MRS. CARTER'S BROTHER DIES
Mrs. J. W. Carter received word Friday morning, November 13, of the death of her brother, Leslie Thomas, of Pietown, N. M. He died at Sweetwater where he and his wife had been living for a short time.

Leslie Webster Thomas was born September 24, 1896 at Calera, Indian Territory, 5 miles north of Durant, Okla. He and his family moved to New Mexico in 1926. A few months ago the doctor told him that he had to get out of the high climate, and they moved to Sweetwater. They were in the process of moving back to Pietown when he suffered a heart attack, and death followed Sunday morning.

He is survived by his widow and children, 33 grandchildren and

one great-grandchild. Two children preceded him in death.

Funeral services were held Wednesday of last week at Pietown, N. M. with interment in the cemetery there.

Mr. and Mrs. Boone McCracken were just leaving Tucson, Ariz. where they had been visiting their daughter and family, the Joe Youngs, when they received the message of the death of her uncle. They came to Pietown Monday, the Youngs accompanying them that far. They visited with the relatives and after the funeral was postponed until Wednesday in order that some of the children in Oregon might attend, the McCrackens came on home Tuesday. They had been in Arizona two weeks and felt they must get home.

REVIVAL ANNOUNCED FOR ASSEMBLY OF GOD CHURCH

REV. MOODY K. HICKS
Childress, Texas

Rev. Lemy Pike, pastor of the Assembly of God Church in Quitaque, announces plans for a revival to be held at that church beginning Monday, of next week, November 18 and continuing through Saturday, November 23.

Evangelist for the revival will be Rev. Moody K. Hicks of Childress.

Services will be held each night beginning at 7 o'clock. In addition to fine Gospel preaching, pastor Pike stated that there would be special music along with congregational singing.

A warm welcome is extended to everyone to attend the services.

Mrs. Bennie Brown of Quitaque and Mrs. R. C. Brown of Turkey attended a Panhandle Kindergarten Teachers Workshop in Amarillo last Saturday. There were several good speakers on the program and a wealth of information was passed on to the listeners.

Flomot, Mrs. B. F. Rhoderick, Lubbock, Mrs. Roger C. Brown of Turkey, and Mr. and Mrs. S. C. Brown of Quitaque.

Charles G. Whitaker was on leave from service, and he will leave for Vietnam on Dec. 15.

Mr. and Mrs. Ray Persons drove to Vernon Tuesday of last week for Mrs. Persons to vote. They returned home Wednesday.

Cheri McNabb, daughter of Mr. and Mrs. Millard McNabb of Amarillo and granddaughter of Mr. and Mrs. A. C. Barrett was one of four students out of 12 Amarillo schools to attend a speech contest at Canyon last week. She didn't place at Canyon, but left Friday on another tour to attend a contest at Wichita Falls.

Rhonda Rogers of Plainview spent the weekend with her parents, Mr. and Mrs. J. T. Rogers, Beverly and Jonann.

Dinner guests Sunday at the home of Mr. and Mrs. R. J. Harmon were her sister and husband, Mr. and Mrs. Delmar Davis of Dallas, a brother and wife, Mr. and Mrs. J. N. Fletcher of Roaring Springs; the Harmon's daughter and family, Mr. and Mrs. Paul Langdon and children of Ralls, and Billie Sue Cheatham.

Mr. and Mrs. P. T. Clark, Jr. of Levelland and Mrs. Dale Ritter and Diane of El Paso spent Saturday night with Mr. and Mrs. R. L. Patrick.

Frank Gattis of Abilene spent last Thursday night with his sister Mrs. George Owens and Sissy. He was enroute home from a visit in Kermit.

Mr. and Mrs. Joe Seay and son of Clarendon, S. C. left Thursday of last week on their trip home, driving to Alvarado to visit Mr. and Mrs. George Kaether and children and Mr. and Mrs. Rayford Hewett and children, leaving there Saturday. They called Mr. and Mrs. J. T. Persons Tuesday night to report they had arrived home safely and had no trouble on their trip.

Jim Majors, Squint House, Loran Denton and J. B. Tabor spent the weekend in Kansas on a pheasant hunt.

Mrs. Jimmy Sue Mullin accompanied her parents, Mr. and Mrs. Jim Burk of Parnell, to Dallas Wednesday where they will visit with relatives for a few days.

— Go To Church Sunday —

Mr. and Mrs. H. R. Curtis of Olton visited Mrs. Estelle Davidson and Mr. and Mrs. Jimmy Davidson and boys Sunday.

Mrs. Buddy Morris and Mrs. Kenneth Dossy were in Lubbock Friday of last week on business.

