Basketball Season Began Last Week For Valley Teams

The 1979-80 basketball season, delayed for Valley High because of an extended football season, began for both boys and girls teams with entry into a tournament held at Estelline last weekend. Both Valley and Estelline, placed in opposite brackets, drew byes into the second round of play.

Motley County was matched with Vernon Northside in first round action, with Motley County winning. Lakeview lost to Crowell in other first round action.

The Lady Patriots met Crowell in their first outing on Friday, and brought home a 33-32 victory over Crowell. Scoring wise, Valley was sparked by Lisa Herington and Jendy Turner who shared scoring honors with eight each. Mary McNary tossed in seven points, Nina Reyna scored six, and Jenny Clay and Angie Eudy scored two each. Debra Clinton, Lana Fuston and Nadine Rice saw action but did not score.

Motley County defeated both Vernon Northside and Estelline to gain the championship finals. In the championship game Saturday night, Motley County defeated Valley 68-57. Lisa Herington scored 18 points for scoring honors for the Patriots. Mary McNary hit for 15, Jenny Clay and Jendy Turner each scored nine points, Nina Reyna scored three points, Angie Eudy got two points and Debra Clinton scored one point.

In the boys bracket, the same teams won as in the girls division. Valley boys took a 73-46 win over Crowell in their very first game of the season. Considering that this was the boys first game with only a very few workouts, Coach Adams felt that his charges played very well. Scoring wise, tall sophomore Richey Fuston took honors for the night with 20 points to his credit. James McNary hit for 14 points, Tommy Morris, 13; Rodney Carpenter, 12; Terry Brittain, six; Bruce Setliff, four; Ray Williams, two, and Brum Pinkerton, two.

The Patriots met Motley County in the championship game and lost to the Matadors 55-71. Rodney Carpenter sparked the Patriots in this one, hitting 15 points. He was followed by Rich-

Christmas Party For "We The Women"

The Community Center looked very gay and festive Monday as "We the Women" gathered for the annual Christmas party. A home economist from West Texas Utilities gave a very interesting program on food gifts that can be prepared and presented in different and attractive ways.

Each lady brought a gift to exchange and there was much fun, fellowship and laughter as each one chose a gift from under the tree, or from her neighbor.

Tickets are now on sale for the "Parade of Christmas Homes" which will be on December 16 at 7:30. Homes to be opened on this occasion will be those of the Jimmy Rosses, L. B. Monks, David Gruhlkeys, Weldon Purcells, Grady Tylers, Bud Baileys and Charles Barrett. Tickets will cost \$1.50 per person and refreshments will be served at the end of the tour at the Community Center. Join the fun and share that Christmas spirit with one another.

ey Fuston with 11; Tommy Morris, 10; Terry Brittain, eight; James McNary, six; Ray Williams, two; Brum Pinkerton, two, and Bruce Setliff, one.

Tuesday night, in the season opener at home, Valley met Claude in four games, winning three of the four. Claude was able to win only the Junior Varsity boys game 43-38. The Valley JV girls won their game 39-29. Angie Clay won scoring honors with 16 points. Elaine Adams was next with 11. Diana Martinez got five; Stachia Chadwick, four; Keeli Cox, two, and Candy Jones, one.

The Valley varsity girls won their game 45-43 in what turned out to be a real thriller. Valley started out fast and shot themselves into an 11-4 lead at the end of the first period. Valley girls continued to hit good into the second quarter and increased their lead to 31-22 at half-time. After the intermission, the Lady Patriots went cold and were able to score only six points in the third period. Meanwhile the Mustangettes found the range and started hitting and trailed 33-37.

About a couple of minutes deep into the fourth period, the visitors tied the score at 39-39. The score was also tied at 41, then 43. With time running out, Jenny Clay dropped in a pair of free shots for the win. This was the first loss of the season for the Claude girls and was a good win for the Lady Patriots.

The Patriots, after a bit of a rocky start, came from behind to win 73-58 over the Mustangs. The Mustangs appeared to be on their way to a big win and owned a 20-2 lead at the end of the first quarter. They increased their lead 10 points, 28-18, when Coach Adams made some adjustments, sending the Patriots into a pressing defense. The results were very satisfactory, for within the space of about a couple of minutes, the Patriots pulled themselves from a 10-point deficit into a 28-28 tie, and at half-time were ahead 35-34.

The Patriots came out pressing in the third quarter and increased their lead to 57-44 at the end of three quarters. The Patriots out-shot the Mustangs by five points in the fourth quarter to win by 15 points, 73-58.

Richey Fuston, a tall and very promising sophomore who sat out most of the first quarter after picking up a couple of quick fouls, outscored all shooters with 31 points. Rodney Carpenter was next with 16 points, Tommy Morris had 10 points, James McNary had six, Terry Brittain, four, and Bruce Setliff, Brum Pinkerton and Dee Dowd scored two each. Kevin Hendrix saw considerable action but did not score.

This is a good, hustling, young team that will improve with every outing.

This weekend the Valley varsity teams are entered in a tournament at Clarendon. Teams entered in both the girls and boys divisions are Canyon JV, Memphis, Wellington, Hedley, Lakeview, Valley, Childress and Clarendon.

