This And That About One Thing and Another

Dear Reader, we beg of you to read the advs. The aim of modern advertising is not only to strengthen our economic system—to save you money, to help you to be thrifty, to foster free enterprise—but it is also highly educational. This week, for instance, the American Medical Assn. is publishing information in an advertisement that we hope you will read—every word of it. And several local sponsors have joined in this campaign to call your attention to a message vital to American freedom. Please read them.

In a less serious mood, we want to mention with regret that one of our leading citizens has failed to read the adv. And this is difficult to understand, because not so long ago he made an important announcement in a nice large advertisement—and later complained that "nobody read it." He should practice what he preaches—and sure as Fate, you're going to miss something important if you don't read the advs. This gentleman, a director in THE bank and sec... treas. of another, is still clinging to an air-conditioned summer sun shade, when for weeks our merchants have been advertising that Straw hat season is over and it's time to visit them and get fitted for a warmer head gear.

But seriously, dear reader, how about reading the advs. along with the gossip. They are the life of a newspaper. Without them you couldn't have even this much of a newspaper. It is the support of those merchants who advertise that makes the paper possible, so if you like to read the Post show your appreciation to the merchants who support it by patronizing them — and don't forget to mention that you read their adv. in the Post.

WHO HAS THE SCS ROTARY FRESNO?

The rotary fresno belonging to the SCS is still missing. It is badly needed, and could be rented again, if it could be located. If you know anything about the fresno, please notify Glynn Morrison, and he will call for it.

The SCS also has to rent a new John Deere rotary fresno, Ford disc terracer, International disc terracer, Ford rotary scoop. This equipment is for rent to those who need it, but the SCS expects it to be returned. 36-2c

A NEW RHODERICK

A son was born at 12:10 this Thursday morning, Oct. 12, to Mr. and Mrs. Billy Frank Rhoderick at the Silverton hospital. Everybody is doing ok, and the new boy is the calmest one in the bunch. The maternal grandparents, Mr. and Mrs. S. C. Brown are too thrilled to speak, and the new poppa is busy searching for a name, and says he is open for suggestions.

GRANDDAUGHTER FOR SWITCH

As we left by the back gate to come to work Wednesday morning, we were hailed in the alley by a proud granddad—Switch Morris. He wanted to announce that he entered this happy state about 2:00 a.m., that morning when an 8-pound, 3 ounce daughter was born to Mr. and Mrs. A. L. Storrs at the Tulia hospital. Mrs. Storrs is the former Miss Ima Lee Morris. The little girl was named Pamela Rhea, and Switch said he was driving up to Tulia to meet her just as soon as he could get away. Mrs. Morris, Pam's step-grandma had been in Tulia several days awaiting her arrival.

PARTY FOR PANTHERS

The football boys and their girl friends were entertained with a party last Friday night after the ball game at the new quonset hut barn at the John Garner home. Assisting Mr. and Mrs. Garner with the host duties were Mr. and Mrs. Frank Hawkins and Mr. and Mrs. Pierce White.

Music was furnished by a record player and cold pops were served for refreshment. Everybody had a nice time, but could have enjoyed themselves more if they'd been celebrating a victory, said the boys.

Cub-Tamed Panthers Face Matadors Tonite

By Gaston Owens

Quitauque's football stock took a severe drop here last Friday night when the Panthers dropped a game to a fired-up better-than-expected Estelline crew 6-0.

Estelline fielded a light, but smooth operating team, that out-fought the heavier Panthers all the way and clearly earned their victory. Evidently the Bearcubs hadn't been reading Quitauque's press notices and didn't know that they were doped to lose by a very large margin. There were several reasons for the Panthers loss to the under-rated Cubs, but we won't go into all of them. Most of the game was played without the services of starting quarterback Lynn Rhoderick who left the game because of an injury. However, we think the most glaring weakness of the Panthers is the lack of interference for the ball carriers and passers. To put it very bluntly, there just isn't any, and until this weakness is corrected Quitauque will not win any more ball games. We can cite one play during the game to show what we mean; a Panther ball carrier started out around his own right end, a teammate with him for protection. One Estelline lad was between them and paydirt. What happened? The supposed-to-be-blocker stopped and let the ball carrier be downed for a very small gain when it looked like he could have gone all the way. It looked like a very deliberate thing and we are sure it looked the same way to all who saw it. That may seem like an unkind thing to say and we hope the boys will take it in the spirit in which we mean it. You all know that you do not have a more rabid nor loyal supporter than this reporter. When you lose we suffer with you, and we want you to know this one thing—we have not lost faith and belief that you have what it takes to win the rest of them. That loss last Friday night is past history and the season is far from ruined. It is still possible for you to do the things that have been predicted you would do, if you will work together as a team and not as eleven boys.

