

Tab Womble and Arlan Womble hold the Womble Coat of Arms, at the Womble Family Reunion.

## HIGHLIGHTS FROM THE PAST TO THE PRESENT

Highlights from the Past to the Present takes a turn to the south to the Morse area where the highlighted family of the week settled at the turn of 1900. The Womble family is in the spotlight for this week as the past is brought to the reader's mind again. The Womble family held their annual reunion in the Tab Womble home near Stinnett Sunday August 11.

Let's begin in the year of 1638, as Captain Thomas Womble of London England came to the United States. Captain Womble was one member of eight passengers arriving from Great Britain in the New World. Arriving by ship he settled in Jamestown, Virginia, for at that time the James City Colony granted each man a portion of land in the area. During Captain Womble's stay in the Virginia Colony he served as clerk of the Isle of Wight County, Virginia, and held the office for about ten years.

Lorenza Dow Womble a relative from the branch of Captain Thomas Womble was a Methodist minister. He was of the old saddle-bag circuit riding ministers. He moved from Tennessee to Arkansas where he settled near Childer, Arkansas. One of his sons was Thomas-Franklin Womble.

Thomas Franklin Womble served as a confederate in the Civil War. Soon after the war was over Thomas Womble and his family moved to Texas where they settled on a farm on the Brazos river in Bosque County Texas near the town of Cleburne. Two sons were born to this couple who were Wm. Carson Womble and Lorenza Madison Womble.

It was in the early 1900's when the two brothers came to the Panhandle, and Hansford and Hutchinson counties to make their home. Carson was the first, for Madison spent a few years in the Oklahoma Territory before making the move to Hansford County.

William Carson Womble was born in Bosque County Texas February 7th of 1874. He spent his childhood and youthful years on a cotton farm along with his brother, Madison and parents. In 1894 he married Mollie T. Robinson. Several years after their marriage the couple moved to their home between Stinnett and Spearman, where he was a rancher and stockman.

Carson Womble was a member of the commissioners Court of Hutchinson county for fourteen years. His tenure as commissioner was highlighted by the building and settling of the Stinnett area. He was quite instrumental in the building and establishing of the Morse Baptist Church for he gave the land for the church.

Upon Carson Womble's arrival in this area he established a saw mill on the Canadian River. The mill was operated by steam. The mill was located near Moore's Creek. The lumber used were cotton woods.

To the Carson Womble family were born nine living children who are Moody of Morse, Tab of Stinnett, Roscoe of Morse, Robert of Stinnett, Allen of Morse, Betty Lackey of Spearman, May Board of Morse, Lee of New Mexico and Irene of Stinnett. Mrs. Carson Womble known as "Aunt Mollie" makes her home in Dalhart in the Coon Memorial home.

Madison Womble married Anne Earnest and moved to the Oklahoma territory where they stayed for a short while, later moving to the Panhandle and Hutchinson County. Upon his arrival in the Panhandle he took up farming and ranching as his occupation.

To this couple were born four children, Edgar, Roy, Arthur and Alma. Alma married L.W. Matthews to whom four children were born, who were Orville, of Gruver, Virgil of Spearman, Evelyn Gutherie of Spearman and Nova.

Arthur married Ella Clower to whom six children were born who were Frank of Dalhart, Fred of Gruver, the late Bruce, A.J. of Dalhart, Joyce of Pampa and Marcille of Beaver Oklahoma.

Edgar married Bessie McQuiney to whom five children were born, The late Noel, Buddy of Spearman and L.M. Faye and Merle of Morse.

Roy married Dafney to whom two daughters were born being Catherine and Ruth.

Arthur Womble preceded his family to the area for he came in 1900. His occupation was well drilling, and drilled many of the first wells in the county. Fred as a child, the family taking a wagon of their belongings from ranch to ranch and camping during the time it took Mr. Womble to drill the well. Sometimes it would take two or three weeks to drill a well.

The two brothers, Carson and Madison were joined by their nephews and one neich who moved to live with them in the early 1900's They are Jess Womble of Spearman, Herman of Solano, New Mexico, Lon of Amarillo and the late Glen of Spearman and Mrs. Myra Simpson of Sanford Texas.

The Womble family held their seventh annual reunion at the Tab Womble home near Stinnett Sunday August 11th. Ninety nine members of the family joined to gether for an enjoyable day. Six states were re-

## Decrease In Electric Rate Presented To City Commission

The Southwestern Public Service Company Monday presented to the Gruver City Commission a proposed new rate schedule for residential electric service, which would lower rates for the Company's customers here.

Earl Lowe, Southwestern Public Service Manager, told the Commission that the proposal was another step in the Company's program of rate simplification and equalization.

Lowe pointed out that the area served by Southwestern Public Service Company was at one time, served by a number of smaller electric companies, each with its own rate structure. Southwestern for several years now has been moving forward with a rate simplification program to cover all of its territory.

