Henry then threw a pass to Ricky Isenhower in the end zone for a touchdown to make the score 34-36 in favor of McCauley. Then Ricky Isenhower became the hero of the game when he kicked the conversion for two points to win the game 36-35.

## Today - Wide-Track Pontiac '63

Obvious, isn't it, that Pontiac's come up with another beauty this year. Fresh over-and-under headlights, clean profile—but you can see that. There's a wider Wide-Track,

too, and a full line of Trophy V-8's. [That ought to be enough to make those other cars turn green.] And we haven't mentioned such happy touches as self-adjusting

brakes. So what, pray tell, could be keeping you from a new Pontiac of your own? A small suggestion. Don't run down to see one. Gallop! **Wide-Track Pontiac**

**County Agent**  
 By TRAVIS ALLEN

Callahan County has officially  
 been declared a Modified Certi-  
 fied Brucellosis area. The certi-  
 ficate stating such was received  
 in the county agents office last  
 week. Brucellosis has been re-  
 duced so that not more than one  
 per cent of the cattle in five per  
 cent of the herds as indicated by  
 official testing show any signs  
 of the disease. (or less)

The certificate for Callahan  
 County is valid for the period of  
 September 4, 1962 to August 5,  
 1965. When this period has  
 elapsed twenty per cent of the  
 cattle in twenty percent of the  
 herds will have to be retested.  
 to recertify the county. All re-  
 actors and suspect herds will  
 automatically have to be retest-  
 ed. The only way the county can  
 be certified again without the  
 on premises testing is by enough  
 people taking part in the back  
 tag testing program.

It is understood that those  
 people still involved in clearing  
 up their herds of infection for  
 the first time will have to con-  
 tinue so until their herds have  
 been declared free of the disease.

**Union Usuals and  
 Unusuals**  
 By Mrs. Veda Yarbrough

Hi Neighbor. How do you like  
 this cool spell? After a real hot  
 Sunday afternoon, yesterday,  
 guess we will soon have to get  
 our electric blanket out of stor-  
 age pretty soon.

Think Dick Yarbrough is a-  
 bout through pulling cotton, his  
 cotton turned out better than he  
 thought it would. There are still  
 lots of leafworms here yet, guess  
 it would be good if they ate the  
 most of the leaves off the cot-

ton so it will open.  
 Loucille Kelley of Cisco spent  
 the week end out here Saturday  
 and Sunday with Mark and Ollie  
 Burnam, Monday night with me.  
 Ollie and I took her back to Cis-  
 co this afternoon as she had to  
 go to work about three this af-  
 ternoon.

Visiting Sunday evening with  
 Mark and Ollie Burnam were  
 Bill and Retha Brown and a  
 young couple that I don't re-  
 member their name, of Abilene.  
 Sorry I can't remember.

Bettie Mobley, Mabel Carrico  
 and I went to Baird last Tuesday  
 while we were eating lunch in  
 the Bibbs Cafe. We visited with  
 Burnam of Big Spring.  
 Clifton is Engineer on the T.P.  
 Railroad from Big Spring to  
 Baird everyday. Was good to vis-  
 it with him a few minutes.

Mrs. Marvin Eubank was glad  
 to get her foot out of the cast  
 which she had been wearing for  
 about six weeks. We admire Miss  
 Lillie very much, she never mis-  
 sed but one Sunday teaching her  
 Sunday School class since she  
 hurt her foot some nine or ten  
 weeks ago. She still has to use  
 her crutch and will for awhile  
 to make her walking more safe  
 and not hurt her foot again. Mr.  
 Eubank is doing pretty good, he  
 is able to go to Sunday school  
 and church too.

D. A. Yarbrough had dinner  
 with me last Friday he is doing  
 pretty good.

Sunday, Fay and Emmitt  
 Wood of Cisco drove over to see  
 me and have dinner with me  
 and I had gone to church and  
 had dinner with Mrs. Mary  
 Ramsey, was sorry I wasn't  
 home.

Mrs. Brown, a teacher in Put-  
 nam School, Linda Isenhower,  
 Gayle Burnam and Roma McIn-  
 tyre attended a school meeting  
 in Haskell Saturday.

Ollie Burnam, Loucille Kelley  
 visited awhile Sunday afternoon,  
 with Mrs. Mary Ramsey.

Mr. and Mrs. Raymond Speegle  
 had Sunday dinner with Burette  
 and Johnny May Ramsey.

Mark Burnam killed another  
 one of those odd looking skunks  
 last week. What they are we  
 don't really know.

Sure chilly this Tuesday morn-  
 ing, today is my birthday. I say  
 I am 50, Mark says I am 75. He  
 might know but I kinda doubt  
 it, anyway I am old enough to  
 vote.

Most of the people around  
 here have taken the first dose  
 of Saben Vaccine Sunday after-  
 noon.