We are going to do some things that we have never done before—predict a score on your game. We think it will be eight touchdowns and four extra points for the Panthers and none for Matador, 52-0. Now, don't make us look too bad on this prediction. Turkey did it and you are as good as Turkey, aren't you? Now, we want to appeal to the fans to turn out and show our football team that we are still supporting them all the way. Remember now, that's Quitauque vs Matador tonight, Friday, in a conference game to be played here on Panther Field at 8 p.m.

West Texas State's high-flying Buffaloes did it. Last Saturday night at Jones Stadium in Lubbock a great Buffalo team did something no other WT team had been able to do in 20 years—beat their arch rival, the Red Raiders of Texas Tech. It was no fluke win, either. The Buffs very clearly had the better team and are now favored to go on and take the Border Conference title and the honors that go along with the title.

The fact that Quitauque's own Gene Mayfield is co-captain, quarterback and sparkplug of the Buffs makes doubly interesting to football fans of this area. Gene is an outstanding candidate for all-conference honors this time, and if the Buffs remain undefeated for the rest of the season we don't see how he can miss in spite of the fact that Hardin-Simmons' Ford last years' all-conference selection, is back again this year.

National figures released this week showed that, prior to the Tech game, Gene ranked second nationally in pass completion percentages. He was topped by just a very few points by Eddie Le Baron, All American last year, currently playing with Quantico Marines. Gene is getting more than adequate (Continued on back page)

Hal Overstreet Suffers Fatal Heart Attack

A heart attack suffered early in the week proved fatal for Hal Overstreet and he died at 10:05 o'clock Tuesday night in the St. Anthony hospital at Amarillo. The Overstreets moved to Amarillo about 18 months ago and he had been working as a used car salesman.

The body was brought to Quitauque Wednesday afternoon by Boxwell Bros. ambulance of Amarillo, and lay in state at the Daniel Funeral Home here until services were held at the First Baptist Church at 2:00 p.m. Thursday afternoon.

Rev. Ray Riley, pastor of the Quitauque Baptist Church of which Mr. Overstreet was a member, officiated at the service. Rev. W. C. Bryant, pastor of the Temple Baptist Church of Amarillo assisted. Daniel Funeral Home was in charge of the burial, and interment was in Quitauque cemetery.

Howell S. Overstreet was born in Foard county. He was 47 years old at the time of his death. He was married to Miss Lela Anderson of Quitauque, and they made their home at Quitauque for most of their married life.

Survivors are the wife and two daughters, Mrs. Ima Jo Wilkerson of Tulia and Mrs. Mildred McKinley of Pampa; one grandson; three sisters, Mrs. Roy Martin of Vernon, Mrs. Barney Martin of Weatherford and Mrs. Bill Casey of Olney.

BAPTIST REVIVAL WILL CONTINUE THRU SUNDAY

Attendance at the Baptist revival meeting has been excellent and the evangelist, Dr. Falwell is bringing splendid inspirational messages. The early morning services have been well attended, and crowds are increasing at the evening services.

The meeting will continue through Sunday, Oct. 21, and you are cordially invited to attend each service.

COTTON COMING IN SLOWLY MORE SUNSHINE IS NEEDED

About 28 bales of cotton had been ginned from this years crop up to Thursday morning, it was reported. Some farmers who had hands in the field early in the week, have decided to wait a few more days (of sunshine) as the bolls are still too green. Mgr. Hunter of Farmers Gin stated that the cotton grade was improving with the last gathered, but it was very spotted.

Lit Bogan And Red Cross Worker In Korea

Korea — Sgt. William R. Bogan of Quitauque, Texas, right, stops in at a Red Cross field director's make-shift office near the front lines. In acting as the official link between servicemen and their families, Red Cross workers must travel light so they can move with the troops. Keeping Red Cross comfort items moving up to front position is a big job, since transportation in battle areas is at a premium.

