VOLUME 5 - NUMBER 21 QUITAQUE, BRISCOE COUNTY, TEXAS - THURSDAY, NOVEMBER 5, 1964 PRICE FIVE CENTS PER COPY

MEMORIAL SERVICES HELD HERE FOR EDGAR THOMAS LYONS

Funeral services for Edgar Thomas Lyons, 74, of Truth or Consequences, N. M., were held at 2:30 last Saturday, Oct. 31 in the Methodist Church here. The Rev. Al Jennings officiated at the service.

Burial was in Rest Haven Cemetery under the direction of the Quitaque Funeral Home.

Mr. Lyons died at 12:30 a. m. Thursday in an El Paso hospital where he had been a patient for about two months.

He was born September 9, 1880 in Kentucky. He was married to Miss Bess Simmons Dec. 22, 1923 in Sioux City, Iowa. They made their home in Laurnes, Iowa, where he was a grain elevator owner and operator until he retired in 1960 and moved to Texas. He was a member of the Masonic Lodge in Laurnes for 40 years.

Survivors include his wife, Bess; two brothers, Claude of Glasgow, Ky., and Lee R. of Louisville, Ky.; two sisters, Mrs. Guy Taylor and Mrs. Tommy Lawson, both of Glasgow.

Most Quitaque Voters Go For Demos

Quitaque and Briscoe County followed the national voting trend in Tuesday's General Election by giving the Johnson-Humphrey ticket their solid choice by a more than 2 to 1 margin. Quitaque and the remainder of the county went strongly for all Democratic candidates on the ballot.

Locally, Mrs. Bertha Pavlicek easily won her race for the office of County and District Clerk.

Ralph Yarborough was figured to perhaps encounter some trouble against his opposition but he won rather handily in this county. And in spite of some rather ridiculous campaigning by his opponent, Walter Rogers was returned to office as Congressman of this district. Voters apparently feel that he can do a better job of representing the district by remaining near Washington and the seat of our government than by spending his time back home at Pampa.

Ralph Wayne, running for State Representative, was the top man at the polls here in Quitaque, drawing 298 votes over his Republican opponent.

Quitaque and Briscoe County voted as follows in the major races:

Will Speak At Methodist Church This Sunday

GIL LAMB

Mrs. Grady Starkey, Mrs. Al Jennings, Mrs. Jim Mayfield, and Mrs. N. V. Hamilton attended a District meeting of the W.S.C.S. at Floydada Thursday of last week.

Mr. and Mrs. Wallace Slaton, Jeri and Terry of Plainview spent Sunday with her parents, Mr. and Mrs. Bert Grundy.

OUT OF TOWN RELATIVES HERE FOR LYONS RITES

Out-of-town relatives here to attend the funeral service for Tom Lyons were James A. Lyons, Jack Lee Lyons, Lee Roy Lyons, all of Louisville, Ky.; Robert H. Lyons, Laura Brock, Los Angeles, Calif.; Cecil R. Lyons, Dallas; Mrs. Jack Stackpole, Houston; O. C. Simmons, Fritch; Mrs. Bryan Strange, and Edwin Crass Silvertown; Mr. and Mrs. Ted Barnhill, Amarillo; Mr. and Mrs. Harry Barnhill and Wanda of Turkey, and Ray Beryl Calvert, Flomot.

Walter Rogers Campaigned Here Sat.

Congressman Walter Rogers campaigned in Quitaque last Saturday. He flew in to Quitaque from Matador, landing at Baird Oil Co. Airport where he was met by several local well-wishers. Congressman Rogers is shown above chatting with Mayor Alton Johnson shortly after he landed at the airport.

Congressman Rogers talks with Pete Rice, Jimmy Baird and Mayor Johnson.

Congressman Rogers is greeted by R. J. Harmon as Mr. Rogers steps from the plane that brought him to Quitaque. Pete Rice is standing next to Mr. Rogers.

On Sunday morning, November 8, 1964 at the 11 o'clock worship hour, the Methodist Church of Quitaque will have a special speaker.

