This And That About One Thing and Another

We learned quite a bit about contests from the one we had in our last issue of The Post. That was a spur-of-the-minute idea, and the 'rules' were not fully established before it was announced. However it was fun, and please folks, it's over! Too many of you studied those ads and picked out the right letters and we've given enough subscriptions away. We hereby and now declare that contest closed. The letters we made last week were a K in "Kangaroos" and an M and an R in "Farmer", but some picked out letters that were made some time ago, and in all fairness we had to concede they were right. Next time we decide to run a contest we'll know enough to have a few rules and a time limit.

Even Bill Middleton sent us a curt little note from Amarillo to 'mark up my subscription'. We don't hear from Bill often, but we might have known he'd show up on a give-away contest.

Quitaque voters have a record to uphold—over 90 percent of the qualified voters cast their ballots in three elections held this year. And another and very important election is scheduled on November 7. Every election is important, and judging from the above record, local citizens are becoming cognizant of the fact.

This is no time for complacency. Do not think that your candidate will win the election without your vote. If you are a "Guillian Democrat" bear in mind that Mr. Guill will need every vote he can get to return to the office in which for the past few months he has given good service.

If you are a Walter Rogers man, remember that Mr. Rogers is counting on you. His will not be an easy victory. He has made three hard races so far this year, and his opponents are counting on your complacency to put their man in office.

So folks, remember that November 7 is the date of the General Election, and please uphold your record, and exercise your privilege of voting.

The November ballot lists Democratic and Republican candidates and has a column for independent candidates (with no names listed) and write-ins. The most interesting race, to be sure, in this district is for Congressman with a Republican incumbent for the first time in 20 years, Ben Guill asking for re-election, and Walter Rogers, Democratic nominee. Both men are from Pampa.

Inflation, or something, struck in the barnyard this week. Mrs. Buddy Morris brought in an egg which she said came from the nest of a pullet hatched in February of this year. From the size of the egg, it seems the little pullet tried to "get all her eggs in one shell." Measuring 8 1/2 inches around the long way and 6 1/4 inches the shortest way 'round, we weighed the egg to compare it with the weight of an ordinary one. The pullet egg weighed just exactly twice as heavy—4 ounces, compared to the usual 2-ounce egg.

Whenever Nature deviates from the normal—as our extra-ordinary rainfall this year, our extremely mild winter, etc.—the forces which she influences are more or less affected. The Concord grapes at the Bill Helms place were gathered in July, but somehow the grapes have confused the seasons and they are bearing again—the first of November.

We want to acknowledge receipt of a nice basket of delicious apples from Mr. and Mrs. J. W. McDonald of Colorado. The postoffice force slyly mentioned that the "editor and the banker" were the only ones who were so kindly remembered. Just how the editor got ratted with the banker is a deep, dark mystery, and we trust that no false sense of security will result. But thanks very much to the McDonalds for the fruit.

Mrs. Clarence Barrett was in the hospital at Matador several days last week for treatment.

Panthers Lose To Kress Play At Happy Friday

Quitaque's hopes of at least a share of the District 2-B championship just about went out the window as the Panthers bowed to defending champion Kress 25-6 here Friday night.

The Panthers got off to a shaky start, letting the Kangaroos score three quick touchdowns, then tightened up and battled the Kangaroos on even terms the rest of the way but couldn't catch up in the scoring.

Quitaque took the kickoff, couldn't move and kicked to Freeman, speedy Kangaroo back, on his own 25. Freeman outmaneuvered a Panther defender, picked up his blockers and went 75 yards for the score. The try for extra point was no good. Minutes later the Kangaroos scored again, Ratcliff going over from the six. This time Christenson kicked the extra point making it 13-0. Early in the second period the Kangaroos scored again from the five after a sustained march. Again the try for extra point was no good making it 19-0.

The Panthers took the kickoff, brought it back to midfield where Riley hit Buddy Holcomb with a beautiful pass good for forty yards to the Kress eleven yard line. From that point Lynn Rhoderick cut over his own right tackle for Quitaque's lone tally for the night. The try for extra point was smothered and the score was 19-6. This was all the scoring until late in the final quarter when the Kangaroos pushed over their final TD.

