

Voters Reminded to Return Voter Registration Card before Deadline

Voters are urged to be sure they have returned their voter registration card they received the first of the year.

The cards were mailed out by the County Tax Assessor-Collector's office to all persons previously registered in Lubbock County.

The applications were mailed to the address of the person when they registered last, therefore if they have moved since that time, the applications were returned to the tax assessor's office.

In order for voters to be eligible

to vote, they must fill out the voter registration card and return it to the tax assessor's office 30 days prior to any election.

Voters are to receive their receipts back in the mail sometime around March 15, according to Russell Hardin's office.

If you have not filled out a card and need one, they may be picked up at the local post office, the Shallowater First State Bank or by contacting Mr. Hardin's office.

Be sure you have the right to vote in any upcoming election this year by registering.

Valentine Banquet Held Friday Evening At Shallowater First Baptist Church

"An Evening in Paris" was the theme of the adult valentine banquet of First Baptist Church, Friday night. The fellowship hall was decorated throughout in red and white, with valentines as the main idea. A lighted replica of the Eiffel Tower was the center of attraction. Approximately 75 persons were seated at tables covered with red and white checked cloths and centered with candles.

A puppet skit began the entertainment. Puppets operated by the Richard Wilson's and Kenn Carrs, presented the play.

Bill Masten served as master of ceremonies. Betty Cummins was guest speaker. She has served with her husband as missionary to Pakistan and in East Africa to the

Asians. She spoke on the "loves" in our lives.

To conclude the entertainment a quartet sang. It was made up of Jack Cowart, Bobby Styles, Wana Beth Cook, and Patti King.

A delicious meal, prepared by the ladies of the church, was enjoyed by all.

Saturday night, about 35 young people of First Baptist came together for their banquet in fellowship hall. "An Evening in Paris" was their theme also.

They were entertained by a group of girls from Texas Tech called "Loving Kindness." They sang several selections, some religious, some popular.

A good time was reported by all.

Deadline Near for City Election Filing

Deadline for filing in the local city election is drawing near and those desiring to place their names on the ballot are urged to do so by dropping by the city hall.

Terms of W.A. "Dub" Hardin, C.E. Pair, and the unexpired term of Philip Gerig, are to be filled.

Hardin has announced for re-election on Place 2, Bob Grice is a candidate for Place 5 and Mrs. Doris Epperson has announced for Place 1.

The election will be held on Saturday, April 3, at city hall. Deadline for filing is 30 days prior to the election.

Election judge will be Mrs. George Blackmon assisted by Mrs. Henry Krey and Mrs. Vera Meeks.

Shallowater Ag Boosters Begin Membership Drive

Shallowater men interested in enlarging the present Ag Boosters met Monday night, Feb. 16 in the high school Vo Ag Shop. They are beginning a membership drive which will continue through their next monthly meeting, March 15th at 7:30 p.m. At this time they will elect officers and have a program on "green bug resistant varieties of milo."

The purpose of Ag Boosters is to promote programs which are timely for Shallowater agriculture, to provide fellowship among rural friends, and to help guide area youth.

Members of the Shallowater Fillies 1975-76 varsity basketball team are from left to right front row: Donna Evans, Lindy Blumer, Robin Truelock, Cindy Jackson, Jeanyne Hunter, and Barbara Stevenson. Back row, left to right: Jana Hayslip, Terri Stanton, Laura Thompson, Robin Mauldin, Janis Horton, Kim Young, Beverly Pair, and Judy Waller.

Cotton Industry's Public Relations Experts Speak

The cotton industry's top public relations expert, Emmett E. Robinson, Monday, Feb. 16, told Texas Tech University mass communications students, faculty and guests, how the National Cotton Council presents its story most effectively.

Robinson, public relations director, National Cotton Council, Memphis, Tenn., was the first speaker at the annual Mass Communications Week observance at the university, with more than 400 persons crowded into the Coronado Room of the University Center.

Monday's emphasis was on public relations.

"The purpose of the Cotton Council is to improve the well-being of the cotton industry by seeking favorable consideration of government, solving problems, and increasing consumption of its products," Robinson said.

He then told and showed how it accomplishes its job through public service announcements and programs on radio and television and through advertisements and news releases in print media.

