NUMBER 43

## This And That About One Thing and Another

### COTTON SELLS FOR 41c

Two bales of cotton sold in Quitaque today (Thursday) for 41c per pound. This is the first time ginner stated that cotton has sold this high in over 30 years—since 1919.

The two gins reported 735 bales ginned up to Thursday morning compared to 462 bales last week. There doesn't seem to be much hurry about gathering the crop. If the freeze had held off about 10 days or two weeks longer, cotton producers would have been much happier, but the good price which both lint and seed is bringing, is helping considerably. Cotton is bringing around 40c and seed is \$110 per ton.

Cotton is coming in steadily to the gins, with most of the harvesting done by local farmers and their families. There are very few transient hands here.

It's cold! The Amarillo weather man reported down to 20 degrees Wednesday night, and it's still mighty brisk this Thursday morning. The first freeze of the season which came last Friday night, cut cotton production somewhat. A few are estimating the cut about 1/3, but the ginning estimates remain around 3000 bales for this community.

Wheat farmers are wanting moisture, but weather predictions remain "fair and colder."

### NEW METHODIST CHURCH WILL BE READY NOV. 19

The Methodist congregation was advised this week that their new church building would be completed and ready to occupy by Sunday, Nov. 19, and plans are underway for opening day.

Open house will be held, with dinner on the grounds, and an all-day session of services. The community is invited to attend one, or all of the services. Churches of other denomination, friends of the church from the surrounding area, former pastors and members, all are extended a hearty welcome.

The pastor Rev. Marvin Fisher, stated that all plans were not complete, but the tentative plan is to have the usual morning services, with the pastor bringing the message at the 11 o'clock hour. After the noon meal at the church, the afternoon session will be held and visiting pastors and laymen will be asked to speak. It is hoped that the district superintendent, Rev. W. E. Hamilton, will be present to deliver the message at the evening service.

The completion of the new church coinciding with the Thanksgiving season is most fitting for it is with the deepest gratitude and hearts full of thankfulness that the Methodists move into their beautiful new church edifice. It is with a spirit of grateful humility that they accept the challenging mission which the new church places upon them, and with an earnest prayer that they be worthy to "carry the torch."

### LEGION CONVENTION SET FOR NOV. 11-13 AT SHAMROCK

The regular fall convention held annually by the 18th District has been called for November 11th and 12th, in Shamrock. Every Legionnaire and Auxiliary member in the entire 18th District is invited and urged to attend. The Shamrock Legion Post has guaranteed a good program both Saturday and Sunday.

The following Department Officers will attend: William F. (Bill) Elkins, Department Commander; Mrs. Minnye Lyle, Department Auxiliary President; Chaplain Lester D. Cochran, Department Chaplain; Bill McCraw, Department Membership Chairman; Charlie Gibson, 5th Division Commander; and Mrs. Cathryn Pitt, 18th District Auxiliary President.

The call of this convention was issued by the 18th District Commander, Rhea Smith, and he urges all eligible Legionnaires to attend.

Mr. and Mrs. Charlie Carpenter and family are leaving the latter part of the week for Green Tree, NM., where he will be employed at the mills.

## Walter Rogers Winner In Congressional Race

WALTER ROGERS IS GRATEFUL TO ALL

A wire release received at noon today (Thursday) by the editors of the Quitaque Post says "It is with deepest humility that I, my wife, and children express our heartfelt appreciation to the voters of Briscoe County. Let us all work together for a greater Panhandle, a greater Texas, and a greater America." Signed, Walter Rogers.

### MRS. N. W. HERRINGTON IS SPEAKER AT WSCS MEETING

Mrs. E. A. Puckett was hostess Tuesday night to the Methodist WSCS, and the attendance was very good. The president Mrs. M. E. Loving, conducted the business session and plans were made for the opening day program Sunday, Nov. 19, when the congregation will move into the new church and hold open house for visitors from other local churches, and from out of town.

Mrs. George Owens was leader of the program on Health in a Rural Community. Miss Minnie Mae Robinson gave a beautiful devotional, and Miss Anna Holdaway read an inspiring poem. Mrs. Owens, in her discussion of the chosen subject, compared existing conditions in a rural home with those of long ago and pointed out the advantages toward improved health, and lie sure.

Mrs. N. W. Herrington, a registered nurse, was guest speaker, and brought some splendid information to the group. She pointed out the two important factors for a healthy condition, and the treatment of illness. She stressed sanitation, and pointed out that many people do not take advantage of services offered free by the state and other programs because they are not informed of them.

For instance, the State will test free, water from wells at rural homes, which are often contaminated or impure, and the owners are unaware of the fact. And she discussed accidents and their prevention, and the importance of knowing what to do in case of emergency.

At the conclusion of the splendid program, the hostess served delicious pumpkin tarts with coffee or tea.

A card was received this week by the family of Mrs. Eck Curtis, advising them that she and Mr. Curtis had arrived safely in Philadelphia where she will soon undergo a delicate brain operation. She wanted to correct the address which was published in The Post last week, so that she will be sure to receive the cards that she hopes her friends will send. That address was not entirely correct, but the following is: Mrs. Esker Curtis, 8th Floor, Hahnemann Hospital, 230 N. Broad St., Philadelphia, Penn.

Rev. and Mrs. Ray Riley are in Fort Worth this week attending the Baptist General Convention. Their son Gordon accompanied them and returned home the first of the week, hitchhiking from Estelline, he said, and it was mostly hike.

