Panthers Win A Pair

The Quitaque High Pantherettes and Panthers were hosts to the Spade High School basketball teams last Friday night and the two teams divided a twin bill, the Spade girls taking a 67-51 win over the Pantherettes, while the Panthers proved too tough for the Longhorns and won 79-60, with all hands on the squad getting in a few ticks.

The Pantherettes played well in the first game of the evening and battled the visitors on even terms and even led last year's regional runner-ups in the early minutes of the first period. The Spade girls were beaten by only two points in the finals at regional last spring by Follet, and only two players are missing from that crew. Back again this year is Christie Adams, the 5-11 forward who poured in 34 points Friday night against the Pantherettes and was too much for the Pantherette guards to stop.

Meanwhile freshman forward Valerie Robison was causing wide smiles to appear on the faces of Quitaque fans as she sparked the Quitaque team with 21 points.

The Pantherettes burs ahead in the contest and led 7-2 at one point in the early minutes. Spade came storming along and tied it at 7-7. Quitaque again took the lead at 14-13. Spade led 18-16 at the end of the first period and the second period was played on even terms with the visitors holding a 30-29 half-time margin. Spade started to slowly pull away in the third quarter and led 50-42 at the end of three quarters. The young Pantherettes never quit, however and battled all the way.

Scoring-wise for the Quitaque team in addition to Valerie's 21 was Neva Morrison and Wanda Ramsey with 11 points each, Bonnie Clary (another freshman who is showing

a lot of promise) 7 points and Vanessa Robison, 1 point. Mary Brunson who normally plays forward, played guard against Adams and she fouled out. Wanda Ramsey and Gail Tyler were also lost via fouls. Pam Fleming, Pam Loudermilk, Anna Jean Taylor, Elois Reagan, Debbie Farley and Stephanie Chadwick also saw action in the game.

Tuesday night the Quitaque teams played a return engagement with the Hedley Owls and Owlettes, with Quitaque finally coming out winner in both contests, the girls coming from a 12 point deficit in the second quarter to win 38-30, and the Panthers finally coming out with a 57-50 win after three quarters of frustrations, when nothing much went right for them.

The Pantherettes trailed 17-7 at the end of the first quarter and still were behind 14-25 at half-time. Quitaque took up some slack in the third stanza, pulling to 25-29, then tied it at 29-29 with 8:10 left in the game. The visitors went ahead 0-29 but could not score again in the final six minutes, while the locals managed to notch 9 points.

Wanda Ramsey hit for 11 points to lead the locals, Bonnie Clary hit 10, Valerie Robison scored 9 points, Mary Brunson hit for 5 points, all of them coming in the last couple of minutes of the game when they were really needed, and Neva Morrison added 3 points before fouling out. It was a twin night for the Pan-

thers, for in addition to facing a tough opponent in the Owls, the Panthers were having an off night, when not much of anything was working for them. The Panthers tied the count at 2-2 at the start of the game but then trailed by as much as 7 points until the fourth period when with 4:24 left, the locals went out in front for the first time, 43-42. Quitaque was not behind again but had to struggle to pull it out.

Among other things, the Panthers were not making their free shots, making only 7 and missing 12 according to this reporters unofficial bookkeeping.

Gary Chandler scored 16 points for the Panthers, Stan Price 15, Perry Brunson 13, Danny Jones 5, Larry Price and Johnny Griffin 2 each and Scooter King 4 points. The Owls are going to be tough for the Panthers to handle all year for they are young, only one senior in the starting lineup and they will improve all season. Friday night the Quitaque High teams drive to Spade for a return match, then on Tuesday night of next week McAdoo will come to Quitaque for a pair of games.

The Pantherettes are now 2-1 for the season while the boys have won 3 and lost none.

On September 28, 1970, the Jal, New Mexico band went to Lubbock to march in the Parade at the Fair. All the bands were judged and the Jal band won second place. They received a beautiful trophy and \$75. Burl Clark, jr. is a member of this band. He is the son of Mr. and Mrs. Burl Clark, and the grandson of Mr. and Mrs. Pete Clark of Quitaque and Mrs. Nell Lyles of Turkey.

