

NEWS BRIEFS

Annie Tillman, a 5 ft. 10 inch forward from Roosevelt High School, is the latest addition to the emerging women's basketball program at Western Texas College.

Girlstown U.S.A. will be the project of Caprock District, Texas Federation of Women's Clubs, for 1974 -76, announces Mrs. Harold Green of Tahoka, district president. The 67 clubs of the district, which covers 20 counties, will join together in this project.

Marine Pvt. George Rios, son of Mrs. Maria Rios of 1723 Ave. I, Levelland, has begun basic electronics training at the Marine Corps Recruit Depot, San Diego. He is a former student of Levelland High School.

There will be a Financing and Farm Cost program on Thursday, Sept. 19 at 8 p.m. in the Lyntegar room, Tahoka. Marvin Sartin, area economist and farm management specialist will present the program.

The Howard County Fair will be held Sept. 16 -21 at the Howard County Fair Barns, Big Spring.

Fred Elliott, cotton specialist for the Texas Agricultural Extension Services, is retiring on Sept. 30 after 28 years in the position. He also has about 10 years of previous service as a county Extension agent.

Dr. Robert B. Metzger has been named to assume the position of cotton specialist on October 1. Metzger has been serving as an Extension agronomist in the High Plains for the past seven and a half years.

Shallowater Boxers Compete Saturday

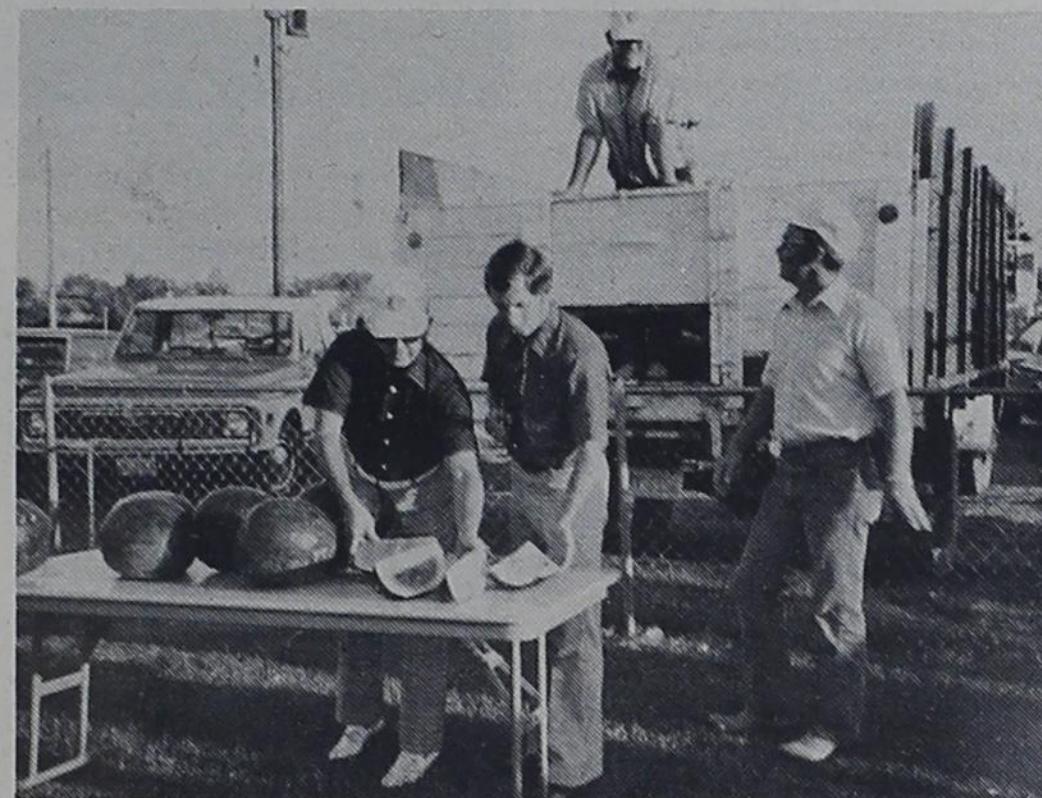

The boxing season got underway Saturday night September 7, as Levelland played host to teams from Plainview and Tulia. Four Shallowater boys are boxing with the Levelland team. Joe Frank Martin was the only Shallowater boxer to see action Saturday night. While fighting Joe Frank broke his hand in the first round but went on to pound out a win over his opponent. He was advised by his doctors that he would be out of action for three months.

