News From The Boys In Our Armed Service

(We are printing some letters from Turkey young men this week who are scattered over the globe, and are known by most of our people. Whether you know all the bops personally or not, their letters are very interesting, and we believe our readers will appreciate a chance to read them.)

To Dale Montgomery from Andy Daniel who is stationed at Savannah, Ga. Andy not only explains his activities, but draws pictures to illustrate some of them.

Dear Friend: Got your letter and was I glad to get it! Just got off guard duty from 3 a. m. till 6 a. m.—18 hours. Had on sidearms, first aid kit, gas mask and rifle. First aid kit weighs 18 lbs. after the first hour. My equipment—aid kit, gas mask, cartridge belt and rifle—weigh 87½ lbs. so you see I don't feel so hot.

Well Dale, will try to give you briefly, without deviating too much my duties: Up at 5:45, fall in at 6; police the area, then breakfast and fall in again. It seems like these people can't make up their minds. One time it's fall in; next time fall out. That happens approximately 96 times a day. Then for a nice outing in the country, ranging from 2 to 10 miles, afoot remember.

Then comes the limbering up exercises, such as straddle hop, back and neck exercises. Then the final touch up—double time march. That is all to get you limbered up for the obstacle course. Will try to give you a short sketch of it: first hurdles low (here he drew a picture of five hurdles); then high (pictures again); then the plank wall 12 feet high solid (another picture); then the jump 8 feet. Then across the pit on a rope (another picture), so don't turn loose; next bridge with 95 degree (picture) incline; then the rope climb about 40 feet, then some more (picture of hurdles). So much for that, however I left out about half of it.

After dinner usually gun drill range from 22 rifle to 40 MM. Of course each hour you get a 10 minute break, that is to test for unconsciousness. If cigaret smoke don't appear immediately they call the ambulance, or stretcher carrier, depending on the condition of the patient.

At 5, fall out and in for chuck. You are off for the day, nothing to do but shave, bathe, shine your shoes, wash out your fatigue clothes—providing there is not an air raid alarm during the night. Only had one of them at 1 a. m. Dress in leggings, side arms, gas mask, first aid kit, cartridge belt and fall in, in 2 minutes, without any lights or warning, so they don't have to tell you to keep things handy. Some people might think that is just some of Andy's hot air, but don't let them kid you, for it is not. Made it, such as it was—shirt on backwards, one legging dragging (who thought up the legging idea, anyway?), but when it is all over, and we fold up and go to the house, in case I don't like my senator or governor I won't be afraid to tell him to go to H—for I will still live in a country where we can do and say what we please.

Always, Waymon

From Floyd J. Richardson to his parents, Mr. and Mrs. Joe Richardson. "Bud" as he is familiarly known, is somewhere in India and seeing sights he never expected to witness. He enclosed some photographs in his letter showing some of the inhabitants and scenery. His letter, dated Sept. 26, and just received, follows:

Dear folks: I suppose you will be busy pulling bolls when you get this. Are you having trouble getting hands? We would get it out if Jess and I were there. Tell him if he don't write soon he and I are going to have a little war of our own when I get back.

Was sure glad to hear that Floyd got a furlough. You didn't say, but I know he went to see Bill.

I am seeing American pictures direct from the States. I also go to (Continued on Back Page)

Billy Hutcheson Wires He's Back In the States

Mrs. O. E. Hutcheson, Arrived by plane from Iceland enroute to officers candidate school. Furlough contemplated.

Bill B. Hutcheson (Billy Brown had been in Iceland more than a year).

Beloved Gasoline Pioneer Buried Sunday

Death took another pioneer of this section last Saturday, Oct. 10, with the passing of Mrs. Allie A. Rogers, who had lived in the Gasoline community for 34 years, coming to this section in 1908 with her family.

Although an invalid for almost four years, she had borne her affliction with patience and fortitude, passing on to her reward in readiness to meet her Savior. Her prayer for many months had been for relief from her sufferings and the answer came Saturday morning at 4:30 when she passed away in her sleep.

Last rites were held Sunday afternoon at 3:30 at the Gasoline community house, with Rev. Marvin Brotherton, pastor of the Quitaque Methodist church, conducting the service. Interment was in the Quitaque cemetery under direction of Hardcastle Funeral Home.

Pall bearers were Lanny Williamson, Barney Plaster, Edgar Morrison, Ernest Morrison, Ben Smith and Alva Rogers. Flower bearers selected were Mrs. Lanny Williamson, Mrs. Barney Plaster, Mrs. Opal Caddell, Miss Euna Bradshaw, Mrs. Boone McCracken, and Mrs. Leon McCracken.

"Aunt Allie", as she was lovingly called by her many, many friends, was born Allie Petty in Bellefonte, Boone county, Arkansas, on December 22, 1866, being 75 years, 9 months and 18 days old at her death. She married Leon L. Rogers in Bellefonte and to this union two children were born, a son and a daughter. Mr. and Mrs. Rogers were among the pioneers to open the many winding trails that led across the unfenced prairies of West Texas. A devout Christian, she was loved by all with whom she had contact. One of the kindest and most lovable characters, she exemplified in her life her motto of "Love and Peace."

