

# Shallowater Mustang Homecoming is Sept. 13th

## Lions to Host Watermelon Bust

The Shallowater Lions Club will be hosting a "watermelon bust" Tuesday, September 10th at 7 p.m. at the Little League Baseball Park, to give the community an opportunity to meet the faculty of the schools.

This gathering will give citizens a chance to meet new teachers and visit with other members of the school system.

Put this event on your calendar and remember to attend.

## Boy Scouts To Meet Monday

The Boy Scout Troop 115 will meet Monday, September 9th at 7 p.m. in the Club House.

New members are invited to come and join. The leader is Skip Barry.

## Coffee and Cake Get Together Set Friday Morning

Faye Maines and Mona McMurry, sister of F.J. Terry, Jr., are inviting all of his friends and acquaintances to a "Coffee and Cake Get Together" Friday, September 6th from 9 to 10:30 a.m. at Vardeman's Restaurant.

The occasion is in honor of F.J.'s 21st birthday.

## Study Club Met Here Tuesday

The Shallowater Study Club opened the season Tuesday, September 3rd, with a program on Human Development.

Mrs. Eddie Nickleson and Glenda Furror gave a very informative program on the progress at the Human Development Center in Lubbock.

Mrs. Donald Martin was hostess in her home with fifteen members present and one guest, Mrs. A.P. Hamilton of Fairberry, Ill., mother of Mrs. James McMenamy.

The next meeting will be September 17th in the home of Mrs. Jack Dulaney.

## Book Review Series to Begin

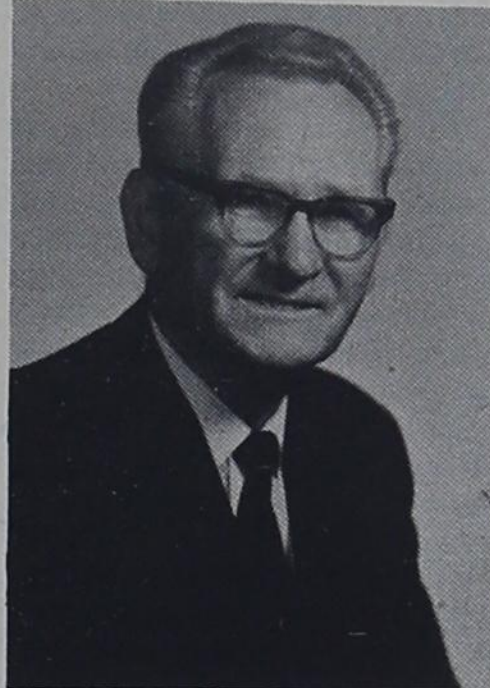

Mrs. Eleanor Kline will begin her monthly book review series, "Conversations in Literature", at 10 a.m., Wednesday, September 11, in the George and Helen Mahon Library, 9th Street and Avenue L, in Lubbock. The fall schedule for the reviews is September 11, October 23, and November 20.

"Conversations in Literature" is sponsored by the Friends of the Library. The reviews cover current best sellers and other literature. Mrs. Kline encourages group discussion, enjoying exchanging information with others who love to read. The reviews are open to the public.

## Holy Spirit Conference Set at Shallowater Methodist Church

The Shallowater First United Methodist Church will host a four day Holy Spirit Conference beginning Sunday, September 15th at 7:00 p.m. The conference will feature three outstanding speakers in David du Plessis, World Pentecostal Leader; Dr. Edmund Robb, former nationally known evangelist and current minister of St. Luke United Methodist Church in Lubbock; and Ted Dotts, District Supt. of the Pampa District of the United Methodist Church.

According to Bro. Max Browning, pastor of the local church, the conference was called due to the rising widespread interest in the Holy Spirit. "There is probably no single issue in Christian Theology that has generated the interest, confusion, and controversy within the local church, like the doctrine of the Holy Spirit and the Spirit filled life," said Browning. "We are having the conference in order to help our people better understand the issues and make a more intelligent and less emotional response."

David du Plessis

Shortly after being ordained into the ministry in 1928, David duPlessis rose quickly to a position of leadership within the Pentecostal movement. He organized the second, third, and