The Valley girls play Lakeview at 11:45 a.m. Thursday. The boys will play Lakeview at 1:15 p.m. Thursday.

The winners of the games will play the winners of the Childress-Clarendon games late Friday afternoon. Losers of Thursday's games will play Friday afternoon. Championship finals will be played Saturday night, with consolation and third place

Appraisal District Board Elected

Five members have been elected to the newly established Hall County Appraisal District Board of Directors. They are Don Ferrell of Memphis, Jan Turner of Turkey, O. E. Gardenhire of Lakeview, Jack Scott of Memphis and Jack Johnson of Estelline. Members will serve two year terms of office beginning January 1, 1980.

According to legislation passed by the last legislature in Senate Bill 621, appraisal districts are to be established in each county with the responsibility for listing and appraising taxable property in the district and providing remedies for dissatisfied property owners. The districts will actually replace local taxing entities in all areas except tax collection and will centralize tax offices on county basis.

The appraisal board members were nominated by boards of each of the nine taxing jurisdictions within the county. The Turkey-Quitake School nominated Pete Blankenship and Jan Turner, while the City of Turkey also nominated Jan Turner. Billy Fuston was nominated by the Hall County Commissioners. The members were elected from 19 nominees. Members were elected to serve two year terms by the governing bodies and voting power was designated according to the amount of tax levy within each taxing jurisdiction.

Among the responsibilities of the appraisal board will be to hold meetings sufficient to conduct the appraisal district business. The board will appoint or employ a chief appraiser who will conduct important day by day appraisal office functions. Additionally a major function of the board will be the appointing of an appraisal review board. The appraisal review board will serve the entire district and replace the present boards of equalization of each entity. The board will adopt an annual budget to cover the necessary expense of the district office. Expenses of the office will be shared among the entities according to the amount of tax levied the previous year.

Equalization of property for taxing purposes across the entire district is the major goal. Like properties will be valued the same wherever they may be located and may not vary. Standards for setting values have been developed by the State Property Tax Board located in Austin.

Rev. and Mrs. Roy Patterson, Rev. and Mrs. Jimmy Ward and Rev. and Mrs. George Price were in Plainview Monday night to attend the annual Christmas dinner for the pastors and their wives of the Plainview District. They were served their bountiful Christmas dinner at the Methodist Church in Plainview.

Mrs. Reddell Irby was in Plainview Monday and while there she visited with Mrs. Ida Faulner who is a patient in Central Plains Hospital.

Recent visitors in the home of Mr. and Mrs. Aubrey Turner were Mr. and Mrs. Ed Turner and Hansel Hill of Arlington and Mr. and Mrs. Oscar Turner of Amarillo.

games Saturday afternoon.

Tuesday night of next week, Valley will go to Floydada for three games, with the JV boys playing at 5:00 p.m.

Reagan Brown To Speak At Lions Ladies Night

Texas Commissioner of Agriculture Reagan Brown will be speaker for the annual Quitake Lions Ladies Night Program next Monday night, December 10. The program will be held at the Quitake Community Center at 7:00 p.m., and the Lions and their wives, the former Lions Club Sweethearts, and a number of other special guests will be present for the occasion.

Commissioner Brown will fly from Austin especially for the Ladies Night Program. He said he is welcoming the opportunity to return to Quitake, for he has many close friends here, dating back to his visits a few years ago.

Mr. Brown made several trips to Quitake when he headed the Texas Community Improvement Program, and he said he is anxious to see the progress that has been made here since those vis-

Mia Kemp Receives Third Degree Burns

Mr. and Mrs. Lon McKay left Quitake Friday to drive to Denver City to spend the weekend with their daughter and family, the W. F. Geisslers. Enroute, they stopped in Lorenzo to visit another daughter, Mrs. O. L. Gregory. When they arrived, Mrs. Gregory was not at home but her husband told the McKays that a granddaughter, Mia Kemp, was in a Lubbock hospital suffering with third degree burns on her left hand, arm and leg. The McKays drove on to Lubbock and found Mia and her mother, Charlotte Kemp, at St. Mary's Hospital where Mia had been taken after the accident. It seems her brother had been frying food and left the burner turned on under a skillet of grease. Mia smelled the smoke and ran to the kitchen, picking up the hot skillet, and although she turned the burner off, spilled the hot grease on her hand, arm and left leg.

The McKays went on to Denver City later and returned home Sunday, after stopping in Lubbock to check on Mia again. Mrs. Kemp called Tuesday and told her parents that the doctor assures her that Mia will not have to undergo skin graft, but she expects Mia to have to be in the hospital from two to three weeks longer.

Christmas Elves Busy In City

The Christmas spirit is already spreading its love in Quitake this week. Evidence of this was two of Santa's elves who saw a need at the Quitake Community Center and took care of that need.

First was the ladies and men's rest rooms that have had plumbing trouble for several months, and one of Santa's elves took care of that need. Second was the storage room problem with no shelves to store anything, and another of Santa's good helpers is building nice new shelves in the storage room.

How thankful we are for this kind of wonderful Christmas spirit. (Someone has said that those two elves looked very much like Clyde Smith and Tate Boyles.)

