FARMERS URGED TO REPORT ASC FEED GRAIN ACREAGE

A presidential message has been sent to Congress requesting feed grain legislation for 1961. In order to be prepared for the program in the event it goes into effect it is necessary to make an immediate survey of feed grain producing farms in order to carry out a 1961 feed program.

A feed grain acreage report will be required for each feed grain farm in Briscoe County by March 16, 1961. On this report we must secure the corn and grain sorghum, history acreage, and other farm data required in the establishment of farm feed grain base acreages on which such grains were produced in 1959 and 1960. In order to account for all cropland on the farm, the acreage devoted to other crops and uses will also be obtained. We have data available for cotton and wheat acreage but to complete the report for the farm, it will be necessary that the producer report the land use of all other cropland on the farm the date of the sign-up.

The acreage data may be reported

from 8 A. M. to 5 P. M. at the following dates and places for producers in Briscoe County.

Community A - March 8th at ASC Office, Silvertown.

Community C - March 9th, ASC Office, Silvertown.

Community E - March 10th, ASC Office, Silvertown.

Community B, D and F - March 13 and 14th at the old Grade School Building in Quitaque.

Remember that this sign up is for history purposes only and in no way obligates you to comply with the program if it is passed by Congress. Productivity will not be considered at this time.

It is your responsibility to see that the above information is filed with the ASC Office for your farm; therefore, if you have any doubt, please come by the ASC office since we will not be able to obtain this information by telephone or mail.

Because this survey must be completed by March 16, 1961, it will be necessary that we have your complete co-operation as we have always had in the past.

F.H.A. CHAPTER SPONSORING VOLLEYBALL GAMES, CAKE AUCTION NEXT TUESDAY NIGHT

The local F.H.A. Chapter is sponsoring volleyball games and a cake auction next Tuesday night, March 14, 7:30 P. M. at the High School Gym.

Anyone who would like to play on a team, or get their own team together, please call SeReatha Stephens at 2181. We would greatly appreciate your help.

Proceeds from the night of fun will be used to send two of the F.H.A. girls to the state F.H.A. convention in Dallas, and also to help finance the Sweetheart Banquet.

For a night of fun, be at the gym next Tuesday night!

TEXAS FARMERS UNION ACTIVELY SUPPORTING KENNEDY BILL

Denton, Texas—Texas Farmers Union is actively supporting the Kennedy Feed Grain Bill now being considered by House and Senate, State President Alex Dickie, Jr., stated. The bill would increase needed farm income of feed grain producers by some 17 percent this year and reduce production by about 20 per cent. The bill represents a savings of more than five hundred million dollars over the existing program for this year, Dickie stated. Our farmers and ranches are urged to get off telegrams and letters to Secretary Freeman and Senators Yarborough and Blakley and all Texas Congressmen in support of the Feed Grain Bill, Dickie further stated. Dickie stated that this is the first Kennedy farm bill and it is very vital that we farmers help in passing this measure. It was the big Texas farm vote that elected Kennedy and we need now to support him in his effort to improve farm income.

Joe Frank Hawkins, son of Mr. and Mrs. Frank Hawkins of Lockney, had an emergency appendectomy Monday afternoon at Lockney General. At last report he is recovering nicely.

Mrs. M. L. Smith Dies Wednesday

Mrs. M. L. Smith, 83 a resident of Hall County for 57 years, died at 6 A. M. Wednesday in Goodall Hospital in Memphis.

Funeral services were conducted at 3 P. M. Thursday in the Lakeview Methodist Church. The Rev. Clesby Patterson officiated. Burial was in Lakeview Cemetery with services under the direction of Spicer Funeral Home of Memphis.

Mrs. Smith, the former Annie Virginia Brown, was born November 4, 1877, in Bell County, Texas. She attended North Texas Normal College at Denton before taking a teaching job at the Webster School in Hall County in 1903. She also taught one term at Indian Creek School after her marriage to Maurice Lucian Smith on September 23 1905.

The family had lived in the Eli community, seven miles west of Memphis since 1916. Mr. Smith died in 1919.

Mrs. Smith was a member of the Lakeview Methodist Church, a charter member of the women's missionary society and of the Eli Mother's Club.

Survivors include two daughters, Mrs. Emily Hillhouse of Memphis and Mrs. Jake Merrell of Quitaque; two sons, Brown Smith and Paul Smith, both of Memphis; a brother, Frank Brown of Blue Grove, Tex; several grandchildren and two great-grandchildren.

BILL GRIFFIN PURCHASES INTEREST IN ROBERTS FUNERAL HOME

Announcement was made here last week by Bill Griffin that he had purchased a half interest in Roberts Funeral Home.

The firm henceforth will be called Roberts Funeral Home, Inc.

Mr. Griffin has been associated with the firm for more than two years.

Mr. Griffin states that there will be no change in procedure, that he and his family will continue to make their home here in Quitaque.

CONDITION OF MRS. HAMILTON REPORTED TO BE GRAVE

The condition of Mrs. J. N. Hamilton who suffered a broken hip several weeks ago in a fall at her home, remains grave.

According to reports received earlier this week, Mrs. Hamilton was to undergo further surgery on her injured hip.

No later word had been received here at press-time.

MR. AND MRS. RAYMOND PURDY ANNOUNCE ARRIVAL OF RHONDA RAY

Mr. and Mrs. Raymond Purdy of Hart are the proud parents of a 6 lb. 4 oz. daughter, born on March 1 at the Swisher County Hospital at Tulla. She was named Rhonda Ray. Paternal grandparents are Mr. and Mrs. Cecil Purdy and Maternal grandparents are Mr. and Mrs. W. H. Harris.