The new rates, which Southwestern Public Service proposes to put in effect for residential service billed after October 1st, call for a charge of 6¢ for each of the first 50 kilowatt-hours used monthly, 4¢ for each of the next 50, and 2¢ for each additional kilowatt-hour used monthly.

The present rate schedule is based on charges of 6.6¢ for each of the first 50 kilowatt-hours, 3.85¢ for each of the next 50, and 2.2¢ for all additional kilowatt-hours.

Although there is a slight increase in the second step of the new rate, the large reduction in the first step assures all customers, large or small, of paying less than in the past.

The average monthly savings will be 62¢ for residential customers in

the 47 North Plains communities where the new rates will be in effect.

Lowe said that while the new rate schedule provides lower rates for service here, his company regards it more as a rate adjustment than a rate decrease. He pointed out that the rate simplification and equalization program might make it necessary, in the future, to ask for small increases in other portions of the Company's service area.

Increased use of electric service, and the continued growth of this region, making it possible for the Southwestern Public Company to install larger and more efficient generating equipment, is a major factor in the company's ability to keep the cost of electric service low, in the face of many increasing costs for supplies and equipment.

## MISS HOLLAND IS GRANTED SCHOLARSHIP

Miss Mary Jane Holland has been granted a full-scholarship for nurses training at St. Anthony's Hospital in Amarillo.

The daughter of Mr. and Mrs. A.L. Holland of Goodwell Oklahoma formerly of Gruver, Mary Jane is a graduate of Gruver High school. She has attended Panhandle A. and M. College in Goodwell.

During this summer she has lived in the St. Anthony's nursing dormitory where she has completed her hours at Amarillo Junior College for entrance

presented, being New Mexico, Wyoming, Colorado, Kansas, Texas and Louisiana.

This is another pioneer family of whom settled in Hansford and Hutchinson county to make their home. The Wombles are represented in Gruver, Spearman, and Morse areas of Hansford County as well as in the Stinnett Area.

Wednesday August 14, 1963

## Football Workouts Begin On Monday

The sound of the ball hitting the bat will be replaced by the thumping of helmets on the east side of town Monday as football practice gets underway.

The first game of the season is scheduled Sept. 6 at Clarendon. Gruver will play the same schedule as last year with the home field being reversed.

First home game for the season is scheduled against Groom, Sept. 13. Spearman will be here Sept. 20 and Canadian comes to Gruver Sept. 27.

The Greyhounds will have an open date Oct. 4, then travel south to meet the tough Lefors team.

First district game will be Oct. 18 when Sunray, the defending champion, of District 1-A, comes here. The Greyhounds play their second league game at Fritch October 25.

Panhandle will be here to the School of Nursing.

The scholarship which has been granted to Mary Jane is given by the Ladies Auxiliary of the hospital. Already receiving her letter of acceptance from the St. Anthony's Hospital Board, she will begin her training this fall.

Her goal in life is to be a registered nurse and to serve on the mission field.

November 1 for the final home game. The Hounds will then travel to Stinnett November 8 for a non-conference battle before closing the season at Stratford.

Stratford has been picked first by the coaches but the elks have just as good a chance to finish last. The district, though not too strong, should be one of the better balanced leagues in the state.

Panhandle, for instance, has been picked last but many followers feel that the Panthers are the team to beat.

In district play last year Sunray won all four conference games and advanced to the quarter finals. Panhandle won three and lost one; Stratford was 2-2; Gruver 1-3 and Sanford-Fritch 0-4.

Every team in the district lost heavily by graduation, except Sanford-Fritch where there were no seniors. The Eagles, however, lost a couple of their key players this summer.

For the season last year, Gruver was 6-4 losing only one non-conference game, that to Lefors.

Corky Chapman will return to direct the Greyhounds he will be assisted by Wayne Tipton and Leroy Bannister.

## IN THE GRUVER

Here is an article that was printed as an editorial in a farm magazine. We find it interesting and very timely.

A new "virus" is sweeping the nation. For want of a better word, we'll call it radicalism. Those who spread this "virus" hope to gain attention and power by creating distrust and hatred between groups and individuals. After infection, once stable-thinking, logically-minded individuals will resort to ridicule and name calling. They become "anti" minded, and are against everyone who doesn't share their opinions.

To these individuals the rights of others mean nothing. They hide the truth in a smoke screen of loud and ugly words. Their purpose is not to promote the public welfare, but to create hatred and mistrust.

One doesn't have to look far to see symptoms of this "virus." It is easily recognized in wage disputes between labor and management. It has spread like a prairie fire fanned by strong wind in the field of civil rights and race relations. And, you can find it in business and agricultural groups.

One of the first symptoms you notice in people infected with this "virus" is that they are easily excited. Immediately they see themselves as mistreated individuals. And always standing by is someone willing and anxious to tell them who is mistreating them. This fans the flame of hatred that has already been kindled in their minds.

