Panthers In Regional Tourney

Quitaque's Panthers shot their way into the Regional Basketball Tournament at Canyon for the third consecutive year by taking an 87-74 bi-district win over a stubborn Quail crew before a standing room only crowd Tuesday night in the Wellington gym.

The Panthers will meet Shallowater at 3:30 P. M. Friday in the West Texas State University Field at Canyon in their first round of play in the regional playoff.

Although the Panthers were

QUITAQUE WILL CLOSE SHOP AND GO TO CANYON FRIDAY

Most of the businesses here in Quitaque have indicated that they plan to close up shop Friday afternoon and go to Canyon and root for the Panthers as they play Shallowater in the first round of action at the Regional Basketball Tournament.

Supt. Johnny Mason said that school will be dismissed at noon, the buses will run at that time and no lunches will be served in the school lunchroom. Most local fans will try to get to Canyon in time to see the McAdoo-Allison game which begins at 2:15. Quitaque and Shallowater are scheduled to square off at 3:30 P. M.

All local fans are urged to join the migration to Canyon for the afternoon and help the Panthers win.

Most of the businesses plan to close at noon and will not reopen until Saturday morning.

BIRTHDAY DINNER

Mrs. W. E. Morrison, Ina and Euna Bradshaw were hostesses for a family gathering Saturday honoring the birthday anniversary of their oldest brother, J. W. Bradshaw of Artesia, N. M. Those present for the dinner were Mr. and Mrs. Bradshaw and Willard of Artesia, H. T. Bradshaw of South Plains, Mrs. Ethel Tracy, Mr. and Mrs. Birt Lane, Charles, David and Patty Beth of Plainview, and Mr. and Mrs. Murry Morrison and Neva Dale.

Afternoon callers were Mr. and Mrs. Otis Wilson, Maynard Wilson, and Mr. and Mrs. H. E. Bradshaw and sons, Tommy and David of Claude.

Mrs. E. J. Hamilton visited Mrs. Pat McGinty in Turkey Monday afternoon.

able to rise to whatever occasion was needed in Tuesday's game they weren't exactly the sharpest looking team in the world at times.

Both teams were wild at the beginning and couldn't find the handle on the ball. Four minutes of running up and down the court, with a lot of wild passing, rebounds booted, and shots missed, before either team was able to dent the scoreboard and it was the Quails who broke the scoring ice. Once that happened, however, both teams started popping the nets with the score being tied or swapping back and forth for the next few minutes.

Quitaque went ahead 16-15 in the last minute of the first quarter and were never behind again, although the Quails pulled to within a couple of points on two occasions but were never able to tie or go ahead. Quitaque led 20-17 at the end of the first quarter, 45 - 34 at half

Basketball Games Will Be Broadcast

Quitaque's basketball games are going to be broadcast straight from court-side in Canyon over Canyon Radio, KCAN at 1550 on your radio dial.

All the games in which the Panthers play will be broadcast and their last game will be re-run from time over KCAN at 1:05 P. M. Sunday. In other words, if the Panthers lose Friday afternoon, the game will be broadcast live at game time and re-run Sunday. If the Panthers win and play three games, all three will be sent from court-side and the final game will be re-run Sunday.

Guests in the D. C. Duck home Sunday were Mr. and Mrs. Bert Degan of Turkey, Mrs. H. G. Boyles and children of Silverton, Mr. and Mrs. Wendell Farley and children and Mr. and Mrs. A. B. Ramsey, Jr. and family.

Mr. and Mrs. Buddy Morris visited Mrs. M. T. Witcher in the rest home at Lockney Saturday.

Mrs. R. L. Patrick and Mrs. Buddy Morris were in Turkey Monday afternoon to see the doctor.

Mr. and Mrs. J. W. Ewing were in Plainview Monday and Tuesday of this week visiting her brother, Homer and Mrs. Gregg.

time, 63-53 at the end of three periods and widened the gap to 13 as time ran out.

Several times during the course of the game the Panthers indicated that they were about to blow the game wide open but were never able to do it as the Quails kept battling and hitting their jump shots from 'way out, about the only offense they were able to mount.