Mr. and Mrs. James Rhoderick drove to Clovis, NM., Sunday and brought home with them her father Lee Hancock, who is visiting them here.

In Tuesday's election, the race which held local interest was for the Congressional seat from the 18th District, and in this Walter Rogers, Democratic nominee, was the winner and will succeed the incumbent Republican Ben Guill. In the Quitaque box Rogers received 139 votes and Ben Guill 43.

The race over the entire district was very close with Guill leading at times during report of the returns. Guill led by small margins in the following counties: Deaf Smith, Hansford, Hemphill, Hutchinson, Lipscomb, Ochiltree, Roberts, Potter and Randall. It was South Plains counties that carried Rogers to victory. In Gray county, the home county of both candidates, Rogers received 592 votes and Guill 526.

In the unofficial count, Guill conceded the victory to Rogers who led the voting by about 2,500 ballots.

Interest was high in the election all over the district and the turnout was good. At Quitaque 193 votes were cast (compared to 314 at the second primary.) In 1948, which was a presidential election year, 220 votes were cast in the Quitaque box, and 26 votes were cast here for the leading Republican candidate. This year, 1950, 43 votes were cast for the Republican candidate, plainly disclosing the increase of dissatisfaction with the present administration.

Voting over the nation as a whole followed the same pattern. The voting was heavy everywhere and much interest was shown in the election. It was estimated that 40,000,000 persons voted throughout the nation. The Republicans made some surprising gains in several states, but in the 18th District of Texas, the Democrats held their own.

Election returns showed large gains for the Republican party in Congress, some stunning defeats for Democratic stalwarts, and a Republican lead in governors. Democrats still held numerical control in the House and Senate.

### THE SELFS VISIT THEIR SON WHO WAS WOUNDED IN KOREA

Mr. and Mrs. M. D. Self of Silverton and his mother Mrs. Fannie Sweet of Mineral Wells, and Mr. and Mrs. J. L. Self of Silverton, returned last Saturday from a visit to their son Sgt. Armstead (Bill) Self in the U. S. Naval Hospital at Oakland, Cal. Sgt. Self underwent surgery last Monday for removal of shrapnel from his legs which he received in action in Korea on September 24.

One leg was shattered and some bone was removed. He is getting along all right.

Sgt. Self landed in Korea on August 2 and made the push all the way with the Marines to Seoul where he was wounded by mortar fire. He was flown from the front to a hospital at Tokyo, and then flown to the States by way of Hawaii.

Mr. and Mrs. J. T. Persons and Joe spent Sunday in Matador visiting their parents and attending the homecoming for members of the Matador Methodist church of which Mrs. Persons is a former member.

## Boys Ranch Here Tonite For Last Home Game

The Quitaque Panthers, playing without the services of two regular linemen, Billy Carpenter and Jimmy Davidson, eked out a 7-6 win over the Silverton Owls last Friday night at Silverton.

The win over the Owls gives the Panthers a 500 percent in conference play, having won three and lost three with one conference game left to play.

The game was a nip and tuck affair all the way with the Panthers having an edge the first half and the Owls dominating play the last half. The Panthers scored their TD at the close of the first period of play after a drive from midfield with Gordon Riley going over left tackle from five yards out. Lynn Rhoderick carried over for the point after touchdown.

The Panthers downed the Silverton backs for numerous losses and that, together with several costly penalties, kept the Owls in hot water most of the first half.

Silverton took the second half kickoff and promptly marched to pay dirt with Brooks carrying over from the two yard line. The try for extra point failed leaving the score 7-6 in favor of the Panthers. The Owls controlled the ball most of the time from this point on with the Panthers fighting to hang on to their slim margin. The Owls were marching relentlessly toward pay dirt as time ran out with the ball on the Panthers 15 yard line.

It was a good ball game and fairly well attended despite the fact that it was played in near freezing weather.

Monte Wise, C. L. Boggs, Lynn Rhoderick, Riley and Holcomb were standouts for the Panthers.

Tonight, Friday, the Panthers tangle with another non-conference foe, Boy's Ranch. This marks the first year of regular competition for Boy's Ranch and they have failed to win a game thus far. However they have played a pretty tough schedule both A and B class schools and a couple of weeks ago held Lakeview to a 7-7 tie.

This should be a good ball game and we might add that the Boy's Ranch team is coached by Dory Funk, Southwestern Junior heavyweight wrestling champion. This should be of interest to the wrestling fans of this area.

Tonights game is the final home game for the Panthers for this season and will be the last chance to see several of the Panthers in action on the gridiron here in Quitaque. Buddy Holcomb, Lynn Rhoderick, Gordon Riley, Ben Cross, Junior Sperry, C. L. Boggs and Ted Dunavant will be playing for the homefolks for the last time tonight. These boys are all seniors and we are sure that they will go all out to put on a good show in this their final appearance on the home gridiron.

Tonight's game has been designated as Homecoming and the football Queen will be crowned during the halftime ceremonies.

### MARRIAGE IS ANNOUNCED

Mrs. Bessie Wise and K. C. Lewis of Memphis were married Saturday morning at 10 o'clock at Clovis, NM. Mr. Lewis is district manager for the Mutual Benefit Health and Accident Insurance Co., with headquarters at Memphis. Mrs. Wise is school health nurse for Silverton and Quitaque schools, and makes her home at Quitaque. The couple plan to make their future home in Memphis.

