This And That About One Thing and Another

The front of the First National Bank building came down this week, in the remodeling process, and contents of the corner store were disclosed. Among other items was an issue of the "Silverton Star" dated April 23, 1920. At that time there was no newspaper at Quitaque, but the "Star" carried a column of Quitaque news.

A front page story is interesting. Tells about Frank Van Meter returning from a district school meet at Tulla, "on the mail car", reporting that his Buick was in a wreck which completely demolished it.

Another item reports that Jhn. Burson, president of the First National Bank, had returned from a meeting at Hot Springs, with the good news that the Transcontinental Highway was scheduled to run through Quitaque and Silverton.

Another little item we noticed "C. B. Reeves, the oil man, was in town Saturday on business concerning the oil project here. He had his big man (the geologist) with him." History is repeating itself this year—but why, oh why, don't they find the oil!

The advs. were interesting too. A nice Ford "runabout" was priced "with starter \$623, without starter \$550, FOB Oklahoma City." The First National Bank of Silverton had \$30,000 Capital, and Surplus and Profits \$70,000. The Farmers State Bank at Quitaque had \$13,000 Capital Stock and Surplus and Profits, over \$3,000. E. L. Cowart was Cashier of the Quitaque bank and Z. C. Collier was president.

Ever since the Scheids moved away we've been wondering who would operate the refuge for stray cats. Mrs. Scheid never turned a hungry cat away from her door, and there were times, we've been told, when Mr. Scheid and Mark had to fight for their rights when the milk was doled out. And Mrs. Scheid's cats weren't confined to outdoors either. Mrs. Otis Purcell seems to have the same sort of soft spot in her heart for members of the feline tribe, and also infinite patience. When her pretty Persian mother cat was killed in an auto accident, just three days after she had her first litter of kittens, Mrs. Purcell adopted the tiny animals and raised them on the bottle. A doll bottle—they were too tiny even for an eye dropper.

And kittens reminds us of another story that's needed telling for a long time. Back in the summer, Mrs. Gerald Smith was disturbed one night by a persistent whir. She got up to investigate but couldn't decide what was making the mysterious sound, so she called Gerald. He was sleeping by the window and the sound, they decided, was coming from just under the window. Further investigation disclosed a huge rattlesnake. There's no electricity at the Smith's so they had to protect themselves by flashlight. Mrs. Smith held the flashlight while Gerald shot the snake with his .22.

The snake measured almost 5 feet long and had 14 rattles. It was as big around as a man's arm. The Smiths brought it into town the next morning across the bumper of their car and it drug the ground on both ends. Their kitten, they said, had disturbed the snake, and was the cause of all the "rattling." They were grateful for the disturbance however, as that meant one less snake to menace them.

CONTROLS OFF ON 1951 COTTON

Washington, Oct. 3—Secretary of Agriculture Brannan announced today that farmers will be free to grow all the cotton they want to next year.

Rigid government planting and marketing restrictions in effect this year will be withdrawn for the 1951 crop.

Prospects of a short supply of some grades of cotton led the secretary to free the crop from government controls.

IN MATADOR HOSPITAL

F. F. Hefner is in the Stanley hospital at Matador where he received treatment for virus pneumonia. Mr. Hefner is improving, relatives reported Wednesday, but is still very sick.

New Federal Labor Law Has Farmers Worried

A number of farmers have inquired at The Post office concerning new child labor laws now in effect. The National Congress amended the Federal Fair Labor Standards Act in 1949 to provide that no school child under the age of sixteen could be employed in agriculture during the hours that the school operates in the district where the parents of the child are working. A severe penalty is assessed against the farmer if he employs such a child during school hours.

Supt. Cross was advised early in the school year that there is a possibility that the local schools might be affected by an influx of migratory labor. In some districts, he was told, the schools would be literally flooded if all the migratory pupils asked for admission and a real problem could be created.

Farmers who are interested in obtaining information in regard to this situation are advised to contact the Texas Employment Service, at Lubbock.

An article from the Star-Telegram concerning the problem is printed below:

North Texas cotton growers along with those of other states are worried no little by provisions of the federal farm labor law forbidding employment of children under 16 on the farm.

Under the old law, passed in 1938, it was relatively easy to evade the law; but it was changed last January to stop all loopholes.

As the federal statute stands now children under 16 may be employed "only outside of school hours for the school district where such employe is living while so employed."

Formerly the restriction applied only to periods "while not legally required to attend school." Since compulsory school attendance varies from state to state, the old statute allowed many children to remain out of school to work on their parents' farm or on any farm where their parents could secure such jobs as cotton picking.

This law applies to the children of Mexican families imported to pick cotton as well as to those of American parents and this makes the law particularly objectionable to farmers who have made arrangements to have Mexicans harvest their cotton. In many cases these families get half of their year's income from the work of the children. Under the new law, those children will not be able to work more than two or three hours each day schools are in session.

At Wellington in Collingsworth County farmers will gather Wednesday night to hear H. B. Nunn, representing the wage and hour division of the U. S. Department of Labor, explain the law. Most of the cotton crop there is habitually harvested by transient families, many of them with several children under 16.

The Wellington school district (Continued on Back Page)

IKE REED BRINGS IN SECOND BALE OF 1950 COTTON

A load of cotton, brought in Saturday by Ike Reed and ginned at Farmers Co-op gin, made the second bale for Quitaque of this season's crop. Reed said he went all over the ten acres which remained of his cotton field after the series of rains, hails, sand and electrical storms, and gathered enough to make a 680 pound bale. He said if the weather ever turns favorable he might gather another bale. His cotton graded very good he stated.

Mr. Reed said his most satisfactory crop this year is peanuts and they have thrived so well on the unusual weather that they have crowded out the goat heads.