Levelland has probably the best open division team in this part of the state. Six open boxers will be taking on all comers regardless of age or experience. All six are expected to make it to the state finals. Two of these boys are from Shallowater, Mark Martin and Joe Martin. Mark is beginning the season as a featherweight and Joe as a lightweight.

The Levelland team travels to Tulia, Tuesday night. Several area teams are scheduled to be at this meet. Boxing will get underway at 8 p.m. in the high school gym.

Applications for 1975 Maid of Cotton Being Accepted

Shallowater Lions Host Watermelon Bust

Tuesday night at 7 p.m. a "Watermelon Bust" got underway. This was sponsored by the Shallowater Lions Club and the Classroom Teachers Association. The Lions provided an over abundant amount of watermelons and lots of manual labor. The TCA provided plenty of teachers and parents to eat, drip, and spit. There was approximately 50 people and 25 teachers.

The watermelon was enjoyed by

young and old alike from 4 month old babies to teachers that have been here 26 years.

Teachers met student's parents and the parents learned a few facts about teachers and now they don't have a one sided viewpoint.

It was really great fun and besides the watermelon being great, the weather cooperated, including the mosquitos. Visiting was the main reason for the "bust" and lots of it was done.

League of Women Voters Sponsors Exhibit at City-County Library

Texans have lived under six state constitutions since 1836, and its legislators recently turned down a seventh. Some have been good, some bad. Some have been lasting; others were short-lived.

A major exhibition in the form of a lavishly illustrated essay has opened in the Community Room of the George and Helen Mahon Library at 1306 9th St. It was produced by the Institute of Texan Cultures in San Antonio and brought to Lubbock under the sponsorship of the Lubbock League of Women Voters.

The exhibition tells the story of Texas' constitutions as it has never been told before. Called "Texas and Her Constitutions", the show reviews the times and the men who shaped the constitutions, and the way each shaped the lives of Texans in its time.

In a representative government, the constitution is the strongest and most sustained expression of

the will of the people on matters of law. Any law or government action conflicting with it can be reversed under the onerous term, "unconstitutional".

The exhibition consists of 36 panels, each three feet wide by seven feet high. The size of the show makes it convenient for many people to read it at the same time.

It begins by saying that even before there was a Texas Constitution, Texans, who were Mexican citizens, lived under constitutional government. The Mexican federal constitution of 1824 and the Coahuila-Texas Constitution of 1827 shaped the course of history which led to a separation from Mexico, and the establishment of the Republic of Texas.

"Texans might well have remained Mexican citizens forever, except for the machinations of a politically ambitious soldier, General Antonio Lopez de Santa

The National Cotton Council is now accepting applications for the 1975 Maid of Cotton selection.

Naming of the cotton industry's official goodwill ambassador will climax two days of planned activities in Memphis Dec. 29 -30. Twenty finalists will participate in the selection, including 16 chosen on the basis of applications and four named earlier as state or regional winners.

Now in its 37th year, the selection is open to young women between 19 and 23 who were born in a cotton producing state or who have maintained legal residence in the Cotton Belt since age seven or earlier. Applicants also must be at least five feet five inches tall, and have never been married.

The 1975 Maid, who will succeed Kathy Raskin of Litchfield Park, Arizona, will make a series of public appearances in this country, Canada, and overseas. Her

domestic tour will include visits to Washington and other major cities where she will participate in activities designed to increase public understanding of the cotton industry's contributions to the nation. Plans also call for fashion shows and appearances in Europe, and possibly other areas.

Her first official activity will come on New Year's Day at the Cotton Bowl Festival in Dallas where she will be a featured guest. Following completion of her international tour next summer, she will return here to receive a new automobile as a gift from dealers in the fivestate Memphis Ford District.

Application forms for entering the selection may be obtained from the Council, 1918 N. Parkway, Memphis, Tennessee 38112. Deadline for submitting completed applications and required photographs is December 1.

"Sew It With Cotton" Contest Scheduled At Cooper School October 21st this Year

Lubbock County Women's Cotton Promotion Association announce it's "Sew It With Cotton Contest for 1974". Cooper High School Auditorium, Woodrow, Texas, will be the scene of the judging October 21, 1974, at 6:30 p.m. The Style Show and Awards will be October 22, at 7:30 p.m.

Cash prizes will be awarded to the first three place winners in each of ten categories. The winner will then go to district contest Nov. 2 at Littlefield, Texas, and have the opportunity to win additional awards.