This undermining "disease" is literally wrecking communities and weakening our nation. Strength comes from unity and a willingness to work together shoulder to shoulder; not by pitting one group against another.

Unless steps are taken to counteract the radicals of both the right and left who are peddling hate and mistrust everywhere they go, our nation will be in great danger.

The situation presents a challenge to each of us who respects the rights of others. The uninformed need to be vaccinated with facts and immunized against hatred and name calling. In short, we urge the use of reason and truth, not abuse, in political campaigning, labor disputes, selling legislation, and above all, when dealing with racial problems.

\*\*\*\*\*

We seldom venture into national politics because it takes eight hours a day, seven days a week, to keep up with activities in the government.

However, a few things are becoming very evident to us, that we all need to be thinking about. They are: Kennedy's race policies; wheat legislation prospects; and vote-getting devices—in both parties.

We agree with the present administration in many ways that negroes have been denied their constitutional rights every since the first ship arrived from Africa. But, now comes the big pitch to push the negro ahead of many whites who have worked hard for their positions. More and more the president's efforts look like a direct move to get votes.

He already has all the negro votes in the nation and now is moving into Texas in a drive to get all the Latin American votes.

This brings us to Lyndon Johnson. He, reportedly, will head the drive in Texas.

What has happened to the once proud Senator, Lyndon Johnson? Though opposed by many conservatives in Texas, Johnson was one of the powerful men in the nation during the Eisenhower administration.

Four years ago in San Francisco he was considered a prime candidate for the Democratic nomination. But, in a matter of hours the powerful Kennedy machine had levelled Johnson into a "compromising nobody".

For almost four years Johnson has been pushed back into a dark corner while young Bobby Kennedy and half of the college professors in the nation moved ahead of him.

Now, with the presidential election coming up—Lyndon crawls meekly from his hiding place and starts to help Kennedy again.

We have nothing against everyone in Texas voting. We think it would be wonderful if every capable voter in the state registered. But, we think it should be because they are interested and know what they are doing—not because they were driven to the polls by Johnson and Kennedy with promises of jobs and good times.

We hope Texans, Democrats and Republicans alike, will stand behind Governor John Connally who has done a pretty good job of standing up for his beliefs.

\*\*\*\*\*

We also noticed last week where Rockefeller and Nixon may team up if it looks like Goldwater has a chance to get the Republican nomination next year.

Goldwater, with fairly clear-cut opinions, would have a good chance to get the top office next year, but if Nixon and Rockefeller are on a ticket together against

# Electric Camp

by Suzanne Dixon

On Monday, July 29, at 6:45 a.m. Sylvia Parks Allen McCloy, David Johnson, Judy Gillispie, Elaine Kelly, Lynn Stedje and I, Suzanne Dixon, left Morse for Amarillo where we boarded a chartered bus to go to Electric Camp. We were the guests of Southwestern Public Service at the 4-H Camp, Scott Able, which is located near Cloudcroft, New Mexico. We were accompanied by Mrs. Wilson McCloy and Robert Adamson.

When we left Amarillo there were only the group from Hamsford County, and a few adult leaders with us. But we had a group from Deaf Smith County join us, and then farther on the Parmer County, group joined us.

It was approximately 6:30 when we arrived at Scott Able Monday evening. The busses had to stop outside the camp, and we had to walk the rest of the way. When we arrived at our destination, we were divided into groups: Amps, Watts, Chams, and Volts, and the Council.

We unpacked and settled in our cabin and went to Wade Hall which served as the dining hall, assembly room, and recreation center. After supper we went back to our cabin where we dressed for the evening entertainment and recreation. That evening we had square dancing, and for those who did not participate in the square dancing, games were provided.

After the recreation, we held a vesper service. Our Hamsford County group was responsible for this the first evening. We had as our theme "Friendship" which we carried out in the songs and talks. Judy Gillispie and I led the group in singing the "4-H Friendship Song". David Johnson gave a reading entitled "The House by the Side of the Road", and Elaine Kelly read "A Friend." The Topic, "The Necessity of Friendship," was discussed by Allen McCloy, after which the Vesper Service was concluded with the group singing, "What A Friend We Have in Jesus", led by Sylvia Parks.

Lights out time was at 11:00, so we had to rush to get ready for bed. We had our alarms set to ring at 6:00 a.m. but we did not get up until 6:30 to get ready for breakfast at 7:00. We also had to tidy up our cabin before going to breakfast.

After breakfast on Tuesday morning we had General Assembly where we learned of our assignments for the week. We were given camp duties which included wood gathering, restroom cleanup, barracks cleanup, and, of course, K.P. Some of those on the morning K.P. had to pick up the garbage scattered by the bear that visited camp during the night. I was never fortunate enough to see the bear, however, many of the campers did.

