Former Residents Stop In Area Towns

On Wednesday evening of last week, the Gaston Owens took their copy to Silverton to be printed, as usual, and a couple drove up at the Briscoe County News just as the Owens were locking the door. The couple stated that they had at one time had a grocery store in Silverton where the Briscoe County News is now located. After talking with them for awhile, they said they were taking a tour across country where they had formerly lived. They were Mr. and Mrs. Ralph E. (Tim) Moore of San Juan Capistrano, California. They are celebrating their fiftieth wedding anniversary. They were married in Plainview fifty years ago. They began their married life with a grocery store at Newlin, then another one at Estelline, then one at Quitaque, and finally, the one at Silverton. They went to Lubbock from Silverton and put in the first factory there, they report. It was a Venetian blind company.

Later in the week, your editors were in the First National Bank in Quitaque and talking to Jimmy Davidson, they learned he had experienced a similar coincidence with the couple. They had decided to spend their Golden Wedding anniversary taking the tour over the area where they had begun their life together. They were asking Jimmy about former residents of Quitaque, including Mrs. Jim Tunnell, mother of Mrs. Amella Johnson. They reminisced about several things that happened while they had lived in Quitaque.

It was interesting to talk to the couple. It makes you realize that it is a small world, after all. The couple left Silverton just ahead of the Owens, who had to go to Plainview that night to pick up some photographs for the newspaper. The Moores were planning to spend the night in Plainview and tour the town the next day.

Corky Morris of Dimmitt came to Quitaque and took his mother, Mrs. Buddy Morris, to the funeral service for Tom Persons which was held in Tulia last week. Tom was a nephew of Mrs. Morris and a cousin of Corky.

SPOOKS MEET IN WELDON HALL HOME
 Friday night, there was a Spook House at the Weldon Hall home for the benefit of Muscular Dystrophy. They earned and collected \$24.57 for Muscular Dystrophy, and want to thank everyone who attended the Spook House and donated to a good cause.

After the boys closed the Spook House, they went Trick or Treating.

Pep Squad Report

BY TERESA TURNER
Valley students, faculty and many Patriot fans met at the gym to convince the mighty Patriots of a victory. The Pep Squad, cheerleaders, and students brought the boys in with "Got the Fever". There were many very spirited students this last week, and even had a witch to promote the Patriot Spirit. The most spirited students chosen were: Don Douglas, a senior, Terry Brittain, a sophomore, and Mary McNary, a freshman. A skit was presented by some of the Pep Squad girls, entitled "What Kind of Girls Like Valley Patriots?" The speech was given by Darrell Dowd, a junior and former Class B player of the week. The meeting was closed with the school song. Everyone is urged to come out and support the Patriots as they play the Longhorns.

Minnie Mae Roberson and Thelma Loving drove to Tyler Wednesday of last week and visited with Ruby Hamilton. Mrs. Loving also spent one night with her sister and visited several nieces at Lindale.

The American farmer builds two things better than anyone else in the world. He builds the next generation, passing along a special kind of wisdom... respect for the soil, honesty, independence, and faith in the future. And he builds his land, leaving it better than he found it. That kind of building usually requires borrowed long-term capital. That's where we have helped for 60 years.
