## MR. AND MRS. WILL LYON CELEBRATE GOLDEN WEDDING ANNIVERSARY

Mr. and Mrs. Will Lyon observed their Golden Wedding Anniversary Sunday, June 18, with open house between the hours of 2:00 to 4:00 P. M. More than one-hundred and six people registered besides the children who were too young to register.

The home was resplendent with beautiful garden flowers. The guests were registered by Pam Curtis, then shown to the gift room by one of the nieces of Mr. and Mrs. Lyon.

The serving table was covered with a gold taffeta cloth, covered with white ruffled net. A large, crystal vase of yellow roses centered the table. At one end of the table was the three-tiered cake, decorated with wedding bells and roses. The bells were trimmed with gold candy balls. It was a beautiful cake. At the other end of the table, golden frosted punch was served, with nuts and mints in the form of wedding bells. White napkins with Will and Mary, 1911-1961 stamped in gold.

Mr. and Mrs. Lyon received an array of gifts, including lamps, a gold colored bedspread, two gold blankets, bath sets, ceramic plaques, sofa pillows, sheets, a rose bush, pictures, a gold date calendar, letter holder, pillowcases, and a scrapbook.

Mr. and Mrs. Lyon had a number of heirlooms on display, among them the bedroom suit of walnut that belonged to Mrs. Lyon's

mother, a china tea set given them on their wedding date, and a wedding picture of them, framed in gold. Mrs. Lyon has a pin cushion covered with silk that is over one hundred years old. The antiques in the home are priceless because of the sentimental value to Mr. and Mrs. Lyon.

Out-of-town guests were Mr. and Mrs. G. N. Whipple, and Mr. and Mrs. Bill Middleton, Amarillo; Mr. and Mrs. J. C. Rhoderick, Mr. and Mrs. Bob Hill and Susie, Mr. and Mrs. J. W. Lyon, Jr., Silverton; Mr. and Mrs. Lynn Rhoderick, Aiken; Lynn Beth and Mark Sheets, Spearman; Mr. and Mrs. J. C. Rhoderick, Jr., Jimmy and Eddie, Rev. and Mrs. Draper, Plainview; Mr. and Mrs. E. E. Berry, Tulia; Mrs. Jim Brown, Thurman Brown, James Brown, Claude, Texas; Mr. and Mrs. Frank Hawkins, Lockney; Mr. and Mrs. Billy Rhoderick and family, Lubbock; and Mrs. Durwood Lewis, Amarillo.

Hosting the courtesy was the Lyon's daughter-in-law, Mrs. J. W. Lyon, Jr., assisted by Miss Pam Curtis, Mrs. James Rhoderick, Mrs. B. F. Rhoderick, Mrs. Lynn Rhoderick, Mrs. J. C. Rhoderick, Jr., Mrs. Clayton Johnson, Mrs. Charles Gowin, Mrs. Geneva Curtis, Mrs. Myrtice Gillespie, and Mrs. C. E. Lyon.

Mr. and Mrs. Lyon were married at Clarendon in 1911 and came to Quitaque to make their home in 1919.

## MOST MERCHANTS WILL CLOSE NEXT TUESDAY

Most of the Quitaque merchants are planning to take a holiday next Tuesday, July 4th. Although some of the local merchants indicated that they would not close, most of the ones that were questioned plan to be closed and it might be a good idea to stock up on all items that you might be needing for that day, just in case.

## KIDS POOL AT CITY PARK IS OPEN TWICE WEEKLY

City Secretary James Brunson has announced that the wading pool at the City Park is now open for the Kids on Tuesday and Thursday afternoons.

Parents or some responsible person should accompany the children when they are playing in the pool.

## SCHOOL BOARD HIRES SUPERINTENDENT

Mr. James P. Mason, who for the past seven years has served as High School principal of the Kress Schools, has been hired as Superintendent of the Quitaque School system, it was announced this week.

Mr. Mason, 37 years of age, has had 11 years teaching experience. He has a B. S. degree from Abilene Christian College and a Master of Education from West Texas State.

Mr. Mason is married, and he and Mrs. Mason have three children: Cheryl Lynn, 11; Donna Jean, 8; and Ray Neal, 4.

The Mason's are expected to arrive in Quitaque within the next few days.

