## QHS Rodeo To Be Held This Weekend

The Quitaque High School Rodeo will take place Saturday and Sunday. Advance tickets are now on sale and you can buy them from any member of the Senior class.

As an extra added attraction to the rodeo, Boyce Hart of Guthrie, Texas will be the clown for both days of the rodeo. Mr. Hart works for Morris Stephens during the regular rodeo season and has added new and interesting acts to his performances. All ages enjoy his car and animal tricks.

There will be a boot scramble both days of the rodeo. Youngsters from the third grade down are invited to participate in this event. Prizes are \$3 for first place, \$2 for second place and \$1 for third place.

Another event for young cowboys will be the pig scramble, which will be held both days, also. Three pigs will be given away each day. In this event, the pigs will be released and the boy catching a pig will be allowed to keep it. The age limit for boys taking part in the pig scramble is twelve.

The following prizes will be awarded to winners of the main events: First Place winner will receive a silver belt buckle with black emblem; a set of silver inlaid spurs will be given to the second place winner; third place winner receives a gift certificate from Lee and Bluebell Companies which will be good for western wear to be chosen by the winner.

The following merchants and friends have made donations to help pay for the trophies: C. A. Hawkins Ins., \$2.00; Bedwell Hdw. & Imp., \$10.00; Wilson & Sons, \$5.00; Lolla Belle's Beauty Salon, \$1.00; Nook Bedwell, \$2.00; Keith's Gulf Service, \$3.00; Johnny Cagle Auto Parts, \$5.00; Rice Dry Goods, \$5.00; Geo. Ray Colvin, \$10.00; J. B. Baird, \$7.50; Roberson Dry Goods, \$30.00; First National Bank, \$25.00; Stark Insurance Co., \$5.00; Ham Theatres, \$7.50; City Gro., \$10.00; Willie Woods, \$15.00.

Everyone is invited to go out and see the fun Saturday and Sunday afternoons. You are assured of a good time and you will get your money's worth. The rodeo will be held at the Morris Stephens arena.

Stanley Price, son of Mr. and Mrs. Bruce Price, was taken to Lockney General Hospital Sunday evening and his illness has been diagnosed as rheumatic fever. Stan returned home Wednesday evening and is feeling good. He will remain in bed for a week and return to the doctor for more tests.

The doctor reports that his illness is the result of Scarletina. It is the wish of every one that Stan's recovery will be speedy and complete.

Richard (Lit) Bogan came in last Wednesday for a short visit at the home of his father, Sid Bogan. Sid met him in Amarillo and brought him home. Lit and his family have been stationed in Hawaii for the past three years. Due to the fact that his children missed three weeks of school on their trip back to the mainland, Mrs. Bogan took their three children to Michigan and enrolled them in school.

Lit left Friday morning for Los Angeles, Calif. where he will be stationed and will do recruiting assignments. He will get a 30 day furlough in a couple of months and will be reunited with his family and all of them will come to Quitaque for a longer visit.

## Feed Grain Indexes Established

### MU Choir Concert Well Received

The Midwestern University A Cappella Choir, under the direction of Mr. William Boland, presented a very fine concert to a large group of people from Quitaque, Flomot and Turkey in Quitaque's new auditorium last Monday evening.

Everyone who attended the performance agreed that it was one of the finest such programs ever staged here in Quitaque.

The choir's numbers ranged from the classics, through hymns, spirituals, a couple of novelty numbers and a rousing rendition of "The Eyes of Texas."

Just before the final number, the beautiful "Abide With Me", was sung. Mr. Boland, the director paid a very fine tribute to the new auditorium. He said that he had been fascinated with the acoustics of the building and wanted to try something different. He brought the choir down off the stage—there were about 50 voices—and arranged them along the front and down the sides of the auditorium, and had them sing their final selection. Still, the voices carried perfectly. Those sitting along either side of the building could hear the voices on the other side just as well as the ones next to them. Others of the Midwestern group said that it was one of the best buildings, acoustically speaking, in which they had ever had the privilege of singing.

To those of us who have sat in the old auditorium, straining our ears trying to hear what was being said, and usually failing, it is a joy indeed to hear a compliment such as this—and know that we have such a place to go and HEAR a good program.

The concert was thoroughly enjoyed by everyone and it is hoped that Quitaque might be privileged to hear this fine group again.

