## How to make your home more comfortable while you lower your energy costs.

Like to enjoy barefoot comfort in your home all year long?

Like to cut heating costs as much as a third?

Like to cut air conditioning costs as much as half?

The secret is through insulation.

Your home probably has some insulation already. But, thorough insulation includes an adequate amount in the ceiling, in the walls and under the floor. It also includes weather stripping, storm doors and storm windows or double glazed windows.

Once you have good insulation, you can forget about cold floors, cold walls and chilly corners. You'll be more comfortable and enjoy your home more.

The cost will vary, depending on the style of home and amount of insulation already in it. But, one important fact to keep in mind is that insulation is the only comfort improvement you can make in your home which requires no maintenance, yet pays for itself through lower energy bills.

Ask an insulation dealer for advice and a free estimate, or call WTU for more information.

### WHAT COSTS LESS NOW THAN IN 1952?

The average cost of a kilowatt hour of electricity used by a residential customer served by WTU cost 29%, less than it did twenty years ago... (1952 - 1972) and... in 1972 the average customer used over three and a half times as much electricity as he did in '52.

## Secretary Butz Reduces Set-Aside Requirements For '73 Feed Grain Program

Set-aside requirements of the 1973 Feed Grain Program are being reduced in order to achieve larger corn and soybean crops and thereby meet an increase in domestic and export demand which has developed since the program was announced December 11, Secretary of Agriculture Earl L. Butz said today.

The required set-aside for full compliance has been changed from 30 to 25% of a producer's feed grain base and for participants electing not to comply fully with the set-aside program, the required set-aside has been changed from 15 to 0%.

If the participant sets aside an acreage equal to 25% of his base, the payment rate will be 32 cents per bushel for corn, 30 cents per bushel for grain sorghum and 26 cents per bushel for barley on one-half the feed grain base. Through a combination of the set-aside payment and the 5-month (October - February) national average market price for the respective grains, participants who set aside 25% of their feed grain base will be guaranteed a national average return equal to 70% of parity on October 1, 1973. This guarantee is based on production from one-half of their corn, grain sorghum or barley bases. Supplemental payments, if any, to such farmers will be made as soon as possible after March 1, 1974.

Producers who elect not to set aside acreage but do not increase their feed grain acreage above 1972 will be eligible for a lower payment rate of 15 cents per bushel for corn, 14 cents per bushel for grain sorghum and 12 cents per bushel on barley on one-half the feed grain base. Such participants will receive this payment as soon as possible after July 1, 1973, but will not be eligible for any supplemental payment and will have no minimum guarantee.

The participation requirements of maintaining the conserving base will remain.

These revised provisions of the 1973 Feed Grain Program are expected to result in an acreage taken out of production of about 45% of last year's 37 million acres, the Secretary said. The revisions aim also at providing more income from market sources at less program costs to U. S. taxpayers.

Expected demand for corn and other crops has risen dramatically since mid-December, Secretary Butz said. He said animal units are increasing more than had been anticipated; a rising current year domestic disappearance will result in a lower 1973 feed grain carry-over; and the 1973-74 domestic disappearance and export figures have been revised upward.

Secretary Butz stressed he does not want the U. S. to be without adequate agricultural supplies for export when the demand is there.

The Secretary also announced that haying of conserving crops will be permitted on acreage set aside under the provisions of the 1973 Feed Grain and Wheat Programs.

The decision to permit haying

of conserving crops as well as the earlier announced grazing was made in order to prevent or alleviate a shortage in the supply of livestock feed, the Department explained. The haying and grazing privilege will assist livestock producers in meeting increased consumer demand for meat products by making additional forage available to supplement feed supplies for the production of livestock. Previously, haying of set-aside was not permitted except under emergency conditions.

Participants electing to utilize set-aside acreages for haying and grazing must notify their County Agricultural Stabilization and Conservation Service (ASCS) Offices prior to haying or grazing and must agree that the 1973 conserving base for the farm shall not be less than the one established for 1972. A reduction of 30% will be made of the average feed grain payment rate per acre for full compliance.

To participate in the 1973 Feed Grain Program, farmers need to sign up at their local ASCS Office during the February 5 through March 16, 1973, sign-up period.

## Queens To Host Parsons College

The Hutcherson Flying Queens will host the ever-tough Parsons College girls basketball team this coming weekend. Friday, February 9, and Saturday, February 10, will put the two teams together for a very exciting and important sporting contest.

The Flying Queens who are now 13-3 for the season will probably face the toughest opponent since the Christmas holidays. Parsons is a team that has improved tremendously since the start of the season. Although the Queens have been playing well since the holiday break, they will need to improve on their defense. Offensive power for the Queens has never been stronger, but improvement on their defense should make them really tough.

This weekend's games will be the last double-header at home for the Queens this season. The only remaining home game will be a single game with Ranger Junior College.

Game time will be 8:00 p.m. both nights. Games will be played

Mr. and Mrs. Herbert Gipson of Amarillo spent the weekend here visiting with relatives.

Mr. and Mrs. Ernest McKnight of Pampa visited Saturday and Sunday with Miss Amy Davis and Mr. and Mrs. Lynn Davis. Mrs. Thelma Loving of Quitaque also visited with them on Sunday.

Lesia Fuston of Panhandle is spending this week here with her grandparents, Mr. and Mrs. Jack House, while her parents, Mr. and Mrs. Denny Fuston and Mike are in El Paso attending a stock show.

Mr. and Mrs. Carol Byrd of Childress visited here over the weekend with her mother, Mrs. I. D. Mullin, sr.