Some farmers have cotton that looks better than last year's crop, and quite a number are estimating they will make 1/2 bale or more to the acre. Most of it will not be ready for several weeks, and perhaps not until frost, Bud Bailey, north of town said his cotton looked good and was opening now. With good weather he expects to start gathering next week.

Feed is not quite ready to cut. Some have been cutting enough to bring to the Elevator for testing but the moisture content is still testing too high for storage.

John Taylor Rites Are Held Monday Afternoon

The sudden passing last Sunday afternoon of John Taylor left another void in the fast diminishing list of beloved pioneers of this area. Mr. Taylor had been in failing health for some time and his passing was not unexpected, but when death comes so suddenly, the realization is always difficult.

Mr. and Mrs. Taylor had returned to their home after Sunday dinner in the home of their son Webb. A grandson, Jack Merrell, had driven their pickup home for them, and knowing that his father was not feeling well, Mr. and Mrs. Webb Taylor had followed in their car. Only a few moments after they arrived at the home, Mr. Taylor was stricken and though his family worked with him, life had departed before the doctor could reach his side.

Funeral services were conducted Monday afternoon at the school auditorium at 3 o'clock. Rev. Marvin Fisher, Methodist pastor, officiated at the rites, assisted by Rev. Ray Riley, Baptist pastor, and Rev. Marvin Brotherton of the Matador Methodist Church, and close friend of the family, brought the message.

Interment was in the Quitaque cemetery with the Daniel Funeral Home in charge. Pallbearers were W. J. Rice, Jim Stell, O. C. Payne, Alton Johnson and H. B. Johnson of Floydada and Hood Wise of Pecos. Honorary pallbearers were R. B. Persons, J. T. Persons, Orin Stark, John A. Johnson, O. W. Stroup, Earl Wise, J. L. Edwards, W. W. Merrell, Ace Monk, Elmer Tibbets, J. B. Jenkins of Floydada and Henry Schacht of Lockney.

A native Texan, born March 8, 1874 in San Saba County, Mr. Taylor was 76 years, 6 months and 22 days old at his death. On June 7, 1905 he married Miss Eunice Tucker of Haskell, and they had 6 children. The children are Webb and Dick Taylor of Quitaque, Rev. Joe Taylor of Oklahoma, and Preston of Tulla; Mrs. Eula Morris of Quitaque and Mrs. Ruth Boswell of Dallas. All were present with their mother for the last rites, and also the seven grandchildren: Jack Merrell, Laura Belle, Buster, Barbara Jo, Joe Frank, Huella and Linda Taylor. One grandchild Patsy Joyce preceded him in death.

Also surviving are two brothers, Marvin Taylor of Lockney who was present for the last rites, and George Taylor of Illinois, and a sister Mrs. Etta Wooten who lives in California.

John Taylor, with his brother Jim and their families, came to West Texas in 1911, and established themselves as ranchers and farmers on the land where they lived from that time until their deaths. Jim Taylor died on October 14, 1940. They operated as the Taylor Bros., using a joint bank account. The affectionate and harmonious association of these two families through the many years which they lived almost as one family, is a beautiful exposition of brotherly love and trust.

Both of the brothers held positions of high esteem and respect in the community. Both served as (Continued on back page)

NEW SCOUTMASTER

Delton Fisher is the new Scoutmaster, succeeding Com Hudson, who has moved away. All boys of Scout age are invited to join, and attend the meetings which are held every Tuesday night at 7:30 at the Legion Hall.

Baptist Revival Begins Sunday, October 8

DR. R. H. FALWELL, JR.

The revival at the First Baptist Church begins October 8 and runs through October 15. Services will be held twice daily, at 7:30 to 8 a. m. and 7:30 to 8:45 p. m.

Dr. R. H. Falwell, Jr., a Bible teacher at Wayland College, will bring the messages and George Owens will lead the singing.

Dr. Falwell is a young man of broad experience in Pastoral work and Bible teaching. He has been offered some of our larger pulpits of Texas, but he feels his ministry will bless more lives if he stays in the class room of a Christian college. He will thrill your soul with his gospel messages. You will enjoy this dynamic personality. Please plan to attend every service.

The new cushioned opera chairs are installed and you will find them very comfortable. The auditorium seats around 400 people.

All the young people will be especially blessed during the meetings. There will be fellowship meetings Sunday evenings and two or three times during the week. We extend to you a most cordial welcome.

Ray Riley, Pastor

LOTS OF COOPERATION GETS STREET REPAIR UNDERWAY

Work was begun this week on repairing the street which runs north from the highway to the Elevator, Compress, Farmers Gin, etc. And this will certainly be a greatly appreciated improvement.

This street has been a headache for months, with great wide mud holes which would barely dry up from one rain to another and of late parts of the street had become so impassable that traffic over it had stopped—and it is a main artery into town from a number of business institutions as well as for farmers living north of town. It is surely good to see the work begun on this street.

The street will be graded, and gravel and caliche is being hauled in to fill in and build up the worst places. The work is a collaboration of the city, the Compress, the Elevator, the Farmers Gin and the aid of the county equipment.

EMERGENCY OPERATION

Miss Una Lee Duck who has been ill for some time, and had to miss the past week of school because of illness, was taken to the hospital at Matador Monday, and underwent emergency surgery there Monday evening. She is reported doing nicely.

Mr. and Mrs. A. F. Van Meter, Jr. have a new home, which was built at Canyon and moved here and located here on the Van Meter place north of town. The house is very attractive, large and roomy, and modern.

Panthers Play Estelline Here Friday Night

By Gaston Owens
Quitaque's Panthers had to step way out of their class last Saturday and take on a huge and experienced gang of Price College Cardinals. The result was a 48-0 shellacking.

