

Youths Learn, Earn in 4-H Swine Program

Young hog producers are looking at a better than average year. While production costs are up, pork prices are favorable. And the youths are eligible for scholarships, trips and other recognition awards through the national 4-H swine program.

Sponsored by Moorman Mfg. Co., boys and girls enrolled in the program get broad practical experiences in the business of hog production. Breeding, feeding, marketing and disease prevention are just some of the things stressed in the program, supervised by the Cooperative Extension Service.

Aiding these 4-H producers with recognition and incentives is Moorman Mfg. Co., donor of awards in the program. Up to four medals

of honor are offered to outstanding 4-H'ers in the program in each county. Each state winner in the 4-H swine program receives an expense-paid trip to the 52nd National 4-H Congress in Chicago, Nov. 25-29. At that event, six national winners are to be announced and awarded \$700 educational scholarships courtesy of the donor.

In addition to first hand experience and perhaps an award, the 4-H swine growers accomplish some noteworthy results. A 1972 national winner from Colorado built from scratch one of the finest Duroc herds in the state. Craig Saxton, of Yuma, provided both the labor and management for his prize winning Duroc operation. He

Mrs. D. C. Duck had her children Friday night for a fish fry in her home. Those present were Mr. and Mrs. Joe King, Mr. and Mrs. Clifford Haggard and Janice, Dumas; Mr. and Mrs. Larry Farley, Debbie Farley, Mr. and Mrs. Johnny Chadwick and Shane, Mike King, all of Amarillo; Mr. and Mrs. Gary Jameson and Kevin, Clay-tonville; Mrs. Dwight Ramsey and Brian, Floydada; Mr. and Mrs. Bobby Boyles, Plainview; Mr. and Mrs. A. B. Ramsey and Dale and Mr. and Mrs. Wendell Farley and Dennis, Quitaque.

Mr. and Mrs. Stan Simmons of Richmond, California and Mrs. G. J. Hinders of Memphis visited Wednesday with the Loran Dentons and Mrs. J. L. Rice.

Mr. and Mrs. Ronald Mullin and children visited in Amarillo last weekend with Mr. and Mrs. Hank Smith.

Glenna Cotton of Lubbock visited over the weekend with her parents, Mr. and Mrs. Melton Cotton, and Juana.

Mr. and Mrs. Jess Jenkins of Meridian visited friends in Turkey Monday.

The seven seas are the North Atlantic, South Atlantic, North Pacific, South Pacific, Arctic, Antarctic and Indian Oceans.

Visiting in the John Lane home Sunday were Mr. and Mrs. Dean Puckett and children of Amarillo, Mr. and Mrs. C. H. Browning of Memphis, Mr. and Mrs. Robert Judd of Amarillo and Dona Browning.

Chad Puckett, son of Mr. and Mrs. Dean Puckett, and Gwen Lane, daughter of Mr. and Mrs. Bob Lane, spent last week visiting with their grandparents, Mr. and Mrs. John Lane.

Mr. and Mrs. Laudie Fears of Richmond, California and Mrs. G. J. Hinders of Memphis visited Wednesday with the Loran Dentons and Mrs. J. L. Rice.

Mr. and Mrs. Ronald Mullin and children visited in Amarillo last weekend with Mr. and Mrs. Hank Smith.

Jerry Bingham of Amarillo spent Saturday and Sunday visiting with Mr. and Mrs. Bruce Gibson. Visiting last week was grand-son, Dave Reeves, of Amarillo.

Glenna Cotton of Lubbock visited over the weekend with her parents, Mr. and Mrs. Melton Cotton, and Juana.

Mr. and Mrs. Jess Jenkins of Meridian visited friends in Turkey Monday.

COLLEGE HAS BALANCED CURRICULUM OF ACADEMIC, OCCUPATIONAL SUBJECTS

Western Texas College in Snyder, Texas is a fully comprehensive community college with a balanced curriculum of both occupational and academic subjects.

Golf courses being built at the rate of about 1,000 per year in the United States creates a tremendous demand for qualified managers. Realizing this need, Western Texas College has developed an innovative program in Golf and Grounds Operations to start in the fall, 1973.

A nine-hole golf course is planned with greens and fairways surrounding a beautiful 12-acre lake on the 160 acres of the two-year-old campus.