BEEF CATTLE ASSOCIATION TO HOLD ANNUAL SALE

The Rolling Plains Registered Beef Cattle Association will hold its annual sale in Clarendon on the 20th of November at 12:30 p. m. at the fair building. Walter Britten sell the bulls. Seventy-six bulls will be offered for sale featuring top blood lines and good beef producing bulls and some herd bull prospects. There will be 25 Herefords, 25 Galloways, and 15 Angus bulls in the sale.

The new sales arena is heated and you will be comfortable. If you wish to come by plane you can land at the city-county airport. Buzz the fair building and a car will meet you. Those wishing a catalog in advance of the sale can write to H. M. Breedlove, Secretary, Clarendon, Texas 79226.

BRISCOE COUNTY From The County Agent's Desk

A number of Briscoe County farmers and ranchers, along with about 40,000 other Texas livestock producers, will receive a most important questionnaire during the last half of November.

It will come from the Texas Crop and Livestock Reporting Service, Austin, and it should be filled out and returned as soon as possible.

Here's why: The information gained from the questionnaires will be the basis for the official estimates of livestock numbers, cattle, hogs and poultry for the State of Texas and for each county. The survey on sheep and goats will be made in late December.

Accurate estimates are of great importance to stockmen in planning production, marketings and for providing an unbiased picture of Texas agriculture.

The Texas Legislature has provided for the program of estimates for each county because state totals alone do not provide adequate information on our most basic industry. The program of estimates is a cooperative effort of the U. S. Department of Agriculture's Statistical Reporting Service and the Texas Department of Agriculture which depends upon the reporting producers for the needed information.

I urge each producer who receives a questionnaire from the Reporting Service to fill out completely for his farm or ranch and return it in the enclosed postage-free envelope.

Kenneth D. Cook
County Agricultural Agent
Briscoe County

To Be Presented In Recital

Sherry Lane Stark

☆ ☆ ☆ ☆ ☆ ☆

Sherry Lane Stark, daughter of Mr. and Mrs. O. R. Stark, Jr., will be presented by her piano teacher, Sam B. Brown of Tulia, in Recital on Sunday, November 17, at the First Baptist Church of Quitaque at 2:30 p. m.

The program will include: "Two-Part Inventions", Bach; "The Dwarfs", Greig; "The Harmonica Player", Guion; "Bolero", Moszkowski; "Prelude in G Minor," by Chopin; "Flower Waltz," from "The Nutcracker", Tschalkowski, "Autumn in D-flat Major," Cha-

minade. The public is invited to attend.

There will be a reception following the recital at the home of Sherry's grandparents, Mr. and Mrs. Orin Stark.

Sherry is a Senior at Quitaque High School and has studied piano for twelve years, the last four years with Mr. Brown. She has played on the Pantherette basketball team for four years, is editor of the school yearbook, has held offices in F.H.A., is Lions Club Sweetheart, and is pianist for the Chapel Choir.

Well, What Do You Know? fun, games and knowledge

by MARTHA GLAUBER SHAPP, Editor, The New Book of Knowledge

What makes popcorn pop?
Popcorn is different from other kinds of corn, and it's that difference that makes it pop. Popcorn has a hard, tough, waterproof covering. So when popcorn is heated, the natural moisture inside the kernels can't escape. When it's heated enough, though, the moisture turns to steam and the kernels explode.

Does air have weight?
It does, and I'll tell you how you can prove it to yourself and your friends with a simple and interesting experiment. Hammer a long thin nail through the mid-point (the 18-inch mark) of a yardstick. Balance the yardstick by placing each end of

to one end of the yardstick. On the other end, to make a perfect balance, tape a dime or penny or attach a paper clip. Now take the balloon off and blow it up. When you attach it again, full of air, you'll see that end of the yardstick dip down. That's because the air inside the balloon has weight and makes it heavier.

Do you know why the engine is usually in the front of a car?
When cars were first invented, the inventors put the engine up front where the horse used to be. But there are other reasons, too. When the engine is up front the rush of air through the radiator grill keeps it nice and cool. And it's much easier to link the controls between the dashboard and the engine.

Do you know how the Amazon River got its name?
A lot of people think a large lady is called an "Amazon" because the Amazon River is big. Not true. It's the other way around!

A Spanish explorer named Francisco de Orellana discovered the South American river in 1541, and one day his party was attacked by a tribe of fierce women. Orellana thought they must surely be descended from a race of women warriors in Greek legend called the Amazons, who lived in Asia Minor, ruled their own country, and had their own army. So he named the river after them.

the nail on a tall drinking glass, as shown in the picture. Attach an empty balloon with a rubber band

(For a free booklet, "The Magic Carpet", illustrated in color from The New Book of Knowledge, send name and address to Martha Glauber Shapp, Box 47, Putnam Valley, New York 10579.)