Your entry blank must be mailed by October 12, 1974, and completed entry blanks mailed to Mrs. Jack Dulaney, 1310 8th St., Shallowater.

For information on entry blanks call Mrs. Jack Dulaney at 832-4621 or Mrs. R.W. Woodruff at 873-2357.

Entry blanks may be secured from the following stores in Lubbock, Hemphill Wells, both mall and downtown; Herb Owens, Fabric Mart at 26th and Canton, Cloth World, Fabric World, Penny's and Dillards in the mall.

Homecoming is Set for Friday

Homecoming activities are scheduled for Friday, September 13th all day long. Be sure and attend all the events if possible.

There will be a pep rally at Todd Field at 2:30 p.m. with tours of the school buildings from 3:00 to 7:00 p.m. Coffee will be served in the cafeteria beginning at 4 p.m. and supper served from 5:00 to 7:00 p.m.

There will be a business meeting in the auditorium at 7:00 p.m. and the game at Todd Field at 8:00 p.m. A queen will be crowned at half time ceremonies.

Anna," the show reads.

High drama connected with constitutions is laid out in intriguing detail when the show tells of how Texans wrested control of their government from Northern sympathizers toward the end of Reconstruction.

The show's text was written by the Institute's executive director, R. Henderson Shuffler. The Institute research staff assembled the illustrations from a spectacularly wide variety of sources and the exhibit was fabricated entirely at the Institute by the exhibits department.

The colorful historical exhibit will be on display through Sept. 18 at the library, which is open from 9 a.m. to 9 p.m. Monday through Thursday, and from 9 a.m. to 6 p.m. Friday and Saturday.

Russell Newman Lusk Honored

Russell Newman Lusk, a senior at Shallowater High was recently notified that he is to be featured in the Eighth Annual Edition of Who's Who Among American High School Students, 1973 ; 74, the largest student award publication in the nation.

Students from over 20,000 public, private and parochial high schools throughout the country are recognized for their leadership in academics, athletics, activities or community service in the books. Less than 3 percent of the junior and senior class students nationwide are awarded this recognition. Russell is the son of Mr. and Mrs. Newman Lusk of Route 1, Shallowater.

He is active in football, basketball, track, golf, NYF, Sunday School, Church, Band, Christian Athletes, and other community activities. He has also won awards and honors in football, honorable mention All District Offensive Center, honorable mention all District defensive guard, student of the month.

In addition to having his biography published in the book, Russell will also compete for one of ten scholarship awards of \$500 to \$1,000 funded by the publishers and will be invited to participate in the firm's annual "Survey of High Achievers." Russell plans to attend Texas Tech University upon graduation.

Party Line

Mr. and Mrs. Don Casey from Dallas have been visiting his mother, Mrs. Newman Casey and her parents, Mr. and Mrs. Arlie Arnold.

Mr. and Mrs. Ronnie Williamson of Ft. Worth were here over the weekend, visiting his parents, Mr. and Mrs. W.F. Williamson, and to be at the bedside of Mrs. Ronnie Williamson's grandmother, Mrs. Mae Albritton, who is critically ill in Highland Hospital.

Homemaker of The Week

Mrs. Truman (Bobbie J) Ellis is our homemaker this week. Bobbie is originally from Smyer, Texas, and also attended school there.

They are a family of five with three darling little girls; Rhonda, age 9, a fourth grader; Traca, age 6, a first grader; and Darla Kae, 3, who is still being taught at home. Before moving to Shallowater, the Ellis's lived in Arlington for five years, where Truman was an electro plater (the best he says). They now reside at 609 Avenue L in Shallowater.

Truman is currently owner and sole operator of Ranger Dirt Construction. The Ellis's enjoy all kinds of sports activities and most of all enjoy taking the day off for a family picnic.

Bobbie's biggest dislike is buying groceries. The two recipes she shares with us are Mock Filet Mignon and Chocolate Brownie Pie.

Mock Filet Mignon
2 cups soft bread crumbs
1 cup milk
2 lbs. ground meat
1 tsp. salt, ¼ tsp. pepper
Bacon Strips

Thoroughly mix all ingredients except bacon, form into eight patties. Wrap a slice of bacon around each patty, secure with toothpicks. Slowly brown filet on both sides. When brown pour off fat.

Sauce
1 cup tomatoe catsup
¼ cup vinegar, 1 cup water
¼ cup worchester sauce
1 Tbsp. prepared mustard
Combine sauce ingredients, pour over filet. Cover and simmer for 45 min. turning once. Eight inexpensive but delicious servings.