Treva Jo Clark, daughter of the Burl Clarks, went to Dallas September 26, 1970, with the youth of their church to see a football game between Southern Methodist University and New Mexico State University. These young people worked and made the money for the trip. Treva Jo is also the granddaughter of Mr. and Mrs. Pete Clark and Mrs. Nell Lyles.

AGREEMENT ANNOUNCED ON GAS RATE INCREASE

LUBBOCK, October 16, 1970 — In a joint statement made today Fred Poo, chairman of the Steering Committee of West Texas Municipal Utilities Committee, and K. B. Watson, executive vice president of Pioneer Natural Gas Company, announced agreement on a proposed rate increase for natural gas used in 34 West Texas cities.

The agreement came in the form of a recommendation to the governing bodies of the member cities for a 13 percent increase in the cost of gas effective on the billing dated on or after November 15, 1970. The recommendations also included a provision for a gas rate adjusted to Pioneer based on the cost of gas during the calendar year to become effective on April 1 of the following year.

Pioneer agreed to provide each city a verified statement by March 1 of the field cost of gas for the prior year to determine the rate adjustment for the following year.

The first such adjustment report will be delivered to each city by March 1, 1971 for action by April 1, 1971, to become effective April 15, 1971.

The governing body of each member city of the West Texas Municipal Utilities Committee will review the joint recommendation for passage by local ordinance.

DON BURSON ELECTED DIRECTOR OF CAP ROCK S&WCD

Don Burson has been elected to a five year term as director of the Cap Rock Soil and Water Conservation District.

He will represent the ranching area below the Cap Rock. Bill Cochran recently served as director for this region of the county.

FORMER AREA RESIDENT BURIED AT QUITAQUE

Mrs. Lillie N. Snodgrass, 85, a former resident of the Quitaque and Edgin communities, died at 9 p. m. Wednesday of last week in an Oklahoma hospital where she had been a patient two weeks.

Funeral services were held Saturday morning at Lockney and burial was in Rest Haven Cemetery at Quitaque.

Mrs. Snodgrass was born August 20, 1882 in Gadsden, Ala. She resided in Quitaque a number of years before moving to Lockney where she lived about 15 years. She moved to Oklahoma City four years ago.

Mrs. Snodgrass was a member of the Baptist Church.

She was the widow of the late J. N. Snodgrass.

Survivors include two daughters, Mrs. J. H. Workman, Lockney, and Mrs. Al Greene, Oklahoma City; and a son, Buster Snodgrass, Oklahoma City.

FLOMOT TEAMS WIN OVER QUAIL

Flomot's high school basketball teams were hosts to Quail Friday night of last week and Flomot won both games of the doubleheader, the girls pasting the visitors 52-24 and the Longhorns racking up the Quails 58-45.

In the girls game Cindy Morris and Penn McWilliams led the Flomot attack with 18 points each to pace the winners. Childers tossed in 13 points for the losers.

David Hunter popped the net for 24 points in leading the Longhorns to their second win in three outings of the new season. The Flomot girls have won one and lost two.

The Flomot teams will go to Quail Friday night for a pair of games and on Friday night of next week will replay Hedley at Flomot.

According to reports, the peanut harvest is in full swing. Mr. and Mrs. S. C. Brown report they have out a good percentage of their harvest and it is making good.

Glen Smith of Lubbock was dinner guest of his sister and family, Mr. and Mrs. James Barefield and Joey Sunday. He preached at Hope Baptist Church in Turkey.

Mrs. Willie Bradshaw and children of Floydada spent Friday night last week with her parents, Mr. and Mrs. Roy Smith.

Bulldogs Nip Turks

Amherst Bulldogs Nip Turks 17-14 at the half.

TURKEY JUNIOR TEAM BEATS MATADOR, 16-12

The Junior Football Team drove to Matador Thursday night of last week for a game, beating the Matadors 16-12. The Turkey team scored twice in the first half, but the Matadors took over the second half and scored twice. They failed to make their extra points. The Matadors will play a return match at Turkey Thursday night of this week.