"The major thrust of the program is directed to national opinion leaders and legislative and government officials," he said. "Our objective is to produce a better understanding and appreciation of our industry and its importance to the continued well-being of the nation."

Robinson said opinion research findings show that the image of the average farmer "is quite favorable. He is seen as harder working than his city cousin."

"The over-all public attitude toward the farmer also is good—67 per cent favorably compare him with the non-farm person."

Other findings show that 40 percent think an important factor in higher food prices is a government program which keeps too much land out of production, and 34 percent believe farm programs have raised prices.

Sixty-nine percent believe corporate profits should be controlled and the same percentage favor restriction of exports of food and agricultural products to keep prices down.

Forty-two percent believe pesticides are not being used safely and wisely.

Forty-two percent of a group of executives polled said they believed the cotton industry was behind the times and out-moded, but 53 percent feel it is a vital and necessary industry. Most said they believe the cotton industry is outmoded in comparison with

COTTON PUBLICIST ADDRESSES TECHSANS—Emmett E. Robinson, center, public relations director of the National Cotton Council, was the opening speaker for Mass Communications Week at Texas Tech University. He chats briefly with Stan Rogers, left, and Diane Thaler, both mass communications majors at the university. Rogers is chairman of the Mass Communications Week student committee and Miss Thaler presided over the opening session. (Tech Photo)

man-made fibers.

Other speakers Monday included Mario Pellegrini of Alexandria, Va., vice president, Communications, United Way of America; and Howard Chalmers of Austin, public relations and marketing consultant, who re-

ported on the multi-media presentation on the Capital National Bank of Austin.

Tuesday was photography-film day, Wednesday was journalism day, Thursday, advertising day and Friday is telecommunications day.

Shallowater Schools Announce Free & Reduced Lunch Policy

The Shallowater Independent School System recently announced its policy change to be in effect March 1, 1976, for free and reduced price meals, free milk for children unable to pay the full price of meals and milk served under the National School Lunch and Special Milk Programs.

Local school officials have adopted the following family size income criteria for determining eligibility:

Free and Reduced Price Eligibility Income Scale
(Minimum Guidelines for Free and Increased by 95% for Reduced Price Meals.)

Family Annual Income		
Family Size	Free Meals	Reduced
1	\$0 - 2,580	\$2,580 - 5,040
2	0 - 3,390	3,390 - 6,620
3	0 - 4,200	4,200 - 8,200
4	0 - 5,010	5,010 - 9,770
5	0 - 5,750	5,750 - 11,210
6	0 - 6,490	6,490 - 12,650
7	0 - 7,160	7,160 - 13,970
8	0 - 7,830	7,830 - 15,280
9	0 - 8,440	8,440 - 16,460
10	0 - 9,050	9,050 - 17,640
11	0 - 9,650	9,650 - 18,820
12	0 - 10,250	10,250 - 20,000

Each Additional Family Member \$600 \$1,180

Children from families whose income is at or below the levels shown are eligible for free or reduced price meals or free milk. In addition, families not meeting these criteria but with other unusual expenses due to unusually high medical expenses, shelter costs in excess of 30 percent of income, special education expenses due to the mental or physical condition of a child, and disaster or casualty losses, are urged to apply.

Copies are available at the principal's office in each school. The information provided on the application is confidential and will be used only for the purpose of

determining eligibility. Applications may be submitted at any time during the year.

In certain cases foster children are also eligible for these benefits. If a family has foster children living with them and wishes to apply for such meals and milk for them, it should contact the school.

In the operation of child feeding programs, no child will be discriminated against because of race, sex, color, or national origin.

Under the provisions of the policy the school nurse will review applications and determine eligibility. If a parent is dissatisfied with the ruling of the nurse, he may make a request either orally or in writing to Mr. Charles R. Hohertz, Shallowater Schools, phone number 832-4531, for a hearing to appeal the decision. The policy contains an outline of the hearing procedure.

Each school and the office of the Superintendent has a copy of the complete policy which may be reviewed by any interested party.

The Shallowater Independent School District will offer an additional one-half (1/2) pint of milk to students that qualify for free meals. If your child is receiving free meals at the present time they must simply state they want a free milk ticket. This request for a free milk ticket should be made at the same time they request their free meal ticket.

