CIA POINTS OUT SOVIET ECONOMIC FAILURES

The super-secret Central Intelligence Agency has issued one of its rare reports—this one on problems in the world's leading underdeveloped nation, the Soviet Union. The CIA took careful aim in a short paper entitled "Soviet Economic Problems Multiply" and gored the Red ox where it hurts. Soviet propagandists growled that the unflattering array of facts and figures were "preposterous and unconvincing," hoping, as you would expect, that the world's other underdeveloped nations would pay no heed to the CIA study.

To hear the Communists tell it, they have all the answers for maintaining a thriving economy. Of course, we know better. Convincing some people in the world that the Reds are economic illiterates is a major task of the United States government, and the new CIA report—the first public report issued by the agency in four years—should help.

The Soviets have boasted that by 1970 the Soviet Union will overtake and surpass U. S. production. The CIA study, by contrast, shows that the Soviets not only are lagging in the race but that they keep falling further behind. The substance of the report is that for several years the Kremlin leadership has been trying to do too much with too few resources. This living on borrowed capital, improvising cheap but temporary solutions to basic problems such as agriculture, and chronically neglecting balanced development to push spectacularly on a narrow range of goals has finally caught up with the Soviet Union. A nearly disastrous crop failure in 1963 was not the root cause of Moscow's current economic difficulties; what it did was to bring to a head the many underlying problems of the Soviet economy and force a reconsideration of the pattern of resource allocation. To a great extent Soviet economic difficulties stem from a series of programs too ambitious for available resources. With a gross national product less than half that of the United States, the Soviet leadership has invested in new plant and equipment amounts nearly as large as investment in the U. S. and has maintained a military-space program approaching in real cost to that of the U. S.

Kruschev scored early suc-

cesses. Economic growth, maintained at better than 6 percent in the 1950-59 period, was accelerated after he took over. Housing was tight, but improvements came in living standards, particularly in foodstuffs but also in consumer goods. Then the slowdown came, due in part to an increased allocation of manpower and materials to the defense program (thus slowing down industrial output in other categories), but due primarily in the last two years to failures in agriculture. Current growth rate: 2.5 percent.

In total calories consumed, the Russian citizen is not far behind an American. But 70 percent of the Russian diet consists of grain and potatoes, compared to 28 percent of the American diet. Only one-fourth of the Soviet diet consists of quality foods—livestock products, vegetables, and fruits. The New Lands development program kicked off by Kruschev did temporarily put more grain in Soviet stomachs and help the Soviet Union bolster its Eastern European satellites by making up deficits in their own farm output. But the original soil moisture and fertility in the new acreage put under the plow were quickly used up and output fell off. Soviet farm production on a per capita basis in 1963 was about 10 percent below that of 1958. The impact of a short grain crop on the Russian pattern of diet is obvious. Bread for human consumption must be reduced. Consumers pay more for food.

Soviet leaders are calling for a solution to the agricultural problem. A new problem calls for production increases in fertilizers from 20 million tons to 70-80 million tons by 1970. The Soviets, I hope, will not have our help in obtaining the necessary fertilizer processing and manufacturing equipment. As many of you know, I opposed the sale of wheat to the Soviet Union on the grounds that it would provide assistance to a faltering Red economy and permit Russia to meet its aid commitments to its satellites. As is clear from the CIA report, the Soviet Union's best prospects for alleviating economic difficulties are in obtaining long-term credit from the West for the purchases of equipment and commodities. Short term credit eats away at dwindling gold reserves in the Soviet Union; (Continued On Back Page)

Mr. and Mrs. Bill Woods Observe Silver Wedding Anniversary

Mr. and Mrs. Weldon Griffin and Earle Lee Woods, children of Mr. and Mrs. Bill Woods, honored their parents with a reception at the Woods' home, the occasion being their Silver Wedding Anniversary.

Mrs. Bert Grundy, sister of Bill Woods, met the guests at the door and presented them to the honorees and their children.

