## Gorillas To Hold Hockey Clinic In Silverton

The Amarillo Gorillas Professional Hockey Club will be holding a Blacktop Hockey Clinic on Saturday, August 24 from 10 a.m. to 12 noon on the west side of the Courthouse in Silverton. The cost will be \$10 per child. The Clinic is open to both boys and girls age 7 years or older. For registration information contact Dewayne Juarez at 823-2247, Jeff or Sonya Smith at 823-2023 or register at Silverton's Tropical Sno.

We would also like to encourage parents, grandparents, friends, and family to come out and watch the children have fun. Bring chairs, blankets, or anything to be comfortable.

The Gorillas Hockey Clinic gives children an opportunity to learn the game of hockey from players Chris Robertson and Brian Pellerin. The Clinic consists of a portable hockey rink that can be set up in any parking lot or street, hockey nets, sticks and balls.

Children are encouraged to bring good footwear such as running shoes and come out and have fun. "We are happy to help out the Silverton Beautification Association with this Clinic," said Director of Media Relations Denis J. Puska. "This will be the first time to this community and we are inviting the children to come out and have fun."

More than 400 children have participated in the Clinics to date that have been held across the Panhandle including Amarillo, Hereford, Dimmitt, and Borger, TX, Guymon, OK Liberal, KS and Clovis, NM.

The Gorillas will have t-shirts, hats, and souvenir pucks for sale as well during the clinic.

Mayor Roland Hamilton and Dr. Sidney Ontai present Arnold and Rose Castillo with a plaque in appreciation for their Volunteer Work on getting the new Quitaque Clinic ready for its Grand Opening on Saturday August 3. Louis Drum, Rob Francis and other Friends of the Tempie T. Francis for Judge Campaign also helped with the renovations.

## Farm Bill Meeting Scheduled

The Hall County FSA Office will hold a producer meeting to discuss various aspects of the new Farm Bill on Tuesday, August 13th at 1:30 p.m. in the Bronze Room of the First Bank and Trust in Memphis. Another meeting will be held on Wednesday, August 14th in Turkey at 1:30 p.m. at the Bob Wills Center. The main focus of these meetings will be concerning bases and yields for the new farm program. All producers are encouraged to attend one or both of these meetings.

## Kayla Johnson Guest Recognized For Accomplishments In Special Education

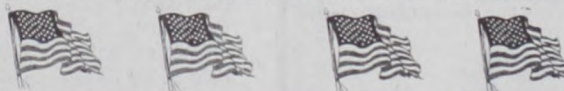

Kayla Johnson Guest a special educator from Turkey, TX, was recently awarded the Professionally Recognized Special Educator (PRSE) Certificate for Educational Diagnosis by The Council for Exceptional Children (CEC).

The PRSE designation is awarded to special educators who have demonstrated that they meet professional standards for practice in the field. PRSE recipients must have earned professional degrees or endorsements in special education, have at least three years experience in their area of expertise, and follow CEC's code of ethics and standards of practice.

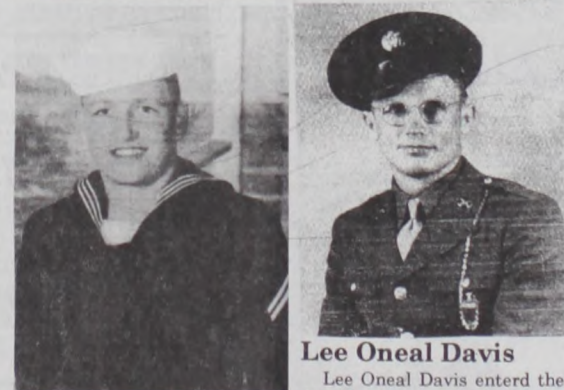

"CEC is proud to award the PRSE designation to deserving special educators," said Richard W. Mainzer, CEC's Assistant Executive Director of Professional Standards and Practice. "These special educators demonstrate their commitment to their profession and their students by meeting professional standards that result in effective practice in the field."