PUBLIC INVITED

A social for Mr. and Mrs. A. L. Lindsey will be held Saturday night, December 8, at 7:00 p.m. in the Flomot Community Center.

Mr. and Mrs. Lindsey are moving to Canyon where he will be employed with his son.

We are sorry to lose this couple from our midst, but wish them their happiness in their new home.

Quitake Lions Finalize Plans

The Quitake Lions Club met last Monday evening at the Community Center for its regular meeting. After a good meal, the club finalized plans for the Ladies Night Banquet next Monday evening, December 10. Also, the definite time for Santa to be at the Community Center was set at 5:00 to 7:00 p.m. December 22.

Several Lions were present, including fellow Lions from the Turkey club. They were Lions Preston Jouett, Martin Tucker, Keith Green and Zone Chairman David Setliff. Special guest was District Governor Charles R. Cooley of Borger. He spoke briefly about the Hi-Plains Eye Bank Association, the coat and shoe drive for Girlstown USA and the Texas Crippled Children's Camp and Diabetic Program at Kerrville. All of these are special projects sponsored and financed by the Lions Clubs of the district.

Next Monday night will be the late meeting date this year for the Quitake Lions Club. The next regular meeting will be January 7 at 6:00 p.m.

Senior Skills Team Wins First Place In District

The Greenbelt District Leadership Contests were held November 12 at Clarendon College. Valley teams placed as follows: Senior Skills Team, first; Senior Chapter Conducting, second; Greenhand Chapter Conducting, third; Greenhand Farm Skills, fourth; Farm Radio Team, fourth; Quiz Team, seventh; Extemporaneous Speaking, fourth.

The Area Contests were held at Tulia High School on November 17. The Senior Skills Team placed fourth, while the Senior Chapter Conducting Team won third.

Team members are as follows: Senior Skills Team — Scott Leeper, Johnny Monk, Lee Proctor, Stephen Turner

Senior Chapter Conducting — James Green, President; Bruce Setliff, Treasurer; Randy Purcell, Sentinel; Mike Rice, Advisor; Richey Fuston, Vice President; Ken Crump, Reporter; Brent Brown, Secretary

Extemporaneous Speaking — Lex Herington

Farm Radio—Tommy Morris, Billy Don Hughes, Kirby Chandler

Junior Skills Team — Jerry

Santa Is Coming To Quitake

Santa Claus will be at the Community Center in Quitake Saturday night, December 22, from 5:00 until 7:00 p.m. All the young people are invited to come down and talk to Santa and tell him what you would like for him to bring you Christmas. He'll be looking forward to seeing you. He'll have some goodies for all the youngsters that night.

Grady Purcell, 68 Buried Tuesday

Grady L. Purcell, 68, died Sunday.

Services were at 3:00 p.m. Tuesday at the First Baptist Church in Quitake, with the Rev. Frank Roberson, former pastor, officiating. Burial was in Flomot Memorial Park by the Quitake most of his life. He was a gin operator and a member of the Fairmont Baptist Church. He married Lenora Mosley in 1935.

Survivors include his wife; four sons, Howard Purcell of the home, Dean Purcell of Morton, Weldon Purcell of Quitake and David Purcell of Palestine; a daughter, Mrs. Arlene Hinkle of Pensacola, Florida; four brothers, Cecil Purcell of Quitake, Otis Purcell of Albuquerque, New Mexico, Virgil Purcell of San Antonio and Duane Purcell of Dumas; and 12 grandchildren. Pallbearers were Truman Merrill, Jimmy Davidson, L. B. Monk, James Cathey, Henry Jackson and Freddie Stockton.

Mr. and Mrs. Tom Barbee spent Thursday and Friday in Clarendon visiting their son and family, the Earnest Wayne Barbees.

Over the weekend, Rod Mullin and friends from Texas Tech in Lubbock, Carol White and Buford Hill, visited Rod's grandparents.

Mrs. T. J. Reeves of Plainview, mother of Mrs. Bud Bailey, remains in the Central Plains Hospital in Plainview where she has been for two weeks. Mrs. Reeves is suffering from an old back injury.

An Invitation

The El Progresso Study Club of Matador will have a Christmas tour of homes on December 15. All residents of the area are invited and welcome to attend.

The tour will begin at 3:30 at the home of Mr. and Mrs. Roy Gene Stephens on Walton Road and will proceed to the E. A. Day home, the L. B. Campbell home, and will conclude with refreshments in the home of the president, Mrs. Frank Price.

A charge of \$1.50 per person will be made. Tickets may be purchased at the door of the Stephens home.

Mr. and Mrs. Jack Bradley of Dalhart were visitors on Thanksgiving night in the home of his sister, Mr. and Mrs. Dick Taylor.

The following morning, the Taylors and Bradleys drove to Carlbad, New Mexico. Saturday morning, they took a tour through the caverns. This was the first trip for the Bradleys. They were very impressed with the beauty of the caverns. It had been several years since the Taylors had visited the caverns and they enjoyed the tour again.

Saturday afternoon, the two couples attended a 50th wedding anniversary reception at the First Baptist Church honoring Mr. and Mrs. Earl Outlaw, longtime friends. They returned to Quitake Sunday, and the Bradleys drove on to their home in Dalhart.