Mr. Mason replaces Leroy Scott, who has accepted the superintendency of the school at Wilson.

## YVONNE WISE ON HONOR ROLL

Northeast Louisiana State College, with an enrollment of around 2,500, had a total of 315 persons with grades of B or better, Dr. Lalo C. Oxford, registrar, has announced.

Among those students who made grades of B or better was Miss Yvonne Wise, of Quitaque. Miss Wise also made the honor roll for the first semester.

## MR. AND MRS. ERNEST MOSELEY OBSERVE GOLDEN WEDDING ANNIVERSARY

The children of Mr. and Mrs. Ernest Moseley surprised their parents by hosting an Open House at the Moseley's home, Sunday, June 18, honoring their Golden Wedding anniversary. Mr. and Mrs. Moseley did not know that they were being honored until two or three days before the party was to take place.

The daughters and granddaughters served as hostesses for the day, receiving the guests, serving the refreshments and displaying the pretty gifts.

The lovely white cake was square, trimmed in gold with a miniature bride and groom standing on top.

All of the Moseley's children were present for the occasion except one daughter, Mrs. Mable Sexton of Foreman, Arkansas.

The couple was presented with many lovely and useful gifts, among them being a scrap book, sheets, pillow cases, flowers and vases, a mixer, Bible, towels, wall plaques, relish dishes, platter, pictures, lighting accessories and many others.

Mr. and Mrs. Moseley were mar-

## GRAVESIDE RITES FOR WALTER DALE RIVERS

Graveside rites were held Tuesday afternoon for Walter Dale Rivers, infant son of Mr. and Mrs. J. T. Rivers of Turkey.

The child was born about 2 P. M. Monday, June 26, at Lockney General Hospital and died about two hours later.

He is survived by his parents, Mr. and Mrs. J. T. Rivers; one brother, Ronnie; two sisters, Terry and Rebecca; the maternal grandparents, Mr. and Mrs. Ray Ferguson of Quitaque; and the paternal grandparents, Mr. and Mrs. Richard Rivers of Silverton.

The graveside rites were held at 3 P. M. Tuesday with the Rev. Robert J. Beck, pastor of the First Baptist Church officiating. Burial was in Quitaque Cemetery under the direction of Roberts Funeral Home of Quitaque.

L. C. Giesecke of Houston came to join his wife and children, who have been visiting here at the home of her parents, Mr. and Mrs. Jack Holcomb. The Giesecke's are visiting this week with his parents at Matador.

## MANY ATTEND OPEN HOUSE SUNDAY

The new Methodist Parsonage with the Pastor, James C. Holman and Mrs. Holman, as hosts, was the scene of Open House on Sunday afternoon. The lovely brick home, just across the street from the Church was only recently occupied by the pastor and his family.

The structure is of light colored brick as is the Church, and has 1900 sq. ft. under roof, including 3 bedrooms, 2 baths, living room, and spacious kitchen-dining-family area. The paneling and cabinets are of mahogany. The floors are carpeted except in the kitchen area which are of tile. The furnishings are for the most part, new, and placed in the house under the sponsorship of the Women's Society of Christian Service and the Wesleyan Guild, with help from numerous individual donors and the MYF.

For the Open House, the registration table bore a lighted picture of Christ and a styrofoam Bible bearing the phrase "Bless this house, Oh, Lord." Three red carnations were placed upon it. Flowers were placed throughout the house adding much to its beauty. Roses, gladioli, daisies, Bells of Ireland and Gypsophila were used in the arrangements. Hymns came softly through the Hi-Fi set.

The refreshment table was laid with a lovely creamy white damask cloth. The centerpiece was of purple Asters in a stately vase. Other table appointments were crystal and silver. Punch and cookies were served.

One hundred and twenty-seven guests were greeted by the Holmans and Dr. and Mrs. J. E. Shewbert of Plainview. Dr. Shewbert is District Superintendent of the Plainview District of the Northwest Texas Conference. Members of the official board of the local Church, the building committee, the WSCS, WSG, and aided by members of the MYF, guided the guests through the house.