Refreshments of wedding cake and pink punch, in which frozen orchids were floating, were served from crystal with silver appointments by Mrs. Wallace Slayton, the former Aubrey Lou Grundy and Jerry Beth Grundy. The serving table was covered with a white cut-work cloth embroidered in silver. The cake was three tiered, decorated with wedding bells, silver candies, and featured the names "Bill and Jeane." It was topped with a silver and white bow and the number "25." The napkins were white and were also encribed with "Bill

& Jeane" with entwined hearts. The breakfast centered an arrangement of red carnations with an outstanding "25" set in styrofoam. Another arrangement of red carnations in a beautiful crystal bowl was featured in the living area.

The guests were shown to the gift room where a display of pieces of silver were arranged. These included a ten cup electric percolator, a silver bread tray, and several other trays of silver. There were 62 guests registered.

Out of town guests who called were Mrs. J. R. Nall, Mrs. Erma Piercy, Mrs. Keith Rogers, all of Turkey; Mr. and Mrs. Frank Hawkins, Lockney; Mr. and Mrs. Herbert Byars, Tullia; Mr. and Mrs. Byron Young, Turkey; Mr. and Mrs. Worth Jennings, Canyon; Mr. and Mrs. Wallace Slayton and girls, Plainview; and Mr. and Mrs. Lonnie Thurman, Gainesville.

Tauey Hollis Passes Monday

Funeral services for Tauey D. Hollis, 76, a resident of Quitaque, were held at the First Baptist Church here, Wednesday afternoon at 2 o'clock with the Rev. Roy Davidson, pastor, officiating.

Interment, which was delayed until Thursday because of weather conditions, was in Rest Haven Cemetery here, under the direction of Roberts Funeral Home.

He was a member of the Baptist Church here.

Mr. Hollis died Monday morning at 4:15 in the Plainview Hospital and Clinic, where he had been a patient for three days.

He was a retired trucker.

Mr. Hollis had been in the rest home at Lockney for the past several months.

Tauey Davis Hollis was born March 31, 1887 in Missouri, the son of Mr. and Mrs. Jeff Hollis.

Survivors include two daughters, Mrs. Aletha Chenny of Longview, Texas and Mrs. Hazle Inman of St. Clements, Calif. A number of nephews and nieces.

Pallbearers were Jake Merrell, James Brunson, Horace McDonald, William Rucker, Bob Patrick and Leroy Hamilton.

ATTEND RECOGNITION BANQUET

Mr. and Mrs. Wayne Hunter attended a Recognition Banquet sponsored by the Scottish Rites Masons of Matador last Thursday evening, held in the Methodist Church in Matador.

Five Scottish Masons were being recognized for their outstanding contributions to their communities. They were Randall Whitworth of Matador, Furman Vinson, Whitestar Community, Elbert Reeves, Motley County Judge, Wallace Trapp, Floydada, and Irvin Jonsey, Memphis rural mail carrier.

After dinner speaker was J. M. Willson, Jr. Floydada and Master of Ceremonies was Ralph Stapleton of Flomot.

Mr. and Mrs. Hunter report a very interesting program.

Mr. and Mrs. Phil Boulware of Canyon spent the week end here with his sister, Mrs. Gene King and her family.

Mr. and Mrs. O. A. King of Aspermont visited their son, Gene King and family from Sunday through Wednesday. Susie King returned home with her grandparents for a visit.

SCHOOL TERM WILL BE EXTENDED EXTRA WEEK

Supt. Johnny Mason has announced that due to the fact that several days of school have been missed due to bad weather, and boiler trouble in the heating system, the school year will be extended one week. Graduation night, thus, will be May 22 instead of May 15 as had been planned.

Mrs. Gragson's piano recital, which was scheduled for last Monday night, will be presented as an assembly program next Thursday morning at 9 o'clock instead.

Mr. and Mrs. Howard Maxon of Dallas visited their daughter, Mrs. Murray Wise and her family from Thursday through Sunday. Mrs. J. E. Chandler returned to Dallas with them. She will visit her son and family, the Ordis Chandlers, and her daughter, Mrs. Daisy Power.

FHA Loans To Texas Rural Families Total \$74,526,000 In Calendar 1963

The U. S. Department of Agriculture's Farmers Home Administration made or insured \$74½ million in loans to Texas farm and other rural families during 1963. L. J. Cappleman, state director of the agency announced in Temple today.

A total of 11,977 families used one or more of the agency's loan programs during the year.

