West Texas University Offers Seminar On Cults

West Texas State University will offer a seminar on cults and ritualistic crimes from 8 a.m. to 5 p.m. Wednesday, August 2, 1989. The seminar is open to educators, judges, law enforcement officers, social service workers and other interested community service personnel. Workshop topics include freedom of religion, destruc-

tive religious cults, ritualistic abuse of children, Afro-Caribbean religions, heavy metal music, satanism and profile of a victim/participant. An abbreviated presentation designed for parents is scheduled from 7-9 p.m. Thursday, August 3 in Mary Moody Northern Hall on the WTSU campus. A minimal admission will be charged.

A three-day instructional seminar on cults and the investigation of ritualistic

Stolen Toys Recovered

The stolen goods belonging to Holly Gafford of Turkey have been recovered by Deputy Garvin Speed, and returned to the eleven year old child.

A witness reported to the Gafford's of seeing the items at the home of a neighboring resident. They then relayed the message to Deputy Speed.

As I See It!

By Thelma Gafford

I was asked why I didn't attend a City Council meeting, a wedding, a hoedown, a dance, a baby shower, a wedding shower, a 50th celebration, a picnic, a singing, a class reunion, Bible school, a 100th celebration, a family reunion, a church social, a youth group meeting, a supper, a dinner, a breakfast, a special called council meeting and talk to Mission Cable, all last week, to take pictures and/or write news articles on what's happening around town. In spite of my obvious answer to this question (which comes up about every other week) I'd like to respond publicly. I don't have time to be everywhere, everytime, all the time. A hometown newspaper requires hometown citizens supplying their news, just like it's always been. Most groups or activity groups have a reporter, the reason being, to report their news.

Local news is what a hometown paper is all about, that's what sets us aside from the larger newspaper, so again I say, if you have news, bring it in. We want it, your friends want to read it, but I cannot be there everytime. No one can. What I can do, is try to do the very best I can, with what I have to work with. Thank you; I'll get down off my soap box now. Have a nice day, and share a pleasant thought with a friend.

Flomot First Baptist Turns 75 Next Week

Former pastors of the Flomot First Baptist Church and a host of area residents are preparing for the 75th birthday celebration of their church.

The theme for the reunion is "Home-Coming Revival" planned for July 30 through August 6, 1989. Evening services will begin at 7:30 p.m. Both Sunday morning services will begin at 11 a.m.

Light refreshments will be served following each evening service. Movies of the 60th Anniversary Celebration will be shown following services on Saturday evening, August 5.

A covered dish luncheon will be shared at noon, August 6, at the Flomot Community Center. At 2:30 p.m. that afternoon worshipers will return to the church for a time of celebration directed by pastor Nathan Mulder. Cutting of the

birthday cake will also take place.

Former pastors participating in the celebration are: Sunday, July 3, morning services, Bro. J.E. Lee (1943-

51) Plainview; evening services, Bro. Melvin Smith (1982-84), Floydada; Monday, Dr. Floyd Bradley, Area Missions Director; Tuesday, Bro. Leo Cole (1968-72), Tahoka; Wednesday, Dr. Ciro, Associate Missions Director; Thurs-

day, Bro. Denzil Leonard (1955-59), Laverne, Okla.; Friday, Bro. Ed Spivey (1959-61), Nocona; Saturday, Dr. Toby Irwin (Feb.-July'88), Terrell; Sunday morning, August 6, Bro. Jack Terrell

(1961-64), Springer, NM; and for the evening services Bro. Eddie Burkett (1965-67) of Grapevine, Texas.

Worship services as well as the celebration festivities are open to the public.

Hoedown II Gives Main Street New Look

Hoedown II, sponsored by the Quitaque Chamber of Commerce, was a huge success Saturday, July 22. The Chamber members commend the large crew of residents who turned out to work. Two more store front window displays were assembled. Articles were gathered for another and plans made for still yet another window display. The Sidewalk Museum will soon stretch the full length of Main Street.

The vacant lot between Texas Horse Pads and the Tyler building was cleaned up. Excavation work was done to prepare for the construction of a Mini-Park on this site. A brick patio will be constructed to hold benches and plants. This project will greatly enhance the appearance of the downtown area. The Chamber is requesting

donations of bricks for the patio. Approximately 2400 bricks are needed. Anyone having any quantity of bricks, any color, to donate, please contact David Brunson at City Hall.

The work being accomplished by property owners, merchants, and volunteers continues to brighten the Queen City.

The Quitaque Chamber of Commerce welcomes your ideas and every opportunity to serve you. Members can be contacted through any office or by calling Quitaque City Hall.

The Chamber is also circulating the latest brochures of the city and surrounding areas. These will be sent to other Chambers and tourist centers. They are available at City Hall.

Ranchers Brands Needed By August 5th

One of the windows recently decorated with Western type memorabilia by the Quitaque Chamber of Commerce is the large display windows of "Texas Horse Pads."