Out of town guests other than Dr. and Mrs. Shewbert, included Rev. and Mrs. Johnny Williams of Turkey; Rev. and Mrs. Marvin Fisher of Silverton; Rev. and Mrs. Delton Fisher and daughters of Lueders; Mr. and Mrs. Lonnie Thurman of Gainesville; Mrs. Rosemary Perkins and son of Silverton; Joyce and Judy Shorter, Flomot; Mr. and Mrs. George Seaney, Mr. and Mrs. J. ### SAVINGS BOND SALES REPORT

"Savings bonds sales through May 1961 totaled \$73,280.00", Mr. Perry Whittemore, Chairman of Briscoe County Savings Bonds Committee reported today. "Our county has now reached 91.6 percent of its 1961 goal of \$80,000. May sales were \$937.00."

Sales in Texas for the first five months of 1961 were \$64,395,836 which is 39.0 percent of the state goal.

"Never before have United States Savings Bonds been so attractive to investors and small savers alike" Mr. Whittemore, Chairman of the Briscoe County Savings Bonds Committee, said today.

### SOME TIPS ON USING 2, 4-D

With the growing use of 2,4-D chemicals to control weeds in grain sorghum, there are a few points we should remember to prevent damage to nearby cotton and to insure good kills. Below are the points that have been established by Dr. Allen Wiese, Agronomist at the Bushland Station, in his research on weed control and sent out by Billy C. Gunter, Area Agronomist, Texas Agricultural Extension Service.

1. It should always be kept in mind that 2,4-D regardless of formulation is extremely toxic to cotton and other broad leaf plants.

2. Grain sorghum should be sprayed when it is from 6-10 inches tall for maximum control of weeds and to minimize the injury to the grain. Earlier or later spraying can injure the grain sorghum.

3. Set nozzles so that good coverage of weeds is obtained—this will vary with type of nozzle and fan angle—setting the spray boom low helps minimize drift—about 20 inches above weed tops is usually a good spacing.

4. Never spray when wind is above 10 miles per hour and preferably less. Remember, drift is the thing that is most dangerous to near by cotton.

5. Spray pressure should be just enough to make nozzle work, 15-20 pounds per square inch. This too minimizes drift. This is extremely important because high pressure produces small droplets which are easily carried by the wind.

6. Use only amine salt formulations, low volatile ester formulations or emulsifiable acid formulations to reduce the hazard of volatility.

7. To further reduce drift use a large volume of total mix—10 to 20 gallons per acre.

8. One-half pound 2,4-D per acre should be sufficient to control broad-leaf weeds.

9. Best results are obtained when the weeds are in a good growing condition.

Remember, 2,4-D, regardless of formulations is extremely toxic to cotton and other broad leaf plants and anyone who uses it should be most careful in his application.

WEDDING PLANS REVEALED

Mrs. Jack Wise announces the engagement and forthcoming marriage of her daughter, Miss Yvonne, to James Morris Parker, son of Mr. and Mrs. E. Parker of 714 South 2nd St., Monroe, Louisiana.

The couple will be married at 4 P. M. August 19 in First Baptist Church of Monroe.

Miss Peggy Brunson of Hurst, Texas will be maid of honor. Best man will be Charles Parker, brother of the future bridegroom.

Miss Wise graduated from the Quitaque High School and attended Northeast Louisiana State College of Monroe.

Mr. Parker is a graduate of Northeast and is at present employed by the Colgate-Palmolive Company in Lafayette, Louisiana.

Sunday Mr. and Mrs. Jim Stroup, accompanied by Mrs. Novelle Wise and Yvonne, drove to Lubbock to

spend the day with Mr. and Mrs. Murray Wise.

Mrs. Novelle Wise returned Wednesday night of last week from a visit with her son, Monte and his family of Richland, Washington.

Mrs. Wise returned by way of California and stopped at San Jose to visit with her sister, Mrs. Henry Funk and family, and her brother, Mr. W. R. Hawkins and family of Stockton.

Mr. and Mrs. Wallace Johnston drove to Lefors Sunday to visit Wallace's mother, Mrs. Mary Johnston, and his sister, Mrs. Jewel Everhart. They returned home Sunday evening.

Mr. and Mrs. Perry Vines, Morzetta and Kenneth visited Perry's parents, Mr. and Mrs. W. M. Vines at Brice Sunday afternoon.

FARM GROUPS NOT IN AGREEMENT ON FARM PROGRAM

The president of the largest farm organization in the state declared last week that most farmers and ranchers in Texas reject the Administration's omnibus farm bill which Agriculture Secretary Freeman promoted during his visit to central Texas last week end.