Farmers Home Administration operates a broad program of supplementary credit for rural development in Texas.

The agency makes loans for family farming operations, farm development, rural housing, community water systems, soil and water conservation and development, recreation enterprises, and other purposes.

Loans are made only to borrowers who cannot obtain credit from banks, Production Credit Associations, and other conventional lenders.

Mr. Cappleman reported that in 1963 Farmers Home Administration supervised loan programs had two major results of importance to the economy of the state.

"Loans to family farmers enabled them to make a major contribution to the well being and progress of the state's agriculture during 1963," he said.

"Capital and management assistance supplied by Farmers Home Administration to its borrowers helped them develop and enlarge their farms, operate more efficiently, and build a sound farming business.

"In addition, Farmers Home Administration loan services for

Bank Deposits Hit All-Time High Here

Grade School Prin. Glenn Sanders reports that the name of Dee Whittington, Second Grader, should have been on the list of those with Perfect Attendance for the first semester, which was announced 2 weeks ago.

JUNIOR HIGH TEAMS WIN TWO GAMES OVER TURKEY JR. HIGH

(By Becky Berryhill)
Thursday night of last week both Quitaque Junior Hi teams defeated the teams from Turkey Jr. High.

In the girl's game, Quitaque won 22-10 with Sherry Stark leading the scoring attack with 11 points.

In the boys game, which the Panthers won 72-19, Nestor Cavazos netted 16 points for the winners.

The girls now have a 9 wins and 2 losses record for the season and the boys are still undefeated with a record of 11-0.

Deposits in the First National Bank here hit an all-time high shortly after the first of the year, according to O. R. Stark, Executive Vice-president of the bank.

On January 2, the first day the Bank was open in the new year, over \$375,000.00 in deposits was taken in by closing time and on the following day another \$309,000.00 was added to the above total. A large volume of checks partially offset the deposit total, otherwise the deposits would have probably gone over the \$4 million mark for the first time.

The deposits reached an all-time high for the local bank, however, of \$3,958,781.55.

Mr. and Mrs. Ray Cruse of Flomot are the parents of a new daughter, born January 27 in Stanley Hospital at Matador.

She weighed 7 lbs., 14 ozs. and has been named Derinda.

Mother and baby went home on Wednesday of last week. The new baby was greeted by her older brothers and sisters.

Mr. and Mrs. Ronny Rogers of Flomot are the proud parents of a son, born January 29 in the Turkey Clinic. The fellow was named Richard Lynn and he weighed 5 lbs., 11 ozs.

Mr. and Mrs. Donald Ewing of Hart announce the arrival of a baby girl, born January 21 in the Tullia Hospital. She has been named Donna Carrol and she weighed 8 lbs. Mrs. Ewing is the former Carolyn Tanner of Flomot.

Mr. and Mrs. Guy Paul Smith of Plainview are the parents of a new son, Jeffrey Guy, born Sunday morning at 9:05 o'clock in the Plainview Hospital and Clinic. The young man weighed 9 lbs., 2 ozs. He was named for his grandfather, Guy Smith of Turkey and P. J. Price, who passed away about a year ago. The baby has a brother, Danny Paul and a sister, Donna Lee.

Two of his aunts, Mrs. Buster Chadwick and Mrs. O. V. Robison, live here in Quitaque.

Mr. and Mrs. Gus Orcutt and family of Lakeview spent Sunday with his cousin and family. Mr. and Mrs. Jimmy Davidson and boys.

An estimated 10 to 12 inches of snow, plus rain and sleet brought an official 1.60 inches of most welcome moisture.

James Brunson, City Secretary and keeper of the official rain gauge, said that he had no way of telling how much snow did fall because of the fact that it was melting some here all of the time, but judging from the amount of melt there must have been around 12 inches at least.

Quitaque and the immediate area has been more fortunate than most of the vast area covered by the blizzard, in that we have had no high winds to drift the snow and as far as is known all roads have been passable around here for the most part.

The local schools were dismissed Tuesday and Wednesday but classes were resumed Thursday with buses running on the pavement.

As of Thursday morning, no accidents or hardships of any kind had been reported here and all in all, the snowfall should prove to be most beneficial to the entire Panhandle.