## Ballots Are In The Mail For PMA Election

Ballots for election of 1951 community committeemen and delegates to the county convention are being mailed this week. We urge all eligible voters to mark their ballots as they see fit and return them in the envelopes enclosed with the ballots in time for them to reach this office not later than 5:00 p.m. on the day of election, which is, November 18, 1950 in all communities except F (Antelope Flat) community, which is November 16, 1950.

In event you do not get your ballots mailed, you may take them in person to the place of election in your community.

**BE SURE TO VOTE** as your committeemen probably have more direct effect on your business than your county officials.

### TWO MEN SLIGHTLY HURT WHEN HAPPY ELEVATOR FALLS

Happy—A 65,000 bushel unit of the Happy Elevator company's No. 1 elevator collapsed Tuesday morning, slightly injuring two employes and spilling its bulging load of wheat.

C. L. Poe, who was standing in the driveway, received slight injuries about the head. His brother, J. J. Poe, was in the elevator at the time, working about 40 feet up. He fell the 40 feet but was only slightly injured.

The collapse occurred about 8:30 o'clock.

The Happy Elevator Co. is owned by W. H. (Pete) Whitlow and J. O. Parker.

The damaged elevator No. 1 is located across the railroad tracks east of the depot. The elevator has a capacity of 110,000 bushels, although the unit which collapsed has 65,000 bushel capacity. It was built in the spring of 1949, and in October of the same year it cracked. It was repaired at that time, however, and observers said there was little indication that the cracks caused this collapse.

Investigation as to the cause is under way, and damage estimates are being prepared.

### NEWCOMERS

A daughter was born last Thursday morning at Matador to Mr. and Mrs. James Washington. The little girl was named Jamie Lynn. Everyone is doing fine and she and her mother returned home the first of the week.

Tuesday a son was born at Matador to Mr. and Mrs. Warren Payne, and they are getting along nicely.

## Eat Supper With The P-TA Monday Night

If you enjoy good fellowship, you will enjoy the meetings of the Parent-Teacher association. Or if it's food you prefer—you don't want to miss the meeting of the P-TA next Monday night Nov. 13, when a pot-luck supper will be served. And along with the food and fellowship you will absorb some information.

The program will be a panel discussion, directed by Miss Ruth Conway, on the Importance of the Whims and Opinions of Teen Agers. This subject will very likely evoke some startling comments, and they will be from your neighbors, the folks you know and live among.

You are missing something when you miss the P-TA monthly meetings. You are missing a good program presented by the parents and teachers.

This isn't a talent show, but adult discussion of child problems and local school needs. Every family interested in our school needs and problems should be represented. You can contribute your ideas and enjoy the social hour that follows.

The next meeting will be Monday night, Nov. 13, at 7:30. We need you to make our P-TA bigger and better. Bring a pot luck dish and enjoy the program and the fellowship. The supper will be served buffet style, just bring one generous dish, and enough bread for your family.

Mr. and Mrs. Wes Harvey were in Amarillo last Friday visiting their sons, Ralph and Howard and families. Mrs. Harvey stated that Ralph is not getting along very well. He suffered a severe heart attack some time ago and was pronounced in a serious condition. His heart trouble is attributed to malaria which he contracted during his three years overseas service in the South Pacific during the war. Ralph is in bed most of the time now, and would appreciate hearing from his friends, his mother said. His address is 3004 NE 10th, Amarillo.

## The Bank Will Be Closed

SATURDAY, NOVEMBER 11TH  
Armistice Day

Please arrange your banking business accordingly and avoid possible inconvenience. Thank you.

### THE FIRST NATIONAL BANK

Member of F. D. I. C. Quitaque, Texas

W. R. SCOTT  
Owner and Publisher  
Mrs. W. R. Scott, Editor

Entered at the postoffice at Quitaque, Texas, as second class mail matter under the act of Congress, March 3, 1879.

LOCALS

Dooley Wilkins, colored man who was seriously injured in a car wreck last week, and has been under treatment for a fractured skull, was dismissed from the Plainview sanitarium Wednesday and has returned home.

**FOR SALE**—About 150 young pullets, some are 4-star matings, white leghorns, some laying. See Mrs. Pete Clark, or inquire at the Post. 43-1

Mr. and Mrs. H. G. Gardiner visited over the week end with his sister and husband at Waxahachie, and also with their daughter and family the Barney Bogans at Denton.

Visitors in the Alton Johnson home Saturday and Sunday were relatives from Wichita Falls, Mrs. Helen Spann and daughter and Mrs. Ferguson Gray.

**FOR SALE**—1950 Ford Pickup, F-3. Will sell at list.—H. G. Hunter, Quitaque. 42-1fc

Mrs. Farris Martin and daughter Brenda of Silverton, accompanied by her mother and brother Mrs. Omer Washington and Omer J. of Tulla were here Tuesday to visit Mrs. Washington's newest granddaughter, the little girl born last week to Mr. and Mrs. Son Washington. Small Alicia Washington accompanied her aunt, Mrs. Martin home to Silverton to visit a few days.

Mrs. Frank Hawkins returned home Friday evening from the Plainview sanitarium where she underwent major surgery, and is getting along nicely.

Miss Patsy Stark was home from NTS, Denton over the week end to visit her parents Mr. and Mrs. Orlin Stark.