A corral type fence built by James Cathey is featured in one window which will soon bear the brands of area cattlemen of today and yesterday. On August 5 at 5 p.m. there will be a set-up of butane fires in front of the store window so that all area ranchers may come to place their brand, and any other brand they have in their possession from this area, upon the fence. Lorna Powell will make a plaque with the rancher's name and corre-

sponding brand to be placed upon an easel in the window so that the brands may be identified.

After the "Branding Party," the Quitaque Lions Club will be serving a hamburger supper at the city park. There will be musical entertainment in progress throughout the evening.

It promises to be a unique evening of fun. If you cannot be here to place your brand on the fence, make arrangements with some other person to do it so that your brand may be included on this historic display.

Both local residents and visitors are invited to attend and join in the festivities on August 5 at 5 p.m.

Gary Brannon Gets Article Published

Gary Brannon recently had an article published in the special 100th year edition of the Stephenville Empire-Tribune.

The lengthy article was the result of an assignment in his history class at Tarleton State University, and was published July 2, 1989.

Brannon is the son of Peggy and Jerry Brannon of Quitaque, and a 1987 graduate of Valley High School. He is a junior at TSU, majoring in History and Spanish.

Campus Corner, as Brannon revealed, "has played a vital roll at TSU." Originally built in 1929 as a sandwich shop and drug store, it provided a convenient gathering place for students. The business survived two wars and in 1943 became the unofficial army U.S.O. for Stephenville. Later Air Force troops moved in during the Korean conflict followed by housing a barber shop for several years and after several years remains a campus tradition.

Chamery Gayle Rhoades, daughter of Jack and Gayle Rhoades and granddaughter of Troy Lane was chosen Little Miss Stratford in the Stratford beauty pageant Saturday night.

Cora Gragson visited in Wellington last week with her son, Willie and Lorene Gragson. Lorene took her to Amarillo for an appointment with her heart specialist, where she received a fair report. She returned to her home in Quitaque on Friday.

Rod Adamson has been awarded the RM (Residential Member) designation by the American Institute of Real Estate Appraisers. Adamson, former manager of Pioneer Savings and Trust of Ruidoso, New Mexico, owns Adamson Appraisal Company at Ruidoso. He is a

graduate of Texas Tech, where he earned a bachelor of business administration degree in finance and banking.
 He is the son of Mr. and Mrs. J.R. Adamson of Turkey.

Mr. and Mrs. James Barefield visited their daughter Frankie Pittman, in Wolforth, then went on to Coahoma to visit their other daughter, Ann Bingham, and granddaughter, Ronda DeHoy.

Visitors in the Truman Merrell home during the past two weeks were their daughters and families, Mr. and Mrs. Cliff Cooper, Cassie and Clint of Ft. Worth and Mr. and Mrs. DeWayne Adams, Joanna and A.J. of Holtville, California. Cassie spent two weeks with her grandparents earlier this summer.

Correction
 The medical statement in last week's edition pertaining to the medical testing on Robby Harmon should have read: the first stage of tests have been completed.
 Robby will undergo a second series of testing at Parkland Memorial Hospital in Dallas following a decision of the Board of Doctors in mid-August.
 The second series of testing, scheduled for September, will be more intense, with surgery involved, according to his father, Robin Harmon.
 Meanwhile, a Love Fund continues at the First National Bank of Quitaque for the eighteen year old youth.

Marketing Is The Theme Of ICS Meeting
 When Texas ranchers assemble in Austin August 10 through 12 for the annual meeting of the Independent Cattlemen's Association (ICA), their focus will be on marketing.

Theme for the ICA session will be "Modern Marketing for Cattlemen." The conference will be at the Stouffer Austin Hotel, said Curtis Preston, county agent with the Texas Agricultural Extension Service.

Marketing discussions will highlight the educational program August 11, 1989. Dr. Gary Smith, head of Texas A & M's Animal Science Department, will be program moderator.

A host of speakers will address various concerns of cattlemen, Preston said.

Among subjects to be discussed will be legislative and marketing concerns of the progressive cattlemen, ways to improve prices for calves at local markets, selection for genetic improvements and marketing with ultrasound technology and value-based marketing.

Other agenda subjects will be retained ownership and its impact on cattle producers for increased returns and ranch direct consumer marketing.

Woods Family Holds Reunion

Merrell 100th Reunion Held Weekend Of July 14, 15, 16

The weekend of July 14, 15, and 16 was a very special occasion for the family of Alex and Mary Francis Merrell. The family came to this part of Texas, Floyd County, one-hundred years ago. The farm and ranch where the Truman Merrell's now reside is where the Merrell's settled.

Four generations of Merrell's have lived on the home place with a reunion held there every two years in July and a gathering at Christmas time for the W.W. Merrell descendants and other family members. It has been home for many people over the past 100 years.