J. H. West, President of the 81,000-member Texas Farm Bureau, said that organizations representing only a small minority of Texas farmers and ranchers had actually endorsed the Cochrane-Freeman farm bill.

"According to reports we have received," West stated, "many people over the state and nation were given the false impression that Texas farmers and ranchers were united behind the Administration's bill."

A meeting of farm organizations over the state was called for Waco on the eve of Freeman's visit Saturday. Purpose of the meeting, according to Alex Dickie, Jr., of Denton, president of the Texas Farmers Union, was to endorse the Kennedy farm program. Dickie exhorted "all" farm groups to attend and sign a resolution of endorsement. Only three organizations signed the resolution which was presented to Freeman Saturday in Rosebud. Agriculture Commissioner John C. White stated that he had received six other "proxies" which were added to the resolution.

White, who helped promote the meeting, said organizations which formally endorsed the Administration's farm bill are: Texas Turkey Growers, Texas Sesame Producers, Texas Federation of Cooperatives, Texas Grange, Texas Farmers Union, Old Cottonbelt Association, Southwestern Peanut Growers, Grain Sorghum Producers and Texas Wheat Producers.

"The Texas Farm Bureau, largest general farm organization in the state by at least ten times, was not invited to this meeting," West said. "Even if we had been invited, our policies which are diametrically opposed to the principals behind the Cochrane-Freeman bill, would not have permitted our endorsing such a bid to concentrate unprecedented power over the destiny of American agriculture in the hands of the Secretary of Agriculture and the Executive Branch of government."

West pointed out that two of the largest commodity groups in the state, The Texas and Southwestern Cattle Raisers' Association and The Texas Sheep and Goat Raisers Association, did not attend the meeting or sign the resolution.

One hazard that many drivers seem determined to eliminate is the pedestrian.

KILDANE-KOCH VOWS EXCHANGE D AT NAVAL ACADEMY

Judith Anne Kilbane became the bride of Ensign Larry Neil Koch, United States Navy, on June 10, 1961, in a military ceremony at the United States Naval Academy Chapel, Annapolis, Maryland. A reception followed at the Naval Academy Officer's Club.

Ensign Koch is the grandson of Mr. and Mrs. John A. Johnson, and the son of Mrs. Knox M. Battles, Wichita, Kansas and the late Charles W. Koch. He is a member of the 1961 graduating class of the United States Naval Academy.

The bride is the daughter of Mr. and Mrs. Thomas Bryan Kilbane of Cleveland, Ohio. She is a graduate of Georgetown Visitation Junior College, Washington, D. C.

Given in marriage by her father, the bride wore a gown of white silk peau du sole with wrist length sleeves and full cathedral train; applied lace formed a portrait neckline. A crown of pearls and iridescents held the fingertip illusion veil and she carried a cascading bouquet of orchids and stephanotis. Miss Kathleen Kilbane, sister of the bride was maid of honor, other attendants were Miss Anne Kilbane, sister of the bride, and Miss Janice Kay Phillips of Wichita, Kansas.

After a Honeymoon through the South and New Orleans, the couple will reside in Pensacola, Florida where Ensign Koch will begin flight training.

CATTLEMEN'S ASSOCIATION MEETING THIS WEEK-END

Cattlemen To Look at Proposed New Farm Legislation

The effect of the omnibus farm bill upon the livestock industry will be in the spotlight at the quarterly directors' meeting of the Texas and Southwestern Cattle Raisers Association in San Angelo June 30-July 1.

Traditionally, cattlemen have opposed any price supports and production controls on cattle. Discussions at the TSCRA meeting are expected to center on the effect the new bill would have upon those in the cattle business, and to what extent the bill embraces practices

which are related to beef production and marketing.

Other action at the meeting will include a review of the present brand laws in Texas, consideration of submitted samples for an official emblem for the Association, an analysis of activities of the National Livestock and Meat Board, and committee reports on a number of other subjects of particular interest to cattlemen.

Progress being made by the newly-formed cattle feeder division also will be reported.

Friday, June 30, will be devoted to committee meetings and the regular meeting of the Board of Directors is scheduled at 9 A. M., Saturday, July 1. This meeting is open to the membership.