Mrs. Nadine Stroud, Marvin Houston and Lindsay Kay of Dallas, Mr. and Mrs. Robert Huse of Lubbock spent the weekend visiting with Mrs. L. B. Houston.

## Simpson To Head Easter Seal Appeal

H. B. Simpson will head the 1973 Easter Seal Appeal in Briscoe County, it was announced by Rodney D. Hargrave, Dallas, President of the Easter Seal Society for Crippled Children and Adults of Texas.

Residents of Briscoe County will receive the annual Easter Seal Appeal letters in the mail beginning March 1. The Easter Seal Appeal, conducted yearly to provide disabled persons and their families treatment and services, will continue through Easter Sunday, April 22.

Simpson is one of 223 men and women throughout Texas who are serving in this capacity. The cost of the statewide Easter Seal program is over one million dollars, financed mainly by the Easter Seal Appeal. Almost 90% of all funds raised by the Easter Seal Appeal remain in Texas to support the growing needs of the disabled in the State.

Special emphasis is being given in the 1973 Easter Seal Appeal to the disabled citizen in Briscoe County who may need assistance and not know where to obtain it. Any disabled person can contact Simpson at First State Bank in

Silverton, who will provide the request form for a determination of the extent and type of assistance needed and the most efficient means of obtaining that assistance. Arrangements for qualified treatment or service will be made by the Easter Seal Society.

### SIX FLAGS OVER TEXAS

#### TO OPEN ST. PATRICK'S DAY

Six Flags Over Texas will begin its twelfth season on St. Patrick's Day, March 17.

General Manager Robert W. Freeman said the big theme park will be open on Saturdays and Sundays only during the spring season with the exception of the Easter holidays. For that period, Six Flags will open daily from April 14 through Easter Sunday, April 22.

### Agriculture's outpost on Wall Street

Most farmers and ranchers don't realize the Federal Land Bank gets its loan funds from the sale of bonds to investors. There is no government money in the Land Bank system. The quality of Land Bank Bonds, plus the skill with which the Farm Credit System's own Fiscal Agency works on behalf of agriculture, means a constant flow of low-cost financing from the nation's money market. Come in... and let's talk over how Land Bank money is bought—and sold—at a fair price to the borrower.

### Miss Robison Is Shower Honoree

Miss Vanessa Robison of Quitaque, bride-elect of Steven Jennings of Tulla, was honored with a pre-nuptial shower Saturday afternoon

February 3, 1973, held in the Community Room of the First National Bank.

The guests were registered at a table centered with the bridal book and a plumed pen in a gold stand. They were directed to the display of beautiful and useful gifts which included a set of Har-

ware, gift of the hostesses, a service for eight of Norleans Stone-ware, a service for eight of Mel-mac, a service for eight of stain-less tableware, three quilts, two bedspreads, two blankets, a hand mixer, steam iron, electric toaster, electric toaster-broiler, two sets of glasses and pitcher, towel sets, kitchen towels, sheets, pillowcases, a set of copper-bottomed stainless steel cookware, two bundt pans, Corningware, a clothes basket, matching trash basket, a cast iron skillet, a Presto Cooker, and other articles too numerous to mention.

Refreshments of green frosted punch, white cake squares decorated in white and green, the hon-oree's favorite colors, were served with crystal and silver appointments from a table laid with a white organdy cloth over white and centered with an arrangement of a bride and groom on an oval stand with streamers bearing the names, Vanessa and Steve.

Hostesses were Mmes. Jess Browning of Turkey; Grady Tyler, O. R. Stark, jr., Prof. Patrick, Walter Taylor, Mary Pittman, Leroy Hamilton, Shorty Woods, James Brunson, Donnie Brunson, Lon

### NEW STUDY CLUB

The Nuevo Study Club met on Thursday, January 25 in the home of Mrs. George Setliff. The yearly luncheon and election of officers was observed.

Sixteen members and three guests were present, Mrs. Bray Cook, District President from Memphis, Mrs. Van Doeren of North Carolina and Mrs. Elsie Hood of Amarillo.

In the afternoon, Mrs. Cook brought to the club many interesting facts about the work and business of the clubwomen and the federation. Mrs. Patterson, in a very charming and humorous manner, brought a review of "The Missing Book," by Dr. E. D. Landreth.

The following officers were elected for 1973-74: Mrs. George Setliff, president; Mrs. Roy Patterson, vice president; Mrs. Lee Vardy, corresponding secretary; Mrs. Curtis Tunnell, recording secretary; Mrs. R. C. Green, treasurer; Mrs. D. C. Powell, parliamentarian; Mrs. John Adamson, federation counselor; Mrs. S. D. Crump, reporter.

### \* NEW ARRIVAL

Mr. and Mrs. Jerry Winebriner of Turkey are proud to announce the arrival of a new daughter, Scarlet Jo. She was born Sunday, February 3 at Lockney General Hospital, and weighed 9 lbs. and 14 ozs.

Bro. Earl Cantwell of Rock Creek spoke at both services at the Church of Christ Sunday. He was a guest for lunch with Mrs. W. E. Morrison. Other guests in the Morrison home were Mr. and Mrs. Lawrence Bedwell, Mr. and Mrs. Frank Offield, Joy Hoover, all of Plainview.

Afternoon visitors were Eulan Bradshaw of Claude and Maynard Wilson, who had coffee and cake with the other visitors.

Mr. Bradshaw visited other relatives while in Quitaque.