The beautifully landscaped golf course, chipping greens, driving range and putting greens will be used in conjunction with the college's own greenhouse as laboratories for the numerous courses offered in the curriculum of the Golf and Grounds Operations program.

pest control; design, operation and maintenance of modern irrigation systems; and landscape design. Practical experience will be gained by the student in the use of major lines of equipment, welding, concrete work, carpentry, and swimming pool maintenance. Under the supervision of a qualified employer and the instructor, the student will be employed in actual field training during the summer months.

Qualified people are being interviewed to be employed as an instructor in this program. The person must have an agricultural background, with a bachelor's or master's degree, and experience in turf or related management.

Mrs. E. J. Hamilton of Plainview spent Sunday with Mrs. Dora Hawkins in Quitaque.

Mr. and Mrs. Dean Johnson of Kelton spent Monday night with Mrs. Dora Hawkins.

Pierce White underwent minor surgery Monday in Amarillo and was able to return home. He was up and in town Tuesday.

Mr. and Mrs. David Guest spent the weekend visiting with Mr. and Mrs. Don Guest and son in Paris, Texas.

Mr. and Mrs. John King enjoyed a visit from their children, Mr.

and Mrs. Jerry Price and children, Fort Worth, and Mr. and Mrs. Jerry King and boys, Odessa, from Friday night until Sunday afternoon. Danny Mayfield returned home with his parents, the Prices, after spending most of the summer here with his grandparents.

Mr. and Mrs. Bill Rucker and Donna and Mrs. Dorothy May were dinner guests of Mrs. C. T. Rucker and Mary Sunday. Bill and family are in the process of moving to Canyon to make their home. He will be stationed out of Amarillo where he works for the Santa Fe Railroad.

Eddie Owens of Plainview spent the weekend at home with his parents, the Gaston Owens. They visited Mrs. Owens' niece, Mrs. Melvin Watkins, in Amarillo Saturday afternoon and evening. Miss Gall Watkins is to be married soon and she and Eddie enjoyed a good visit together. They are the same age.

Mr. and Mrs. Paul Dashiell from Columbia Station, Ohio, visited in the Jack Cheatham home last week. Jack and Paul were on the USS Master of Arms force on the USS Fulton during World War II. Both couples were together when they had stateside leaves. It had been 27 years since they were together.

Mr. and Mrs. Bill Day of Grand Prairie and Mrs. H. L. Hoagland of Amarillo, Mr. and Mrs. George Harwood visited in the Jack Cheatham home last week. Granny Wiley returned to Grand Prairie with the Days to spend a few days visit.

Mrs. Clovis Hill and daughter, Terri, and Rhonda Lane of Amarillo spent Tuesday night and Wednesday with Mrs. Hill's parents, Mr. and Mrs. A. C. Barrett.

Mrs. E. J. Farley and Junior Farley of Farmington, New Mexico and Mrs. Lester Vandergrift and two boys of Aztec, New Mexico arrived Friday to visit Mr. and Mrs. O. E. Chandler and Mr. and Mrs. Wendell Farley and Dennis.

Jed Owens of Tulsa has been visiting a few days this week with his grandparents, the Solon Owens.

Kelly Arnold of Amarillo spent a few days last week visiting with the Billy Wheelers. Mrs. Sherrod Arnold visited Thursday with the Glenn Ramseys, then on to Turkey to visit the Wheelers and Dennis Dentons and to pick up Kelly.

Mr. and Mrs. Charles Hamner visited Sunday with Mr. and Mrs. Bobby Hamner of Canyon and met Mrs. Charles Hamner and Brittany of Rawling, Wyoming.

Mr. and Mrs. Roy Patterson went to Amarillo Monday, August 6, to be present for surgery on Mr. Patterson's brother, J. V. Patterson, who is Camp Manager at Ceta Canyon.

Mr. and Mrs. Clyde Stone's daughters are spending a few days visiting with their grandparents, Mr. and Mrs. Leroy Stone and Mr. and Mrs. Buck Lancaster.

Cleta and Vernor Bradshaw, Willie Royce and Jay Royce of Floydada spent the weekend visiting Mr. and Mrs. Luke Lane.