### JEHOVAH'S WITNESSES TO ASSEMBLE IN CANADA

Mr. Raymond H. Smith, prominent locally as a supervising minister of Jehovah's Witnesses, will represent the Quitaque area at one of the largest assemblies of Christian families scheduled in the United States and Canada this year.

Slated for July 4-9 at Empire Stadium in Vancouver, British Columbia, the United Worshipers District Assembly of Jehovah's Witnesses is one of seven such conventions scheduled by the Watchtower Bible and Tract Society. The Vancouver gathering will draw some 20,000 to 25,000 delegates, according to V. D. Tiffin, presiding minister of Quitaque Congregation.

Smith will speak on the subject, "Do You Belittle Discipline?" at united gathering. With the growing tide of delinquency and wrongdoing, Smith said, "a Christian needs to discipline every step of his way to Christian maturity and life."

Noting that the phenomenal 6 per cent increase of the faith in the past year resulted primarily from increased "voluntary, personal ministry," the local minister said that Mr. Smith will serve on the organizational staff of the convention in the volunteer service department. "Volunteer service is the basis for the effectiveness of the Witnesses' world-wide Bible-training program which has produced an organization of more than 900,000 Bible teachers," Tiffin said.

Mr. and Mrs. Smith serve Circuit No. 9 of Jehovah's Witnesses for the Watchtower Bible and Tract Society and are regular visitors to the Quitaque Congregation. The couple will visit Mrs. Smith's parents, Mr. and Mrs. Edgar C. Kennedy, during the six-day Canadian convention. Mr. Kennedy is a district supervising minister for the Witnesses in the Pacific Northwest.

In commenting on the purpose of the assembly, the local presiding minister, Mr. Tiffin, stated that Jehovah's Witnesses recognize the "need for Christian unity in a world torn apart by divine interests of all types," and that "proper application of Bible knowledge in

a uniform manner is essential to unity."

"For this reason the Watchtower Society will send top speakers from the world headquarters of Jehovah's Witnesses in Brooklyn, New York, to speak at the evening convention. They will give practical information on how Christians may live in harmony and peace in spite of stresses and strains imposed upon them by chaotic world conditions."

Nathan H. Knorr, president of the rapidly expanding Christian faith, will climax the six-day Bible-training course with a free public talk on Sunday, July 9th. His subject will be "When All Nations Unite Under God's Kingdom."

Mrs. Daisy Bedwell accompanied Mr. and Mrs. Gus Gibson to Sunday Saturday evening. She visited with her son, C. E. Bedwell, and his family. The Gibsons visited their son, Glenn, and family. They returned to Quitaque Monday evening.

### Engagement Announced

The engagement and approaching marriage of Miss Carol Ann Bezner was announced this week by the bride's parents, Mr. and Mrs. Frank J. Bezner. Miss Bezner will marry Teddy L. Bedwell on

July 13 in St. Anthony's Catholic Church in Hereford.

Bedwell, son of Mr. and Mrs. Lewis Bedwell, Jr., of Quitaque, graduated from Quitaque High School and Clarendon Junior College. He will receive his degree from West Texas State College in Canyon this summer.

Miss Bezner attended schools in Hereford and Dodge City, Kan. and graduated in March from the Amarillo Beauty College. She is presently associated with the Village Beauty Shop in Hereford.

Mr. and Mrs. Joe Young, Bennie Stanley and Connie of Tucson, Ariz. are here visiting her parents, Mr. and Mrs. Boone McCracken and at Tulia visiting his parents. They plan to leave for their home Friday.

Mr. and Mrs. Stewart McCracken and family of Tulia, Mr. and Mrs. Jimmy Davidson and family and Mrs. Estelle Davidson visited Sunday in Lakeview.

(A tip for top-downers: The Impala Convertible is the liveliest, love-liest ever.) For king-sized wagon fans there are six happy-hauling, vacation-minded Chevrolet wagons. And, for a thrift-car treat, don't miss the nifty selection of easy-handling Corvairs—sedans, coupes, Monzas, and Lakewood and Greenbrier wagons. Take your pick—the easy way. Just one stop at your Chevrolet dealer's does it.

### New Chevrolet IMPALA SPORT SEDAN

One of five delightful Impala models with just about everything anyone could want in a car. Here's top-of-the-line luxury—at a sensible Chevy price.

