Everybody's got a dream lurking around in the back of his mind. A dream vacation. A dream cottage. A dream car.

Dreams can be a lot more fun if you know you're doing something to make them come true.

And that's what the Payroll Savings Plan is all about. When you sign up an amount you specify is set aside from each paycheck and used to buy U.S. Savings Bonds.

Now Bonds mature in less than six years. That's the shortest maturity period ever, and makes Bonds a practical way to save for dreams you want to come true while you're still young enough to enjoy them.

See the folks in the payroll office where you work. They've got dreams for sale.

Now E Bonds pay 51% interest when hald to maturity of 5 years, 10 months (4% the first year). Bonds are replaced if lost, stolen, or destroyed. When needed they can be cashed at your bank. Interest is not subject to state or local income taxes, and federal tax may be deferred until redemption.

CARD OF THANKS

We want to thank everyone who remembered us in any way during the illness and death of our dear father, grandfather, great-grand-father and great-great-grandfather. Thank you for the flowers, cards, nemorial offerings made to the church and cemetery, phone calls, visits and the food brought to the home and served at the church. Thanks for the message and song service. May God bless each and

y one of you. The family of J. G. Gowin

Check For Mosquito Breeding Sites

With recent rains, water may be Excellent condition standing in some locations on your premises. Such standing water mates an excellent place for raising mosquitoes, points out County Ex-tension Agent Jimmy Vanstory.

Mosquitoes lay eggs wherever water will collect and stand for a week or longer. Young mosquitoes develop only in water and prefer polluted water for breeding.

If standing water on your prem

ses cannot be eliminated, check it When buying lawn fertilizer, be-ware of elaborate wording, label-ing and packaging. Instead, check for the actual nutrient content of the fertilizer, advises County Extension Agent Jimmy Vanstory, Fancy packaging and elaborate wording can lead the homeowner

as well as kerosene or fuel oil.

To prepare your own spray, mix
3½ teaspoons of a 50 to 57 percent malathion emulsifiable concentrate to enough water, kerosene or fuel oil to make one pint of spray. Or mix 2¼ teaspoons of 20 percent lindane emulsifiable concentrate The sequence of three figures

to make one pint of spray.

Spray one ounce (2 tablespoons)
of one of these mixtures to each contains 12 percent nitrogen, 12 percent phosphate and 12 percent

100 square feet of water surface, recommends Vanstory.

For kerosene or fuel oil at full strength, use two to four ounces to each 100 square feet of surface. potassium. It is important to use a complete fertilizer at least once a year, usually in the early spring. After that, a nitrogen fertilizer such as ammonium nitrate, ammonium sulfate or urea will give Do not use kerosene or fuel oil on water containing emergent ve-

This would be six pounds of ammonium nitrate, ten pounds of ammonium sulfate or five nourds of year. It weat Hereford spent the long weekend in Quitaque visiting their parents, Mr. and Mrs. Walter Taylor and Mr. and Mrs. James Barefield and Joey.

or five pounds of urea. If urea is used, it should be watered immed-iately after fertilization, cautions Mrs. Floyd Bodkin and John Go-win and daughter, Paula, of Tulsa, Oklahoma spent Saturday night with Mr. and Mrs. A. C. Barrett. Vanstory.

The agent notes that a major cause for poor lawns is inadequate nitrogen—either too little per application or a lack of repeating applications during the second of the secon Sunday Mr. and Mrs. Bob Hulet and Martha of Amarillo stopped by for a short visit.

Mr. and Mrs. Ed Smith of Miami, Florida, have been visiting the Solon Owens, parents of Mrs. Smith. While here, the Owels and the Smiths visited Mrs. Owens brother and wife, Dr. and Mrs. Quah Rumph, who live near Austin, Texas. They visited the LBJ Library at Austin. While there, a nephew of the Solon Owens drove over from Houston to see them. They were Mr. and Mrs. Jim Harland and little daughter, whom the Owens had never seen. Mr. and Mrs. Smith returned to their home this week.

Earl Lee Woods and his friend Butch Scott and son, Clint, of La-mesa spent from Friday, May 25, until Sunday, May 28. They fished at Lake Theo. Earl Lee guaranteed his friend, Butch, there would this tale proved to be bigger than the fish they brought home.)

They were guests in the home of the provents. We and was Earl Lee's parents, Mr. and Mrs. Bill Woods

Mr. and Mrs. J. D. Lesley of Lubbock spent the weekend here visiting with Mr. and Mrs. Billy