Chocolate Brownie Pie
2 eggs, 1 cup sugar, 1 stick butter
Pinch of salt, ½ cup flour
3 -4 Tbsp. cocoa, 1 tsp. vanilla
Combine all ingredients, beat four minutes, bake in pie pan at 325 degrees for 30 minutes.

Icing
1 pkg. chocolate chips
5 Tbsp. milk, 1½ Tbps. butter
1 teasp. vanilla, powdered sugar
Cook until chips are melted, add powdered sugar until mixture is thick. Add vanilla. Pour over cooked brownies.

Wolfforth Area News

The meeting starts at 2 p.m. and the program will be about home cleaning products.

Owls Win Over Tigers

by Lucy Stokesberry
The Hale Center Owls won over the Frenship Tigers in Wolfforth last Friday night.

The game started slowly with no score in the first quarter. The Owls scored ruing the second quarter and the tally stood at 7 -0 until the final whistle.

Frenship offense was outpaced by the Owls on first downs throughout the game. The Tigers were hampered by missed passes, penalties and fumbles. Long yardage penalties were a definite factor contributing to the low score.

Defense for the Tigers was sparked by Jay Hart whose timely actions prevented the Owls from getting a higher tally.

The Tigers travel to Lockney Friday, Sept. 13th for the next game.

Suzy Smith is the 14 year old daughter of Mr. and Mrs. Donald L. Smith of Route 6, Lubbock. Suzy has been a cheerleader for 2 years, in the 7th grade and now in the 9th grade. She is head cheerleader this year.

Suzy has attended Cooper for 6 years. She has 3 sisters and 1 brother; Karen 25, Diane 23, Cindy 17, and Don 21.

Suzy is backing the football team 100 percent. She thinks Cooper is the best school she has ever attended.

Brenda Mote, age 14, lives on Route 6, Lubbock. She has been at Coper for 2 years. She thinks it is the greatest school there is.

Her favorite food is Pizza and she likes the colors baby blue and yellow. She things the football team is the greatest.

Shari Hagens, age 14, has attended Cooper schools all her life and really loves it. She says "I wouldn't go to a different school for anything".

Shari likes the color blue, hamburgers, playing the guitar, swimming, and cheerleading. This is her second year to be a cheerleader and is looking forward to a terrific season.

Lynette Martin, age 14, has been at Cooper only 2 years, but thinks it is the best school around, and the people are very friendly.

Lynettes favorite food is seafood, she likes the color red, and also likes basketball and track.

She enjoys watching the football team in practice as well as games and things they will go a long way.

David Martinez, age 15, is the son of Rosa and John Martinez of Route 1, Lubbock. He has attended Cooper 9 years.

David's favorites are Mexican food, the color green, and a Malibu SS. His most admired person is Pancho Villa.

When asked his opinion of this year's football team, he replied "Great".

Kelly Choban is 16 years old and in the 11th grade. He plays quarterback and safety on the team. He has been at Cooper for 5 years.

Kelly has made lots of friends at Cooper and we know he will be a fantastic football player, and help the team to the district championship and farther.

Good luck to Kelly and the rest of the team.

Coaches Corner

Coach **Harry Brewer**, 32, has been at Cooper for 2 years as a coach and teacher. "Cooper is the best school there is, great students and great attitude both", says the coach.

Friday night was the first game for the Cooper Pirates. They played Littlefield. The coaches are Coach Graves, Coach Brewer, Coach Hurst, and Coach Hugett.

This year is going to be Cooper's best. All the boys are working hard and doing a good job. Everyone is supporting the team. The Booster Club is bigger this year. If everyone would get together we could really do a terrific job. GO RED!

Twirler Spotlight

Renee Flournoy is the 14 year old daughter of Mr. and Mrs. Harold Flournoy of Route 4, Lubbock. She has one brother, Ricky, age 16. Renee is a freshman and has attended Cooper for all 9 years. She plays basketball and was in the band for 3 years.

Renee is 100% behind the Cooper Pirates and thinks that they will go all the day. You will see Renee every Friday night on the football field with the band. We invite everyone to come see the Fighting Pirates. We know Renee will do a fantastic job out there.

SPORTS

by Joe Kelly

"When they turn on the lights and there are 40,000 fans in the stands, the adrenalin will start flowing and we'll look a lot better," Richard Bell said following Saturday's Texas Tech scrimmage. "At least the adrenalin had better start flowing," he added with a smile.

