'64 WHEAT DIVERSION PROGRAM OUTLINED

If quotas are approved for 1964-crop wheat in the May 21 referendum, the wheat program—like programs for 1962 and 1963—will offer payments for acreage diversions to conserving uses, Mr. Louie Kitchens, Chairman, Agricultural Stabilization and Conservation Committee has said. The diversion payments are made to help maintain wheat income while the carry-over of wheat is being reduced.

The acreage diversion would result from keeping within the acreage allotment and shifting the acreage so diverted from production into approved conserving use, Kitchens explains. This acreage represents the difference between the 1964 wheat allotment and what the allotment would have been with a national allotment of 55 million acres.

For the diversion resulting from planting within the farm allotment, the payment per acre would be the farm normal yield multiplied by 30 percent of the county support-price rate based on the \$2 national average. The diversion payment for the farm would be the rate per acre times the number of acres diverted from wheat. The diverted acreage is to be in addition to the normal conserving acreage base for the farm.

For additional voluntary acreage diversion under the program, Mr. Kitchens pointed out, a diversion payment of 50 percent of the county price support is offered. The largest acreage for which this voluntary diversion payment will be more is the larger of (a) 20 percent of the 1964 allotment, or (b) an acreage which will bring the total farm diversion to 15 (Special provisions apply for diverting all the wheat acreage on farms with allotments of less than 13.5 acres.)

Upon request, a producer—in 1962 and 1963—may receive in advance 50 percent of the total payment being earned for a di-

RAILROAD OFFICIALS COMMEND LOCAL SCHOOLBUS DRIVERS

The following is a copy of a letter recently received by Supt. Johnny Mason from Mr. James May, Foreman of Section No. 25, Fort Worth and Denver Railway.

This letter points out the appreciation of Mr. May and other railroad officials for the fine school bus drivers of our school:

Mr. John Mason
Supt. of Schools
Quitaque, Texas

Dear Sir:

As it is approaching the end of another school year, I wish to express my thanks to all of the bus drivers that drive over the railroad tracks on my section.

They have observed the safety rules to the fullest extent each time that I have noticed them. I am sending you a Safety News of some narrow escapes which would not happen with the drivers we have.

Signed:

James May
Section Foreman
Quitaque, Texas

This school district is fortunate in having conscientious bus drivers who observe all rules of safety and are mindful of the precious cargo that they are hauling. They deserve a literal pat on the back by everyone of us.

version of wheat land to conserving uses.

Chairman Louie Kitchens said that, if the vote is favorable in the 1964 wheat referendum, a sign-up for the diversion part of the wheat program will be held prior to planting time. May 13 was the last day small-allotment farm operators could qualify to vote in the referendum and to be eligible to take part in the other parts of the 1964 wheat program.

HONOR STUDENTS ANNOUNCED

Honor students for the Graduating Class of Quitaque High School were announced this week by G. R. Colvin, High School Principal.

SeReatha Stephens, daughter of Mr. and Mrs. Morris Stephens, is the Valedictorian of the Class of '63. SeReatha's average for her four years in high school is 92.22.

Salutarian this year is Ray Gene Hutcheson, son of Mrs. Lela Mae Hutcheson, who finished his high school career with an 89.18 scholastic average.

The student with the third highest average is Kay Hamilton, daughter of Mr. and Mrs. Raymond Hamilton and her four year average is 86.94.

Congratulations are extended to all three of these fine young people for their efforts scholastically.

Baccalaureate Service Will Be Sunday Night At School Auditorium

Mr. and Mrs. Gene Clary of Tulia visited Mr. and Mrs. Dick Hooks Sunday afternoon.

The end of school schedule of activities was announced this week by Supt. of Schools Johnny Mason.

The end of school activities will begin Sunday night. May 19 with the Baccalaureate Service, which will be held in the school auditorium, beginning at 8 o'clock. The Rev. Kenneth Metzger, pastor of First Methodist Church, will deliver the Baccalaureate Sermon.

Monday & Tuesday of next week will find local students taking their final examinations.

On Wednesday of next week, Mr. Mason announces that there will be no school as it will be a faculty work day.

On Thursday, students will go to school and pick up their report cards, beginning at 9 o'clock. They will not be at school all day.

Thursday night at 8 o'clock the Eighth Grade Promotion program will be held at the school auditorium. Jimmy Davidson will be the main speaker for that program.