CEC's PRSE program will play a major role in ensuring students with exceptionalities receive quality instruction. Through the PRSE program principals and others in hiring positions can identify these individuals who have met professionally recognized standards, thus ensuring that they have the knowledge and skills to provide effective instruction to the students in their charge. In addition, the PRSE program promotes quality special education practice by standardizing the knowledge and skills a professional special educator must have.

The Council for Exceptional Children, the largest international professional association for special educators, related service providers, and parents, works to improve the educational success of students with disabilities and/or gifts and talents. The Council represents members serving more than 5 million students with disabilities and 2.5 million gifted students in the United States.

## Otwell Twins Returning To Turkey's Gem Theatre

America's favorite singing twins, David and Roger Otwell, grew up in Tulia, Texas singing in church harmonizing as only siblings can do. In August of 1977 they auditioned for the Lawrence Welk Show, which was the number one syndicated show in America at that time. Mr. Welk loved them and they quickly became one of the most popular groups ever to perform on the Lawrence Welk Show. They were members of the show for seven years.

They have performed all over the United States at Fairs and such prestigious theatres as Cape Cod Melody Tent in Hyannis Port, Mass., the Valley Forge Music Fair in Valley Forge, Pa., the Front Row Theatre in Cleveland, Ohio; Disney Land and Disney World. They have also performed on the Dinah Shore Show and on ABC's 20/20. They have performed with Chuck Berry, Barbara Mandrell, Marty Robbins, the Judds and many more.

As one fan explained, "When the Otwell Twins sing they simply captivate the audience." As Mr. Welk would say "They are simply Wonderful! Wonderful!"

They will be performing at the Gem Theatre in Turkey on Saturday, August 17, 2002. The show will begin at 8:00 p.m. and admission will be \$8 per person. For more information call 806-423-1273.

**Wood Carving Classes**

☆☆☆☆☆☆☆☆

Wood Carving Classes will be offered during the Old Settlers Reunion at the Roaring Springs Community Center on Friday and Saturday, August 23rd and 24th. Sessions will be held from 9:00 a.m. to 11:30 a.m. and 1:00 p.m. to 3:30 p.m. each day. The cost of the class will be \$30.00. Each person should bring carving tools as there will be a limited number available for loan. The instructor, Charlie Brooks from Whitehouse, TX has been carving and teaching carving for twelve years. He currently serves as Director of the Texas Woodcarvers Guild and attends 6 to 8 show/sales per year where he has won several 1st Place and Merit Awards. He serves as instructor at the Texas Woodcarvers Guild in April and September each year and at Rally on the Rio in Mercedes each January. He and his wife, Kathy have served as chairperson for the East Texas Woodcarving Show in Tyler for the past 6 years. Charlie's work may be viewed on his website at www.cbwoodstudio.com and he will answer any questions at cbrooks@cox-internet.com or 903-839-7042. The Roaring Springs Community Volunteers organization is sponsoring this course and any volunteer will be glad to make a reservation for you.

**Time To Treat White Grubs**

Summer rains have given white grubs a place to thrive. White grub damage can be detected by irregular shaped areas of weakened or dying grass in the lawn. If people had grub problems last year, then it might be a good idea to go ahead and treat this year. Check for grubs by digging small holes, three to four inches deep throughout the yard. If four to ten grubs per square foot are found then chemical treatment is needed. To avoid a long and difficult battle with white grubs, A&M entomologists say now is the time to treat. New chemicals on the market last a lot longer and can be put out now. Remember to always read and follow label directions. Irrigate treatments promptly so they will soak into the ground. A white grub control in turfgrass fact sheet is available at your county Extension office.

**Hot Season for Mosquito-Borne Diseases**

Summer is in full swing, and it's time to watch out for mosquito borne diseases. More precautions need to be taken as the West Nile Virus becomes a serious concern throughout Texas. The virus can be fatal, and prevention is important. Remove all sources of standing water from the home, mosquito-proof dwellings, and alter outdoor activities to times and places mosquitoes aren't active. Wear loose and light-colored clothing. Mosquitoes are attracted to dark colors and can bite easier through tight clothing. Also, use mosquito repellent. Symptoms of the virus include fever, headaches, sore throat, body aches, fatigue, and swollen lymph glands. The elderly, young and those with weakened immune systems are more prone to contracting the virus and should take precautions accordingly.