The picture above and the little note which names the young man with the mustache as Quitauque's Sgt. Lit Bogan of the First Marines is furnished through the Red Cross. It's a bit difficult to recognize young Lit behind the brush, but if you look closely you'll know that is who it is. The other man in the picture, a Red Cross worker, was not named.

Sgt. Bogan is the son of Postmaster Bogan of Quitauque and a letter to his dad and stepmother received this week calls attention to his promotion to Sergeant, and that his address is now with the First Marine Division instead of Brigade.

He acknowledges receipt of a box from home. However, he reports that he couldn't claim it until his "buddies in the post office inspected it" so of course only about half of it reached his office. But he did salvage his favorites—the peanut butter, the jelly and the jar of mustard.

Lit's letter, dated Oct. 6, is from Seoul, Korea. He says that his group has been so constantly on

the go that he hasn't had much time to write, and welcomed the opportunity to use a typewriter. Lit says even the typewriters have to take rough treatment. His fell down a hill once, and they had a mimeograph machine which fell down a steep hill and almost took the captain with it. He says the boys in the immediate front lines think the fellows in the division headquarters have a life of Riley, but Lit says little do they realize how much responsibility they have and how much equipment they have to take care of. There are times, Lit continues when he would gladly trade his typewriter for a BAR (Browning Automatic Rifle.)

FIRE DESTROYS CABIN HOME

The fire department answered a call Monday morning to the colored section east of town, but the small frame house was burning too briskly to save. Samantha Jones and her family lived in the house, and she stated that the fire started from an oil stove. Samantha has six children. Nothing was saved.

Fire Boys Learning In School Of Instruction

The first session of a series of five in a school of instruction for the Fire Department was held Monday night. Doc Bynum of the A&M College extension service is the instructor. About eighteen members of the volunteer fire department were present for the lesson Monday night which was "skull practice," according to report of a student.

A session will be held each Monday night for five Mondays and the fire boys are urged to turn out for them. The training is splendid and the future lessons will be practice training with lost of action. Valuable information is imparted at these schools, and they go a long way toward making a volunteer fire department a first class asset to a community. Instruction received may save a life some day, and will most assuredly qualify the fire boys to act speedier and more efficiently when they are called upon.

EUNA BRADSHAW IS COLLECTOR FOR QUITAQUE IND. SCHOOLS

School tax notices are going out next week, and Miss Euna Bradshaw will be in charge of collections, and the school tax books. She will office at the City Grocery, so when you are ready to pay your school tax, you will find her ready to take your money. She will be on duty from 8:30 a.m. until 6:00 p.m., each day, at the City Grocery.

School taxes are discounted 3% if paid in October, 2% if paid in November, 1% if paid in December, and are net if paid in January. After February 1, there is penalty and interest.

IN BAYLOR HOSPITAL

A card from Mrs. Pete Clark who is with her son Burl in Dallas, states that Burl entered Baylor hospital Tuesday evening (of last week) but his mother says it is too early to know whether they are helping him. They expect to be in Dallas two more weeks, and would appreciate hearing from friends at home. Mail means so much to patients, and really helps to make them well. Burl's address is Room 221, Baylor hospital, Dallas, Texas.

Meet your Congressman Ben Guill

is going to the people of his district at his own expense to find out what they are thinking and what they want in the way of government.

You are invited to attend an open forum meeting in Quitauque, Saturday, October 14, at 2:00 p. m., in order to hear Congressman Ben Guill report to the people.

This is not a political meeting. It is simply a means of welcoming a visitor to our midst and our opportunity to express our views and ask questions about the affairs in Washington.

The meeting is open to anyone who cares to attend and your presence will be welcome.

(This announcement paid for by Briscoe County Democrats for Ben Guill.)

Mrs. Venus Gillespie and Venus, Jr., came up from Crosbyton the first of the week and moved her mother Mrs. J. W. Hadaway back there to remain the winter with them. Mrs. Hadaway has rented her home here during her absence.

Mrs. May Gillespie accompanied her son Lawrence home to New Mexico to remain for an extended

visit. Mrs. C. M. Wells and son Charles Morgan of Coalgate, Okla., visited over the week end with her sister and husband Mr. and Mrs. W. J. Carter.

Don't miss Stars In My Crown

Mr. and Mrs. Pierce White spent the week end in Pampa to be with her sister Mrs. Houston Allen while Mr. Allen underwent major surgery. The operation was a very serious one and Mr. Allen's condition, while he stood the operation well, is serious.

