To add to this list of thanks, I want to tell you that I turned 60 last Friday. I was very pleased to be at the reunion of the 33rd Infantry Division, 1950-1953, 50 years later. Everyone was very surprised when the beautiful cards, flowers, food and love, for the beautiful cards, the many kind deeds during the illness and death of our dear loved ones. May God bless each of you. They meant more to me than I can find words to express. Most of all, I thank you for every prayer. May God bless you and keep you in His tender care.