### FARMERS UNION MEETING WELL ATTENDED LAST WEEK

The meeting that was held last Monday night at the Gasoline Community Building, in which the new grain feed program was explained, was well attended.

Mr. John Seibert, Farm Management Specialist from Lubbock, John Montague from the Briscoe ASC office and Clarence Kerns, Briscoe County Agent were all present to help explain the workings of the new program.

Mr. and Mrs. Leon McCracken left Friday morning to visit their children, Mr. and Mrs. Wade Polk at Odessa and Mr. and Mrs. Leon McCracken, Jr. at Pecos.

Mrs. Frank Hawkins had major surgery at Lockney General Hospital Monday morning. The latest report is that she is doing as well as can be expected.

Mary Ellen McCracken was a dinner guest Sunday of Mr. and Mrs. W. J. Carter. In the afternoon Mrs. Carter, Mrs. E. D. Richmond, and Mary Ellen visited Mrs. Mrs. C. H. Hamner, Mrs. Gerald Imel and baby and Mrs. Bob Morris and girls of Tulia.

Mr. and Mrs. Sid McFall visited Mr. and Mrs. Sid McFall, Jr. at Whiteflat Sunday.

### GRAIN PRODUCERS URGED TO STUDY FEED GRAIN PROGRAM PROVISIONS

College Station, April 27.—Grain producers should carefully weigh the advantages and disadvantages of the recently announced feed grain program and apply them to their own situations before making a decision on whether or not to participate. According to Texas Agricultural Extension Service economists, there is only one best way to make the determinations—take a pencil and paper and do some figuring. Figure the gains and losses that might be expected to result from participation or non-participation in the program.

The economists point out that the effect of the program on net farm income may depend on several factors. The farmer who participates may earn extra income from some or all of the following sources: payments for diverting corn or grain sorghum acreages into conservation uses; higher support prices for grain sold under the program and earnings from labor saved and put to other uses. In addition, there may be savings in out-of-pocket costs which would have been spent for producing and harvesting corn or grain sorghum from diverted acres.

On the other hand, they say farmers going into the program should take into account such losses as the costs of plowing up corn or grain sorghum already planted; costs of maintaining acres diverted to conservation uses; costs of extra livestock feed which might have to be purchased to replace production from diverted acres or sold under the program and the reduced income from corn and or grain sorghum as a result of the reduced acreage.

The economists suggest that every grain farmer do some checking on the items listed and others which may apply to his particular farm to see how his earnings might be affected. The expected gains from participating in the program should be totaled along with losses in income that might occur. Simple subtraction will show the net gain or loss that can be expected. The economists point out that only cost and return items affected by the feed grain program should be considered and those may involve other items of the farm business besides the corn or grain sorghum enterprises.

Another advantage which should be seriously considered, say the economists is the insurance phase of the program. Participation in the program will insure income even though the corn or grain crop is a failure. There may also be savings in production credit needed because of the advance cash payments allowed under the program and future crop yields may be improved as a result of conservation practices carried out on the diverted acres.

The economists emphasize that no corn or grain sorghum grower should pass up an opportunity to get the facts on the program, and in turn, urge that the information gained be used in making a thorough analysis of their own situation.

Information on the feed grain program may be obtained from county Agricultural Stabilization and Conservation offices and local county agricultural agents. Also, by attending meetings which are now being held or soon will be in most grain producing counties of the state.

### METHODIST PARSONAGE NEARS COMPLETION

The people of Quitaque have been watching, with much interest, the construction of the new parsonage for ministers of First Methodist Church. Within a month it will be ready to be occupied. Many people of this community have contributed money toward this needed project. At this time, some are making possible needed furnishings for the new home. One family is completely furnishing one bedroom, complete with bedroom suite and drapes. Another is giving a gas light for the yard. If others are interested in a project they should contact W.S.C.S. President, Mrs. I. L. Edgar. Mrs. Edgar has a list of items that are needed.

### Cowboy Reunion Honored By State Legislature

The Texas Cowboy Reunion, Stamford, which this year holds its well known reunion on July 1, 3 and 4th, and the Old Timer's Association, who meet at the same time, were jointly honored by the Texas Legislature, in House Resolution No. 372 recently.

This Resolution, in part states: "The Old Timer's Association will meet in Stamford to honor the brand of man long respected for making Texas history, and

For over thirty years the cowboy reunion has provided entertainment through Rodeos and Western shows whose participants are non-professional cowboys - - - and the House of Representatives of the 57th Legislature, commends these citizens for their part in preservation of a part of Texas History, and for their outstanding Rodeos and Frontier Shows.