Although this area was not actually suffering too bad as yet, the wheat was needing moisture and it has been reported that some wheat was thought to be beyond saving but chances are that most of it will come out and make a pretty good stand now.

HARRY FOLLEYS GIVEN GOING-AWAY PARTY

Mr. and Mrs. Harry Folley were honored with a "going-away" party Saturday evening in the home of Mr. and Mrs. Elmore Pointer. The Follies are moving to Fort Collins, Colo.

Games of "42" were enjoyed by all attending. Refreshments of cake, doughnuts, cookies, punch and coffee were served throughout the evening.

Mr. and Mrs. Folley were presented with two bedspreads by friends at Quitaque and Flomot, along with numerous other gifts.

Mr. and Mrs. O. C. Cannedy and Robbie spent the week-end in Mobeetie with her mother, Mrs. Willie Ruth Hathaway.

Mr. and Mrs. Vance Robison and girls were in Plainview Saturday on business. Valerie broke her glasses Friday and they were there to get them repaired. They visited Mrs. Robison's brother, Guy Paul Smith and his family while in Plainview.

Maynard and Morris Wilson attended the funeral services of their cousin, Tom Wilson, in Pueblo, Colo. Monday, Jan. 24.

Games Rescheduled For Tuesday

Winter weather knocked out the basketball games scheduled for Tuesday night at Lakeview and they have been rescheduled for Tuesday night of next week at Lakeview.

Last Friday night the local teams hosted the teams from Estelline High and in the first game of a doubleheader, the Pantherettes got revenge for an early season loss by downing the Estelline lasses 48-40. The Pantherettes played one of their better games of the season in winning this one. It was only the second district loss for the Cubettes and it brought the Pantherettes right back up into the thick of the title chase, which shows all indications of going right down to the wire

before a champion is crowned. The Pantherettes have beaten everyone in the district except Turkey and they will not get another crack at them until the District Tourney.

In the second game of the doubleheader last Friday night the Panthers continued their domination of the other teams in the district by taking an easy 77-31 victory over the Bearcubs.

Janice Dudley tossed in 16 of 21 free throws plus 12 field goals to lead the Pantherettes in their important win. Patricia Brunson and Deborah McKay each chipped in with 4 points to round out the scoring. Guards Donna Bedwell, Jenni-

fer Whittington and Charlene Bailey did a good job on the Estelline forwards, not letting either of them going on a scoring spree. Two of the Cubettes scored 15 points each with the third getting 10 points. Patricia Brunson and Barbara Reagan also filled in at guard during the game. Donna Bedwell was lost via fouls and Barbara subbed in for her.

The Panthers turned in one of their top defensive efforts of the season against the Bearcubs, limiting the Estelline lads to 6 points the opening quarter and holding them to a single field goal in the second period to lead 45-8 at halftime. Jack Johnson, who is coming on fast

in the last part of the season sparked the Panthers with a 37-point output. Jim Saul was runnerup in the scoring with 16 points.

The local teams entertain the Matador High teams here Friday night in the last home game of the season. The Matadors gave the Panthers the only competition in district play when the teams met at Matador, although Quitaque won by 20 points. The Pantherettes took a close game from the Matador girls.

As mentioned earlier, the local teams will go to Lakeview next Tuesday night to play the games that were scheduled for this past Tuesday night.

Next Thursday night, Feb-

ruary 13, the District Tournament (boys division) will get underway at Estelline. The girls playoff will be the next week and will begin Thursday, Feb. 20.

In the district tournament the number 5-6 teams are matched, number 3-4 and the teams in first place and second place each draw byes. The Panthers, then, will not have to play until Friday, unless they lose their next two games.

Fans are urged to be on hand tonight (Friday) to see the local teams in action at home for the last time this season. This is a very important game for the Pantherettes, who will be trying to stay in the thick of the race for the district title.

STRENGTHEN AMERICA

SCOUT FEB. 7-13 1964 WEEK BOY SCOUTS OF AMERICA

SCOUTING IN AMERICA'S FUTURE

The Boy Scouts of America observes its 54th anniversary during Scout Week, February 7 to 13. Since 1910, more than 36 million Americans have been identified with its work. There is scarcely an American family that has not felt its influence.