A great-granddaughter of Alex and Mary Francis, Mrs. Joe (Virginia Faye) Taylor served as chairman for the 100th Anniversary event. Mrs. Taylor also gave a short talk giving tribute to those who have paved the way for the family.

Jim Stroup was recognized as being the oldest family member present. There were several more close to his age.

Members of the late Alex and Mary Francis Merrell consisted of Lizzie Eddleman, Dora Stroup, Pearl Martin, Jane Taylor, Myrtle Wilkerson, Alfred, Ernest, Warren, Will and Doc. Descendants of each of these were present except the Jane Taylor family.

The crowd began gathering Friday, setting up tents, campers, and rolling out their bedrolls, visiting and lots of picture taking. Also the Plum Creek Brigade, a

mountain man club, complete with pre-1840 era dress, weapons, and entire camp were present.

Activities got underway Saturday morning, following the nice shower on Friday night, with registration at 9 a.m. Approximately two hundred and fifty relatives and friends from Oklahoma, Missouri, California, Colorado and many from Texas cities were signed in. Guests were greeted by cowboys on horseback who help with the parking.

A delicious meal was catered by Roy Pigg at noon. The afternoon was spent renewing acquaintances, visiting, viewing the things on display at the house, such as the family Bible, coffee grinder, cradle, high chair, and many other items. Cheryl (Merrell) Cooper, Jayne (Merrell) Adams and Mrs. Warren Merrell wore dresses belonging to the family of Elizabeth Eddleman. Most of the dresses were pre-1900, but looked very stylish.

One family member summed it up pretty well when one person complained of being tired "we should be, we just had a two-week reunion in one-day!"

Five Briscoe County residents last week participated in an electricity camp sponsored by Southwestern Public Service Company (SPS). About one hundred 4-Hers from throughout the Texas South Plains attended the camp July 10-14 in the Sacramento Mountains south of Cloudcroft, New Mexico. Pictured left to right, back row: County Extension agent Curtis Preston and county agent Lynda Fogerson. Front row: Clay Merrell, Penni Fogerson and Bradley Price.

The average time lapse between a mosquito bite and mosquito itch is about three minutes.

Window Displays Still Needed In Quitaque

There are still several windows to be decorated in Quitaque and many items are needed "on loan" for the displays.

One window will feature an old fashioned "Hat Shoppe". Vintage hats for both men and women are needed for this attraction. The name of the person who wore the hat will be shown, and a careful record of each person loaning the item will be kept. If you have hats

Senior Spotlight

Everyone in the area knows of the many senior citizens in our communities. We are blessed with a great number of living, intelligent, walking, historians. These people have seen many changes take place in their lifetimes, and while we love them deeply, we sometimes over look them in our day-to-day hurried lifestyles. We're proud of them, let's let them know it. If you know of a special senior you'd like to honor, let us know, as space allows, we'll Spotlight A Senior.

In the spotlight this week is Aunt Zona Lane, of Turkey. She will celebrate her 91st birthday July 29, 1989. Although she has asked that no one make a fuss, I'm sure someone somewhere will.

Zona was born to Jimmy and Katie Russell in 1898, in Haze, Robinson County, Texas. She married the late Homer Lane on March 15, 1918. He passed from this life in 1982, one day following their 65th wedding anniversary. Three children were born of the marriage, eleven grandchildren and eighteen great-grandchildren.

Now, Aunt Zona isn't your typical senior citizen, you see, she still works at a regular 20-hour a week job as hostess at the Bob Wills Museum, a position she has held for the past sixteen years. She also helps out at City Hall when the office help has to be gone. She helps out at the Turkey Drive In (which is owned by her daughter, Linda Ferguson) when needed, and keeps the cafe supplied in homemade fried pies. "I have cooked 32,325 fried pies as of last night (Sunday July 24) since Linda opened the cafe, five years this past February. I didn't plant a garden this go 'round, I figured I had to slow down. I don't want to though."

"I'll turn 91 next Saturday, and I've lived everyday of it, and enjoyed most of it. You know, there's always something to make things nice," says the lady who has made four quilts for each of her eleven grandchildren and is now piecing quilts for her great-grandchildren.

that may be used, bring them to Mary Stark or Johnnie Morrison by August 3.

Another window will feature an old fashioned bedroom. Items are also needed for this display. Anything that can't fit in with the display will be returned to the owner.

An interesting attraction for the farmer will be a window featuring old tools and implements. Vintage toys will be on display in another window, and various kinds of old toys are needed for this decoration.

A special window will feature "Then and Now" with Quitaque Panther trophies and memorabilia and Valley Patriot collections.

When completed, Quitaque streets will be a street to proudly show our visitors with interesting things to see for everyone.

Deloris Pigg is doing an excellent job co-ordinating the window decorations with the help of many interested people. It takes everyone working together to "make a difference" and that is what is happening in Quitaque.
