. They went to them at once, but it was too late to save one lady, who had frozen to death during that awful night; and all because she, with the rest, said, "We don't want the guide."

How many persons today in the Texas Panhandle are like those people. As they, or you, go on life's journey, they too are offered a "Guide" without any cost. The "Guide" would make our pathway so much easier to walk. But, too many shake their heads and merrily go on their way without accepting the Divine Guide. In so doing things of the world overtake the life—spiritual life—is snuffed out. Such persons never reach the blessed haven where "The Guide" Jesus Christ is patiently waiting to receive with open arms.

Jesus said to them, "I am the bread of Life; he who comes to me shall no thunger

and he who believes in Me shall never thirst. (John 6:35)

Have you accepted Jesus as your Spiritual guide, even your Savior? Why stumble in the snowstorms of life? Why do it yourself? "There is no other name given under heaven by which man may be saved."

Are you stubborn? Allowing other things to interfere? Come, says Christ, I am the Good Shepherd. I lead My sheep to green pastures.

HOW TO GET RICH SLOW

(but sure)

Every dollar you invest in Series E Savings Bonds grows 3 1/2% bigger in 7 years and nine months. You can count on it.

It's not as exciting as drilling a wildcat oil well, or diving for sunken gold. But it's mighty reliable. Especially when you use the Payroll Savings Plan to help you make sure you buy Bonds regularly.

This famous plan takes the back-sliding out of saving money by making it automatic. You just tell your employer you want him to set aside a small amount from your check each payday.

(\$4.33 a week will add up to twelve \$25 Bonds a year. But you can have more or less deducted as you choose.)

Then you forget all about it. Savings come easily and almost painlessly. You never see the small amount that's deducted so you hardly miss it.

There's a unique satisfaction to saving money this way, too. Every time you slip another Bond into your pocket, you know you're helping your country as well as yourself. Uncle Sam uses the money to help America resist the forces that threaten our freedoms.

Another thing about getting rich slow with U. S. Savings Bonds is that almost anybody can do it. So why not sign up for Payroll Savings before next payday?

HOME

in inner or outer space

by ALICE CARTER

Yellow traffic markings, says the Vision Conservation Institute of Philadelphia, are 35 to 50% more visible than white markings.

The nation's largest fleet of refuse collection trucks, operated by New York City's Department of Sanitation, are painted "golden yellow." According to a department official, yellow makes the 1,300 vehicles easier to see "and scrub."

The color yellow, it appears,

is having a day in the sun.

As a housewife — an average one, I'd like to think — I'm particularly interested in Gotham's collection trucks. Further, the whole problem of waste disposal in a city the

size of New York might interest women whose husbands are often too busy to take out the trash.

Imagine, if you will, the problems of a department catering to New York's eight million people.

Department officials claim they carry one million loads of trash a year, or over two and one-half million tons.

Commissioner Frank J. Lucia, a strict believer in the cleanliness-begins-at-home school of thought, introduced "golden yellow" trucks less than a year ago.

He took the step for practical reasons. Far easier to see and avoid than grey vehicles in winter months, the trucks also attract attention to New York City's never ending anti-litter campaigns. I'm not suggesting that you can make your husband more receptive to wrestling with refuse by painting the station wagon yellow. Certainly, that might be going too far.

However, perhaps a coat of yellow paint on the trash cans will accomplish the same thing. It's just a thought.

An Early Map Of The Panhandle. Note the towns in Hutchinson And Hersford Counties.

Why Our Phone Rings Offener For Farm Loan Service

There's no dilly-dallying when you call on us for farm service. We get right to work on your needs, and we close the loans locally. During our many years in business, we've made low-cost farm and ranch loans our specialty. Free appraisal service and liberal terms are included in our package service too... more reasons why our next phone call is likely to be for a farm loan.

LITTER IS A PROBLEM ON TEXAS HIGHWAYS

Litter is a constant problem in keeping our scenic highways from becoming "trashways". Furthermore, this housekeeping problem is getting more acute rather than improving. The Texas Highway Department spends more than \$1.5 million per year to clean up this monumental pile of junk. This is tax money collected from highway users which might be used better to build new highways, or to make our present highways safer. Psychiatrists report that the willful litterbug simply is "emotionally unable to associate himself with his surroundings." In other words, the willful litterbug probably lives in a home probably lives in a home environment which might be compared to a pigsty. On the other hand, surveys indicate that most litterbugs simply are careless and discard roadside debris thoughtlessly. There are two avenues to combat the two types of right away. There are two avenues to combat the two types of litterbugs. One is through rigid enforcement of anti-litter laws. The other is through education. In Central Texas a few days ago a motorist was fined \$25 for throwing a single beer can along a highway. Statutes provide for penalties ranging from \$10 to \$200 for throwing litter on the highway. The willful litterbug is usually hard to catch in the act. However, on many occasions enforcement officers have searched through discarded litter for names, addresses or other information which might link litter with the litterbug. The Department produced an anti-litter motion picture, "Motion to Burn," which was released for public showing for the first time last November. "Money to Burn" is available for television use or for showing to schools, service clubs, garden clubs and other organizations wishing to join in the litter campaign. It may be borrowed without cost, except for return postage, by writing the Travel and Information Division, Texas Highway Department, Austin. Beverage industry organizations also are distributing free anti-litter bumper stickers to call attention to the litter problem. The message urges: "Don't Be a Litterbug." Texas schools will promote a campaign in the spring. Outdoor advertising firms contributed posters and space to combat the problem in June and July. Some 900 posters were made available. It is hoped before long that the best-known emblem in Texas will be the Texas Highway Department's "Litter Critter," a cartoon character which appears on the official travel map and literature. The Litter Critter urges every Texan to: "Help Stomp Out Litter" Carry and use a litterbug in your car.

Mrs. Roy Walker was called to Tucumcari to be with her daughter who is to undergo surgery.

Free Hands of Gas It's a wise fisherman who carries a small jar of soap powder in his tackle box. The odor of gasoline on your hands will be transferred to the bait and will be offensive to any fish.

TIPS FOR OUTDOORSMEN

by Vern Sanford

Buy Red Bath Towels Deer hunters, why not ask your wife to buy some red bath towels? They are perfect for use in the woods as scarfs, seats and for rub downs. Furthermore, when tied around the horns of the buck you're lugging from the woods, they make good insurance against being shot. And of course the towels can be used in the home when you're not in the field.

Trapping the Ant A glass jar, or several of them, buried to the neck around the camp traps ants and keeps the ant population under control.

Plastic Tubes Hold Maps Those plastic tubes that new golf clubs come packaged in make perfect containers for nautical charts or topographical maps.

Spray Gun Starts Fire Here's a good tip for the camper. Take along an old hand pump fly sprayer filled with kerosene. Propitious squirts help start stubborn fires. Don't throw away your old minnow seine. It will make a good portable duck blind this fall. A few streaks of dark paint help camouflage it. Mr. and Mrs. Roland Spivey of Houston visited relatives in Gruver

Legion Auxiliary Monday Met

The American Legion Auxiliary met at the Memorial Building Monday, September 21 at 2:30 p.m. with Mrs. Elizabeth McClellan presiding.

Reports were given of the Legion Zone meeting at Booker and of the dinner served by the Auxiliary the previous day. Approximately 150 attended and the dinner netted \$206.25.