On Friday night at 8 o'clock, Commencement Exercises will be held for the graduating seniors and the principal address will be delivered by H. M. Baggerly, who is Editor of the Tulia Herald.

Mr. and Mrs. Ollie Cole, Minnie Mae Roberson and Mrs. Mort Hawkins visited Mr. Otis Wilson in Stanley Hospital at Matador Sunday afternoon.

Mr. and Mrs. George Owens and Betty left Monday for a visit with their daughter, Mrs. Olen Lane and family at Van Horn and another daughter, Mrs. Bill Epbs & family at Dell City. George plans to get in some fishing the two weeks they plan to be gone.

Joe Young of Tucson, Ariz. arrived last Wednesday for a short visit with relatives and to return with his wife and daughter to their home after spending two and a half weeks here with her parents, Mr. and Mrs. Boone McCracken and other relatives.

PASTOR TELLS OF TRIP TO JAMAICA

(By Rev. Roy Davidson)

What an enrapturing sight! Thirty thousand feet in the air and all is quiet aboard the Douglas DC 7 Jet headed east from Dallas to Atlanta, Ga. The clouds are laid in folds as neatly as the wife folds her clothes after washing. The sun plays across the clouds to make an impressive panorama early in the morning. There is no doubt, "This Is My Father's World."

The Pan American flight from Miami to Jamaica was uneventful—just more of the beauty spoken of above. Our first view of the tropical island of Jamaica was very impressive. Much of the island is taken up with the Blue Mountain range. All of the colors imaginable are dashed in unbelievable beauty across the island. It is a tropical paradise.

There are several very modern cities as Kingston, the capital; Montego Bay, and Port Antonio. Most of the cities offer a contrast in the modern and the backward. In the same block one may see a man riding a donkey, a bicycle, or in a modern foreign car. Small shops with very few items are easily alongside a modern supermarket. Beyond the cities there is little planning, as the houses and huts are just everywhere.

I was situated in the town of Morant Bay, a town of about 4,000 population. In the town proper there is to be found gas, lights and good water. Once outside town only good water is to be had. Most homes, businesses and churches of the rural area still use the kerosene lantern.

Of a population of 1,600,000 only about 20,000 are white people. Most of these are business men and school teachers from England. In Morant Bay the only white people beside myself and my partner were five English school teachers. The doctors, nurses, policemen, teachers, preachers, and business people were all Negroes. Many of them received college training in the U. S. or Canada. There are a few mixtures of the West Indians and Chinese.

If we were not understood the Jamaican would say "please." I speak of crying they say, "water come to me eyes down." Away from the cities the people seem to know only the personal pronoun "me." The children were especially hard to understand. However, the people seemed to have little trouble understanding us.

The money system is English pence, shillings and pounds. One has only to trade a time or two to learn the comparison. A shilling is worth about 14 cents and the pound is worth \$2.80. Most items to be bought are a little higher there than in the United States.

One cannot help but be impressed with the kindness, graciousness, and politeness of the Jamaican. They did everything possible to make our stay enjoyable. I never heard a child speak but what it was "yes, sir," "no, sir," or "please, sir." The children are very respectful toward all adults. Several different individuals did their best to show us around in what free time we had. They took us to the scenic spots, a sugar plantation and sugar mill, the hospital, schools, jails, a light house, churches, museum and banana loading wharf.

The homes consist of living quarters much like ours but the bath, (if they have one) kitchen and wash house is separate. Most people have a maid. The people with whom we stayed had 3 maids and 2 handy men. This is not unusual to them. Since the labor is exceptionally cheap, one could easily afford such help. There are no screens on the doors or windows. Most of the windows are only shutters since it is warm the year round. One is not surprised to see animals of all sorts wandering through the house. Especially in (Continued On Back Page)

OPEN HOUSE TO BE HELD SUNDAY AT JOHNNY POWELL HOME

Open House will be held Sunday afternoon, May 19 between the hours of two and four o'clock at the new home of Mr. and Mrs. Johnny Powell in the southeast part of town.

Mr. and Mrs. Powell extend an invitation to everyone in the community to come and see their lovely new home.

Mrs. A. B. Ramsey, Sr. had as visitors on Mother's Day her daughter and her husband, Mr. and Mrs. Durwood Lewis of Amarillo, and Mr. and Mrs. Arthur Patterson of Lubbock. Durwood reported that his mother was improved and was home from the hospital.

