Turkey Lions Meet

The regular meeting of the Turkey Lions Club was held on Tuesday, June 26, at Lanes Restaurant. The meeting was called to order by Boss Lion Roy Patterson. The Pledge of Allegiance was led by Lion Jim Majors and the invocation was given by Rev. Melvin Clinton.

Lion Jack Lacy won the "Pot of Gold" but did not get it because he was not there.

Boss Lion, Leroy Stone; first vice president, U. F. Coker, Jr.; second vice president, W. A. Majors; third vice president, Wayne Lourey; secretary and treasurer, Keith Green; tall twister, Jay Eady; Lion tamer, Roy Patterson. Directors are J. T. Mullin, Lee Vardy, Loran Denton and David Setliff.

Farmers Union Slaps New Farm Bill

"It is most unfortunate that the House Agriculture Committee has bowed to pressures from Secretary Butz and the Administration and approved a mediocre farm bill at a time when a good farm program is so necessary to the consumer as well as the farmer," Texas Farmers Union President Jay Naman of Waco said.

In a statement from the Waco office of the statewide farm organization, the Farmers Union expressed disappointment at the reduced target prices in the House version of the farm bill. The House bill reduces the target price of wheat approximately 20¢ a bushel, takes 20¢ a hundredweight off the price of grain sorghum, and reduces the target price of cotton by 5¢ per pound. These reductions lower the target prices substantially below the 70% of parity level in the Senate-passed farm bill.

"The purpose of the farm bill is to provide an incentive for farmers to produce in abundance by assuring them a target price which will enable them to pay high production costs and still retain a realistic profit. This objective is in the interest of the consumer as well as the farmer, if threatened shortages materialize," the spokesman for Farmers Union said.

Naman charged that Secretary Butz has coerced the House Agriculture Committee into including several crippling amendments in the House version of the farm bill by threatening a presidential veto. One of these, according to the Farmers Union official, is a provision that will offset the advantages of the escalator clause to increase target prices as farm costs increase.

"The Secretary of Agriculture insists on an 'efficiency index' that will drive the target price down if farmers increase their efficiency. In other words, it is a scheme to deprive farmers of the opportunity to receive any benefits from their increased efficiency," Naman said.

Farmers Union claims that its "fly-ins" of farmers to Washington have resulted in some improvements in the House version of the farm program. "Without some of the work which our farmers have done in Washington, it would be a much worse farm program, but at best, it is not something that Congress should be proud of," according to the farm organization spokesman.

"We hope that the House or the Senate-House Conference Committee will restore the Senate passed target prices and accept the recommendations which Farmers Union has made to strengthen the program. As it is, if the production costs continue to go up and export opportunities do not materialize, the American farmer will again be left holding the bag," Naman said.

Guests in the home of Mr. and Mrs. A. L. Morris weekend before last were Ray Gene Hutchison of Beaumont, who joined his family who had been visiting here the week before; Mr. and Mrs. Ronnie Hutchison and Paula, Clovis, New Mexico; Mrs. Kenneth Vines of Dumas, and Ray Persons of Pisinov. Ray Gene's family returned home with him.

Mrs. Babe Harwood of Canyon visited friends and relatives here Saturday.

Mrs. Winifred House underwent surgery Monday at Methodist Hospital in Lubbock.

Mr. and Mrs. Jerry Weatherly and children of Haskell visited here with relatives during the weekend.

Mr. and Mrs. Alton Setliff of Pampa visited here over the weekend with his parents, Mr. and Mrs. Arville Setliff and boys.

P. John Monk retired July 1 after serving twenty years and nine months in the Briscoe County ASCS Office in Silverton. There is no way of knowing how many hundreds of thousands of dollars he saved Briscoe County farmers and ranchers over the years, because he always went out of his way to see that every person got the full benefit of every program. It was not unusual for him to drive clear across the county on his own time to remind someone that it was the last day to sign up for some program or practice, and he always had the patience of Job as he explained all of those hard-to-understand government programs. His boss, James Griffin, said that P. John... "knows more about Briscoe County farms and farmers than anyone we know. His accuracy with measurements, his fairness with program administration, and his quick wit has made him dear to all he came in contact with. Thanks, P. John, for a job well done."