**2002 Sewing Fair To 'Sew American'**

"Sew America" is this year's Sew Fair theme. The program will offer participants creative ideas, sewing techniques, and demonstrations featuring a wide variety of textiles. The August 12 event will be held at the Texas A&M Research & Extension Center, 6500 Amarillo Blvd. West. Sponsors include Texas Cooperative Extension in Potter County and the Potter County Extension Education Association. The Fair will be offered in the afternoon and evening. Registration for the early session will begin at 1 p.m. The evening program registration will start at 6 p.m. The afternoon presentations will include: Making Chenille; Machine Embroidery, A Christmas In August Trunk Show, a demonstration on No Sew Afghan Techniques, followed by a demonstration on 'Tie to Hang Onto'. The evening session will include Mystery Quilts; Needle Punch Techniques; the popular Crazy Quilt and Holiday Bazaar Ideas. The public is invited to participate. Fees are payable at the door: \$5 for either afternoon or evening program, or \$7.50 to attend both sessions. Everyone is invited to participate in the Apron contest. Prizes will be given for the oldest and another will go to the most unusual apron. Participants are encouraged to bring skeins of embroidery floss. For every 5 skeins of thread contributed, a ticket is given for a special prize drawing. The thread will be donated to third world countries for economic development where women create and sell needlework. For questions about "Sew American", contact Cheryl Brewer by calling 806-373-0713 at the Cooperative Extension office in Potter County.

**FARMING OUR GREAT STRENGTH**

**High Plains Sunflower Workshop Is August 12, At Lubbock Center**

Lubbock- Farmers on the High Plains can learn more about sunflowers at an Aug. 12 crop workshop sponsored by Texas Cooperative Extension and the National Sunflower Association. "Sunflowers are a good crop to grow in rotation with cotton, corn, grain sorghum and other crops. Many farmers also grow sunflowers as a late-season catch crop," said Calvin Trostle, Extension agronomist based at Texas A&M's Lubbock Research and Extension Center. "This workshop will take place at Texas A&M's Research and Extension Center north of Lubbock (1102 East FM 1294). "Take exit 11 off of Interstate Highway 27(FM 1294 exit), and proceed 1/2 mile east. The Center is a complex of buildings just south of FM 1294." This free workshop is designed as a classroom and field training session for farmers, crop consultants, agribusiness and Extension personnel, and others who wish to attend. Trainers-instructors for this workshop include: Dr. Larry Charlet, USDA entomologist, and Dr. Tom Gulya, USDA plant pathologist, both of Fargo, North Dakota, Max Dietrich, National Sunflower Association coordinator, Bismarck, North Dakota, and Trostle. The workshop starts at 1 p.m. and should conclude around 5 p.m. Those who attend will qualify to earn 2.5 continuing education units(CEU's), Trostle added. For more information on this event, contact Trostle at the Lubbock center, (806) 746-6101.

**"Walk Across Texas" Update**

By Cory Edwards, FCS-Briscoe County  
 Walk Across Texas! participants have been making their way from Texline to Texas City for 1 month now. With 697.75 total miles, the "Double-Nickels & Older" have made it all the way to Spring, Texas. With 653.5 miles, the "Road Warriors" are still in second. The "Ankle Express" team members are making good progress with 470 miles. The "Fairmont Flyers" have moved up a notch with 308.5 total miles. Still in the game are "ASKEBAT" with 236.75 miles and "Wild Women Walkers" with 178.6 miles. Here are some fun facts about Spring as we take a "Texas Trip." The tourist attraction in Spring is Old Town Spring which is a restored railroad village of early 900s with some 150 shops featuring antiques, art, crafts, clothing, and restaurants. Spring is home of the Texas Crawfish Music Festival. The first Post Office opened its doors in 1890 and unconfirmed rumors have it that the hometown bank thrived enough to catch the eye of the legendary duo Bonnie and Clyde. The population of Spring is 34,268. Keep up the good walking!