Thanks are extended to anyone who attended or helped with the dinner on Sunday.

Many plans were made which will be developed as the time passes. The Legion and Auxiliary will entertain the Zone meeting in November.

Those present were Mesdames Margie Barkley, Geanette Bort, Mickey Delano, Elizabeth McClellan, Agatha Rafferty, Lola Reynolds, Alice Walker, Nova Lee Walker, Jamie Wilmet and Pearl Cluck.

Meet The Faculty

by Sandra Riley
Mr. Jim Chockley is the Gruver High School general science and biology teacher. He was reared near Logan, Oklahoma. He attended his first twelve years of school at Laverne, Oklahoma. Mr. Chockley has attended Panhandle A. & M. College, West Texas State University. He has his B. S. Degree in animal husbandry and minors in science and agronomy. He has done work on his Master's Degree at Oklahoma State University. Mr. Chockley began his teaching career in the Gruver Jr. High School, where he has taught for two years. Mr. Chockley and his wife

Nell have three children: Charles, age six; Karen, age two and one-half; and Brenda, age one. Mr. Chockley has this to say about why science is important. He said "In this space age with its intense competition between nations, more emphasis must be placed upon scientific education. In Communist nations the most brilliant minds are placed in the field of science. Our science curriculum must be strong enough to attract and develop the superior scientists of the free world. Gruver High School now has some of the most modern and complete facilities in this area with which to edu-

Mr Chockley

Coach Chapman

Mrs. Chisum

cate our youth."

by Kathy Fletcher
Mr. Leon Obed (Corky) Chapman is the football coach of Gruver High School. He was reared in Borger, Texas, where he attended high school. After graduation, Mr. Chapman went to West Texas State University where he majored in P. E. and obtained his B. S. Degree. Mr. Chapman's first teaching experience was at Sudan where he taught one year. After leaving Sudan, he came to Gruver where he has done, and is continuing to do, a fine job as a coach and teacher. Mr. Chapman and his wife, Lou, have four children: Cindy, age 11; Nancy, age 9; Minda, age 7; and David, age 4.

by Sandra Riley
Mrs. Reta Chisum, the junior and senior English teacher and librarian was reared in Lubbock, Texas. She graduated from Lubbock

High and attended Texas Tech for two years. She also attended West Texas State University where she received her B. S. and Master's Degree. She has had ten years of teaching experience. Mrs. Chisum has spent all her married life in the Pringle community until she and her husband, Orveda, and three daughters, Debbie,

Junior High Officers Chosen

by Kathy Fletcher
Election of the Junior High School Officers was held Thursday, September 17. The officers for the 6th grade are: Danny Henson, president; Kurt Ething, Vice-president; Ginger Hart, secretary-treasurer. The 7th grade chose Mike Byrd as president, John Irwin as vice-president, and Cindy Wardlaw as secretary-treasurer. The officers for the 8th grade are: Chuck Clawson, president; Dean Bayless, vice-president, and Billye Wardlaw, secretary-treasurer. The Junior High School students feel that these students are capable leaders and will direct them through a successful year.

Janice, and Teresa, moved to Gruver last November. Mrs. Chisum has taught the last eight years in Pringle. Her comment toward teaching was "Teaching is so rewarding—so much self satisfaction, if we feel we help even one child or influence some child to do his best."

F.T.A. BEGINS TEACHING

by Jane Joy
The senior members of F.T.A. have begun one of their projects for the year. Each senior member who wishes to participate is assigned to a teacher in grade school or junior high school. These students work for an hour each day to assist the teacher in any way the teacher chooses. The aid gives a teacher the chance to work with special problem cases, as well as a chance to catch his breath in a busy day. The student aids find this project a delightful experience, often leading them to a teaching career later on.

The students involved in this project this year are: Alford Blount, Marian Jeffries, and Arlene Barkley, who help with the jr. high band; Judy Hold, who helps in the first grade; Judy Hill, Mary Cluck, and Jane Hoy, who help with the third grade; Elaine Kelly, who helps with the fourth grade; Jim Lamb, who helps with the Mart Hart, who helps with the fifth grade; and Kathy Fletcher and Glenda Hoel, who help with the sixth grade band.

This project is a very enjoyable one for the students, but enjoyment isn't the goal in this project. The students hope that in some way they may help the teachers, and, through this project they may become better acquainted with the teaching profession as they consider it for their life's work.

Lord, who am I to teach the way
To little children day by day,
So prone myself to go astray?
I teach them knowledge,
but I know
How faint they flicker and
how low
The candles of my know-

JUNIOR HIGH PLAYS STINNETT

by Jim Lamb and Alford Blount

Thursday night the Gruver Jr. High teams battled Stinnett. In the opening game the 7th grade held Stinnett's 7th grade scoreless in a completely defensive game. Neither team was able to break through the tough defense of the other.

The 7th grade team shows great promise and will continue to give their best in all their games.

In the second game the

eighth grade opened their season with a 38-0 victory

over the Stinnett 8th grade. The outstanding player for the 8th grade was Chuck Clawson who piled up 18 points in touchdowns and 4 points in extra points.

The team started the game off with a touchdown but it was called back because of a clipping penalty. Later in the quarter Chuck started piling up the points with a touchdown and Dean Bayless added the two extra points. This ended the first quarter with the score 8-0 in Gruver's favor.

In the opening minutes of the second quarter, Gruver capitalized on a Stinnett fumble and sent Jay Knapp through for a touchdown. Dean Bayless again came through with the extra points.

After an exchange of balls Chuck Clawson Added another touchdown and the extra points to put Gruver in the lead with a score of 14-0. The half ended with this score.

The third quarter passed with no action from either team.

Chuck started the fourth quarter off with another touchdown and followed up with the extra points. This put Stinnett in a difficult situation with the score 32-0 against them and they started to move and went to the Gruver two yard line. Gruver's tough defense stopped them and the offense marched the ball back down the field and Dean Bayless went across for the last six points of the game. This gave Gruver a 38-0 victory as the game ended.

The 7th & 8th grade teams have started off in a very fine manner and will continue to do their best in every game they play. All the people should be at all their games and back them 100% of the time and they will continue to have a winning team all year.

Chuck Clawson

SCHOOL MENU

Monday, September 28
Beef Pie, Buttered Rice, Green Peas, Fruit Cup, Hot Rolls, 1/2 Pt. milk, Butter.

Tuesday, September 29
Brown Beans with Ham, Spinach, Carrot Sticks, Peach Pie, Cornbread and White Bread, 1/2 Pt. milk, Butter.

Wednesday, September 30
Fried Chicken and Gravy, Mashed Potatoes, Tossed

Salad, Unbaked Cookies, Hot Rols, 1/2 Pt. milk, Butter.

Thursday, October 1
Peanut Butter Sandwiches, Beef Vegetable Soup, Apricots, Ice Cream, 1/2 Pt. milk, Butter.

Friday, October 2
Barbecued weiners, Cheese Sticks, Buttered Potatoes, Green Beans, Cake, Hot Rolls, 1/2 Pt. milks Butter.

The Poet's Corner

THE TEACHER

This poem by Leslie P. Hill is a reminder to those that are working in the student aid program; Children they watch everything they do and follow examples set before them. Can we, as student teachers afford to do less than our best?