**SPECTACLES repaired; broken lens replaced; quick service; finest quality; any kind.—Smith Drug, Turkey. 30-1fc**

Bobby Jack Ham was home over the week end from Denton where he is attending NTS.

Mr. and Mrs. Bill Chandler and children of Tulla were here Sunday afternoon visiting his father and mother Mr. and Mrs. Doc Chandler.

Pictured above are Mr. and Mrs. J. G. Gowin of Wynona, Okla., who observed their Golden Wedding anniversary on Saturday, October 14. The celebration of the treasured occasion was a quiet affair due to the recent illness of Mrs. Gowin, but their children were all present except one daughter who was ill, and the day was made delightful by the remembrances of friends and their family.

The beautiful cake was the feature of the dinner which the children prepared and served. Present with their parents were Mr. and Mrs. Charles Gowin, Mr. and Mrs. Clarence Barrett and son Charles of Quitaque; Mrs. Floyd Bodkin of Tulsa, Mrs. Bob Hulett of Amarillo, and Johnny Gowin and family of Lawton. Mrs. A. L. Tarter of Lazbuddy was absent because of illness. Also present were Mrs. Gowin's sister Mrs. J. M. Goodin and her son, and a cousin Miss Ann Tiffin, all of Maude, Okla. They have ten grandchildren and five of them were present.

Mr. and Mrs. Gowin were married in 1900 at the home of her parents in Stigler, in the Indian Territory. Before her marriage she was Miss Martha Bullin. He had a new home ready for his bride and after the wedding ceremony they went there, immediately. The home was on the farm and eventually the town of Prague grew up around them, and Mr. Gowin operated a mill and grocery store in the community, in connection with his farming interests.

They made their home there for many years and all of their children, 9 of them, were born there,

and attended the same school. Two of the children died in infancy and when they moved to Quitaque in 1929, the four younger children, Grace, Neva, Harvey and Johnny, came with them. Harvey died at Quitaque in 1933 at the age of 27; Neva is now Mrs. Clarence Barrett of Quitaque; Grace is Mrs. A. L. Tarter of Lazbuddy, and Johnny has a family and lives in Lawton. In 1941 Mr. and Mrs. Gowin returned to Oklahoma and he operated a ranch for three years at Hominy, then they bought their present home at Wynona.

Mr. and Mrs. Gowin have made many friends wherever they have lived. Their home was hospitable and friendly and they loved to entertain their friends. Mr. Gowin is an ordained minister of the Baptist faith, and both have always been faithful and loyal workers in their church.

Mr. Gowin also took an active interest in the civic affairs of the communities in which he resided and made quite an admirable record during his terms as mayor of Wynona. He promoted and supported a beautification and clean-up program for the town which gained interest over a wide area.

Mr. and Mrs. Gowin were delighted to be remembered by so many of their Quitaque friends on the celebration of their 50th wedding anniversary and appreciated deeply the many cards and gifts which they received, from their former neighbors.

IN APPRECIATION

Just a line to thank all my friends for all the lovely cards, gifts, and flowers which helped so very much to make my stay in the hospital pleasant.

I'll be seeing you again as good as new, very soon.  
God bless you all.

### FLOMOT NEWS

By Mrs. A. M. Tanner  
The Flomot Longhorns did it again. Guthrie was here Oct. 27 to match the Longhorns. We won 37-0. Coach Brumley let all the boys play. Bert Ezzell, Rufus Emmons and Raby Webb, all of Matador were the referees, etc. Keep up the winning streak boys!

Mr and Mrs. W. Bush were host and hostess to the football boys at a supper Friday evening.

R. H. Tanner was dismissed Sunday from the Lubbock Memorial hospital and his children brought him to his home.

Mr. and Mrs. James Monk were in Lubbock this week visiting her father R. H. Tanner. Also Bernice Gates and Mrs. Kermit Beasley, Joe Spear and Mr. Starkey were visitors.

Mr and Mrs. Arville Lee and son of Roswell, NM., are visiting his parents Rev. and Mrs. J. E. Lee and her parents Mr and Mrs. S. W. Skinner. Miss Louise Lee of Plainview also was visiting here.

Mr and Mrs. Howard Amick were week end visitors of his parents Mr and Mrs. R. W. Amick.

Mr and Mrs. John Bourland of Bushland were visitors of his parents Mr and Mrs. F. S. Bourland and friends.

Ben Turner who has been a patient in Traweek hospital at Matador was dismissed from the hospital last Thursday evening.

Mr and Mrs. Al Clements of Childress were Sunday visitors in the R. H. Tanner home.

The HD Club met Nov. 7 in the home of Mrs. Luther Turner for an all day meeting and covered dish luncheon. Quilting was done.

Bernice Gates and son Weldon and Mrs. Kermit Beasley and son

John were business visitors Monday evening in Turkey.

Miss Wanda Hutchins, formerly of Flomot, was married August 27 to Wayne Bentley. They will live in Kansas.

**BIRTHDAY DINNER AT FLOMOT HONORS MOTHER TURNER**  
A birthday dinner honoring Mrs. B. F. Turner of Plainview was served Sunday, Nov. 5, in the John Jones home at Flomot. The occasion was the 85th birthday of Mrs. Turner.

The birthday dinner is a traditional custom of the family. Each family brings a covered dish and among the delightful items on the menu were turkey, ham, cranberries, pies, cakes and fruit punch.

Pictures were made of Mother Turner and children. Also of the Grandmother and grandchildren present, and the Grandmother and great grandchildren.