The Resolution is signed by James Thurman, Speaker and Dorothy Hollmon, Chief Clerk of the House.

### MRS. LORENA MONTAGUE BURIED AT SILVERTON LAST FRIDAY

Funeral services for Mrs. Lorena Montague, 72, long-time resident of Briscoe County, were held last Friday at 2:30 P. M. at the Silverton Church of Christ with L. L. Thornton, minister, officiating. Burial was in the Silverton Cemetery under direction of Roberts Funeral home.

Mrs. Montague died last Thursday at 5:25 A. M. at the family home south of Silverton.

She was born August 12, 1888, in Hood County and came to Briscoe County with her parents in 1892. She and Dan Montague were married January 13, 1907, in Silverton. Mr. Montague died in September of 1950.

Survivors include four daughters, Mrs. Inetha Cantwell, Mrs. Florene Fitzgerald, Mrs. Lavelle Henderson, and Mrs. Nelda Teeple, all of Silverton; three sons, Merle J. of Fort Collins, Colo., Joe and Roy, both of Silverton; three sisters, Mrs. Abbie Slaughter of Trinidad, Colo., Miss Nell Bryant and Miss Ann Bryant, both of Silverton; two brothers, Bill Bryant of Silverton and Dennis Bryant of Colorado Springs, Colo.; 19 grandchildren, and 14 great-grandchildren.

County productivity indexes ranging from 885 to 4,267 pounds per acre have been established for grain sorghum on the High Plains under the new feed grain program.

The indexes, announced by Agricultural Stabilization and Conservation offices, were computed on the basis of average or normal yields for each county, officials say.

They were established by the Agricultural Marketing Service and were relayed to the state ASC office at College Station to be used in computing rates for retired acreages in each county.

Parmer County led this area with the highest productivity index of 4,267 pounds per acre. The lowest index was in Garza County, which was set at 885 pounds per acre.

In Briscoe County the Acreage is listed at 51,114 with an average yield of 2,744. Based on these figures the first 20 percent payment would be \$26.00 and the second 20 percent payment would be \$31.20.

These average county figures now will be used to establish productivity indexes for each county and each community within the county. Then a productivity index will be set for each farm within the community.

County and community ASC committees will be responsible for establishing productivity indexes on local levels.

Under the new law, a farmer who complies with the one-year program can qualify for price supports only on the amount of grain he produces within the productivity index limits set for his farm.

Any portion of his production that is above the index set for his farm must be sold on the open market. He still would qualify for price supports on that portion of his crop which didn't exceed his productivity index.

The total amount of grain on which a farmer can qualify for price supports will be determined on the basis of his actual planted acreage, which must not exceed an allowable allotment for his farm.

To qualify for the new, higher price supports on grain sorghum, as well as corn, farmers must cut their base acreages for those grains by at least 20 percent. Planted acreages in 1959 and 1960 are used to determine these base acreages.

In exchange for reducing their planted acreage by the required minimum, complying farmers will be eligible for the support price on half the average crop they would have produced on the retired land.

They also could further reduce their acreage up to a total of 40 per cent of their base and get a payment equal to the support price on 60 percent of the average crop on the second 20 percent of the land they took out of production.

Farm productivity indexes along with the support price in each county, will be used to determine the payment rate on retired acreages for complying farmers.

In lieu of a payment on the retired acreage, farmers will be allowed to plant sesame, castorbeans, safflower, or sunflower on the land they take out of production and harvest these crops for market.

Otherwise, the retired land must be planted in conservation crops which cannot be marketed. Grazing on retired land will be permitted only on wheat planted for harvest in 1962, provided county committee gives approval.

Dupree-Persons Vows Exchanged At Dallas Last Week

Miss Nila Jean Dupree, 436 Terrace Dr. Richardson, Texas became the bride of Jerome Tad Persons, 2522 South Marsalis, Dallas, Texas, Saturday, April 22, at 8:00 P. M. in Slaughter Memorial Chapel of First Baptist Church, Dallas.

The bride is the daughter of Mrs. Robert Schley Dupree and the late Mr. Dupree, and the groom is the son of Mr. and Mrs. J. T. Persons, Quitaque, Texas. The ceremony was read by Dr. W. A. Criswell, pastor of First Baptist, Dallas and music was furnished by Dan Beam, Recreation Director of the church.