On the following Monday, Mr. and Mrs. Taylor attended the funeral of his nephew, Jack Merrill. The services were held in the First Baptist Church in Claude. He was a grandson of Mrs. J. A. Taylor, resident of the Lockney Care Center.

Mr. and Mrs. Preston Taylor of Mount Pleasant arrived on Tuesday at the Taylor home. Mrs. Joyce Taylor was ill and spent three days in bed on the advice of her doctor. They left for home on Saturday morning.

Malcolm Turner of Flomot is in Methodist Hospital in Lubbock in very serious condition.

OPEN HOUSE

Rev. and Mrs. Jimmy Ward will be hosts for an open house at the Methodist parsonage in Turkey Saturday night, December 13, from 7:00 until 8:30 p.m. Everyone is cordially invited to come by and visit with this young couple in our community.

MEETING WITH SECRETARY OF AGRICULTURE SLATED DECEMBER 6

Farmers and ranchers are invited to take part in a meeting with Secretary of Agriculture Bob Bergland on the "structure of agriculture."

HEADS & HEELS

Redkin Hair Care & Cosmetics Hours Tues. thru Fri. 9 to 5 Sat. 9 to Noon Ann Ph. 455-1292 Katy

obtain comments and suggestions on the economic and social issues affecting the structure of American agriculture and rural life. Major purpose will be to determine the overall impact of all the different problems, policies and conditions that interact to influence farm structure,

According to Logsdon, the meeting will provide for a re-examination of the structure of American agriculture so that a comprehensive package of factual information and recommendations can be developed for use in proposing future policies, especially new farm legislation for

Historic Carson City Silver Dollars To Be Sold In 1980

Nearly one million silver dollars—minted in Carson City, Nevada, in 1878 through 1893—will be sold early next year, the U. S. General Services Administration announced today. The historic coins—the last of the government's holdings from America's great silver mining era—were part of nearly three million 90 percent silver dollars stored in U. S. Treasury vaults for more than 60 years.

The second sale, to be conducted later in the spring, will offer 54,847 coins in three mint-year categories: 1880-CC (4,284), 1881-CC (18,996), and 1885-CC (31,567). The coins will be sold at public auction by mail bid.

Prospects excellent for Panhandle pheasant. "It should be one heck of a season!"

Clarendon-based wildlife biologist Dave Dvorak of the Texas Parks and Wildlife Department finds it hard to control his emotions about the upcoming 30-day Panhandle pheasant season.

From 1972 to 1974, GSA sold some 1.9 million of the silver dollars in five public sales, netting \$55.3 million for the benefit of taxpayers. Sales were discontinued in 1974 because of the diminishing demand.

The decision to return the coins to the marketplace—made by Congress and signed into law by President Carter in March 1979—has received enthusiastic response from the public. The agency says it already has heard from more than 200,000 persons interested in acquiring some of the historic coins.

Each coin is in a plastic case—appropriate for display—inside a velour-lined gift box. A brief history of the coin is enclosed in each box. The Carson City mint produced only 13 years of the silver dollar designed by George T.

1981. This meeting provides an opportunity for everyone interested in the future of agriculture to make his voice heard, points out Logsdon.

Briscoe Farmers To Discuss Cotton Insect Control

A meeting of Briscoe County cotton producers to examine available options for establishing an integrated pest management program for next season will be held in Silverton Thursday, December 13.

was down from an estimated 25,500 hunters harvesting 27,800 birds in 1977.

"We just didn't have the number of hunters that we had previously," Dvorak said. "But last year it was way below freezing for the opening weekend, and it scared a lot of people off. It certainly wasn't because there weren't birds out there."

The most popular method of pheasant hunting is for a group to form a line and systematically walk a field from end to end. It is not uncommon to spot a cock along a back road, but usually they must be flushed.

Hunters without dogs face the problem of passing over birds which will fly only as a last resort, and it is recommended that those sans a dog should walk slowly and make a lot of noise to let the pheasants get nervous. Using chains is prohibited this year.

The season concludes January 6. Limit is two cocks per day and four in possession.

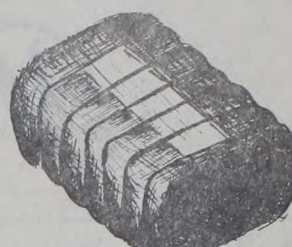

TRIPLE L CLUB TO HAVE CHRISTMAS PARTY

The Triple L Club of Quitaque will meet Thursday, December 13, for its Christmas party. This is an afternoon meeting, beginning at 4:00 p.m. The ladies are asked to bring either a vegetable salad or dessert. (The men are guests.)

Each person is asked to bring a gift of not more than \$3.00 in value. All people 60 years or over are invited.

The meeting at the First State Bank will begin at 7:00 p.m., County Extension Agent Earnest Kiker said. It is being co-sponsored by the Texas Agricultural Extension Service and the Silverton Young Farmers. Dr. James F. Leser, Extension Area Cotton Entomologist from Lubbock, will explain different ways of setting up insect scouting programs in the county, what they will cost, and what they will provide the

farmer, Kiker said. For the past three years bollworm damage in Briscoe County has been pretty severe, Leser said. "We need good attendance of farmers at this meeting to discuss their needs and detail possible solutions to this problem." The meeting was scheduled by Kiker after producers, especially those atop the Caprock, expressed concern because of the problem.