The Panthers missed at least two good opportunities to score when their offense bogged down in Kress territory.

It was a good ball game and the Panthers gave all they had and kept battling right down to the final whistle and that is all that any team can do.

This Friday night the Panthers journey to Happy to take on the high-flying Cowboys who are riding along on an unbeaten streak. We believe that this is a prime spot for an upset. The Cowboys probably will not take this one too seriously since the Panthers record thus far is none too impressive.

Right here we would like to say to the Panthers that the Cowboys are not supermen—they put their shoes on one at a time the same as you and they have only eleven men on the field at once. Get the jump on them, outcharge them from the beginning and you will win a ball game. Remember this: take any given play, let every man do the job to which he is assigned and that play will score a touchdown.

It is hoped that a large number of fans will go to Happy to cheer the Panthers on.

By the way, we see that we have an "expert" forecaster over in Turkey. We don't know who it is but for this week he has picked Quitaque to lose 42-6. How about that Panthers?

NOTICE, PLEASE

There will be a meeting of the Quarterback Club Monday night at 8 o'clock. This is a very important meeting and all members are urged to be present. We are going to make plans concerning the banquet. Business will be taken care of regardless of the number present so be there, please.

TO OVERSEAS DUTY

Bruce Wise called Monday from Camp Stone, Cal., and told his mother, Mrs. Gladys Wise, that he had been assigned to a replacement group and that he was ready to "embark" for the Far East. He did not state whether he would travel by air or sea. Bruce was called into service as a Reserve, his previous service being as a paratrooper.

IN MATADOR HOSPITAL

Billy Carpenter was injured in the football game last Friday night, but played through to the end of the game before he complained of any injury. He was taken to the doctor Saturday and seemed to be improving, but Monday it was decided that he needed hospitalization, so he is in the Stanley hospital at Matador for treatment, and will have to remain there for a week or more.

Fair Weather Sending Cotton To The Gins

Cotton has started coming into the gins right briskly this week, and the two gins reported 254 bales up to Wednesday night. With continued favorable weather, the good old Fall hum and bustle will begin in earnest.

A few cotton pickers are here and have found places to stay for the season. More dry weather is still needed in some fields. N. V. Hamilton said he had started pulling but the cotton was too green so he is waiting a few more days. Quite a few farmers—in fact almost all who were not completely washed out in the early summer, say that their cotton is turning out better than last year, and with the good market price, they will not have a bad year. Much of the cotton is making from 1/3 to 1/2 bale to the acre.

TRANSIENT STUDENTS CREATE PROBLEM FOR THE SCHOOLS

The expected congestion in the schools as a result of the child labor regulations which affects migrant labor in this area, is causing some schools to take action. According to a report in the daily newspapers Olton schools began special evening classes for migrant field worker's children, but future sessions will probably be switched over to morning hours.

The special sessions from 5 o'clock to 9 o'clock in the evening were ordered in a meeting of the school board last Monday, shortly after area cotton farmers requested the change so that children could help in the fields during daylight hours.

The change to morning classes will be considered in response to several requests that classes from 7 to 11 o'clock in the morning would be more acceptable to the children and their parents.

Meanwhile, Leo Duffy, superintendent of Spring Lake schools, said schools there have been closed since Monday, when a delegation of some 50 farmers demanded that the children be allowed to help in pulling the cotton crop.

Duffy said the school will open again Thursday, however, in response to protests from Spring Lake citizens.

Supt. Joe Hutchinson of Littlefield said the Littlefield system had been considering special evening sessions on the basis of a telephone conversation between Hutchinson and Oscar Welch, assistant to William J. Rogers, Dallas regional director of the wage and hour division, Department of Labor.

Hutchinson said Welch had told him the evening sessions would be acceptable. Later, the Dallas office ruled that the sessions must be held during regular school hours.

Hutchinson said his conversation with the Dallas office occurred before the regional office received instructions from Washington.

At Olton, only 13 of some 60 migrant children had signed up for the evening classes as of Wednesday.