Dinner guests Sunday in the LeRoy Hamilton home were Mr. and Mrs. S. L. McKenzie and children of Lubbock, Mr. and Mrs. Lynn Hamilton and son, Mr. and Mrs. Bob Eudy and children of Turkey, Mr. and Mrs. Raymond Hamilton and Kay, Mr. and Mrs. R. L. Brunson and children and Earl, Check and Glynn Hamilton.

PIGS FOR SALE—about 8 weeks old.—Aubrey George, Quitaque.

Mr. and Mrs. Jesse Ray Carter and infant daughter of Muleshoe were here over the week end visiting his grandparents, Mr. and Mrs. W. J. Carter, who returned home with them Sunday for a visit with their son and wife Mr. and Mrs. W. R. Carter.

Mr. and Mrs. Bill Ebbs of Plainview also were guests in the Owens home over the week end.

A movie you won't want to miss: "Stars In My Crown."

Mrs. Marvin Fisher has been confined to her bed this week by illness. During her absence from Burgess Pharmacy, Mrs. E. W. Barbee is working in her place.

Mrs. Bert Grundy accompanied Mr. and Mrs. Everett Stone to Wichita Falls Wednesday when he went to the hospital there for a recheck. Blackie Stidham went with them and drove the car. Mr. Stone is getting along ok, they said.

FOR CUSTOM COMBINING—And hauling. See Aubrey George, Quitaque. 39-1

Mr. and Mrs. E. A. Puckett, Mrs. Bill Woods and Earl Lee, and Mrs. N. V. Hamilton made a trip Tuesday to Amarillo.

"STARS IN MY CROWN" IS A MOVIE ALL WILL LOVE

Coming to the Queen Theatre at Quitaque Sunday and Monday is the movie that will appeal to everyone, young and old, "Stars In My Crown", starring Joel McCrea. Plenty of excitement when the pistol-totin' parson takes his stand for the right in the small western community he serves. His parishioners are people you will love and remember and certainly you will take these "folks" to your heart.

This is a picture you won't want to miss. It is a heartwarming human interest story that will make the entire community feel better, happier, more content. The manager of the theatre takes pride in presenting the beautiful story and urges you to see "Stars In My Crown."

The usual adjectives simply do not fit this movie and they cannot describe the feeling you will have when you see this human, down-to-earth story of Real People!

SCHOOL IS SPONSORING FINE ARTS EXHIBITION

An exhibition of paintings of the Great Masters will be held at the Quitaque school during the week of October 22 through the 27th. About 150 fine Art Masterpieces, reproductions from the French, Italian, Flemish, English, Dutch, Spanish, German and American Schools will be shown.

The opportunity to view these beautiful reproductions is rare, and everyone should take advantage of it. Painting is an important link in a cultural education and ranks with music, the theatre and other arts.

Every child should see these paintings and adults are invited to view them. The school students will sell tickets to the exhibit, and the class selling the largest number of tickets will be given a picture for their room. Help the children secure these wonderful pictures for their class rooms.

TWO HONOREES SURPRISED

Mrs. Donnie Brunson and Mrs. LeRoy Hamilton both were pleasantly surprised last Friday night when a canasta party at the Hamilton home developed into a birthday surprise for them. Three tables of guests came bringing the cards, tables and refreshments, which included two pretty birthday cakes, one for each honoree.

Since Mrs. Hamilton was not ex-

pecting guests, she was unprepared to entertain a houseful, but had a good time anyway. Mrs. Brunson assisted with the plans, not knowing that her birthday was also to be remembered.

F. F. Hefner is still in the Stanley hospital at Matador, and his condition remains about the same, report from the hospital stated this (Thursday) morning.

"WHERE MOST PEOPLE TRADE"

We have faith

in you—
in ourselves—
in America—

We believe

that most Americans are capable of paying their own bills, planning their own budgets and mapping their own futures.

that most Americans resent having politicians or bureaucrats tell them *what* they need, *where* to get it and *how* to pay for it.

that most Americans prefer to solve their problems—medical or otherwise—by means of self-reliance, free choice and voluntary methods.

that most Americans will work and fight to preserve freedom, both at home and abroad.

The menace from abroad is Communist tyranny.
The menace at home is creeping Socialism.