F. U. Task Force, Directors Meet

On November 9, Farmers Union Task Force Committee met in Abilene at the Sheraton Inn. This GRO Committee consists of about 10 members from across the state. These members are appointed by President Jay Naman. Their purpose is to make an in-depth study in the state organization. This committee meets with all F. U. department proposals. After hearing their proposals, the staff members excuse themselves and the committee evaluates what we are trying to do and recommends any changes that would be helpful to this organization. So far we have listed priorities and recommended very few changes. Our next meeting will be in January at Corpus Christi, one day prior to the state convention.

The member from this district is Virgil Blakney. The full board of directors met on Saturday, November 10, for an all day meeting. Much business was discussed and we heard from all staff members. At this board meeting we approved the financial report and adopted the 1980 budget.

F. U. is very concerned about our farm program. We could have better prices if it weren't for a few commodity groups and one so-called farm organization that opposes every move that is made for better prices. The bad thing about it is that they use the farmer's money to keep us from getting a workable farm program.

A formal resolution of the board of directors has been directed to members of congress and officials of the USDA calling for legislative action to amend the federal program, preferably to a one-man, one-vote system of election of cotton farmers to administer the program. Part of that resolution reads "we feel that the Cotton Research and Promotion Program must reflect the views of the farmers who are paying for it. It is vital that the entire program be responsive to the views of farmers and that farmers have the right to democratically select their representatives on the Cotton Board and Cotton, Incorporated."

The T.F.U. resolution also reads that if legislative action is taken to improve a better administrative and democratic procedure, "that Texas Farmers Un-

SALES TAX REBATES HIGHER THAN IN 1978

State Comptroller Bob Bullock Monday said city sales tax rebates to Texas cities through November are 11 percent higher than payments during the same period in 1978.

Bullock also announced that 923 Texas cities would share \$25.8 million in rebates for the month of November.

He said 1979 payments to date now total \$390.4 million, compared to allocations of \$349.8 million through November of last year.

The Inspector General's report discloses information concerning the questionable use of what is termed "own funds," monies collected by voluntary checkoff prior to implementation of the mandatory federal program. Accounting has been loose in several areas of the multi-million dollar program and additional funds have been received into the "own funds" category, some of which were used to pay the National Cotton Council to conduct a campaign to increase per bale assessments three years ago.

A spokesman for Texas Farmers Union stated that the organization felt that efforts were being made to "sweep the problems under the rug."

"The questions raised cannot be overlooked by producers," he said. "This is not a minor matter. Cotton Incorporated is supposed to be a producer-funded producer - controlled program. We're greatly disappointed by the conduct and administration of the program and are convinced that this mess will only repeat itself unless some system is put in place to assure accountability of the program and use of funds to producers."

Net payments to cities during November of last year totaled about \$19.8 million.

Dallas will get a check this month for \$3.5 million, bringing this year's payments to \$46.7 million, an increase of 14 percent over last year's rebates.

Houston's check for November will be \$4.9 million, pushing its yearly total to \$81.4 million, up 11 percent.

Fort Worth will get \$1 million, bringing that city's payments up to \$15.6 million for the year, a seven percent increase over 1978.

San Antonio will receive \$1.4 million this month. That city's rebates this year have been \$21.7 million—a seven percent increase over 1978.

The optional one-percent city sales tax is collected with the four-percent state sales tax by merchants and businesses and rebated on a monthly basis to the cities by the Comptroller's office.

Silverton's payment for this period is \$804.07, up from the \$662.08 received at this same time last year. The 1979 payments to date total \$14,551.08, as compared with \$14,011.77 in payments to date in 1978.

The City of Quitaque is receiving a check for \$620.88 for this period, having received no check for this same period last year. Quitaque's payments to date in 1979 total \$9,136.96, as compared with \$7,879.62 to date at this time in 1978.

At Turkey, the check received was \$842.12, bringing the 1979 total to \$9,065.49. That city received no check at this same time in 1978, and the payments to date for that year were \$7,813.04.

Rebate checks sent to other towns in this area included Childress, \$9,542.65; Clarendon, \$2,625.45; Claude, \$979.26; Estelline, \$0; Floydada, \$4,351.47; Happy, \$614.47; Hedley, \$0; Kress, \$892.45; Lockney, \$2,314.51; Matador, \$1,431.93; Memphis, \$5,460.00; Plainview, \$43,784.70; Tulia, \$7,465.93.

Give A Practical Gift For CHRISTMAS...

The Frigidaire Laundry Pair

Washer offers dependable cleaning power — even lets you conserve hot water and detergent

- No need to waste hot water. This Frigidaire Washer features a Water Level selector that lets you match the amount of water to the size of your washload.
- Depend on Frigidaire to keep lint from settling back on your clothes with the Lint Filter which snaps in and out for easy cleaning.
- New horizontal cleaning action passes clothes under the recirculating filter 8 to 14 times each cycle. The new system is equally effective for small, average or large loads.