Any parent or guardian who feels they qualify for the free, reduce meals, or milk program may check the scale. If your income is within or close to the range specified by the scale, you may contact Mrs. Joan Grimes, the school nurse, for an application blank. She may be reached at the Shallowater Elementary building or by calling 832-4531.

School Board to Be Honored

The Lubbock County Unit of the Texas Teacher's Association will be honoring the board members of the public schools of Lubbock County at a banquet to be held Tuesday, Feb. 24 at 7:30 p.m. in the Coronado High School cafeteria.

The members from Shallowater Independent School District to be honored are: Jay Stanton, Donald Martin, Walter Hutton, Butch Pair, Melvin Stewart, and Ron Elliott. Charles Hohertz, superintendent, will also be honored.

Party Line

Weekend visitors in the home of Mrs. Irene Krey were her daughters, Mr. and Mrs. Claude Stephens and Michael of Austin, and Mr. and Mrs. Loyd Robertson of Plainview.

Mr. and Mrs. Marion Reed and Jimmie of Ropesville visited Saturday night with Mr. and Mrs. E.B. Reed.

Recent visitors in the Sam Thomas home were his niece, Mrs. Jean James, and sister, Mrs. Orv Vincent of Lubbock; his nephew Nolan Vincent of Sherman; also

Mrs. Thomas' niece, Mrs. Merlene Yarbrough from Oregon and nephew, Mr. and Mrs. Orland Cannon of Lubbock. Mrs. Yarbrough left Thursday for her home following several days visiting in the Cannon home.

Mrs. Ovetta Thomas of Olton visited last Thursday afternoon with Mrs. W.F. Williamson.

Mrs. R.A. Ballard is a patient in Methodist Hospital.

Bill Davidson was released from Methodist Hospital Saturday and is doing very well.

Mrs. E.A. Preston is hospitalized in Highland Hospital and is reported doing very well.

Arnold O'Neal is at home after being hospitalized for treatment.

Mr. and Mrs. Wayne Moore, Tim and Kristi of Olton, spent the weekend in the W.F. Williamson home.

Music Student Wins Award

Laura Walker, 17, of Shallowater, received first place in the senior level of the Sonatina Sonata contest held Feb. 14th. The contest is sponsored by the Lubbock Music Teachers Association. She is a student of Mrs. Bailey Ireland.

Shallowater Study Club Meets

"What makes my day" was the role call for the 16 members present for Shallowater Study Club. The club met Tuesday, February 17 at 1:30 p.m. in the home of Mrs. Burt Sinclair.

The program was presented by Mrs. Caroline Hickox and Wanda Ferris on "Advice to hospital visitors." Mrs. Hickox, a nurse, gave a nurse's point of view on visitors and suggestions on how to be a better friend to the patient.

After the meeting adjourned, refreshments were served. The next meeting will be at Holland Gardens in Lubbock at 1:30 p.m. Tuesday, March 2nd.

ENGAGEMENT ANNOUNCED—Mr. and Mrs. B.H. Thomas, Jr., announce the engagement of their daughter, Pamela Irene, to Mr. Michael Ray Hinze, son of Mr. and Mrs. Raymond Hinze of Aspermont, Texas. The couple plan to marry May 22 in Shallowater. The bride is a May candidate for graduation at Texas Tech with a degree in Speech Therapy. The bridegroom is a freshman dental student at the University of Texas Dental School at San Antonio. The couple will make their home in San Antonio, Texas.

Young Homemakers Organized Recently

On Feb. 9th, the young homemakers, a newly reorganized group, elected the following officers. President, Sherry Stanton; 1st Vice President, Kathy Dunham; 2nd Vice President, Annette Seymore; Secretary, Linda Grimes; Treasurer, Kay McClure; Parliamentarian, Janis Lupton.

The group plans to meet the second Monday of each month at

7:30 with the next meeting being March 8th in the homemaking cottage.

House of Crafts in Lubbock will present the program on macrame. A list of needed supplies will be sent to members and anyone wishing to join or come for instruction may contact Boxie Harrison, the homemaking teacher, for the list of supplies.

Interesting programs have been planned and everyone is urged to come.

"Extension Update"

from Georgia Doherty

Would you like to learn wood carving, riflery, and crafts, or do things for other people who need your help? 4-H'ers are involved in these activities and many more this week.