Our class sessions were sometimes held in the morning and sometimes in the afternoon. Also alternating this way were the organized recreation periods. One of our organized recreation periods was spent climbing to the top of the mountain. When we reached the top, one of the groups presented a skit entitled "Patience."

Each day we had group sessions which were taught by members of our host group. As these were rather long sessions, we had a break mid-way through them, when we were treated to fruits and cokes by the by the Southwestern Public Service. In these sessions we learned new practices and principles that will help us in our daily living, and in our everyday work. We also received training that will be a great benefit to us throughout all our

activities. Our evening programs were varied. On Tuesday evening we had a Carnival, and later played folk games. Skits and folk games were Wednesday evening entertainment and recreation. Thursday evening two of the County Agents entertained us with a musical program. They played guitars and a banjo. Our own County Agent, Robert Adamson added to the program by singing two songs, accompanied by the other agents on the program. This we enjoyed very much. All the evening programs were concluded with a vesper service.

Thursday mornings Group Sessions were from 8:30 to 10:30. Then that afternoon we had a General Assembly with lectures given by Mr. Cliff Milnar, Division Manager Panhandle Division, Amarillo, Texas.

We set our alarm for an earlier hour on Friday, as we were to leave for Amarillo at 7:30, and we had to finish packing, and other odds and ends. Our bus was the last to leave at 9:00. We again had lunch in Roswell, and then continued on the way. We arrived in Amarillo at 6:30 Friday evening.

The Southwestern Public Service personnel made this a truly enjoyable experience for all of us. We had an opportunity to learn much that will be invaluable to us in our 4-H work as well as our everyday living. I hope that I have the opportunity to attend again next year.

### IN THE GRUVE

con't from page 1

Kennedy and Johnson, we may have the lightest presidential vote of all time.

We have also been reading up on the wheat program situation. Right now it looks like nothing will be done about a new program but who knows what will happen during an election year like 1964.

Senator George McGovern, D., S.D. has introduced a bill to make the recently defeated bill a voluntary program without the strict penalties.

He said recently, however, that the bill had produced about as much echo as a wheat stalk falling on a South Dakota field. It has picked up some support from other senators, though.

The belief is that the Kennedy administration would like to forget the wheat farmer and let him go it alone on lower prices. However, the administration probably won't do anything until it sees whether or not it can get by without some of the vote from the wheat growing areas.

We think farmers who want some kind of program should let themselves be heard.

The Farm Bureau is sponsoring a plan to abolish all wheat-feed grain controls, set support at comparatively low levels and set up a voluntary program of payments for non-use acreage.

Thanks to Roy Kelly for the cartoon appearing on page one of this issue. Roy has a wonderful talent and will do a cartoon each week for us.

We would like to point out that ideas in the cartoons are sometimes suggested by us and that the paper will stand responsible for those ideas to anyone disagreeing with the contents.

The Little League baseball program is coming to an end this week. About all that is left now is paying the bills. The outstanding debt is for the lights. The electrical bill runs about \$150. per month and money is needed to pay those bills.

If any of the parents who had children playing—or anyone else for that matter—wants to help with the light bill, send your contribution to Dan Shrader or contact any member of the Lions Club.

We were also asked to mention to the friends of Ace Winders that blood donations are needed. Ace recently underwent surgery for the removal of a leg and more blood is needed.

Those wishing to help may do so by contacting the Amarillo Blood Bank. Any type blood will be accepted. Ace is in the Scott and White Hospital in Temple.

The International Christian Youth Exchange organization recently commended the First Christian Church and the R.Y. Jones family for sponsoring Reinhold Korbel as an exchange student at Gruver last school year.

We also received word that Reinhold wants to thank Mr. and Mrs. Jones, The First Christian Church and all the people of Gruver who made his year here possible.

He has recently received his visa and scholarship for four years of study at Texas Christian University and will be returning to the U.S. soon.

Speaking of the Jones', Beulah recently received her reward for ten years work in the form of a certificate making her a certified public accountant—the only one in Gruver.

### THE WAY I SEE IT

Robert Cordes, pastor  
Oslo Lutheran Church

Vacations are much needed in this last pace of living. We need to get out and relax, view God's great creation and recreate our stamina.

The following comment by Ben Lewis speaks a lesson for all of us:

"The boat floats down a wilderness stream. Mother Nature is at her most beautiful. Civilization is miles away. The sun sparkles. Something reflects its rays. Is it a fish? No, it's a beer can. Downstream, water barely covers the gravel bottom. Boat has to be towed. Rocks hurt feet, but do not cut them. What, then drew the blood? A rusty old beer can. A white-sand beach lies dead. What a perfect spot for camp! As boat

nears, no room can be found for tent. For the beach is filled with...

Beer cans.

Now if I were Aladdin and had a magic lamp, I would rub it three times and make this request: Take such and such and so and so and reshape their heads to resemble beer cans. Then punch holes in the top—one to let the foam run out, the other to allow common sense in."