The locals didn't have a chance. They were outnumbered, outweighed, but not outfought. It was just a case of a bunch of boys playing a gang of men. The Cards are good but they were out to revenge a 19-0 loss suffered last fall at the hand of these same boys. The game was rough and brutal all the way. The Cardinals were penalized 120 yards—in one series of plays they were penalized 50 yards.

To the Panthers we would like to say that that loss is no reflection on your ability—you have that one behind you and for the rest of the season you will be playing boys your own age and we think you are just as good as any of them. We feel sure that we speak the sentiments of all the local fans of QHS.

Tonight, Friday, the Panthers take on the Estelline Bobcats here on Panther Field and the locals will be expected to get back on the winning side of the ledger. However, the Bobcats have been kicked around pretty badly thus far this season and will likely be a bit mad about this, so they shouldn't be taken lightly. They will have eleven men on the field, the same as the Panthers and anything can happen in a football game.

Another large turnout is expected to witness this, the second home game of the season and also the second conference game.

NOTICE

All members of the Quarterback Club are urged to be present at the regular meeting next Monday night. We have some very important business to take care of. Please be present. New members will be welcome.

Mrs. Ray Golden and children of Levelland and her brother Olin Patrick who is teaching on the Plains, were here over the week end visiting their parents Mr. and Mrs. J. K. Patrick and family.

Sid McFall, Jr., called his mother Saturday from Fort Sill, Okla., to tell her that he was on his way to Fort Lewis, Wash., for training.

Interest Here Centers On Civic Projects

There still remains a possibility that advertisement for bids on the Gasoline road may be released in time for October letting, stated James A. Potts, of Floydada, resident engineer for the state highway department who was a visitor here this week. Mr. Potts said he was of the opinion that the State office was ready to ask for bids on this construction but some red tape on the Dougherty road in Floyd county which is tied in with the Gasoline job may have held up the deal.

The bridge plans are complete and Mr. Potts stated that when work starts on the bridges (which could not be for several months yet) that in all probability work on the south road, so badly needed, also would begin. The bridges will be built under contract, but the highway department will build the road.

In the meantime, Mr. Potts stated, a fill will be thrown up across Los Lingos to connect up with the spans of the bridge still remaining, in order to make this crossing safer.

At the present time Quitaque is concentrating on this road construction and the new hospital. It is hard to state which project is more vital to the community—but gratifying to note that some progress is being made on both. The hospital committees have been out this week soliciting funds and the response has been very good. Work will be started on the hospital in a few days, the committee chairman stated, as soon as Hayden Boggs, who will be in charge, has completed his present job.

Randall Eddleman, son of Mr. and Mrs. Bruce Eddleman, has been quite ill this week and Wednesday was taken to the Plainview hospital where he has remained for a thorough examination. Doctors had not decided what the boy's trouble was, his granddad stated.

Mrs. Dick Witten and little daughters returned home to Amarillo this week, her mother Mrs. I. G. Grundy accompanying her and remaining for a few days visit.

LOCALS

Here Sunday to visit in the home of Rev. and Mrs. Marvin Fisher were Mr. and Mrs. W. D. Hale and son and Mr. and Mrs. C. C. Kiker and sons, all of Childress.

Mrs. S. C. Brown returned home Tuesday from Cordell, Okla., where she had been attending her sister who is seriously ill. She made the trip with another sister and husband, Mr. and Mrs. W. W. Brantley of Turkey.

GOOD Electric Maytag for sale or will trade for laying hens.—Otis Purcell, Quitaque. 36-tfc

Mr. and Mrs. Ollie Nell visited over the week end in Lubbock with their daughter Mrs. John Lindsey and family. They were accompanied by Mrs. Marie Lyles who also visited relatives and friends.

BARGAIN DAY RATES for the Fort Worth Star-Telegram are now in effect. The Post will appreciate handling your subscription or renewal. Daily and Sunday, \$13.95. 35-tfc

Mrs. Lester Smith of Portales, NM., came in this week and returned home her father J. W. Mayfield who had been with her for several weeks.

Mrs. Bob Hulett of Amarillo visited the first of the week here with her sister Mrs. Clarence Barrett and family, and her brother Chas. Gowin and family.

Mrs. Bill Morris and children of Roaring Springs and her father George Montgomery visited Sunday with their sister and daughter Mrs. Roy Smith and family.

NOTICE TO THE PUBLIC—Positively no hunting on my premises; trespassers will be prosecuted.—Cleat Miller 38-4c

Mrs. H. K. Carpenter returned home Tuesday from a visit with her son Ray Carpenter and family at Ruidoso.

Les Curtis was out from Fort Worth over the week end to visit with his mother Mrs. H. E. Curtis at Silverton and with relatives here.

SEED WHEAT, Early Wichita, for sale; also one-row binder.—R. M. Stephens, 6 miles south of Silverton. 37-2

*Willson and Son
Lumber and Hardware Company
"Where Most People Trade"*

Visitors here this week were Mr. and Mrs. Sam Stone of Littlefield. They were accompanied by their son Kenneth and family. Kenneth returned recently from Alaska where he has been employed with the United Geophysical Co., and joined by his wife and month old baby, came to Texas for a visit with his parents and other relatives. Kenneth's family stayed with his wife's parents in Landers, Wyo., while he was in the north.

NOTICE—NO hunting or fishing is permitted on any of my land. Bert Hawkins, Quitaque. 28-tfc

Mr. and Mrs. C. E. Anderson, Sr. and Jr., went to Oklahoma Sunday to take Mrs. Anderson, Sr., who remained for a visit with her sister who is ill.

Clyde Bedwell of Dallas was here this week visiting his mother Mrs. Daisy Bedwell and other relatives.