Given in marriage by her uncle, Mr. Raymond Dupree of Plano, Texas, the bride wore a gown of French imported Chantilly lace designed in the sheath fashion with scalloped sabrina neckline, and graceful lace elbow length sleeves. The skirt was enhanced with an overskirt and was scalloped at the hemline. Her veil of imported illusion fell from a dainty crown.

Her bouquet was a cascade of white roses, centered with a white orchid. Matron-of-honor was Mrs. Billy Jack Irby, Temple, Texas, Best Man was Bruce Berglund, Dallas. Ushers were G. F. Kaether, Ft. Worth and R. L. Hewett, Lubbock. A reception was held in Grace Parlor, First Baptist Church, Dallas, following the ceremony. After a wedding trip to New Orleans and the Southern States the couple will be at home at 436 Terrace Dr., Richardson, Texas.

The bride is a graduate of Temple High School, and Temple Junior College, Temple, Texas, and the bridegroom is a graduate of Quitaque High School attended Tarleton State College and is a graduate of the University of Texas. Among the out-of-town guests to attend the wedding were Mr. and Mrs. J. T. Persons of Quitaque; Mr. and Mrs. Rayford Hewett, Lubbock; Mr. and Mrs. George Kaether and girls, Alvarado; Mr. and Mrs. Coy Brown, Arlington and Mr. and Mrs. Paul Hamilton, Denton.

Mrs. Larry Hedrick of Hale Center spent Thursday night and Friday with her parents, Mr. and Mrs. Ralph Carter.

- Local Briefs -

Mr. and Mrs. Ralph Carter were delightfully surprised Sunday by a visit from Mr. and Mrs. Cecil Tucker of Rodeo, Calif. The Carter's and the Tucker's met at Muleshoe 25 years ago and became very close friends. They have kept up their acquaintance through the years by correspondence. They had a very nice visit and recalled many pleasant memories before the Tucker's left to visit at Muleshoe.

Bert Grundy drove to Amarillo Sunday to take their daughter, Earlette, who boarded a plane for Kansas City, Mo., where she plans to attend school.

Mr. and Mrs. Doyle Shannon have moved back to Quitaque to live. The Shannon's have been living at Odessa. Doyle has been employed by James Brunson to work for the city.

Mr. and Mrs. Bill Woods and Earl Lee spent the week-end fishing at Lake Diversion near Wichita Falls. They reported some fish caught but fishing was not too good due to high winds.

Mrs. E. A. Puckett visited in Silverton Saturday.

Mrs. N. V. Hamilton and Mrs. E. A. Puckett were in Turkey on business Monday morning.

Mr. and Ms. Bill Rucker and girls attended the F.H.A. Style Show and "Around the World" banquet at Silverton last Thursday evening. There were foods representing each part of the world.

#### MRS. PATRICK REALIZES DESIRE

Mrs. Lois Martin has been hostess the past week for a regular Quilting Bee. She and Mrs. Nell Yearly, a friend from Cedar Hill, put a quilt in the frames the first of the week. Friends came on Tuesday and quilted. Others came each day and other quilts were put into the frames and quilted out. The results were: one quilt for an individual and two quilts for Boys Ranch at Old Tascosa, near Amarillo. Mrs. R. W. Patrick, an old time resident and friend of the entire community, pieced two quilt tops since she reached the age of

ninety. She expressed her desire for friends to quilt these for her so that she might make a gift to Boys Ranch. Her wish has been fulfilled and in the next few days Mrs. Earl Patrick, a granddaughter of Mrs. Patrick, will take Grandmother Patrick and others to the Ranch to deliver the gift in person.

Odus Crowell and youngest son of Amarillo were here Saturday visiting his mother, Mrs. M. J. Pyron and assisting while Mr. Pyron is ill.

M. J. Pyron is a patient in Lockney General Hospital and plans are under way for his admittance to the Veteran's Hospital in Amarillo.

Among those who have attended the Baptist Revival meeting one or more times at Cedar Hill this past week were Mr. and Mrs. C. W. Starkey, Miss Phyllis Starkey, Mr. and Mrs. L. B. Turner and Rev. and Mrs. Ed Spivey. The pastor, Rev. Bert Glasscock, Evangelist Eason of Wayland College and the singer, Joe Peterson of Floydada are well known in this community as they have assisted in revivals in the Flomot Baptist Church. Everyone who has attended

services at Cedar Hill have reported hearing wonderful, inspirational services.