### New Chevrolet BEL AIR 2-DOOR SEDAN

Like all Chevrolets, this family favorite brings you Body by Fisher craftsmanship . . . and it's priced just above the thriftiest full-sized Chevrolets.

CHEVY'S traditionally high resale<sup>1</sup> means it costs less in the long run

Because these people-pleasing Chevies keep on bringing more trade-in money, it's almost like having your cake and eating it, too. One more reason for going Jet-smooth Chevrolet. Happy motoring. And many happy returns!

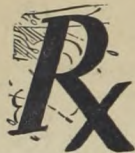

<sup>1</sup>Based on prices in the National Automobile Dealers Association official USED CAR GUIDE, recent-model Chevrolets are now bringing a higher percentage of their original price than any other full-sized car in their field.

The First Quarterly Conference of The Methodist Church will convene Wednesday evening, July 5th, at 7:30 o'clock. District Superintendent Dr. J. E. Shewbert will preside. Pastor Holman will drive back from Junior Camp in Ceta Canyon to be present for the Conference. It is to be a combined Quarterly and Church Conference for the purpose of completing the legal requirements of the Parsonage

loan. This means that not only the elected members of The Quarterly Conference, but also every member of the church is urged to attend. Brief verbal reports will be received from each of the church officers.

**TRAINING SESSION IN PLAINVIEW**

The pastor and some of the church officers of the Methodist Church of Quitaque attended a special training session in The First Methodist Church of Plainview Thursday night. Rev. Bob Metzner of Tulia was the teacher for the Chairman of the Commission on Membership and Evangelism; Rev. Charles Lutrick of Floydada taught the Chairman of the Commission on Education; Rev. Jim Boswell of Plainview the Chairman of the Commission on Missions; Dr. J. H. Crawford of Plainview the Chairman of the Commission on Stewardship and Finance; Rev. Frank Perry of Muleshoe the Chairman of the Commission on Christian Social Concerns; and the Charge Lay Leaders were instructed by Lee Nowlin of Plainview, Joe Salem of Sudan, and Jimmie Wilson, Jr. of Floydada. Dr. J. E. Shewbert met with the pastors.

**BAPTIST CHURCH NEWS**

We are glad to welcome back two members, Mrs. Beulah Redman who has moved back to Quitaque, and Melvin Cobb who is home from the University for the summer.

Open House was held for the new Methodist parsonage last Sunday from 3:00 to 5:30. We congratulate Brother James Holman and his people on this accomplishment.

With the help of a gift from one of our Church families, there is a new refrigerated air conditioner in Bro. Bob Beck's study.

Remember that summer revival is only two months away. Glen Norman, of Corpus Christi is the

preacher, and Kenneth Hill of Lubbock is song leader. Time of the revival is August 20.

We join in prayer for John Fulton and the family in the loss of his grandmother. Also, we extend sympathy to all of our community who have had sickness or sorrow.

There were a number of visitors in both the Sunday morning and night services.

**FORMER RESIDENT WRITES**

Glenn R. Lewis, a former resident of Quitaque sent the Tribune a short note last week concerning the appointment recently of Wayne Justice of Athens, Texas, to the post of U. S. District Attorney for the Eastern District of Texas.

Mr. Lewis says that real old timers here will remember W. D. or Will Justice and Miss Jackie Mae Hansen, who comprised the school teaching staff here during the school year, 1909-1910. They were married some time after leaving here; and Mr. Justice became a lawyer. He lives in Athens where he has practiced law for many years. Wayne Justice is their son.

Mrs. W. F. Cade of Fort Worth and daughter Frankie are here visiting at the home of her parents, Mr. and Mrs. C. H. Hamner. They plan to be here for about two months. Their son, O. W. Hamner and his family from Houston were here last week, leaving for their home last Saturday. Mr. and Mrs. Bob Morris and family of Tulia spent the week-end with the Hamner's and Sunday, Mrs. W. J. Carter, Mrs. Boone McCracken and Mr. and Mrs. Gerald Imel visited in the Hamner home.

**HI-PLAINS HI-LIGHTS**

Installation of new irrigation equipment has permitted the en-

largement of the water conservation research program at the High Plains Research Foundation, James Valliant, Assistant Water Engineer said. "The new facilities will provide an opportunity to enlarge the studies on irrigation and recharge well problems for the benefit of farmers on the High Plains."