To this I might add—what can we do about such "beer cans"? Our taxes are being spent for people to pick up cans. Wouldn't it be wise to require a deposit on all cans sold—so at least some might have a little income as they pick up discarded beer cans?

## County Agents Report

by Robert Adamson

When right, you can afford to keep your temper; but when wrong, you cannot afford to lose it.

### BRUCELLOSIS ERADICATION PROGRAM

I have been informed by the Texas Animal Health Commission that a proclamation has been prepared designating Commissioner's Precincts I and II of Hansford County as a Special Type II Brucellosis Control Area, and a hearing has been scheduled for September 9, 1963 at 9:30 a.m. in the Texas Animal Health Commission office Sam Houston State Office Building, Austin, Texas. This hearing is in accordance with the statutes.

### TAX REFUND CLAIMS DUE SEPT. 30

Farmers and ranchmen are reminded that claims for the Federal Gas Tax refund must be submitted before September 30, says C.H. Bates farm management specialist, Texas Agricultural Extension Service.

This refund is on the four cent per gallon excise tax paid on gasoline and diesel fuel used by operators on their farms.

Beef Roast to sprinkle the Lipton's onion soup mix over the mushroom covered roast before sealing foil.

### Walker Family Enjoys Picnic

The Walker family joined in the City park last Wednesday night to honor Mr. and Mrs. Ralph Watkins and Susie of Pittsburg, California and Ralph's mother Mrs. Watkins.

Fifty one attended enjoying watermelon along with a picnic supper.

In attendance were Mr. and Mrs. J.H. Spivey of Guymon, Mae Hughes and daughter, Mrs. Howard and children of Borger, Mr. and Mrs. Grant Minor and Family of Morse, The James Stedje Family, The Gordon Stedje Family, The Hix Spivey Family and Terry Boyd, The O.V. Members on the committee are Amy Cator, John Cooksey, Sammy Arnold, Lynn Stedje and Maelynn Cator.

Details are being planned by the Entertainment Committee with its chairman Harley Murrell and Members Jackie Hudson, Lynn Stedje, and Sammy Arnold.

The other committees are Decoration, Dennis Stedje chairman, Kergen Wright, Jim Beck and Kathy Ben-

son; Publicity, Maelynn Cator chairman, John Cooksey, Angie Cator, Merilee Maupin and J.W. Ward; Foods Amy Cator, chairman, Maelynn Cator, John Cooksey and Ruel Holt.

### OSLO NEWS

Sunday School and Church again next Sunday at the usual time. Pastor and Mrs. Robert Cordes and family are on vacation. On Sunday Jimmy Cooksey of Gruver gave the sermon, and Sunday Aug. 18 the message will be brought by Gary Moen of Guymon. We are happy to see the young people taking active part in the worship service.

Youth Sunday will be observed next Sunday with special music by the young people.

Pastor and Mrs. John Maakestad and family enjoyed an extended visit with her parents the Emil Knutson. They leave for Clifton, Texas on Thursday to visit Laura Maakestad, John's mother.

Glenda Hoel had as her guests last week Miss Kathleen Minor, Marilyn Bangstund, and Judy Turner all of Amarillo.

O.J. Hoel and family returned from Clifton, Texas last Tuesday where they visited their relatives, Miss Ruthie Hoel returned with them and will visit a couple weeks here, while Andy Hoel remained in Clifton to visit cousins there.

Visiting over the weekend in the Atrua Ward home Mr. and Mrs. Walter Niendens and family from Cherokee, Oklahoma; Mrs. Helen Raah from Garden Grove, California

and Mrs. Ernest Engleton of Alva, Oklahoma. Diane Stedje entertained a group of young people with a coke party on Wednesday afternoon. They were Judy Turner, Marilyn Bangstund, Kathleen Minor, Glenda and Ruthie Hoel, Mike, Lynn and Dennis Stedje.

Visiting in the Ray Schibler home is Mrs. Chris Rohne and Margaret Bronstad of Crowsfill Gap and Marilyn Eidson of Fort Worth.

Gerard TeBeest returned to resume his term of service with Uncle Sam when he left on Thursday for Vint Hill's Farm at Warrenton, Va. Part of his time has been spent in Turkey.