Mr. and Mrs. Bud McFall of Great Falls Montana, arrived Monday night to spend a few days with his parents, Mr. and Mrs. Sid McFall. The Bud McFalls were married Friday evening in the Church of Christ in Great Falls. She is the former Darlene Leonard. Congratulations to this fine couple.

"42" Tournament At School Cafeteria Friday Night

The W.S.C.S. of the First Methodist Church is sponsoring a "42" Tournament Friday night, March 10, at 7:30. The Tournament will be held in the School cafeteria. Admission will be 50 cents per person and proceeds will go toward furnishing the new Methodist parsonage. Everyone is invited to attend. So come along and have a lot of fun.

FHA Loans Possible To Eligible Farmers

Additional funds have been made available to meet the needs of eligible farmers who need operating money to carry out their farming operations, Ralph E. Griffiths, County Supervisor for the Farmers Home Administration announced today.

Mr. Griffiths said that a \$35,000,000 contingency fund provided by the 1961 Agricultural Appropriations Act has just been released to the Farmers Home Administration to meet the growing demand for credit.

This move was taken by the U. S. Department of Agriculture, Mr. Griffiths said, in an effort to make certain, within the authorities and funds available, that no qualified family-type farmer will be required to give up farming because of his inability to finance his 1961 operations.

Because of high operating costs and unfavorable margins of profits many farmers have exhausted their regular sources of farm operating credit. The amount of operating loans made so far this year by the Farmers Home Administration totals 20 percent higher than last year. The credit Agency's biggest lending season lies just ahead as farmers prepare to start their spring work.

Most of the applications so far this year are for loans for operating expense and replacement of equipment.

The Farmers Home Administration makes operating loans primarily to help eligible farm families make improved use of their land and labor resources on family-type farms and make needed changes in their farming systems. Most of the changes call for adopting better farming practices and improving the efficiency of their farming operations. Loans may also be made to qualified farmers who carry on smaller than family-type operations.

Operating loans help farmers pay for equipment, livestock, feed, seed, fertilizer, tractor fuel and other farm and home operating needs including the refinancing of chattel debts. Loans are scheduled for repayment in accordance with the borrower's ability to repay, over periods up to seven years. The interest rate is five percent.

Further information on these loans may be obtained from the County Office of the Farmers Home Administration located in the basement of the Court House, Silvertown, Texas, on Tuesday morning of each week.

The Quitaque FFA and 4-H Project Show, sponsored by the Quitaque Junior Livestock Association, will be held Saturday, March 11.

The Show will be held on the football field and activities are due to get under way at 10:00 A. M.

Show officials announce that all stock must be on the grounds by 9:30 A. M.

In addition to the livestock show, an extra feature has been added this year in the form of a pet show. The pet show is open to any one in the first through seventh grades. Any kiddo who has a pet that he wishes to enter in the pet show should have the pet at the City Park at 11:30 A. M.

Activities for the day is scheduled as follows:

9:30 A. M. — All livestock on the show grounds.

10:00 A. M. — Judging of gilts over 180 pounds.

10:30 A. M. — Judging of gilts under 180 pounds.

11:00 A. M. — Judging of light-weight barrows.

11:30 A. M. — Judging of heavy-weight barrows.

Immediately following the judging of the swine, there will be a class for sheep and at the conclusion of the sheep judging, the pets will be judged.

At twelve o'clock a noon luncheon will be served at the concession stands by mothers of the FFA members.

1:00 P. M. — Judging of dry lot calves.

2:00 P. M. — Livestock sale.

At the close of the livestock show the barrow will be given away.

The Quitaque Young Farmers Chapter is sponsoring a Showmanship Award and this will be presented at the conclusion of the show.

MRS. E. P. RUMPH OBSERVES EIGHTY-FOURTH BIRTHDAY

Minnie Mae Roberson, Mrs. A. F. Van Meter and Mr. and Mrs. W. W. Cain visited Mrs. E. P. Rumph in Clarendon Sunday afternoon. Mrs. Rumph celebrated her 84th birthday Sunday. She is doing fairly good.

CHERYL MERRELL CELEBRATES HER FIFTH BIRTHDAY

Little Cheryl Merrell celebrated her birthday Sunday, March 5. She was five years old on Tuesday, March 7, but Cheryl celebrated on Sunday in order that all her relatives could eat dinner with her. Those enjoying the occasion were Mr. and Mrs. Willie Woods, Chloee and Willie Mae; Mr. and Mrs. Joe Edd Smith and Jana Beth; Mr. and Mrs. Jimmy Davidson, Jimmy Don and John David and the host and hostess, Mr. and Mrs. Truman Merrell.

LIT BOGAN RECEIVES PROMOTION

HAWAII (FHTNC) — William R. Bogan, son of S. T. Bogan, Sr. of Quitaque, Texas was promoted to marine gunnery sergeant, February, while serving with Marine Air Base Squadron 13, a unit of Marine Aircraft Group 13 at the Marine Corps Air Station, Kaneohe Bay, Hawaii.

He is administrative chief of the squadron, Marine Aircraft Group 13 is the air arm of the First Marine Brigade, a combat-ready, air-ground fighting team of the Pacific Fleet Marine Force.

Before enlisting in July 1948, Bogan was graduated from Quitaque High School.