FLOMOT NEWS

Mr. and Mrs. Leldon Bynum who recently bought the Lewis Eudy Phillips 66 agency at Turkey, have moved to Turkey. They have sold their home at Flomot to Mr. and Mrs. Harold Allen who run the grocery store in Flomot.

Mr. and Mrs. Troy Kell were hosts Sunday, Oct. 1 at a birthday dinner honoring Nolen Kell. Guests were Mr. and Mrs. Reece Kell, Mr. and Mrs. Raymond Kell, Kenneth Kell and Duane Titus.

The Flomot high school students and the outsiders (girls) basketball teams played a match Wednesday night at the school gym, resulting in the outsiders losing by 4 points. On the outsiders team were Mrs. Troy Kell, Mrs. Harry Folley, Raldina Martin and Dude Barton, and some grade school girls to finish out. There will be some more matches like this and all the ladies in the community who would like to play with the outsiders have a cordial invitation to do so.

Mrs. French Hunt and children of Plainview spent the past week in the home of her mother Mrs. Dub Graves, visiting and canning.

The Flomot Longhorns defeated New Home in their second game of

the season on Sept. 29. The scores were 32 to 6. Practically every one on the team had a chance to enter the game. Coach Bromley's parents of Clarendon visited the coach over the week end and attended the game.

The Longhorns went to Dickens Friday night, Oct. 6, and played a good game ending in a tie, 6-6. The community turned out for the game and quite a crowd of fans accompanied the team. Charles Tanner was still out of the game with a leg injury.

Mr. and Mrs. C. O. Hicks and

family of Wichita Falls visited their daughter Mrs. A. M. Tanner and family Sunday. Also visiting in the Tanner home was her aunt Mrs. John Hutchins of Oklahoma City.

Patients in the Stanley hospital at Matador from Flomot include Mrs. Tom Spears, Malcomb Turner and R. H. Tanner.

R. H. Tanner is seriously ill in the Stanley hospital at Matador and his children have been called to his bedside. Mrs. Leo Jackson of Greenville and Mrs. Kermit Beasley and son of Hardin are with him, as well as the other children, Mrs. James Monk, Bernice Gates, Arthur M. Tanner and C. D. Tanner of Olton.

Boyd Morriss and son Mike of Garland visited his parents Mr. and Mrs. A. S. Morriss and Mr. and Mrs. Ernest Fisher, last week.

Melvin Pope of Texas Tech was home over the week end with his parents Mr. and Mrs. George Pope.

The B. A. Tanner home was the scene of a dinner Sunday in honor of Mr. and Mrs. Dave Tanner and Mrs. Sid Williamson, visiting from Hardin. Those enjoying the affair were Mr. and Mrs. C. D. Tanner and daughter Iva Iona of Olton, Mr. and Mrs. A. L. Tanner and children Charles, Anna Beth and Carolyn, Mr. and Mrs. James Monk and children Beryl, Rosella and Don, Mr. and Mrs. Herb Martin, Mr. and Mrs. Perry Barham, Mrs.

Bernice Gates and son Weldon, all of Flomot, and Mr. and Mrs. Gene Pope of Matador, the hosts and children Roy Nell and Bengie Beth.

The Flomot 4-H club left Friday for Dallas to attend the state fair. Their expenses were paid from the proceeds of the baby show at Matador which the sponsored. Girls completing their work and eligible for the trip are Joan Green, Ray Nell Tanner, Nova Dell Martin, Carolyn McGann, Alma Reed, Betty Lou Kimbell, Mary Folley, Beatonne Cromer, Myra Nan Whittaker, Katherine Kimbell, Wydetta Martin, Patricia Hines, Mary Ann Calvert, Anna Beth Tanner, Peggy Purcell and Jane Ross. Adult leaders were Mmes. B. A. Tanner, W. T. McGann, Harry Folley and Miss Marie Rhea, the county home demonstration agent. Bus drivers were Ben Tanner and Sam Ross.

LOCALS

Mr. and Mrs. I. G. Grundy made a trip to Amarillo Monday to buy merchandise for the variety store and visited with their daughter Mrs. Dick Witten before returning home.

Mr. and Mrs. Alton Johnson, Johnny and Felix spent the week end in Beaver, Okla., visiting in the home of the R. E. Hardbergers.