**Pointers On Pets**  
 Keeping Dogs And Cats Free Of Tapeworms  
 (NAPS)—Many pet owners are worried about tapeworms. Here are the answers to the most frequently asked questions. Can my pet get tapeworms? Any dog or cat that is exposed to fleas can acquire a tapeworm.

Cats who have fleas are at increased risk for tapeworm. Studies show that 25 to 50 percent of dogs and cats infested with fleas will also have tapeworms. What should I look for? As tapeworms mature in the pet's small intestine, egg-filled segments break off and are excreted. Look for wriggling tapeworm segments resembling pieces of rice on your pet's hindquarters, in its feces or bedding, even on your family's clothing. Are tapeworms harmful? Growing inside the animal's intestine, tapeworms rob their host of nutrition, and can cause infected pets to become lethargic. Worse yet, family members may become an accidental host of the *D. caninum* tapeworm. How can I treat my pet for tapeworms? You can treat your pet at home with a new medication. The first over-the-counter tapeworm control containing praziquantel, Tape Worm Tabs is FDA approved and proven 100 percent safe and effective against tapeworms in dogs and cats. You can find Tape Worm Tabs at pet and farm supply stores, or call 877-734-7565.

**NCC & 19 National Commodity Groups Supporting Disaster Assistance**

Momentum is growing and the need for 2001 and now 2002 Crop Loss Assistance is beginning to gain bipartisan support inside the halls of Congress. Supporting that effort is a letter dated July 30 and addressed to members of Senate urging action on the issues as quickly as possible. The letter, which has been under construction since early July, is now targeted toward building support for a specific piece of legislation (S. 2800, the "Emergency Agricultural Assistance Act of 2002"). Signed by 20 nationally recognized commodity groups, including the National Cotton Council, the letter points out the need for an assistance package in light of the growing effects of the current drought. One of the key points that needs to be included in discussion of the letter sent to the Senate is the fact that S.2800 designates the spending it includes as emergency aid and does not seek any budget offsets. The NCC and the cotton industry have long supported the need for drought related disaster assistance so long as the money to pay for that assistance did not come from money earmarked for the Farm Security and Rural Assistance Act of 2002. The fact that S.2800 includes language that clearly defines the bill as emergency spending and does not require budget offsets that might have come from the new Farm Bill was perhaps the strongest incentive for the cotton industry to support the legislation as the preferred vehicle for delivering much needed weather related crop loss assistance to producers for the 2001 and 2002 crop years.

**FSRIA To Require New Power of Attorney**

Implementation of the Food Security and Rural Investment Act of 2002 appears to be getting fully on track with the start of state level Farm Service Agency training sessions. As the process moves forward producers are learning more and more about what will be required to enroll in the new program. One of the items that must be addressed will be the need to update Power of Attorney forms kept on file at the county FSA office. The new law will require updated forms to be completed as part of the sign up process. FSA has provided an Internet link to the updated forms on their website at: <http://forms.sc.egov.usda.gov/forms/> After calling up the page referenced above producers can search for the proper forms by number. Form FSA-211 is the basic Power of Attorney form used to designate another person to conduct business on your behalf. A Power of Attorney form for Husband and Wife, FSA-211-1, is also available online. Producers or landlords with additional questions about obtaining the new Power of Attorney forms can also contact their local Farm Service Agency office to receive assistance in downloading the forms or to pick up copies in person.

### VJH Cheerleaders Attend UCA Camp

Wayland Baptist University was the site for the Universal Cheerleading Association Camp held July 2nd through August 1st. Attending this camp were fifty cheerleaders representing area schools from Valley, Amherst, Lorenzo, Southland, and Whiteface. These young women learned the latest cheers, chants, dances, and stunts for the upcoming school year. Representing Valley Junior High for the 2002-2003 season are Eighth Graders: Molly Davidson/Captain, Macy Davidson, Laura Payne, and Maddie Ramsey; Seventh Graders: Mary Kate Davidson and Savannah Smith.

Greeting the VJH Cheerleaders were the Wayland Baptist University Cheerleaders. After registration, the Valley Cheerleaders were taken to their assigned dorms by their new cheerleading buddies. From this point on the VJH squad embarked upon four days of a fast paced cheerleading experience.