Enjoys Vacation Trip

Mrs. C. P. Richmond of Quitaque returned home Thursday of last week from a month's vacation trip to Mississippi and Tennessee. She took the bus from Childress on May 24, and stopped in Wichita Falls to visit her sister, Mrs. Bud Blagg and family. On May 27, she took the bus to Dallas where she visited two nephews for a week. While there they visited Six Flags Over Texas. She left Dallas June 4 at 2:30 a.m. enroute to Little Rock, Arkansas, stopping in Texas for breakfast. She arrived in Lexington, Tennessee June 4, a few days earlier than she had planned. Her niece and two daughters met her there, and took her to their home in Saltville. She reports they have a beautiful home.

On June 7, the niece and family took her to the Shiloh Park to see the battlefield. It was very interesting. She crossed the Mississippi, Arkansas, White River, and the Tennessee River on her trip, and saw some beautiful sights.

June 14, they made a trip to Corinth, Mississippi, where she had lived in 1917.

She spent a week with her niece. She left June 17 for Dallas. Her brother, E. C. Carter, met her at the bus with the bad news his wife was in the hospital following surgery. She stayed with a niece in Dallas until June 22, going from Dallas to Wills Point. On Thursday morning following, she fell and sprained a wrist so badly she decided to return home. She took a bus to Childress and as she started to step off the bus, she hurt her wrist again. Her daughter and family met her at Childress and took her to Lockney where she had the wrist x-rayed for a break but found it was only a sprain.

She reports a very pleasant trip and plans to make another.

State Archaeologist Curtis Dale Tunnell spent Monday night with his parents, Mr. and Mrs. Curtis Tunnell, at Turkey. He has just returned from Port Mansfield on the Texas coast, where he has 14 divers and equipment salvaging cannons, coins, silver, gold, etc. from a Spanish ship that sank in 1504.

Retirement Tea Honors Teacher

Sunday, May 27, a tea honoring Mrs. Gordon Bain was held in the Turkey Cafeteria. The hostesses for the occasion were members of the Valley Faculty.

Mrs. Bain has been a member of the faculty of the Turkey and Valley school systems for about 20 years. She came to Turkey from Clarendon.

Flowers and a cake designed in the shape of a schoolhouse were the centerpieces on the lace-covered table. Punch, coffee, cake squares, nuts and mints were served from the crystal and silver that complimented the table. Those serving were girls from Mrs. Bain's sixth grade class.

Guests were registered in a beautiful guest book which had been decorated for Mrs. Bain by Mrs. Mable Christian.

Approximately 80 guests registered.

A money tree and many beautiful and thoughtful gifts were presented the honoree, including one dozen long-stemmed roses from Mr. Bain and an oil painting given by the hostesses.

It was called a retirement tea, but knowing Totsy Bain, she will be just as busy as ever helping those who need it and always lending a helping hand. Mrs. Bain will be sadly missed next year by her students and associates. She has been a friend to all and an inspiration to many. We wish her the best of luck and much happiness in her new life.

Mr. and Mrs. Don Guest and Gregg of Paris, Capt. and Mrs. Richard Rimato of Big Spring were weekend guests in the home of Mr. and Mrs. David Guest.

Mrs. Hugh Eady and Ken of Van Horn visited here this week with her mother, Mrs. Vera Case, and other relatives.

Mr. and Mrs. Terry Smith and family are visiting here with his parents, Mr. and Mrs. Josh Smith. They have recently moved from Walbridge, Ohio and will make their home in Lubbock.

Governor To Initiate Mobile Field Office

Governor Dolph Briscoe announced Friday he will initiate a new Mobile Field Office as an extension of the Governor's Office sometime in July.

The Governor's Mobile Field Office will be located in every County seat in the State at least one day during the coming year and will be staffed on an alternating basis by the top members of the Governor's staff.

Governor Briscoe said whenever possible he himself will staff the Mobile Field Office.

Addressing the County and District Clerks Association in Corpus Christi, the Governor said, "We will be in the communities for

many purposes. We will be there to listen to what the public has to say . . . to answer questions . . . and . . . to help inform the public on matters of special interest to their communities."