Dairy Foods Liven A Meal, Say 4-H'ers

CHEESE CAKE
 8 Oz. Cream Cheese
 3 Tbsp Sugar 1/4 Tsp Salt
 2 Tbsp Sifted Flour
 2 Eggs Separated
 1/2 Cup Heavy Cream
 1/2 Tsp Vanilla
 1/2 Tsp Lemon Extract

Looking for delectable, refreshing ideas to liven up a tired summer menu? Try dairy foods, say young people involved in the national 4-H dairy foods program.

Nothing is more delicious or nutritious say these 4-H'ers, than a tall, cool ice cream float, lemon custard pie, or a tasty dip for snacking. Or try a main dish meal, like macaroni and cheese to enjoy dairy foods and to help conserve the family budget.

These and scores of other dishes use dairy products, and 4-H'ers in the 4-H dairy foods program, are well experienced in preparing these and other mouth watering delights.

Sponsored by Carnation Company, young people in the program also learn how dairy foods contribute to nutrition. Informing young people and others in the community about nutritious dairy foods and how to prepare different dairy treats are among the activities 4-H'ers perform in the program.

Rich in calcium, protein, riboflavin and relatively low in calories milk and dairy foods can brighten a meal and do it economically, too.

Pam Stewart, of Florence, Miss., one of the 1972 national winners in the program, discovered that preparing hundreds of dairy foods dishes for her family. Not only are dairy foods economical, says Miss Stewart, but there are so many meal ideas to create.

Carnation Company provides incentive and recognition to young people in the 4-H dairy foods program. Up to four medals of honor are offered to county winners, and an expense-paid trip to National 4-H Congress in Chicago, Nov. 25-29, goes to a winner in each state.

At the national 4-H event, six national winners receive \$700 scholarships from the company.

For more information on the national 4-H dairy foods program arranged by the National 4-H Service Committee, contact the county extension office.

ERA OF "CHEAP FOOD" APPEARS GONE FOR FUTURE

Whether we like it or not, all signs point to a continuation of food prices at present levels or increasing levels in the months ahead. The era of "cheap food" apparently is gone for the foreseeable future.

In the meantime, there are several things consumers can do to assist themselves in getting the most for their food dollars. Texas Department of Agriculture home economists recommend the following:

1. Do not resort to panic buying. Revert to your normal buying habits. Food supplies are plentiful. One of the biggest problems now is that consumers are rushing out and buying everything in sight. Hoarding only aggravates the situation. The law of supply and demand is working in relation to food supplies. Right now, demand is outstripping supplies. As a result, prices are continuing to increase.
2. Shop around; look for the best bargains. Read the grocery advertisements carefully in the newspaper. Compare prices and values. Make out your shopping list in advance, giving top priority to basic needs. Get the best price possible by comparison pricing in the newspaper advertisements; then decide what you can spend for luxury items.
3. Use the cost per serving comparison rather than the cost per pound. Determine which is the best buy. Boneless meat which is all edible is certainly a better buy if prices per serving are considered.
4. Get a copy of the Texas Department of Agriculture's bulletin, "Save on Your Beef Dollars." Information in the bulletin will explain to you what "grade"

Sallie Mae to Assist Higher Education

Higher education in Texas received a boost Tuesday with the announcement in Dallas of a proposed offering of common stock of the Student Loan Marketing Association ("Sallie Mae"). Sallie Mae is a government-sponsored private corporation created to help channel additional funds into the student loan market.

A cooperative effort between the Federal Government and private enterprise in the field of post-secondary education, Sallie Mae was formed to assist lenders in making educational loans available to a broad spectrum of students throughout the United States.

Sallie Mae is expected to be in operation in time to provide liquidity assistance this year, according to Edward A. Fox, president and chief executive officer of Sallie Mae.

Created by the 1972 Amendments to the Higher Education Act of 1965, Sallie Mae will add support to the Guaranteed Student Loan Program (GSLP), which is a program of insurance by the U. S. Government and by States and non-profit private agencies. It is estimated by the Office of Education of HEW that approximately \$4.5 billion of insured student loans are currently outstanding.

From 1966 to 1972, Texas banks have loaned more than \$92.5 million to eligible students under the Guaranteed Student Loan Program. This represents slightly more than

2.6% of the national total. Nearly 94% of the guaranteed student loans outstanding in Texas, as of June 30, 1972, are guaranteed directly by the Federal Government.