John Nelson Partin, son of Mr. and Mrs. Bill Partin of Borger was

here Saturday and Sunday, visiting in the Frank and Mort Hawkins' homes, and also with the Badgetts at Silverton. John Nelson is a student at Tech.

Mr. and Mrs. Frank Hawkins and Joe Frank spent Monday in Lubbock, Joe Frank having a recheck, and visiting with relatives.

Mr. and Mrs. H. G. Gardiner drove to Denton Friday night and visited until Sunday with their daughter Mrs. Barney Bogan and family. They were accompanied by Mrs. H. G. Cross and Miss Anne Holdaway, who went on to Commerce to visit with relatives.

Mrs. A. B. Ramsey was notified

Tuesday that her daughter Mrs. Eck Curtis was ill and she left immediately for Arlington to be with her and her family.

Mr. and Mrs. Lawrence Melton came in Sunday from Bagdad, Ariz., to spend a week with relatives here, in Turkey and in Amarillo.

THANKS TO ALL

Just a word of appreciation to all who so kindly remembered me during my illness. I am very grateful for the cards and flowers, the visits and everything. Thanks to each of you.

Una Lee Duck.

Who Runs America?

the Congress?

the President?

OR YOU AND THE MAN NEXT DOOR?

RUNNING AMERICA is the joint job of 150,000,000 people. It's the biggest job in the world today—keeping it running for liberty and for freedom. And the whole world's watching to see whether Americans can do it!

IN MUCH OF THE WORLD today, the people have resigned from running their own countries. Others have been quick to step in—first with promises of "security"—and then with whips and guns—to run things their way. The evidence is on every front page in the world, every day.

FREEDOM COMES UNDER ATTACK. The reality of war has made every American think hard about the things he's willing to work and fight for—and freedom leads the list.

But that freedom has been attacked here recently—just as it has been attacked in other parts of the world. One of the most serious threats to individual freedom has been the threat of Government-dominated Compulsory Health Insurance, falsely presented as a new guarantee of health "security" for everybody.

THE PEOPLE WEIGH THE FACTS. In the American manner, the people studied the case for Socialized Medicine—and the case against it.

They found that Government domination of the people's medical affairs under Compulsory Health Insurance means lower standards of medical care, higher payroll taxes, loss of incentive, damage to research, penalties for the provident, rewards for the improvident.

They found that no country on earth can surpass America's leadership in medical care and progress. They found that able doctors, teachers, nurses and scientists—working in laboratories where Science, not Politics, is master—are blazing dramatic new trails to health for Americans—and for the world.

THE "GRASS ROOTS" SIGNALS CONGRESS. In every community in the Nation, people stood up to be counted on this important issue. Thousands of local women's clubs, civic groups, farm, business, religious, taxpayer, medical, educational and patriotic organ-

izations spoke out—giving the great United States Congress its unmistakable Grass Roots signal from home!

And ever watchful, ever sensitive to an alert people, The Congress saw that signal, and heard the people speak out, loud and plain. That's democracy in action. That's the American way!

Today among the 10,000 great organizations on militant public record against "Compulsory Health Insurance" are:

- | | |
|---|--|
| General Federation of Women's Clubs | American Legion |
| American Farm Bureau Federation | National Association of Small Business Men |
| National Grange | United States Chamber of Commerce |
| Veterans of Foreign Wars | National Association of Retail Grocers |
| National Conference of Catholic Charities | National Retail Dry Goods Association |
| American Protestant Hospital Association | American Bar Association |

• Doctors of this Nation are grateful that the people refused to be wooed by the fantastic promises of this un-American excursion into State Socialism. • Doctors of America are dedicated to serve their fellow citizens at home and their comrades in uniform, wherever service to this Nation may take them. • And the thing they stand ready to fight for—to sacrifice for—to die for—is not the alien way of life of Socialism, but the proudest security of a free and self-reliant people!

THE VOLUNTARY WAY IS THE AMERICAN WAY!

• Throughout the Nation, free men and women, working and planning together, are finding the American answer to every question of medical service, care and cost. Hundreds of Voluntary Health Insurance Plans are in healthy competition—sponsored by doctors, insurance companies, hospitals, fraternal organizations—by industry, agriculture and labor. • Today in America—70 million people are protected by Voluntary Health Insurance! • Throughout the Nation, families are insuring themselves against the major costs of illness—at reasonable, budget-basis prices. Voluntary Health Insurance takes the economic shock out of illness. Protect your family now. • For information, ask your doctor—or your insurance man.