Lord, who am I to teach the way
To little children day by day,
So prone myself to go astray?
I teach them knowledge,
but I know
How faint they flicker and
how low
The candles of my know-

ledge glow.
I teach them power to will and do,
But only now to learn anew
My own great weakness thru and thru.
I teach them love for all mankind
And all God's creatures, but I find
My love comes lagging far behind.
Lord, if their guide I still must be
Oh, let the little children see
The teacher leaning hard on Thee.

POWDER PUFF FOOTBALL GAME CLOSE AT HAND

by Marian Jeffries
There are only five days left until the exciting Powder Puff football game between the Cuddly Cuties and the Dimpled Darlings. The teams will be coached by coaches "Corky" Chapman and Wayne Tipton. Much strategy will be used by both teams since they are bitter enemies. Sept. 29 is the night for these dainty, defenseless, demure young ladies to forget that they are girls and prove to the world that they can take care of themselves. The officers of the F.F.A. will be able to show their hidden talents as cheerleaders during this magnificent exhibition of

abilities of these two ferocious teams.
The kick-off will be at 8:00, September 29th, in the Greyhound Stadium, at which time the two teams will be ready to fight the battle of the century. During the half-time the two teams will give a special performance for everyone's enjoyment. Judy Holt, FHA president, will crown the FHA Beau. The Alumni King will also be crowned at this time. The admission for the game will be \$1.00 for adults, 50¢ for students, and no charge for pre-school children. The Future Homemakers will have charge of the concession stand where

pizza, sandwiches, popcorn balls, cokes, candy and many other goodies will be sold. All proceeds of the game will go toward buying something special for the new home economics department. Don't forget that the game will be at 8:00, Sept. 29th in the Greyhound Stadium. It promises to be the most thrilling, exciting, roughest, toughest event of the season. See ya there!!!

STUDENT COUNCIL MET TUESDAY

by Maelynn Cator
The Student Council met August 15th with Mr. Willoughby as advisor. The purpose of this meeting was to choose a committee to count the votes in the election of the Student Council. Mary Lou Cluck, Glenda Hoel, and Mack Hoel were elected to serve on this committee. Officers for the 1964-65 school year are: Jerry Gurfory, president; Wayne Leatherman, vice-president; and Sue Fulfer, secretary-treasurer. These officers will have the privilege of attending the State Convention at Midland, Texas during this school year. Members of the student Council are: seniors, Jerry Gurfory and Wayne Leatherman; juniors, Sue Fulfer and

by Elaine Kelly and Jane Hoy
This year many of the high school students felt that there was a need for something to "start the day off right." Because of this need a group of high school students met September 15th in the study hall, where it was decided to continue the devotionals which have been customary for the past few years.

No sponsor is in charge of this program, since the students felt this need for inspiration themselves, and no denomination division is made in any respect. All All devotionals, which are held at 8:10 on Tuesday and Thursday mornings, are given on a voluntary basis. They consist of hymns, special music, and a few inspirational thoughts.

The following students and their responsibilities on the devotional committee are as follows: song leader, Arlene Barkley; pianist,

Thought for the Week

"A man should never be ashamed to own he has been in the wrong, which is but saying in other words that he is wiser today than he was yesterday".

by Alexander Pope

O. E. Gammil; sophomores, Van Etling and Gene Leatherman; and freshmen, Maelynn Cator and Frank Silva.

Mary Etling; special music and publicity, Jane Hoy; and Judy Holt; and devotions and publicity, Kathy Fletcher and Elaine Kelly. The devotional committee would like to extend an invitation to all the faculty and student body to attend these few moments of devotion to God.

Protect Dog's Tail

Hunting dogs working in thick cover are subject to injury. One such injury is the tendency of the tip of the dog's tail to cut and tear.

Here's a simple solution to the problem. Cut the finger off an old pair of leather gloves and slip it over the tip of the dog's tail. Fasten with tape.

Easy Fish Sealing

To snugly hold a fish while you're sealing it, lay it on a cleaning board and stick an ice pick through its tail.

Hunting Insurance

Some hunters take no chance of messing up a shot.

They cut off the breast pocket on the shooting side of their hunting jacket. This, so they won't catch the butt of the gun on the flap or mouth of the pocket and goof a perfectly good chance at a trophy head.

Fishing Apron

A carpenter's nail apron can help you "nail" lots of fish by keeping your equipment for stream fishing within easy reach.

Lacing Made Easier

Rawhide boot laces can be made to lace more easily if you char the ends.

Clean Trophies With Cornmeal Mounted game trophies may be cleaned by many methods. A good and inexpensive way is to take a handful of corn meal and rub it thoroughly in the fur. Wait a few minutes and then brush gently or comb. Makes that old trophy shine.

Auxiliary Dinner Netted \$206.

The American Legion Auxiliary served their monthly dinner in the Memorial Building Sunday September 20th. A delicious dinner of smothered chicken with all the trimmings was enjoyed by over 100 guests. The dinner netted \$206.00 and the sum will go toward payment for the redecoration of the basement of the Memorial building.

A special thank you is extended to everyone who made the day successful for the Auxiliary women.

Mr. and Mrs. Ronnie Riley and daughter of Hereford visited in Gruver for the weekend. Ronnie attended a school while Donna Sue remained in Gruver to visit.

SELFISHNESS

by Marian Jeffries
Selfishness is a word that everyone has heard, but does everyone really know what it means? Webster's Dictionary gives its meaning as: "The quality of being selfish; devotion to one's own interests with carelessness of others." This definition is very thorough in explaining the word - selfishness, but is that all there is to it! Selfishness is a trait which can wreck a person's life without giving any warning. It can cause people to think of no one, but themselves; therefore, selfish people miss the joy of helping others. Selfishness causes kind men to turn into greedy animals, who do not care whom they hurt. It causes sweet, demure women to turn into money-loving, husband-catching monsters, who never find real happiness. Selfish people are not ever able to enjoy the best things in life, because they

are never satisfied. They are always striving to make themselves more important or to make more money to hoard. A selfish person can never truly be happy. Since he loves himself so much, he can never project the love an unselfish person can. Without giving this love his life can never be quite complete, but a selfish person is so wound up in his own problems, he never realizes that part of his life is missing. Why are people selfish? What causes selfishness? Is there a solution for this unpleasant trait? These questions would have to be answered by an expert, but this thought might have some bearing on the question: Without an unselfish heart and a willingness to give more than to take, a human being cannot satisfy his hunger for love and his personal need for helping and giving to others.

HANSFORD COUNTY PARTS & SUPPLY

FI 7-2340 Gruver, Texas

Among the Morse graduates that are making good success in college is Wayne Board, son of the Lex Boards, who is enrolled as Senior at WTSC in Canyon. Wayne will be editor of the Prairie, which is the College Paper that is published twice a week. He has worked the past summer for the Amarillo paper as a reporter and will continue to work part time during his school year.

CANCER MEMORIAL FUND INAUGURATED

In response to numerous requests from families and individuals, the American Cancer Society has inaugurated a memorial fund to which families and friends of cancer victims may contribute, according to Freeman Barkley, Memorial, Chairman of the Hansford County Unit.

"The memorial fund has been established because so many families and individuals have sought a way to commemorate a loved one who has died of cancer," said Freeman.