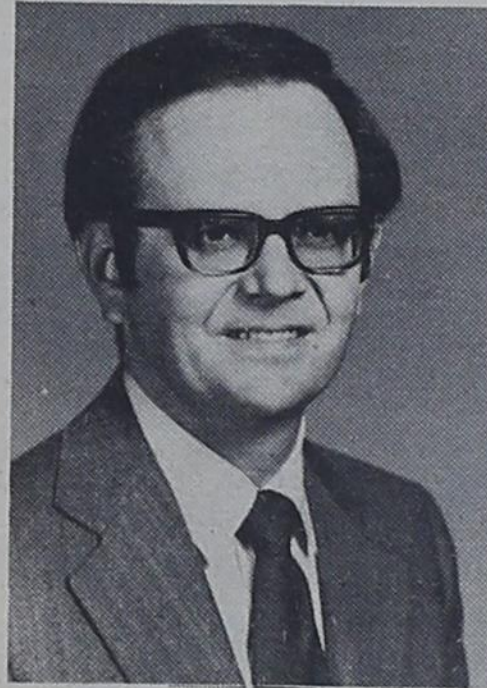

fifth Pentecostal World Conferences. In 1951, du Plessis felt the call to begin presenting the doctrine of the Holy Spirit to virtually every major Protestant denomination. He is the only Pentecostal to ever serve as an official observer at the Vatican Council. He has participated in international assemblies of the World Council of Churches, Presbyterian World Alliance Convention, and International Missionary Council Meetings. He has lectured on Pentecostal issues at Yale, Union Theological Seminary, Perkins School of Theology, Evangelical Congregational School of Theology, as well as many other leading colleges and universities. He has also lectured at the Ecumenical Institute of United Presbyterian Church and the Ecumenical Institute of the World Council of Churches in Switzerland. He has preached in over 45 countries of the world.

Edmund Robb

A dynamic speaker, Dr. Robb is regarded as one of the outstanding preachers on United Methodism. He has led many citywide interdenominational crusades, has been the evangelist for some of the historic and largest camp meetings in the nation, held hundreds of local church evangelistic missions, and has preached in

Japan, Indonesia, India, and South America. Prior to going into evangelism, he received over 800 members into his church during a four year tenure at St. Paul's of Midland. In his first seven months at St. Luke's he has received over 230 members.

Ted Dotts

In 1970, Ted Dotts received almost unheard of distinction of being appointed a District Superintendent only six years after graduation from seminary. A man of unusual ability, Ted was elected by his fellow minister of the Northwest Texas Annual Conference as a delegate to the General Conference meeting in Atlanta in 1972. He is a gifted scholar and a highly disciplined student of Wesleyan Theology.

Night services Monday through Wednesday will begin at 7:30 p.m. with morning services at 7:00 a.m.

In anticipation of large overflowing crowds, closed circuit television will be provided in the Fellowship Hall and the Chapel.

## "You Can Do It" Program to Be Aired On KLBK-TV, Channel 13, This Fall

A series of television programs aimed to help you save money on home care and maintenance will begin this month on KLBK-TV, Channel 13, Lubbock. A series of

13 thirtyminute programs produced by the Texas Agricultural Extension Service of the Texas A&M University System will begin Sept. 21, 1974.

Homeowners can save approximately 90 percent of the cost of repair and maintenance jobs by doing it themselves. 50 percent of all home service repair calls can be eliminated if homeowners use preventive maintenance. These public service programs are designed to present inexpensive and effective methods of caring for and maintaining your home.

The programs will be aired on Saturdays at 4:30 p.m. on Channel 13. Check your local listings for any change in the time schedule.

Included on these programs will be simple electric repairs, using low cost cleaners, repairing leaky faucets, toilet repairs and adjustments, caulking and weatherstripping, exterior painting, wall repairs, interior painting, care of wood finishes, care of carpets, care and maintenance of appliances, and how to make more storage space.

## Congratulations To

Mr. and Mrs. Philip Lee Gerig of Shallowater are the proud parents of a son born Wednesday, August 28 in St. Mary's Hospital, weighing 7 lbs. 8 ozs. The father is a banker at First State Bank,

The Shallowater Mustang Homecoming is Friday, Sept. 13th, even though this is said to be bad luck day. We are planning to change this rule by stomping the Hart Longhorns. Besides having the Homecoming game, it is a day filled with many activities and everyone is cordially invited to attend all activities.

Again this year, a meal will be sponsored by the Band Boosters, and it will begin at 5:00 p.m. with registration of all exes in the cafeteria. The price will be \$1.50 per person or 50 cents for pie and coffee only.

All exes interested in contributing ideas for future homecomings should come to a meeting which will be held in the High School Auditorium at 7:00 p.m.

If you would like to buy flowers for your "luv", mums can be ordered by contacting Fran at the high school or one of the annual staff. You must pay when you place your order. Red mums are \$4.00, white mums \$3.50 and boutoniers \$1.50. Little girl mums are \$1.75.

The annual staff will be personalizing mums. If you would like yours personalized for additional cost, please make sure you say so when placing your order.

Events for the homecoming event on the 13th are a pep rally at Todd Field at 2:30 p.m. Tours of the school buildings from 3 to 7 p.m. Coffee will be served in the cafeteria at 4 p.m. and supper will be served from 5 to 7 p.m. A business meeting in the auditorium will be at 7 p.m. and the game with Hart at 8 p.m. The homecoming queen will be presented at the half-time ceremonies.

All Shallowater residents are urged to come and participate in the events of the day and let's have 100 percent participation all day.

## Soil-Water Research to Be Highlight at TAES Field Day

The upcoming Texas Agricultural Experiment Station field day marking 65 years of research on the High Plains will highlight soilwater studies as one of the major attractions.

Heading up the studies on soilwater relationships are Dr. Charles Wendt, soil physicist, and Dr. Otto Wilke, agricultural engineer. The men will interpret their efforts aimed at efficient irrigation practices and conservation of water during tour stops at their test sites.

Using a technique that involves measuring leaf sap pressure, the two men are studying how much stress a plant can undergo due to

lack of water before its growth and yield are adversely affected.