Sunday guests in the home of Mr. and Mrs. Bennie Brown were Mr. and Mrs. Charles Whitaker of Highland, Calif., Mr. and Mrs. Robert O. Tyson, Altus, Okla., Mr. and Mrs. G. E. Whitaker and Jan,

Sunday guests in the home of Mr. and Mrs. Lon McKay were Mr. and Mrs. Clyde Dudley and Deborah McKay of Amarillo; Mrs. Charlotte Rogers and boys of Flo- mot. Mr. and Mrs. Eldon Martin and baby of Canyon spent Monday night with her parents. Mrs. Alfred Martin of Flo- mot stopped at the McKays Tuesday morning for a short visit.

Stanley Payne of Plainview spent Sunday night in Quitaque with his brother and family, Mr. and Mrs. Joe David Payne and children.

Mr. and Mrs. Phil Barefield of Canyon spent the weekend in Quitaque with her parents, Mr. and Mrs. Walter Taylor, and her brother and sister, Glen Roger and Anna Jean.

QUITAQUE P-TA NOTES

The Quitaque P-TA met Monday night, November 11 in regular session and school patrons present were entertained by the Second Grade under the direction of Mrs. Dora Hawkins. The class presented a program of Patriotic - Thank- giving numbers.

Eva Cheatham presented piano numbers prior to the program by the Second Grade.

Songs presented by the Second Graders were "My Country 'Tis of Thee"; "Autumn Day"; "Once There Was a Turkey"; "Paw-Paw Patch"; the girls sang "Lullaby" and the boys "Indian Braves."

Several readings were presented including Over the River; Thank- giving Day; The Smell of Cookies; Indian Children; A Turkey Sat On a Back Yard Fence.

The Pledge of Allegiance was led by the Boys Scout Troop, along with the pledge to the Texas Flag, a pledge that few of those present seemed to know. The Pledge to the Texas Flag goes as follows:

"Honor the Texas Flag. We pledge our loyalty to thee, Texas, one indivisible."

THE GOODIE CORNER

By Eunice McFall
The weather is turning cooler now and most of us cook more when it is cooler as our families eat more then. I tried out an old tried and true recipe on my hun- gry bunch recently. They enjoyed it so much that I think I'll tell you about it.

CHICKEN AND DUMPLINGS

In a large vessel put 1 dressed disjointed stewing chicken. Add at least 6 cups of water. One chicken bouillon cube added makes a richer broth. Put in 2 teaspoons salt and 2 tablespoons of vinegar. (The vinegar only brings out the chicken flavor and it makes the chicken more tender, not to taste of vine- gar.) Simmer for 2½ to three hours or until tender. Add a bit of sage and pepper to the broth.

Remove the chicken pieces and bring broth to a boil. Add the dumplings. Serves 6.

DUMPLINGS

½ cup hot broth
Pinch of soda
Flour to make firm dough
1 teaspoon shortening
¼ teaspoon salt

when it's inconvenient for you to STOP IN!

Mix soda, salt, shortening, and broth. Stir in flour until it can be handled. Roll out on a floured board as thin as possible. Cut in squares and drop a few in the rest of the boiling broth. Let return to boil. Push dumplings under broth, and add more dumplings. DO NOT STIR. Cook uncovered about 5 minutes. Cover and cook slowly 10 minutes.

To compliment this we served a fresh green salad, canned spinach, and hot biscuits. A glass of milk and a bowl of peaches and your meal is complete.

Another good chicken dish is **SMOTHERED CHICKEN**

4½ or 5 pound stewing chicken
flour
pepper
Salad oil
1 chopped onion

Heat enough salad oil to cover the bottom of the skillet well. Salt and pepper the chicken. Roll in flour. Brown slowly on both sides in hot fat. Turn with tongs as this keeps all the juices in the chick- en. Drain off fat. Put chicken back in skillet and add 1 cup of water and the chopped onion. A bit of sage or thyme may be added if you like. Tomato juice or cream of celery soup diluted may be used rather than water. Cook in a covered dish 2½ to 3½ hours. This may be cooked on top of the stove

Pimientos Brighten Tuna Molded Salad

A festive molded salad can be a party or for the family. It's a colorful one, made with pimientos, is simple to make. Featuring tuna fish, condensed soup and packed cream cheese as its other ingredients.