Richard was calm about the scrimmage, as were Tom Wilson and Jerry Sullivan. They had just watched the Red Raiders all but wind up heavy preparations for an intensive 11 game season.

Of the three, Wilson may have been the most worried. At least he wasn't smiling and he talked about the lack of cohesion in the offense. He and Richard both thought the players lacked zip, as indeed they did in the final dress rehearsal.

Saturday night the Raiders tee the ball up for keeps, against a good Iowa State team. The Cyclones, rated well in the Big 8, should provide Tech with plenty of test for an opener.

Despite the fact that Tech, frankly, didn't look good throughout the scrimmage Saturday, you'd have been worried if they had looked good. Football dress rehearsals are like those for a play; if they're good, the actual performance probably won't be.

Still, there were flashes of the Raiders looking sharp. Some of the blocking was crisp. Some of the tackling was superb. Some of the running was brilliant. Some of the passing was good.

Then there were times when not much of anything looked real good. The timing was off enough to upset good plays. The passing, particularly in the opening stages, was off.

What the Raiders did show was a team larger than usual, occasional flashes of brilliance, good pass patterns and hope for the rest of the season. There appears to be far more than the normal number of backs with above average ability.

The work has been hard and it's been going on for a long time now. What the Raiders need is time to heal, to get their timing down and work on polish. They'll get that this week.

Then, when the season opens this Saturday, fans will see a team that has bounce in its legs and, as Richard Bell observed, with the adrenalin flowing. There's nothing like an opening game at home to bring out the best—and that's what fans should see.

Credit Jim Carlen with another good selling job. He obviously convinced visiting SWC writers that the Raiders had suffered far too many losses to be a contender.

Instead, the writers fell back on old reliable, Texas, as the favorite. A&M drew the runner up slot and Arkansas came in third. The Raiders held down fourth and what a beautiful spot to be in! The pressure is on the other three clubs with championship hopes.

No one will argue with Tech's losses. The Raiders did lose a number of top ranked players—which happens every year. The difference this time is that they appear to have the quality replacements necessary to compete for the title.

The biggest question mark is Tommy Duniven, at least on paper. He has a big challenge, but those who know him say that he's capable of meeting it. And if he should falter, Tech has a pair of back up quarterbacks who have, at times, looked brilliant.

There should be 40,000 fans in Jones Stadium for the opener. Indeed, there should be standing room only. The Raiders deserve that kind of support every time they play, no matter the opposition.

Capacity crowds make it possible for Tech to get the top teams on its schedule. When the crowds tail off, so does the interest at other schools. And Iowa State is no patsy. It will be a tough game for the young Raiders and it should be an exciting battle. Be there!

The baseball races, generally pretty loose for a larger part of the season, have tightened up in the closing weeks. Now, with about a month left, even Oakland doesn't have a cinch.

Boster's collapse, with both Baltimore and New York getting hot, has opened up the American League East. Texas' surge has cut into Oakland's apparently secure bulge in the West. Both races could go down to the closing days of the season.

Los Angeles took a major step towards a title in the National League West when it downed Cincinnati in the Reds' park, two out of three. The next threegame set is in LA and that might be the race.

Meanwhile, Pittsburgh also heated up its machine and started to pull away from the St. Louis Cardinals. But again, no team really has a stranglehold on the titles and fans are being treated to the type of garrison finish that fills the stands—and owners' pockets.

I'm glad that Evel disappointed thousands and came through his impossible leap unscathed. I didn't think he'd soar up, up and away safely across that distance. Machines can defy gravity only so much before they fall into its grasp.

Oh, well, the feat made Evel a wealthy young man, proving that even in these days of inflation there are plenty of folks willing to toss their money away. Hooray!

Houston, which had high hopes of making a challenge for the national title, didn't even get started. The Cougars sagged under Arizona State's attack and now it's all uphill. But it's not the type of showing one expects from a team rated "possibly the best in the SWC," as some observers stated.

One defeat doesn't make a season, of course, and the Cougars could come back strong. They battle Rice this week and that game will be eyed with more than passing notice around the league.

I'm writing this Sunday night and I'm still waiting for word on why Tennessee didn't go for two points against UCLA. The Vols tied up the game, late, and could have gone for a win. Instead, they kicked the extra point and settled for a tie.