At mid-afternoon the honoree opened many lovely gifts which included a strand of pearls and earrings which she donned, perfumes, cologne, powder, boxes of candy, gloves, hose, dress, rug, towel and soft sleeping garments.

Several musicians showed up among the group and songs were sung in the afternoon.

The five children of the honoree and their families were present. They are Mrs. Lizzie Archer, of Matador, Mr. and Mrs. L. B. Turner and Mr. and Mrs. John Jones of Flomot, Miss Roxie Turner and Mr. and Mrs. R. M. Morris of Plainview. Others for the dinner were: Mrs. B. J. Jones, mother of the host; Miss Frances Jones, Mr. and Mrs. Malcolm Turner and children of Flomot; Miss Peggy Cobb, Miss Rudy Dell Morris, Mr. and Mrs.

R. G. Morris and son of Plainview; Mr. and Mrs. Richard Turner, Mr. and Mrs. Ben H. Clemente, Mr. and Mrs. Wess Hall, Mr. and Mrs. Elvin Markham and children of Matador, Mr. and Mrs. Bill Conroe, Miss Zan Compton, Mr. and Mrs. Buster Boyd and children, Mrs. Imogene Gibson and children of Lubbock.

Those calling in the afternoon were: Mr. and Mrs. Le Juene Turner and children, Mrs. Neva Graves, Mrs. A. J. Bynum and Mrs. Kit Washington of Flomot; Mrs. Viba Hunt and son of Plainview, Mrs. Thelma Brown and son, Tommy of Amarillo, Miss Joan Turner and Mr. Ed Rawson of Tulla.

### AMENDMENTS TO TEXAS FISHING REGULATIONS

Austin, October 29—Two regulations affecting fishing in Texas were recently amended at the last regular monthly meeting of the Game, Fish and Oyster Commission, according to the Executive Secretary of the Commission.

The first of these regulations affects the taking of minnows from waters in the Panhandle area. Under the amended regulation not more than 1,000 minnows may be taken or possessed at any one time by any one person from the waters of the following counties: Dallam, Sherman, Hansford, Ochiltree, Lipscomb, Hartley, Moore, Hutchinson, Roberts,

Phone 74

Hemphill, Oldham, Potter, Carson, Gray, Parmer, Wheeler, Deaf Smith, Randall, Armstrong, Donley, Collingsworth, Castro, Swisher, Briscoe, Hall, Childress, Cottle, and Motley.

This regulation, prior to amendment, provided that not more than 200 minnows could be in the possession of any one person at any one time.

The second change in regulations acted upon by the Game Commission affects the North Bosque River below the Waco Dam to where the Bosque River flows into the Brazos River. All nets and seines, other than the 20 foot min-

now seine and fruit jar type trap for taking minnows for bait, are prohibited in this two mile stretch of the Bosque River.

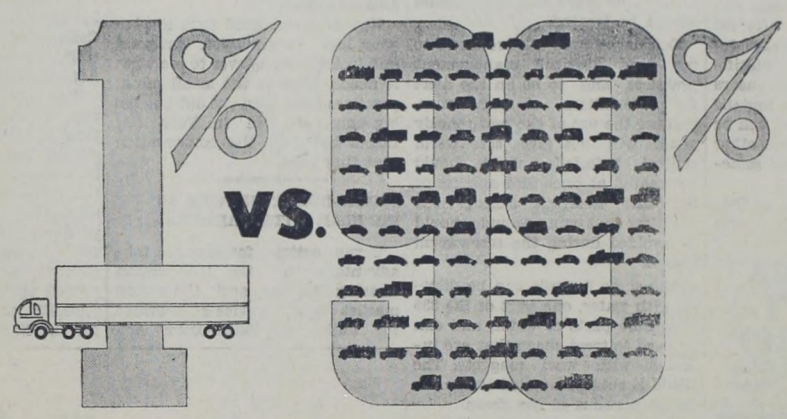

The Executive Secretary announces that these new regulations go into effect November 10.

**DOUBLE OR NOTHING**  
An efficiency expert walked into an office and asked the first clerk he met, "What do you do here?" "Nothing," answered the clerk. The efficiency expert nodded, made a note, then asked a second clerk, "And you; what's your job here?" "I don't do a thing either."

"H-m-m-m," said the efficiency expert, "duplication."

The OR driver had had a fatal accident. The insurance company man was at the widow's house and was presenting her with a check for \$25,000, double indemnity payment on his life insurance. The widow was crying and inconsolable. She looked at the check and whimpered: "I'd give \$15,000 of this to have him back again!"

Beggar: "Have you a nickle for a cup of coffee?"  
Man: "Oh, I'll manage somehow, thank you."

## Are Our Texas Highways Being Destroyed by 1% of Highway Users?

This question is presented squarely for the first time by the Texas Tax Journal in its booklet, "The Case of the One Per Centers."

Every Texan who wants good highways, adequate for 99 of every 100 users, should write for a free copy of this revealing booklet.

as each pays its fair share of construction and repair costs.

Other Texas taxpayers should not be required to shoulder the burden of a roadway system for highway "box cars", representing only 1% of highway users.

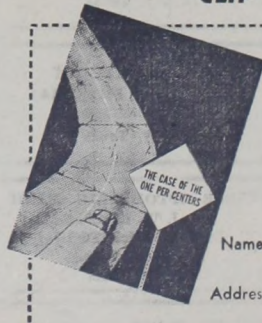

Every Texan interested in good highways without increasing the growing tax burden should fill out the coupon below and get a copy of this valuable booklet.