Mr. and Mrs. William Auston and Mike were dinner guests of the Auston's daughters, Ruby and Ethel Rae, Sunday at Falls. The ladies prepared a surprise birthday dinner for their mother.

Mr. and Mrs. W. C. Roberson of Wellington visited his son, Sloeum and his wife and his daughter Minnie Mae, here last week. Miss Katherine Turner of Wellington accompanied them and visited Mrs. Ethel Tracy. Mrs. Roberson and Miss Turner attended a three-day church meeting in Lubbock, returning to Quitaque Friday and the group returned to their home in Wellington Saturday.

Mrs. Larry Hedrick and Scott of Hale Center spent last Tuesday night with her parents, Mr. and Mrs. Ralph Carter. She visited her cousin, Mrs. Joe Young, at the home of Mr. and Mrs. Boone McCracken, also.

GASOLINE FARMERS UNION TO MEET MONDAY NIGHT

The Gasoline Farmers Union announces that a called meeting will be held Monday night, May 20 at 8 o'clock in the Gasoline Community Building.

Following the meeting, a Farewell Party is planned, honoring Mr. and Mrs. James Reed and family, who are moving to Missouri. Everyone is invited to attend the meeting and the party.

MRS. JAKE MERRELL RECEIVES SCHOLARSHIP

Mrs. Joe Mae Merrell is the third teacher in the Quitaque School system who has received a scholarship from the National Science Foundation, it was learned by the Tribune last week.

Mrs. Merrell will attend TWU at Denton and pursue her studies in Math. The term will start two weeks after school is out here.

The family of Mr. and Mrs. I. F. Reed had a family get together in McKenzie State Park at Lubbock Sunday. Those present were Mr. and Mrs. I. F. Reed and Leo, Mr. and Mrs. E. G. Reed and girls, Mr. and Mrs. George Reed and boys, Mr. and Mrs. Jay Gowin and family, Mr. and Mrs. Horace McDonald and family, Mrs. J. M. Buckalew, Donnie and Linnie, Lynn McDonald of Lubbock, Mr. & Mrs. Cecil Reed and family of Denver City, and Mr. and Mrs. Roy Monk and girls of Midland.

Mr. and Mrs. Leon McCracken visited Mr. Otis Wilson in Stanley Hospital at Matador Sunday afternoon.

Quitaque Has Two Brand New Barbers

Joe David Payne was caught in action on his first customer, who was Bart Owens, after going to work at Dick's Barber Shop. Joe David had just gotten his Barber's License after passing the examination earlier last week in Austin.

Joe David attended Barber College at Lubbock for awhile before transferring to Amarillo where he finished his training.

Joe David, the son of Mr. and Mrs. Archie Payne, is a 1955 graduate of Quitaque High School and was a member of one of Quitaque's finest basketball teams. He worked for the State Highway Department for several years before resigning to enter barber training. He and his wife Jan, have two small children, a boy and a girl.

☆☆☆

☆☆☆

Lee McDonald is Quitaque's other new barber. He is pictured working on Mr. Joe Jacobs, who was one of his first customers. Lee is employed at Suzie's Barber Shop.

Lee, the son of Mr. and Mrs. Horace McDonald, received all of his training at Lubbock, finishing

the same day and taking his examination the same time as Joe David. He is a 1962 graduate of Quitaque High School and he is unmarried and is still making his home with his parents.

Quitaque is proud to have these two young men come back to make their home here.

Piano Students Get Excellent Ratings At Auditions

Three piano pupils from the class of Mrs. A. E. Gragson, were candidates for membership in the National Fraternity of Student Musicians, sponsored recently by the National Guild of Piano Teachers of which their teacher is a member. This group of young piano hobbyists played in the National Piano Playing Auditions at Tulia.

Shown above, left to right are Neva Dale Morrison, daughter of Mr. and Mrs. Murry Morrison; Barbara Chandler, daughter of Mr. and Mrs. O. E. Chandler and Jackie Tate of Silverton. All three of these girls made excellent ratings at the Tulia auditions.

State and National honors are conferred by the Mother organi-

zation according to the number of standard classic, romantic and modern pieces chosen from the Masters of pianoforte literature each student can creditably perform in the presence of an imported examiner of note from another state.