Cindy Mitchell, Frenship 4-H member, represented Lubbock County at a method demonstration workshop at the State 4-H Center in Brownwood on February 14 and 15. She will share her knowledge on the subject by teaching others in her role as junior leader.

If you would like to be able to dance, but just never had the opportunity to learn, then put this date on your calendar! There will be a county-wide 4-H dance project meeting on February 25 at the Merchant's Building on the South Plains Fair Grounds at 8:00 p.m. Bring the whole family.

An officer's training workshop for officers in all Lubbock county 4-H clubs will be conducted on February 23 at the downtown Southwestern Public Service Reddy Room at 7:30 p.m.

Two other workshops will be held during the week. The management, crafts, housing, child development and personality development workshop, mentioned in last week's column, will be held on February 27 at 9:30 a.m. at the Extension Service office.

We will also be teaching 4-H members and leaders the mechanics of giving method demonstrations on Saturday, February 28 at 1:00 p.m. at South Plains Electric Cooperative. The event will be concluded with a skating party beginning at 5:00 p.m. at the Skate Ranch. This is an opportunity that shouldn't be passed up.

Cold Water Cleans Clothes Saves Money

Washing clothes in cold water saves energy—and gets clothes clean.

This doesn't mean water that is totally cold, though, but water that is less than hot.

"Cold" water taken directly from the underground pipes can range from near the freezing point to over 100 degrees F. And over this wide range of temperatures, there are significant differences in water's ability to dissolve detergent and clean clothes.

The "warm wash" setting on the

automatic washing machine will clean clothes efficiently and save energy also. Usually the same proportions and types of laundry additives can be used.

Lower rinse-water will contribute to energy savings and rinse as effectively as hot water.

Aside from energy savings, warm wash and cold rinse temperatures will help reduce loss of color and will result in less wrinkling of permanent press fabrics. The balance between warm wash and cold rinse should obtain the best possible balance of cleaning ability and energy savings.

If there are infants or small children in the family, insure proper sanitation by adding chlorine bleach or other disinfectant to the wash and dry their clothes in an automatic dryer.

Consumer Update

Today's buttons are made from various materials including casein (a milk by-product), polyester, acrylic, nylon, pearl, wood, metal and leather. Many sold in the U.S. are imported from Japan, Holland, West Germany and Portugal.

Each ancient Egyptian household had a patron God which was represented by furniture in the home. This is why some of today's furniture has feet in the shape of bull's hoofs, lion's paws, or bird's claws.

Never store spotted table linen for second use without laundering. Once a stain sets, it is harder—perhaps impossible—to remove. Linens also shouldn't be stored when damp either.

Immunization Clinic Set

The monthly Immunization Clinic for Hockley County, will be held Wednesday, February 25, from 1 to 4 p.m. at 1212 Houston, Levelland.

The immunizations offered will be polio, measles, rubella, diphtheria, whooping cough, and tetanus.

CLASSIFIED ADS

Classified Ads may be placed in this newspaper at the rate of 5¢ per word. Minimum charge \$1.00. Contact your news editor or call 763-4883.

NOTICES

PUBLIC NOTICE FOR CITIZEN HEARING

The city of Shallowater, Texas anticipates applying for a \$148,000 Community Development Block Grant under the Housing and Community Development Act of 1974. The City of Shallowater will hold two public hearings at 7:00 p.m. February 23 and March 1 in the City Hall, Shallowater. These meetings will be used to gain citizen input concerning the preapplication that will be submitted to the Department of Housing and Urban Development prior to March 15, 1976. Following the second hearing, the City Council will determine the projects to be submitted. Further information and assistance may be obtained at the City Hall, Shallowater, Texas, from 8:00 a.m. to 5:00 p.m.

The public is encouraged to attend these meetings and participate through them in the development of the application.

ENERGY EFFICIENT HOME

THIS SIGN...

ON A NEW HOUSE MEANS 40% OR MORE SAVINGS ON HEATING & COOLING COSTS

It has been known for some time that methods existed to insure the building of ENERGY EFFICIENT HOMES. But, inexpensive energy in the past made it logical to ignore the extra investment such a home would require. Now with energy costs rising, it becomes more and more important to use effectively every bit of energy we consume. The TOTAL ELECTRIC ENERGY EFFICIENT HOME does this... and, it means, conservatively, a 40% reduction in heating and cooling costs.

you're considering a newly constructed home, let us work with you and your builder to assure that your new home is designed for maximum comfort and energy savings — THE TOTAL ELECTRIC — ENERGY EFFICIENT HOME.