An American's greatest heritage is the right to learn the facts—and to speak his mind. Maintained with honor and used with sincerity—that right will guarantee forever that

Ben Guill

CAN SERVE THE PANHANDLE BEST

Because

BEN GUILL is NOW a member of the House Agriculture Committee. Only through his re-election can the Panhandle retain this important committee assignment.

BEN GUILL has gone to the people of the Panhandle to find out what they want and expect from their Congressman.

BEN GUILL has introduced legislation which would give the farmer a chance to write his own farm program.

BEN GUILL has supported legislation to outlaw Communism in this country.

BEN GUILL, according to Bascom Timmons, veteran Washington newspaper correspondent, "HAS GOT OFF TO THE BEST START OF ANYONE I HAVE EVER SEEN."

BEN GUILL has VOTED PANHANDLE! His vote will never be dictated by a party boss or an individual boss.

Let's re-elect

BEN GUILL

To Congress

Tuesday, November 7

(Paid for by Democrats for Ben Guill; Mickey Ledrick, Chairman.)

HEALTH PROGRAM PRESENTED AT PARENT-TEACHER MEETING

Quite a nice crowd was in attendance at the Parent-Teacher association meeting Monday night, although there were several conflicting affairs. The president, Mrs.

Bill Woods presided at a short business session, which was followed by an interesting program.

Mrs. Bessie Wise, county school nurse was in charge of the program on health, and she gave an informative discussion on the im-

portance of immunization of children for various diseases. Mrs. H. G. Gardiner's third grade students presented a Health skit, in costume depicting Mother Goose characters, which was thoroughly enjoyed.

At the social hour refreshments of assorted pies and coffee were served by mothers of Junior and Senior students.

FISHING AT LAKE ANSON

A note from Mrs. George Neatherlin to Mrs. Edgar Morrison states that North Anson Lake is now open for fishing, and to tell everyone about it so they can come down and fish. Mrs. Neatherlin says they have some very strict rules—no boats, no trot lines, no camping and fishing only from sun-up till sun-down. She also said her husband went fishing and caught 25 small crappie, but large enough to eat; 3 catfish and 2 perch.

LOCALS

Visitors in the home of Mr. and Mrs. W. W. Cain over the week end were Mr. and Mrs. John Many of Dallas and Mr. and Mrs. Berna Steward, Mr. and Mrs. Clyde Norvell and Mr. and Mrs. Beth Joiner of Silverton. When the Manrys returned Sunday to Dallas they were accompanied by Mrs. Steward, and their grandfather D. H. Wood, the latter going to Gustine to visit another daughter. Tuesday Mr. Steward graduated from the veterans welding school at Quitaque, and joined his wife in Fort Worth where both will be employed at Consolidated Aircraft Corp.

Mrs. Howard Banks who had been here the past three weeks with her parents Mr. and Mrs. W. Q. Jacks, helping with the care of her father who is ill, left Tuesday for her home at Shafter, Cal. Her sister and husband Mr. and Mrs. Raymond Hamilton took her to Amarillo to take the train for home. Another daughter of Mr. and Mrs. Jacks, Mrs. J. E. Stone of Texico, NM., arrived this week to be with her parents.

SNOW WHITE AND SEVEN REAL DWARFS HERE SATURDAY NITE

The company of "Snow White and Seven Dwarfs" which will appear at Quitaque School Auditorium includes a group of real dwarfs. These tiny men, not one of whom is taller than 4' are all expert performers. Children and adult audiences all over the country have been delighted with their hilarious comedy antics, personal charm, and skillful acrobatics.

COOK ELECTRICALLY

... it's **ECONOMICAL**

Cool, Clean, Fast and Automatic!

A few of the reasons why Women prefer **ELECTRIC COOKING**

It's Fast! Electric "speed-units" now cook faster than any other method!

It's Automatic! Electric cooking's automatic features save you time, labor, and money!

It's Cool! Electric ovens are insulated on 6 sides. Heat goes into food, not into the kitchen.

It's Safe! No matches, no flame, no fumes to bring hazards into your kitchen!

It's Clean! There is no smoke, soot, or dangerous fumes to mar your kitchen.

It's Modern! Once you cook electrically, you'll wonder why you stayed so long with horse-and-buggy methods or old-fashioned flame lamps.