An automated irrigation system of cotton can also be viewed during the tour of soilwater research to turn a trickleirrigation system on and off, depending on the soil's water content. The system works on a principle of soil absorption of moisture, with a vacuum gauge preset to trigger the switching mechanism.

Field day goers, expected to number above 1,000, will be able to view many other research projects and discuss specific details with TAES researchers.

Texas Agricultural Extension Service specialists will be on hand

**Party Line**

daughter and soninlaw, Mr. and Mrs. Jimmy Clark of Dumas.

\*\*\*\*\*

Rev. and Mrs. Allen Cartrite went to Sunray Monday to visit his mother.

\*\*\*\*\*

Mr. and Mrs. W.C. Vaughan visited several days with their

Mrs. Sallie Sullivan is a patient this week in Highland Hospital at

Lubbock.

\*\*\*\*\*

The First Baptist Church took a group to Cal Farley's Boys Ranch Rodeo at Tascosa Monday morning at 8 a.m. and returned at 8 p.m. There were seven adults and twentythree young people going.

\*\*\*\*\*

The Roger Pettits went to Lake Brownwood on a ski trip over the Labor Day weekend.

\*\*\*\*\*

L.W. Rhodes was admitted to Highland Hospital Tuesday with apparent heart attack. He is doing as well as can be expected.

**Fletcher - Atwood Vows Exchanged**

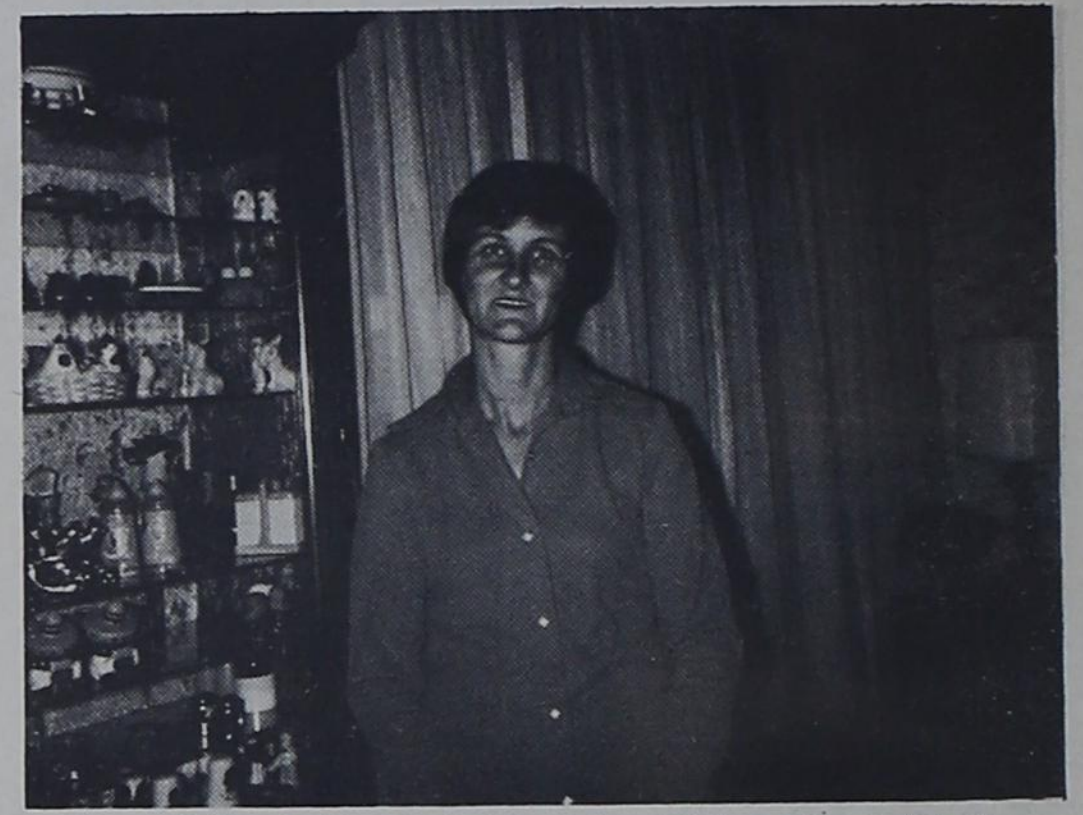

Miss Martha Lee Fletcher became the bride of Johnny A. Atwood in a double ring ceremony Saturday at 8 p.m. in the First Baptist Church in Wolfforth. The minister officiating was Rev. J.B. Bitner. Honor attendants were Miss Debbie Hobgood and Ronnie Taylor.

The bride is the daughter of Mr. and Mrs. Joe H. Fletcher of Wolfforth. She was graduated from Frenship High School in 1971 and is a candidate for December graduation from Texas Tech University. She is majoring in secondard education and is a member of Alpha Phi Social Sorority.

The bridegroom is the son of Mr. and Mrs. Ted E. Atwood of 6302 Elgin, Apt. 247, in Lubbock. He is a graduate of Coronado High School and a senior at Texas Tech. He is a marketing major and an employee of Lubbock National Bank.

The couple plans a wedding trip to Colorado.