Mrs. W. O. McFall went to Pampa Saturday to attend the last rites for Dr. Kelly, her niece's husband. Mr. and Mrs. Pierce Hawkins took her to Childress and she continued from there by bus.

SEWING for children. I will appreciate the work. Call 22-W or see Mrs. Foy Peacock. 38-1

Mrs. Frank Wise and son Hood Wise and family of Peecos were here the first of the week to attend to last rites for John Taylor.

Mr. and Mrs. Oliver Payne are here visiting in the home of his sister Mrs. Charlie Carpenter and family while he is doing the electric wiring at the new bank building.

OPPORTUNITY to make \$50 per week or more part time. Car necessary. If you need extra income, write Rex Gamble, 415 Pierce, Amarillo, Texas. 28-1c

Dody Vardell of Dimmitt was here Sunday visiting relatives and friends.

NOTICE—Absolutely no hunting of any kind on my place three miles north of Quitaque.—Ernest Woods.

Mrs. M. E. Loving went to Abilene this week to spend three days attending the Annual WSCS conference there. In company with members of the Silverton and Turkey group, the trip was made with Rev. M. E. Fisher who was called to Aspermont to conduct a funeral for a former parishioner.

Mrs. Lee Driver went to Lubbock the first of the week to visit her

daughter Mrs. Lee J. Pharr, and more especially her new granddaughter Karron Sue. **SPECTACLES repaired; broken lens replaced; quick service; finest quality; any kind.**—Smith Drug, Turkey. 30-tfc

BIRTHDAY DINNER FOR THREE
A birthday dinner Sunday in the Clint Hicks home at Matador was in celebration of three birthdays—Mrs. Leroy Hamilton's, Joe Woodruff's and Clint Hicks'.

Those present were Mr. and Mrs. Clint Hicks and daughters, Mr. and Mrs. Walter Hicks, Rufus Hicks, Mr. and Mrs. Rudolph Moore and children of Matador; Mr. and Mrs. Bud McKay of Turkey, Mr. and Mrs. Leroy Hamilton and boys and Mr. and Mrs. Joe Woodruff of Quitaque.

NEW SEATS AT BAPTIST CHURCH

The new chairs were installed at the Baptist church this week, that have been on order for a long period. Delivery of the seats was expected back in the summer, in time for a revival meeting, but the meeting was called off because the old seats had been removed and services were being held in the church basement, and the chairs did not arrive at the date set for the meeting. The chairs are now installed and the meeting will begin Sunday, Oct. 8.

The comfortable cushioned opera chairs add greatly to the beauty of the auditorium, and with the installation of the new seats, new aisle runners of carpeting are ordered with the expectation of having these also installed before Sunday. Also new pulpit furniture has been placed on the rostrum. Bro. Riley says the new chairs are so comfortable they will be the ideal place for a nice Sunday rest—either at 11 in the morning or at the evening hour.

News From The Briscoe County PMA Office

Cotton marketing cards are ready to be issued to farm operators who are in compliance. If you planted cotton in excess of your allotment and have plowed up the excess or intend to plowup, or if the excess was destroyed by rain and hail, please notify this office as soon as possible if you haven't already done so. This must be done in order for you to receive a marketing card or any ACP payment. You must have a marketing card to sell your cotton penalty fee.

November 15, 1950 is the final date that winter legumes may be seeded and receive ACP payment.

B. F. Vance, Chairman of the State P.M.A. Committee, advised grain sorghum growers that the grain sorghum loan rate announced for your county is for grain sorghum stored on the farm. A deduction of 20.5 cents from the announced county rate (Briscoe County Rate \$1.80 per cwt) will be made where grain sorghum is stored in a commercial elevator, unless the storage is prepaid and so indicated on the warehouse receipt. Vance says the 20.5 cents reduction

is made on the assumption that the grain will have been in storage 230 days when the loan matures.

In some areas where harvest is late, farmers can save by prepaying the storage and securing the full county loan rate on their grain. Vance advises all growers to check with their local county P.M.A. office before closing the loan. The moisture content of

grain sorghums must not be in excess of 13.0 percent.

A young lady was interested in buying a fur jacket. "This is beautiful," she said gazing at a handsome coat of red fox, "but I'm afraid." "Afraid of what?" asked the salesman. "I'm afraid it might be ruin in the rain." "My dear madam," exclaimed the

salesman, "did you ever see a fox carrying an umbrella?"

In 1900 about one million persons were employed by the Federal, state and local governments combined. The 1950 figure exceeds 6,250,000, according to the National Industrial Conference Board. The nation's governmental payrolls today total \$22,000,000,000.

Brilliant All-Adult New York Singing and Dancing Cast
"A Supreme Achievement in Perfect Family Entertainment"
DON'T MISS IT!!
Every Child Deserves To See This
ONE AND ONLY ORIGINAL
MUSICAL STAGE PRESENTATION

SNOW WHITE COMING HERE IN STAGE PRODUCTION

The beloved fairytale, "Snow White and the Seven Dwarfs" will come to life Saturday, Oct. 14 on the stage of the school auditorium at Quitaque. The excellent New York company will present a musical stage version of the famous story embellished with glorious costumes, elaborate scenery. It will be a production designed for the enjoyment of both young and old. There will be comedy for children of all ages coupled with the sweet sentiment of the time honored story of Princess Snow White's love for her Prince Charming. The lovable antics of the seven dwarfs and the magic of the Queen-Witch plus the singing and dancing together make up one of the most delightful stage attractions you will ever witness.

The cast which has been assembled with utmost care from the ranks of New York performers has presented "Snow White and the Seven Dwarfs" in every section of the country. Audiences in such metropolitan centers such as Chicago, Detroit, Pittsburgh, Kansas City, Seattle and many others have been thrilled with this brilliant musical performance.