### Ayres Reunion Held Sunday

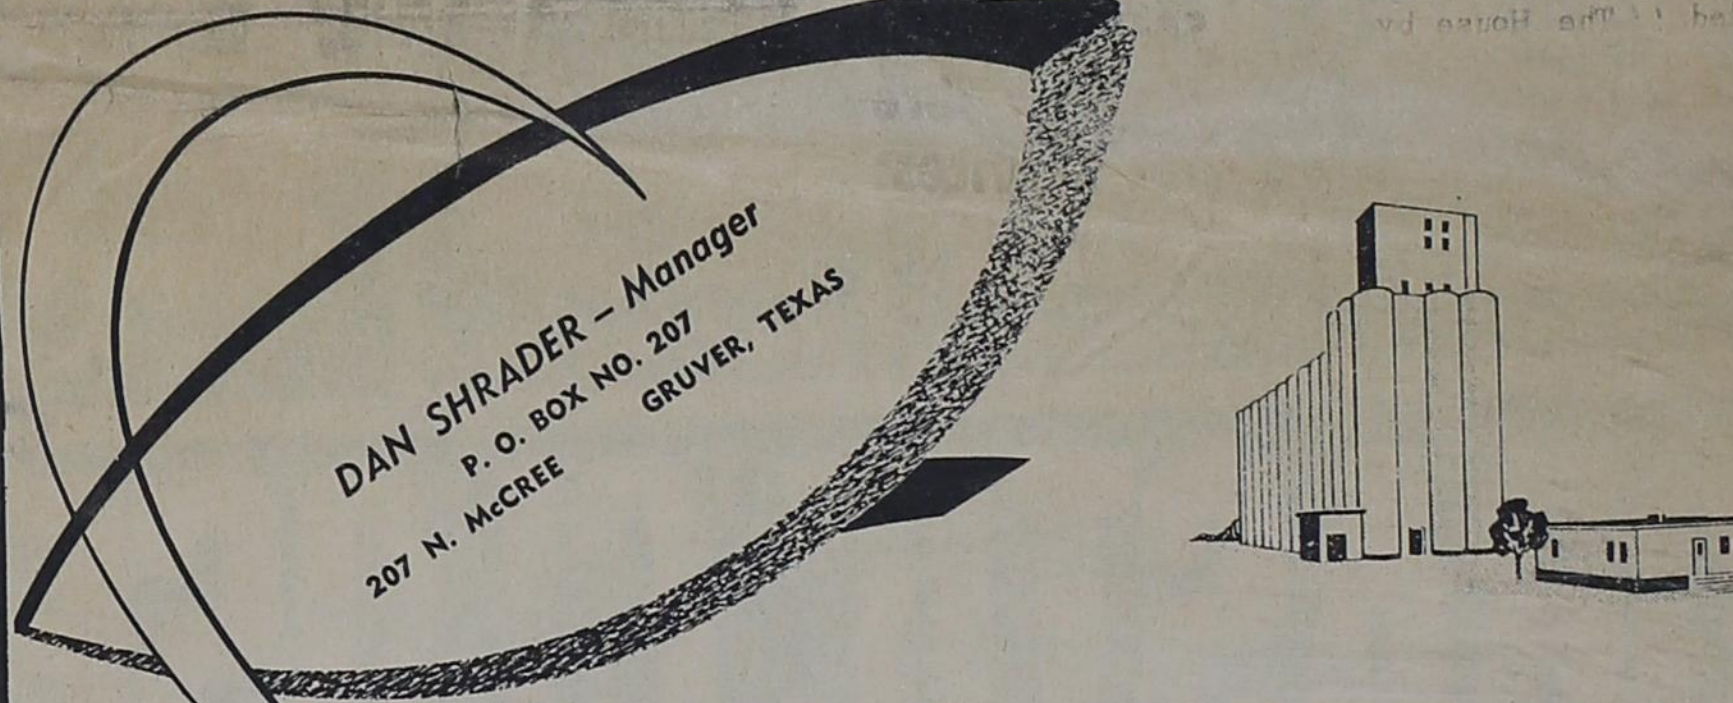

The Ayres Family of Gruver enjoyed the annual Ayres reunion held in Gainesville Sunday August 11th.

There were one hundred eight present for the occasion. Mr. I.W. Ayres Sr. and his brother and three sisters were also gathered for the reunion.

Aside from Gruver being represented there were family members from Denison Wichita Falls, Richardson, Olney, Dallas, Sherman, Sadler, Whitesboro, Dalhart, Mandill, Oklahoma, Tulsa Oklahoma, Pontatoc, Oklahoma and New York City New York.

Members from Gruver attending were Mr. and Mrs. Coleman Green and Euline, Mr. and Mrs. I.W. Ayres Sr., Pauline Winger and Kay, Charmin Lyle, Mr. and Mrs. A.R. Henderson and Mr. and Mrs. Skeeze Riley and family.

## Whom Shall We Go by Alfred White

"See then that ye walk circumspectly, not as fools, but as wise, redeeming the time, because the days are evil. Wherefore be ye not unwise but understanding what the will of the Lord is". (Eph. 5:15-17)

The word "circumspectly" simply means watchful and diligent in his walk through life to make sure that the devil does not take advantage of off-guarded moments to snare and entangle into sin. The foolish are the pleasureseekers who laugh and play and ignorantly lay aside caution and wise living. Their pleasure is only what they can see, feel and enjoy. They sleep on blissfully living carelessly, indifferent to the fact that earth lovers have a place reserved for everlasting habitation: eternal fire.