On the last night of camp, the VJH Cheerleaders participated in a talent show hosted by the WBU Cheerleaders. Performing skits, songs, and dances the program was a showcase of area talent. The VJH squad was a favorite performing a tribute in dance, "Shout To The Lord".

During the four days of camp, the VJH squad received one Excellent Red Ribbon, four Superior Blue Ribbons, and eight Gold Superior Ribbons for their ability to properly execute cheers, chants, dances, and stunts taught by the UCA staff. The squad also received the "Banana Award" for going "bananas" with cheerleading spirit.

Laura Payne received a special ribbon for being selected the best jumper in the "Jump-Off Champion Contest" in the Junior High Division. Mary Kate Davidson placed third in this competition.

Ms. Reagan, the VJH Cheerleader sponsor, also was busy attending a coaches' seminar during this camp session. She received a certificate for successfully completing the UCA Advisor Program. This was a course in cheerleading safety. Topics included spotting, proper techniques for partner stunts, tumbling, conditioning, and establishing safe parameters for cheerleading activities.

Anticipation was high during the final evaluations on the last day of camp. The VJH Cheerleaders represented Valley Junior High did very well by taking top honors and awards.

Nominated for the UCA All-Star Program were Molly Davidson, Macy Davidson, Laura Payne, and Maddie Ramsey. Each candidate performed a camp pom-routine, a camp-cheer and jump that was taught during camp. Receiving the honor of being named to the UCA All-Star Program was Macy Davidson. This honor entitles Macy to take part in a Thanksgiving Day Parade in Houston.

The VJH Cheerleaders received a trophy for being the "Most Superior Squad" in the Junior High Division. This award enables the squad to participate in the Thanksgiving Day Parade in Hollywood, California.

The squad received another trophy for being the "Camp Champs of the Extreme Routine". This trophy was based on the squad's rhythm and timing, formation spacing, synchronization, and sharpness while performing the most difficult dance routine taught at camp.

The most prestigious award given by the UCA Staff is the "UCA Tradition Award". This award is given to the squad who demonstrated the most character throughout the entire camp session. Each squad is judged on conduct, work ethic, and school traditions incorporated into each day of camp. This award is given to only one squad for each camp session. The Valley Junior High Cheerleaders were honored to receive this award.

All in all, the VJH Cheerleaders made a "sweep" in ribbons, trophies, and awards. These accomplishments are a testament to the fact that great things can be accomplished when we "Unite In Spirit". Let the tradition continue! Come out and support the Valley Junior High!

### Turkey-Quitaque CISD Board Of Trustees Meet In Regular Session

The Turkey-Quitaque CISD Board of Trustees met in regular session on Monday, July 15, 2002 at 8 p.m. at the Valley School. Board members present were Larry Curry, Max Meyer, Susan Young, Rex Fuston and Clinton Pigg.

The minutes from the previous meeting were read and approved. In regular business bills were paid and the financial report presented.

A motion to approve Education Service Center XVI contracts for the school year 2002 - 2003 was passed unanimously. The student accident insurance with G-M Southwest Insurance Company was approved. The bids from Turkey General Store for cafeteria food and milk and from Griffin Oil for gas and diesel for the school year 2002-2003 were accepted unanimously.

A motion passed to accept bids for property legal, general liability, and fleet insurance for the 2002-2003 school year. In other business the Board considered personnel wages and salaries for the 2002-2003 school year.

The board considered a Star Net, instruction by satellite, policy. A motion passed unanimously for the local district to offer only the required courses necessary for graduation through Star Net. At this time the meeting was adjourned.

The next Board meeting will be held Monday August 26, 2002 at 8 p.m. at Valley School.

### THINGS THAT MAKE YOU GO HMMM...

By Laura Taylor

With all the new developments in computer technology it was only a matter of time before a company started making "Custom" programs for various areas of the United States. So as a public service to you, the consumer, I would like to be the first to introduce you to a more user friendly version of WINDOWS 2000 for us folks here in Texas.

The TEXAS EDITION can be recognized by the unique opening screen. It reads: WINDERS 2000, with a background picture of Willie Nelson superimposed on the Alamo.