ELECTRICITY-IT DOES SO MUCH GOOD

Shallowater School Nurse

Mrs. Joan Grimes is the Shallowater school nurse. She is a very helpful, active, and dependable person. She can always find a cure for a scraped knee, a cut off toe or just a plain old headache.

Mrs. Grimes attended St. Joseph's School of Nursing in Fort Worth, Texas, to earn her degree of R.N. This is Mrs. Grimes fourth year here as our nurse.

Traveling, sewing and crafts are Mrs. Grimes hobbies. She has two children, Don L. 19, and Carol 14.

"I enjoy my work as school nurse and I'm glad to see our school growing," commented Mrs. Grimes.

Most of the older people in the schools don't realize how much Mrs. Grimes does for us. Now, stop and think, could you put up with little kids coming to you every 5-10 minutes with a stomach ache, headache, broken toenail and many other various hurts little kids have? Well, this lady can! She enjoys her work very much and has reached her goal in becoming a nurse since her childhood.

Mrs. Grimes deserves a lot of credit for her hard work and determination.

Mustangs End Season

The Shallowater Mustangs ended their season with 12 wins and 17 losses.

They have had a tough season this year, playing many AA schools.

The Mustangs entered in a few tournaments. One at Idalou where they won the consolation trophy. Chris Hutchings made the all tournament team.

There are six players who will not return next year, Bill Dixon, Chris Hutchings, Ray Jackson, Kim McMenemy, Daryl Morris and Jackie Randolph. These seniors have worked hard this basketball season and deserve a lot of credit for making the team respected throughout the area.

The remaining three juniors, Benny Judah, Chuck Luck, Steve Wilson, and sophomore Clay Dixon have contributed a lot to the team and hopefully will be seen next year on the team.

In district games, the Mustangs finished with a tie for second place with Stanton at 4-4. Seagraves finished 8-0, Plains 3-5 and O'Donnell 1-7.

Fillies End Season

The Shallowater Fillies have ended another season filled with hard work and determination. Beginning the season with a victory over Ropes, the Fillie team was fired up to have a winning season. Weeks filled with games and tournaments, the team continued to give 100 percent of their effort to obtain a new victories.

As the season rushed by, the girls laughed, cried and worried together building on a team for district play. When district games arrived, each player cared, strived, and cheered one another on to be a winning team.

At the last home game of the season, the Fillies awarded the five seniors a red rose each. The rose stood for respect and appreciation from the team. Each one receiving a rose considered it a great honor and appreciated the thoughts of the team.

The five seniors who were the backbone of the team this year are Kim Young (captain), Jeanye Hunter (captain), Laura Thompson, Geniese Grawunder (mgr.), and Patti Ewing (mgr.). Each senior holds a special fondness for the memories of basketball and of playing together as a team.

There are many girls remaining on the team which are great dedicated players.

Juniors: Beverly Pair, Janis Horton, Robbi Mauldin, Barbara Stephenson, Judy Waller, and Kim Myers (mgr.).

Sophomores: Robbin Truelock, Cindy Jackson, Donna Evans, and Lindy Blumer.

Freshman: Terri Stanton and Jana Hayslip.

Seasons come and seasons go, Some are good and some are bad,

But we the Fillies believe the thrill of sharing, caring, and loving for each other, Reaches far beyond the Won-loss record.

We will cherish those memories forever.

Basketball King And Queen

Tuesday, February 10, the Filly and Mustang basketball teams put a close to the basketball season by presenting a title of King and Queen to a member of the Mustangs and member of the Fillies. Three Fillies were escorted by six Mustangs. They were Jeanye Hunter, escorted by Bill Dixon and Ray Jackson; Laura Thompson, escorted by Daryl Morris and Chris Hutchings; and Kim Young, escorted by Jackie Randolph and Kim McMenemy.

The three girls were escorted, one at a time, onto the centercourt. Kim Young was then presented with a rose and escorted by Chris Hutchings to the stands. Laura Thompson was presented with a rose and escorted by Daryl Morris to the stands. The 1975-76 Basketball Queen, Jeanye Hunter, was presented with a bouquet of roses and escorted by Basketball King Kim McMenemy. A great ending to a good season.