Pimiento-Tuna Molded Salad

1 can (10½ oz.) cream of celery soup
2 envelopes unflavored gelatin
1 cup cold water
1 package (3 oz.) cream cheese
1 cup mayonnaise
2 cup diced celery
1 cup chopped onion
1 can (7 oz.) pimientos, drained and diced
1 can (about 7 oz.) tuna, flaked
1 cup green peas
1 cup pimiento strips for garnish

Heat soup; soften gelatin in cold water. Combine mixtures and cook over low heat until gelatin dissolves. Cool. Have cream cheese at room temperature, then blend smoothly into mayon- naise. Toss celery, onion, pi- mento, and tuna together and add to mayonnaise mixture. Stir in gelatin mixture and pour into lightly oiled mold. Chill until firm. Unmold on greens and garnish with grape clusters and strips of pimiento. Makes 8 servings.

or in a 325 degree F. oven. Peek occasionally and add water as is needed.

When done, remove the chicken and juice. For each cup of water, add 1½ tablespoons each of flour and fat to the pan. Then stir in juices and cook until thickened. For a creamier gravy, add 2 table- spoons cream.

Fluffy creamed potatoes, hot rolls, lettuce with salad dressing on it, fresh green beans and a cherry pie will set your family's mouth watering when they step in the front door.

Here is an easy oven recipe for chicken that is as delicious as it is easy to prepare.

OVEN CHICKEN

Set oven to preheat at 350 degree F. Cut up fryer. Dip each piece in ½ cup of canned milk. Then roll in a mixture of 1½ cup crushed corn flakes, 1½ teaspoons salt, and ¼ to ½ teaspoon pepper. Line a shallow baking pan with foil. Cook chicken in this for 1 hour.

NUEVO STUDY CLUB WAS TREATED WITH TALK ON FASHION AND MODELING

The Turkey Nuevo Study Club met in the home of Mrs. John Adamson, Sr. on November 7 with sixteen members and two guests present. The guests were Mrs. Jack House and Miss Katy House. Mrs. Willis Walker, president of the club, conducted the business meeting. Since the General Federation will convene in Texas in 1970, plans are in the making for this occasion. Christmas gifts to be sent to the State Hospital at Vernon were brought to the meeting last week.

Mrs. Roy Fuston led the pro-

gram at which time she presented the devotional and introduced the speaker, Miss Katy House.

Miss House gave a very interesting talk on Fashion and Modeling. The hostess served delicious refreshments to the group.

Next meeting will be a Thanksgiving meeting and program led by Mrs. Blume at the home of Mrs. Jess Russell.

Mr. and Mrs. Paul Hamilton of Denton spent from Friday until Sunday evening visiting in the area, spending Saturday with his mother, Mrs. J. N. Hamilton in Plainview, and spent the rest of the time with Mr. and Mrs. N. V. Hamilton.

'Skid-Safe' Roads Are Engineers' Goal

(Above) — Skid machine tests concrete's resistance to skid and wear. Concrete samples are installed in cradle, flooded with water, and pressed against rotating auto tire. (Below) — Close-up of a "broomed" concrete pavement. The textured surface improves traction and reduces danger of skidding.

A screeching, uncontrolled skid of your automobile on a busy highway — that can teach you the real meaning of fear. You also probably learn to drive slower on wet or icy pavements.

Although we don't know as much as we should about skidding accidents, safety engineers know that skidding is a serious problem. Studies in one state showed that skidding contributed to 40 percent of all rural accidents.

Pavement condition is an important factor in skidding. Concrete pavement surfaces are purposely textured during construction. The coarse, skid-resistant surface provides the best possible traction.

A rutted, uneven pavement surface can cause skids, too. Depressions allow water

to collect and cause "hydroplaning" — a dangerous loss of traction as your car's wheels skim over a film of water. The problem of standing water — the main cause of hydroplaning — is sharply reduced with concrete pavements, which are built with a slight crown to permit rapid water runoff.

How can the safe driver avoid dangerous skids?

— Slow down on wet, icy, or oily pavements.

— Use tires with good tread. Bald tires cut traction dangerously.

— Check your brakes. Spot checks show that at least 15 percent of all cars brakes are in an unsafe condition.

Mrs. Buster Chadwick of Quitaque honored her Grandmother Clark of Turkey with a birthday dinner at her home last Sunday, November 10. Mrs. Clark was 82 years young.

Those present were Mr. and Mrs. Birt Lane and family, Plainview; Mr. and Mrs. Leon Lane of Turkey; Mr. and Mrs. P. T. Clark, Jr., Levelland; Mr. and Mrs. Dale Ritter and baby of El Paso; Mr. and Mrs. Guy Smith, Turkey; Mr. and Mrs. Vance Robison and girls, Mr. and Mrs. Buster Chadwick and girls and the honoree, Mrs. P. T. Clark, Sr., the Turkey.

All of the group attended church at the Church of Christ in Quitaque. There were 25 present. Several members of the family were unable to be present due to illness or previous plans.