Please also note:  
The Recycle Bin is labeled "Outhouse"  
My Computer is called "This Dern Contraption"  
Dial Up Networking is called "Good Ole' Boys"  
Control Panel is known as "The Dashboard"  
Hard Drive is referred to as "4-Wheel Drive"  
Floppies are "Them Little Ol' Plastic Things"  
Instead of an error message, "Duct Tape" pops up!  
Changes in terminology in the TEXAS EDITION to make it more user friendly to us here in the Lone Star State are:

- Cancel: Stopdat
  - Reset: Try'er Agin
  - Yes: Yep
  - No: Nope
  - Find: Hunt Fer It
  - Go To: Over Yonder
  - Back: Back Yonder
  - Help: Hep Me Out Here
  - Stop: Kwitit
  - Start: Crank'er Up
  - Settings: Settins
  - Programs: Stuff At Duz Stuff
  - Documents: Stuff Ah Done Did
- Also note that the TEXAS EDITION does not recognize capital letter or punctuation marks. Some programs that are exclusive to WINDERS 2000 are:
- Typeriter: a word processing program
  - Colerin' Book: a graphics program
  - Cyferin' Mersheen: calculator
  - Outhouse Paper: Notepad
  - Inner-net: Microsoft Explorer 5.0
  - Pitchers: a graphics viewer

If you feel this new edition may be of help to you as you advance into the technology age feel free to contact Billy Bob Gates!

### 2002 Quitaque Homecoming At The Dale Smith's

Dale and Dona Smith's home was a place of reminiscing this weekend, August 2, 3 & 4 with house guest Monte and Anita Wise, Kerrville, Tx and Harold "Barney" and "Fussy" Bogan, Nacogdoche, Tx, as well as the classes of 1957, 1958, 1959 that gathered Saturday afternoon and evening. There was a lot of reminiscing, looking at pictures, Quitaque Panther, Commencement and piano recital programs, Panther annuals, picture taking, eating and catching up on what everyone is doing now.

The class of 1958 even called their classmate Janelle Woods Smith who is working in Branson, MO this summer to visit with her. Janelle sent a flower arrangement for the party in her Black Panther vase. Schoolmates and some of their spouse that gather for the party were: Butch and Dean Hamilton, Deloy Myers, Suzie Shannon, Bennie Reagan all of Quitaque, Verlon Hamilton, Westlake, Tx, Fred Davidson, Felix Johnson both of Amarillo, Tx, Bill Mayfield, Hillsboro, Tx, Frankie Pittman, Wolforth, Tx, Murray Wise, Clifton, Tx, Laurine and Willie Gragson, Wellington, Tx, Harold and D'Ann Stone, Miami, Tx, Thomas Phelps, Lubbock, Tx, John Lynn Johnson, Corpus Christi, Tx, and Cripple Creek, CO, Patricia Standlee, Oklahoma City, OK, and the Bogan's. All seemed to enjoy a good time. Those that stayed until suppertime had a country supper of brisquet sandwiches, pinto beans, okra salad, watermelon and more story telling.

Exes gather at the Quitaque Community Center for the 2002 Quitaque Panthers Homecoming held this past weekend.

This group of Quitaque Panther Exes enjoyed getting together and reminiscing about their school days.

### Quitaque Homecoming Stirs Memory Of Home

Quitaque Homecoming festivities kicked-off Friday Night with 185 exes enjoying a hamburger supper at the Catholic Center. The delicious burgers were prepared by Dale Smith along with W.L. Merrell. A group of local ladies assisted with the serving.

Saturday morning there were 210 exes registered at the Community Center.

The noon meal was held at the Catholic Center with 250 being served. Immediately following the meal the business meeting was held.

President Jim Davidson called the meeting to order with Phil Barefield offering the invocation. Secretary/Treasurer Bob Ham gave the financial report as well as the previous Homecoming minutes. Election of officers were as follows: President-Jack Johnson, Vice President- W.L. Merrell, Secretary/Treasurer- Bob Ham, Historian/ Reporter- Susie Shannon.

Davidson gave update on the new building project. He then recognized Adell (Grundy) Winston as traveling the greatest distance and Fish Wilson as the oldest.