Dryer puts big drying capacity within easy reach

- For easy loading and unloading, the big oversize door opening — one of the largest in the industry — is positioned a comfortable 18 inches off the floor.
- For efficient drying, without hot spots that can damage fabrics, Frigidaire gently pulls air through your clothes.
- For big-family wash loads this Frigidaire dryer provides gentle fabric care for up to 18 pounds of laundry.

PIONEER Harvest Hotline

Barry Love reports Central High Plains Results

Again this year Pioneer brand seeds are delivering outstanding yields in field after field. But we know it takes more than one year's performance to tell the whole story. Look at these results, then ask your Pioneer dealer to show you records from several years. You'll see for yourself why Pioneer brand seeds have become famous for their consistency.

First choice of many area farmers! This corn hybrid proved its excellent grain yield potential again this year by averaging 269 lbs./A. more than competitive hybrids in 38 tests on the Central High Plains. High seedling vigor with strong vegetative growth gets 3195 off to a good start. It also has outstanding head smut and MDMV tolerance. In the Central High Plains, 3195 is sure to be a strong performer again next year.

This tall, semi-upright leafed hybrid has proven its consistency on the Central High Plains by delivering top yields again this year. In 45 comparisons 3360 averaged 10.611 lbs. and produced an average of 268 lbs./A. more than competitive hybrids. It also demonstrated better standability than upright leafed hybrids.

WE KNOW WHAT YOU MEAN WHEN YOU'RE TALKING PARTS.

HERE COME DE JUDGE—Plans for a sprawling new roller coaster to be named "Judge Roy

Scream" have been announced by Six Flags Over Texas. The two million dollar ride will be

built along the shore of the theme park's entrance lake. It is the first phase of a program

which will bring the entire lake into the park's entertainment area in future years.

DEAR EDITOR:

In 1961 state government turned to the sales tax as a means of getting out of the property tax business.

The tax has proven to be a strong backbone for state government's financial operations. It can continue to be our strong suit—so long as we don't abandon the state's right and ability to turn to it when needed.

But we will abandon that right and that ability if we let the cities, the schools and the counties saddle the sales tax with every increase and every new sales tax proposal they are making.

As Mike Kingston said in the "Dallas Morning News," we would be facing the highest sales tax in the nation. I am enclosing a copy of Mr. Kingston's article.

Even if you ignore the schools and the counties, a city sales tax of three percent as proposed by the Texas Municipal League (along with the state's four and the

transit authorities' one) would put us at eight percent—a number matched only by that financial genius New York City.

At that rate we lose forever the ability of the state to turn again to the sales tax, and we lose the ability of Texas business to compete with our neighboring states, the rest of the Sunbelt, and all other major industrial states—all of whom have lower sales taxes.

Should that come about, there is no doubt that we would ultimately be looking at a state income tax. It has already happened in 45 other states.

Our neighbor Louisiana is a good example. Louisiana's local governments depend on their three percent sales tax for 42 percent of their local tax income. By comparison, Texas cities get 8.8 percent of their local tax income from the sales tax. Hand-in-hand, the state of Louisiana has an income tax and leans on it for 19 percent of the state's tax income.

But most of all, I can't believe

the taxpayers of Texas are willing to take on such a drastic increase in the sales tax. Business pays some 58 percent of all sales tax and I don't believe the business community wants such a tremendous increase.

And I certainly don't believe that 350,000 people who collect the sales tax from their customers want any more responsibility in this area for the meager one percent handling fee they get.

The state can be a helpmate to the cities, but it can't be everyone's Sugar Daddy with the sales tax. There are other options open to the cities, hard though the decisions may be.

The sales tax may look like an easy way out, but it is short-sighted. We would be trading short-term benefit for long-term damage in a state throttled with an income tax and unable to compete in the national marketplace.

Sincerely,
/s/ Bob Bullock
Comptroller of
Public Accounts

Six Flags Announces Addition Of Coaster

A sprawling two million dollar, wooden roller coaster will be the centerpiece of a major expansion program announced today by Six Flags Over Texas.

The theme park's manager, Ray Williams, said the huge ride will occupy a 7.4 acre site on the shore of the park's entrance lake.

"It is the largest addition, in terms of land area, in the park's history," Williams said. "And it's the first phase of a long-term program which will ultimately bring the entire lake area into the entertainment complex."

Construction of the coaster, which will be called "Judge Roy Scream," is already underway with completion scheduled for the opening day of Six Flags' twentieth season, March 1.

Williams said the new coaster will feature a first plunge of 65 feet at a 50 degree angle. "That first drop will be so steep that you will have the sensation of falling straight down," he said. "The top speed will be 50 miles an hour, and the entire ride, from drop to stop, will last 59 seconds. In that time riders will cover 2,500 feet of track.

"The capacity of the ride will be about 1,200 passengers per hour," he added. "That is double the capacity of The Big Bend coaster which has been phased out because of low capacity and long lines."

"Judge Roy Scream" is a name we've already had a lot of fun with," Williams commented.

"Each of the 'Judge's' two trains will carry 24 passengers and we're seriously considering calling them 'Law' and 'Order' or, perhaps, 'Jersey' and 'Lilly.'"

Williams said access to the new ride will be through an 80-foot-long tunnel which will begin inside the present park boundaries and extend to the new addition.