It's Healthful! Foods cooked electrically retain the garden-fresh flavor and food values which are often lost when cooked by old-fashioned flame methods.

THE ECONOMY of the new electric ranges will appeal to any woman who watches her pennies. It's a real money-saver! Heavy insulation on all six sides of the oven keeps the heat in so you use only the heat needed without waste. Surface units, too, save by cooking faster; by putting heat directly into utensils and food, allowing no waste heat to escape around the pots and pans to heat up the kitchen.

Electric cooking requires less water; foods cook in natural juices retaining the garden-fresh flavor and food values so often lost in flame type cooking. The moist heat of an electric range reduces meat shrinkage to a minimum. (With today's meat prices that's a most important saving.) Even the cheaper cuts come out tender and juicy!

Don't overlook the penny-saving deep well cookers that cook entire meals, soups, pot roasts and vegetables with so little electricity. Clean and fast (just like electric light—and just as economical), an electric range will save you time, work, and money.

Some day you will cook **ELECTRICALLY**, Why not **NOW?**

SEE YOUR ELECTRIC RANGE DEALER NOW!

He will tell you more about the wonderful electric ranges... tell you of the ease, convenience, and economies that only modern electric cooking can bring. He'll also tell you of many, many other modern electric appliances that make your work easier, your home more comfortable, and your family happier.

It's the best!

Neighbors Bring Gifts For Housewarming

With true Texas neighborliness and fine spirit of friendship, Flo-mot community turned out last Tuesday, Oct. 3, to honor their friend and his sister, Shelton Haynie and Miss Grace Cloyd with a house warming. It was a pleasant and exciting surprise to them when their many friends drove up to the pretty new rock home in which they were just getting settled, bringing gifts of all kinds and hearty good wishes.

Miss Grace is a semi-invalid and gets about with the greatest difficulty. She has been afflicted since early childhood. Since the death of their parents she and her half brother had made their home together in a small frame house until this year when they built the pretty new rock home, and recently moved into it.

The honorees were so delightfully surprised, they could hardly realize that all the lovely gifts were for them. There were over 200 gifts. Those who sponsored the nice affair felt that they were more than repaid for their trouble by the delight of Miss Grace and Mr. Haynie. They urged the neighbors to call often at the new house, for they love to have company and appreciate very much being remembered in any small way.

The guests brought the refreshments—cakes and pies, cookies and coffee. They also took paper cups and plates so there would be no big cleaning up job to follow the fun. Rev. J. E. Lee was present and spoke a few words of gratitude and asked the benediction. Those who called and brought gifts were Mr. and Mrs. Ben Tanner, Ray Nell, and Bengie, Mrs.

While we are on the subject of WTS we might state that folks around Canyon feel that they might have just the man to step into the shoes of Bill Cross when he graduates next spring. He is none other than Tommy Sherrill, son of Rev. and Mrs. Ural Sherrill, former pastor of the Methodist Church here in Quitauque. Tommy graduated from Sudan High last spring and was all district there last fall. Tommy is about the size of Cross and those who saw him in action against the Tech Frosh a few weeks ago state that he is a fine prospect for the Buff Varsity next fall.

Here is our Prescription

FOR A HEALTHY COMMUNITY

Filling prescriptions is an important part of our business. But today, for a change, we are taking the liberty of writing one—after long and careful thought. Here it is:

PURCHASE Voluntary Health Insurance. PRESERVE the American medical system. PROTECT freedom all along the line.

THE VOLUNTARY WAY IS THE AMERICAN WAY

AMERICA IS THE ...

Land of the Free

BUT AMERICA IS NOT THE LAND OF THE FREE HANDOUT

Our Nation was founded on the principle that Freedom must be paid for—and is well worth paying for.

The American people have made great sacrifices in payment for liberty.

But they have refused to sacrifice liberty for promised "security"...to trade freedom for the spurious "safety" of State Socialism.

This firm is proud to be part of a community and a country where each American is free to worship

as he chooses—and grants that same privilege to his neighbor...where a business is free to create a better product, and to compete in the open market for patronage.

Unfettered by political controls, American medicine has made this the healthiest, strongest Nation in the world. Socialized medicine would endanger our physical health, our economic welfare and our political freedom.

With American medicine, we say...

Let's keep our right to manage our own lives... to earn our liberty...to keep America the