Three-fourths of student loans in Texas granted under the Government's Guaranteed Student Loan Program, during the fiscal years 1966 to 1972, have gone to students of families with adjusted annual incomes under \$6,000. Approximately 55% of these loans have been granted to male students and 45% to female students.

Since the inception of the Guaranteed Student Loan Program in 1965, the number and amount of student loans have shown steady growth. However, the volume of student loans has decreased in recent months due to factors which are hoped to be temporary.

From approximately 48,000 loans made in fiscal 1966, aggregating over \$77 million in principal amount, figures increased to a total of over 1,250,000 loans made in fiscal 1972, aggregating over \$1.3 billion in principal amount.

From the beginning, however, the GSLP has been hampered by the problem of liquidity since there has not been any secondary market for student loans. Moreover, loan repayments often are deferred for relatively long and uncertain periods of time. Repayment of the loans does not commence until 9 to 12 months

after completion of education or can be suspended by service in the Military, the Peace Corps or Vista.

Fox pointed out that the concept of a government-sponsored, profit oriented privately capitalized corporation in an area of social concern is not unique. The Federal National Mortgage Association, (Fannie Mae) utilizes private capital in response to our national housing needs and the Communications Satellite Corporation (Comsat) was specifically created in this way in the area of space communications.

"With the recent downturn in the volume of student loans partially attributable to higher interest rates, current money markets and financial institution liquidity problems, it is hoped that Sallie Mae can make a significant contribution," he added.

The Guaranteed Student Loan Program is part of an overall government program of educational funding. Under the GSLP students may borrow up to \$2,500 per academic year, with a maximum total of \$10,000 extending through graduate study. A student may enroll in any of a variety of post-secondary educational institutions including vocational and trade schools. It is estimated that at this time there are approximately 7,000 eligible post-secondary educational institutions, of which approximately 4,000 are colleges and universities.

Amarillo Sunday. They returned home Sunday night.

Alvis Nance of Quanah visited in the home of Mr. and Mrs. R. J. Harmon Monday. They went to Plainview to visit A. M. Harmon, and to Lockney for a visit with Theodore Harmon. These men are both in the rest home and are brothers of R. J. and Oran.

Mrs. Alex Contreras of Memphis, Mrs. Mary Ann Guice and Jenny, and Jimmy Guice of Waco visited Mrs. C. T. Rucker and Mary Monday morning.

Mrs. C. T. Rucker and Mary visited in the home of Mrs. Lela Overstreet and with the family of Mrs. C. E. Anderson in Tulia Monday afternoon.

Mr. and Mrs. Leonard Curtis, Bakersfield, California, Mrs. Pat Curtis, Fort Worth, and Mrs. Glenn McWilliams of Silverton visited Mrs. Estelle Davidson Friday evening.

Mr. and Mrs. Stewart McCracken of Tulia visited Sunday with Mrs. Estelle Davidson and Mr. and Mrs. Jimmy Davidson and boys. They also visited Mr. and Mrs. McCracken.

Visiting in the Floyd Gilmore home last weekend were Mr. and Mrs. Cleo Jordan and Tammy of Richardson, Joe Jordan, Jimmy Jordan and children of Richardson and Mr. and Mrs. Roy Gilmore and Susie of Clovis.

MINIMUM TILLAGE SAVES ON FUEL

High Plains farmers using the minimum tillage system recommended by High Plains Research Foundation scientists have realized an extra benefit this summer—a savings on fuel.

Jim Valliant, High Plains Research Foundation research director, has long pointed out that one savings opportunity in minimum tillage has been the money spent on fuel. "But this one savings facet has seemed insignificant until this energy crisis situation," he noted.

A USDA report from the University of Nebraska recently revealed

that farmers using a minimum tillage program similar to the one recommended by High Plains Research Foundation reduced tillage, planting and harvesting energy requirements by half.

They reported that conventional tillage methods required 66.6 horse power hours per acre while minimum tillage required only 30.7. Even a reduced tillage practice that included an extra disk after stalk shredding reduced the total horse power hours per acre to 37.3.

The report noted that fuel used in the conventional operations totaled 7.40 gallons of gasoline per acre; 5.33 gallons of diesel, and 5k9 cc-a. lgoaln089s Su-FIELD0 8.90 gallons of LPG. Under minimum tillage, fuel consumption totaled 3.40 gallons of gasoline; 2.46 gallons of diesel and 4.10 gallons of LPG.