It is a safe assumption that any child who sees this production will always remember it as a most joyful event. The magic of the stage,

the living actor, dance and the colorful settings which go to make up a musical show never fail to impress the young mind and to guide it towards a fuller enjoyment of the beauties of life.

The production is brought to Quitaque under the auspices of the Parent Teacher Assn. It is something every child should see, and that they will always remember.

DIST. ATTORNEY STAPLETON'S MOTHER BURIED AT LOCKNEY

Lockney — Funeral services were held Saturday for Mrs. G. J. Stapleton, 82-year-old Lockney resident since 1915, who died Thursday Sept. 28, in a hospital here after an eight-month illness.

She is survived by two sons, Ralph of Flomot and John of Floydada; and four daughters, Mmes. Estis Woodburn of Lockney, E. M. Tucker of Waco, Arch Conner of Wichita, Kan., and Clyde Dunn of Goldsmith.

IN APPRECIATION

I want to express my appreciation to all the kind and thoughtful friends who have remembered me in many nice ways during my illness. The cards and visits, the nice things brought to eat and every other kindness is deeply appreciated and I thank each one of you.

BRISCOE COUNTY TO OBSERVE UN FLAG DAY

According to Miss Fern Hodge, District Agent with the Extension Service, Mrs. H. W. Cross, Mrs. H. P. Parker, Mrs. J. P. White and Mrs. Bill Woods all of Quitaque and Mrs. Conrad Alexander and Mrs. R. M. Hill of Silverton will have charge of the county wide UN flag making. These ladies were selected by Leo L. White, County Agricultural Agent.

United Nations Flag Day will be observed in every community in every county throughout the nation on October 24. This is our way of showing the world that we be-

lieve in the UN as an instrument of freedom and that we intend to remain a free people.

Each community is to buy the material for making its own flag. Volunteer "Betty Rosses" will do the sewing. The flag has a sky-blue background which reminds us of our Texas sky and state flower the Bluebonnet. It is centered by a white map of the world which is encircled by a white wreath.

Miss Hodge urges that everyone plan to be present at his community observance of UN Flag Day October 24. At the time the flag is raised it is hoped that every community will have a short program.

BRISCOE FARMERS ELIGIBLE FOR DISASTER LOANS

The Department of Agriculture has announced the designation of twenty-four Texas counties as areas where disaster loans can be made to eligible farmers by the Farmers Home Administration. Among the counties designated were Swisher and Briscoe.

The Department based its decision on field reports which showed that the existing credit facilities in the area are unable to meet all the needs of farmers whose wheat crops were severely damaged by past year's drought, green bug infestation, and this year's heavy rains.

Applications for assistance may be filed at the local Farmers Home Administration office in the approved areas. Location of the FHA office for this county is located in Silverton and in charge of the office is Harold D. Himmel, Supervisor. To be eligible for loans, applicants must certify that they suffered damage and that they are unable to obtain adequate credit from commercial or cooperative sources.

It is expected that the majority of the credit needs of farmers whose crops have been damaged will be for financing the year's operating expenses. Loans for this purpose will be repaid from proceeds of the crop financed. The primary purpose of the loans is to make it possible for farmers who have suffered serious losses from disaster to continue their operations.

Mr. L. J. Cappleman, State Director, FHA, Dallas, in meeting at Amarillo, Texas, explained the rules under which the loans will be made. Mr. Oris Bruner, State Field Representative, of Amarillo, was in charge of the meeting.

NEW WRAPPER

The City Bakery has a new wrapper for their bread. Still orange and red, and still mity nice bread, but now says Williamsons Home Made Bread. The new wrapper was a bit confusing last week, when first introduced. Some folks looked it over and put it back, not sure what they were buying.

LOCALS

B. C. Lannom drove to Fort Stockton this week and returned Sunday, bringing his mother to remain for an extended visit in his home.

FORD PICKUP For Sale—See Jake Lacy at White Auto Store, Turkey.

J. O. Davidson suffered a severe attack of acute indigestion Friday and was taken to a Lubbock hospital in the Daniel ambulance. He

was returned home Sunday evening and is getting along nicely.

BIBLES of all kinds, (including Masonic Bibles) and Religious Books.—Bob Copeland, Box 333, Clarendon, Texas. 38-1fc

Rita and Kay, small daughters of Mr. and Mrs. Ursel Taylor, spent the week end in the hospital at Matador for treatment of a virus infection. They were brought home Sunday evening, but Mrs. Taylor says they are on a strict diet, which the little girls contend is starving them to death.

Mrs. Pete Clark and son Burl left the first of the week for Dallas where Burl will undergo a medical recheck at Baylor hospital and further examination.

PLENTY ON THE BALL!

DODGE
"Job-Rated" TRUCKS

Plenty of Power!
Each of the 8 great Dodge truck engines gives you power plenty—top economy, too. That's because you get an engine that's "Job-Rated" to fit your hauling needs... one that's jam-packed with money-saving, long-life features.

Plenty of Payload!
You'll profit from bigger payloads without overloading axles and springs—thanks to Dodge "Job-Rated" weight distribution. More truck weight on the front axle means more payload on the rear axle.

Plenty of Performance!
In city traffic or on the open road, you'll enjoy performance plus! Dodge trucks are "Job-Rated" for easy handling, too! You can turn 'em in shorter circles, back 'em up and park 'em faster—with less effort.

Plenty of Protection!
You'll ride safety-sure in a welded all-steel cab with the biggest windshield of any popular truck! You'll have the finest truck brakes in the industry... a hand brake operating independently on propeller shaft on all models—1/2-ton and up.

Now! gyrol Fluid Drive!
Available on all 1/2-, 3/4- and 1-ton models. Lowers upkeep costs, prolongs life. Ask us for interesting Fluid Drive booklet.