Attend The FFA Livestock Show Saturday, March 11

The following merchants offer their congratulations to the FFA-4H Boys for the fine work that you are doing. We hope that your Show Saturday is the best one that you have ever had.

While farm tractors have long since proved their worth as power suppliers, they must be chosen wisely and used efficiently if they are to return top dividends. W. L. Ulich, extension agricultural engineer, says a tractor represents a sizable investment and should be selected to fill the needs on the farm.

HI-PLAINS HI-LIGHTS

Flame Cultivation to control weeds in cotton was first used at the High Plains Research Foundation in 1959, and the results were so encouraging that a research project on flame cultivation was established in 1960. The main objective of this research program was to determine the effects of flame weeding on the cotton while killing weeds.

The research program included tests with the different tractor speeds, pressure settings, cross and parallel flaming, pre-emergence flaming, size of cotton at first flaming, use of both the standard and "midget" burners. The results of the flaming program are being released this week by Dr. T. C. Longnecker, Director of the Foundation.

Pre-emergence flaming was done just as the cotton plants were beginning to break through the ground. Careless weeds, and crab grass were killed 100 percent by this pre-emergence flaming. No difference in the weed kill was detected between the cross and the parallel burner position. Purple nightshade, which made up about 50 percent of the weed population, was not killed by the flame. Hoeing time was cut in half to about one hour per acre with pre-emergence flaming. Two to three per cent of the cotton seedlings had emerged and almost all were killed. Lint cotton yield varied from 667 to 799 pounds per acre, with different flaming methods, as compared to 679 pounds per acre from the unflamed plots. The average yield of all the flamed plots was 707 lbs. per acre. This indicates there was no decrease in cotton yields through the use of flame cultivation.

Where the midget burner was used early beginning when the cotton was 4 inches high and the standard burner later, the cotton yielded 102 pounds more than the unflamed plot. It is believed that this

early flaming helped kill thrips and fleahoppers which were difficult to control in the wet weather which prevailed at that time and permitted the cotton to grow off better.

Grade, staple, and micronaire were so similar in both the flamed and unflamed cotton that it indicated that flaming had no effect on the cotton quality.

Careless weeds, goathead, seedling Johnson grass, purslane and annual grasses, such as crab grasses, to a height of 4 inches, were successfully killed with flame cultivation. Flaming did not control purple nightshade, blueweed, and horse nettle. Johnson grass from rootstalk was set back by flaming but not completely killed.

Further research on flaming cotton, as well as other crops, is now being conducted in the lower Rio Grande Valley by Dale Price, Agricultural Engineer for the Foundation, and will be conducted at the Foundation in 1961.

The 1960 research program with flame cultivation was made possible by money, materials, and equipment from Gene Bumpus Company, Plainview, Warren Petroleum Company, Tulsa, Oklahoma; Dorchester Corporation and Shamrock Oil Company, Amarillo; and Gotcher Engineering, Clarksdale, Mississippi.

Mr. and Mrs. Horace McDonald and children and Mr. and Mrs. Johnny Brummett met Mr. and Mrs. David McDonald and Mr. and Mrs. A. E. Williams of Borger at the home of Mr. and Mrs. J. H. Spear, Jr. at Clarendon Tuesday evening for another family get-together.

ANDY SEZ —

By State Senator Andy Rogers

Members of the present legislature seem unable to agree on many issues as their predecessors, but no legislature has ever worked harder.

Most of the work during the first months of any session is spent in bill drafting and committee hearings on, and revision of, these bills.

This work cannot of course be done when the Senate or House are actually in session or official meeting.

With only 31 members in the Senate these committees occupy the major portion of our time in Austin. If as many as any two of our 26 standing committees are in session there are not enough members left over to allow another committee to meet. Our Senate Finance Committee alone has 21 members.

Until 4 years ago the Senate had 48 committees. These were combined and reduced in numbers to acquire more efficiency.

All bills introduced are entitled to a public hearing before a committee, and at least 48 hours public posting of notice of hearing is made on all but strictly local and/or uncontested bills.

Every citizen is guaranteed the right to appear before the committee and speak for or against any and all legislation in which he is interested. Many thousands of citizens do testify.

On March 3, many of our 30th Senatorial District were in Austin to appear before our Senate Finance Committee. Legislation which was being heard in committee concerned appropriations for the Agricultural Extension Service, Rodent Control and Agricultural Experiment Stations.

Among those agricultural leaders present, and which I as a member of the committee introduced for testimony and support for stronger programs in these fields were: Leo Witkowski of Happy, Grady Shepard of Hale Center, A. W. Anthony, Jr. of Friona, Elbert Harp of Abernathy, Wendell Christian of Bovina, and Bruce Rigley, S. M. True, Jr., Charlie Walker, Gene Browning, Clovis Poteet and Jarvis Zecek, all of Plainview.

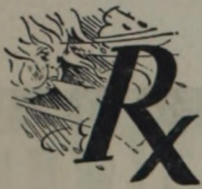

The importance of our agriculture area to the state and the need of all agriculture and related industries for more support through stronger Extension, Research and Experiment programs was emphasized to and well received by our Senate Finance Committee.

Such action, plus your letters, telegrams and personal contact of legislators provide the substance to preserve our form of government.

Other visitors to our office this session have included Dr. W. R. White, President of Baylor University, Ted Connell of Killeen, National Commander of the Veterans of Foreign Wars, Alvis Yarbrough of Childress, President of the National Rural Electric Co-operatives Associations, Otho Dent (former Judge of Lamb County), member of the State Board of Water Engineers, Tom McFarland of Lubbock, Manager of the Hi-Plains Underground Water District No. 1.