That doesn't sound like Tennessee, even in a nonconference game. Sure, a tie is better than a loss and a tie will help in the national standings. But it would have been interesting to see the Vols try to win.

Saturday, 7:30 p.m., Jones Stadium, Iowa State vs Texas Tech. Be There!

Holy Spirit Conference to Begin At Shallowater's Methodist Church Sunday

The Shallowater First United Methodist Church will host a four day Holy Spirit Conference beginning Sunday, September 15 at 7 p.m. The conference will feature three outstanding speakers in David du Plessis, World Pentecostal Leader; Dr. Edmund Robb, former nationally known evangelist and current minister of St. Luke United Methodist Church in Lubbock; and Ted Dotts, District Superintendent of the Pampa District of the United Methodist Church.

and controversy within the local church like the doctrine of the Holy Spirit and the Spiritfilled life," said Browning. We are having the conference "in order to help our people better understand the issues and make a more intelligent and less emotional response."

Shortly after being ordained into the ministry in 1928, David du Plessis rose quickly to a position of leadership within the Pentecostal movement. He organized the Second, Third and Fifth Pentecostal World Conferences. In 1951, du Plessis felt called to begin presenting the doctrine of the Holy Spirit to virtually every major Protestant denomination. He is the only Pentecostal to ever serve as an official observer at the Vatican Council. He has participated in international assemblies of the World Council of Churches, Presbyterian World Alliance Convention, and International Missionary Council Meetings. He has lectured on Pentecostal issues at Yale, Union Theological Seminary, Perkins School of Theology, Evangelical Congregational School of Theology as well as many other leading colleges and universities. He has also lectured at the Ecumenical Institute of the United Presbyterian Church and the Ecumenical Institute of the

Rays of Hope

by Pat Stanton

(Daniel 1:8) But Daniel purposed in his heart that he would not defile himself with the portion of the king's meat, nor with the wine which he drank.

Daniel was a man that gained much favor with God and man because he purposed within himself to stay in God's walk.

Many Christians lack purpose and therefore are defeated in many areas. The need to purpose within our hearts and minds as to the direction that we want to go.

When Barnabas visited in Antioch he exhorted the believers that "with purpose of heart" they would cleave unto the Lord. (Acts 11:23)

Career Education—New Handle for Old Concept—To Be Taught This Year Here

Career Education—a new name for an old concept—will be taught in the Shallowater schools during the 1974-75 school term.

Career Education begins with Kindergarten and continues with a step by step process through the 12th grade. In the primary grades, K-6, the emphasis is on building an awareness of the many different career choices.

The intermediate stage of Career Education involves exploration of career clusters and takes place in the junior high grades. High school is the setting for the final stage of preparation for a career. Here the earlier investment in time pays off when students are able to choose realistically a career that they can be successful and happy in.

Throughout the program, students will also be taught to appreciate the dignity of work. Teachers will continue to stress

that good students are dependable, honest, and prompt and that these qualities will help them to get and hold jobs when they are older.

An important part of Career Education includes parents and the community. Bankers, florists, carpenters, ministers, beauticians, lawyers, policemen, and representatives of every career available in the surrounding community are potential resource material to be invited to visit the classroom to talk about their job. Children will also be taken to local firms and businesses to view the realistic world of work.

Based on the idea that a man is happiest when he is happy and satisfied with his work. Career Education attempts to educate students to make a realistic decision when the time comes to join the work force.

Next Week: Career Education in Shallowater.

Mustang Mascot

by Anita Alvarado

The 1974-75 mascot is Margie Barron. She was born in Lubbock September 16th, which makes her 17 years old. Margie is the daughter of Mr. and Mrs. Alfred Barron. She plans to continue her education by attending college. Margie is the president of FHA.

Margie feels she will put out all her effort to be the best mascot she can be. Two years ago they had a contest and the name selected for our mascot was "Avenging Spirit".

Margie along with three other girls went in front of the Student Council and gave a speech on "Why I want to be mascot". Next year you must be a member of SOS and go before the student council.

FHA Meets

Cindy Cowart

The FHA had their first meeting Monday night, Sept. 9th. We discussed future programs to be presented. We plan to enter a float in the Harvest Festival this year. We also elected sponsors to help out. They are Mr. and Mrs. Boone and Mr. and Mrs. Craig. Mrs. Harrison asked the girls if they would be interested in entering anything in the fair this year. Be sure and let her know.

1, 2, or 3 This Year?

by Anita Alvarado

This year's annuals is troubling the annual staff. The question is whether or not they should have one, two or three annuals this year.