Mr. and Mrs. W. F. Sauls and Mrs. Bernice Gates attended the Eastern Star Fellowship night at Memphis Tuesday evening.

Mr. and Mrs. Claud Caddell and Mr. and Mrs. Jim Anderson of Denton visited a short time Saturday with Mrs. Bernice Gates. The Caddell's are former residents and were enroute to Portales, N. M. to visit Mrs. Caddell's sister.

Mr. and Mrs. Guy Hammons went to Palestine over the weekend to visit relatives and to fish and enjoy a general outing.

Mr. and Mrs. Wade Martin returned home Tuesday, April 18 from Quanah where Mr. Martin had been a patient at Quanah Memorial Hospital. He is recovering satisfactorily from recent surgery.

Mr. and Mrs. W. T. Ross went to Llano to join his brother and family, Mr. and Mrs. Raymond Ross at their summer resort for a few days of hunting and fishing.

Mr. and Mrs. Harmon Moseley and Barbara made a recent trip to Dallas to visit his mother, Mrs. Iud Moseley and to visit his brothers and sister.

Rev. and Mrs. E. Spivey, Mr. and Mrs. Ernest Fisher, Mmes. L. Turner, J. C. Franks, G. E. Whitaker, J. W. Franklin and L. L. Shorter attended the worker's conference at Crosbyton Tuesday evening. The entire program was devoted to the Clinic for Vacation Bible School. The Clinic was held at the First Baptist Church with classes of instruction for each de-

partment leader and worker. Rev. Ivyloy Bishop brought the closing and challenging message of the evening. There were one hundred and three registered in the different age groups and everyone went away feeling that the Caprock Association Churches will have better Bible Schools by having so many to attend this school of instruction.

Mr. and Mrs. Ernest Fisher and Mrs. F. S. Bourland went to Floydada Wednesday to a birthday dinner in the home of Mr. and Mrs. Walter Garrison. The occasion was the eightieth birthday of Mr. Garrison and all of his brothers and sisters were on hand to celebrate. Others were Mr. and Mrs. Richard Seay of Matador; Mr. and Mrs. Charlie Garrison of Plainview; and Mr. and Mrs. Gabe Garrison of Silvertown.

Mr. and Mrs. Fisher went on to Lubbock after dinner to meet their son and his wife, Mr. and Mrs. Frank Fisher, who were in Lubbock on business and had a limited stay.

## PASTOR TO ATTEND CAMP TRAINING PROGRAM

James C. Holman of the Methodist Church will go to Ceta Canyon Camp, Monday through Wednesday of next week, for Camp Training. He is to serve as a counselor in Junior Camp this summer. The instruction to be received next week will be in preparation for the summer camping activities.

## THE APOSTLE'S CREED

People who visit in a Methodist Church are often asked to join in repeating together "The Apostle's Creed". If they have not been accustomed to using the "Creed" they are sometimes a little disturbed about the statement, "I believe in the holy catholic church." The word "catholic" as used here means "universal". It has no connection with the Roman Catholic church. One is simply affirming, I believe in the Church of Jesus Christ which is made up of all who trust in Him.

## ATTENDS PASTOR'S MEETING

Thursday afternoon Pastor Holman attended a meeting for Methodist Ministers of the Plainview District, held at First Methodist Church of Olton. Final plans were discussed for the closing of the Annual Conference Year, which ends with the month of May. The Annual Conference will be held in

Lubbock, May 30 to June 2nd.

## FIRST BAPTIST NEWS NOTES —

Mr. Charles Bassett, guide of much of Wayland College's business affairs, and manager of the Book Store, spoke at both services at First Baptist last Sunday while the pastor, Bro. Bob Beck, was preaching in a revival at Pleasant Valley Baptist Church at Wichita Falls. He was friend of the pastor in his college days.

There are about 175 people who are still eligible for one of the Golden Anniversary plates, to be given to all who attend Sunday School 11 out of 13 Sundays this quarter. At officer's and teacher's meeting last Wednesday night each one brought a covered dish and enjoyed a period of fellowship and devotion, and heard two reports on the Sunday School Convention which met in Amarillo.

Youth week began last Sunday when Young People and Intermediates started training for the big day April 30 when they will lead in S. S. and T. U.