Plenty Low in Price!
With all their extra value, Dodge "Job-Rated" trucks are priced with the lowest. Come in and ask us to show you a truck that will start saving you money the day you buy it!

See us for a Good Deal!

Flomot Sports News

The Flomot Longhorns are going to town with their second victory. They played New Home last Friday, and came out with a score of 32-6 in favor of the Longhorns. This Friday they will play Dickens at Dickens.

The Seniors of Flomot High—1950-51 have elected their annual staff. We think it is favorable and we want to let everyone know how things stand.

The Staff:

Erma Nall, Editor.
Beryl Monk, Ass't. Editor
Beutonne Cromer, senior editor.
Raymond Speer, sophomore editor.
Cora Gail Gunn, freshman editor.

Frances Jones and Charles Tanner, advertising.

L. T. Starkey, snapshots.
Jimmy Purcell and Dogie Woods, boys' sports.

Peggy Gunn and Wilma Hughes, girls' sports.

Mr. Wilburn Martin, business manager.

Of course we think we will have a good annual and we want everyone to have one, so come on and buy one now. Just see anyone on the above mentioned staff list. Also for your advertisements for the annual, see the advertising managers—IF they don't see you first. Thank you. The Staff

CECIL PURCELL RE-ELECTED TO FLOYD SCS BOARD

A crowd of approximately fifty farmers and their families attended the election of a member of the Floyd County Soil Conservation District board of Supervisors held at the South Plains schoolhouse Tuesday night. The voters present selected Cecil Purcell of Quitaque to succeed himself as supervisor of that subdivision of the District for a term of five years.

An enjoyable program of films was made possible through efforts of County Agent Bob Gibson, assisted by Carl J. Muench and Ralph R. Cogdell of the Soil Conservation Service staff.

The South Plains Home Demonstration club served refreshments of coffee and doughnuts to the group.

The board of supervisors held their regular meeting Tuesday afternoon with the following members attending: Cecil Purcell, W. H. Nelson, W. F. Ferguson and Bert Robbitt.

Applications to the district for assistance in establishing conservation practices were approved for T. P. Collins on a half-section of land north of South Plains, Cecil Baxter who farms the Morrison W. Liston section east of Floydada, Elmer L. Burleson on his farm northwest of Lockney and G. J. Clements of Plainview on his Section south of Providence. An

agreement between the District and Elmer Biggs was approved on land he farms southwest of Muncy.

NEW HD AGENT

Matador, Sept. 29 — Miss Marie Rea, formerly of Childress County, will become home demonstration agent for Motley County next Monday, according to Fern Hodges, district agent.

Miss Rea, a graduate of West Texas State College, has recently completed a period of training in Wilbarger County.

ATTEND RELATIVE'S FUNERAL

Mr. and Mrs. Jack Hutcheson went to Springtown Tuesday to attend the last rites for his uncle Dr. Walter Wood. Mrs. Wood is an aunt of O. E. Hutcheson and he was there with the family when Dr. Wood passed away.

Dr. Wood, 79 years old died at his home at Springtown Sunday. He had been a resident of the area for 55 years, had practiced dentistry until ill health forced him to abandon his profession. He had been postmaster at Springtown for 29 years. He retired in April, 1941.

Mrs. Donald Edgerton and children of Roswell, N.M., and her mother Mrs. Moats stopped by last Friday to visit the latter's brother Claude Cantrell and family, en route to Childress to return Mrs. Moats to her home there after a visit with her daughter in Roswell.

Don't Be Satisfied With Symptomatic Relief!

HADACOL NOW MAKES IT POSSIBLE TO RELIEVE THE CAUSE OF YOUR SICKNESS

Neuritis Pains, Stomach Disturbances, Indigestion, Gas, Constipation, Certain Nervous Disorders and a General Run-down Condition
When due to lack of Vitamins B₁, B₂, Iron and Niacin in your system!

Read How These Folks Benefited Who Had Such Deficiencies

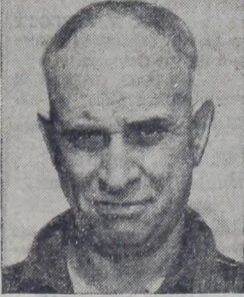

Mr. Anthamatten, 4731 South 32nd West Ave., Tulsa 7, Oklahoma, suffered from stomach distress for quite some time. He had spent much money trying everything possible for relief and was in bad health when he started taking HADACOL. He says, "After taking three bottles of the \$3.50 size, I've gained 27 pounds and now eat anything I desire and positively have no trouble." (HADACOL gives such wonderful results because it actually relieves the REAL CAUSE of stomach distress [gas pains, heartburn, indigestion after eating] due to such deficiencies. And continued use of this great HADACOL helps prevent such distress from returning.)

Mrs. Mabel Kitchen, 1650 Amsterdam, Cincinnati, Ohio, "Before I started taking HADACOL I had aches and pains of neuritis in my shoulders, my back and arms. I could hardly move without having those terrible pains. Then I heard about HADACOL. After the second bottle the pains and aches were about gone. I'm now starting my fourth bottle and am on top of the world. I eat well and, best of all, the aches and pains are completely gone." (Mrs. Kitchen is a very smart woman because she relieves the REAL CAUSE of her neuritis pains due to such deficiencies. HADACOL often brings a wonderful improvement within a few days' time.)

Mrs. J. Scieszinski, 514 Kruger, Ottumwa, Iowa, writes: "My daughter, Marilyn Sue, is 5 years old and for some time lacked pep, had a poor appetite, was generally run-down. Since giving her HADACOL, we have noticed wonderful results. . . she has a much better appetite, eats everything on the table and doesn't seem tired like she used to. Incidentally, she likes to take HADACOL, too." (HADACOL is a great 'builder-upper' for sick, nervous, puny kids whose systems lack precious Vitamins B₁, B₂, Iron and Niacin. A big improvement in their well-being is often noticed within a few days' time after taking the great new HADACOL.)