WALTER ROGERS HERE FRIDAY

Walter Rogers of Pampa, democratic candidate for representative from the 18th district to the National Congress, stopped in Quitaque for a brief visit last Friday afternoon. Mr. Rogers was enroute from Childress where he addressed the Business and Professional Women's Club, to Amarillo to keep his regular speaking appointment at 7:00 p.m., over KGNC.

Mr. Rogers stated that he had made a special trip to Dallas to confer with officials of the regional office in regard to the situation created in the cotton area by the child labor regulations which is creating quite a furor, and he had information which he would like very much to get to the farmers. He said that he planned to return to Quitaque for a longer stay in the near future, and hoped most urgently to be able to visit here before the election on November 10.

Mr. and Mrs. Carl (Jinks) Taylor have bought a home in Amarillo and moved last week from the farm south of town to the new home.

State Dept. Reports On X-ray Survey Result

A letter to Mrs. Bessie Wise from Dr. George W. Cox, state health officer, reported the following revealed by the chest x-ray survey held in Briscoe county recently: Number of x-rays made was 1,022.

Fourteen films were suggestive of tuberculosis which will require further evaluation to determine the significance of the disease.

Eleven films showed evidence of non-tuberculosis conditions involving the chest. In other words, these films disclosed that while evidence of tuberculosis was lacking, other conditions needing attention were disclosed.

The letter also conveyed appreciation to Mrs. Wise for serving as chairman for the survey and to all who participated in making the drive a success.

DUCK SEASON OPENS NOV. 3 TO DEC. 17

The shooting season on water fowl—ducks, geese and brant—will open next Friday, Nov. 3 and will continue to Dec. 17, both days inclusive. However shooting will not be legal until 12 noon on opening day.

With the exception of opening day, shooting will be legal each day from one-half hour before sunrise to one-half hour before sunset.

Daily bag limit is 5 ducks with possession limit of 10. Bag limit on geese is 5 with possession limit of 5.

DEBATE & POT-LUCK SUPPER NEXT PTA PROGRAM

A program that promises lots of entertainment is being planned by the Parent-Teacher Association for their next meeting on November 13, and this notice is being published far in advance so that you can plan to attend. Everyone is invited. There will be a potluck supper. Everyone who comes bring a covered dish—whatever you like.

Don't stay away because you are not a member—come along and bring your family. If you don't like your own cooking (or your wife's) you can eat out of the other fellow's dish.

The program will be a debate between high school students and adults (members of the P-TA) on the question "Are Teen-Age Opinions and Whims Important." Miss Ruth Conway is in charge of the debate.

RETURN FROM CALIFORNIA

Mrs. John T. Rogers, Sr., accompanied by her daughter Mrs. Walter Taylor and small daughter, and son and family Mr. and Mrs. John T. Rogers, Jr., and baby daughter, returned Tuesday afternoon from California where they were called two weeks ago by the serious illness of the small son of the Roger's other daughter Mrs. Leslie Burns of Norwalk, Cal. However, before they reached Norwalk Mrs. Burns called her father and told him that the baby had passed the crisis, and was improving. The visitors remained in California to enjoy a visit before making the long trip home.

NEW SERVICE MAN

A new plant man for the Southwestern Associated Telephone Co., was stationed at Quitaque last week, and will remain here permanently, it was announced. Mr. Bob Douthet was moved here from Plainview and his family, a wife and baby, will join him here as soon as they can find a place to live.

BOX CAR JUMPS TRACKS

A box car on an east bound freight train jumped the track coming down the cap on the Ft. Worth & Denver line just west of the second tunnel Tuesday morning and turned over on its side. The wreck closed traffic over the track until in the night when it was cleared. The car was loaded with milk.

Elmer Edwards, son of Mr. and Mrs. Lloyd Edwards, was carrying his right arm in a sling this week, the result of an injury received while playing at the park Tuesday. Elmer said the arm was not broken.

Hallowe'en Carnival At School Tuesday Night

The school will sponsor a Hallowe'en Carnival as usual on Tuesday night, October 31, and the proceeds from the event will go to the athletic fund.