Her husband preceded her in death two years ago, and survivors are her two children, John Rogers and Miss Ertie Rogers; three grandchildren, Cleota, J. T., Jr., and Coleen Rogers, and one sister, Mrs. T. L. Bradshaw, all of Gasoline. Two nephews and a niece also survive, W. O. Williamson of Quitaque, Fred Williamson of Missouri, and Mrs. Stella Estes of Idalou.

Methodist Women Meet With Mrs. Womack

The Womans Society of Christian Service met Monday afternoon at the home of Mrs. W. C. Womack for a mission study.

Mrs. H. G. Gardiner was leader of the study on Latin America. Topics were discussed by Mrs. Gardiner, Mrs. Grundy, Mrs. Kimbell, Mrs. Hall and Mrs. Hughes.

Following the program the hostess served delicious refreshments to Mesdames Hughes, P. C. Hamilton, May Gillespie, Hadaway, McFall, Burch, Graham, Brotherton, Jim Tunnell, Kimble, Grundy and Hall.

The Society will have an all-day meeting next Monday at the parsonage, in observance of the Week of Prayer. All are urged to come at 10:30, bring a covered dish and spend the day, or from 10:30 to 2:30. Let's make this a day of prayer.

Baptist WMU

The Baptist WMU met at the church Monday afternoon for Bible study. Rev. Draper taught the lesson from the Book of Isaiah. Nine women were present.

Mrs. Bedwell, chairman, presided in a business session. Plans were made for completion of a quilt to be given to Mrs. Gattis, mother of Mrs. George Owens who is an invalid and makes her home here with her daughter and family.

Will Lee Weds Gainesville Girl

The following clipping from the Gainesville newspaper was Will Lee's announcement to his parents Mr. and Mrs. F. T. Lee of his marriage, which took place Sept. 28:

Miss Lucile Cox, daughter of L. J. Cox, Rice avenue, became the bride of Sgt. William R. Lee, in a quiet ceremony Tuesday evening, in Marietta, Okla. The wedding date was also the birth anniversary of the bride.

Judge D. I. Goines, district judge, read the double ring ceremony in his home at 9:30 o'clock. The couple was accompanied to Marietta by Mrs. Ruby Philpott of Gainesville.

The bride wore a black costume suit trimmed with red fox fur. Accessories were in black, and the only ornament was an old-fashioned lapel watch which belonged to the bride's mother, the late Mrs. L. J. Cox, and given to her by her bridegroom at their marriage.

The ring for the bride was the property of the late Mrs. Weaver Thomason, maternal grandmother of the bride.

Sgt. and Mrs. Lee returned to Gainesville after the ceremony, and are residing at the Rice avenue address. He is stationed with the military detachment at Camp Howze, transferred here recently from Fort Sam Houston. He has been serving in the army since December, 1940. Sgt. Lee's parents are Mr. and Mrs. F. T. Lee of Quitaque.

Mrs. Lee was reared in Gainesville and was graduated from the local schools. She is owner and operator of a beauty salon in this city.

Couple of Thrills For J. D. McCutchen

J. D. McCutchen had a couple of exciting experiences recently. Perhaps the more thrilling was when he became a father on October 7. The baby, a boy, was born at the home of his maternal grandparents, Mr. and Mrs. Woodward at Portland, Ore. He was named David Terry McCutchen.

J. D. is in San Antonio, where at present he is in the base hospital suffering with strep throat.

His other thrill was his acceptance for training as Bombardier in the Army Air corps. His mother, Mrs. Tom McCutchen is in receipt of a letter from Major General H. R. Harmon, commanding officer, informing her that her son has entered training for bombardier in the Army Air Forces. He further states that "precision, accuracy and coolness are qualities that are essential, as well as mental and physical alertness, keen vision and unusual manual dexterity. In addition, one who is reliable to be entrusted with the carefully guarded secrets of the famous U. S. Army bomb sight."

LIEUT. DENNIS COKER ENTERS CONVOY SERVICE

Lieut. Dennis Coker, who received his wings and commission at the graduation exercises at Kelly Field last Friday, returned home Saturday with his parents, Mr. and Mrs. U. F. Coker, who attended the ceremonies.

Lieut. Coker left Monday night for Missouri where he reported for airplane convoy service.

AGRICULTURAL BRIEFS

By Denton H. Smith Secretary Briscoe Co. ACA

Highlights of Transportation Conservation Program

Farmers who own trucks, including "pick-ups" and tractors who haul farm products from the farm and supplies to the farm are asked to go to their County Farm Transportation Committees, October 22nd, 23rd, or 24th for assistance in filling out applications for "Certificated of War Necessity". Many of the applications are now in the mail.