Growing citizens interest in legislative matters is strongly evidenced by the heavy mail to my office this year. This we deeply appreciate. It is hard to emphasize how important individual citizen participation is in preserving our freedoms. At present two thousand letters are on my desk to be answered. This is not meant as a complaint, rather as a compliment to those interested in good government.

Keep your advice and counsel pouring in. But we do hope you understand that a prompt reply is impossible at the present.

BEWARE of MARCH WEATHER!

This is a reason to be more vigilant than ever before about your health. A serious illness may result through your negligence. Don't take chances... bring your doctor's prescription to us for expert compounding with the finest fresh drugs.

TEXAS PRESS ASSOCIATION

Mrs. W. E. Morrison accompanied Mr. and Mrs. Birt Lane to their home in Plainview Saturday to spend a few days. The Lane's had been visiting in Turkey when they came by Quitaque and Mrs. Morrison went home with them.

Mr. and Mrs. Lloyd Fulkerson of Odessa spent Monday night and Tuesday with her sister and husband, Mr. and Mrs. Ray Persons. Mr. and Mrs. Persons accompanied the Fulkerson's home Tuesday and took the ladies' mother, Mrs. M. T. Witcher for a visit with the Fulkerson's.

Mr. and Mrs. James Brunson and children, Mr. and Mrs. D. E. Brunson and family, and Mr. and Mrs. George Brunson of Kress drove to Ringling, Okla. Friday evening to visit their brother, Emmett, and to help him celebrate his 65th birthday.

The gathering came as a complete surprise to Mr. Brunson. On Sunday, two of the Brunson sisters, Mrs. Robert Layton of Pauls Valley and Mrs. George Bolware of Oklahoma City, Okla. ate dinner with them. They report a very enjoyable week-end.

Those attending the District School for the Order of the Eastern Star, which was held at Paducah last Thursday were Mr. and Mrs. W. F. Sauls, Mr. and Mrs. John Rogers, Mmes. J. T. Persons, Chas. Gowin, A. L. Morris and Bernice Gates.

Mr. and Mrs. Ray Persons and Ronnie Hutcheson visited Mr. and Mrs. Tom Persons and son at Plainview Sunday.

Mrs. Warren Carpenter and Mrs. Wayne Martin were in Lockney last Tuesday for medical attention.

JOHNNY BRUMMETT'S ENTERTAIN RELATIVES AND FRIENDS

The home of Mr. and Mrs. Johnny Brummett was the scene of a get-together Sunday, March 5, of several of Mrs. Brummett's relatives. The occasion being a visit with her brother and his wife, Mr. and Mrs. David McDonald of ElCajon, Calif.

Others present to enjoy the delicious noon meal were Mr. and Mrs. A. E. Williams of Borger; Mr. and Mrs. J. C. Cates and granddaughters, Connie and Galle Lamb, Mr. and Mrs. Clark McDonald and children, Mr. and Mrs. Claude Sheets, Jr. and Mr. and Mrs. Spearman; Mr. and Mrs. Quannah Barker and children, Mr. and Mrs. Joe Fred Barker and Belinda, all of Amarillo and Mr. and Mrs. Horace McDonald and children.

Friends calling in the afternoon were Mr. and Mrs. P. T. Clark and children of Hereford; Mr. and Mrs. Rex Tiffin and children of Silverton; Mr. and Mrs. Robert Patrick; Mr. and Mrs. U. D. Tiffin; Mr. and Mrs. Glynn Dell Tiffin and children; Mrs. Lesa Tiffin; Mrs. Joyce Mayfield and Danny; Mr. Clyde Morrison and Mr. and Mrs. W. E. Helms.

Mr. and Mrs. David McDonald of El Cajon, Calif. visited from Friday until Monday with his sister, Mrs. Johnny Brummett and his brother, Horace McDonald and their families, and with other relatives and friends.

Mr. and Mrs. Calvin Helms of Rotan, Texas visited his brother, W. E. Helms and family Tuesday and Wednesday of last week.

Miss Frieda Lee Malone, daughter of Mr. and Mrs. James C. Malone of Tulia, became the bride of Calvin Stanley White of Amarillo last Friday evening, March 3. The ceremony was performed in the home of the bride's parents.

G. M. Covington, minister of the Church of Christ, performed the ceremony.

The bride was attended by Miss Yvonne White, sister of the groom. Best man was Jack Mars of Tulia.

The couple is at home in Amarillo where he is employed and also attending school.

Calvin is the grandson of Mrs. Celia White of Quitaque, and a nephew of Mrs. P. John Monk.

Mr. and Mrs. R. A. White, Mick-

THE QUITAQUE TRIBUNE — Thursday, March 9, 1961

ey and Barry Paul spent Sunday afternoon with his mother, Mrs. Celia White and his sister, Mrs. P. John Monk and her family.

Mr. and Mrs. Cecil Seaney and children of Masterson spent Saturday night with his parents, Mr. and Mrs. Arthur Barrett.

Mr. and Mrs. P. T. Clark, Bud & Ruth of Hereford, and Mr. and Mrs. D. C. Lewis and children of Amarillo and their daughter, Mrs. Don Williams and Mr. Williams, spent Sunday with their parents, and grandparents, Mr. and Mrs. R. L. Patrick.