Contributions made in memory of a friend or a member of the family are acknowledged by the American Cancer Society, and a memorial card is sent to the family stating that a memorial has been received and giving the name of the donor. These contributions may be

in any amount.

Memorial funds are used to support the Society's three-fold attack on cancer through research, education and service.

Although the major source of funds for this program comes from the Society's annual April Crusade, memorial funds received throughout the year are becoming of increasing importance to the society as more families and individuals become aware that they can contribute in the name of a loved one to the ultimate victory over this dread disease. "The American Cancer Society is deeply grateful to individuals and families throughout the county who are using this practical means of assisting the society to carry on the fight against cancer.

Memorial funds should be sent to the American Cancer Society, Hansford County Unit, First State Bank, Spearman, Texas.

CWF MET THURSDAY

The Christian Women's Fellowship met last Thursday in the "Beck Fellowship Hall" with seventeen present.

The meeting was called to order by the President, Mrs. R.L. Thom. A CWF Prayer was given by the collectively, followed by business. A brief report was given of the trip to Hereford

Migrant Camp.

The devotion was taken from Mathews 22:37-40.

Ruth Crawford gave a book review, "Take These Hands" by Dorothy Clark Wilson. It was a heart warming story of a beautiful character. Ruth did a beautiful job in making everyone live with the characters in the story.

Mrs. R.Y. Jones was hostess and had a lovely cake of Autumn colors decorated with yellow and bronze "Mums", served

with coffee to the following; Nellabeth Alexander, and Her guest June Vincent of Stratford, Elizabeth McClellan, Beula Jones, Ruth Crawford, Agnes Armstrong, Alene Arnold, Ella Hahn, Rosalie Cator, Bernice Goodrich, Pat Harris, Brenda Holt, Kay Holland, Leone Jones, Trudy Roper, Totsie Clayton, and Ann Thom.

Mr. and Mrs. Si Dozier and Mr. and Mrs. Tom Dozier visited relatives in Gainville over the weekend.

Mr. and Mrs. A.R. Henderson visited in Wichita Falls Texas in the home of their daughter and family, Mr. and Mrs. Ray Lunn over the weekend.

Mrs. I.W. Ayres Mrs. Alfred Henderson and Mrs. Pauline Winger were in Borger shopping on Tuesday of last week.

Sunday guests in the home of Mrs. Pauline Winger for dinner were the Skeeze Riley family, The Monte Harbour family and Mr. and Mrs. Leon Hobbs.

HOMEMAKING NOTES

by Linda Webb, H.D. Agent

Your household equipment and furnishings represent a major investment to you, so to protect your investment you need to give it care and protection it deserves.

Today I have some hints for you in caring for these investments.

Appliances, such as electric blenders, mixers, toasters, roasters, and even washing machines, should be protected with plastic covers tailored for the individual piece.

Wash equipment after each use, and keep it clean until it's needed again.

Most homes don't have sufficient cupboard space for everything, so washable dust covers are good insurance for longer equipment life.

As for your furniture, did you know that too much wax, oil and polish can actually dim the beauty of wood finishes? Furniture manufacturers point this out themselves.

The best cleaning care is to wash furniture with suds and water. Wash it once or twice with a cloth wrung out of warm soap or detergent suds; then wipe all surfaces with a clean damp cloth and rub dry.

All wood pieces—modern or antique—thrive on this basic cleaning, as the suds remove various types of soil which are not affected by simply applying another coat of oil, polish or wax.

When all surfaces are thoroughly clean, use any type of finishing touch.

Pollishes or waxes applied too often tend to build up a film which reduces the beauty of the original finish. Authorities recommend that most furniture be waxed only once or twice a year.

cup 2/3 full. Bake in preheated hot oven 400 degree 18 or 20 minutes.

Glaze

Combine 1 tablespoon soft

butter, 1 tablespoon maple syrup and 1/4 c. sifted confectioners sugar. Beat thoroughly. Drizzle over hot muffins.