"Certificates of War Necessity" must be carried on all operating commercial vehicles including farm trucks after November 15. No gasoline, tires or repair parts can be obtained without the certifi-

Cotton Receipts Climb To 1,080

The 1.3 inch rain Wednesday was a black out for cotton pulling for a time, but the gins passed the 1000 mark this week, the three Quitaque gins reporting 1080 bales up to Thursday morning.

The darkies came to town in droves and Quitaque looked like little Harlem. Business was good and the merchants were rushed to take care of it until late in the afternoon when for a few minutes the sun shone brightly before it set, and the crowd disappeared. They returned after dark however, and went to the picture show.

Last Rites At Turkey Sunday For Mrs. Arnold

Last rites for Mrs. Arvey Hall Arnold, 90 years old, were held Sunday afternoon at 5 o'clock at Turkey Methodist church with the pastor, Rev. Hamilton Wright, officiating, assisted by Rev. Marvin Brotherton of Quitaque and Rev. A. V. Hendricks of Estelline. Interment was in the Turkey cemetery under direction of Hardcastle Funeral home.

Pall bearers were nephews of deceased, with nieces serving as flower bearers.

Mrs. Arnold passed away at 10 a. m. Saturday, October 10 at Tolbert, Texas, following an illness of eight days. She sustained a broken hip in a fall at the parsonage home of her son-in-law and daughter, Rev. and Mrs. A. D. Moore on Oct. 3.

Mrs. Arnold, who was 90 years, 1 month and 1 week old at the time of her death, was born Sept. 2, 1852 in Gibson county, Tennessee.

Immediately after her marriage she moved with her husband to Arkansas, then later to Oklahoma, and 17 years still later to Estelline. Afterward the family moved to Turkey, where Mr. Arnold died April 19, 1935.

For the past seven years she had lived with her daughter Mrs. Moore of Tolbert.

Surviving are four children: two sons, Emmett and Jim Arnold of Turkey; two daughters, Mrs. Lulu Huffine of Turkey and Mrs. A. D. Moore. She also is survived by 18 grandchildren and 19 great grandchildren.

Mrs. Arnold was converted and joined the Methodist church at the age of 13, in her native state of Tennessee. At the time of her death her membership was at the Turkey Methodist church.

She was a consecrated Christian character and was intensely religious. She loved to attend church when her physical condition would permit.

GO TO NEW MEXICO FOR BROTHER-IN-LAW'S FUNERAL

Mrs. P. P. Rumph and Jim Stell made a trip to Roswell, N. M., over the week end to be with their sister, Mrs. T. A. Stancliff whose husband died suddenly of a heart attack last Friday.

Mr. Stancliff, 52, was a Pecos Valley oil operator and resident of Roswell since 1904. He is survived by his widow and three stepsons: Harold Reid, Fort Worth; Bush Reid, Sweetwater; and Jack Reid, now serving in the Army.

Mrs. Rumph and Mr. Stell made the trip to Roswell with Mrs. Finley from Silverton who visited a sister and family at Roswell.

Flomot Gets On the Map With Scrap

Wednesday, Oct. 7, was really scrap iron day for the Flomot community. The entire school took part from Commandant-in-Chief Wallace down to the smallest child in school. Pickups and other means of hauling were furnished by individuals and business men and everybody worked. The scrap was piled around the flag pole at the school house and we felt that Old Glory waved more proudly when the iron was piled at her feet. We wish we had an old time balance to put Flomot school children in one side and the scrap iron in the other side to see if they would balance. I'm sure if some enthusiasm could be weighed too, the scrap would be the heaviest. Anyway we're on the Map to Whip the Jap. Flomot

Mrs. Van Meter Is Club Honor Guest

The Men's Luncheon club met Tuesday noon for their monthly meeting and eating. The latter disposed of, several guests were introduced by Postmaster Bogan, chairman of the club.

The guest of honor, Mrs. A. F. Van Meter was first introduced. At the meeting last month the club decided to invite to each succeeding meeting an honor guest to be chosen from among the outstanding citizens of the community who had given of their time and talents to the civic betterment of the town. Mrs. Van Meter was unanimously chosen the first citizen to be so honored.

Other guests of the club Tuesday were two representatives of the Lions International, G. D. Thatcher and Mr. Pender. Mr. Thatcher is a special district representative of the Lions International from Chicago, Ill., and Mr. Pender is a professor at Texas Tech, and a former district officer.

Both men made interesting talks, the purpose being to influence the local organization into becoming affiliated with the Lions International. No action was taken on the subject and it was deferred.

Mrs. Van Meter made a very nice talk in appreciation of the recognition given to her efforts to be helpful and thanked the men very graciously for the honor accorded her.

The next meeting of the club will be the second Tuesday in November, which is Nov. 10.

All Unrenewed Drivers Licenses Expire Nov. 1

Austin—Curtailed of civilian driving has not slowed the renewal of Texas drivers' licenses, State Police Director Homer Garrison said today.