Mr. and Mrs. J. D. Nance of Rock Creek called in the afternoon.

Mrs. Buddy Morris accompanied Mrs. George Settiff of Turkey to Plainview Sunday to sit with Mrs. J. N. Hamilton. They also visited Mrs. H. J. Bailey. Theo Geisler,

QUITAQUE BAPTIST W.M.S. NOTES

A group of eight ladies from the Quitaque Baptist Church drove to Flomot Monday night of last week to join the ladies of that church for a "Day of Prayer" program. The theme of the program was taken from Matthew 25:40, "In as much as ye have done it." The program began at 7 o'clock and lasted until 8:30.

The Call to Worship was begun with soft piano music, followed by the hymn "Sweet Hour of Prayer."

A devotional was presented by Mrs. W. B. Allen. Her text was "Teach Me to Pray, Lord." The Lord's Prayer was given by Miss Gladys Stroup, leader of the group.

Miss Stroup presented the Call to Prayer, beginning with the

Scripture taken from Romans 10: 8-15, then read the calendar of prayer.

Mrs. Glenn Ramsey presented the president's message. Mrs. R. J. Harmon spoke on "Showing Compassion", and Mrs. Jake King presented the part "Testifying." Mrs. Bill Curry's part, "Praying" was followed by "Giving", presented by Mrs. A. E. Gragson.

Mrs. L. B. Turner of Flomot discussed the "Purpose and Use of the Offering."

The hymn "Blest Be the Tie" was sung and the ladies retired to Fellowship Hall where the last number on the program was presented, followed by the benediction. Mrs. Dan Kingston and Mrs. Clayton Bond concluded the meeting with the song "In the Garden."

In Appreciation

It is with a great sense of humility that I extend my appreciation to the voters of the 75th Legislative District of Texas for the trust you have placed in me. I am also deeply grateful to the various committees and individuals who gave their time, money and in many other ways helped my campaign for the office. Without your trust and dedication my election would have been impossible.

I would also like to extend an invitation to everyone in the district to contact me on the various issues that will confront us as we enter the new season of legislative work. Your opinions and insight into the problems and needs of the district will weigh heavily on any decision I will be called on to make in the Legislature.

Again thanking each of you.

Tom Christian

Shirttail Sermon

I BELIEVE GOD

"Wherefore, Sirs, be of good cheer: FOR I BELIEVE GOD, that it shall be even as it was told me." These words were spoken by Paul during the terrifying storm encountered before he and those on board the ship, numbering two-hundred and seventy-six people, were wrecked and cast upon the island of Malta. They were on their

way to Rome, and Paul had told them that God had promised that not one person would be lost, only the ship.

"I believe God." This expression of faith formed the very center of Paul's life. He was God's servant, and relied implicitly on God to be with him in his service. The God whom Paul trusted for his very life and existence was the One who made the world and all things therein, the One in whom we live and move and have our being.

The primary reason for our failures in life today is that we do not believe God. He speaks words of instruction for a proper way of life for us; but we don't believe God enough to harken. Failure in that trust, there is no other foundation upon which we can build with assurance. Consequently we stumble around without direction or firm purpose. There is always something lacking, something more we need for satisfaction.

It is no wonder there is so much unhappiness and apprehension in our world. The heart throbs with anxiety even when all seems well. When we have no deep reliance in God, there can be none in anything. We rise to the very pinnacle of victory when, with the storms raging fearfully around us, we can say with full assurance, "I believe God, that it shall be even as it was told me."

Claud L. Woods

SAMMIE JOHNSON TO BE MARRIED

MISS SAMMIE JOHNSON (Bride-Elect)

Mrs. Lorene Johnson of Plainview and Clayton Johnson of Quitaque announce the engagement and approaching marriage of their daughter, Sammie Sue, to Stanley Ray Payne, Plainview, son of Mr. and Mrs. A. W. Payne of Lockney.

Wedding vows will be read in the Church of Jesus Christ of Latter-Day Saints Dec. 6 at 8 p. m.

Miss Johnson was a 1968 graduate of Quitaque High School and has completed a course in court reporting at Southwest Business College.

Payne graduated with the class of 1964 from Lockney High. He is employed at Gaylor's Men's Hair Styling and Barber Shop.

daughter, Kristi, born to Mr. and Mrs. Darrell Fuston. Mrs. Lizzie Cotten returned home with them after a visit in Dallas with her daughter and family, Mr. and Mrs. Duncan Chandler.

Mr. and Mrs. Leland Pinkerton and family of Colorado City spent the weekend with Mrs. Vera Pinkerton and Billy Joe.