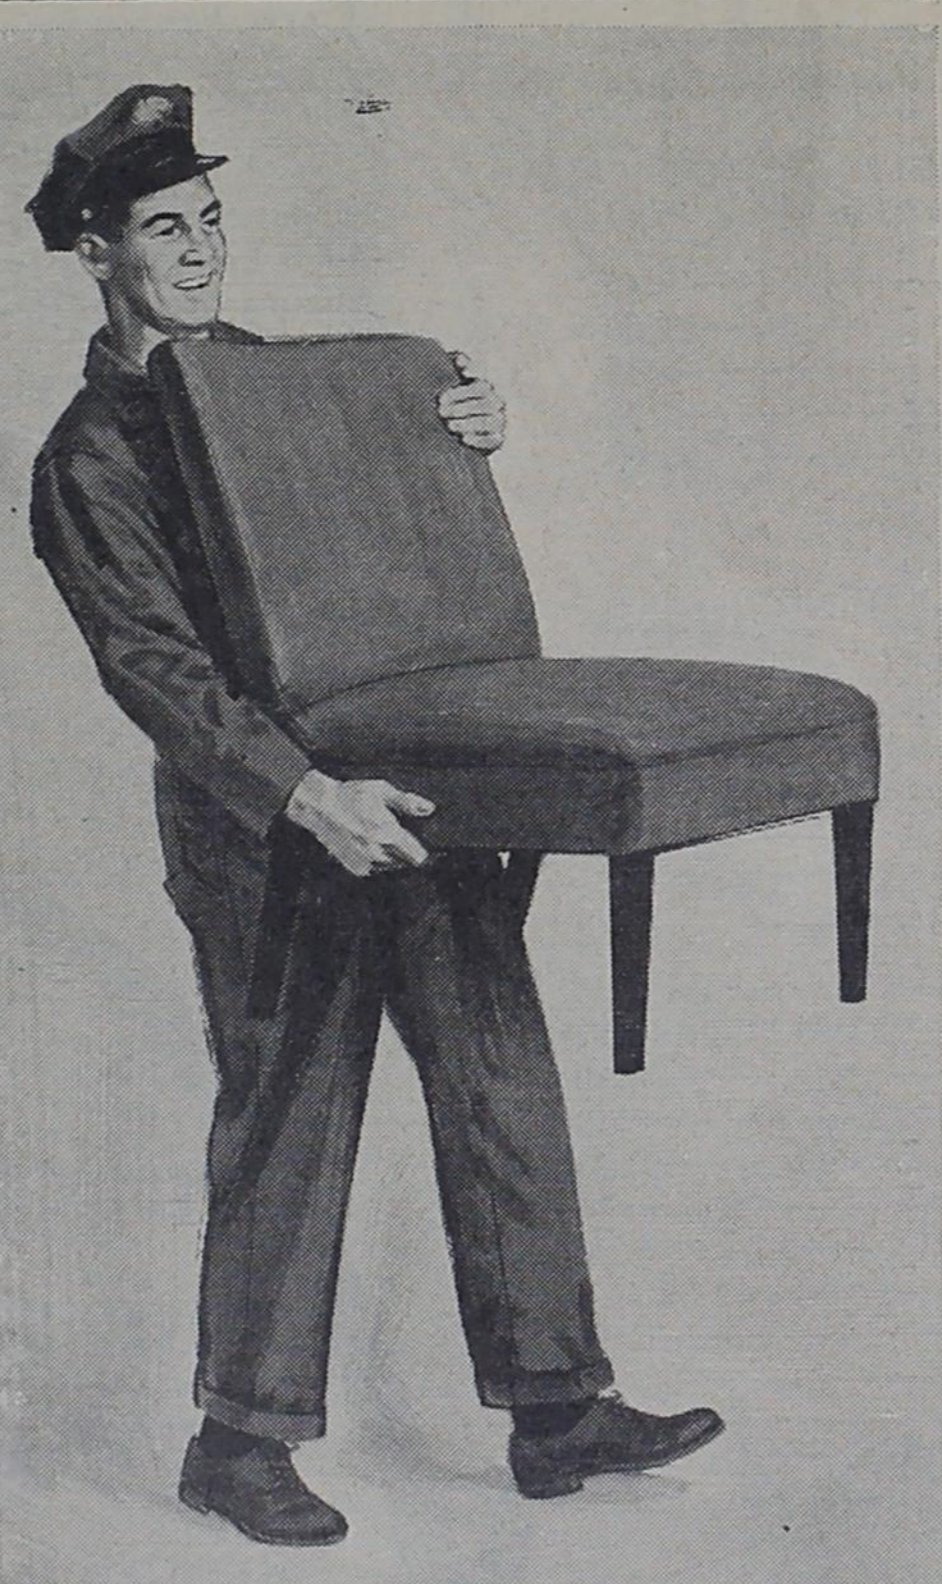

Plemons Lodge Honors Ladies

The Plemons Lodge of Stinnett was host to the 102 Masonic District Ladies Night honoring the most worshipful Grand Master, John R. Collard Jr. and his lady. Approximately 200 enjoyed the delicious banquet served at the High School cafeteria in Stinnett.

Judge Guy Hazlett of Adobe Walls Lodge in Borger was master of cere-

monies and introduced the Grand Officers present. Elmo McClellan District Deputy Grand Master of the 102nd Masonic District introduced the Grand Master who gave a very interesting and inspirational talk.

Those attending from Gruver were Mr. and Mrs. Merle Delano, D. W. Miller, E. M. McClellan, R. L. Thom, and E. W. (Buck) Maupin.

MOVING? THINK OF personal extension phones

GOES FROM MORSE

Mr. and Mrs. Desmond Kelly and Mrs. Annie Clifton visited in Amarillo Sunday afternoon with Mrs. Roberta Kelly, Mother of Desmond Kelly, who is in St. Anthony's hospital recovering from a cataract eye operation. They also visited Mrs. Roy Jeffroy, mother of Mrs. Roy Roper who is recovering from a stroke

Mrs. J.R. Morris of northwest of Morse was in Amarillo last week in St. Anthony's hospital with her mother, where she is under going some tests.

Mr. and Mrs. Mex Robinson of Pringle were in Amarillo last week at the bedside of their daughter, Denzilea Qwen, who is in St. Anthony's hospital recovering from an operation.

ART CLASS ORGANIZED

Mrs. Brown of Dumas, teacher in the Morse School has started an art class to each each Monday night at the school. She will have ten lessons on sponge painting and the uses of many other tools in oil painting.

Mrs. Brown taught in the Perryton schools last year. Cost of the series of lessons will be twenty dollars.

4-WEEK

4-H Week will be observed from September 25 through October 3 throughout the nation. The Morse Club will hold a Community Youth Night on Sunday September 27 at 7:30 in the school auditorium. Rev. Harold Fleming will give the message and the 4-H members will all participate in the worship service.

Also, on the following Monday and Tuesday nights the Methodist Church is sponsoring Youth Services at their church at 7:30 with Kenneth Wyatt of Paducah giving the messages. This is for the youth only.

LIONS

The Lions Club reports that they are the first club in the area or district to have 100% participation in the eye bank project.

COLLEGE STUDENTS

Frank Pittman has returned to Goodwell for his junior year. Jack Giblin is returning for his third year and his wife, Carolyn has enrolled in her first year.

Dr. and Mrs. Lowman Gober

DR. AND MRS. LOWMAN GOBER HONORED

Dr. and Mrs. Lowman Gober were in attendance at a Reception given in their honor Sunday September 20th from 3:00 to 5:00 p.m. The Baptist Fellowship Hall was the scene of the occasion. The reception was hosted by the Gruver community.

Saturday the couple moved into their new home on Broadway, next to the clinic, and the affair Sunday was to welcome them to Gruver.

Mrs. Bob Cluck received the guests and attended the guest register for the afternoon. The register table

was laid in white and a white pom pom money tree adorned the center. One hundred and fifteen guests registered during the afternoon.

Refreshments of cookies and punch were served from a table laid with a white linen cloth edged with ecru lace. A crystal punch bowl held the yellow punch while a silver coffee service adorned the opposite end of the table. A white china vase held a bouquet of variegated roses. The flowers were from the yards of the Gruver residents. Presiding at the refreshment table were Mes-

dames, Buddy Messer, Bobby Crawford, Cease Cluck, Weldon McGuffin, Paul Gumfory, Turner Hoy, I.W. Ayres Jr. and Buddy Lowe.

Mr. and Mrs. Delbert Weaverling of Bakersfield, California visited in the home of Mr. and Mrs. D.L. McClellan and Mr. and Mrs. Pete Bayless over the weekend. The Weaverlings were cousins of the McClellans and Bayless'.

Mrs. J.R. Morris spent one day last week in Amarillo with her mother who is in the hospital.

Mr. and Mrs. Gene Barnes of Shattuck, Oklahoma visited in the home of Mrs. Alma Gruver on Sunday.

Mr. John Barnes of California stopped by the Val Wingers looking for his brother, Gene Barnes.

PRISON RODEO SLATED FOR HUNTSVILLE

October is Texas Prison Rodeo Month, and each Sunday of the month will find thousands of Texans converging on Huntsville to witness one of the most colorful and roughest rodeos of its kind in the world.

The main attraction in each show will be tough inmate cowboys attempting to tame tougher prison produced broncs and bulls in a host of events not usually found in other rodeos.

Each performance is opened with a Prison Rodeo "Special" known as the Mad Scramble. Ten chute gates swing wide simultaneously, and 15,000 pounds of humped hatred in the form of vicious Brahman bulls - catapult into the arena, a man clinging desperately to each heaving back. This is rodeo behind the walls, rodeo as wild and savage, yet fantastically funny, as any in the nation.

Additional events include the calf tussle! 40

calves and 80 men loose in the arena at the same time. In two-man teams, the cowboys will try to wrestle their calf (if you can call a 400-lb. critter a calf) across the finish line for top money. Another prison rodeo special called "hard money" features one enraged Brahman bull with \$50 tied to his horns by means of a nylon string. The object of the game is very simple: Just walk up and remove the sack from the bull's horns!

For added attractions and specialty acts, Rodeo officials have booked some of the greatest names traveling the professional rodeo circuit today. These include trick riders Ted Betty Lamb, Maureen Moon and Connie Griffith, whose fabulous acts have been hailed by rodeo producers everywhere as "the greatest in rodeo of this age," such famous clowns and trick riders as Billy Keen and Bill Garsee who have appeared at every major rodeo in the Southwest

the past several years, plus widely known mounted Quadrilles from throughout the state.