The grade school will present a program in the auditorium, of miscellaneous numbers, songs, skits, readings, and music. There will be food of all kinds, sandwiches, coffee, cold drinks, pies and cakes, so please plan to eat supper Tuesday night at the Carnival. The food will be served in the homemaker department in the high school building.

The high school will be filled with booths and entertainment of various sorts, bingo, and other games. The big show will close with the coronation of the Carnival Queen.

Each class in the school has chosen their queen and her escort and you are urged to vote for your favorite. The grade school favorite will be the "princess". The candidates are as follows:

First grade: Jackie Bedwell, Sammy Johnston.

Second Grade: Carol Ann Grundy, Murry Morrison

Third Grade: LaDora Eddleman, Raymond Lewis

Fourth Grade: June Mattingly, Chris Reagan.

Fifth Grade: Lorene Whittington, Verlon Hamilton

Sixth Grade: Patsy Eddleman, Billy Mayfield

Seventh Grade: Loreta Johnston, Joe Payne.

In the high school the freshmen chose Laura Belle Taylor and Clifton Crabtree; the sophomores, Sue Williamson and Elbert Sperry; the juniors, Marie Owens and Jerry King, and the seniors, Glenna Boyles and Lynn Rhoderick.

CHILDREN'S PHOTOS WILL BE PUBLISHED SOON

The photographs of children which were made by the Hallmark Studios of Dallas some weeks ago, are beginning to arrive, and The Post is in receipt of a card from the studio stating that there has been some delay in getting the cuts ready for the paper but they should be ready in a week or 10 days. So it should not be long now until the children's pictures will be in the paper.

Guests over the week end in the W. E. Helms home were his brothers and their families Mr. and Mrs. Vernon Helms and son of Burkett and Mr. and Mrs. Pat Helms and children of Rotan. Sunday Mr. and Mrs. W. E. Helms, Jr., and boys of Turkey were dinner guests and W. E. furnished the elk steaks for the meal, the game being a gift to him from Buddy Gafford, a member of his veterans aggie class at Turkey.

LOCAL LEGION AUXILIARY IS RE-ORGANIZED TUESDAY

Wise-James Post of the American Legion, at Quitaque was host Tuesday night to the Legion zone meeting with very good attendance. Visitors were present from Tulla, Nazareth, Silverton and Amarillo.

Tulla visitors were Henry Teubel, Paul Miller and Harold Himmell.

Rhea Smith of Amarillo, Commander of the 18th District, was present, also Commander of Amarillo's Hanson Post, and Mrs. Katherine Pitt, who came to help with the re-organization of an Auxiliary for the local Post.

Officers chosen for the Auxiliary were Mrs. George Brunson, president; Mrs. Pete Blankenship, 1st vice president; Mrs. Morris Wilson, secretary; Mrs. Odell Johnston, treasurer; Mrs. Marion Wilson, historian; Mrs. Will Rucker, chaplain; and Mrs. J. J. Hall and Mrs. Jean Grundy, sergeants at arms.

The Auxiliary will meet on each second Tuesday night of the month and all mothers, wives and sisters of servicemen are eligible for membership. If you are interested in working with this group you are cordially invited to join. Refreshments of cake and coffee were served at the meeting.

METHODIST WSCS MEETS IN E. J. HAMILTON HOME

The Week of Prayer program for the Methodist WSCS was held Tuesday night in the home of Mrs. E. J. Hamilton with Mrs. Marvin Fisher in charge of the program.

Attendance was splendid and the interesting program was presented by visitors from the Turkey WSCS and Miss Anne Holdaway. Miss Anita Kay Green presented several violin numbers and Mrs. U. F. Coker, Sr., outlined the prayer program for the week.

The projects for which the offering is used were explained by Mrs. Abe Vinyard who told of the Toberman Settlement house in Los Angeles; Mrs. R. C. Green who presented the needs of retired deaconesses; and Miss Anne Holdaway who discussed the need of the North African missions.

At the conclusion of the program the hostess served delicious and attractive refreshments of decorated nut bread sandwiches, whipped cream topped pumpkin tarts, and coffee, denoting the Hallowe'en theme.

NEW TELEPHONE LINES

Work was begun this week by the telephone company rebuilding the lines south out of Quitaque, as far as the service extends. This will give much improved service, and also a crew of workmen will be located here for several weeks while the work is in progress.