In addition to the coaster, Williams said Six Flags will make major modifications on the park's Caddo Indian Canoe lake area to accommodate a fireworks spectacular.

The canoe ride will remain, he explained, but one of the islands

in the lake will be removed to make room for a ground-level fireworks display and the walkway along the lake shore will be expanded to provide a viewing area for up to 5,000 persons.

Williams said the fireworks shows will be staged nightly from late May until Labor Day, and will feature both ground and aerial pyrotechnics.

Produced by Pyro Spectaculars of Los Angeles, the show will require a staff of six technicians to rig the colorful devices used in each night's presentation.

Cost of the production will be in excess of \$100,000.

Announcing a new interest rate for U.S. Savings Bonds:

6 1/2%

Here's some great news for all Americans. On June 1, 1979, the interest rate on United States Savings Bonds, Series E and H, was increased to 6 1/2%.

This 6 1/2% rate will apply to new Bonds and to all outstanding ones, too. For Series E Bonds that have not reached original maturity of 5 years, the improved yield will be received as a bonus when the Bonds mature. For older Bonds and Notes, and for Series H Bonds, the increase takes effect with their next semiannual interest period, beginning on or after June 1, 1979.

So you see,

Bonds are getting better all the time. This new 6 1/2% interest rate, together with the tax advantages available, makes Savings Bonds even more attractive.

And when you buy Savings Bonds through the Payroll Savings Plan at work, or the Bond-a-Month Plan where you bank, Bonds are still the most convenient, easiest, safest way to save.

If you haven't thought about Savings Bonds for awhile, this is the kind of news that should increase your interest.

Bonds are a better buy than ever before.

Fiftieth Anniversary Celebrated At Open House Reception

Mr. and Mrs. Jesse M. Browning were honored on their fiftieth wedding anniversary with an open house reception Saturday, November 24, from 4:00 until 5:00 p.m. at their home in Turkey. The event was hosted by their children.

Mr. Browning and the former Dona Mullin were married December 14, 1929. The couple has one daughter, Mrs. Ray (Tommye Jo) Cruse and a son, E. J. Browning of Flomot. They have seven grandchildren and six great-grandchildren.

Hosting the occasion were Mr. and Mrs. E. J. Browning, Lee and Dell, Mr. and Mrs. Ray Cruse and Derinda, Mr. and Mrs. Donnie Cruse, Regina, Brand, Chancey, Roegan and Talon, Mr. and Mrs. Darrell Cruse and Leah, all of Flomot; Mr. and Mrs. Darrell Cruse and Gwinn, Mr. and Mrs. Larry Clifton, all of Matador.

Out-of-town guests who called were Mrs. Oleta Randall, Irving; Mrs. M. R. Cunningham, Miss Kenni Watkins, Mr. and Mrs. Herbert Gipson, all of Amarillo; Mr. and Mrs. W. J. Stewart, Hobbs, New Mexico; Mr. and Mrs. J. B. Byars, Lakeview; Mrs. Vera Hardy and Mrs. Vay Kuykendall, Oklahoma City; Mrs. Yvonne Smith, Gatesville; Mr. and Mrs. Elmore Johnson and Timothy, Lubbock; Miss Delyte Davis, Marionville; Leo B. Mullin, Arlington; Also, Mr. and Mrs. Marvin

Brace, Mr. and Mrs. Coby Brace and daughter, Wichita, Kansas; Mr. and Mrs. C. H. Browning, Memphis; Mr. and Mrs. O. R. Browning, Chickasha, Oklahoma; Mr. and Mrs. Dean Puckett, Mansfield; Mr. and Mrs. Bob Lane, J. H. Glen, Gwen, Lockney; Mrs. Zell Auburg, Friona; Mr. and Mrs. Harvey Mullin, Carla, Keller; Mr. and Mrs. Ralph Carter, Mr. and Mrs. Leroy Hamilton and H. B. Finney, all of Quitauque;

Also, Mrs. Joyce Guest and Jan, Hurst; Mrs. H. A. Mullin, Levelland; Rod Mullin, Lubbock; Mr. and Mrs. Conrad Mullin, Christie, Shelia, Hereford; Mr. and Mrs. Cecil Culver, Groom; Mrs. Ruth Moore, Loraine; Mr. and Mrs. Jack Spray, Matador; Mrs. Elva Jones, Mrs. Viola Calvert, Mrs. Alfred Martin and Lori, Mr. and Mrs. Bly Shannon and Tom Ross, all of Flomot;

Also, Mr. and Mrs. Marion Gion, Mr. and Mrs. Wyatt McLaughlin, Mr. and Mrs. Birt Lane, Mrs. Bernice Gregg and Mrs. Lois Bedwell, all of Plainview; Mr. and Mrs. Buster Mullin, Mexia; Mr. and Mrs. J. D. Nance, Silvertown, and a host of friends and relatives from Turkey.

Venture FOODS

A stitch in time OR Elias Howe was a SEW-SEW inventor.