He is Gil Lamb, who is presently partner-manager of KMUL radio station in Muleshoe. He is a former actor and musician with the Harley Sadler Show, which were very popular in this part of the country during the 1930's. After losing many jobs in Texas, Oklahoma, and New Mexico because of drink, he went to California where he had a chance to go on a national radio show, but that fell through because of one drink. For twenty years Mr. Lamb just drifted, trying, but failing to stop his drinking.

In 1952 a miracle happened. His story will be told in his talk on Sunday morning, entitled, "One Man's Battle With the Bottle." In 1957 he was chosen as Muleshoe's outstanding man of the year. He has spoken from California to New York City. He is a member of the Methodist Church and many civic clubs in Muleshoe. Everyone is invited to come and hear his story.

WILLIAM M. CLARDY DIES IN VA HOSPITAL AT AMARILLO

William M. Clardy died in the Veteran's Hospital in Amarillo Sunday, November 1, at 4:30 p. m.

Services are pending with the Quitaque Funeral Home on arrival of relatives.

Panthers Win One

Quitaque's basketball teams continue to seek a winning combination, the two teams thus far managing to win only one of ten games played.

Last Friday night at Samnorwood, the Panthers broke into the win column for the first time this season and looked as if they might be on their way to brighter days as they fought off a second half surge by the Eagles to win 56-50. The Pantherettes, after starting slow, also picked up some steam in the second half to make a game of their tussle with the Eaglettes before bowing 43-52.

Tuesday night the local teams hosted the McAdoo High teams and Quitaque lost both games of that doubleheader. The Pantherettes were defeated 41-54 and Panthers went down by a 51-61 margin.

At Samnorwood Friday night the Eaglettes threatened to blow the visitors right off the floor, only to see them keep plugging away and come from way back to narrow the gap to the final nine points. In fact, after the first three minutes the Pantherettes outscored the Norwood team, because the score was 12-2 after three minutes of action. At several points during the game the Eaglettes pushed their lead to near 20 points. It was final period, the Panthers never trailed. The Quitaque lads led by 4 points at the final buzzer when Monte Stephens the Quitaque girls best output of the season.

The Panthers started fast in their game with Samnorwood and built a 32-23 halftime lead. The Eagles, however, started hitting in the third period and narrowed the margin to a single point, 37-36 at the end of the third quarter, then tied the score at 38-39 early in the fourth quarter. Although the count was tied four times during the

was fouled and he dropped in two free tosses after the game was over to make the final score 56-54.

Tuesday night the local teams lost both games to McAdoo, the teams they would rather beat than any on their schedule. The Pantherettes started slow, then picked up steam tied the score at 9-9, again at 10-10 and 12-12, but from that point on the Pantherettes were never able to push the girls of Coach Lemley. The Pantherettes did outscore the Eaglettes in the fourth period, 17-12, but McAdoo had a 20-point lead going into the final period of play.

The Eagles came out swinging in the second game of the evening and hit for three fast buckets before the hometowners could rack up a free toss and the Panthers could never recover from this haymaker until the last quarter and then it was too late.

The Eagles, a far cry from their state championship team of the past two years, still made the Panthers look bad for three quarters and owned a 50-30 lead at the end of three quarters of play. The Quitaque boys started to click in final quarter but they had waited too long and time ran out on them.

Scoring wise in the Samnorwood games, Deborah McKay was tops with 18 points, with Patricia Brunson hitting for 17. Barbara Reagan and freshman Carol Myers each making 4 points. For the Panthers it was Eddie Monk who was shooting hot and he accounted for 24 points. Monte Stephens hit for 11 points; Larry Tipton and Jamie Johnson each tallied 9 points and Warren Lee Merrell rounded out the scoring with three points.

In the McAdoo games Barbara Reagan was high for the Pantherettes with 17 points. Patricia Brunson had 13 for the night. Carol Myers 6 and Deborah McKay, 5 points. McAdoo's Moore won scoring honors for the night with 29 points.