LET'S QUIT MARKING TIME!

- The Panhandle needs a Congressman who will STICK — and who will STAND UP for his district—

- It is only through seniority and experience that he can give the Panhandle the representation it needs — and MUST HAVE, if all our interests are to be protected.

- Our all-important agriculture, our industrial development, the Canadian River dam, our rightful place in the Defense Program . . . a stabilized economy and a future offering continued prosperity — all of these DEMAND that we send to Washington

• A DEMOCRAT

as our Congressman. Any other approach is to ignore our own self-interests and to sleep on our rights. It is time to WAKE UP, and to be realistic.

- WALTER ROGERS, our Democratic nominee, is mature, able and well-qualified. He offers balance and stability and is pledged to fight for all the interests of our district.

- Let's quit wasting time!

VOTE FOR WALTER ROGERS

(Political Advertisement Paid for by Democrats of the Panhandle)

PMA ELECTIONS WILL BE HELD IN NOVEMBER

J. E. Wheelock, chairman of the Briscoe County PMA committee, reminded Briscoe county farmers that community elections will be held beginning in November.

He urged that all farmers who are eligible to vote in these elections make sure they do vote and

that they vote for the farmers they want to administer the 1951 Agricultural Conservation and other PMA Programs.

Under current regulations delegates to the county convention will be eligible to be elected as county committeemen. This is a change from 1949 when a delegate to the county convention could not be el-

ected a county committeeman.

At the community elections, farmers are to elect a community committee and delegates to a county convention. The delegates to the county convention elect the county committee.

Although elections are a few weeks away, it is not too early for Briscoe county farmers to give serious consideration to the selection of the best possible leadership to administer farm programs next year.

November 1, 1950 is the final date we may issue approvals for leaving stalks of grain sorghums on the land as a protection against wind erosion.

LAKEVIEW FOOTBALL SQUAD LOSE EQUIPMENT IN FIRE

Two weeks ago the Lakeview Eagles lost their football equipment by fire which destroyed the field house. The fire was on a Thursday night and the Eagles were not able to assemble enough equipment to enable them to keep their scheduled appointment with Silvertown Owls and the game was forfeited.

By last Friday night, through contribution and loans, the boys had enough equipment to resume their schedule and played Estelline at Estelline.

The fire broke out around midnight Thursday night and was not

discovered until the entire building was consumed by the flames.

Lakeview sent out an SOS and Memphis High School responded with equipment while people opened their pocketbooks to aid financially.

Memphis High School sent out 11 pair of shoes, seven pair of shoulder pads, 22 pair of white pants and several headgear.

Money was collected under the direction of the Lakeview Rural High School Athletic Committee, composed of Ott Beavers, J. B. Byars, G. W. Blewer and B. E. Derrrett.

With the money that was raised the Eagles took a new set of feathers and are ready to continue their schedule in district 2-B.

School officials estimated the damage close to six thousand dollars. This includes the building and football and basketball equipment

that was stored there in.

Although the school didn't save even a football, only part of the basketball equipment was lost.

The building was an old army barracks that was moved to Lakeview from Amarillo. It was used for a physical education class room and an athletic house.

ROGERS SPEAKS ON KGNC EVERY FRIDAY NIGHT 7 PM.

Walter Rogers of Pampa, Democratic nominee for congress, has scheduled radio broadcasts over station KGNC in Amarillo each Friday at 7 p. m. until November 7th general election.

The candidate plans to stress the belief that the best interests of Texas can be obtained through the Democratic party rather than through a "protest" switch to another party.

Judge Ralph Porter of Claren-

don, district campaign manager for Rogers, has set a goal of 30,000 Democratic votes for Rogers.

"This will not only send our man to Washington with a substantial majority, but the Panhandle will be well represented at the next state convention of the party," Porter said.

Mr. and Mrs. Dick Hooks returned home Friday from a pleasant visit with relatives in several Texas points they spent some time in San Antonio and while there made a week end fishing trip to Corpus Christi, in company with Mr. and Mrs. Earnest Morris. They also fished with the Buster Mullins while visiting in their home at Ballinger.