From coast to coast over 60,000 enthusiastic piano pupils of the nation participated in this annual national piano-playing event held in 600 music centers of the country and every entrant who qualifies was certificated, given a gold or bronze embossed pin, a year's Membership in the National Fraternity of Student Musicians and Piano Hobbyists of the World.

Began at Harlin-Simmons University, Abilene, Texas, in 1929,

national headquarters are still maintained in Texas, where Rules and Regulations are available on request free of charge by addressing Piano Guild, Box 1113, Austin, Texas.

Mrs. Gragson has announced that she does not plan to teach this summer as she will be in St. Louis, Mo. attending summer sessions at the St. Louis Institute of Music Education.

Mrs. Gragson has found it necessary to present three recitals this spring. The first one was at Florent Sunday afternoon, May 12; at Quitaque on Thursday night, May 16; and at the School Auditorium at Silverton May 19 at 3 P. M.

FIFTY YEARS OF GIRLS' AUXILIARY

By Becky Berryhill
 In 1913, Junior YWA's were listed for the first time in the statistical tables of Woman's Missionary Union.
 In the year of 1914, the name of Juniors YWA's was changed to Girls' Auxiliary. It was this year our Auxiliary really started.
 Our first G. A. pins were given in 1915. That same year, two GA organizations were reported in China. Thirteen states reported 132 GA organizations that same year. In

1917 GA's were reported in Nigeria.
 The first leadership course for GA counselors was held in 1917. By this time GA mission study classes were already an interesting feature of work. In 1918, the calendar of prayer was put into "Royal Service" magazine.
 In 1919, the first GA camp was held in Virginia Beach, Virginia.
 In GA history, 1924 was an important year. Our GA manual was revised, the GA watchword and hymn were chosen. The Star Ideals, "Tell", a mission magazine for girls, was begun just for GA's.

initiation were presented. The colors green, white and gold were chosen. This same year, the GA's were grouped into 9-12 and 13-16 year old groups.
 In 1929, the first four Forward Steps were planned. The GA's were so enthusiastic about them that in 1933 two more steps were added for the Intermediates.
 The observance of an annual Focus Week was begun in 1935. The year 1938 was the Silver Anniversary of GA.
 Our first Queen's courts were held in 1953. A monthly publication, "Tell", a mission magazine for girls, was begun just for GA's.

October 1, 1956 brought a new program of work known as the Aims for Advancement.
 Now in 1963 we are celebrating our 50th Anniversary. Three conventions are going to be held in Nashville, Tennessee this coming June.
 Sunday, May 12, we held our Golden Presentation Service. On Wednesday night, May 15, we are going to have a covered dish supper at the church.
 Mrs. Betty James of Amarillo visited relatives here Sunday.

Mrs. Clovis Hill and family of Amarillo spent Sunday with the Barretts. Mr. and Mrs. Clarence Barrett and Charles were also dinner guests. In the afternoon, Mr. and Mrs. Cecil Seaney of McLean visited her parents. They had eaten dinner in Silverton with his parents, the George Seaneys.
 Laqueta and Stephanie Chadwick spent the weekend in Turkey with their grandparents, Mr. and Mrs. Guy Smith. Mr. and Mrs. Buster Chadwick drove to Turkey Sunday afternoon to return the girls home.
 Mr. and Mrs. Jack Chandler and boys spent Mother's Day in Friona with her parents, Mr. and Mrs. Jim Stell.
 Mr. and Mrs. Jimmie Davidson and boys and Mrs. Estelle Davidson attended a piano recital held in the Methodist Church parlor at Tulia last Friday. Jo Beth McCracken, daughter of Mr. and Mrs. Stewart McCracken, was one of the children taking part in the recital. Mr. and Mrs. Boone McCracken also attended the program.
 Freddie Davidson and Mrs. N. A. Shackelford of Amarillo spent Sunday with his mother, Mrs. Estelle Davidson. Mrs. Shackelford and Mrs. Davidson are sisters. Mr. and Mrs. Stewart McCracken and children of Tulia and Mr. and Mrs. Jimmy Davidson and boys were dinner guests of Mrs. Davidson also.
 Mr. and Mrs. Bill Griffin spent the week-end at Perrin Air Force Base at Sherman with their son, Don and family. The Griffins went down to see their new grandson. They were met there by Mr. and Mrs. Weldon Griffin and children of Tulsa, Okla. The group spent Saturday and Sunday together. Mr. and Mrs. Griffin returned to Quitaque by way of Fort Worth and visited Bill's mother, Mrs. D. B. Griffin. Beth Griffin, daughter of the Don Griffins, returned home with her grandparents for a visit.
 Mr. and Mrs. D. C. Duck, Mr. and Mrs. A. B. Ramsey, Jr. and family, Mrs. H. G. Boyles and