Billy Joe Pinkerton attended church services Monday night at Tulsa and visited with Mr. and Mrs. Jackie Pinkerton and family.

Flomot News

By Jean Kingston

The 1968-69 basketball season opened at South Plains Junior College at Levelland Saturday, November 9 in the modern Texas Dome at Levelland.

Included on the squad of SPC is George Calvert of Flomot, a 5-11 guard who lettered four years while attending Flomot High. He was all-district three years, second team all-state the past season, and was selected all-tournament at Hart, Matador, Silverton and Farwell tournaments. At Hart he received the Most Valuable Player Award. After completing his work at SPC, George plans to attend Texas Tech.

Baptist Women's Day of Prayer was a special service at the Flomot Baptist Church on Monday, November 4. Large letters with the theme, "In as much as ye have done it," from Matt. 25:40 were across the front of the church, with table in front depicting the foreign countries. Several miniature figures in native dress and flag of that country were shown, along with the open Bible and world globe. Fellowship Hall carried out the safe theme with the refreshment table depicting a garden with a praying disciple.

A book of poems was presented to Mrs. W. B. Allen of Crosbyton, who presented the devotionals.

This was a joint meeting of the Flomot and Quitaque women, with the Quitaque women presenting the program. This is the second

year these two groups have observed Baptist Women's Day of Prayer together. Last year Quitaque was the host church with the Flomot group bringing the program. It was reversed this year with twenty-five attending and 4 men being present.

Coy Franks, Clois Shorter and Tommy Cammerer, all students at Texas Tech, rented a plane and flew to Dallas Tuesday so that Tommy could vote in the General Election. They stopped at Quitaque, then drove to Flomot so that Clois could vote, then returned to Lubbock.

Mr. and Mrs. George D. Pope visited with their son and family, Mr. and Mrs. Melvin Pope and family at Brownfield Saturday. On their return home they stopped in Lubbock to see the Tech-TCU football game.

Mr. and Mrs. W. W. Merrell visited recently with Mr. and Mrs. Bob Merrell at Lone Star.

Two one-car accidents near Flomot claimed the lives of three young men the past week. Wednesday evening of last week, Mark Phillips of Memphis lost control of his auto about three miles north of Flomot and was thrown through the back window as his car careened around the curve and over the culvert. He was an ex-service man and a student at Texas Tech.

Three boys from Turkey were found in the wreckage of their car early Sunday morning after it had collided with a parked tractor and cotton stripper north of the County Implement barn. Dennis Jouett, Jackie Maupin and Perry Lane were the three victims of the accident. Jouett and Maupin were killed in the mishap. Lane is expected to recover. The automobile had to be pulled apart with a pickup and a piece of road machinery before the bodies could be removed from the wreckage.

TURKEY F.H.A. NOTES

The Turkey F.H.A. Chapter held its regular meeting Monday, November 4th at 4 o'clock in the school cafeteria. Included in the

meeting was a tea party, with the F.H.A. Mothers as honored guests.

Following the opening ceremonies, the program was led by Katy House. The Program was "Degree Work in F.H.A. Joan Lyles, Ruth Reed and Kathy Wedge assisted Katy in the explanation of Junior, Chapter and State Degrees. Brenda Fuston presented the explanation of what working on a State Degree means to her. The following girls were recognized as working on their Junior, Chapter and State Degrees: Nancy Latimer and Belinda Majers are working on their Chapter Degrees; Ruth Reed, Kathy Wedge, Mary Wedge, and Brenda Fuston are earning their State Degrees.

Following the program and closing ceremony a tea was served to the guests. The refreshment table was covered with a beautiful beige and brown cloth, featuring a cornucopia centerpiece, which was filled with fruit, and was surrounded by fall flowers, making a very colorful scene. Crystal cups and plates with Thanksgiving napkins completed the appointments. The refreshments consisted of Party Punch, coffee and banana nut bread.

JEHOVAH'S WITNESSES DELEGATES RETURN FROM CONVENTION

The delegates to the 3-day convention of Jehovah's Witnesses returned to Flomot this week to resume their regular schedule of activity.

The Christian gathering in Levelland was attended by 636. Convention officials described it as a 'spiritually uplifting series of Bible talks designed to appeal to old and young alike.'

L. M. Dugan, principal speaker for the assembly, encouraged the audience to show God that they appreciate His love for them.

Speaking on the subject, "God's Way is Love", Dugan said, "We need to examine our attitude toward God and His Word, the Bible, to determine if we truly appreciate God's love for us. In addition, our attitude toward prayer reveals how deeply God's love touches the heart."

Dugan described the God of the Bible by name, Jehovah, and suggested that "God's gift to man is man's ability to appreciate and enjoy Jehovah's marvelous creation. He is a happy God and this is further proof that God is love."