For the Panthers it was Eddie Monk who led the scoring with 12 points. Monte Stephens closely followed with 11 and Jamie Johnson was next with 10 points. Larry Tipton tossed in 7 points. Warren Lee Merrell who got into early foul trouble had 5 points. Nestor Cavazos, fine little freshman prospect made 4 points and Lonnie McDonald made a pair of free tosses for 2 points.

The local teams host the Samnorwood teams Friday night, and go to McAdoo for a pair of games next Tuesday night.

HAS MINOR SURGERY

Mrs. R. L. Brunson took her daughter, Mrs. Peggy Hadaway to Groom Memorial Hospital Monday morning and she underwent minor surgery Tuesday.

Mrs. Pavlicek Thanks Voters

DEAR VOTERS:

Thank you for your vote of confidence in electing me as your County and District Clerk.

I will strive always to carry out that one campaign promise I made—"to conduct the business of the office to the very best of my ability at all times, and show courtesy and consideration to all."

With your cooperation, and the help of God, I know we can do just that.

Thank you again, and best wishes to all.

Sincerely
Bertha Pavlicek

Venus Gillespie and Donna Bedwell, shown in the bottom photo, were crowned King and Queen of Quitaque High at the ceremonies following the annual Halloween Carnival which was held at the school last Saturday night. Donna and Venus represented the Senior Class. In the top photo all of the King and Queen candidates are gathered on the stage in the auditorium for coronation ceremony. Beverly Rogers and Max Ham, who are standing next to Donna and Venus, won the Grade School contest. They were the Sixth Grade representatives.

BATTLE RECORD TO DATE

SPRAYING	ACRES SPRAYED	COMMENT
Number 1 (Beginning Sept. 15)	303,000 acres (Originally estimated 240,000 acres. Total includes Skip-row)	First application was hampered by rain, wind, etc. Migrating weevils caused increase in size of control zone. Extremely high adult and unemerged weevil populations encountered.
Number 2 (Beginning about October 4)	281,000 acres (Reduction due to acreage desiccated or harvested)	Field checks indicated effective kill of adult weevils but continuing emergence kept new weevil population up. Additional planes brought in to speed up sprayings.
Number 3 (Beginning about October 13)	230,000 acres (Continuing harvest and desiccation)	Field examination showed great reduction in number of adult weevils, with low occurrence of weevils in diapause stage. Also fewer unemerged weevils.
Number 4 (Beginning about October 21)	190,000 acres	Few unemerged and very young weevils left. Practically no weevils in diapause stage.

CONCLUSION: Remaining unemerged and young adult weevils will be kept from going into hibernation either by frost or a fifth spraying. Entomologists agree that hibernating weevils will have been reduced by more than 90 percent by end of this year's program.

Financial Arrangements

- Compresses to collect 50c per bale, and remit to a special boll weevil control fund in bank — no connection with P.C.G. regular funds.
- While compresses collect on all cotton, the contribution is voluntary for individual farmers who may request and receive refund.
- All funds are under direction of a Certified Public Accountant firm.
- Monthly financial reports by U.S.D.A. and Boll Weevil Steering Committee will be made — Complete audit will be published at the end of season.
- Any unexpended Steering Committee funds will be placed in interest bearing account for continuation of Boll Weevil Program next season. Unexpended U.S.D.A. funds must return to Treasury, as all appropriations are on annual basis only.

FLOMOT SCHOOLS HAVE NEW EQUIPMENT FOR GYM PLAYGROUND
Flomot Superintendent of Schools A. J. Barron announces that two concrete tennis courts are nearing completion. When

finished, these courts will be equipped with lights.

Glass backboards have been installed in the Flomot gym, following the program began by other schools in the district. The new backboards were installed the required four feet from the end-bound lines. The old backboards had not been moved when the rules were changed several years ago.

Modern fan - blower type heaters have been purchased and will be installed in the near future. These will increase the heating capacity of the gym and will circulate the warm air near the ceiling.

Several items of playground equipment are on order or are being set up in concrete at the present time. These improvements will add hours of enjoyment