In 1916 Congress recognized that Scouting's development and promise of usefulness to the future of the country warranted federal protection. The Federal Charter it granted gave it a legal foundation for Scouting and stated that its purpose "shall be to promote, through organization and cooperation with other agencies the ability of boys to do things for themselves and others, to train them in Scoutcraft, and to teach them patriotism, courage, self-reliance, and kindred virtues."

How well Scouting has measured up to the expectation of Congress may be seen in some comments of the late President Kennedy and America's first astronaut.

Former President Kennedy, himself a former Boy Scout in Bronxville, New York for two years, once said, "Training and associations of Boy Scout life are invaluable to the individual development of young men and to the quality of young men and to the quality of community life. It has been a most valuable influence in our nation's life, and I know that future energies of the Boy Scouts will add even more to the vigor and strength of our nation."

Five of the seven astronauts were Boy Scouts and the sixth was an adult leader.

"One thing Scouting can do to help boys the most in the future," says Astronaut Alan B. Shepard, Jr., "is to build up confidence. Boys can get

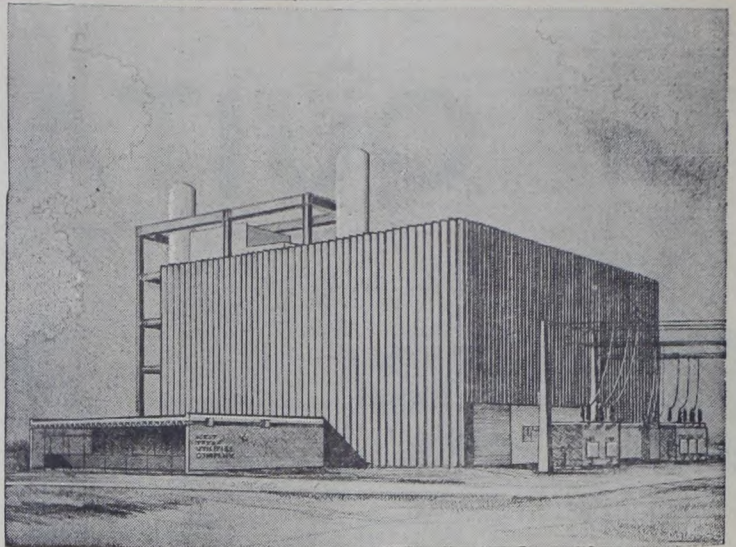

homa City. Mr. and Mrs. George Brunson and Jerry of Kress were also visitors.

Mrs. Vance Robison honored her daughter, Valerie, with a birthday party Monday afternoon at 2:30. It was her 8th birthday.

Mrs. Robison called at the schoolhouse for the youngsters as they were dismissed and took them to her home. Games were enjoyed by the group and favors of bird whistles and balloons were given members of the Second Grade.

Refreshments of cake, ice cream and pink lemonade were served to the following guests: Steven McWilliams, Carolyn Sanders, Dee Whittington, Jo Ann Tyler, Janie Mae Hendricks, Gwen Gibson, Mike White, Clarence Ivory, Mike Ramsey, Alvin Ivory, Gabe Phillips, Cheryl Merrell, Laqueta Chadwick, Dickie Johnson, Dianne Brooks, Donnie Buckelew, Elisa Valdez, Kena Rucker, Mary Brunson, Stephanie Chadwick, Vonacel and Vanessa Robison. Mrs. Buster Chadwick helped Mrs. Robison with the party.

There were 23 children present, including the honoree.

WTU'S New Nasworthy Plant

Architect's sketch of West Texas Utilities' new generating plant to be built on Lake Nasworthy, south of San Angelo. Current plans are for actual construction to begin this summer,

and the first two units to be in service in 1965-66 respectively.

They will have a combined peaking capability of 130,000 kilowatts.

The new plant will be interconnected with the other com-

pany generating plants by high voltage transmission lines to provide additional electric power for area towns and communities. West Texas Utilities serves 166 West Texas towns.

this confidence by joining Cub Scout Packs and Boy Scout Troops, by earning merit badges, by learning to live indoors and outdoors, and by accomplishing things themselves."