Approximately 99% of all Texas motor vehicles are registered for a gross weight of 20,000 pounds or less.\*\*

All Texas taxpayers, including your Texas Railroads, have reason to be concerned about the high cost of constructing and repairing our highways and the prospect of building more costly roads made necessary by the operation of highway "box cars."

No one has any desire to bar vehicles of reasonable size from our highways, so long

**NEW SCREW WORM TREATMENT HAS BEEN DEVELOPED**

College Station, Nov. 9—A new treatment for the control of the destructive livestock insect pest, the screwworm, has been developed by the USDA's Bureau of Entomology and Plant Quarantine at their Kerrville laboratory. The new treatment is known as EQ 335 screwworm remedy.

According to J. A. Deer, assistant extension entomologist of Texas A. & M. College, the new remedy will replace the old reliable Smear 62 formula that has been used for the past 10 years. The formula for EQ 335 contains by weight 3 percent of the powerful new insecticide, Lindane, 35 percent pine oil, 42 percent white mineral oil, 10 percent emulsifier and 10 percent silica gel.

Deer says production of the new remedy is to start immediately and there will be smears of different consistencies on the market depending upon the type of emulsifier used. He says any of the smears that contain the 3 percent lindane and the 35 percent pine oil will be effective even though the other items in the formula vary somewhat from the original.

Here are the advantages he lists for the new smear over 62. It will

not deteriorate upon standing. An application usually lasts for seven days or about twice as long as an application of Smear 62.

Treated wounds heal quickly and the lamp black and other coloring chemicals that stain clothing, wool or hair are not found in the new remedy. The treatment kills maggots deep in the wounds, young maggots as they hatch from eggs and flies attracted to the wound to feed or lay eggs.

According to Deer, the new remedy has been tried on thousands of animals during the past four years and none have been injured from the treatment. He points out, however, that young animals, especially calves, might become sick if the treatment is not applied properly. The smear should be applied with a small paint brush and only the wound and a narrow strip of an inch or less about the wound should be treated.

Deer urges livestock producers to use good livestock management practices and to be on the alert for infestations of screwworms, because the use of the new remedy alone will not give screwworm control. Infested animals should be treated at once and operations or other livestock management practices that cause wounds should be avoided during the screwworm season.

The same formula can be diluted with water, one part of EQ 335 with nine parts of water, and can be used to treat sheep that are infested with wool maggots. The liquid should be applied to the infested portions of the sheep.

Deer says screwworms have caused heavy damage this year in Texas and since the weather still remains warm over most of the state, further damage can be expected. He says this new smear will soon be available on the market and recommends its use. Check the container label, he says, to be sure the product you purchase contains the 3 percent lindane and the 35 percent pine oil by weight for these are the items that give the smear its kick.

price supports are no good but due to newspapers and radio commentators, a lot of us think that we are paying an extremely high price for it. What are we really paying? In the last 17 years the government has lost only about \$212 million. Averaging this all around a man would have to have a wife and 10 (yes 10) children to pay about one dollar a year for the loss we suffer on farm supports.

True, the newspapers tell us that we are losing millions on potatoes and a very few other products, but did you ever read in the same papers that we are making money on cotton, corn, and a lot of other things. Let us take facts in black and white instead of some "big-shots" word for it and get him to prove it is as bad as what he says it is.

Did you know last year the postal loss was \$555,000,000.00. How many times are we told that high tariffs are an indirect subsidy to big business. This keeps cheap foreign goods off the American market. No where in the world are farm products as cheap and manufactured goods as high as the United States, outside of very few items.

**No Cotton Allotments Or Quotas For '51**

Being no restrictions on the 1951 crop of cotton a producer can plant as much cotton as he wants to but this in no way off-sets any part of the 1950 cotton quota regulations. Most all of us have heard of the small amount of good planting seed, insecticides, etc. that is in prospect for another year and it may be wise to get most of this early.

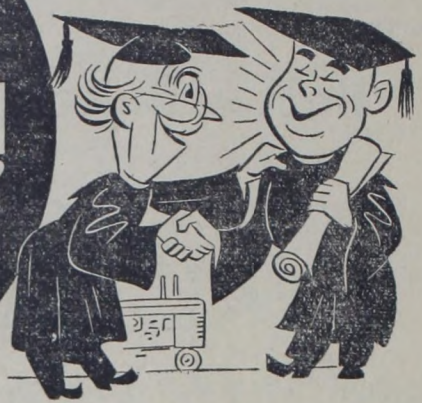

**Conservation:**

Now is a very good time to plan your 1951 conservation program and look the place over to see what it needs. Most of the small minor practices have been cut out but the big ones are still in. Very few farms have all the conservation that they need.

**SMITH-DOXEY SERVICE IS POPULAR WITH FARMERS**

Texas cotton farmers are taking advantage of the free cotton classing service and the cotton market news service as provided for under the Smith-Doxey Act.

**OUR SERVICEMEN**  
*"Graduated with Honors"*

And that fact means real dollar savings for you.

It means this—when you bring your John Deere Equipment to us for servicing, there'll be no time lost deciding what's to be done or how to do it. Our men are thoroughly schooled in servicing methods recommended by John Deere. With their knowledge and years of experience, our mechanics do the work quickly

and efficiently. They'll do only the work that's necessary . . . do it at the lowest cost to you.