**Homemaker of The Week**

Mrs. Clifford (Sandra) W. Conner is this weeks Homemaker. Sandra went to school in Tulia and has one brother and one sister. Clifford also has one brother and one sister but went to school in Abernathy.

They have four children; Caran, 16, a junior; Steve, 14, a freshman; Seena, 12, a sixth grader and Craig, 10, a fourth grader.

Sandra collects salt and pepper shakers, which can be seen in the picture. Some of these were her grandmothers who also had a collection. She enjoys refinishing furniture and collecting antiques. She also sews for her family quite a bit.

also, "Bologna Sandwiches".

But two favorites she can share with you are Brandied Fruit and Brandy Fruit Cake

"Brandied Fruit"

Maraschino Cherries  
Chunk Pineapple  
Sliced Peaches

Drain one cup of fruit each week until all is in, always add one cup of sugar with fruit. After started, then start adding every two weeks with sugar. Never use anything except plastic or wooden spoon to stir.

Don't let fruit get lower than two cups, if giving a starter give two cups.

Don't seal, do not refrigerate. Serve over vanilla ice cream or plain cake.

Kindness has never yet done anyone serious harm.

If you sacrifice your principles for popularity, you lose much and gain nothing worth having.

Whether or not you saw the Telethon, send a contribution to show that you care, too!

Dear Jerry:  
Keep those wonderful kids smiling . . . and find a cure for Dystrophy.

Enclosed is my check or money order covering the amount I pledged during the Telethon.

I missed the Telethon—but I care enough to contribute anyway. My check is enclosed.

I fulfilled my pledge but I want to be sure you go over the top—so here's another check.

### Local Items

Mr. and Mrs. Jr. Gatin and son went to Pecos Memorial Lake over the past weekend.

Mr. M.E. Casey is in Highland Hospital in Lubbock.

Mrs. J.A. Thomas is in Methodist Hospital in the coronary care unit.

The mixed bowling league from Reese began Tuesday night for the fall term. The bowlers from Wolfforth are Mr. and Mrs. Jr. Gatin, Mr. Church Charles, Mr. Delbert Foy, and Mr. and Mrs. Geo. L. Dalton. They are bowling at the Imperial Bowling Lanes on 50th Street in Lubbock.

Mr. and Mrs. Chuck Charles and Mr. and Mrs. Delbert Foy, collected donations from Wolfforth for the Muscular Dystrophy drive. Sunday night and Monday, Lubbock County and the nation were busy raising funds for Muscular Dystrophy while the Jerry Lewis Telethon was in progress. The money raised by these concerned people will help maintain MDA's comprehensive nationwide patient service and international research programs for the future of millions of MD patients. Lubbock County raised \$60,025.

Mr. and Mrs. Ross Adamson visited family last weekend. They visited her brother, Roy Bulls in Spearman, and her sister, Mrs. H.

Hahn in Pampa.

Mr. and Mrs. Kenneth Clark and their sons, and Mr. and Mrs. Kenneth Bishop and their family, went to Lake Meredith over the past holiday.

The Multiple Sclerosis Bowling Day at Lubbock Bowl Monday netted the MS Society \$1300. The prizes were distributed and Sue Pittman won the main prize, an Acutron watch from Payne's Jewelers.

## Film to Be Shown at Methodist Church

There will be films and a talk about England given Sunday night at 7 p.m. at the First United Methodist Church in Wolfforth.

Mrs. Weldon Bennett and Mrs. Katherine Schubert, who have recently visited England, will present the program.

## Services Held for Marceling Sanchez

Services were held for Marceling Sanchez, age 49, in the Catholic Church in Lubbock on Tuesday at 10 a.m. Mr. Sanchez died Friday after a lengthy illness. At the time of his death, he was in St. Josephs Hospital in Fort Worth.

Mr. Sanchez had been a resident of Wolfforth for the past 11 years. He was a member of the Christ the King Catholic Church of Lubbock.

Survivors include his wife, Juanita, a daughter Theresa, and his father, Ignacio, all of Wolfforth. Two brothers and five sisters also survive.

Rev. Thomas McGavin officiated the services with burial in Resthaven Memorial Park in Lubbock.

## Rays of Hope

by Pat Stanton

The PTA has announced a garage sale in October to obtain funds for air conditioning for our school. This is a worthy project that needs our attention.

I would ask for everyone to donate to this cause. I would also ask you to give money or a check to the PTA at this time. If the citizens of this community would give, there would be an ample amount for the project.

If you would go and sit in a classroom during the months of August, September, October, March, April, and May, you would readily feel the need. Of course

Continued On Page Seven

# SPORTS

by Joe Kelly

The Southwest Conference press tour came to Lubbock a day early, on Saturday evening, and the visiting writers had a long weekend to kill. Before they left, Texas Tech was rated No. 14 in the UPI poll of coaches—and also ran in the Associated Press.

Now, I'm not one to get all excited about pre-season polls, or even, much of the time, polls during the season. Almost everyone knows that, on any given Saturday, any one team can beat another.

The AP poll did indicate one thing; that is, if you expect to be rated in the top 10 by the AP, you'd better have five outstanding seasons in succession.