Several out this way went to  
 the first meeting this school year  
 of the Community Club, Monday  
 night, I thought we had a good  
 crowd for the first night. Let's  
 try to go next meeting. Date will  
 be in the Baird Star. I am sure  
 Guess I better get this in the  
 mail so be good till next week.  
 I'll be seeing you. Hi Moran folks,  
 I haven't forgotten you, will see  
 you at the Luncheon soon.

Mrs. Ernest Penn of Mercury,  
 returned home Wednesday, af-  
 ter spending two weeks here vis-  
 iting her daughter, Mrs. Roy Gil-  
 breath and Mr. Gilbreath.

### Clyde Bulldogs Fall Before Strong Santa Anna Mountaineers, 24-22

The Clyde Bulldogs kept their followers on the edge of their seats for the full 48 minutes at Bulldog Stadium Friday night before falling before the assault of a good Santa Anna Mountaineer football team by the close score of 24-22.

The scrappy Bulldogs applied the pressure on the visitors from the opening kick, and kept the pressure in full force during the entire contest.

Santa Anna was unable to penetrate a stout Clyde defense until early in the second period when speedy Randy Brown carried over from the one yard line. Colbaugh carried over for the two points to put the Mountaineers ahead 8-0. The drive went 51 yards with Brown picking up 17 on a nice carry. Tinker Dockery added 15 in the drive.

The Bulldogs wasted little time in returning the favor. After an exchange of punts, the Mountaineers were in possession of the ball at their own 25 facing a fourth and six situation. Quarterback Pete Simmons had a lapse of memory and called a running play which fell short of the line of scrimmage and Clyde took over. Power plays worked the ball to the 3 yard line and Alton Brannon took the ball over. Quarterback Buddy Howe passed to George Dyer for the two points which tied up the ball game and ended the scoring in the first half.

The Mountaineers went ahead again early in the third quarter when they scored on a six yard running play by Brown. They took the kick which opened the second half and drove for the TD. The drive went for 60 yards. Tinker Dockery carried over on the point after try and the Mountaineers led 16-8.

Taking advantage of another miscue by Santa Anna, the Bulldogs tied it up in a hurry. Scotty Scott, Bulldogs tackle, pounced on a Mountaineer fumble at the Santa Anna 13, and four plays

later Quarterback Howe went over on a keeper. Howe also made the extra points which put the Bulldogs even with the Mountaineers.

A seldom seen safety put the visitors ahead of the Bulldogs as an apparent break for the home town team was turned into a disaster. The Bulldogs intercepted a Mountaineer pass at the one yard line to put an end to what appeared to be a scoring drive. But on the first play after Clyde took possession, a charging Santa Anna line caught Howe behind his own goal line for two points.

Clyde was forced to put the ball in play from their own 20 yard line and Rick Dennis punted out to the Santa Anna 40. From there the visitors went on to score with Gary Sudderth going over for the final six yards. The point after try was no good and Santa Anna was ahead 24-16 with less than a minute left in the game.

Alton Brannon brought the crowd to its feet on the kick following the touchdown when he took the ball at his own 15 and almost went all the way for a score. He was caught from behind at the Santa Anna 15 by Randy Brown. Brannon was not to be denied, however. On the first play from scrimmage he went in for the score. The game ended as Clyde failed in the point after try which would have tied the score.

The Mountaineers had the edge in the statistics department, but the Bulldogs more than matched their opponents in game spirit. Statistics were as follows:

Clyde	Santa Anna
10 first downs	16
77 yards rushing	221
9 passes attempted	4
5 for 65 passes completed	3 for 48
4 for 27 punt average	2 for 42
4 for 30 penalties	6 for 80
2 fumbles lost	3

## LETTERS TO THE EDITOR...

Dear Editor:

For the benefit of those who want to know who the group hiding behind the cloak of the Callahan County Moral and Civic League is, I want it to be known that I, for one, am a member. I am a member, not for the purpose of denying anyone their rights, but to help safeguard our community against America's number one problem today, alcohol.

Also, the question has been asked by some concerning the wine used in the Last Supper and the wine connected with our Lord's first miracle. The Bible says, "Look not thou upon the wine when it is red" (Proverbs 23:31a). Jesus turned the water into an unfermented wine. This same type of unfermented wine was used in the Last Supper. The Scripture in Proverbs referred to a fermented wine consumed during Bible times. A fermented wine with an even higher alcohol content and a higher fermentation than the

one listed in Proverbs will be the type that will be sold in Baird should our city vote "wet".

Sincerely,  
Bob L. Eklund  
Pastor, First Baptist Church.

Dear Editor:

It has always been a mystery to me why decent, law-abiding God-fearing citizens are forced by a minority group many times to vote on evil. Why vote on evil? It would be just as logical to vote on the issue of whether we will be communistic. I, for one, would not mind to sign my name on a petition declaring that a community or county stay dry. If I signed such a petition I would not be ashamed for my name to be made public, for I am not ashamed of my position against evil and anything that represents evil. My prayer is that those who are citizens of the city of Baird will rally to the cause of decency and righteousness, and will stop this issue before it can ever be brought to a vote by refusing to sign the petition that is now being circulated.