Remember—trained mechanics, a well-equipped shop, and genuine John Deere parts—that's the service we offer you . . . service no other shop in this community is able to match. Call us for a free service estimate . . . soon.

**Erwin Hardware & Implement Co.**

PHONE 11-J

O. C. CRABTREE, Mgr

TURKEY

**BUY ONLY GENUINE JOHN DEERE PARTS - THEY FIT AND WEAR LIKE THE ORIGINALS!**

The program in Texas is handled by the Smith-Doxey State Review Committee cooperating with the USDA's Production and Marketing Administration.

This committee in 1950 processed and approved 1,083 applications from 165 counties. A farmer to be eligible for the free services must be a member of an organized cotton improvement group. Lichte says that 108,871 Texas cotton producers are members of the cotton improvement groups. They planted one or more of the 15 approved upland cotton varieties on 6,488,263 acres of land. Included for the first time in 1950, are the

acres for the varieties that produce fibers with staple lengths of 1 1/2 inches or more. Cooperating with the farmers through their organized group, are the owners of 1,452 cotton gins.

The market news service provides the farmer with the latest prices that are being paid on the various cotton markets for the different grades and staples of cotton. With this information plus the official grade and staple classification, the farmer is in a position to know just what his cotton is worth, says Lichte.

Father: "I won't have that

young fellow that works at the truck terminal kissing you like that. I saw you on the porch last night!"

Daughter: "Don't worry, Daddy. He'll improve. After all, I just met him yesterday."

First Girl: "They had to shoot poor little Fido today."

Second Girl: "Was he mad?"

First Girl: "He wasn't any too well pleased."

And then there is the Scotchman who refused to send his son to school, because he would have to pay attention.

The Choice of Champions—  
**DODGE "Job-Rated" TRUCKS**

**49 out of 86**  
champion truck drivers choose Dodge!

Champion drivers know champion trucks!

The nation's state champions . . . with proved reputations for safety records and driving skill . . . competed recently in New York at the National Truck Roadshow. Given the privilege of driving any make truck, these champions selected Dodge for national competition by more than 2 to 1 over all other makes combined!

In the events in which Dodge trucks participated, 6 out of 9 national winners drove Dodge "Job-Rated" trucks.

The champions selected Dodge for these tough tests because of "its extra visibility, its great maneuverability, good braking, and ease of handling." So, take a tip from the men who know: drive a Dodge "Job-Rated" Truck!

**FIRST TROPHY** in the Straight Truck Class was won by Richard Wold, Glendinning Motorways, Inc., St. Paul, Minn. Wold, Minnesota State Champion, drove a Dodge GA-152 1 1/2-ton "Job-Rated" Truck.

**FIRST TROPHY** in the Tractor, Tandem-Axle Semi-Trailer Class was won by O. E. Chapman, Pacific Intermountain Express, Oakland, Calif. Chapman, Colorado State Champion, drove a Dodge YA-142 4-ton "Job-Rated" Truck.

**SECOND TROPHY** in the Tractor, Tandem-Axle Semi-Trailer Class was won by Robert Rudesill, Glendinning Motorways, Inc., St. Paul, Minn. Rudesill, Minnesota State Champion, drove a Dodge YA-142 4-ton "Job-Rated" Truck.

**THIRD TROPHY** in the Tractor, Tandem-Axle Semi-Trailer Class was won by Harry W. Pollock, Johnson Motor Lines, Inc., Baltimore, Md. Pollock, the Maryland State Champion, drove a Dodge YA-142 4-ton "Job-Rated" Truck.

**THIRD TROPHY** in the Straight Truck Class was won by R. D. Wallace, Johnson Motor Lines, Inc., Charlotte, N.C. Wallace, who is North Carolina State Champion, drove a Dodge GA-152 1 1/2-ton "Job-Rated" Truck.

**THIRD TROPHY** in the Tractor, Single-Axle Semi-Trailer Class was won by Frank Kirkpatrick, Columbia River Truck Co., Portland, Ore. Kirkpatrick, the Oregon State Champion, drove a Dodge JA-128 2 1/2-ton "Job-Rated" Truck.

#### RUMMAGE SALE SATURDAY

The first grade will sponsor a rummage sale Saturday which will be held at the Bedwell Food Store. They will appreciate contributions toward their "stock" or in any other way. The class will use the proceeds for equipment.

#### HALLOWEEN BIRTHDAY PARTY

A birthday party Saturday night, October 28, in honor of Miss Carol Berry at the home of her parents, was a very pleasant affair and carried out the Hallowe'en motif throughout. The guests were greeted when they arrived by a spook, and games played were in keeping with the theme. The refreshments, also denoting the Hallowe'en season were cup cakes iced with Hallowe'en faces, and served with ice cream.

#### FHA NEWS

November 2 we had our monthly meeting. All Senior FHA members brought covered dishes and supper was served in a buffet style. Menu was tuna sandwiches, tomatoes, lettuce, potato salad, beans, potato chips. All had a choice of desserts—cake or pie.

Two club mothers were present, Mrs. Ralph Carter, and Mrs. Tom

#### MRS. TRAVIS MELTON HONOREE

A stork shower honoring Mrs. Travis Melton was given Friday morning, Nov. 3 in the home of Mrs. O. R. Stark, Jr. Assistant hostess was Mrs. C. E. Anderson, Jr.