Governor Briscoe pointed out that "the doors to this office will be open to everyone. The public will be encouraged to take advantage of this opportunity to communicate with their government."

Among other assignments, those staffing the office will help to inform the public of ways and means of conserving energy; will establish face to face communications with local governmental officials, and will search for ways of improving the overall delivery of government services to the communities, the Governor said.

"By establishing this close link to the people in the Governor's Office, it is my belief that the Govern-

nor's Office will be in a better position to serve all the people. The Mobile Field Office will be an instrument which will make State Government more accessible and more responsive to the public we all serve," the Governor said.

Mr. and Mrs. Rayburn White and children of Garden City, Kansas, spent from Friday until Monday with his parents, Mr. and Mrs. Pierce White, in Quitaque. They drove to Dallas from here to visit her parents, and will stop by for a visit enroute home.

Guests in the home of Mr. and Mrs. A. C. Barrett Sunday were Mr. and Mrs. Clovis Hill and daughter, Terri, and her friend, Rhonda Lane, all of Amarillo. The girls remained for a longer visit this week.

Afternoon callers were Mr. and Mrs. Glynn Barrett and children,

and Gene Payne. The occasion was to help "Ma" Barrett celebrate her birthday anniversary (which was really Monday). The other daughter, Mrs. Robert Mooring and family had planned to come, but she got up ill Sunday morning.

Simmons of Amarillo and Elvin Simmons of Plainview, nephews; Gary Malone of Tulia and Nelvin Malone of Lubbock.

Burial was in Rose Hill Cemetery beside her late husband, with arrangements under the direction of Wallace Funeral Home.

Mrs. Sarchet died at 8:20 p.m. Thursday after apparently suffering a stroke at the University Convalescent Center in Lubbock where she had resided for the past ten months.

Mrs. Sarchet was born March 17, 1901 in Hunt County. She came to Swisher County with her parents, the late Mr. and Mrs. E. F. Simmons, her father and brothers in a covered wagon and she and her mother on the train, from Scurry County in 1906. They settled in the Red Hill community east of Tulia.

She married Harold F. Sarchet in Tulia December 19, 1920, and they continued to reside in the Red Hill community until 1945 when they moved to Tulia.

To this union were born eight children, one of whom died the day he was born and was buried December 23, 1923 in Cambridge, Ohio where they were visiting relatives. All of their other children were born in Swisher County.

For a time Mrs. Sarchet was employed by the Tulia Schools. She was a member of the First

Freight Train Hauling Wheat Overtakes Sunday

Seven freight cars full of wheat harvested last week in Briscoe County overturned near Silverton Saturday spilling grain along the Fort Worth and Denver spur line 10 miles southwest of town.

The derailment occurred shortly after 3:00 p.m. when an engine and 26 cars pulled out of a Silverton elevator with a full load of wheat. A spokesman for the Fort Worth and Denver Railroad said

United Methodist Church in Tulia and of the American Legion Auxiliary.

Mr. Sarchet preceded his wife in death on November 19, 1970.

Surviving are two daughters, Mrs. Edith Cruce and Mrs. Elizabeth Sue Skelton, both of Lubbock; five sons, Harold L. of Fort Worth, Robert L. of Cleburne, Donald D. of Borger, Charles R. of Silverton and Jerry W. of Lubbock; a brother, O. P. Simmons of Amarillo; a sister, Mrs. Cecil Simpson of Tulia; 17 grandchildren and two great-grandchildren. She was a first cousin of Bernice and Earl May of Silverton.

the train was traveling southwest at about five miles an hour when it apparently crossed a weak section of track, buckling the rails. The wreck overturned seven cars in the middle of the train. The seven cars lost belonged to Silverton Elevator which had 16 cars on the freight train.

No one was injured in the mishap. Efforts to right the cars and scoop up grain were to begin Monday morning. The spur line from Silverton to Sterley had not been cleared Monday afternoon.

The train included five cars belonging to Briscoe Cooperative's Silverton elevator. Destination of the cars was Producers Grain Corporation Elevator in Plainview and a Houston based grain firm. The five cars of Briscoe Cooperative's Silverton elevator were taken to Plainview.

George Long and Roy Montague are owners of the Silverton Elevator suffering the loss.