New equipment includes 2,100 feet of 12-inch underground concrete pipe contributed and installed by the American-Marietta Company of Littlefield, Texas. Five hundred feet of this pipe was the thick wall type and 1,600 feet was the standard 12-inch concrete pipe.

The drilling of the new recharge well, located at the Playa Lake in the southwestern part of the Foundation farm at Halfway, was contributed by Bud Gibbons of Plainview, Texas.

The 301 feet of 15-inch steel casing for the new recharge well was a gift from Pioneer Natural Gas Company. Transportation of the pipe from Amarillo to Halfway was donated by Jay Taylor of Amarillo, Texas.

A new pump for the well was presented by Green Machinery Company of Plainview, Texas. This company, with the Chrysler Corporation, contributed the Chrysler engine. Swayze Brothers of Plainview dug the intake ditch for the pipe to the new well.

Dr. Tom C. Longnecker, Director of the Foundation, expressed the appreciation of the staff and of the Board of Trustees for these gifts. In announcing the gifts he said, "The additional facilities will materially advance the water conservation studies for more information urgently needed to protect the future irrigation economy of the High Plains area. The wonderful assistance of the above firms and many others in making these water conservation research facilities available shows that many people are aware of the seriousness of the water situation and are willing to do something to help correct it."

## Scouting -

On June 1, 1961 at 1:30 P. M., twelve members of Troop 264 and their Scout Leaders, P. D. Bailey and Ray Gene Hutcheson departed for Camp Post for a week of Camp Activities.

When we arrived, we set up camp. The name of our camp site was the Running M. Each camp site in Camp Post has been given

### CARD OF THANKS

I wish to thank everyone for your thoughtfulness and many kindnesses during my recent illness. May God bless each of you.

the name of a famous cattle brand. We were fortunate to have agreeable weather for camping while we were there.

Our schedule was from 7:00 A. M. to 10:00 P. M. Our Troop was the only troop there with a full schedule. We attended such classes as; Marksmanship, Swimming, Archery, Ax and Knife, Rope Work, and Cooking.

In the Swimming and Life Saving Classes the schedule included about three hours of swimming each day. The ones who received their Life Saving Merit Badge were, Ray Gene Hutcheson, Robin Harmon, and Warren Lee Merrell. Dusty Bailey and Rex Harmon completed their Life Saving Course but they were not presented their Merit Badge as they were too small. The ones who worked on their Swimming Merit Badge were Jamie Johnson, and Venus Gillespie, Jr. They completed the course except for the form of their strokes. Our Water Front Director was Daniel Galvin.

We were well pleased with the large number of parents and friends who came down for our Campfire Service on Friday Night. We had the highest score for Outdoor Activities, in other words, we were top Troop at Camp Post for that week.

We returned home Saturday afternoon thanks to the help of R. J. Harmon and Bill Woods who came after us when our bus broke down just this side of Crosbyton.

Mrs. J. E. Vaughan, Mrs. Banty Wise, and Mrs. Morris Kitchens of Silverton and Mrs. Lucille Bryan of Missouri visited Tuesday afternoon with Mrs. Edgar Morrison.

### DAUGHTER BORN TO MR. AND MRS. JERRY HAMILTON

Mr. and Mrs. Jerry Hamilton announce the arrival of a daughter, born Thursday, June 22, in a hospital at Pierre, S. Dakota. She weighed 7 lbs. and has been named Kelly.

Mr. and Mrs. B. K. Hamilton are the paternal grandparents and Mr. and Mrs. Ray Carpenter of Hollywood, N. M. are the maternal grandparents. Mrs. B. K. Hamilton says that she will probably be going out to see that new granddaughter, the first for her, soon.

### HAVE A GOOD HOLIDAY—STAY ALIVE!

The director of the Texas Department of Public Safety announced today previous holiday experience in Texas indicates 25 persons will meet violent death on the Fourth of July, 1961.

Col. Homer Garrison, Jr. said the release of this official prediction "is intended to serve as a challenge to all Texans to prove our estimate too high."

In announcing the grim forecast, Garrison said the DPS will place in effect "Operation Deathwatch" effective from 12:01 A. M. to 11:59 P. M. on July 4, during which traffic deaths, homicides and suicides, and fatal accidents other than traffic will be tabulated against the prediction.