When Howe invented the sewing machine in 1846, he really got needed. Some tailors said a machine could never replace hand work, or so it seemed. But a few followed the thread of Howe's thinking. An automatic stitcher worked faster and more consistently, and the results were highly profitable. Which happens to be the same reason folks today sign up for the Payroll Savings Plan. It's tailored to let you buy U.S. Savings Bonds automatically. And that makes saving faster and more consistent. With results that are highly profitable. So, save regularly with U.S. Savings Bonds. You'll have your future all sewn up.

Series E Bonds pay 6% interest when held to maturity of 8 years (4 1/4% the first year). Interest is not subject to state or local income taxes, and federal tax may be deferred until redemption.

Take stock in America.

As bells ring and horns blow, a new year dawns around the world. In every land men celebrate its coming, variously, according to tradition.
One custom seems almost universal... an assessment, a review of the past year and the resolution to do better — in one's vocation, in one's attitude toward family and neighbor.
What is this spark that makes men seek

a higher plane? It is the yearning that set the Wise Men's feet to follow a star, the longing of the multitudes that thronged the hills of Gallilee to hear the words of Jesus, the thirst of every man to know God's presence in his life.
In this age of chaos and confusion there is no better resolution than to attend our churches where wisdom and compassion are taught.

5:2-4

The candle has been lighted in the lamp beside the door. The greens are hung, and the children are in a state of wild anticipation. Soon we'll read the Christmas story and sing carols for the Christ Child.

Flames flicker on our hearthstone and in their depths gleam memories.

A small boy, cold and hungry, kneels crying by his mother's bed. Then kind hands lift him. Ladies from a nearby church bring a basket for the widow, and save her life.

On a Pacific island, a badly wounded soldier moans with pain. Tenderly, a chaplain bathes his face, then opens a tattered Bible and begins to read. Anguish and suffering recede and hope stirs faintly.

Now the fire crackles. I stir the embers and thank God for the ministry of dedicated people.

Your church interprets God's gift of love to the needy and the helpless. Let us worship there.

CARD OF THANKS
Thank you for making our 50th anniversary with your many thoughtful expressions of love and friendship. The gifts, flowers, telephone calls, cards and visits will be remembered with grateful hearts filled with our treasured memories.
Jesse M. and Dona Browning

Ag. Income Listed By Counties

State Representative Foster Whaley compiled some most interesting figures from a very current publication just released by Texas Crop and Livestock Reporting Service and from the Texas Department of Agriculture. The publication is entitled "1978 Texas County Statistics."

The agricultural income from the ten county 66th Legislative District was \$309 million in 1977 and exceeded \$305 million in 1978.

Floyd County had over 81 million in agricultural income in 1978. Gray County followed in second place with a \$40 million agricultural income.

Other counties and their 1978 agricultural income are:
Armstrong \$19.3 million
Briscoe 24.1 million
Childress 17.0 million
Collingsworth 23.0 million
Donley 23.4 million
Hall 22.7 million
Motley 15.6 million
Wheeler 38.5 million

Visitors in the home of Mr. and Mrs. Josh Smith during the recent Thanksgiving holidays were their children, Mr. and Mrs. Foster Smith, Shane and Julie of Rockwall; Mr. and Mrs. Terry Smith, Tammy, Shawn and Cody of Lubbock; Mr. and Mrs. Harvey Williams, Kyle and Kelley, Hereford; Mr. and Mrs. J. W. Lacy, Tommy, Jimmy and Randy, Mr. and Mrs. Jerry Smith, Brandon and Jason, all of Turkey.

Mr. and Mrs. Don DePriest of Plains, Kansas visited several days last week in Turkey with their daughter, Mr. and Mrs. Navarre Bain.

Mrs. Janice Payne and daughters of Plainview were visitors in Turkey in the home of her mother, Mrs. Goldie Russell, this past weekend.

CARD OF THANKS
Once again we want to thank you all for the calls, visits, cards, prayers and flowers while I was in the hospital and since I have been home.
Buck Payne

CARD OF THANKS
To all the men that stripped my cotton, thank you from the bottom of my heart. Everyone has been so good to me and my family. May God bless you is my prayer.
Arlowene and family

TO OUR QUITAQUE FRIENDS
Words cannot express our feelings for all of you, our dear friends! We thank God for the opportunity of living in "West Texas" for three and one-half years!
Thank you, each and every one, for your friendship, your love and prayers, and for the beautiful gifts we received on our last Sunday in Quitaque.
When you come "South," please come by to see us at 402 Moody, League City, Texas 77573.
Frank and Maxine Roberson

CARD OF THANKS
I would like to thank all my friends for your prayers, phone calls, visits and cards while I was in the hospital and since I have been home.
R. J. Harmon

THANKS, FRIENDS
I want to thank all of you who attended by open house and all of you who paid on the gifts or brought gifts. You are a special people.
Jennifer Auston

FOR A SMALL MONTHLY CHARGE, SHE COULD'VE ANSWERED IT BY THE DRYER.

Every time Barbara Phillips' phone rings, it's long distance—the distance from her to her phone, that is. If you spend a lot of time running to the phone, maybe you're in the running for an extension phone. For much less than you'd expect, you can start reaching for your phone. Whether you're stuck in the laundry room, glued to the TV or deep in sleep. What's more, you know you've got a phone that's as reliable as the phone company. So the next time you run to the phone, call your General Telephone business office. And make it the last time.