Mr. Henry Angel, RD No. 1, Springfield, Ohio, "I used to suffer great pain from neuritis aches in all parts of my body, especially in my legs, arms and shoulders. I never got any real relief until I tried HADACOL. After taking several bottles, my pain is all gone. And I'm working every day." (Now there's a smart man! Mr. Angel took HADACOL and relieved the REAL CAUSE of his neuritis pains because they were due to such deficiencies. HADACOL is helping thousands upon thousands of grateful men and women troubled this way. Why don't you give HADACOL a chance to help you? Start taking it today!)

Wanda Shelly, sister of the bride, and Betsy Ferguson, acting as candlelighters, wore matching dresses of burnt almond and sky blue corduroy, respectively, and wore corsages of white carnations. John Shelly, brother of the bride, and Donald Bartley acted as ushers.

The bride, given in marriage by her father, wore a hunter's green fall costume suite with moracco brown accessories. She wore the traditional something old, something new, something borrowed and something blue and a lucky penny in her shoe. She carried a shower bouquet of white carnations on top of a white Bible.

The groom had as his best man his brother-in-law, C. L. McWilliams of Silverton, Texas.

The bride's mother wore a cherry wine gabardine suit. The groom's mother, Mrs. Molly Morrison chose a gray gabardine suit. Both wore corsages of white chrysanthemums.

After the wedding a reception parents, where the wedding cake centered a beautifully appointed table.

The couple left immediately for a honeymoon trip.

The bride is a graduate of the Seymour schools and before her marriage was employed at the Corner Drug Store in Seymour.

The bridegroom is employed with the Southwestern Associated Telephone Co., and is located at Munday where they will make their home.

Out-of-town guest of the wedding included the bridegroom's mother and family, Mrs. Mollie Morrison, Roy and Joy of Quitaque and Mr and Mrs. C. L. McWilliams of Silverton.

SLIPS THAT PASS

From Brandenburg (Ky.) Messenger:

"The Midway Homemakers met Tuesday in the crazy little home of Mrs. William Richardson."

Typewriter Ribbons — Post.

HELP STILL WANTED

Some contributions of money and other items have been turned in the past week for the needed equipment at the school nurse department, but more is needed and will be greatly appreciated. Sheets, towels, wash cloths, and money to purchase some scales and other items that cannot be secured here are on the want list. Please give your donations to one of the committee, Mrs. W. R. Scott, Mrs. John Garner and Mrs. Roy Burgess, or leave it at The Quitaque Post. Thanks.

"COWBOY" DONNIE OBSERVES THIRD BIRTH ANNIVERSARY

Donnie Ray, small son of Mr. Mrs. Ray Cruise, was honored by his mother with a party on his third birthday Oct. 3. The party was held at the veterans' aggie building in Turkey from 3 to 5 p.m.

Thirty-five guests and some mothers were present to help Donnie celebrate the occasion in grand style. Games were played and pictures were made of Donnie and his cake, and also of the honoree and his little guests.

Favors were balls and jacks for the girls and toy cars for the boys. The birthday cake, a cherry-nut with three candles made by his grandmother, Mrs. Jess Browning, was served with ice cream. He received many nice gifts and all of the youngsters had a big time. Among his gifts was a new pair of boots and Donnie says that he is now a big cowboy.

Man has now conquered almost everything dangerous in nature, except human nature.

Boss: "How come you're only carrying one sack when the other men are carrying two?"

Workman: "Well I suppose they're too lazy to make two trips, the way I do."

Having too much money not only goes to a woman's head, but finds its way to her back.

IMPORTANT!

Why don't you get that wonderful HADACOL feeling everyone is talking about? In this modern age, wise folks are no longer satisfied with symptomatic relief — because now it's possible to relieve the cause of such deficiency sickness with that wonderful new HADACOL. HADACOL not only supplies deficient systems with extra quantities of

Vitamins B₁, B₂, Iron and Niacin but also helpful amounts of precious Calcium, Phosphorus and Manganese—vital elements every human being must have to maintain good health. You owe it to yourself to give HADACOL a fair trial. Many doctors recommend this great new HADACOL. It's sold on a strict money-back guarantee. Trial size, \$1.25. Large family or hospital size, \$3.50.

New Federal Labor Law

(Continued from page one) seems to be the major part of the county affected by the law as three districts, Quall, Samnorwood and Dodson, have been accustomed to dismissing school to allow the completion of cotton picking. Under the terms of the law, farmers in those three districts will be free to hire as many children cotton pickers as they desire.

Meanwhile, at Corsicana, District Judge A. P. Mays is quoted by the Associated Press as having told the new grand jury to ignore all federal laws regarding the employment of children. "The regulations are federal laws and Texas courts have nothing to do with them or their enforcement," said the Navarro County justice.

Judge Mays said some youngsters work during harvest and cotton picking times to buy clothes to wear to school, and that others contribute to the support of their families.

He said that if anyone is arrested for employment of youngsters, it will be by a federal officer, not a local or state officer.

IN APPRECIATION

I want to express my appreciation to my many friends for the interest shown me in my recent illness; for the visits, cards, flowers, lunches and prayers. May God abundantly award each of you.

May S. Gillespie.

John Taylor Rites Are

(Continued from Page 1) directors of the Quitaque First National Bank. Jim Taylor was a charter member of the board of directors. When he retired in 1929, because of falling health, John Taylor succeeded him on the Board, and at the time of his death was serving as Vice President.

He was a devoted family man, loved his home and his children. He was a good neighbor, and a trusted and cherished friend to many. For many years he worked actively in his church and in his community. He will be missed.