GORDIE WASHINGTON INJURED IN FALL FROM HORSE

Gordie Washington is in Caprock Hospital in Floydada suffering with injuries from an accident at their farm last Sunday afternoon. He was moving a calf from one pasture to another, and after roping the calf, fell from his horse and was there an hour before he was found. He was rushed to the hospital by Alfred Martin. In the excitement, the Washington's son, Max, who with his wife and children were visiting his parents, cut his hands on barbed wire, requiring five stitches in one and four in the other.

Others who joined in the search for Mr. Washington were Dean Turner of Matador and Donnie Turner of Fort Worth.

Mr. and Mrs. Otis West and Keith Loter of Childress, and Mr. and Mrs. Joe McClain, Shawn and Brent of Lubbock spent the weekend with Mr. and Mrs. D. M. Pickrel.

Mrs. Ollie Nell was in Tulsa on business Monday of this week.

Mrs. Weldon Griffin underwent surgery at Nichols Hospital recently in Plainview. She is reported to be doing fine.

Mr. and Mrs. T. J. Reeves of Plainview spent from Tuesday until Thursday of last week with their daughter and husband, Mr. and Mrs. Bud Bailey.

BOB MERRELLS HONORED ON 25th WEDDING ANNIVERSARY

Mr. and Mrs. Bob Merrell were honored and surprised Sunday when the Merrell families gathered for lunch at the home of the Truman Merrells. The occasion was the Bob Merrell's 25th Wedding Anniversary. Bob and Evelyn had planned to spend the day with his parents, Mr. and Mrs. W. W. Merrell. Her parents, Mr. and Mrs. Mark Martin of Tucumcari, New Mexico, attended the get-together, too. Everything was going according to plans until a couple from Kress, Mr. and Mrs. Buddy Buske, arrived; then the Bob Merrells decided something unexpected was happening.

The centerpiece for the table was made of red and white carnations with a silver "25".

Hosting the occasion were Bob's brothers, sisters and their children.

The couple received a beautiful bedspread, hanging lamp, and several small silver items and some money.

Those present for the occasion were Mrs. Wayne Pigg, Jeana and David, Kress; Sue Pigg, Mr. and Mrs. David Cook, Plainview; Mr. and Mrs. J. P. Taylor, South Plains; Katy Taylor, Lubbock; Mr. and Mrs. Joe Taylor, Gregg and Rise, Lockney; Mr. and Mrs. Mark Merrell, Canyon; Mr. and Mrs. Bob Merrell, Lockney; Mr. and Mrs. Buddy Buske, Kress; Mr. and Mrs. Mark Martin, Tucumcari, New Mexico; Mr. and Mrs. W. W. Merrell, Cappy Wise, Mr. and Mrs. Jake Merrell, Warren and Jerry, Mr. and Mrs. J. Ronald Taylor, Jeffrey and Johnny, Mr. and Mrs. Truman Merrell, Cheryl and Jayne, all of Quitaque.

The Amherst Bulldogs struck for two touchdowns in the first four minutes of play to nip the Turkey Turks 17-14 last Friday night.

The Turks were possibly too intent on stopping the rushes of big full-back Bobby Clayton, and were caught napping as the Bulldogs scored on a 65 yard pass play and a dash of 85 yards to lead 14-0 with only four minutes gone.

Turkey could not move on their first two offensive thrusts and it looked as though they were out of this one early as the Bulldogs were making another drive.

Joe Lane brought the Turks to life when he jumped in a Bulldog fumble on the Turkey 25 yard line. Suddenly the Turks were an aggressive football team.

Billy Vivens led the Turks' first scoring drive, the TD coming from

TURKEY FOURTH GRADE TO HAVE CONCESSIONS STAND AND DOMINOES FOR CARNIVAL

The Fourth Grade of the Turkey Schools will have a concessions stand, with "42" and dominoes in the cafeteria at the Halloween Carnival Saturday night. Everyone is invited to come by for a snack with something to drink, then have some fun playing 42 or dominoes.