Mr. and Mrs. Wayne Hunter of Plainview spent Sunday with his parents, Mr. and Mrs. Horace Hunter.

Mrs. Joe Bedwell drove to Spearman to spend the week-end with her mother, Mrs. J. M. Cates.

Mrs. Roy Smith and Mrs. L. J. Bedwell visited Mrs. H. O. Dyer Sunday afternoon at her home. Mrs. Dyer is feeling better at this writing.

Mr. and Mrs. George Boyles of Amarillo, Floyd, Troy and Clyde Tiffin spent Sunday with Mr. and Mrs. Everett Boyles. George Boyles and Clyde Tiffin were boyhood chums, and they had not seen each other in twenty years until they got together Sunday.

Mrs. J. T. Persons took her mother, Mrs. Sallie Seay to Childress for medical treatment last Wednesday. Mrs. Seay is having eye trouble.

Miss Peggy Brunson and Myra Eudy of Fort Worth spent the week end with Peggy's parents, Mr. and Mrs. R. L. Brunson.

Mr. and Mrs. Robert Hamilton of Amarillo spent Sunday with his parents, Mr. and Mrs. N. V. Hamilton.

Ronnie and Jo Beth McCracken of Tulia spent from Friday night until Sunday with their grandparents, Mr. and Mrs. Boone McCracken, and Mrs. Estelle Davidson.

Mr. and Mrs. Buster Chadwick spent Saturday and Sunday in Turkey with her parents, Mr. and Mrs. Guy Smith. Mrs. Smith and Sue

celebrated their combined birthdays Sunday.

Mr. and Mrs. Jim Stell of Friona spent Sunday with their children, Mr. and Mrs. Jack Chandler. Mrs. Stell remained for a few days this week to help care for little Kenny, who has been quite sick with bronchial asthma.

Miss Lizzie Gregg and Mrs. Bessie Frier of Lovington, N. M. are visiting their sister, Mrs. J. W. Ewing and Mr. Ewing this week.

JAMES HOLMAN THE EVANGELIST
 Pastor James C. Holman of First
 Methodist will do the preach-
 ing for the revival which is being
 planned for March 19-26. He will
 speak, both for the morning week-

day services which will begin at
 7 o'clock, and for the evening ser-
 vices at 7:30. In both the morning
 and evening services he will be
 speaking on "Great Questions of
 the Bible". The questions from
 the Bible that he will use in the
 morning services will be those di-
 rected to the Christian. In the even-
 ing services the questions will be
 evangelistic.
 Gaston Owens will lead the con-

gregational singing and sing special
 numbers for the morning services.
 There will be choirs each night.
 The Methodist Youth will form the
 choir for Monday and Wednesday
 evening services. Other youth of the
 community are invited to sing with
 the local Methodist Youth. There
 will be an Adult Choir for the Tues-
 day and Thursday evening services,
 made up of all the interested sing-
 ers of the community. On Friday
 evening, March 24th, the Baptist
 Youth Choir will sing.

Mrs. Amelia Johnson has the re-
 sponsibility of supervising the
 "Youth Ushers" who will serve on
 the evenings that the Youth Choir
 is not singing. There will be Adult
 Ushers on those nights, when there
 is a Youth Choir.

Mary Pittman is in charge of
 Prayer Room Arrangements. The
 Prayer Room will be available for
 "Come and Go" praying each
 evening from 7 to 7:30. There will
 be a Worship-Center, a Kneeling
 Altar, Bibles opened to the passage
 that the Evangelist will use that
 evening, and soft, worshipful music.
 A nursery will be provided each
 evening for small children. Coffee
 and doughnuts will be served be-
 fore and after the morning services.

**MISSIONARY FROM CUBA
 TO SPEAK AT SILVERTON**

Miss Peggy Campbell, short-term
 missionary to Cuba, will speak in
 the First Methodist Church of Sil-
 verton Sunday afternoon at 3 o'-
 clock. Intermediate and Senior
 Youth from First Methodist Church
 will attend the service together, as
 an alternative to their 6 o'clock
 meeting.

**GENEVA CURTIS HOSTESS
 FOR GUILD**

The Methodist Guild, organiza-
 tion for working women, will meet

 Tuesday afternoon at 2:30 o'clock.

BAPTIST JUNIOR CHOIR NEWS —

Some of our members attendd
 the Music Festival at Plainview on
 February 24. Although we did not
 participate, we enjoyed listening to
 the other choirs sing. We think that
 listening to these other choirs help-
 ed us.

We are planning to attend the
 State Music Festival at Plainview
 the latter part of this month. All
 Juniors should plan to go as it will

mean a lot to the choir.

We are singing every Sunday
 evening for the worship service.
 The last Sunday evening of this
 month, we plan to present a hymn
 called, "Alas; and Did My Savior
 Bleed?" We have been working on
 this real hard. We have had to
 work hard because it is a harder
 piece of music than we have been
 learning. After we learn this hymn,
 we can feel that we have accom-
 plished something.

Every Junior boy and girl needs
 to be in the choir. We invite every
 Junior to come and be with us
 each Sunday at 5 for choir. We
 know you will enjoy it very much.

We have a new record with the
 Hymns of the Month on it. It helps
 us to hear the songs before we try
 to learn them.

Mrs. L. B. Turner

Capt. and Mrs. Walter Speer and children of Savannah, Ga. and Mr. and Mrs. Ray Montoya and children of Albuquerque, N. M. were here over the week-end visiting their parents, Mr. and Mrs. J. L. Speer and their brother, Johnnie. Mr. Speer remains a patient at Matador, where he is receiving treatment for a heart condition.