"Participating in Scouting taught me to rely on myself and to handle all small situations early, to take care of all small problems while I was young and learning, before the big ones came along," said Astronaut Virgil I. Grissom. "I know what a force for America a Scout-trained man really is. In a few short years the young men now in our homes, our schools, and our Scout Troops will be taking our places, and the legacy we pass on to them will determine whether America as we know it will live or die."

"Sure Scouting is fun and in tune with the times. It teaches many skills—all in preparation for that great skill — the skill of living."

Astronaut John H. Glenn, Jr., an Advisor to an Explorer Post, feels "We must have even finer people to show us the way and to be the leaders of tomorrow. The mental, moral, and physical aspects of our lives that Scouting has given you I

hope never leave you as you grow up. I hope you will carry on these high standards into your adult lives. Along with this if you keep your lives a spiritual center which gives you a direction and purpose, we certainly need look no further for the leaders of tomorrow."

In this area we have over 13,000 boys and leaders in the South Plains Council of the Boy Scouts of America who find that Scouting is a game, but that it is also preparation for adulthood and participating citizenship. We wish the Boy Scouts a happy 54th Anniversary.

Mr. and Mrs. Howard Harvey and daughter of Amarillo

spent Sunday with his parents, Mr. and Mrs. J. W. Harvey.

Mr. and Mrs. Ray Don King and children of Childress spent the week-end in Hereford with friends. On their return home, they stopped for a visit with his grandparents. Mr. and Mrs. Buddy Morris and had supper with them.

Mr. and Mrs. Eldon Lyles and family drove to Clarendon Sunday and visited Mr. and Mrs. Raymond Waldrop. They stopped in Turkey on their return home Sunday evening and had oyster dinner with Mr. and Mrs. Louis Ferguson and family.

Five Regular Commissions —
 Meet at 7:00 P. M., Fourth Monday every month, followed by Official Board at 8:00.

The last three Sunday morning worship services have been the best attended for a span of like length in this pastor's career in the ministry, aside from "special" days such as anniversaries and revivals. The Sunday School numbers, though well below this, have also been relatively high. Work toward the organization of a young adult class, under the direction of Church School Superintendent J. M. Davidson, is to be brought to a climax soon. The general pattern on this is that when the younger member of the couple becomes 35 the two go on to the older class. This church has had three adult groups, and it is hoped to do this again some time, but we are putting this younger class on a first priority basis.

We are sure the entire community, as well as the church

 Mid-Week: By Announcement

Our Pastor says:
 Opportunity is a fleeting thing, too precious to let pass by unused, even though it seems to elude us, and slips away and is gone forever. It never passes within our range but once, and though it is gone but a moment ago, we have no way to overtake it: it is gone never to return.

Others are coming, and will soon pass by and will be as those that were here, if we are not careful to stand in their wake and use them as they appear. Among the many opportunities that are yours is the privilege to hear sermons in the churches at certain arranged-for-convenient-times each week, and it is in them, which then you miss them, you have impoverished your stock of Divine essential, to whatever extent that the individual pastor is prepared to give out the bread of life.

Each preacher that God has sent into your community has something that you can never get from another, and when you fail to hear the messages they bring, you miss the opportunity that passes your way, and you cannot recall it any time later. Soon these pastors will be gone and your opportunity passed.

A Special Union Services at Turkey Assembly of God Sunday night, February 9th, 7:30.

and all the Quitaque Assembly will go down to enjoy it with them. Come with us and let God bless your soul.

See you in our services Sunday.

The Assembly of God Church Body

Jehovah's Witnesses Holding Circuit Convention at Levelland 9.

The Quitaque congregation of Jehovah's Witnesses are cancelling all local meetings to attend their circuit convention in Levelland, Texas, February 7.

The theme talk, "Feed My Little Sheep," 7 P. M. Friday, will be given by the district supervisor, Harry A. Fetzik of Brooklyn, N. Y. He will also give the public talk on Sunday at 3:00 P. M., "The Bible Triumphs In A Scientific World."

Delegates from the 16 congregations in Texas, New Mexico and one in Oklahoma have been selected to exemplify the ministry school and service meeting, Friday, 7:15 P. M. They will show by model discourses and practical demonstrations improved methods of conducting meetings in their local congregations.