The Junior High will be moving out of the high school building. We feel maybe they would like to have their own annual. This may cause some problems considering that junior high students will be the only ones in the annual. We feel maybe they would like to have their own sports sections along with organizations. Though this has not been said, but there may be three annuals this year. No final decision has been made.

Calendar Sales

by Janie Serna

It is time once again to purchase the community calendars that the seniors sell each year. The price of the calendar this year is 60 cents and 25 cents for each name listing. If you are not contacted and would like a calendar, contact a senior. Anyone will be willing to sell you one. However, we hope to contact everyone in Shallowater. Your cooperation will be appreciated.

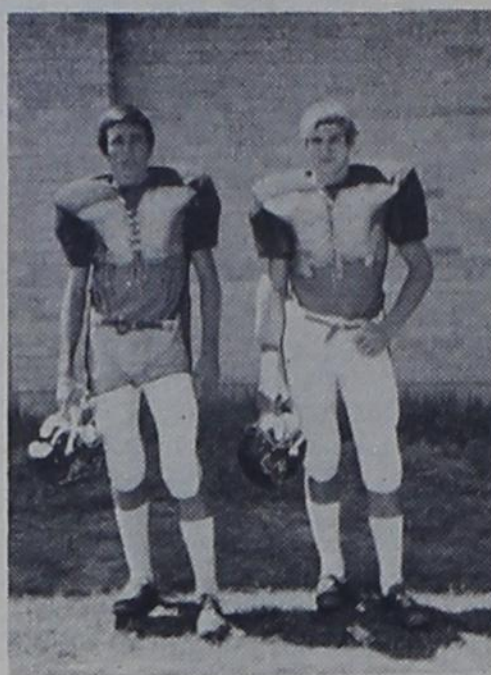

Junior High Holds Meeting

by Connie McCollum

The Junior High Student Council had its first meeting of the year. The newly elected officers are: President, Pete Riojas; Vice Pres., Sharon Howell; Sec. & Reporter, Connie McCollum; Treas., Jana Hayslip; 8th grade Rep., Clay Lusk and Lane Giles; 7th grade Rep., Pete Alvarado, and Jay Paulsen.

We talked about many plans and changes that we are planning to make for the junior high school this year.

Football Spotlight

by Alex Grice

This week in the gridiron guidance column, two more seniors are featured. Rusty Lusk and Bobby Reeves are in the spotlight. These two work real close on the football field because Rusty is the center and Bobby is quarterback.

Rusty is the son of Mr. and Mrs. Newman Lusk. He mans the defensive tackle spot with lots of vigor and guts.

Bobby Reeves, son of Mr. and Mrs. James Reeves, is the quarterback for the Mustangs. Reeves, with a razor sharp eye and a lightening quick arm, bullets the ball to main targets Don Grimes and Jerry Harrison.

There was deep appreciation to the fans who helped beat Ropes 26-0.

Senior Spotlight

by Caran Conner

Debbie Worsham was born September 12, 1956. Debbie has gone to school in Shallowater for twelve years. As a member of the Mustang band, she plays the French horn. She likes the teachers of Shallowater and has enjoyed her years here.

Debbie plans to work this summer and start Tech in the fall. After a year at Tech, Debbie plans to go to Methodist Hospital School of Nursing to become a registered nurse.

Letty Anaya was born on October 6, 1956, in Chih, Chihuahua. She is the daughter of Mr. and Mrs. Domingo Anaya of Route 1, Shallowater.

A senior at Shallowater High School, she has attended here for the past eleven years.

Letty is involved in many activities. She is FHA parliamentarian, NHS secretary, and a member of the pep squad.

She plans to take business courses either at Tech or at South Plains College, to become a secretary and attends St. Philips Catholic Church.

When asked how Letty feels about Shallowater, she replied, "I'm proud to say that I will be graduating from SHS because I really like it and I enjoyed all eleven years of school."

FFA Meets

by Jackie Randolph

The Shallowater Future Farmers of America held a meeting Tuesday, September 3. This meeting was devoted to electing officers for the 74-75 school year.

1st Victory in Mustang Corral

The Shallowater Mustangs opened the 1974-75 football season with a 26-0 win over the Ropes Eagles last Friday night in Todd Stadium.

The scoring got underway with a minute and 24 seconds left in the quarter.