All operators' licenses issued before last September 30—that is, old licenses—expire November 1. Applications for renewal have been pouring in at a considerably accelerated rate, Driver's License Chief J. B. Draper said. A further increase is expected before the deadline.

A renewal ordinarily involves nothing more than submission of an application and the payment of a fifty cent fee, which pays for a license good for two years.

Anyone operating an automobile after his license has expired will be subject to a fine and will have to take a stiff examination before he can obtain a new license.

In Quitaque the application blanks with all necessary information may be secured at the First National Bank.

PINCH HITTING

Mrs. Dennis Cheek left last Friday for a visit in Alvord with relatives and a reunion with her brother who was home on furlough from his station in California. Dennis joined her in Alvord Saturday, being called by his registration board to appear for examination.

Mr. and Mrs. Marvin Tracy are in charge of the Quitaque Laundry while the Cheeks are away, and Marvin is really making a hand—you ought to see him!

Scores From Sunday's Roping Contests

The newly acquired Brahma calves in the Baird-Gillespie arena were a bit elusive for the ropers last Sunday judging by the no time's marked up on the score cards.

The crowd Sunday was good, and there were several matched roping events as well as the jack pot events.

In a ribbon roping event, with 20 entries, Ollie Nall made the best time with 14 seconds. Oliver Ware was a close second with 14.5 seconds. Only eight catches are listed with no time marked up for the other 12 entries:

Johnie Burson 0; Hal Overstreet 0; Cleat Miller 0; Shot Miller 19.3; A. F. Van Meter 0; Oliver Ware 14.5; Ollie Nall 14; John Arnold 0; Frank Gillespie 23; Fred Arnold 0; Chester Hawkins 0; A. F. Van Meter, Sr., 61.0; Rab Hamilton 29.8; Clint Kelly 30.8; Wart Patrick 0; Virgil Watson 0; Jim Baird 0; Jack Hutcheson 0; Orb Payne 0; Ralph Lemons 22.9.

One calf roping event carries the following score:

Jim Baird 0; Frank Gillespie 22.4; Overstreet 0; Cleat Miller 0; Oliver Ware 0; Burson 0; Lemons 0; Shot Miller 0; Ollie Nall 0; Wart Patrick 0; A. F. Van Meter 0; John Arnold 54.5; P. C. Hamilton 0; Chester Hawkins 24.2; Kelly 34.5; Fred Arnold 49.9; Jack Hutcheson 19.6; Leroy Hamilton 0. Six catches out of seventeen entries, and Jack Hutcheson placed first, Frank Gillespie second, Chester Hawkins third.

Another calf roping event:

Overstreet 25; Cleat Miller 22; Oliver Ware 18.7; Burson 18.2; Shot Miller 26.2; Wart Patrick 23.9; Chester Hawkins 0; Kelly 0; Jack Hutcheson 0; Watson 0; Frank Gillespie 0; Orb Payne 0; Rab Hamilton 16.3.

Calf Roping:

Chester Hawkins 0; Frank Gillespie 16.6; Ollie Nall 20.7; Wart Patrick 0; Oliver Ware 22.1; A. F. Van Meter 25; Shot Miller 21.3; Jack Hutcheson 25.4; Jim Baird 0; Overstreet 0; Cleat Miller 0.

Calf Roping:

Chester Hawkins 0; Frank Gillespie 0; Ollie Nall 0; Wart Patrick 20.1; Oliver Ware 17.5; A. F. Van Meter 24.4; Shot Miller 18.1; Jack Hutcheson 0; Jim Baird 0; Overstreet 37.2; Cleat Miller 0; Burson 19.0 Lemon 0.

In one matched roping event between Chester Hawkins and Judd Watson, Hawkins finished in one minute and 33 hundredths, leaving Watson with a blank.

A paired matched event between Cleat Miller and Oliver Ware and Shot Miller and A. F. Van Meter ended with the first pair the victors.

A third matched event with Hal Overstreet and Cleat Miller paired against Oliver Ware and Frank Gillespie, went to Hal and Cleat.

Men From 17 to 36 Needed In the Marines

The Marines need men, all able-bodied men from 17 to 36 years of age, single, married, eligible up to the date set for induction by selective service. Men are needed to volunteer their services with the fighting men of Uncle Sam's Marines. Not supermen just real Americans who want to see action on land or sea or in the air. The Marine Corps will take care of the superman angle. A real Marine looks like a superman to the Japs, and you can be a real Marine. At San Diego, California you can receive the best training America can give. You learn how to defend yourself against all odds. You learn first hand how the Marines land and get the situation well in hand.

There will be a Marine Recruiting Sergeant in the Post Office in Memphis, October 14th and 15th. He'll be glad to talk it over with you and answer all your questions.

COVINGTON TO PREACH AT CHURCH OF CHRIST

If it be the Lord's will, I shall conduct the services at the Quitaque Church of Christ Sunday morning at 11 o'clock. Also at Gasoline at 3 and 8 p. m., war time.