THE LUCKY ONES

Burgess Pharmacy held a drawing Saturday following the trades day drawing in which two lucky school students drew nice prizes. Students from the grade school and the high school had been registering at the store since school started. They were not required to make a purchase, just visit the store and sign the register, was all that was necessary to get their names in the drawing. For the high school division Jeanette Berry was the lucky student who received a nice radio, and Neva Jean Barbee in the grade school division received a wrist watch.

GENE MAYFIELD HEADED FOR ALL-CONFERENCE POST

Canyon, Texas—Gene Mayfield, sensational senior from Quitaque, is a main reason why the powerful West Texas State Buffaloes are currently leading the field in the rugged 9-team Border Conference football race.

Mayfield is a hot contender to oust Hardin-Simmons' John Ford from the all-conference signal post

FFA SWEETHEART

MARIE OWENS

All the FFA boys got together the other day and elected Marie Owens for the Chapter Sweetheart for this year 1950-51. The choice was just about unanimous.

— Reporter

this year and his versatility in passing, running, punting, defensive and offensive work will carry him a long way.

Last season the handsome quarterback completed 54 heaves out of 100 thrown with only 3 interceptions. This season he is off to a good start having connected with 8 out of 16, two going for TDs.

Mayfield will next be seen in action against Texas Tech in Lubbock, Saturday night, October 7, in an important Conference tilt.

NEW RESIDENTS

Another nice young couple have moved to Quitaque to join our growing circle of young married folks, Mr. and Mrs. Bob Payne. Mr. Payne was born and reared on the Plains, in Amherst, and for the past two years has been with the Higginbotham-Bartlett yard at Littlefield. He has come to Quitaque to assume management of the local yard, succeeding Com Hudson. The Hudsons moved last week to Dallas and the Paynes have moved into the house across from the Baptist church, belonging to the Higginbotham-Bartlett Co.

1,021 Register For Free Chest X-Ray

Response to the chest x-ray drive was most gratifying, according to members of the committee who worked with the transporting of people to Silvertown, and with the state health department representatives.

A thousand and twenty one were registered for the x-ray and it was estimated that 50 percent were from the Quitaque area. Mrs. Bessie Wise, county chairman of the drive, said that the group from the state department were both pleased and surprised at the splendid turnout.

Much of the credit for the success of the campaign in this area is due to the hard work and earnest efforts of the members of the Parent Teacher association, who were sponsors of the program. Quite a number of women put in many hours distributing literature and explaining the importance of the chest x-ray program, and when a group of earnest women put their shoulder to the wheel, the wheel is bound to turn.

The mobile x-ray unit will return to this area next year, if it is requested, the health nurse stated, and it will possibly be set up at Quitaque if there is a suitable place available.

WHO HAS THE SCS ROTARY FRESNO?

The rotary fresno belonging to the SCS is still missing. It is badly needed, and could be rented again, if it could be located. If you know anything about the fresno, please notify Glynn Morrison, and he will call for it.

The SCS also has to rent a new John Deere rotary fresno, Ford disc terracer, International disc terracer, Ford rotary scoop. This equipment is for rent to those who need it, but the SCS expects it to be returned. 36-2c

LEARN OF FRIEND'S DEATH

Mr. and Mrs. Bill Helms received a letter this week from Mrs. W. H. Burks of Tyler telling them of the death of her husband. Mr. Burks, about 50 years old, was buried Sept. 15 at Tyler. Mr. and Mrs. Burks had been out here quite a times, and he had worked for Mr. Helms about 6 years. He had a serious operation several years ago, and had partly recovered when his wife had an operation, and later he became ill again. He was a victim of cancer.

MANY THANKS

I want to thank all who were so thoughtful and kind to me during my illness. I appreciated the cards and other expressions of interest. Blackie Stidham.

Lyons Have Car Wreck On Slick Pavement

Mr. and Mrs. J. W. Lyon were the victims of an auto accident Sunday evening, Sept. 23, while returning home from a week end visit with his uncle at Ft. Sumner. Mrs. Lyon was driving and lost control of their new Plymouth on the slick wet pavement, in a drizzling rain near the turnoff into Bovina on the Dimmitt-Farwell highway.

Mrs. Lyon said the car turned over several times and when it stopped it had headed back west and was lying on its right side. When they recovered from the shock enough to speak, the Lyons discovered that neither had received serious injuries. They tried to open the door and get out, but Mrs. Lyon said she never realized until then how difficult it was to climb out of a car that was lying on its side. She couldn't make it, but a few minutes after the accident other cars passing that way, stopped to render aid, and took them in to Bovina. They called their son Judge J. W. Lyon, Jr. at Silvertown and he and Mrs. Lyon drove out for them, taking them to their home at Silvertown.

Mrs. Lyon, Sr. said neither of them seemed to be injured seriously, but when the doctor examined her, x-rays disclosed an injured vertebra and Saturday she was fitted with a brace that will hold her head almost rigid and which she will have to wear for about six weeks.

Mr. and Mrs. Houston Allen of Pampa visited Sunday in the home of her sister Mrs. Pirce White and family.

Plains, Flomot and Turkey. Among those from points more distant were Mr. and Mrs. C. C. Moss of Anson, Mr. and Mrs. Walter Merrell and Mrs. Autrey Edwards of Channing; Mr. and Mrs. Rob Fisher, Mr. and Mrs. H. L. Hartsell, Mr. and Mrs. Charles Hartsell of Floydada; Mr. and Mrs. Claude Hartsell of Petersburg; Mr. and Mrs. Clifton Whitmore of Kress, Willard Pearson of Amarillo, Carl Daniel of Floydada, Henry Merrell of Matador.

Mr. and Mrs. Glad Snodgrass, J. B.