For instance, Tech was 11-1 last year and had a convincing victory over Tennessee in the Gator Bowl. Tennessee was rated in the top 20, Tech was not. In other words, the Raiders are not yet a household word, the Vols are. It takes time to get a reputation.

I agree with Jim Carlen that, in view of the inexperience in the offensive line, you have to take Tech's chances with a large grain of salt. It takes time for offenses to jell.

At the same time, the Raiders have some of the finest coaches in the business to develop the type of offensive line needed. In addition, Iowa State and New Mexico aren't exactly Alabama and Notre Dame. The two games should give the offense time to develop.

Make no mistake, the Texas game is the target, no matter what the rest of the schedule. If you don't beat the favorite, you aren't going to win. It's as simple as that.

Sure, there are seven other tough games and each is important, but you have to beat the favorite. After that it isn't downhill, but at least you know the situation. Now you're the favorite and the challenge is the thing. The good team responds.

\*\*\*\*\*

I haven't seen the Raiders yet, expect to take in the scrimmage this Saturday, the last warmup before the season opens. The dress rehearsal ought to tell a lot about the 1974 Raiders.

The visiting writers were on the weary side Sunday night at the Red Raider Club dinner and there was, not surprisingly, little talk about the SWC. There was talk about the Cowboys and their Saturday night victory. Otherwise, the talk was general and the writers conversed about other things.

I found myself, during the course of the preprandial activities, talking with a former coach. He had been at the Tech scrimmage and he was impressed.

"I'm a nut on execution," he said, "and man, do they (Tech) execute! They impressed me. I thought that they looked awfully good. I don't care what anyone says, this is a great coaching staff. They do a great job and it shows up."

\*\*\*\*\*

Two-a-days are behind the Raiders now and the polishing can begin. They'll have this week and next, with drills tapering off slightly as timing, the all important aspect is stressed.

Right now there's no more important game than Iowa State. To have a great season, you have to win the first game. It should be a good test, one that gives the Raiders a sound test. It also should boost Tech on the way to what, generally, is believed will be a brilliant season.

\*\*\*\*\*

The other day I noticed a story in the Abilene paper that said that three Texas players had quit the squad. That sort of thing is a little on the scary side for what it says between the lines.

Texas is not the type of factory that runs players off unless the head knocking is such that a few souls decide that the price of glory is not worth paying the admission charge. After all, you're almost sure of a bowl, even if you ride the bench at Texas.

My first thought was that Darrell must really be working the bejabbers out of his squad. Otherwise, why would anyone quit a conference champion and a team picked to win again.

A visiting writer laid the thought to rest. "One of the three came back," he said, "and I don't think Texas is working any harder than usual. There was no indication of it when we were there and no one seemed to think it was that tough."

There's general agreement that this could be the tightest, most exciting conference race in years. There are four teams you can consider capable of being in the top four—Texas, Arkansas, A&M and Tech. And the other four are rated above average as spoilers.

Baylor should be improved. Rice finished third last year. Despite probation, SMU has material and capability. TCU has the incentive needed to knock off anyone on any given Saturday.

\*\*\*\*\*

My youngest son just returned from a long vacation trip and brought me a football brochure, complete with schedules, put out by a liquor company with which, fortunately, I'm unfamiliar.

Setting its sights on the SWC, the magazine points to Texas as being the probable winner, with the toughest competition coming from A&M and—Rice? Yep, that's what it says, with Arkansas fourth, SMU fifth, Tech sixth, TCU seventh and Baylor eighth.

Oh, well, the magazine was published in Stamford, Conn., and that ought to tell you something!

\*\*\*\*\*

Well, sir, almost an entire column without a comment about the major league races, which are really warming up. How about those Yankees? Can't believe it. And the Reds and Dodgers are really battling.

The teams are in the home stretch now and certainly the fan is the winner. There are three real fights, and three out of four isn't bad. In fact, the races are the type to really bring the fans out and make reading the sports pages every day a must. It's great for sports.

\*\*\*\*\*

If you found the dove population sparse, how about fishing? Lake Leon has recovered from the hot summer and is producing four pounders, generally caught on plastic worms in 10 feet of water.

Purple worms are popular at Lake Hamlin, where the fishing is good, while crappie are hitting hard at Hubbard Creek, as well as at Lake Coleman. Lake Stamford bass fishing is hard work, although it can be rewarding. And South Anson anglers are getting both bass and crappie on spinners and worms.

# Cooper School News

The Cheerleaders for Cooper High School are: Delsey Cooper, head; Helen Hernandez, Dora Bentancourt, Tina McBride, Jeri Robertson, and Debbie Rogers.

The Freshman Cheerleaders are: Suzy Smith, head; Lynette Martin, Brenda Mote, and Shari Hagens.

This week we talked to Delsey Cooper, head cheerleader. Delsey says "I think that we are going to have a good team this year because there is some good leadership and that is one thing a team must have. We also have some good experience and this is very important. As cheerleader, I plan to help support the pirates." Delsey is the 17 year old daughter of Mr. and Mrs. Bobby Cooper. Delsey has been going to Cooper since 1965 (9 years).