Appropriate games formed the diversion and the gifts were presented in a bassinet lined with blue plastic and a small parasol at the head had pastel colored ribbons leading to the gifts. By the guest register stood a "stork" tree with pink and blue ribbons and candy with a stork on the top. Baby arrangements of flowers were points of interest in the room.

The table was covered with a white linen cut-work cloth and laid with silver appointments. The centerpiece was a stork rocking a

cradle with an arrangement of pink carnations. Favors were miniature storks standing on tiny cup cakes. Sandwiches, cup cakes, assorted nuts and mints and coffee were served.

Guests were Meses. Bob Payne, Rayburn Burgess, Bill Rucker, Wendell Farley, Odell Johnston, Skeet Hall, and Orlin Stark, Freda Smith, the honoree and the hostesses.

#### CONTRACTORS' NOTICE, TEXAS HIGHWAY CONSTRUCTION

Sealed proposals for constructing 11,241 miles of Gr., Strs., Base and two-Crs. Surf. Treat. from Dougherty to Crosby County line; and from end FM 599 at Gasoline east 1 mile and south to Motley County line on Highway No. FM 28 and 599, covered by RV 651-1-3 & V 971-1-2, in Floyd & Briscoe counties, will be received at the Highway Department, Austin, until 9:00 A. M., Nov. 14, 1950, and then publicly opened and read.

This is a "Public Works" Project, as defined in House Bill No. 54 of the 43rd Legislature of the State of Texas and House Bill No. 115 of the 44th Legislature of the State of Texas, and as such is subject to the provisions of said House Bills. No provisions herein are intended to be in conflict with the provisions of said Acts.

In accordance with the provisions of said House Bills, the State Highway Commission has ascertained and set forth in the proposal the wage rates, for each craft or type of workman or mechanic needed to execute the work on above named project, now prevailing in the locality in which the work is to be performed, and the Contractor shall pay not less than these wage rates as shown in the proposal for each craft or type of laborer, workman or mechanic employed on this project.

Legal holiday work shall be paid for at the regular governing rates.

Plans and specifications available at the office of James F. Potts, Resident Engineer, Floydada, Texas, and Texas Highway Department, Austin. Usual rights reserved.

### PALACE THEATRE, SILVERTON TO SHOW "LAWTON STORY"

One of the most unusual—and definitely one of the most worthwhile—movies to reach a local theatre scene in many years is the cinecolor production, *The Lawton Story of "The Prince of Peace"* which will show one day only at the Palace Theatre in Silvertown.

The reverence, simplicity and faithful portrayal of the Life of Jesus Christ makes it indeed a thing of beauty and a picture of great significance in this war weary world.

The *Lawton Story of "The Prince of Peace"* is actually two stories in one. The picture is based on the life of the famous Little Minister, Rev. A. Mark Wallock of Lawton, Okla., and his world-famous Easter pageant which has become America's greatest Passion Play. A new and pleasing child-star, 6-year-old Ginger Prince is introduced.

The movie will have four showings at the Palace Theatre on Thursday, Nov. 16, a morning matinee for school students, at 9:00 a.m.; 2:00 p.m. matinee, and at 7:00 and 9:00 p.m. in the evening. Admission is 25c and 50c.

### MRS. W. B. BARTON HONORED

On Sunday Nov. 6, the home of Mr. and Mrs. W. B. Barton at Flomot was the scene of a delightful birthday dinner honoring Mrs. Barton on her 70th birthday. All of her children and most of her grandchildren were present for the occasion.

These included Mr. and Mrs. Clay Hart, Don and Judy of Paducah; Mr. and Mrs. Clayton Barton and twin sons Tommy and Jerry of Plainview; Mr. and Mrs. W. E. Burleson, Stanley and Sue of Floydada; Mr. and Mrs. France Barton, Dixie and Mike, Mr. and Mrs. C. C. Jones and M. C., Mr. and Mrs. Wade Martin and Waydie, Miss Dede Barton, Mr. and Mrs. Richard Nall; Mr. and Mrs. Wilburn Martin, and Mr. and Mrs. Herbert Martin, all of Flomot. Mrs. Sarah Beard of Floydada also visited during the day.

Mrs. Barton received many gifts and the good food was enjoyed by everyone present.

### A TREAT FOR THE DADS

It is quite likely that Bro. Ray Riley will not be in Quitaque on November 11. He has received an invitation that would be very difficult for any father to refuse. His son Harold is an outstanding end with the Baylor Bears, and the following invitation was sent to Bro. Riley from the Baylor Athletic department, signed by George H. Sauer, director of athletics, inviting him to attend the Baylor-Texas game on Nov. 11, when special recognition will be accorded fathers and sponsors of the players. The letter follows:

The Athletic Department is very anxious to honor the dads and sponsors of our football players, and would consider it a great privilege to have you with us for the Baylor-Texas game on November 11, 1950, to be played in Waco, Texas. Your son, Harold, is very anxious to have you attend.

The mutual admiration which a father and son have for each other prompts us to ask you to sit on the side line and wear the number of "Harold" on your back. The complete program calls for a luncheon and a "get-acquainted" period at 11:45 in the Student Union Building. At that time all the dads and sponsors will be given the number they are to wear on the side line. Following this luncheon, you will all proceed to Baylor's wonderful new stadium for the big game with Texas University. We plan to introduce all the dads and sponsors