The highlight attraction will be the personal appearance of the Duke of Paducah, Sunday, Oct. 4 & 11, at 2 p.m. Guest stars on succeeding Sundays include the ever popular musical comedy of the Harmonica Rascals on Oct. 18 and 25, and country singing personality Jimmy Dean on Oct. 25. Pre-Rodeo and between events entertainment will be furnished by talented inmate groups such as the Western Stringers, the Jail House Beatles the Jug Band, the Hungry Three, the Barber Shop Quartet, the Military Band, and the popular Goree Gals, from the women's unit of the TDC.

Net proceeds of the rodeo go into the educational and recreational fund of the Department. The fund supports such inmate activities as education, vocational training, recreation, spiritual guidance and spe-

Baptist News

September 27 is a very important day in the life of the people at First Baptist Church. One might say it is the day of beginnings. It is the beginning of a new church year. Promotion day will be observed during the Sunday School hour as everyone gets ready for the new classes, pupils and teachers of the new year. Everyone nine years and older will assemble in the church auditorium at

9:45 while the younger boys and girls go to their regular departments.

As well as beginning a new year for the Sunday School, Sunday will also be the first day of the revival meeting. The pastor will do the preaching and Dale Harris will lead the singing for the week revival. The morning services during the week will be at 10:00 and the evening services will begin at 7:00 each evening. The choir rehearsal will be each evening at 7:00. The nursery will be open all services.

The youth of First Baptist are looking forward to the fellowship after the game Friday night. Two of Gruver's most talented young men, Leslie Barkley and Bruce Ayers, will be on hand to furnish entertainment. As usual, there will be all the cold drinks and sandwiches one could want. Everyone in the Gruver High

Mr. and Mrs. Billie Whitfield of Sunny visited Sunday in the Alvin Cator home.

Josie Hays went to Amarillo for a checkup with her doctor. She was accompanied by Mr. and Mrs. D.B. Hawpe. Reports on Mrs. Hays condition were good. Mr. and Mrs. Ernest Lieb of the Lieb Community near Morse visited in the home of their son and family, Mr. and Mrs. Chesta Lieb.

School is invited to attend. Tuesday was traveling day for Gruver Baptist. The ladies of the WMU left early Tuesday for a day-long workshop in Amarillo. The Sunday School workers traveled to Perryton for an evening meeting. The pastor reported good attendance both places and hoped needed information was gained to lead the Baptist of Big G to a victorious year.

Buddy Messer is attending Supervisor School of Southwestern Public Service Company in Amarillo this week.

Edna Marie Williams, Mrs. Geanette Brillhart, Dona Deede, and Dixie visited in Dawn with Mrs. William's sister over the weekend.

tomorrow! the beautiful shapes for '65

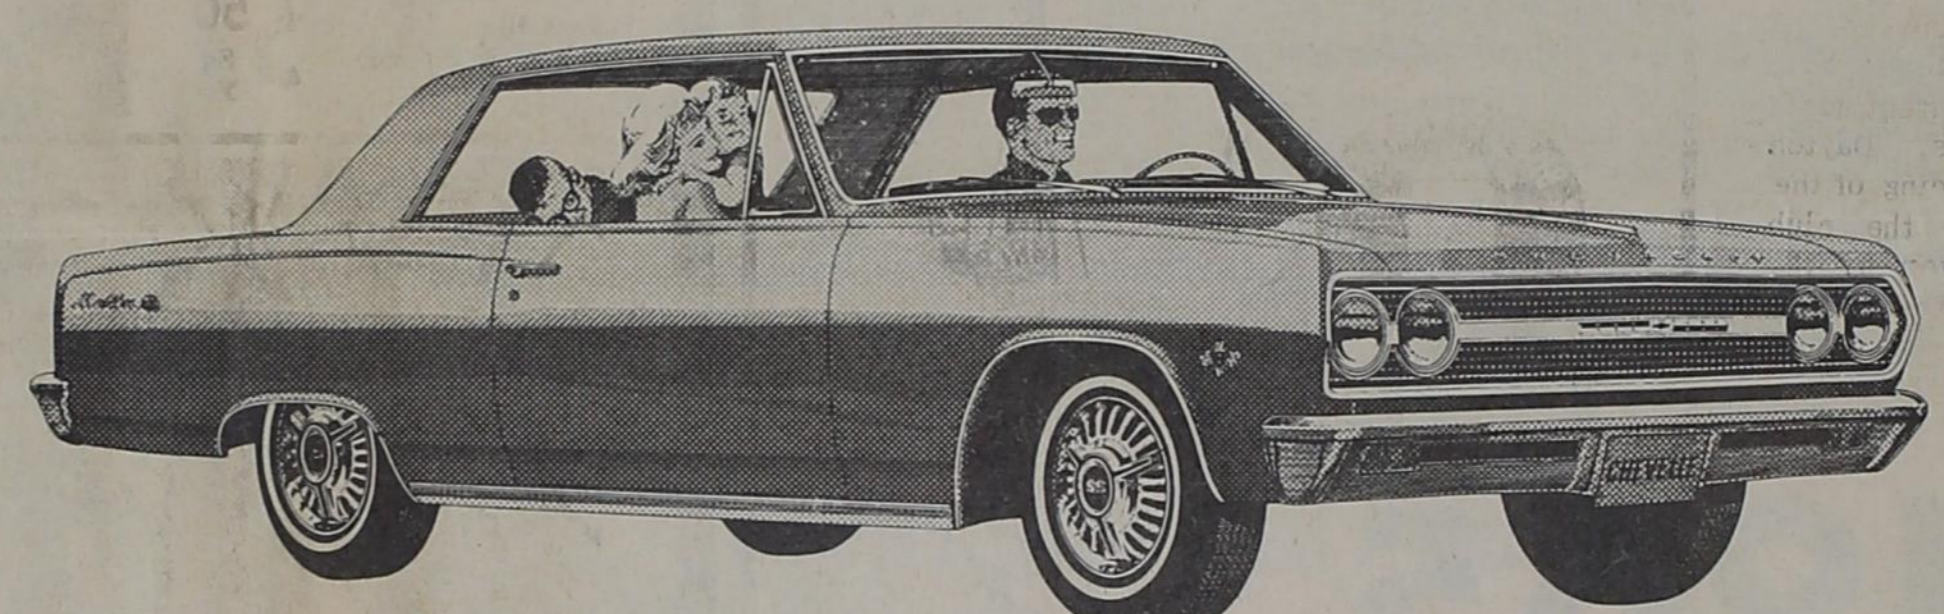

'65 Chevrolet Impala Sport Sedan

Chevrolet Impala '65

It's longer, lower, wider—with comforts that'll have many an expensive car wondering why it didn't think of them first. More shoulder room, more leg room up front. Curved side windows, an

instrument panel that's a conversation piece. In fact, just about everything's new right down to the road. And even that'll seem never because the Jet-smooth ride is smoother than ever.

