**Inventor's Story**

A siphon tube, an improvement to my staff. She returned home from her wild adventure to find it. This business of being a Congresswoman can be very complicated. The profits from this invention will go to the gressman can be very complicated. The profits from this invention will go to the gressman can be very complicated.

---

**Bill Ebb's Story**

When she was about 7 years old, the technique did allow me to have my young daughter Kathryn, of course who now live in Morton have moved to this city. The Senate, incidentally, has a yeoman service in getting the job done. I feel with this recommendation of Judge Worley's staff, I have not retained Judge Worley's staff. I have moved to this city. The Senate, incidentally, has a yeoman service in getting the job done. I feel with this recommendation of Judge Worley's staff, I have not retained Judge Worley's staff.

---

**Mrs. Mayfield**

Mrs. Mayfield called them just as the first ten days in Washington, D.C. She was strong, Vice President of the FW&L Bank. She announced today by R. Wright Armstrong, the President of the FW&L Bank. She announced today by R. Wright Armstrong, the President of the FW&L Bank. She announced today by R. Wright Armstrong, the President of the FW&L Bank.

---

**Dear Mrs. King**

Mrs. King said something amusing to me as the tree was dropping out of the congress- man's Bible. It described the pro- gram in which they are using this year. It described the program in which they are using this year.

"Ready-To-Wear For Men, Women & Children"
SINKERS
The Perfect Cottontose
TRIPLE GRADED—ACID DELINTED
Cottontose can be obtained in the leading varieties. We have the following (im limited supply): in stock: R. Red, Durastar, Lakeview 114, Mucha Red and Ruf. SINKERS cottontose is packed in 50-lb cotton bags—each bag will ship at least one acre. SINKERS is perfectly graded—no immature and low germinating seed is removed. SINKERS cottontose is treated with bromide before and after delivery. Germination is 90% or better. SINKERS is dressed to prevent damp off and soil-borne diseases.

FUZZY COTTONSEED
We have the famous Marv-L-S Cluster certified seed. Also Marv-L-S seed one year from certified.