Quarterback Bobby Reeves lifted a 50 yard pass to end Jerry Harrison who caught the ball and ran 18 more yards for the TD. Harrison also added the PAT. Then the Eagles and the Mustangs kept each other from scoring until early in the fourth quarter. Then Jon Gates blasted in the TD but the kick failed.

Reeves again struck the Eagles pass defenders by throwing a 30 yard pass to Don L. Grimes in the end zone. Harrison's kick was good. Shallowater's final score came with 4 min. left in the game. Fullback Jon Gates ran through the blocking of Garry Green, Jerry Harrison and George Stanton and

ran for 35 yards to score. The kick failed and that left the score, Shallowater 26 and Ropes 0.

Shallowater's defense held Ropes to only 9 first downs and 120 total yards.

The overall defense did an excellent job, but the three leading tacklers were Jerry Harrison, Don L. Grimes, and Rusty Lusk. The defense also caused two fumbles that were recovered by Rusty Lusk and Brantley Adams. There were two interceptions, one by Jon Gates and one by Malcom Terry.

The offensive line held Ropes to getting to Bobby Reeves only once and Bobby passed for 166 yards for the Mustangs. Shallowater also had 16 first downs.

Shallowater will meet the Hart Longhorns Friday night in Todd Stadium at 8 p.m. This is Shallowater's Homecoming game, so all fans should attend and back the Mustangs to victory.

Just Guts

by Richard Krebbs

I would like to be the first to recognize the Mustangs' great offensive line.

Starting at left end is Jerry Harrison who is 5 ft. 9 inches and 145 pounds. Jerry played some end last year. At left tackle is George Stanton who stands 6 ft. 2 in. and weighs 240 lbs. This is George's first year at varsity tackle. Kelvin Bedingfield starts at left guard, and he stands 5 ft. 9 in. and weighs 145 lbs. This is Kelvin's first year as guard.

The center position is named by Rusty Lusk who is 6 ft. 2 in. and weighs 175 lbs. This is Rusty's second year at center. At right guard is Garry Green who weighs 150 lbs. and stands 5 ft. 9 in. This is Garry's second year. And hailing at right tackle is the awesome Luther Vaughn. Big Lou stands 6 ft. 4 in. and weighs in at 175 lbs., and this is his first year at tackle. Don (the hands) Grimes mans the right end position, and this is Don's second year at end.

As everyone can see, we don't have much size or experience. But we really don't need either, because we have something a lot more important. Our team has **desire and guts**. With this desire and guts we are going to have the best year in Shallowater history.

National Honor Society Meeting

by Donna Hardin

The National Honor Society had its first meeting of the year on Thursday, September 6. The meeting was held during lunch and each member brought his lunch. The president, Travis Doggett, presided over the meeting as plans were made for the busy school year ahead.

Margie Barron and Jackie Buck were chosen by the NHS as the students of the month.

Various ideas for raising money were discussed. The first Thursday of each month was chosen as the regular meeting date. Officers this year are: Travis Doggett, president; Jean Shipp, vice president; Letty Anaya, secretary; Nancy Thomas, treasurer; Donna Hardin, reporter; Gracie Lupton, historian. The organization now has a membership of 27, and we are looking forward to a busy, successful year.

Student Council Meets Thursday

The Shallowater High Student Council met Thursday, Sept. 5, during the lunch break. This was their second meeting of the year.

Don Grimes opened the meeting and they first discussed having a suggestion box. This box would be placed in the hall for students to drop in suggestions. You don't have to sign your name and when the council goes through these, if they find something of great importance, they will call a special meeting for all interested members to discuss this. So if any of you have a reasonable suggestion let your thoughts be known.

Mr. McCasland has asked for an advisory committee to be selected from the student council, so Don asked for volunteers. Three girls volunteered to serve on this committee. They are Kim Young, Teresa Willis, and Grace Lupton.

For clean up after the break, they decided to let the representative of each class in the council be in charge of it each week on a rotating basis. Let's be sure and keep that trash up so we can be proud of our clean building.

Student Council decided to have their regular meeting each Wednesday during lunch. Be sure and support our Student Council because they are for our benefit.

DECA Meets

by Susan Heimen

On Monday, September 9, 1974, the Deca Club (Distributive Education Clubs of America) held their first meeting. They decided to have their meetings on the first Tuesday of every month at 12:30.

The members then choose officers for the 1974-75 school year. They are: Mike Beckham, president; Terry Bristow, vice president; Gere Green, secretary; Diana Perser, treasurer; Kathy Miles, historian; Susan Heinen, reporter.