Come and be with us in these services and enjoy a spiritual feast. G. M. Covington, Minister

LOCAL BRIEFS

Tom Persons was down from Dumas for the week end to visit home folks.

Mrs. J. F. Jago and Mrs. V. L. Miller spent Sunday in Amarillo visiting their children.

Miss Orveto Pult of Shamrock was a guest in the R. B. Persons home over the week end.

Coleen Rogers visited in Lubbock last week in the home of Staff Sgt. and Mrs. Weldon Findley.

Mrs. J. N. Hamilton left on the train Friday for Wichita Falls for a recheck at the sanitarium.

Mrs. W. M. King of the Gasoline community is with her daughter and family in Paducah this week.

Miss Marie Johnson of Amarillo visited her aunt, Mrs. Paul Hamilton and family the first of the week.

DANNY MACK and GLENN get a Malt A Plenty free this week upon presentation of this notice. Pioneer Pharmacy.

Jake Merrell leaves next Wednesday for military service. Jake has enlisted in the coast guard.

Mrs. Eula Sullivan of Shamrock is here visiting her brother, Bryan Kimbell and family, and other relatives.

MEMO COTTON BOOKS, finger tape and all drug store needs are here in abundance. Pioneer Pharmacy.

Slim Payne came in Tuesday from Lubbock to visit a short time before leaving for the West Coast to enter service in the naval air corps.

Ray Persons, commissioner from this precinct, is setting a good example of rubber conservation, going up to Silverton to attend court on the bus, he comes back with whoever happens to be coming this way. He has made the last several trips in this manner.

Mrs. Tom Harris and Mrs. Vick Shelton of Memphis were here Sunday to bring their mother, Mrs. S. A. Nell home from a week's visit with them.

Mr. and Mrs. Ben Smith and daughter Opal Faye, and Mr. and Mrs. Caddell of Jacksboro were here to attend the last rites for Mrs. L. L. Rogers Sunday.

STILL THE BEST cold remedy is Badgett's Cold Capsules and Cherrosote for the cough. Satisfaction is guaranteed, or money refunded. Pioneer Pharmacy.

NEW SHIPMENT of the Hinds Hand Saving Lotion. Same old cream, but two 50c bottles for 49c. We are only promised this one shipment. Don't wait. Pioneer Pharmacy.

Mrs. J. F. Wise, Mrs. Gladys Wise and Miss Seney Persons were in Plainview Monday, visiting Mrs. Clarence Wise at the sanitarium. Mrs. Wise is reported getting along as well as could be expected, and showing some slight improvement.

Mr. and Mrs. Alton Johnson and boys were here for a visit with their parents Mr. and Mrs. J. A. Johnson and Mr. and Mrs. Jim Tunnell, arriving Saturday afternoon and leaving Sunday about noon.

Miss Doris Kimbell is here visiting her parents, Mr. and Mrs. B. R. Kimbell and other relatives. Doris has been working in Roswell, N. M., and also has just returned from a trip to California.

Mr. and Mrs. Dick Taylor took their son James Allen to Matador the first of the week for a recheck following a tonsilectomy. Mrs. J. T. Bradley accompanied them to consult a physician.

Homer Morris paid a pop call to the home folks Sunday, coming in on the bus in the morning and leaving in the afternoon. Homer is stationed at Sheppard Field, Wichita Falls.

Mr. and Mrs. Winston Smith were here last week visiting her mother Mrs. Iva Matthews and other relatives. They are in Spur this week visiting his parents, before he leaves next week for military service.

Miss Cleota Rogers was home from Lubbock to be at the bedside of her grandmother Mrs. Allie Rogers who died Saturday morning. She remained for the funeral, returning to Lubbock Sunday afternoon.

Mr. and Mrs. C. R. Badgett drove to Amarillo last Wednesday to take their daughter, Mrs. Maribel Savage who continued by train to Washington, D. C., to resume her work. Ray Savage also accompanied his mother to Amarillo.

Things are getting brighter around Quitaque, particularly in front of the Roderick hotel, where a big new neon sign has been installed. The sign was turned on for the first time last Saturday night and it really did brighten up the corner.

Mr. and Mrs. F. D. Auburg and sons Joe and Billie Bob stopped for a short visit here Monday enroute to their home at Elida, N. M. They had been visiting Mrs. Auburg's mother, Mrs. R. T. Spinks at Estelline and relatives at Turkey.

Miss Mildred Wilson, who is in civil service employment in Washington, D. C., came in last week for a visit with her father, Otis Wilson, and her brothers Marion and Maynard, and other relatives. Her other brother, Morris is in the navy, stationed at San Diego.

Rev. Marvin Brotherton went to Clarendon last week to attend a district meeting of Methodist pastors. Reports were heard on the general conditions over the district and Bro. Marvin stated that all reports were good, financial, membership and attendance.

Raymond Earthman has passed all requirements for civilian pilot training and left Friday for McCam, Texas, where classes have already started, but he expects to "catch up." Mrs. Earthman will visit relatives at Merkle until school reopens here.