Every one of the Panther starting five scored in double figures, with Jim Saul leading the way with 24 points. Jack Johnson hit for 22, Bobo Morrison 16, Butch Brown 13 and Terry Woods 12 points. Scoring honors for the evening, however, went to the Quail's Morris, who scored 30 points with his fantastic jump shot. The young fellow is only 5'-9" and he was forcing 6-6 Jack Johnson to jump his best in order to control the tip. Groom has a 6-4 center in last week's playoff game Morris was out-jumping him most of the night.

The Panthers will probably enter the regional tourney favored to go to the finals and oppose defending state champion McAdoo, who is in the opposite bracket. Both teams are due to get rugged testing and both could get knocked off before reaching the finals.

Quitaque's first round foe, Shallowater, will give the Panthers all they can handle, more than likely. They reportedly play a more deliberate style of basketball, preferring not to run and shoot as do Quitaque and McAdoo. Earlier in the season Shallowater played McAdoo a fairly close game and the Panthers probably will need to play a better game than that turned in against Quail. The Panthers carry very fine 31-3 record into regional play, the same record, incidentally, the Panthers had in 1962 when they won the regional title and went to the state tourney in Austin. Included in this record are wins over McAdoo, Floydada, Phillips, Wellington and Aspermont, all district champions, except the Floydada Whirlwinds, who tied Canyon for the district and lost a close playoff series.

Channing and Bula square off at 1 o'clock Friday afternoon to get the tournament underway. At 2:15 McAdoo goes off.

Mr. and Mrs. Jimmy Baird and Venus Gillespie, Jr. flew to Roswell, N. M. Sunday to visit Mike Baird and help him celebrate his birthday.

Mr. and Mrs. O. C. Cannedy and Robin spent from Thursday until Sunday with her mother, Mrs. Willie Ruth Hathaway in Mobeetie.

Mr. and Mrs. Otis Purcell and Mrs. Dean Purcell and children of Albuquerque, N. M. spent the week-end here and at Lockney. Mrs. Dean Purcell and children visited her parents, Mr. and Mrs. Lon McKay, and her brothers and sisters, Sunday, the McKays and Mrs. Purcell and children accompanied Mrs. Bill Lane and family of Turkey to Lockney where they were dinner guests of Mr. and Mrs. Glen Cooper. The Otis Purcells were there visiting their daughter, Mrs. Cooper.

Mr. and Mrs. Buz Folley and Mr. and Mrs. Horace Vines of Silverton were dinner guests of Mr. and Mrs. Perry Vines Sunday evening.

Mr. and Mrs. Boyd Knox of Hereford spent the week-end with his sister and her husband, Mr. and Mrs. Slocum Robertson.

Mrs. R. L. Brunson spent from Wednesday until Saturday in Medical Center at Plainview for medical attention.

Mr. and Mrs. Ben Bingham of Silverton have moved to Kress, where Mrs. Bingham has a new beauty shop. Mrs. Gerald Smith visited her sister, Mrs. Bingham, in her new home Sunday.

Alpha McFall and Helen Keller have been house guests at the home of Alpha's parents, Mr. and Mrs. Sid McFall, for the past week. Mr. and Mrs. Bud McFall of Appleton, Mo., and Mr. and Mrs. Jack McFall of Snyder, Mr. and Mrs. Sid McFall, Jr. and family of Cedar Hill joined their sister and parents for a week-end visit. Other guests for Sunday dinner were Mrs. Ava Hawkins, and Mrs. Jack McFall's mother, Mrs. Floyd Melton and sister, Sharon of Amarillo.

against Allison; the Shallowater and Quitaque fracas is scheduled for 3:30; and at 4:46 Meadow and Knox City tangle in the final action of the day.

Winners of the Channing-Bula and Allison-McAdoo contest play at 10:00 A. M. Saturday morning and winners of the Shallowater-Quitaque games play at 11:15 Saturday morning. Saturday morning losers play at 7:00 Saturday night for third place and Saturday morning winners tangle for the regional championship at 8:15.