Valliant pointed out that other methods of saving fuel can include part throttle operation. He said the Nebraska study shows that an average fuel saving of 20 percent can be realized by operating in a higher gear at "part throttle" whenever possible, especially on light loads.

TO HEAR LEADER IN DIRECTOR RESPONSIBILITY

Directors of Rolling Plains Production Credit Association will have the opportunity to hear one of the nation's top leaders in the field of director responsibility at a PCA Director-Manager Seminar in Amarillo Friday, August 10.

Area participants include Lester Hensley, Guthrie; Dean Decker, Childress; Mack Claburn, Anson; Winfred Mann, Clarendon, and John Paul Perrin, Haskell. J. R. Gleanon of Stamford, PCA president, will accompany the group.

Dr. Vernon E. Schneider, past president of the American Institute of Cooperation, will outline director duties to the more than 60 participants. Schneider present-

ly is the Roy B. Davis Distinguished Professor in Agricultural Cooperation at Texas A&M University.

The seminar is designed to specifically meet the needs of Association directors, with emphasis on roles, responsibilities, and decision analysis, Gleanon said.

CARD OF THANKS
 We would like to express our sincere appreciation to all of our friends for the nice going-away party given us just before we left for Levelland. We also appreciate so very much the gifts and well wishes you gave us. It is always with much regret to leave your old hometown and friends but sometimes it is necessary, and we feel that we have a real opportunity in our new job. It is not so terribly far to Levelland and we are going to look for friends to visit us—and we will sure be back to visit in Turkey. Thanks for everything. Sonny and Laverne Mullin

CARD OF THANKS
 I would like to take this means to express my many thanks to all my loved ones and friends for all the many cards, flowers, phone calls, visits, and most of all, your prayers while I was in the hospital and since I have been home. May God richly bless you all. Estelle Davidson

Mr. and Mrs. R. J. Harmon and grandson, John David Harmon, drove to Ralls Monday evening to help Kevin Langdon celebrate his ninth birthday anniversary.

Out-of-town visitors for the Church of Christ Gospel meeting Monday were Mrs. Carrie Buchanan, Mrs. Woody Phillips, Mrs. Ben Railey and mother, Mrs. Jones, and Mrs. Bumps, all of Estelline. Also Mrs. Ann Shannon and daughter, Mrs. Velma Winston and children, of Olympia, Washington.

Kyle Radcliff of Bowie, son of Mr. and Mrs. Pete Peery, is visiting in Turkey with Mr. and Mrs. Johnny Peery.

Johnny McKay drove to Memphis on business Monday and also visited his brothers, Mr. and Mrs. Argie McKay of Electri and Mr. and Mrs. Lebo McKay of Memphis.

Mr. and Mrs. Phil Barefield have recently moved to Childress where they will teach in the school system. They have been living in Hereford for the past several years and both taught in the Hereford schools.

Phil will be counseling and Lynette will teach math in the Childress schools.

ATTENDS LAND USE CONFERENCE IN ABILENE

David Seitz of Memphis attended the land use planning conference in Abilene Tuesday, August 7.

The meeting was held in the McClothlin Student Center on the campus of Abilene Christian Col-

lege starting at 9:00 a.m. It was co-sponsored by the Texas Council of the Soil Conservation Society of America and the West Texas Chamber of Commerce.

Speakers representing various viewpoints—from the realtor to the farmer to the county judge—told how land use planning might affect their businesses.

Mr. and Mrs. Kenneth Garvin, Rieta and Bo visited in Midland over the weekend with her brothers, W. L., Eugene, Jerry and their families.

Mr. and Mrs. Robert Pierce and son of Vernon visited his parents, Mr. and Mrs. Tom Pierce, over the weekend. Also visiting were Mr. and Mrs. J. D. Wright of Lubbock. Mrs. Wright is a sister to Mrs. Tom Pierce.

Mr. and Mrs. E. L. Hifi and Mr. and Mrs. Jerry Weatherly of Haskell are attending the graduation of Rod Hill this week from Dental Laboratory Technology at TSIT in Waco. Then the Hills and Weatherlys are going to Baytown to visit with the Rolfe Wootens and Bob Hills.