Karol Pigg read the memorial list and Jon Davidson was called on to present his Father and Mother, Jim and Clara Davidson with the King and Queen honors.

President Davidson introduced former 1952 classmate, Gordon Riley as the key-note speaker. After an inspiring speech a drawing was held for the memorial quilt. Velma Jacobs was the lucky recipient and she graciously donated it back to the Homecoming Committee. Plans are to display the quilt in the new building along with a plaque indicating the generosity of Mrs. Jacobs. The Sr. Citizen ladies quilted the quilt and deserve a Big Thank You.

The meeting was closed out with Murry Wise leading the benediction as well as the group singing of God Bless America.

The exes spent the rest of the afternoon at various locations and are looking forward to next Homecoming which will be held the first weekend in August, 2005.

#### 1956 Class Reunion

A group of '56 Classmates and others met at the Joyce Price home to visit and do a lot of "Remember When", seems to be getting more difficult to recall.

Present were John Johnson and son, John; Willie and Lourine Gragson; Joyce (Crabtree) and husband, Jo Nell and Claude Sheets; Margie Trent and granddaughter; Bennie and Duane Garman; the Bennie Browns; the Carl Browns; Tom Phelps; Gearld and Dallas Boggs; Mozelle Hedrick; Ann Bingham and sister, Joe; Janice Payne; Jo Edd Helms; Mary Joyce and Butch Bacat; and Felix Johnson.

**A Texan Triumphs ... Again**

Lance Armstrong is more than a hometown hero - he's a Texas legend. For the past four summers, Texans - and the rest of the world - have cheered him on to victory in the Tour de France, one of the most grueling sporting events of the modern era.

Charted through some of the most beautiful yet challenging terrain in France, the 2,050-mile course takes three weeks to complete. With weather ranging from blazing summer heat to cool mountain winds, the 189 cyclists competed against man, machine and mother nature to cross the finish line in Paris, and for the fourth consecutive year, Texas' son, Lance Armstrong, led the pack.

**A Survivor's Story**  
Watching him coast to victory one would hardly guess that just over six years ago, Lance nearly succumbed to a deadly disease. In 1997 he was diagnosed with testicular cancer that spread throughout his body. Though weakened by chemotherapy and given only a 50-50 chance to live, he beat the odds while struggling hard to keep his physical strength. His spirit triumphed and he has become one of the greatest athletes of our time.

Only one other cyclist has won the Tour de France five consecutive times and Lance is poised to tie his record next year. But he has repeatedly noted that he wants to be remembered not just for his cycling victories, but as the first cancer survivor to win the elite race.

**The Foundation**  
Lance has dedicated his celebrity to furthering cancer research and most importantly, promoting survivorship. Before he even knew if he would overcome the disease, he founded the non-profit Lance Armstrong Foundation (LAF) which has grown into one of the nation's preeminent cancer research organizations. Last year alone the Foundation awarded more than \$1.1 million in research grants to study testicular cancer and survivorship.

One unique program supported by the LAF focuses on children whose parents have been diagnosed with cancer. "Wonders & Worries" offers much-needed counseling and support to help children from the ages of seven to 17 deal with the illness afflicting their parent.

Lance has joined the President's special commission to combat cancer and has become a leading advocate for more cancer research. The Federal government's partnership in this battle is critical. Just this year, Congress completed its commitment to double funding for the National Institutes of Health to more than \$27 billion, which includes the National Cancer Institute. And in April we celebrated the passage of a bill I introduced to provide more research dollars for blood cancers, which will afflict 100,000 additional Americans this year alone.

Lance exudes the spirit of American triumph and Texas determination. This year as the race came to a close along the Champs-Elysees, more than 100,000 onlookers cheered and feverishly waved both Texas and American flags to welcome back the champion.

The American spirit was tested this year, but we have risen to the challenge with resilience and courage. And it is people like Lance Armstrong who continue to remind us that we are a nation of heroes, fighters and survivors. Our hats are off to you, Lance - we look forward to cheering you on to a fifth victory.

For more on the Lance Armstrong Foundation, visit [www.laf.org](http://www.laf.org).