Local fans feel that the Panthers are capable of going all the way, providing they play the brand of basketball of which they are capable. The Tribune is going way out on a limb and predicting a regional championship for the Panthers, and this is done in all sincerity. After the Plainview tourney we did not think they could do it but since that time the Panthers have picked up a lot of know-how and are in better condition to go all out on a big floor. The development of some of the younger players might mean the difference, too, and right now Coach King can probably match any team in bench strength. One thing is probable, though. The Panthers cannot win if they have as many mental lapses and make the mistakes they did against Quail Tuesday. We do believe that they will be sharp and ready for this tourney. It is the one that everyone has been pointing to for a year.

MRS. MARIBEL SAVAGE BURIED HERE SUNDAY

Funeral services for Mrs. Maribel Savage, 59, daughter of the late C. R. and Mrs. Badgett, in the First Methodist Church at Silverton. Rev. Carl Nunn pastor, officiated, assisted by Earl Cantwell, minister of the Rock Creek Church of Christ.

Burial was in Rest Haven Cemetery here at Quitaque under the direction of Roberts Funeral Home.

Mrs. Savage died at 6:30 A. M. last Thursday, February 20 in a Houston hospital, where she had been a patient for two weeks.

Mrs. Savage, a former resident of Quitaque, was born October 19, 1904, at Bells. She was a retired secretary in the Department of State in Washington, D. C., where she lived for 24 years.

Survivors include a son, Ray Savage of Amarillo; one daughter, Mrs. R. G. Edwards of Big Spring, her mother, Mrs. C. R. Badgett of Silverton, two sisters, Mrs. Frank King of Houston and Mrs. Edward Younger of Charlottesville, Va.; and four grandchildren.

A group of women of this community, who think that times have gotten so busy and rushing that no one has time to visit, decided they would meet once a month and visit and help the lady of the house with their menial chores.

The group met last Tuesday, February 18, in the home of Mrs. Norvelle Hamilton. Each one took a covered dish and shared the luncheon. The day was spent visiting and each one brought handwork to do. Present were Edna Taylor, Delene Tyler, Thelma Loving, Willie Lou Boyles, Bessie Nall, Eunice Mathis, Minnie Mae Roberson, Ina Bradshaw, Edna Hawkins, and Eula Morris and the hostess, Mr. Hamilton was a guest for lunch.

Pantherettes Win Third At District

Quitaque's Pantherettes slammed past Turkey 67-44 to win third place in the District basketball tournament which was held at Estelline last Thursday, Friday and Saturday nights.

The Pantherettes beat the Lakeview Eaglettes 45-40 to advance to the second round of play against Estelline on Friday night. The Quitaque lasses started well against the Estelline crew, built up a ten point lead, then lost their touch and went down 32-43.

Although the Pantherettes had to settle for third place, Saturday night's win over the Turkettes was a very satisfying one for Quitaque had lost both games to Turkey in the round robin part of the schedule, the only team in the district the Pantherettes had been unable to beat at least once. Saturday night's defeat of

Turkey also forced the race into a playoff, since Turkey won the round robin portion of the district race.

Estelline downed Matador in the tournament finals Saturday and they will meet Turkey in Memphis tonight (Thursday) to determine the district champion.

Janice Dudley captured scoring honors for the Panthers in the Lakeview contest with 34 points; Jennifer Whittington, who has been doing a very fine job at guard in these final weeks of the season, was called to help out at her old forward spot and she dropped in 6 points for runnerup honors; Devorah McKay chipped in with 3 points and Patricia Brunson made 2 points. Verden was high for Lakeview with 25 points. In the Estelline game Janice Dudley scored 14 points, Devorah McKay 11 and Patricia Brun-

son 8. In the Turkey game Janice Dudley wound up her high school basketball career by hitting the baskets for 29 points while Devorah McKay was tossed in 20 and Patricia Brunson added 18 to complete the rout of the Turkettes. The Pantherettes seemed to grow stronger as the game progressed. Margie Mullin of Turkey, however won scoring honors in the game with 40 points.

Janice Dudley was selected for a place on the all-tournament team.