QUARTERBACK CLUB HAS MEETING IN TURKEY

The Turkey Quarterback Club had its regular meeting last Monday night at 7:00 p.m. The club is still making plans to build a crow's nest on one of the light poles for Johnny Powell to take movies of the football games. A special thanks goes to Johnny Powell for his time and talent for making films of all the Turkey Turk home games.

We would like to invite all of the Quarterback Club members to begin attending the club meetings. We meet every Monday night at 7:00 p.m. at the school cafeteria or the grade school 8th grade room. We have a short business meeting, then Coach Scott and Coach Mouser talk, explain and answer questions on fine points of the last Friday night's game. Coach Scott shows the film of the game, explains it, and reviews what happened. He then gives a scouting report for the upcoming game and tells what our team can expect.

Our boys play Nazareth here Friday night at 7:30 and we invite everyone to come out and watch them play. Come out and support YOUR team.

Mr. and Mrs. Dwight Smith and small daughter arrived Monday night. He has received his discharge from service and will be employed with his father. They have rented the Hughes house in the east part of town. We are glad to welcome this family to our community.

NUOVO CLUB MEETS IN POWELL HOME

Members and visitors of the Nuovo Study Club met in the home of Mrs. Denver Powell on October 22. Mrs. Bill Lane, Mrs. Boyd Lane and Mrs. Leon Lane were visitors.

After a devotional by Mrs. Powell, each member responded to roll call with an example of a work of art.

Featured on the program was Mrs. Jean Lyles who demonstrated a landscape painting in oils, explaining her technique as she painted.

Club members expressed a desire to show their appreciation for the community response to the birthday calendar.

Mrs. Bain will be hostess for the next meeting on November 5.

Looking as though they would take control, the Turks started the second half with a drive that ended on the Amherst 1 yard line when a quarterback keeper failed to gain.

A few minutes later the Bulldogs kicked a field goal that proved to be the eventual difference in the game.

The second Turkey score came early in the fourth quarter. With the entire Turkey line opening holes in the Amherst defense, the Turks ripped into the Bulldogs with a vengeance. Franz Cruz scored the TD as he went into the end zone untouched on a perfect reverse play.

Turkey running back Billy Vivens was superb in a drive that repeatedly flipped off yardage with tacklers hanging on.

The Turks host the Nazareth Swifts Friday night. Game time is 7:30.

If the Turk continue to play as well as they did last week, we think you will see a Turkey victory. So don't miss it!

TURKETTES WIN FIRST TWO TILTS

The Turkey Turkettes basketball won their second outing of the new season Tuesday night when they defeated Nazareth 50-36 in a game played at Turkey.

The Turkettes won over Nazareth Tuesday night of last week.

Tuesday night's game was close the first half of play with the count tied 11-11 at the end of the first quarter, and half-time Turkey only held a four point lead.

During the final two periods of play, however, the Turkettes came on strong and won going away. They led 37-28 at the end of three quarters.

Debbie Lane captured scoring honors for the game, tossing in 20 for the winners.

The Turkey girls basketball team drove to Nazareth Tuesday of last week to start a brand new basketball season and they won that opening game 48-37.

Debbie Lane won scoring honors for the night with 18 points with Peggy Fuston a close runnerup with 17 points, and Karen Eudy rounded out the scoring with 12 points.

Next Tuesday night The Turkettes go to Matador for a single game, then Matador returns the game at Turkey on Tuesday, November 10.

Mr. and Mrs. John Manry and son, James, of Lake Tawakoni spent Friday and Saturday with her mother, Mrs. W. W. Cain. Sunday afternoon visitors with Mrs. Cain were Mr. and Mrs. Ray Crabb of Abilene.

Mrs. Jerry Dixon and David of White Flat spent Friday night with Mr. and Mrs. Deloy Myers and attended the basketball games between Spade and Quitaque.