V. D. Tiffin, presiding minister of the Quitaque Congregation, said, "The things we learn at this convention will be put into practice by the 'Witnesses' making their house-to-house visitation on the residents of Levelland and vicinity and then used for more effective ministry upon returning home."

The 600 expected delegates and other interested persons will meet in The Women's Building in the Levelland Fairgrounds for the three-day training period.

Mr. and Mrs. Herb Martin and Cathy visited Mr. and Mrs. A. L. Tanner and Mr. and Mrs. Donald Ewing and new daughter at Tulia last week.

Dinner guests in the home of Mr. and Mrs. Guy Hammons Sunday were Mr. and Mrs. Preston Moseley and children of Turkey, Mr. and Mrs. Alton Anderson and family of Tulia, and Mrs. C. E. Anderson, Sr. and Mrs. Lela Overstreet of Quitaque.

Mr. and Mrs. Alton Anderson and boys of Tulia visited Saturday night and Sunday in the home of Mr. and Mrs. Guy Hammons, and returned their daughter Linda home, who had been visiting a few days with her grandparents.

Mr. and Mrs. Arnold Johnson, Mr. and Mrs. Bobby McWilliams and Mr. and Mrs. Billy McWilliams of Quitaque went on sight-seeing trip Sunday, driving to the Sanford dam site on the Canadian River, returning home by way of Amarillo, had supper in Tulia and stopped in Silverton and visited Mr. and Mrs. C. L. McWilliams and daughters.

LOCAL BRIEFS

Mr. and Mrs. J. W. Long, Tommy and Debbie of Dumas spent the week-end with her sister, Mrs. Mack Truelock and Mr. Truelock. SeReatha Stephens, who is attending West Texas spent Saturday night with her grandparents. Sunday visitors were Mr. and Mrs. Bill Sauls, Mr. and Mrs. Frank Yeary and Mr. and Mrs. S. Yeary of South Plains.

Mr. and Mrs. Lejeune Turner, Jan and Thomas visited Mr. Turner's mother, Dr. and Mrs. Norman Wright and children in Amarillo over the week-end.

Scott Hedrick of Plainview spent the week-end with his grandparents, Mr. and Mrs. Ralph Carter.

Mrs. Opal Broxson and her grandson, Bruce Broxson, of Sunray brought her father, N. L. Bedwell home last Wednesday. Mr. Bedwell had spent several days visiting in Sunray.

Mrs. Bud Bailey and Sharon visited Mrs. Bailey's parents, Mr. and Mrs. T. J. Reeves in Plainview Monday.

Mr. and Mrs. Alton Anderson of Tulia spent the week-end with her parents, Mr. and Mrs. Guy Hammons at Flomot. Alton visited his mother and sister, Mrs. C. E. Anderson and Mrs. Lela Overstreet, Sunday morning and they accompanied him to Flomot to spend the day at the home of Mr. and Mrs. Hammons.

Mrs. Lois Martin and Mrs. Vivian Merrell of Silverton visited in Floydada Wednesday of last week.

CONGRESSMAN WALTER ROGER'S WASHINGTON REPORT (Continued From Page One) the West, embroiled as it is in

economic warfare with the Soviets, should do nothing to ease the current Red plight.

Communists are keenly sensitive to economic failures. Their system is totally materialistic and failures strike at the heart of the system. In Bulgaria last week, the government—by decree—determined to clamp down on jokes ridiculing the satellite's economic and political shortcomings. Political joke - telling can land a Bulgarian in jail for 2 weeks 'socially useful work' or bring him a fine of up to \$43 — three weeks' salary for most Bulgarians.

FHA Loans to Texas Rural (Continued From Page One) to 671 farmers and other rural residents.

Water development and soil conservation loans totaled an estimated \$5,300,000. Most of these funds were used to install 36 rural community water systems. These systems with 3,508 connections enabled some 14,000 people to have good water that would pass Texas Health Department requirements.

I will sell the following at

Public Auction

at my home 7 miles south and 1 mile east of Quitaque
WEDNESDAY, FEB. 12 — SALE STARTS AT 1:00 P. M.