Mr. and Mrs. Wilson Bourland and children of Lubbock were over night guests at the home of his mother, Mrs. F. S. Bourland, Saturday night and Sunday.

Mr. and Mrs. Bennie Brown and children of Amarillo visited his parents, Mr. and Mrs. Blue Brown of Matador, and her parents, Mr. and Mrs. Earl Whitaker and Jan.

Miss Eula Whitaker and her niece and nephew, Eulalie and Bobbie Smith of Spur visited in the home of Mr. and Mrs. Joe Smith over the week-end.

Mr. and Mrs. Irving Merritt and children of Morton were guests of her parents, Mr. and Mrs. Wade Martin Saturday and Sunday.

Mr. and Mrs. Clyde Gilbert, Mr. and Mrs. Algie Groves, Judge and Mrs. Elbert Reeves and Mrs. R.

L. Anderson of Matador, Mr. and Mrs. Sam Chambliss of Whiteflat, Mr. and Mrs. Lewis Cummins of Plainview, Mrs. Thelma Loving of Quitaque and Bill Helms of the Gasoline community, Mr. and Mrs. Bert Degan of Turkey and Mr. and Mrs. Ray Noblitt of Clarendon were guests at the Lions Club Fish Fry Thursday evening at the school gym. Mr. Noblitt spoke to about ninety people concerning Boy's Ranch at old Tascosa, near Amarillo.

Rev. Samuel Akande of Wayland College was the guest speaker Saturday evening at the Men and Boy's Banquet at the First Baptist Church.

The women of the church prepared and served the food, Chicken and dressing, gravy, hot rolls, green beans, congealed salad, fruit cobbler, coolade, hot coffee, and pickles was all on the menu.

Rev. Akande told of his native Nigeria and Ghana. He spoke of their housing, their customs, and their need of mission work to be done. The Rev. Akande is a married man, 35 years of age and has a wife and a 22-month old daughter. He has been in America 2 years and was pastor of one of the largest Baptist churches in Nigeria before coming here. He will graduate from Wayland in May and will do further study at the Seminary at Louisville, Ky. He will then return to his own country where he will again preach.

Rev. Akande was the speaker at the eleven o'clock service at First Baptist Church. He stayed with the L. B. Turner's while in Flomot.

METHODIST LEADERS TO MEET IN ABILENE MARCH 14-16

Abilene, Texas — Methodist leaders throughout the Northwest Texas Conference and the New Mexico Conference will be in Abilene March 14-16 as the annual spring Willson Lectures and the Board of Trustees meeting are held on the McMurry College Campus.

Dr. J. M. Willson, Sr. of Floydada, chairman, has set the board meeting for March 14, opening day of the lectures. One of the most important items up for consideration is a proposed new \$175,000 administration building for the college. Most of the funds for the new structure were donated last October by Lubbock banker C. E. Maedgen and his wife. The building will be named for them. Contracts for the new building will likely be signed at the March 14 board meeting.

Dr. Gordon R. Bennett, McMurry president, has announced that the spring Willson lecturer will be an outstanding Indiana author and scholar, Dr. D. Elton Trueblood, professor of philosophy at Earlham College. Dr. Trueblood has written 18 books and is in constant demand on the lecture platform.

Dr. Trueblood holds degrees from Penn College in Iowa, from Harvard University, and received his Ph. D. from Johns Hopkins University. He also holds seven honorary degrees.

He was chief religious information for the U. S. Information Agency during 1954 and 1955.

DON'T FLY KITES NEAR ELECTRIC WIRES, CHILDREN ARE WARNED

Local children were cautioned today against flying kites near electric wires by Grady Starkey, local manager for West Texas Utilities Company.

He suggested an open field, away from electric wires and busy streets, as the ideal place for kite flying. "It's dangerous to fly kites in the streets or anywhere near poles and wires partly because of the traffic hazards and partly because kites may come in contact with electric lines," the WTU manager said. Serious trouble may result if the kite becomes entangled in electric wires.

If a kite gets caught in electric wires, a child may receive an electrical shock, or at best may lose his kite," Starkey warned. He emphasized, however, that kite-flying can be completely safe if a few simple rules are followed.

The WTU manager made his pleas for safety as warm temperatures and steady breezes signalled the beginning of the spring kite-flying season.

He also suggested that kite-flying enthusiasts use only dry string. Wet string, wire or twine with metal in it are good conductors of electricity and increase the danger of electric shock, either from wires or from atmospheric conditions. Metal shouldn't be used in the construction of kites either.

Starkey warned model builders against flying planes near electric wires. "The model builder can receive a serious shock if the control wire touches an electric line," he said.

"If a kite does become entangled in the wires, don't try to get it down. Either leave it alone, or call the WTU office for assistance," he suggested.

In discussing electrical safety, the power company spokesman

also urged parents to use care when they are moving outside television or radio antennas without expert help. He pointed out that WTU servicemen would be glad to advise them concerning high voltage lines near their homes.

Mrs. Mort Hawkins entered Lockney General Hospital about noon Wednesday of last week, and was put in traction for relief from an old back injury.

She was able to return home on Friday, but had to remain in bed until Tuesday. She returned to see her doctor Wednesday, and reports that her condition is some improved. She plans to go back to work next week.

Mrs. E. A. Puckett accompanied the Hawkins' to Lockney Wednesday to transact business while they were at the hospital.