Pointing to the future, Dugan declared that God promises for the future magnify His loving ways. "Permanent peace and happiness is to be restored," Dugan said. "God's way is to make this earth a paradise by restoring it as it was in Adam's day. In ad-

put on a pretty face
BY
Aubrey McDonald

Dear Aubrey: I find it hard to select a shade of liquid make-up to harmonize with my skin tone. Most products I have tried seem difficult to apply and give me an artificial look. Any suggestions? D. J., Parma, Ohio.

Dear D. J.: Nothing gives a woman such an artificial look as the wrong shade of liquid make-up. To discover the shade of liquid make-up more personally yours, "type" your skin. Apply a bit of liquid make-up to the inside of your wrist and blend it thoroughly into the skin. The color of this delicate, almost translucent, wrist area is extremely close to your natural complexion tone.

For a vibrantly alive complexion, select a shade of liquid make-up that is one or two hues deeper than your skin tone revealed by your "typing." The ultimate in liquid make-up is offered by Fashion Two Twenty. This extremely fine preparation beautifies your complexion without artificially masking your skin's inherent radiance. Because this liquid make-up actually lets your skin breathe and retain natural, beautifying moisture, your face will never feel dry or drawn.

Using the special applicator inside the bottle of Fashion Two Twenty Liquid Make-Up, apply a dot of the make-up to your cheeks, nose, forehead, and chin. Now, for a natural blending of color and to avoid a harsh line of demarcation, stroke and feather the liquid

make-up over your eyelids, earlobes, throat and under eyes. Fashion Two Twenty Liquid Make-Up is available in nine flattering shades. It goes on easily, sets quickly and is perfect for every woman, be she a busy career girl or homemaker. I will be pleased to help you with your beauty problems. Just send them to me c/o Fashion Two Twenty, P. O. Box 195, Aurora, Ohio 44202.

dition, God's love is magnified by His considerate promise to resurrect hundreds of millions of the dead."

At the conclusion of the main public lecture, Dugan suggested, "We must learn to imitate God's way of love by helping others to

find the happiness that comes from serving Him. Such a course will convince others that God's way of love is the only practical course for man today."

Attending the convention in Levelland were 23 delegates from Flomot.

CARD OF THANKS

I want to thank everyone who has been so kind to me and my family while I was in the hospital and since I have returned home. Thank you for the cards, letters, visits and words of encouragement. No one knows how much friends mean until he is flat on his back. May God bless each one of you.

Glynn Morrison

CARD OF THANKS

We would like to take this means of expressing our appreciation for the many cards, phone calls and flowers sent to Doc during his stay in the hospital. Thanks again for every act of kindness.

BRISCOE COUNTY From The County Agent's Desk

BURNING TRASH
Careless burning of leaves, grass, waste paper and trash around homes this fall and winter may cause devastating damage to forest and range resources, im-

proved rural property, and maybe a human life.

This dire prediction is based on the heavy accumulation of grass and other vegetation which, when cured with killing frosts, will produce a very hazardous condition.

Foreseeable conditions are reminiscent of the 1959 period, when fires did extensive damage throughout the state.

About 19 percent of all fires in Texas are caused by the careless burning of trash and they occur between November and February.

Such fires can be prevented by following these precautionary measures: (1) Burn in a fire-safe container, (2) Set burner on an area cleared to bare ground, at least 50 feet away from the nearest building or woods, (3) Have tools and help handy and (4) Burn when the wind is low.

SOIL TESTING

The end of the growing season is an ideal time for taking and getting soil samples tested. Don't wait until the spring rush of field work to do this important job.

Common tests are for pH, calcium and magnesium, needed as a basis for liming. Levels of nitrogen, phosphorus, and potassium are also measured. In addition, suitable methods have been developed for testing for the micronutrient zinc.

Soil sample boxes, information sheets and tips on how to take soil samples are all available from the offices of county agents throughout the state. I welcome the opportunity to discuss soil sampling and testing with interested persons. The value of soil testing is well known and demonstration results are available in the county office to further emphasize its importance.

The soil sample must be carefully taken if it is to reflect the actual plant food situation in a given field or pasture. Several samples must be taken at different spots over the field and then mixed into a composite sample.

Each composite sample should be numbered and the information sheet covering the field completely filled out. This information is valuable to the soil scientist when he makes fertilizer recommendations.

By taking soil samples as soon as crops are harvested, time can be saved and the needed fertilizer or lime can be applied when the soil is prepared for next spring's crops.

Fall or winter application of fertilizer insures that it will be out

and ready when spring planting time rolls around.