TURKEY BUTANE CO. RECOMMENDS AFCO FLAME CULTIVATION

FOR WEED-FREE CROPS
Time-tested and proved, AFCO Flame Cultivation is the best answer yet for complete weed, grass and vine control in rowcrops.
Weed control means higher yields — flaming means less weeds. Gas costs average less than \$1 per acre. Crops can be flamed at 4 to 10 acres per hour. And flaming does not harm the crop when used as recommended.
You owe it to yourself to learn more about AFCO Flame Cultivation. Let us discuss flaming with you, or better yet we can arrange a demonstration.

SENIORS THANK SUPPORTERS

"We the graduating class of 1963, would like to express our sincere appreciation to the people of this community who helped us make our rodeo the huge success that it was. Due to the fact that we have some bills yet unpaid, we do not know what the actual amount of clear profit, but we do know that this rodeo was the biggest and best that was ever held by a graduating class of Quitaque High School.

"Because this rodeo was such a success, we feel that YOU, the farmers, the ranchers, the merchants, the towns-people, who have been so generous with your help, are behind the school - sponsored Senior Rodeo. For three preceding years, the Seniors have tried to get the support of the town behind them and this year we feel that we have accomplished this. Our rodeo could not have been the success that it was without the support of the many people who contributed either time, money, labor, skill, or just plain old rodeo enthusiasm to us, the Seniors of 1963."

The following is a list of the names of the people who have contributed in every way to our rodeo. If anyone's name is left out, it is due to the fact that we had so many names that we somehow, amidst all the shuffle and confusion of the past couple of weeks, we have mislaid it. If you contributed in any way and your name does not appear on the list, please call our attention to this error and we will be glad to acknowledge it.

Morris Stephens, Stock producer; J. W. Brannon, Pahandle, announcer; Evelyn Brannon, Panhandle, and Wanda Stephens, timekeepers; Jack Dickey and Bill Chambers, Plainview, Riding Judges; Cliff Stodgill, Lewis Croft, Silvertown, and Jack Morrison, musicians; Clayton Johnson, Jim Mayfield, Wayne White, Jennings Farm Supply; Queen Judges: Bessie Saul and Jane Blair and Roberts Funeral Home, ambulance.

the kitchen area the chickens, dogs and cats go about freely. Sometimes at night you can hear the big rats running about the roof and see cockroaches of exceptional size all about the house.
In town all of the churches are rather formal. The services are conducted much like the Episcopal service in the States. Services where we were lasted quite a bit longer than we expect them to last. It seemed quite normal for them to be two or three hours in length. Time means very little to them. If they set 7 as the time for the service it may begin by 8 or

or Gospel of John is a good way to get mobbed. Everyone wants to hear, it seemed. One is afraid to mention the number of professions of faith because the number is quite large compared to the usual response here. Often we repeated the invitation to be sure they understood. Yet, many came forward. Most that came were adults. Several of them up in years. One man of ninety had to be helped to the front, but he was desirous that all should know of his decision.
The hand and heart of many a person was extended to Jamaica gin to sing spontaneously. Often they sing and pray for an hour to an hour and a half.

The response to the Gospel was overwhelming. Everywhere we turned people were anxious to hear about Christ. To stand about and offer to give away a Testament 8:15. As the people gather they be-

through the 90 preachers that went, the opportunity of serving in this How grateful we are that we had capacity.

Olney Creates Home-grown Industry

When an aeronautical engineer and the business leaders of Olney, Texas, got together, a new home-grown industry was born. The product: an agricultural aircraft especially designed for crop dusting and spraying.
Now, 4 1/2 years later, Snow Aeronautical Company employs 57 skilled workers in this West Texas community of 3872, and has sold aircraft in many agricultural states of the Union and in seven foreign countries.

These towns are on the move. Community improvements are under way, local resources are being developed, new businesses, new industries are coming in. If your town seeks additional information about expansion perhaps we can help. Just write our Community Development Department, Box 1001, San Angelo, Texas.