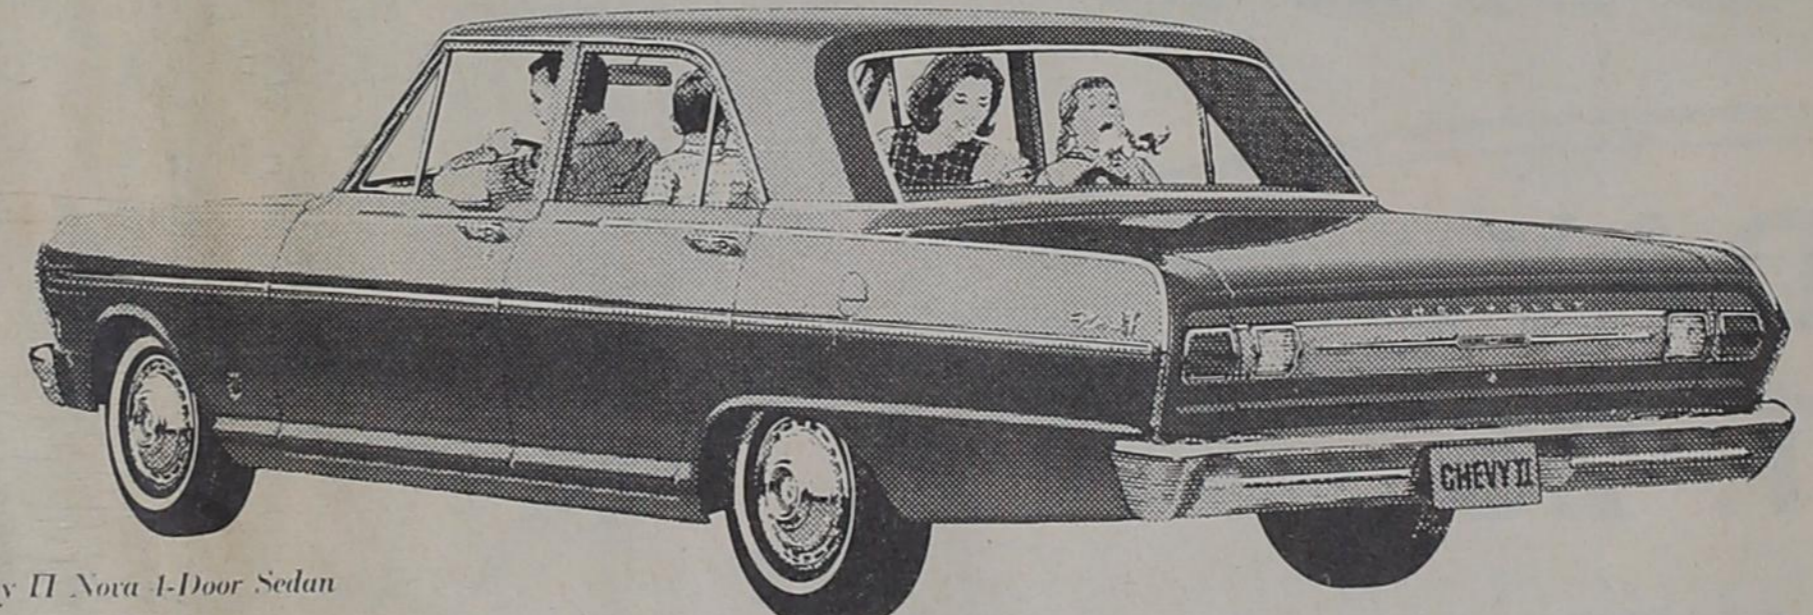

'65 Chevelle Malibu Super Sport Coupe

Chevelle Malibu '65

Here's all that made Chevelle America's most popular new-sized car—plus some new surprises. Like those cleaner, bolder lines. Like the silky way its new ride skims over the choppiest roads. Like

V8 power that'll make you think we stole some of Corvette's stuff—which we did. All told, five engines are available from a quieter six to a V8 that comes on 300 horses strong.

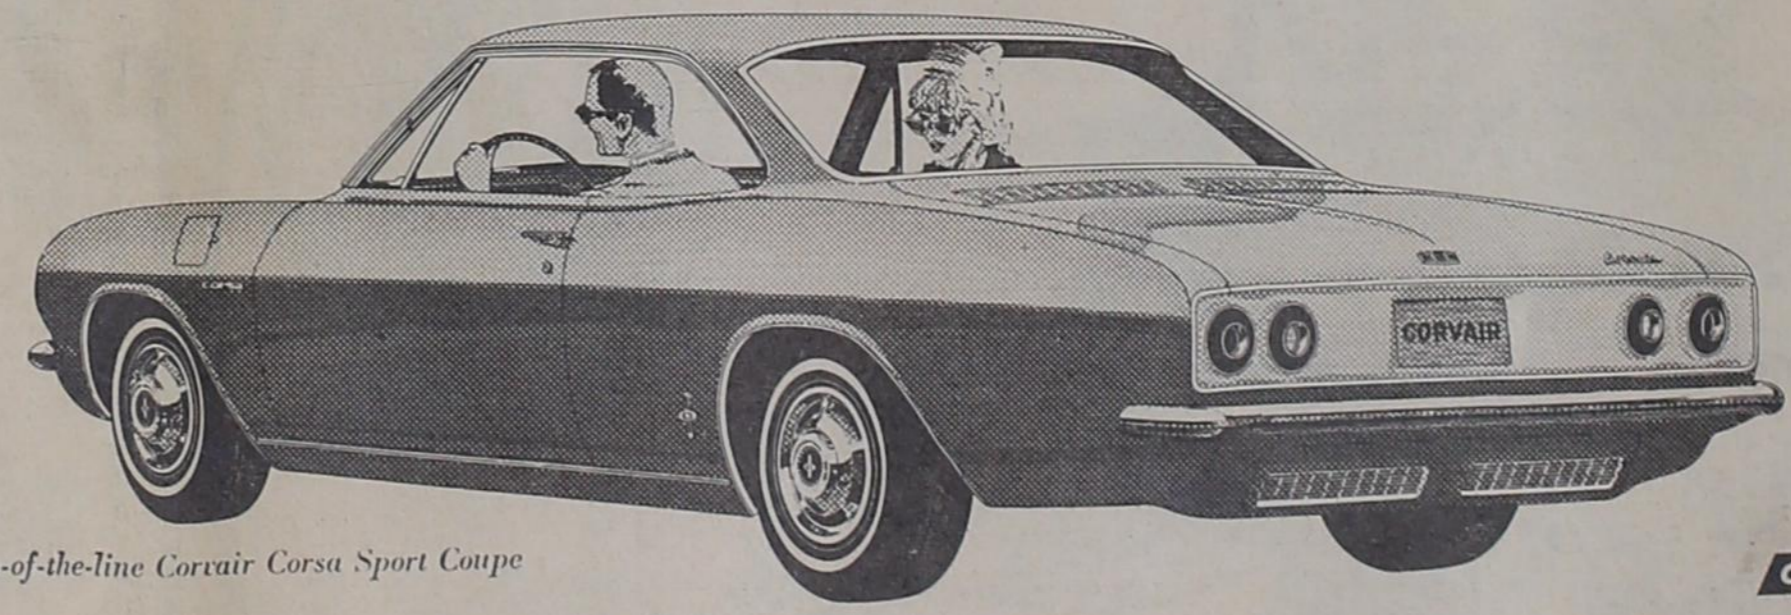

'65 Chevy II Nova 4-Door Sedan

Chevy II Nova '65

It may be the expensive-est looking thrift car you've laid eyes on. But thrifty it is. The big difference being that Chevy II's marvelous mechanical efficiency now wears a debonair new look. And

offers a new range of engines, including a new 300-hp V8. You could get the idea that saving you money was the last thing we had in mind—if it weren't for that price sticker on the window.

