HIGHLIGHTS FROM THE PAST TO THE PRESENT

The M.J. Bart Family is the topic of this week’s Highlights from the Past to the Present as we focus on events from the past that have become a part of the growth of the town of Gruver.

Born on the Bart farm in the midst of heavy rains, no pavement, and muddy roads for mid-1910, there were six other children. One brother served on the election board when the decision was made where he grew to be the father of Mrs. S.B. Hale of Gruver, and the best days, as well as the balky tractors. The hands were unable to see the country and Miss Belle was chosen because she accompanied two of her brothers and her widowed grandmother to Indian Territory where the brothers filed a claim. When the brothers filed a claim at the University of Southern California, she was one of seven children. The little home-style cafe was owned and operated by women of the area. The cafe served the women of the area who were hard at work. This was the start of the Bank of Gruver.

In July of 1910 John Overbye and Bernice Overbye were married and their son Ray was born. Bernice was born in a cabin which was located on the farm. In 1910 they left their land in New Mexico for Colorado where they farmed a few years until they retired to Gruver.

Perryton managed to capture their first win of the season Saturday night when they defeated Gruver, 22-6, in the game of the week. The win ended Perryton's long losing streak and was the first win for the Chicks since the 1964 season. The victory was a hard fought one, but Perryton's defense and offense were able to control the game and come out on top.

The game was scoreless at the end of the first quarter, but Perryton scored two touchdowns in the second quarter to take a 12-0 lead into the half. Perryton added two more touchdowns in the second half to put the game out of reach for Gruver.

The Chicks were led by sophomore quarterback Lynda Batchelor, who completed 10 of 14 passes for 150 yards and two touchdowns. Freshman running back Elva West had 136 yards on 15 carries and scored two touchdowns.

Gruver was led by senior quarterback Ken Bateman, who completed 13 of 29 passes for 165 yards and one touchdown. Senior running back Steve Johnson had 116 yards on 30 carries and scored one touchdown.

The Chicks defense was led by junior linebacker Lynn McCollum, who had 10 tackles for loss and one sack. Senior defensive back Kris Hardesty had four interceptions and one fumble recovery.

The win was a welcome relief for Perryton, who had been winless in the previous two seasons. The Chicks are now 1-2 on the season and look to continue their winning ways in the future.

Behind the Scenes

There are several people who contributed to this victory for Perryton. Not only the players, but their parents, coaches, and fans were all essential to the team's success.

The parents were especially important, as they provided the Chicks with a sense of pride and a strong work ethic. The coaches were also instrumental, as they taught the players the skills they needed to win.

Perryton fans were also a key factor in the team's victory. They provided the Chicks with a sense of community and support, which helped them stay focused and working hard.

The Chicks' victory was a testament to the power of teamwork and dedication. By working together, the Chicks were able to overcome the challenges of the game and come out on top.

A driving score by the mighty Chicks and a featuring touchdown on November 9 in the Gruver Independent Stadium. The Tornadoes managed to top the Chicks with a final score of 21-12. There was much colorful action in this game which did not create a monotonous evening.

This game was provided by the Junior High Band of the Tornadoes. The members, under the direction of P.B. Shaw, were in fine form and played an interesting set of music. The F.H.A. members also were on hand to make the evening colorful.

The Chicks had a number of other high school students and a total of six in attendance.

LEGION AUXILIARY HOLDS MEETING

Mrs. Agatha Rafferty announced on Monday November 18, 1963 that the Auxiliary had remodeled and expanded the basement of the Memorial Hospital of Gruver, which was under construction.

The Auxiliary was formed in 1945 and has been active since that time. The purpose of the Auxiliary is to help with the construction and maintenance of the hospital.

The Auxiliary has been very active in the community and has contributed a great deal to the development of Gruver. They have held many fund-raising events, including a annex that will be opened soon.

The Auxiliary is very grateful to the members of the community who have contributed to the auxiliary and will be looking to the future with a sense of enthusiasm.

The Auxiliary will hold their next meeting on Monday, December 16, 1963, at 7:00 PM in the hospital.

WHAT'S IT COST?

If you're getting close to turkey time and, even during those gay holiday family gatherings, we are all interested in saving money — certainly we don't want to waste any. And, when it comes to conserving your new electric range with grain bed, hoist, heavy duty equipment, it's easy to cut your electric bills by using a built-in electric range with grain bed. This will be beautiful when completed.

The Auxiliary plans to open a new annex to the hospital in the near future. This annex will be used for additional hospital space.

The Auxiliary will be holding a bake sale on Saturday, December 21, 1963, to raise funds for the new annex.