Stars of The Quarter

At their last regular meeting, the National Honor Society chose Dirk Pearce and Tammy Beaver as Stars of the Quarter.

Dirk Pearce is a well-known Senior at Shallowater High. He has been active in football and is currently working hard in track. His specialty is the mile run. Dirk is also a cadet teacher for Mrs. Meeks.

Tammy Beaver is a Sophomore. She has recently moved here from Lubbock. She is involved in FHA and track. She enjoys reading in her leisure time. She enjoys going to school here.

Third Grade Opens Post Office

Last week Mrs. McMenemy's third grade took a field trip to the Shallowater Post Office. Postmaster Milton Elliott showed the boys and girls the operation of the postal service.

After returning to the classroom, the students devised their own postal service out of cardboard boxes and milk cartons. Play stamps and play money were made during class. All subjects were covered in this project. In English, letters were written and mailed; math was used in deciding the price of the stamps and counting the money; books on the history of the postal system were read; and lessons in associations with others were learned.

Almost all of the students want to work in a post office when they are older.

Mustangs Rip Plains

Mustangs secured at least a tie for second place in the district standings, by beating Plains 56 to 42. The Mustangs were really fired up for their last game of the season. The Mustangs took an early lead and held onto the entire ball game. The Mustangs played excellent during the entire event. Chris Hutchings led the Mustangs with 19 points, followed by Kim McMenemy with 15, and Ray Jackson with 12.

The victory was sweet, but, as gym lights turned out it was a sad time for six seniors who had played their last game for Shallowater High. The six seniors are Bill Dixon, Chris Hutchings, Ray Jackson, Kim McMenemy, Daryl Morris, and Jackie Randolph, each has given all they have to represent the school and should be congratulated.

If you can have but one possession, character is still your best bet.

FHA Beau Announced at Sweetheart Banquet

Valentines Day, the Future Homemakers of America had their annual Sweetheart Banquet. The banquet was at the Villa Inn beside the indoor pool. A delicious meal was served. Entertainment was Russel Martin and Kim Myers singing various songs.

The highlight of the evening was when FHA President Caran Conners announced the FHA Beau. The lucky guy was Tom Sinclair, who was presented a silver key chain by Caran, in behalf of the FHA. Tom's parents are Mr. and Mrs. Burt Sinclair of 1209 6th Street, Shallowater.

Dirk Pearce, son of Rev. and Mrs. Boyd Pearce, turns 18 on the 16th of March. Dirk participates in football and track. His hobbies are running and hunting. He also likes to play pool. Chemistry is his favorite school subject. After graduation he plans to attend Wayland Baptist College.

"It is my first year at Shallowater and in a way I'm sorry, but, I still am glad 'Im getting out of school," commented Dirk.

Senior Spotlight

This week's senior spotlight shines on two seniors whose fathers are preachers.

Patti Ewing, daughter of Rev. and Mrs. Tommy Ewing, turned 18 on November 5th. Home and Family Living is her favorite school subject. Her favorite "things" are Mexican food, cherry Dr. Pepper, summer, and "Boys"! She has hobbies of crocheting, cooking, water skiing, swimming and reading.

Patti is a member of NHS, FHA and is secretary of FTA. She has received several honors during her high school years such as: Who's Whom Among High School Students, and she is a member of the All Region Band.

"Being a senior and knowing this is my last year," is a comment Patti made about her senior year. After graduation Patti plans to attend Texas Tech. She is hoping for a career in nursing. "This year has been my best year in high school, but I can't wait till graduation," comments Patti.

STAR-SPANGLED HISTORY

HISTORICAL DRAWINGS BY JOSEPH BOGGS BEALE (1841-1926)

"PUTNAM LEAVES HIS PLOW"

Israel Putnam, a leader in the pre-revolutionary Sons of Liberty movement, was plowing his fields when he heard the news that the Revolution had begun. Leaving the plow where it stood, he went off to join the battle. Putnam was one of the few experienced soldiers at the beginning of the Revolution. During his career in the Continental Army, he rose to the rank of major general. From the collection of American National Insurance Company, Galveston, Texas.