### Cooper Varsity Schedule

- Sept. 6, Littlefield, here, 8 p.m.
- Sept. 13, Floydada, there, 8 p.m.
- Sept. 20, Morton, here, 8 p.m.
- Sept. 27, Idalou, here, 8 p.m.
- Oct. 4, Post, there, 7:30 p.m.
- Oct. 11, Denver City, here, 7:30
- Oct. 18, Tahoka, there, 7:30 p.m.
- October 25, Roosevelt, here, 7:30
- Nov. 1, Slaton, there, 7:30 p.m.
- Nov. 8, Frenship, here, 7:30 p.m.

### JV and Freshman Games

- Sept. 12, Post, there, 5:30-7:00
- Sept. 17, Frenship, here, 5:30-7:00
- Sept. 26, Idalou, there, 5:00-6:30
- Oct. 3, Post, here, 5:30-7:00
- Oct. 10, Open
- Oct. 17, Tahoka, here, 5:30-7:00
- Oct. 24, Roosevelt, there, 5:30-7:00
- Oct. 31, Slaton, here, 5:30-7:00
- Nov. 7, Frenship, there, 5:30-7:00

Cooper plays its first football game Friday night, Sept. 6 at home, at 8 p.m. Everyone should be there and see the good football team and also see the Mighty Fighting Pirate Band (Crimson pride of the plains), directed by Mr. Long.

### Mascot Needed

The Varsity cheerleaders are looking for a Pirate Mascot for the football season. If you are a junior or senior boy and are interested in applying for the position, please contact Mrs. Pam Brown.

### Rays of Hope . . .

*Continued From Page Six*

there are a few days like today when the temperature dips to a low of 48 degrees. But this coolness will be replaced by the warm summer and fall temperatures.

The school cannot take care of this need at the present time because of other pressing needs.

I believe that we could take care of this need if we really cared. We will be spending money for everything else, so why not give some to this cause. Most of you will be going to the fair and spending money in a few days for fun and enjoyment for your children. This is great and always enjoyed by the children, but it only lasts for part of a day. The air conditioning is something that will benefit for years to come.

None of us would work in an office or stay in our homes very long without proper air conditioning. Likewise, we should provide the same for the children and teachers.

I would also encourage the Lions Club to support and give to this community cause. Many dollars are taken in by the local fall festival. I'm sure that the PTA would welcome a sizable check from our local Lions.

**STYLELINE®** telephone puts the works right in the palm of your hand . . . handset, dial and recall button. Make call after call without setting down the phone. Comes in white, green, ivory, yellow, pink, beige, and avocado.

## Tornado Sighting Near Reese Brings Immediate Reaction Last Thursday

by Caran Conner

Thursday at 1:10 p.m. the student body was rushed into the hall. After a splendid demonstration from Mr. McCasland, we got down on all fours with our heads in the small area between the hall and floor.

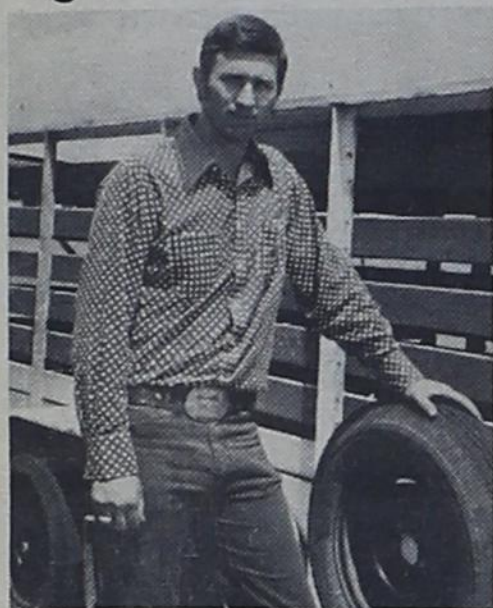

After about six minutes of smothering on the floor, the students realized it was for real and not a playlike drill. We,

therefore, cooperated thoroughly.

We all got up with cramping legs and aching heads. It took us awhile to decide if we liked our cramped positions or the possibility of being blown away.

Teachers must have thought that we were not in such immediate danger, as they were just "lolligaggen" up and down the halls, having the freedom to hush everyone.

## Ag Outlook

by Charles Krebbs

Great things are in the future for the boys in Vocational Agriculture. Our new teacher, Mr. Kenneth Carr, has great zeal for the program. Along with his zeal, he has many new ideas. His most far reaching idea is to purchase an ag farm.

Mr. Carr states that he wants to make this the greatest year for vocational agriculture in the schools history.

## School Pictures to Be Made Wednesday

All Shallowater school students will have their pictures made on Wednesday, September 11th, from kindergarten thru 12th grades. You should dress accordingly.