Mrs. B. L. Manire and baby son arrived last week from Wichita, Kansas for a visit with her parents, Mr. and Mrs. V. T. Hall. They made the trip by plane to Amarillo where Mr. and Mrs. Hall met them. This is Vic's first visit with his first grandchild and his revival of baby talk is right interesting, his family reports.

Wes Harvey and family made a trip to Las Cruces, N. M., Saturday evening and returning Sunday night—arriving home in the wee small hours Monday morning. They visited Mrs. Harvey's parents and their son Graham Harvey who is working at El Paso. Mrs. Graham Harvey returning home with them. Fuzzy Harvey who is home on furlough from Drew Field, Tampa, Fla., made the trip with them.

The Pioneer Pharmacy seems to choose their assistants for pulchritude as well as efficiency, the latest addition being Billy Joyce Wise, who fills the bill very nicely on both counts. Three pretty maids and Fiddler Badgett at your service at Pioneer Pharmacy.

Howell (Cowboy) Tiffin came in today (Thursday) on a furlough visit to home folks. He has been training at the Great Lakes Naval training station in Illinois.

Work Progressing On Kit Bags
The material arrived last week for the Red Cross kit bags and construction was started immediately. Work on them is speeding along and Mrs. Van Meter, who is in charge of their production is delighted with the ready response which her call for help met. Delay in arrival of tape to close the bags is the only thing now that is holding up production.

BAPTIST CHURCH
Last Sunday was a fine day with us, even though our Sunday school attendance was low. Not because the folks didn't come, but because they were just a little late getting there. Remember our records are filled out as soon as we go to our respective classes and when you come late you are not counted as being present. Surely, we understand how busy everyone is and are not censuring you for being late, but appreciate you doing your best, and your faithfulness in coming, even though you are late in getting there.

Our financial report also showed under par, only \$49 plus, on the board, but the difference was made

up when the plate offering was checked and showed more than \$30 in it.

Then our hearts were made to rejoice when at the close of the service you came around and laid \$125 on the table to be applied on our denominational debt of which our part was \$150. And already this week others have voluntarily (just as it should be) dropped around to the bank and turned in more than enough to go over the top.

All departments of the work are showing considerable improvement, but the advance we make depends on you, so be in your place at all services Sunday.

Sunday school, 10:30.
Preaching, 11:30.
Training Union 7:30.
Preaching, 8:30.
WMS., Monday, 3:30.
Prayer Meeting, Wednesday 8:30.
W. M. Draper, pastor

Methodist Church

Church school, 10:30; P. C. Hamilton, superintendent. Classes for all ages.

Morning worship, 11:30, with message by the pastor; subject, "The Lost Christ."

Young people's meeting at 7:45. Evening worship at 8 o'clock; subject "The Evil and Dagger of Little Sins."

The evening services have been set 30 minutes earlier than heretofore, come and be on time.

There will be only three more Sundays before annual conference. Bro. Palmer, our district superintendent is asking that every

church in the district pay all finances for the entire year by Nov. 1. Are we going to fall in our part of this responsibility?

Buy War Bonds and Stamps. "The Christian life is like an

airplane, where you stop, you drop." Come to church.

Marvin Brotherton, pastor
Silence isn't always golden; sometimes it's just plain yellow.

The Pioneer Pharmacy Team

has again been very substantially added to this week.

Billy Joyce Wise is the new addition. She and Maribel will be the fountain team, while Coker has been advanced to assistant manager and saleslady, where she will be pleased to give you her usual courteous service. If you are thinking of Jewelry—see her!

Pioneer Pharmacy

Another world war is being fought... a war between a group of countries (the United Nations) which believe in certain liberties for the individual and the institutions he has created, and a group of countries (the Axis) which do not believe in such liberties.

Meanwhile, a war is being waged within our own borders... an economic and political revolution, with those who believe in perpetuating free enterprise and opportunity on one side and those who favor political control and operation of productive resources on the other.

Bureaus exist within our government today that are completely dissociated from the war effort, methodically doing things to discourage free enterprise... constantly forcing the individual out of business through government subsidized projects.

This means only one thing in the end, if allowed to expand unchecked: the inauguration of government in business, or the socialized state—in plain English, the Nazified German system—at a time when the nation is fighting a second world war to prevent that very system from engulfing our American ways which have been contrary to that doctrine.

From the first blueprint to the finished bomber, electric power is speeding the production lines that are vital to the fight to preserve the American way of living. Uncle Sam has a tremendous power advantage, you know, because he commands the greatest supply in the world.

That advantage didn't just happen. Over 90 percent of this country's electric power was built up by free enterprise... business management under public regulation.

The electric industry was ready, with the power on hand, when war began. There was no delay waiting to get power out of the blueprint stage after Pearl Harbor.

This industry grew out of the American system of free enterprise... employed more and more people, served more and more people—at lower and lower price.