The season is over for the Pantherettes. Over the full season the Pantherettes won 15 and lost 18 games, playing a few of the top girls teams in the Panhandle, such as Spearman, Wellington, Floydada, Paducah, Silverton, Hedley and Samnorwood. In district play the Pantherettes won 9 and

lost 4, beating Flomot twice, Lakeview three times, Matador twice, Estelline once and Turkey once. They lost to Estelline twice and Turkey twice. Not a real fine season, but one that furnished a lot of good ball games here in their own district where they were in contention until the next-to-last night of action.

Two seniors played their last games as Pantherettes Saturday night, Jennifer Whittington and Janice Dudley. These two will have to replace Janice Dudley who was one of the highest scoring forwards to play for QHS in recent years. Jennifer Whittington, who played forward most of her career, and though she didn't score a lot of points, Jennifer was a steady player, a good rebounder and above all, she hustled every minute of the game. After switching to guard

later in the season, she did a very fine job. She should have been selected on the all-tournament team last week.

The rest of the squad will be back for action again next season and the Pantherettes may be the team to watch. Back to lead the way next year will be this year's starting guards, Donna Bedwell, Brenda Whittington and Charlene Bailey. Brenda saw no action in the last several games due to a leg injury. It is hoped that it will be healed by next year. Starting forwards Devorah McKay and Patricia Brunson return, also, Jill Johnson and Barbara Reagan saw quite a bit of action this season, at both forward and guard; Jerry Beth Grundy, Renee McKay and Ginger Anderson are the other members of the squad who will be back battling for a spot on the starting lineup.

spring revival which begins April 5 goes through April 12. Rev. Jim Boswell will be our guest preacher.

Our District Superintendent, Dr. J. E. Shewbert, preached the sermon on Sunday evening and impressed the congregation with his sincerity, his passion

for the spiritual life, and the sense of urgency that all Christians possess if they really "have it." John Wesley used to preach frequently on the text "The King's business requires haste," and so it is.

This week was to see the continuation of the Junior's activities on Monday afternoon at 4, but with a different emphasis: church membership. We are very grateful that the WSCS is continuing to serve refreshments. This activity is not limited strictly to Juniors (4th through 6th grades).

The WSCS and Wesleyan Service Guild were also meeting during the week. The Commissions and Official Board were holding their meetings on Monday evening. Meanwhile the Methodist Youth Fellowship is preparing to host the Caprock sub-district the afternoon of March 15.

The study of OUR MISSION TODAY resumes in the evening service, while for morning worship, at the communion service, we will be considering, so far

as we know now in God's providence. "The Call of God To Man," Romans 12:1 - 5 and Luke 14:16-24, for this third Sunday in Lent. The special financial appeal for the month is "One Great Hour of Sharing," for which coin folders were given out this last week. There will also be envelopes and information concerning the causes for which the offering goes. Since we serve a God who makes it possible for us to receive as we give, we also find that when we give another person a chance to do a legitimate service, we also open doors for his own higher development of God-given talents.

An Undemocratic Election To Be Repeated
 Our pastor says: Coming in

every church in Quitaque, next Sunday, March 1st, that which has happened many times over in our commonwealth, the results always being the same. The majority of our citizenry have, by their absence from church, voted to close the doors of the churches and give way to the evil inclinations of the disobedient, even many of the members of the different denominations are unconsciously or otherwise casting their vote of absenteeism with the masses; but thank God, from Sunday to Sunday some faithful Christians continue to keep the doors open and offer opportunity for a change of heart and a confession of faith to the ones who have been voting against their own best interests, even the greatest institutional organization in our community — the Church.

Indeed, having a church building in the neighborhood is quite convenient for funerals, weddings and such like, and it is at these gatherings that our churches have the largest congregations, for many times the body in the bier, together with most of the attendants, have waited for months, or even years for this occasion to call them into the church building, which was constructed and dedicated to Christ's Church promotion, for the purpose of supplying each individual person in the entire neighborhood a church home and place to congregate with others of like precious Faith, and worship their Lord and Redeemer, and go out and serve God in the beauty of holiness.

The very finest thing that could take place in our little City on next Sunday morning citizen to bring their visitors and night would be for every with them to the church of their choice and worship their Redeemer together with the regular attendants.

If not Providentially hindered we will have with us in the services next Sunday the Lady Minister from Espanola, New Mexico, Mrs. Cecil Rice, who was a minister in these parts