Mr. and Mrs. V. B. Bradshaw and Mrs. Willie Royce Bradshaw and daughter of Floydada visited Tuesday in Turkey with relatives and friends.

Mr. and Mrs. Glenn Christian of Memphis and Mr. and Mrs. Bill Srygley of Dumas visited Sunday in the Albert Christian home.

FHA EXPLAINS NEW TYPE HOUSING LOANS

The supply of modern housing in Briscoe County may be expanded by a new cooperative effort with private industry announced today by George H. James, Jr., county supervisor for the Farmers Home Administration, rural credit service of the U. S. Department of Agriculture.

"From now on builders, developers and others in the home building and financing fields ran work directly with prospective borrowers to 'package' applications for rural housing loans," James said.

"Participation in the packaging program," he added, "will be limited to those who can provide all the necessary information about the home, assure its delivery at a specified price, and can work directly with the applicant family."

He explained that the packager will assemble reliable information on the applicant and the home he wants to buy, build or improve. They will submit the data on forms supplied through the local Farmers Home Administration office at 219 North-west Second in Tulla, or at the Briscoe County Courthouse, at Silverton. When the information about the building and applicant is complete, the loan can be approved and funds made available by the FHA.

Families residing in communities of 5,500 population or under are eligible to apply for FHA loans. They must be unable to obtain adequate credit from private sources. Approved borrowers receive direct financing through FHA.

The county supervisor said a briefing session for interested builders

THE VALLEY TRIBUNE — THURSDAY, OCTOBER 29, 1970

and developers will be held at Tulla, Monday morning, November 9.

"The first step for a prospective packager is to meet with the FHA county supervisor to obtain detailed information about eligibility requirements for a loan and the type and cost of homes the agency can appropriately finance," James said.

In general, he explained the family must seek decent, safe and sanitary housing must be unable to obtain credit from other sources and must have sufficient income to repay the loan, pay taxes and insurance, maintain the house and meet other living expenses. Family income, however, may not exceed limits established by FHA.

The county supervisor said loans may be made to farm owners, non-farm tract owners, rural residents or non rural residents with low to moderate incomes who work in a rural area. The home may be on a farm, in open country or in towns under 5,500 population that are rural in character and not adjacent to an urban area.

"Each packager should understand that final action cannot be taken on applications until all required information has been submitted to FHA. The applicant is interviewed by the county supervisor and any required

supplementary information has been obtained," James pointed out.

A 36-page manual explaining the program is now available at the local office.

The Farmers Home Administration rural housing program totals \$1.9 billion in fiscal 1971, and will finance about 125,000 units. The total in 1972 is expected to reach 200,000 units.

The county supervisor noted that James V. Smith, Administrator of the Farmers Home Administration "has expressed confidence that this new program will help smooth the way for applicants and move us more rapidly toward the national goal of adequate housing for every family in rural America."

To the Voters of the 80th Legislative District

We want to direct your attention to the candidacy of State Representative Bill Healy of Paducah, and to enlist your active support in his behalf. Our reasons are these:

His knowledge of law and government eminently qualify him for this position. Fortunately, Bill has a clear understanding of this district's goals and problems. His ability and courage to do something about them is unquestioned. These qualities have won him recognition and respect within the Democratic House majority and the public officials with whom he works.

This same dedication and effective effort also has made him enemies. You can be certain that smear tactics and innuendoes, sown and spread by self-serving, outside interests, which preceded the primary election will be renewed with vigor. So be forewarned.

Bill has given this district EFFECTIVE Representation. He will continue to do so as a seasoned member of the Democratic majority already assured if election. We hope that not only for Bill Healy, but for what it means to Texas and to our district in particular, that you—and your friends—will actively support Bill Healy in his campaign for re-election November 3.

(Delayed)

Mr. and Mrs. Melvin Spray took Mrs. Bill Smith of Matador to Big Spring Sunday to visit her husband, who is in the hospital there.

Mrs. Rinnie Rogers and boys of Lubbock visited his parents, Mr. and Mrs. Howard Rogers and other relatives and friends in Flomot over the weekend.