## Shallowater School Lunch Menu

**Thursday, September 12**

Hamburgers on toasted bun

Lettuce, tomatoes, pickles, onions

Fiesta Baked Beans, Potato Chips

Cookies and Milk

**Friday, September 13**

Pizza, Meat and Cheese

Green Beans

Celery and Carrot Sticks

Fresh Fruit Jello, Milk

## Seniors Elect New Officers

by Cynthia Coffelt

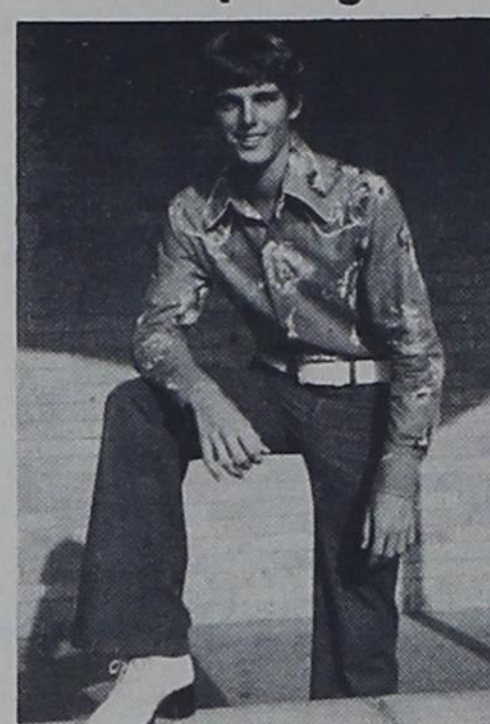

On August 27, 1974, the senior class held its first meeting with Mr. Kenneth Grissom and Coach Mike Williamson as sponsors.

Officers were elected for the coming year, and they are as follows: President, Brantley Adams; Vice President, Gracie Lupton; Secretary Treasurer, Nancy Thomas; Reporter, Jeff Vaughn and Cynthia Coffelt.

The seniors will be represented in student council by Theresa Willis and Garry Green.

The seniors will be beginning our calendar sales soon. If you are not contacted by a senior, please feel free to contact one of them. Don't miss this chance to support the senior class.

## Senior Spotlight

by Caran Conner

Brantley Adams was born in Tuscon, Arizona, on March 11, 1957. At three years of age he moved to El Paso and attended Eastwood Knolls until his seventh grade year. He then attended school at Dumas High until his junior year when he moved to good old Shallowater. This year he is the senior class president and is involved in football.

You can find Brantley on the football field as right halfback with the number 22 on his back.

Glad to have you on the Shallowater team and good luck as class president.

means, Spirit of Shallowater. We will be backing up the Mustangs all the say.

## Eyesore

by Charles Krebbs

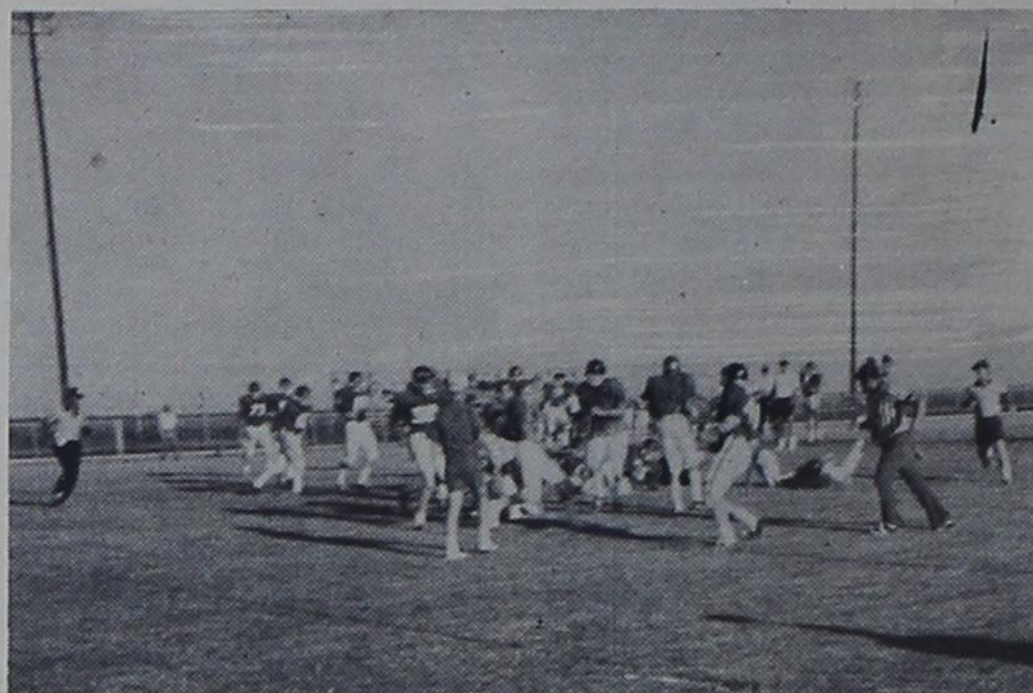

Have you noticed the huge pile of dirt on the east side of the high school building? This pile of dirt came from a massive excavation for a proposed parking lot. This project is being done by the 980th Division Company "B" of the Army Engineers. The reason for the seemingly delay is because these engineers are volunteers and only train once a month. They train the second weekend of each month.

Our superintendent, Mr. Hohertz was able to acquire the services of the Army Engineers for no payment. Mr. Hohertz estimates that the cost of the parking lot would be about \$16,000 if a construction company built it. The engineers are also building a road to connect Ave. M with the farm to market road north of the school building.

The engineers will grade and caliche the parking lot and roads. The county will pave the road and parking lot. The parking lot is expected to accommodate eighty cars. With the engineers doing the rough work and the county doing the paving, the only expenditure for the school will be the concrete for curbs and sidewalks.