Your RIGHT TO VOTE

MR. AND MRS. VOTER, do you feel that you should have an opportunity to vote on legalizing Parimutuel Horse Race Betting?

A constitutional amendment (H.J.R. #4) is being considered whereby Texans will be given an opportunity to legalize horse race betting in Dallas, Tarrant, Harris, Galveston, Bexar, Midland, Hidalgo, Cameron and Webb Counties, subject to approval by LOCAL OPTION.

H.J.R. #4 provides for distribution, ANNUALLY, among all counties that do not have race tracks, one-half of the STATE TAX REVENUE obtained from horse racing. Each county would receive approximately \$1.00 per capita population the first year. Counties where the tracks are located would receive 2% of parimutuel handle. The state's tax income from horse racing alone would run close to \$12,000,000 the very first year—possibly more—besides all the income tourists would bring to Texas—which would amount to millions of dollars, plus a great ad valorem tax on race tracks, breeding farms and many valuable race horses.

Please express your opinion by checking the appropriate box below. You do not have to sign your name unless you like, but we would prefer it.

P O L L

- YES:** I feel that the people should have an opportunity to vote on horse race parimutuel betting.
- NO:** I am not in favor of letting the people vote on the subject.

**FORMER FLOMOT RESIDENTS
CELEBRATE 50TH ANNIVERSARY**

Mr. and Mrs. Alfred Martin, Miss Nova Dell Martin and Eldon went to Decatur recently to attend the 50th Wedding Anniversary of her parents, Mr. and Mrs. Guy Waters. The event was observed Sunday, February 26, 1961, in the Waters' home at Decatur.

All of their eight children were present for the occasion: Mr. and Mrs. H. P. Patrick and Patsy, Mr. and Mrs. Miller Waters, Mr. and Mrs. Geoffrey Waters, Donna and Sunny, Mr. and Mrs. G. C. Waters, Guy and Jerry of Fort Worth; Avon Waters of Sunny Mead, Calif.; Mr. and Mrs. Alfred Martin, Nova and Eldon of Flomot; Mr. and Mrs. R. I. Thomas, Jr., Lorna and Robin of Odessa; and Mr. and Mrs. A. P. Washburn, Centhia, Mike and Tom of Midland.

The Waters families gathered at their parents home Sunday morning and all attended church and at noon went to the Club Cafe in Decatur where a special dinner was served to the above named members of the family, and to Miss Sheila Degan and Dean Turner, of Flomot. Music was furnished by the granddaughters of the honored couple and by Miss Degan. After the delicious meal the group went to the Waters home where Open House was held to their many friends and their families.

As music was being played by a granddaughter, Miss Cynthia

Washburn, Mrs. Sylvia Martin pinned a corsage of gold on her mother and a son, Miller Waters pinned a white boutonniere on his father's lapel.

Donna Waters registered the guests and Patsy Patrick registered the many lovely gifts. Nova Martin served the iced punch while Mrs. Miller Waters served the cake. The table was laid with a lace cloth with a heart-shaped centerpiece surrounded by cut flowers with a white streamer on which the gold letters spelled out the words "Guy and Emma" and "1911-1961". Refreshments were served to more than 300 guests and relatives.

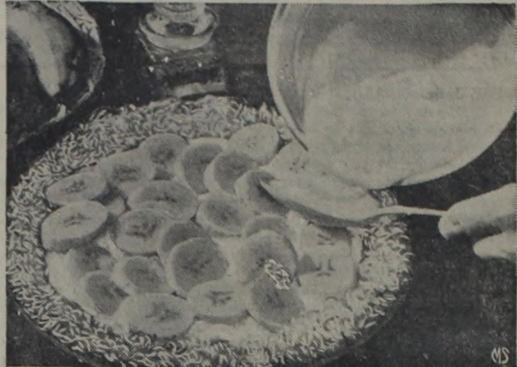

Emma Miller and Guy Waters were married February 26, 1911 at Tin Top in Eastland County, Texas. Minister Forbes of the Church of Christ performed the ceremony.

The family came to West Texas in 1925 and made their home in the Gasoline and Flomot communities for 18 years. Six of the Water's children went to the Flomot schools. Mr. Waters was a farmer and also drove a Flomot school bus and was given the name of Cookie Waters. He was a favorite of both young and old. When a driver was needed to take a group to a nearby ball game or to drive for a trip, parents, teachers and children knew they had an ally in Cookie Waters.

In 1943 Mr. and Mrs. Waters moved to Decatur and once again he farmed for the next two years. He is retired now from his active duties.

Mr. and Mrs. Waters are active

EASY CREAM PIE

Cream pies, those culinary works of art that formerly required years of experience to make, have become favorite desserts for beginner cooks to prepare. By using a pudding and pie filling mix and simplified recipes such as this for Banana Delight Coconut Pie, the most inexperienced cook can produce a beautiful, tasteful cream pie, and it is literally a matter of minutes until it is ready to serve.

Banana Delight Coconut Pie

- 1 package Jell-O Vanilla Pudding and Pie Filling
- 2 cups milk
- 1 baked 8-inch Quick Coconut Crust
- 1 cup sliced bananas (2 bananas)
- Cinnamon
- ½ cup whipping cream
- 1 teaspoon sugar

Prepare pie filling mix according to directions on package, cooling once or twice.

Pour half of pie filling into coconut crust. Cover with layer of sliced bananas. Add remaining pie filling. Sprinkle with cinnamon. Chill. Just before serving, whip cream, sweeten with sugar, and spread over top of pie.