Careless is the word for the unprepared. Every day is a day of trial as to whether we live to please God or ourselves. Every hour spent in unrighteous living will be a witness against the disobedient and unthankful. The Lord of that servant will come in a day when he looketh not for him, and at an hour when he is not aware, and will cut him asunder, and appoint him his portion with the hypocrites: there shall be weeping and gnashing of teeth." (Matt. 24:50-51)

The vain and empty scoff at warning without number. To such the Lord promises, "And, behold, I come quickly; and my reward is with me, to give every man according as his work shall be" (Rev. 22:12).

To "redeem" means to buy back or make profitable while lived. To save for a rainy day. Such is the attitude of Christians in love with the Lord. They are like the wise virgins who

had oil and to spare when the bridegroom came; they had prepared for his coming and were waiting the herald of his unexpected arrival. The foolish were sleeping while there was opportunity to get oil and when the bridegroom came; they were caught unprepared. Such are the careless and sinful.

The Lord said, "Therefore whosoever heareth these sayings of mine and doeth them, I will liken him unto a wise man, which built his house upon a rock. And every one that heareth these sayings of mine and doeth them not, shall be likened unto a foolish man which built his house upon the sand: (Matt. 7:24-25) He warns through His apostle John again, "Love not the world neither the things that are in the world. If any man love the world, the Father is not in him. For all that is in the world, the lust of the flesh, and the lust of the eyes, and the pride of life, is not of the Father, but is of the world." (1 Jno. 2:15-16).

The wise man or woman will not be caught unprepared because they will "know what the will of the Lord is". They will study and learn for themselves the will of Christ and will immediately obey and stay wide awake. Theirs will be a wise and profitable life in the service of God. You will not find them wasting their lives in selfish pursuits. They carefully live a godly life before men and use their lives, talents and material possessions to persuade their neighbors to do the same.

Yes, careless living had its wages. Paul states, "For the wages of sin is death" (Rom. 6:23). Are you foolish, or wise in your living?

### Thomas-Harris Vows Solomized

Marked with impressiveness and beauty the candlelight was the ceremony held Saturday, August third united in marriage Miss Cynthia Lou Thomas and Mr. Billy Bob Harris. The vows were solomized at eight o'clock in the evening in the sanctuary of St. Luke's Methodist Church in Memphis, Tennessee. Dr. James A. Fisher read the double-ring ceremony in the presence of friends and relatives of the bridal couple.

The bride is the daughter of Mr. and Mrs. Joe Ambrose Thomas, of Memphis, Tennessee. She is the granddaughter of Mrs. Okla Homer Grogan of Bacliff, Texas and the late Mr. Grogan, and Mr. Shellie Ambrose Thomas of Corsicana, Texas and the late Mrs. Thomas.

The bridegroom is the son of Mr. and Mrs. John Cecil Harris of Gruver. His grandparents are Mr. and Mrs. William L. Harris and Mr. and Mrs. Robert E. Brooks of Gruver.

Prenuptial selections

were presented by Mrs. Carlton Wilkes, organist, as the guests were being seated. She presented the processional by Wagner and the recessional by Mendelssohn. Vocalists were Mr. Wade Moore of Amarillo, Texas, and Mr. Doyle Barkley of Gruver, and were accompanied by the organist. Mr. Barkley sang "Because" and Mr. Moore sang "Love Is A Many Splendored Thing" and the two sang as a duet "I Love You Truly".

The wedding vows were exchanged before an altar elegantly adorned with two massive subbursts of white gladiolas banked in southern greenery. A graceful wide half sunburst centered immediately behind the the pulpit. Placed at intervals over the altar were circular tree candelabras supporting many crystal hurricane chimneys. A soft glow was cast behind the pulpit area by hurricane chimneys on gold bracket candelabras. The family pews were marked with white satin ribbon bows and

streamers. The bride was escorted and given in marriage by her father. She was attired in an original by Miss Betty of white boquet pure silk taffeta fashioned with re-embroidered alencon lace, seed pearls and self cording with detachable train. The scoop neckline was accented with applique of exquisite imported lace and seed pearls. The long fitted sleeves buttoned to petal points over each hand. Tiny bows and motifs of pearl encrusted lace were scattered over the entire skirt. The skirt was fashioned with a large bow in the center back from which fell the wide chapel train. Her misty waist length three tier veil fell from an exquisite headpiece of pearls and crystals. She carried a semi-crescent of white vanda orchids centered with a large pure white hybrid orchid and clusters of illusion leaves. The bride was attended by Miss Joanna Ward of Longview, Texas as maid of honor. Her bridesmaids

were Miss Billye Joyce Cury of Bacliff, Texas, cousin of the bride; Miss Susan Elizabeth Beyette of Fort Worth, Texas, Miss Betty Sae Brooks of Tulia, Texas, cousin of the bridegroom; Miss Linda Dale Stamfill of Memphis, Tennessee, and Miss Barbara Eye of Dallas, Texas. The attendants were charmingly attired in dresses of candlelight yellow embossed peau styled with figurine bodices, scoop necklines, short sleeves, and graceful floor length bell shaped skirts. Their dresses were complimented with matching yellow silk shoes, eight button white gloves. They carried a cascade creation of frosted yellow stock with sweetheart roses.