Mr. Hohertz estimates the cost of the concrete will be about \$2,000. The parking lot is expected to be completed in six months.

## Mustangs Slaughter Wilson in Scrimmage Friday Night at Todd Field

The Shallowater Mustangs got their offense moving Friday night in a scrimmage against Wilson. The Mustangs scored six times. The scoring got underway by Don L. Grimes who caught a pass from Bobby Reeves, good for a 21 yard touchdown. Three plays later, Reeves released another pass which connected with Malcom Terry and covered 63 yards for the neat TD.

Then Shallowater went to defense, and held Wilson's score low on the last play of the first series. Richard Krebbs intercepted a pass and returned it 20 yards for a touchdown.

The next series got underway without either team scoring until late in the scrimmage. Then the Mustangs struck again on a touchdown pass of 39 yards from Reeves to Grimes. Just two plays later Jon Gates ran 21 yards for the neat touchdown.

Gates added the extra touch-

down by going 3 yards for the last touchdown.

The Mustangs defense held Wilson scoreless and intercepted three of their passes; one by Krebbs mentioned above, one by Alex Grice and one by Jackie Randolph. Shallowater also held Wilson to 87 yards rushing. The leading tackler for Shallowater was Jackie Randolph followed by Don L. Grimes and Garry Green.

We would like to urge everyone to come and see the Mustangs open their season against Ropes this Friday night in Shallowater. The game will begin at 8 p.m.

Passing: Bobby Reeves, 9 of 16 for 211 yards. Pass Receiving: Don L. Grimes, 5 for 109 yards; Malcom Terry, 2 for 77 yards; and Jerry Harrison, 2 for 25 yards. Rushing: Richard Krebbs, 11 carries for 42 yards; Brantley Adams, 8 carries for 32 yards; Malcom Terry, 6 carries for 24 yards; and Jon Gates, 7 carries for 76 yards.

## Student Council Meeting Thursday

by Grace Lupton

The Student Council of 197475 met for the first time Thursday, August 29. Don Grimes welcomed everyone. The first issue passed was to appoint the various school organizations to present the pledge and a prayer each morning.

The next subject was presented by two high school students, Tami Craig and Diana Perser. They came before the council to ask for their support in getting school sponsored dances passed. It was passed by the student council but still has many channels to go through before the dances are possible. We hope everyone is as

enthusiastic about these dances as the student council is. The committee to promote this is Teri Martin, Kim Young and Teresa Willis, with Mrs. Turner and Mr. Grissom acting as sponsors. We welcome everyone's support to get this proposal passed.

## Sophomore Class Officers Named

Robbi Mauldin

The Sophomore class of the 1974-75 school year met Tuesday, August 27th, to elect class officers and student council representatives. The results were as follows: President, Wes Walker; Vice President, Wyvonne Ford; Secretary Treasurer, Janis Horton; Reporter, Robbi Mauldin.

Student Council representatives are Sherry Stence and Brent Ratliff.

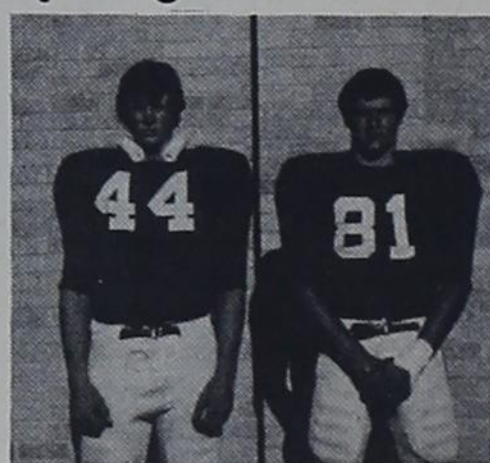

## Freshman Class Officers Listed

by Brenda Stence

On August 27th the freshman class elected their class officers for the new year. They are: President, Barbara Thomas; Vice President, Curtis Lester; Secretary Treasurer, Jess Truelock; Reporter, Brenda Stence; student council representatives, Lee Parsley and Ruben Gomez.

The freshman sponsors are Coach Grimes and Mrs. Harrison.

## Football Spotlight

by Alex Grice

This week in the gridiron guidance column, Don Grimes and Jon Gates will be featured. The gruesome townsome will be captains this year.

Don Grimes, a 6'2", 180 pound senior, takes tight end position on offense. On defense, Don is the left linebacker. He states that his idol is Dick Butkus.

Jon "the giant" Gates, a 6'5", 205 pound senior, fills the fullback position on offense. He posts the other linebacker spot. Jon, the fastest man on the team, says "If he can't run over the opponents, then maybe he can run around them."

The Mustangs have a lot to look forward to this year. We really need the support of all the fans.

## LOSE FAT STARTING TODAY

ODRINEX contains the most effective reducing aid available without prescription! One tiny ODRINEX tablet before meals and you want to eat less - down go your calories - down goes your weight!

Thousands of women from coast to coast report ODRINEX has helped them lose 5, 10, 20 pounds in a short time - so can you. Get rid of ugly fat and live longer!