New top-of-the-line Corvair Corsa Sport Coupe

Corvair Corsa '65

How's this for sport with an international flair! The longer, wider design gives all closed models a hardtop roof, along with more shoulder and entrance room. And to go with the racier look,

there's up to 180 hp available in the new Corsa series, up to 140 hp in the Monza and 500 series. Also a flatter riding independent suspension, more responsive steering and a wider road stance.

RE-ASSEMBLY DINNER HELD RECENTLY

The Gruver Music Club, a member of the State and National Federations of Music Clubs met at the Sands Restaurant in Borger on September 8th for their Re-Assembly Dinner.

Mr. R. L. Kirk Jr. presented the invocation followed by greeting by the President, Phyllis Mathis who opened the meeting. A special part of the program was the presentation of the Past Presidential Award which was presented by Mrs. Sam Cluck to Mrs. Kenneth Irwin. The award was a gold studded pin.

First Movement from Gregg's Piano Concerto, was presented by Miss Karen Wright as a piano solo.

Following the dinner Mrs. Claud Watkins showed interesting films which she had taken in the New England States. New England Foliage was the topic of the films which Mrs. Watkins narrated as they were shown.

The meeting closed with the benediction given by Mrs. Bob Lamson. The Gruver Music Club had as their special guests the members of the Gruver Harmony Club.

The Hospitality committee responsible for the dinner were Mrs. Don Hart, Mrs. T. J. Bergin, Mrs. William R. Murrell, Mrs. Arnold Bayless, and Mrs. James Sander.

NOTICE

Tickets for the Friday night home football games may be purchased before the game, Monday through Friday at Nancys or at the Gruver Drug. The price for the tickets will be the same as if purchased at the game Friday night.

The reason for selling the tickets early is to speed the gate entrance.

If you have a ticket Friday night you may enter through any gate otherwise the tickets may be purchased at the east and west gates.

Mrs. Coy Holt and Elizabeth visited in Duke, Oklahoma over the weekend with Mrs. Holt's sister.

Mr. and Mrs. Pete Bayless hosted as Sunday Dinner guests Mr. and Mrs. Arnold Bayless and family, the Theodore Bayless family. The dinner honored Arnold and Ailene's birthdays.

Mr. and Mrs. Albert Hahn and Tommy visited

in Sunray with Mozelle Hill on Sunday.

Mr. and Mrs. E.M. McClellan went to Borger Sunday afternoon to attend a Tea honoring Robbie Yates, Grand Examiner of the Grand Chapter Order of Eastern Star of Texas.

Mr. and Mrs. Chester Heath visited Sunday in Dalhart with Mrs. Heath's parents, Mr. and Mrs. S.V. Ayres.

Mrs. Margie Barkley spent several days last week with her children in Dalhart, the Olen Chambers family.

Mr. and Mrs. Roy Roper Jan, Ricky and Rhonda spent Sunday in Amarillo visiting Mrs. Roy Jeoffroy who is in St. Anthony's hospital.

Mr. and Mrs. Jim Smith of Abilene visited in the home of Mrs. Smith's mother and sister, Mrs. Jim Cator and Maelynn over the weekend.

Mr. and Mrs. Clark Winkler spent Friday night in Amarillo with relatives visiting.

Mrs. Perry Hawkins visited in the Don Lamar home in Pampa on Monday. Don is Mrs. Hawkin's son.

Mr. and Mrs. Theo Mayo and daughters of Skellytown spent the weekend with Mr. and Mrs. Alvin Cator. Frank Pittman and Chet were also home from School in Goodwell and

MUSIC CLUB MEETS TUESDAY

The Gruver Music Club, a member of the National and State Federations of Music Clubs met Tuesday, September 22nd at 2:00 p.m. in the Gruver Methodist Church.

The club colbct was repeated by the club members. Regular order of business was conducted by club president Phyllis Mathis.

The club listened to a Good Note, "A Current Music Event" by Mrs. Dayton Barkley. The reading of the constitution and the club by-laws was given by the club secretary, Mrs. Clifford Stedje.

Mrs. Andy Burleson presented "Opera and Music Drama" from the book "What's to Listen for in Music". Mrs. Ken Irwin presented a vocal solo accompanied by Mrs. Del Cluck at the piano. Mrs. Irwin's solo was "Voiche sapete" by Mozart. The hymn of the month was led by Mrs. Ralph Mathis, and was followed by the meditation by Mrs. Del Cluck.

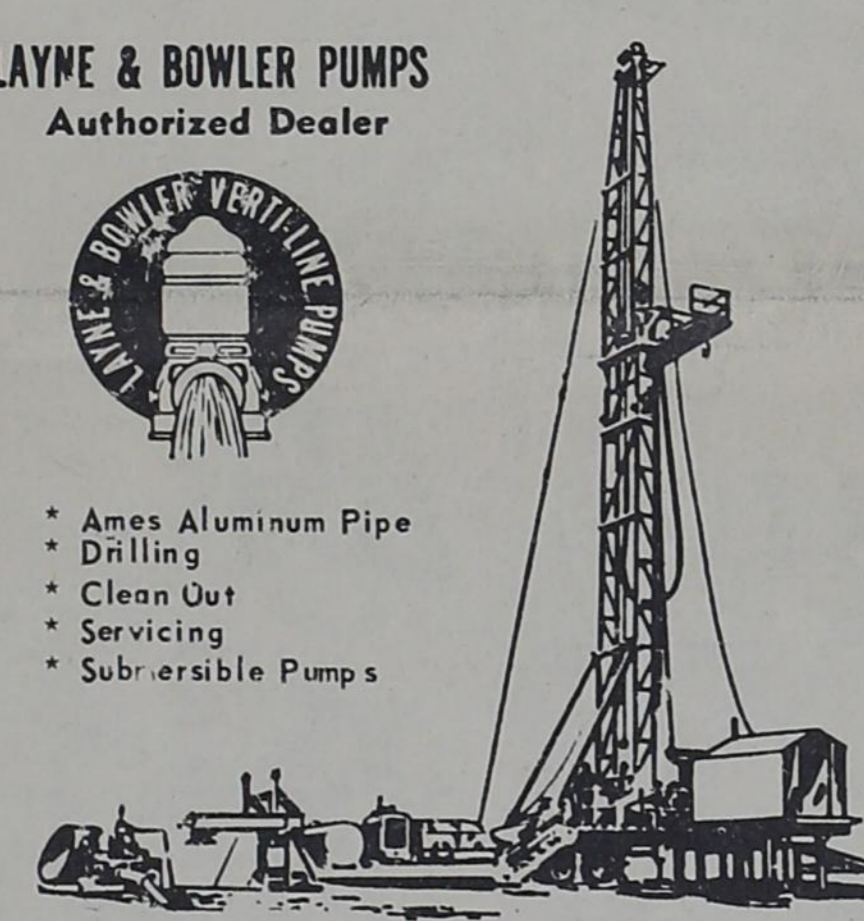

Twenty one members were present. The group adjourned to the fellowship hall for refreshments hosted by Mrs. Clifford Stedje, Mrs. Bill Johnson, and Mrs. Robert Johnson.

Mr. and Mrs. Grover Taylor and boys visited in Vinson, Oklahoma where Grover's parents live over the weekend.