Bob Ham of Quitaque visited Wednesday of last week with Mr. and Mrs. Melvin Spray.

Mr and Mrs. Joe Degan recently returned from a few days visit in the Valley, spending most of the time sight-seeing.

The 12th annual session of the Caprock Baptist Association was held in the First Baptist Church Quitaque on Thursday of last week from 9:30 a. m. until 2:30 p. m.

Ernes Stewart served as Moderator. W.M.U. reports were given by Mrs. Mary Corley; Evangelism report was presented by C. H. Murphy; and the Training Union Report was presented by Craig Wilcox. Other reports, "Texans Who Care" by Norris Taylor, and Sunday School and VBS report was presented by Leo Cole.

The sermon was presented by Leonard Sims. Dr. Straus Atkinson, Area Missionary, brought the Missions Report. About 1100 were present at the meeting.

Those from Flomot attending were Rev. and Mrs. Leo Cole, Mrs. L. B. Turner, Mrs. G. G. Eiler, Mrs. Jay Franklin, Wayne Hunter and L. D. Bilberry.

Word was received Saturday of the death of Mrs. Vivian Tibbets Merrell, 64, who died Friday in Houston where she had been making her home with a daughter. She was a sister of Sam Tibbets Snyder and Mrs. Fay Patrick of Tulare, Calif. She was buried Sunday in Salinas, N. M.

Mr. and Mrs. J. C. Franks and Coy have just returned from a week's vacation at Springer, N. M. where they visited Rev. and Mrs. Jack Terrell and family. They drove on to Eagle Nest to visit the Baptist Mission here. The mission pastor is Re Coy Finley. The Franks also visited in Farmington, N. M. with his brother and wife Mr. and Mrs. A. N. Franks. Enroute home they were snow bound for a time at Tucumcari on Thursday and spent the night here. Friday morning they drove to Amarillo where Mr. Franks had an appointment with an eye doctor. They came home that night.

U. S. agricultural products than any other country in the world—a record \$1.1 billion worth during the 1970 fiscal year," Kitchens said.

He pointed out that feed grains, soybeans, wheat and cotton are important farm crops in Briscoe County and that exports of these farm products to Japan have gone up dramatically in recent years.

More than six million tons of feed grains were shipped to Japan last fiscal year—just about one-third of U. S. feed grain exports. Soybean exports to Japan had a 251 million dollar value, and wheat exports \$136 million. Japan is our best cotton customer, taking one-fourth of its cotton from the U. S., and Japan bought \$50 million worth of tobacco from the U. S. during the last fiscal year.

The ASC committee chairman reported that Secretary of Agriculture Clifford M. Hardin recently took note of the American-Japanese trade story, calling it unprecedented.

Secretary Hardin also said: "The Japanese economy has paralleled that nation's growth in trade. In the years between 1960 and 1965, Japanese shipments in world trade more than doubled. By 1969, they had almost doubled again, reaching \$16 billion. Shipments to the United States increased in those nine years by more than four times—\$4.9 billion.

"The Japanese householder's disposable income has more than tripled since 1960. His demand for meat, milk, and eggs—a good 'horseback' measure of consumer prosperity—has increased by more than four times in 15 years.

"He is diversifying his eating habits as his income goes up. For example, per person consumption of wheat flour in this traditionally rice-eating society has increased by 30 per cent in a decade and a half.

"Ten years ago, Japan's agricultural imports from the U. S. were \$440 million. In the fiscal year just past, they were more than twice as great—nearly \$1.1 billion.

"But the agricultural exports are only one aspect of a beneficial

CUSTOMER FOR U. S. FARMERS**

Briscoe County residents are well aware that U. S. Japanese trade is extensive. Louie Kitchens, chairman of the Briscoe County Agricultural Stabilization and Conservation (ASC) Committee, commented recently.

"Almost everyone recognizes that Americans are important customers for Japanese goods. I wonder how many of us realize that the Japanese are major customers for American goods, especially for American farm commodities.