Today the average West Texas home enjoys about twice or three times as much electric service as it did 10 or 15 years ago—for the same money.

It's been accomplished under the American system of free enterprise wherein any man or woman is free to create a business that fills a particular need in this or any other community, just so long as they give the best possible service at the lowest possible cost to the most people and contribute their share of taxes for the support of democratic government!

BTU PARTY
Friday night the young people of the Baptist Training Union enjoyed an outing and party at the home of Joyce and Joe Fisher. Those enjoying the party were: Miss Irene Ham, Mr. and Mrs. Clyde Amonett, Mrs. Edith Amick, Misses Bobbie Lee Amick, Joy Turner, Alyce Speer, Virginia and Mona Turk and Wanda and Mettie Gene Starkey, Leon Clydo, R. G. Morris, Harold J. Turner, Charles Wooten and the host and hostess.

LOCAL BOY WEDS
Miss Betty Jamerson of Merced, Cal., and George Dee Stapleton were married at Phoenix, Ariz., September 30, at 7 o'clock, at the Methodist church.
Mrs. Stapleton is the daughter of Dr. and Mrs. Jamerson of Merced. The bridegroom is the son of Mr. and Mrs. Ralph Stapleton of Flomot.
The couple are now at Glendale, California where he is stationed in the air corps.

Mr. and Mrs. Houston Gunn and family came in Wednesday from Gainesville to help gather this year's cotton crop. They are located on the L. M. Gunn place west of town.
Miss Marue Williams of Matador spent the week end with her parents and also brought a guest, Miss Billie Lawrence.
Mr. and Mrs. J. L. Speer and family went to Amarillo Sunday to visit their daughter Mrs. George Konklin.
Mr. and Mrs. Bill Slover went to Plainview Saturday and returned Sunday after a visit with her parents, Mr. and Mrs. Lee Titus.
Miss Lula Stapleton of Canyon spent the week end with relatives

at Lockney and with her parents here.
School dismissed Friday afternoon for a period of cotton picking.
Mr. and Mrs. J. R. Thomas and son Kenneth visited in the home of her brother Calvin Franks Saturday night an dSunday. They are from Lubbock.
Miss Irene Ham went to Rule Saturday to stay while school is dismissed for cotton picking.
Guests in the home of their sister, Mrs. Winnie G. Tanner this week end were Mrs. Carl Coulston and sons and Mrs. Wesley Trainhom and sons of Vera.
Dale Preston Moseley purchased a motor cycle Saturday evening.
Mr. and Mrs. Earl Anderson and small daughter of Borger visited her mother, Mrs. Mollie Gates from Tuesday until the last of the week.
Morris Gates of Lubbock visited in the home of his mother this week end and worked on the windmill while here.
Bud Morris erected a new windmill at his home this week. His old one was destroyed by the storm several weeks ago.
Mrs. Jack Bynum is having her home improved. A new barn has been built, a water tower with overhead tank has been put up and water piped into the house; the roof of the house has been painted and the entire woodwork inside has been painted, with some remodeling in both kitchen and dining room. She is now having a cabinet built in the kitchen. The work has been done by L. B. and T. W. Turner.
Sam Ross has had a stucco bunk house erected on his place north of town. The house is to be occupied by harvest hands. Bron Martin was the carpenter.
Born to Mr. and Mrs. Frank Garrett, Oct. 7th, a seven pound baby girl. Her name is Norma Jene.
Leon Cloyd of Dallas came home Friday to spend his week's vacation with homefolks and friends.
Mr. and Mrs. J. L. Speer went to Lockney Saturday afternoon to visit a relative, John Regal, who is ill.
Ralph Stapleton went to Anson Thursday to secure hands to help gather his crop.
Bob Hawkins returned Wednesday from Longview where he had been visiting his son Lee, and family.

TO A SISTER-IN-LAW
By Mrs. Lola Cloyd
Some people make fun of their sisters-in-law, and sometimes cause them awful downfalls. But maybe they don't know the blessed event of having one that Heaven has sent.
I thank my dear Savior most every day
For sending mine along my pathway.
She's the grandest pal I ever had, She sticks with me through good or bad,
And I know that on that great judgement day
God will open the door, and she will hear Him say
"Well done, well done, you have stood your test,
And the room I've saved for you is one of the best."
So give your sister-in-law a smile, and maybe a grin,
And you will find she is your pal and a wonderful friend.

Lint Is Not Only Cotton Product, States Expert
Austin—The nation's first big mistake in its thinking about cotton and the cotton surplus has been in considering cotton almost entirely in terms of bales of lint, Dr. A. B. Cox, University of Texas professor of cotton marketing, declared recently.
"The importance of cotton cannot be understood without taking into consideration all of its products—some of which are vital to the war effort," Dr. Cox asserted.
"Cotton products," Dr. Cox pointed out, "include lint, of which each soldier requires 250 pounds annually; cottonseed oil, vital since import of other vegetable oils has been cut off; cottonseed cake and meal, excellent source of livestock feed; cotton linters, of which the government takes all

and could use more in the manufacture of munitions; and cottonseed hulls, used all the way from feed to sources of important chemicals."
Texas has a coastal area less than 150 feet above sea level with a subtropical climate as large as the state of South Carolina.