We wish for the sick of our Community a speedy recovery.

Mr. and Mrs. George Boyles of Amarillo spent Sunday with his parents, Mr. and Mrs. Everett Boyles.

Guests at the home of Mr. and Mrs. James Brunson Sunday noon were Mr. and Mrs. George Brunson and Jerry of Kress, Mr. and Mrs. D. E. Brunson and children and Mr. and Mrs. H. O. Logan of Turkey.

Awards have been presented to the five young pianists shown above for outstanding work during the month of March. They are winners of the practice contest among students of Mrs. Robert J. Beck. Each winner received a gold trophy with her name and the year engraved upon it.

Winner of Group 1 is Neva Dale Morrison. Neva Dale is about to complete her second year of piano.

The winner of Group 2 is Lanita Farley with 36 hours. She is the daughter of Mr. and Mrs. Bill Farley of Turkey. Lanita began studying piano in January of this year.

Winners of Group 3 and 4 are sisters, Janis and Sammie Johnson, with 41 and 45 hours, respectively. They began piano last summer. Sammie was also outstanding student of the month because she practiced more than any other student.

The winner of group 5 was Sheilah Degan with 25 hours. She is the daughter of Mr. and Mrs. Joe Degan of Flomot. Sheilah is a graduating senior of Turkey High School.

## SUNDAY SCHOOL CLASS PARTY

The Dorcas Class of the First Baptist Sunday School enjoyed a social last Thursday night at the home of Mrs. Windell Farley. Mrs. L. B. Monk brought the devotional to the five members present, including the hostess.

Present to enjoy the evening were the following: Mrs. Warren Carpenter, the teacher; Lela Mae Hutcheson, Elizabeth Monk, Florence Cobb, and Roberta Farley, the hostess. Refreshments of Corn and potato chips with pimiento cheese and garlic dip, coffee, apple cider and cookies were served.

R. L. Brunson, Bobby Brunson, and H. W. Hamilton spent from Tuesday until Sunday at Lake Texoma fishing. They report good results.

Mr. and Mrs. O. E. Chandler and Mrs. Charley Grundy visited Mr. and Mrs. H. H. Vardell at Tulia Sunday. Mrs. W. V. Chandler returned to Quitaque with them for a few day's visit.

Warren Carpenter suffered a painful injury to his knee Friday when he twisted it while working on his Caterpillar Tractor. He reports it to be improving slowly.

Mrs. Johnny Morrison and Neva Dale and Bailey Eddleman were in Plainview Monday on business.

**FARM BUREAU REPRESENTATIVE, O. K. Hoyle, DIES AT SEYMOUR**

Seymour — (Spl.) — O. K. Hoyle, 52, field representative for the Texas Farm Bureau, died at his home here April 21 after a lengthy illness. He is survived by his wife, Madeline, of Seymour; and a daughter, Mrs. H. L. Mitchell of Wichita Falls.

Funeral services were held at 2:00 P. M. April 22 at the First Methodist Church in Seymour.

Mary Ellen McCracken visited in Turkey from Thursday afternoon until Saturday night with Mr. and Mrs. E. D. Richmond and Ronnie, and Mr. and Mrs. Lonnie Richmond.

**FEED GRAIN INDEXES**

(Continued From Page 1)

If they desire, farmers could retire more than 40 per cent of their base acreage, but payments on any acreage above 40 per cent would revert back to the same rate as for the initial 20 per cent reduction.

Producers who do not comply with the new grain program would not qualify for price supports on any of the five feed grain crops and would sell their grain on the open market.

Non-compliance with the feed grain program will have no influence on a farmer's qualification for price supports on the oil seed crops, cotton or wheat.

Each farmer will receive in the near future a notice of his farm base, minimum acreage reduction required for participation, maximum permitted acreage for plant-

ing, payment rate per acre on the retired land and conservation requirements on layout acres.

John Montague, manager of the Briscoe County ASC office, said that this information should be in the hands of the farmers between now and the first of May.

Montague added that a deadline of May 31st has been set for farmers to sign up under the new program.

A national average price support of \$1.93 per hundredweight has been established for grain sorghum under the new program, with corn set at \$1.20 per bushel.

National average support prices last year were \$1.52 per hundredweight for grain sorghum and \$1.06 per bushel for corn. Support rates vary by regions and counties because of freight differentials and similar factors.