The department's Statistical Services Manager, N. K. Woerner, estimates that 11 persons will be killed in traffic accidents during the 24-hour period, that five will be victims of homicide or suicide, and that nine will die in drownings and other types of fatal accidents.

"The department's purpose in conducting such an operation is to

West Texas Utilities Company was the recipient of the Texas 4-H Club Achievement Award at the Texas 4-H Club Roundup held at College Station, Texas, June 6. Cal Young, WTU President, (left) receives the Company's award from Carly Hays, Rural Service Director of the Company. The award was presented to WTU for Texas 4-H Clubs by Eugene B. Darby of Pharr, Chairman of the Board of Directors of Texas A & M College. This is the first time this award has been presented and was given to WTU for its assistance and outstanding service to 4-H clubs in the service area during the past few years.

focus public attention on the fact that holiday driving is more dangerous than usual because more vehicles are on the highways—as well as to compile data which is vital to the constantly-changing problems of traffic supervision," Garrison said.

"In addition to the "Deathwatch," the department will augment the regular Highway Patrol force with some 150 uniformed patrolmen from the Motor Vehicle Inspection and License and Weight services during the 24-hour period in an effort to keep down the violations that cause accidents."

The DPS director called special attention to the fact that the records show at least one law violation is involved in most fatal accidents in Texas.

"This should prove," he said, "that there is a definite contribution individuals can make to

greater highway safety—legal driving."

Garrison pointed out that while emphasis must be placed on holiday traffic hazards, his department also has concern for other incidents which take human lives. He reminded that during three-day Fourth of July holiday last year, 10 persons were the victims of downing out of a total of 15 non-traffic fatalities resulting from other accident.

"With more boats on the waters of our state than ever before," he continued, "extra precautions should be taken this Fourth of July to avoid tragedy. Boaters should be sure there is a life preserver for every boat occupant and, above all, don't overload or overpower your boat."

Garrison also reminded boaters that 45 miles per hour is the speed limit for all vehicles pulling trailers.

Comment from the Capital -

### FROM THE PROMISE TO THE PERFORMANCE

by Vant Neff

Without question the most stirring words that Mr. Kennedy uttered since he started campaigning for the presidency was the statement delivered during his inauguration speech . . . when he asked the people of the country not to think of how much the government would do for them but rather how much they could do for the government. For we all knew we were in a time of great crisis. Literally one-half the world not only planned to bury us but were ardently working, and making progress, at the task.

This observer anticipated a nation-wide rallying of all parties and all people to the side of the President. In fact, any trained observer could see the people push aside their petty, personal problems and the country assume, for the first time in a long while, a national unity. We were going to go forward! Petty, domestic situations would be corrected in the due course of events but the major crisis would be met head on with national solidarity.

That is what I thought . . . and instead what I observed was the administration directive for the immediate tackling of measures for social welfare. An increase in the minimum wage-hour rate, care for the aged, federal aid to education, federal

intervention in labor disputes, even socialized medicine were brought up for consideration. This at a time when we were blundering in Cuba, failing in Laos; with either a lack of sufficient information or misinformation about Korea. At the same time as the president of Brazil asked us for financial aid he told us that Castro was not a Communist. While we were criticized, condemned and casti-

gated almost universally, our first considerations were going for socialized betterment when enlightened people had looked for a mustering of national resources with the country on an alert basis against the continued envelopment of one free country after another by the

Communists.

While the country is familiar now with the featherbedding of unionized labor at Cape Canaveral, did you know that the same sort of restrictive work rules of organized labor have been adding to the cost of everything we buy and draining the health of our national economy? The federal government seems to have forgotten that the greatness of our nation has grown on the free enterprise system. It is generally recognized that our economic health depends on full private employment. We must also recognize that private enterprise requires reasonable freedom to function in its traditional manner, without excessive federal interference or domination. The more time, money and effort we devote to establishing a welfare state the less energy we shall have to resist Communist encroachment.

Speaking forthrightly, never in our diplomatic history has the United States appeared so confused and without purpose. An Australian referred to "the warm, soft, synthetic existence of Americans." It is time to rally all our energies and resources to combat our enemies, not to make our citizens soft and dependent. If you share this belief, perhaps you ought to tell your representative in Congress.