Sincerely,  
Harold Watson  
Pastor, First Baptist Church, Clyde, Texas.

## LETTERS TO THE EDITOR...

"Freedom from fear" means, among other things, that you and I, and others, can send our children to school each morning with little or no fear that they will encounter a person under the influence of alcohol. Some people will plead for the sake of legal alcoholic beverages against the life and safety of our children. I plead for the life and safety of our children against the use of all alcoholic beverages, legal or bootlegged.

I speak for myself, and for the Methodist Church of which I am the pastor. I can no more keep silent on this issue than I can on war, gambling, pornography, drug traffic, prostitution, crime or any social evil. My commission is to "proclaim release to the captives and recovering of sight to the blind, to set at liberty those who are oppressed." Observation and statistics teach me that hundreds of thousands of our people are made "captive" by habit forming alcoholic bev-

erages. Those who are "oppressed" by the traffic and use of alcoholic beverages number in the untold millions. These are the innocent who must suffer for the guilty.

Sir, I am greatly concerned about the mounting toll of agony that the alcoholic traffic, legal and bootlegged, has brought upon our nation.

The Methodist Church offers, in the name of Christ, to give help to the victims of alcoholic traffic in a healing and redemptive ministry and fellowship.

Sincerely,  
E Bruce Parks

**Cottonwood News**  
By Hazel I. Respass

Today, Sept. 17, we attended the funeral of Mrs. Hattie Randall Norton of Ft. Worth and Hico. She lived in Ft. Worth with her granddaughter, and funeral service and burial was in the family lot at Hico.

Mrs. Norton was the widow of Jess Norton, and the sister-in-law of Julius Norton. They all lived in Cottonwood in the 1890s where William Norton was postmaster from Aug. 20, 1883, until Aug. 25, 1897. She is survived by her granddaughter, Ima Bowden of Fort Worth and two brothers, Buck Randall and T. E. Randall, both of Hico.

You will notice in the paper where the Dr. John Collier home in Baird has been awarded a State Historical Marker. This is the home my mother and father, Mr. and Mrs. Julius Norton, built when they moved from Cottonwood to Baird in 1889. My two older sisters, Mrs. Ben G. Oneal of Wichita Falls and Mrs. Gladys Duggan of Dallas, were born in this home, so we are very pleased with it.

Yours very truly,  
Mrs. J. L. (Lois) Hard.

Been rather chilly today with a low of 52 degrees this morning. Mighty good weather for combining, hay baling and would be good for cotton pulling, if we had the cotton. Mr. Boll-Weevil feasted on the cotton this year, leaving the cotton farmers with a headache.

Our sympathy to Mrs. Charle Tom Straley in the loss of her father this past week end in a highway accident near Crews. Mr. Johnny Sansom was driving a loaded livestock truck at the time of the accident. He was killed instantly.

L. V. Harris entered Cox Memorial Hospital in Abilene Oct. 2nd. He is scheduled for a spinal operation Tuesday. Dr. Varner, along with a specialist, will be in charge of the operation.

**GAS makes every pot automatic**

You're in luck with a new GAS range! They're on sale and they're wonderful!

Take Burner-with-a-brain for example. It manages the flame to hold exactly the temperature you set. Lets you turn your back on the most delicate sauces, the most critical simmering. And never a boil-over nor a scorch!

But that's just one lucky charm about new GAS ranges. They also give you the coolest, cleanest cooking you can find. You broil smokelessly (with the broiler door closed). You avoid "hangover heat" on the top burners, because "off" means "off" with GAS!

Beautiful design, more automatic features, unbeatable economy... they're all yours in the new GAS ranges. (Luckiest of all, they're on sale! So buy now.)

# THINK CHRISTIAN PEOPLE!

It is to be hoped that all of you who call yourselves Christians look sharply at what has happened in Mississippi. Consider: The legal tenth amendment of the Constitution of the United States has again been struck down with military force to uphold the illegal 14th amendment and to ram down the throats of Constitution defending Americans the caprices of a court. (Read *Illegality Breeds Illegality* by David Lawrence in *U. S. News and World Report*, Oct. 8, 1962)

Consider: The President of the United States has "indicated that modern complexities of governmental functions could not be administered within the framework of the Constitution." (quoted from *Washington Report* by congressman James B. Utt, Sept. 13, 1962.)

Read carefully, Christian, read deep, the debate in *October Readers Digest*: "Has the Supreme Court Outlawed Religious Observance in the Schools?"

The Court ruling debated in the above mentioned article sows the seed for the destruction of the first amendment of the Constitution of the United States. Consider the question raised by Bishop Pike "Tax exemption of religious organizations, income-tax deductibility of contributions to them; lower postal rates for religious publications - If government-financed religious activity is illegal in the public school, are these too, illegal?" How long could your church remain open if taxed?

If the "law of the land" continues to be the socio-political rulings of a capricious court, enforced with bayonets by a president who considers the Constitution of the United States out of date, what chance will you have to defend your church?

## THINK PRAYERFULLY CHRISTIAN Are You Next on the Court's Agenda?