QUICK RELIEF FROM Symptoms of Distress Arising from STOMACH ULCERS DUE TO EXCESS ACID

Soldier's Letters

(Continued from front page)
a dance every week or so. I'll admit that I'm not having the time of my life, but things aren't so bad. I have even got a native to sweep, shine my shoes and wash my clothes, etc. Labor is very cheap here.

I know you have heard of snake charmers all your life. It's nothing unusual here to see some native walking down the street with a sack or basket full of cobras. They always carry a flute and as long as they play on the flute the cobra is under control. I would like to see them try that on a rattler! Am sending you a picture—five to be exact. These native women hide their faces when we walk around them with a camera, but usually if we give them a couple of Indian coins, which is equal to approximately 4 cents, we can get a picture of them. Wish you could see how they carry bricks and baskets of dirt on their head and a kid un-

der each arm.

I miss you all. Tell Lorene and Roy hello. Mom, I hope you and dad don't work yourselves down this fall and most of all, don't worry about me, because I'll be back before long with bells and blue ribbons on.

Your son, Bud

From Bob Young to his brother Ollis:

Dear Folks: Arrived here Saturday night a little tired but otherwise OK. I am situated out on this aircraft naval base. There were 12 of us radio men from the gunnery long island in San Diego at a big school of Hollywood sent here. We twelve already have been assigned to a squadron as radiomen and free gunnery. Each of us has been assigned to a pilot. Starting tomorrow we will start taking flights and today I have started drawing flight pay, and this being in a "war zone" I will draw a bit more, somewhere around \$80 a month. When we leave here we will be on an aircraft carrier. This school is operated just like planes operate on an aircraft carrier, only we are on the ground here.

We fly three hours a day, have two out of three nights off, every other Saturday off, and every Sunday off. The chow is really good and all you want, and the barracks are nice, plenty of showers, free picture show every night, big clean swimming pool right outside the barracks, and sports of every kind you wish to participate in.

I am going to see Maurice this coming Saturday. Los Angeles is just a little over a hundred miles from here. I will get liberty from Saturday evening to Monday morning. Try to find out who else from around home is out here and I will try to see them while I am here. I will be here over two months. Fact is, I stay just as long as my pilot, and I go on the carrier with him. I have quite a bit to learn about aviation radio and gunnery and I am supposed to know how to hold and maneuver an airplane and how to land it before I graduate from this school.

I just dread my first flight and am anxious to see what it is like too. The planes we radiomen ride in are dive bombers I understand. Probably lose me the first dive they make, but they told us they would break us in sort of gentle-

like. They haven't tested us physically for aviation yet. I mentioned it to the officer today and he said we would probably go into the pressure chamber and a few other things to test us physically for aviation this week some time. Our pilots are pretty well experienced with an airplane, so I have quite a bit of faith in my pilot. Don't worry about me because I am well taken care of, and I really believe I am going to like this school.

I guess I had better mail this so you will know my address. Let the Enterprise and everyone know my address and don't forget to let me know of anyone from around home who is here, and their address.

Love, Bob.

To the editor from "Dink" Hedrick, who has been stationed at the naval reserve aviation base in New Orleans, but seems to be making such good progress that he is now headed elsewhere:

Dear Editor: Another note to keep you informed as to my whereabouts. I remember what you said when I complained about not getting the Enterprise for three weeks, so now I'm letting you know beforehand just where I will be.

I am just completing my first three months training and first twenty hours solo here at this base. YEP, I did solo (underscored), and am doing all OK. I have learned about all there is to learn here so after the 10th of October, my address will be: Student Pilot, Class 7-B-E, US Naval Air Station, Pensacola, Florida.

I hope to do my stuff there for the next four months and come out with a pair of golden wings.

I am always glad to read the letters from the boys in the service. I do hope my address finds it way across and around to the kids I used to play with. How about that "Muggs", Dennis, Redell, Hansel, Maurice and ALL of you sailors and soldiers?

Sincerely,
Ernest "Dink" Hedrick

A letter to Claud Young from Kinley Wynn, who is in Hawaii:

Mr. Claud: Son, I'll answer your letter I received today. I really was glad to hear from Turkey, Texas. Claud, I had a letter from Bob. I

think he is doing all the good. Well, ole boy, I wish he and I could be at Turkey this fall, but I don't guess it can be that way. I hear from his girl all the time. I mean she thinks Bob is the real McCoy. Claud, I'm playing the radio and the music is red hot, so you know I haven't got my mind on writing just now. I wish ole Andy Daniels was in here with me with that line of his.

Well, Claud, I guess I had better stop for this time. I'll write again soon, so answer soon. A pal,
Kinley