The bridegroom was attended by Dick Doyle of Gruver as Bestman. Grooms-men were Mike Miller of Gruver, Ruley Featherston of Big Lake, Texas, Sammy O'Daniel of Memphis, Tennessee, Wade Moore of Amarillo and Rod Barkley of Gruver.

Terry Jo Riggan, daughter of Mr. and Mrs. Charles Samuel Riggan, of Memphis, Tennessee was flower girl. She was attired in a dress of white silk organza over taffeta, designed with fitted bodice, scoop neckline and puff sleeves. The floor length gathered skirt was attached with self cording and a large bow in the back. Her head piece was of a tiny band of white taffeta and lillies of the valley. She carried a flower filled basket of white French lace.

The mother of the bride selected a dress designed of pale pink linen-weave silk styled with a sheath skirt accented with a jacket-like bodice trimmed in re-embroidered lace. Her small hat was of matching pink silk enhanced with pink and white trim. She wore pink silk shoes, white kid gloves, and white hybrid orchid corsage.

The mother of the groom chose a pale gold silk sheath with pearl and Jewel trim. The dress was accented with a scoop neckline and short fitted sleeves. She wore a small hat and gloves of matching color with shoes and beaded bag of deeper gold. Her corsage was of a pure white hybrid orchid.

Following the ceremony a reception was held at the home of Mr. and Mrs. John Calvin Davis of Memphis.

The walks and drive way of the Davis home were lighted with hurricane lamps decorated with greenery and white and green ribbons. The front door was accented with a cluster of three

large silver wedding bells.

The receiving line formed in the formal living room which was decorated with white and yellow floral arrangements.

In the dining room, the bride's table was overlaid with a cloth of sheer white Swiss organdy over pale yellow cotton satin. The deep flounce of organdy was edged in narrow lace at the top, and fell in gathered fullness to the floor. The three tiered wedding cake, frosted in sugar spun decorations and topped with wedding bells, centered the table. The cake was flanked on either side by three branch silver candelabras, holding tall white candles.

The table was decorated with smilax and white carnations. Mrs. Rod Barkley of Gruver and Mrs. Philip B. Hughes Jr. of Memphis Tennessee presided at the wedding cake. Mrs. Donald Elley of Memphis presided at the silver punch bowl.

The serving table in the family room was overlaid with a cloth matching the bride's table. A centerpiece of silver drift wood holding an arrangement of white and yellow mums, and six tall white candles, centered the table. Presiding at the silver coffee service was Miss Judy Arnhart of Memphis, and presiding at the silver punch bowl was Mrs. David Lea of Memphis. Silver trays held refreshments of assorted dainty sweets, nuts and decorated mints.

The registration table was overlaid with sheer white organdy and was graced by a cherub container holding white carnations. The bride's book was presided over by Miss Louise Knight of Dallas, Texas.

The reception area was ornamented with tall arrangements of white gladiolus. The mantel was garland in smilax and white carnations. Over the mantel hung a bridal portrait of the bride; her gift to the bridegroom.

For their wedding trip the bride chose a channel suit of pink and white silk tweed with a white silk blouse. Her shoes and bag were of camel beige lizard. To complete her attire the bride chose a small white hat and white kid gloves. Her corsage was a white orchid.

The bride is a graduate of Messick High School of Memphis Tennessee. In High School she was "Most Beautiful Girl", vice-president of her senior class and pep club and an officer of Sigma Sigma Sorority. She is a former Duchess of the Cotton Carnival. At present Cindy has complet-

ed her junior year at North Texas State University in Denton, Texas. She has been "Miss Denton" and reigned as Mardi Gras Queen of Fort Worth in 1962. On the college campus she was yearbook beauty, an officer of Chi Omega Sorority and Lieutenant Commander of Angel Flight. She was also chosen as alternate of the 1963 Maid of Cotton.

The groom is a graduate of Gruver High School and was awarded a tracks scholarship to North Texas State University where he received his degree in Business and Psychology. Billy Bob is a member of Sigma Nu and T-Club and is a Mason.

The couple are at home in Gruver where Billy Bob is engaged in farming and ranching.

### 4-H Social Slated

The Gruver 4-H is having an "Old Fashioned Ice Cream Social" on Saturday August 24th, the event will begin at 7:30, everyone is invited to attend. There will be fun and entertainment for all. "I'll Scream, You'll Scream, We'll all scream for Ice Cream".