Kenneth D. Cook
County Agricultural Agent
Briscoe County

CERTAIN WEAPONS AND FIREARMS MUST BE REGISTERED

Dallas, Texas — Anyone having an unregistered machine gun, sawed-off shotgun, short barreled rifle or other gangster-type weapon, or a device such as a bomb, grenade or land mine, may register it with the Internal Revenue Service without penalty from Nov. 2 through December 1, according to B. Frank White, Regional Commissioner, Southwest Region IRS.

The Gun Control Act of 1968, signed into law recently, establishes a 30-day period for the registration of certain weapons and destructive devices. The registration requirement does not affect ordinary rifles, shotguns, pistols and revolvers.

The Gun Control Law provides that information or evidence submitted in registering a weapon during this period cannot be used against the registrant in any criminal proceeding arising out of a prior or concurrent violation of the law. However, this would not prevent prosecution for furnishing false information.

Firearms and devices covered by the registration requirements must be registered by filing Form 4467, in duplicate, with Director, Alcohol & Tobacco Tax Division, Internal Revenue Service, Washington, D. C. 20224.

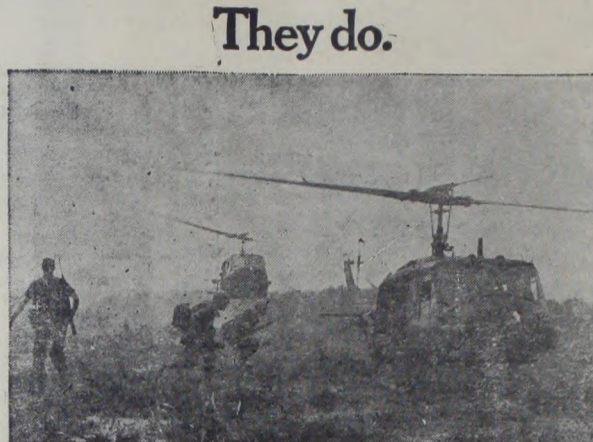

"Anyone with a weapon to register," White said, "should write or phone an office of the IRS and obtain a copy of Form 4467. Weapons and devices should not be brought to IRS offices for the purpose of registration."

Former servicemen should register any automatic weapon, pistols with shoulder stocks, or other national firearms act weapon they might have as a souvenir of their military days.

Anyone with a bomb or grenade should make sure it is de-activated. The IRS can make arrangements to have the device inspected and de-activated.

The registration requirement for gangster-type weapons date back to the National Firearms Act of 1934. There is no federal registration requirement for ordinary rifles, shotguns, pistols and revolvers, although certain controls on the sales of these weapons become effective December 16, as part of the new gun law.

Firearms which must be registered under the act include shot-

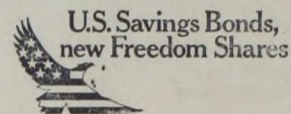

"Freedom must be at all times defended, because it is at all times besieged. Not all of us are called to fight on the battlefield. Buying Bonds, regularly, is as important to this nation in the long reach of history as almost anything we can do," President Lyndon B. Johnson.

Our men in Vietnam defend the cause of freedom—and help pay the cost of freedom too, through regular purchase of U.S. Savings Bonds. Would you like to show these men you're with them? Buy Bonds, and new Freedom

Shares where you work or bank.

New Freedom Shares

Now, when you join the Payroll Savings Plan or the Bond-a-Month Plan, you are eligible to purchase new U.S. Savings Notes, "Freedom Shares," as a bonus opportunity. Freedom Shares pay 4.74% when held to maturity of just four and a half years (redeemable after one year), and are available on a one-for-one basis with Savings Bonds. Get the facts where you work or bank. Join up. America needs your help.

guns with barrels less than 18 inches long, rifles with barrels less than 16 inches long and altered rifles and shotguns with an overall length of less than 26 inches, such as shotguns or rifles cut down to pistol size or shape.

Other firearms covered by the registration requirements: fully automatic guns, such as machine guns and pistols that fire more than one shot by a single function of the trigger, and firearm mufflers or silencers. In addition, registration is required of all weapons or devices, except for conventional pistols or revolvers, which are capable of firing a shot and being concealed on a person and weapons formerly classified as "DEWATS" — deactivated war trophies.

Destructive devices, such as explosives, incendiary or poison gas bombs, grenades, rockets, missiles, mines and certain projectile firing weapons, namely anti-tank guns, bazookas and mortars,

also must be registered.

White said anyone who possesses a firearm or destructive device, as defined by National Firearms Act, and who fails to register the weapon between November 2 and December 1 as required by the gun

control act, will be subject to imprisonment up to 10 years, a fine up to \$10,000 or both for each weapon not registered. Under certain conditions, the law provides civil penalties and property forfeitures.