Let's Re-elect Ben Guill

The Congressman Who Can Get BOTH Parties to Work For
THE PANHANDLE OF TEXAS

THE PICTURE OF INTER-PARTY CO-OPERATION

Ben Guill, Congressman from the 18th District of Texas, is pictured above in a candid camera shot talking with Democrat Sam Rayburn, of Texas, Speaker of the House, and Republican Joe Martin, of Massachusetts, Minority Leader, the two most powerful figures in Congress. Because of inter-party co-operation like this, Ben Guill is a member of the powerful House Agriculture Committee. Because of inter-party co-operation, Ben Guill got top Department leaders to travel to Amarillo from Washington for the only small business clinic ever to be held in Texas. Because of inter-party co-operation, Ben Guill has been able to get more attention for the Panhandle than any other Congressman could have got in a full term.

BEN GUILL—through his honesty and ability—is doing an outstanding job as our Congressman . . . He deserves a full term of his own. Let's re-elect the man who has proved he can do something for the Panhandle.

Re-elect **Ben Guill** November 7

(POL. ADV.—PAID FOR BY DEMOCRATS FOR BEN GUILL. MICKEY LEDRICK, CHAIRMAN)

Ben Tanner is a patient in the Traweek hospital at Matador. He is improving this week.

FloMot Longhorns played O'Brien there Friday, Oct. 20. It was a hard fought game with O'Brien winning by the close score of 14-13. This was a non conference game.

The Longhorns will play Guthrie this Friday at 2 p. m. on the home field.

MOTLEY COUNTY PMA

Gene D. Frisbie

Adm. Officer, Motley Co. PMA

Due to a lowering price on the open market it is wise for all grain sorghum producers in the county to take full advantage of the price support on this product as it is one of the major sources of farm income this year. The farm stored support is \$1.80 per cwt. while the warehouse support is the

same but the producer must pay 20 1/2 c storage fee. This must be paid in advance. We have been notified that warehouse storage is available. Be sure that your moisture content is not over 13% when applying for a loan, this will save some trouble. On this or any other information on your loans you can contact us for more information.

1951 Wheat Measurement

This measurement must be reduced from last year and no chainmen will be employed. Therefore the farmer will assist more actively in the measurement of all the wheat to be measured, some cases it will probably be estimated by the farmer and reported where the farmer is over planted and can't get price support.

Special Notice: Committee Elections For The 1951 Year

During November we will hold our yearly PMA community and county committee elections and really want a large vote turned out. Of course we are always calling on our farmers to help us out but this is one time that we really want all to pitch in and come out and vote and urge your neighbors to do the same, also the women folks as they are eligible too. When we turn out a good vote it shows that you're interested in price supports, loans, conservation payments and in general the PMA program that is run by your own county farmers. Make your pastures cow cafeterias instead of cow gymnasiums.

STEAK FRY

An out-doors steak fry was enjoyed last Wednesday night at the Burgess home north west of town, where a stone grill and tables under the big trees make a pleasant picnic spot. Steaks were broiled and served with red beans, potato salad and green salad.

Enjoying the affair were Mr. and Mrs. Rayburn Burgess, Mr and Mrs. Will Rucker, Mr. and Mrs. Bob Payne, Dr. Powers and his sister Miss Patricia Powers.

LOCALS

Mrs. George Grimm of Sun Valley, Cal., arrived Friday afternoon for a visit with her parents Mr. and Mrs. W. C. Eddleman and other relatives here.

Mr. and Mrs. Price Colwell and children were here from Big Spring to visit over the week end with her mother Mrs. Jim Tunnell and other relatives.

NOTICE TO THE PUBLIC—Positively no hunting on my premises; trespassers will be prosecuted.—**Cleat Miller 38-4c**

Mr. and Mrs. T. J. McClure of Crosbyton spent Sunday night here with her sister and husband Mr. and Mrs. J. T. Bradley.

J. T. Bradley made a business trip Wednesday to Matador

J. T. Persons attended a land bank meeting the first of the week at Lubbock. He was accompanied by Mrs. Persons and Mrs. Sid Bogan.