Quick Coconut Crust: Combine ¼ cup melted butter and 2 cups Baker's Angel Flake Coconut. Press evenly into an ungreased 8-inch pie pan. Bake in slow oven (300° F.) for 30 to 35 minutes, or until golden brown. Cool.

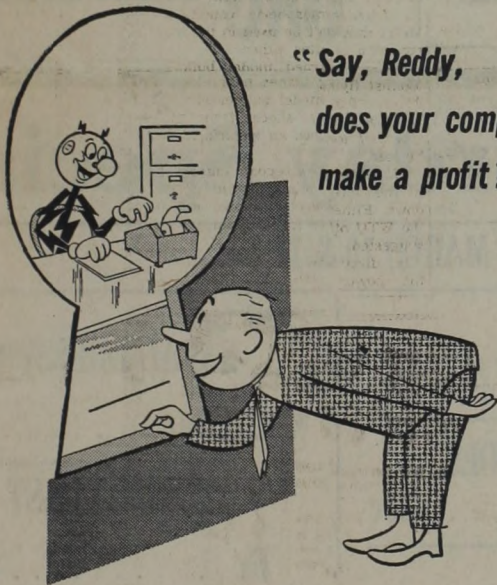

members of the Church of Christ and always take an interest and an active part in civic affairs.

Friends here, wish for them many more years of happiness and usefulness.

commends that farmers take advantage of the technical services available to them through local county agents.

A well lighted yard and walkway is desirable for accident prevention and convenience. One or two yard lights located near the driveway or on the corner of the house will provide illumination for the entire area and help provide night-time security, says W. S. Allen, extension agricultural engineer.

Modern farming is a competitive business and the successful farmers, believes C. H. Bates, extension farm management specialist, must plan just as carefully as does this counterpart in industry. Technology figures large for both. Bates re-

"Say, Reddy,
does your company
make a profit?"

We try Mister — we sure try!

Yes, Mister—the answer is Yes! You see, we are an investor-owned company, so one of our aims is to make money for our investors—the people who own us (after we pay our taxes, bills, and employees)... you know we are owned by many thousands of individual investors.

We don't have any special privileges from the government, to borrow money or to be excused from any taxes. We operate just like any other "free enterprise" business. We manufacture and distribute electric energy and we must make a profit to stay in business. So again, Mister—the answer is Yes—we sure try to make a profit.

WEST TEXAS UTILITIES COMPANY AND EMPLOYEE ARE AWARDED HONOR MEDALS

West Texas Utilities Company and Jimmie Martin, editor of Electric Times, employee monthly publication, have been awarded the George Washington Honor Medals, along with 28 other Texans. Winners of the annual Freedoms Foundation awards were announced on February 22 from Valley Forge, Pennsylvania.

A total of 773 medals were awarded in 1961 to American citizens, organizations and schools who won prizes for things they said, did and wrote. WTU's two medals were awarded for editorials, feature articles and stories which appeared in the Electric Times during 1960, and were judged as being "an outstanding achievement in helping to bring about a better understanding of the American Way of Life."

Early last November a panel of judges began examining and judging several tons of material which had been submitted and was housed in four wings of the Valley Forge Hospital.

This is the second time that the Electric Times has been the recipient of the Freedoms Foundation award. In 1951 the George Washington Honor Award was presented to West Texas Utilities Company and the editor of its magazine.

Cal Young, WTU President, and Martin will receive the awards at

a special ceremony, the time and place to be announced later.

Martin, who has served as a WTU industrial editor for the past 15 years, is a member of a pioneer West Texas newspaper family. Before joining WTU, he owned and operated newspapers in Brady, Childress, Snyder and McCamey. He is a graduate of Hardin-Simmons University where he had an active part on student publications and served as editor of the Bronco, HSU yearbook, during his senior year.

Mr. and Mrs. John Fulton and Ricky were in Amarillo Friday for Rick's check up and we are happy to report that the doctor dismissed him. They returned home Friday evening and John's parents, Mr. and Mrs. J. C. Fulton and his sister, Beverly, of Fort Worth arrived to spend the night and Saturday with them.

Mr. and Mrs. Sid McFall spent the week-end in McLean with their children, Mr. and Mrs. Billy Joe McFall.

CHAPEL CHOIR GOES TO PLAINVIEW

The Chapel Choir of the First Baptist Church journeyed to Plainview Friday, March 3rd, to sing at the Annual Singing Festival, held there each year.

Arriving in Plainview, the Choir stopped at the Wagon Wheel and ate supper. Then we proceeded to the First Baptist Church, arriving with just enough time to go over our songs once more. The Festival began at 7:00 o'clock. Our choir was supposed to be the fourth one to sing, but apparently the first three choirs weren't ready so they announced the Chapel Choir of the First Baptist Church of Quitaque.

The Choir sang "Alas! And Did My Savior Bleed" and "Teach Me, O Lord". There were 22 choirs present to perform. All of the choirs were judged by six judges who gave each choir a separate rating on their facial expression, their

enthusiasm, how they stood, their arrangement, etc.

Twenty-eight choir members attended from here. Including the directors, and sponsors, forty-two from Quitaque went along to enjoy the Festival. The Junior choir also accompanied us but they did not perform.

We were rated Superior.

ATTENTION CHOIR MEMBERS!

Those of you who are planning to go to Glorieta, New Mexico, please try and turn in your \$2.50 for reservations to Mary Stark or Reva Jean Beck.