"In fact, Japan imports more

trading relationship that can be summarized very simply: in terms of total exports, the United States is Japan's best customer, and Japan is the United States' best off-shore customer.

"As you might expect, two-thirds of U. S. shipments to Japan last year were raw materials, mineral fuels, and foodstuffs, while 90 per cent of Japan's shipments to the U. S. were manufactured goods.

"This is the basis of beneficial world trade — an exchange of goods based primarily on production efficiency.

"It is this principle that led Japan to look to efficient producers on the broad farmlands for the feed grains needed to satisfy its people's rising demand for livestock products.

"As a result, imported feed grains have triggered a rapid expansion of Japanese livestock production. This has brought Japanese consumers more meat and poultry at better prices; it has opened opportunities for Japanese farmers for new and profitable livestock enterprises; it has meant an important and expanding feed grain market for world agriculture.

"Almost the whole range of U. S. farm commodities finds Japan a leading customer.

"Japan wants, needs, and can afford these products, and the U. S. can supply them in any system of international trade in which price, quality and availability are the primary factors.

"In a world of competition, export expansion means salesmanship and service as well as price, quality and availability. The producers and marketers of the major U. S. agricultural products have understood this, and they support some 68 private trade organizations formed to develop markets overseas in cooperation with the Department of Agriculture. This is, of course, a mutual effort—with many strong Japanese organizations bringing it to their special knowledge, their special abilities."

In closing, Agriculture Secretary Hardin gave special recognition to the trade organizations for the three commodities which last year accounted for two-thirds of total U. S. agricultural exports to Japan—feed grains, soybeans, and wheat.

Why Preston Smith ?

Preston Smith believes in working hard. For you. And that's why he's doing such a good job as Governor of Texas.

When Preston Smith entered public service, he didn't start by asking Texans to elect him Governor. That would have been foolish, because being Governor carries great responsibilities. And it demands the clear, steady judgement that comes only from experience.

Preston Smith had the good common sense to work his way up—gaining insight into how our state government functions.

He served six years each—as State Representative . . . as State Senator . . . and as Lieutenant Governor. Only then, when he felt fully qualified, did he seek the Office of Governor.

Now, after two years he has expanded the duties of the Governor's Office to better serve all the people of our State.

Yes, Preston Smith believes in hard work. For 20 years, he's been working for Texas—doing a good job. You can help keep him as Governor. Vote. Vote for Preston Smith on Tuesday, Nov. 3.

Preston Smith

is doing a good job. Let's keep him working for Texas.

THE WORLD GOD MADE

Teach them the wonder of its foliage, the panorama of its seasons, the mystery of ever-renewing life.

Teach them the world God made.

But teach them, too, the God who made the world . . . the majesty of His Power . . . the purity of His Holiness . . . the tenderness of His Love.

Teach them the Christ through Whom our Creator revealed His heart to mankind.

There is no greater tragedy than to cherish a book, but not understand its Author.

Shirttail Sermon

"Man shall not live by bread alone, but by every word that proceedeth out of the mouth of God." (Matthew 4:4)

It was a beautiful airplane, new, fast and powerful. But as it took off and began to climb, it stalled and crashed. Just before the pilot died, he replied to a question a-

bout the cause of the crash: "I tried to fly it on ordinary gasoline, but it was built to run on high octane only." And so, because of inferior fuel, the plane was lost and the pilot killed.

The soul which God placed in man was designed to operate on a certain type of fuel. If your life isn't pleasing you (much less God)

run in for a checkup. You may be using the wrong kind of fuel.

There are many who insist that man can live by bread alone. Food, clothing, shelter, financial security, good health—these, they think are the ingredients of life. So they provide these for living and expect contentment. But they have a gnawing hunger for something greater. They are dissatisfied and empty.

There are others who recognize that bread is not enough. These turn to spiritual food—the high octane fuel on which the soul of man depends. They respect the Word of God and when God speaks they listen. These know that the bread of this life has its

place, but they are not satisfied with this alone. They know they cannot survive on the low octanes of life.

Your soul operates on high oc-

tane only! Have you checked your fuel lately?
