Patriots Host Chillicothe Friday Night

Counselor Added To Faculty Of Hall County Schools

Mr. Thomas A. Atkisson, native of Childress County and a teacher for the past seven years in Camp-ton, Wolfe County, Kentucky, has been employed by the Hall County School Board as Counselor for the schools of Hall County. Mr. Atkisson attended school at Carey, and farmed for several years at Tell. He received his B.S. degree from Texas Tech and his Master's De-gree in Education from Eastern Kentucky University, Richmond, Kentucky.

Mr. Atkisson in his prior teach-ing experience has taught vocation-al agriculture, math and history.

Mr. Atkisson is married and has two girls, one in Memphis Junior High and the other attending Stephen F. Austin School. The family is living at 508 Memphis Street.

The schedule for the Counselor calls for Monday and Tuesday at Memphis Schools; Wednesday at Estelline School; Thursday at Lakeview School and Friday at Valley School (Turkey - Quitaque Consolidated).

The Counselor will work direct-ly with people in personal rela-tionship to assist pupils in achiev-ing their goals or improving their situation. The Counselor some-times gives tests. These usually include standardized aptitude, as well as interest and personality in-ventories. It will be the Counselor's job to know other specialists who can assist the students of each school. It is believed the students of the various districts will be benefitted by having a Counselor available. Estelline, Lakeview and Valley schools have never had a Counselor available. These schools have only had available the ser-vices of a County Supervisor.

Mrs. Johnson Buried At Lockney

Funeral services for Mrs. J. B. Johnson, 93, who died about noon Tuesday at Lockney Nursing Home, were conducted at 4:30 p.m. Wednesday in First United Metho-dist Church in Lockney.

Officiating was Hugh Daniel, pastor. Burial was in the Lockney Cemetery by Carter Funeral Home.

Mrs. Johnson, born in Young County, moved to Lockney in 1917.

She was a member of First United Methodist Church.

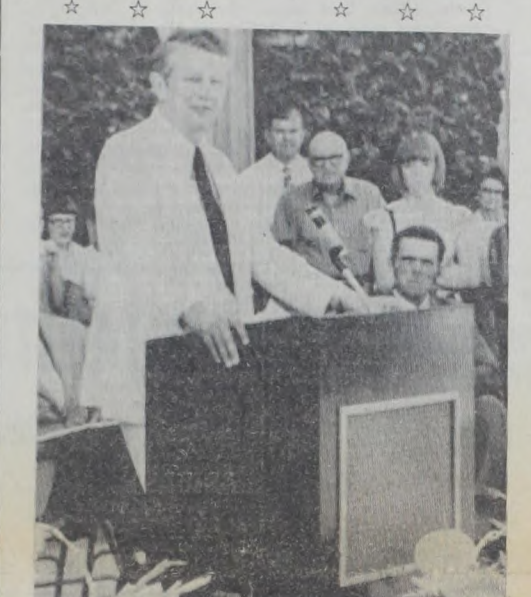

Survivors include one son, Ar-nold W. of Albuquerque; two daugh-ters, Mrs. Elva Bales of Farm-ington, New Mexico and Mrs. An-netta Helms of Quitaque; one brother, T. G. Price of Graham; one sister, Mrs. Gertrude Miles of Min-eral Wells; two grandchildren and eight great-grandchildren.

Pauline Guest spent the week-end in Amarillo visiting with rela-tives.

Visiting with Mrs. Vera Case over the weekend were O. E. Case, Tulsa; Harry Case and Ronny Johnson, Lubbock, and Bob Case and two friends, Gary and Mike, from Tulsa.

Tammy Shawn and Cody Smith, children of Mr. and Mrs. Terry Smith of Lubbock, visited last week with their grandparents, Mr. and Mrs. Josh Smith. Visiting over the weekend were Mr. and Mrs. Harve Williams, Kyle and Kelly of Hereford.

Senator Hightower Speaks At Valley Dedication

State Senator Jack Hightower presented the dedicatory address at the Valley School on Thursday of last week. Senator Hightower, who grew up in Hall County, congratulated the two communities for their efforts in building a new facility to serve the needs of the area.

Shown above is a part of the crowd of students and adults who were on hand at the dedication ceremony at the new Valley School last Thursday. Senator Hightower is making his dedicatory address in the photo, which shows the front of the new building.

GEORGE REUNION

The George reunion was held Sunday, September 2, at the John Fuston farm home. Those attend-ing were Bill and Faye George, Turkey; Jerry and Sue George, Mitchell, Monica and Steve, Hereford; Ronny and Linda George, Michelle and Jeff, Friona; Aubrey and Eva Mae George, Roy Glen and Bonnie George and Latecia, Plainview, Alice Fuston and Laura, Turkey; Eldon and Ruth Lyles and Melinda, Clarendon; Don and Mary Sue Lyles and Julia, Panhandle; Eugene and Loetta Ferguson, Bruce and Joan, Turkey; Denny and Mitchie Fuston, Michael and Lesia, Panhandle; Johnny and Joanie Fuston and Rhonda, Hart-ley, and Brent Guest was a guest of Bruce Ferguson.

Mr. and Mrs. Paul Lynn Chris-tian and Mr. and Mrs. Jimmy Pay-ton of Lubbock visited over the weekend with relatives and friends.

Mrs. John Manry of Lake Tawa-koni and her sister-in-law, Mrs. Ike Dobbins of Denton, visited Mrs. Manry's mother, Mrs. W. W. Cain, last week.

Rev. and Mrs. Woodrow Enos and children, Mr. and Mrs. Jesse Ray Lambright, Mrs. Hubert Dud-ley and Mrs. W. W. Cain attended church services in Floydada Sun-day night. They heard a musical program by the Fitts Singers of Dallas.

NUOVO STUDY CLUB

The Nuovo Study Club will meet September 13 at 4:00 p.m. for the first meeting of the new club year in the home of Mrs. Willis Walk-er.

Mr. and Mrs. Don Guest and Greg of Paris spent the weekend with their parents, Mr. and Mrs. Leonard Lusk at Memphis and Mr. and Mrs. Dave Guest.

Superintendent of Valley Schools Loran Denton is pictured in the above photo in his office at the new school. Mr. Denton is a long-time resident of this area, and has served as superintendent of schools at Lakeview, and for many years at Turkey before being elected head of the Valley Schools.

Wilburn Leeper, high school principal at Valley, attended public schools at Hedley and is a gradu-ate of Wayland Baptist College in Plainview, formerly served as elementary principal at Quitaque, then went to Wildorado to head the school there, and from there went to Texhoma, Oklahoma, where he was superintendent of schools.

J. R. Adamson, Jr. is the grade school principal at Valley. Mr. Adamson, a Turkey native, has served in the Quitaque school system, and as grade school principal for a number of years. Mr. Adamson will also teach in the sixth, seventh and eighth grades, along with his duties as principal.

State Senator Jack Hightower of Vernon presented the dedicatory address at the dedication ceremony Thursday morning of last week at the new Valley School.

Dennis Holland of Dodson, Dis-trict VFW Commander, expressed congratulations to the two com-munities for their combined ef-forts in building a facility for the young people of this area, then presented a U. S. flag to the local Boy Scout Troop, who led in a pledge to the flag and then raised the flag atop the flagpole, which is also a gift of the VFW.

Mr. Denton introduced the pres-idents of the local school boards who served during the time of consolidation and construction of the new school. Buster Chadwick was president of the Quitaque Board of Trustees during that time and Smitty Guest was president of the Turkey Board. Jan Turner is presently serving as president of the Board. Each of the presidents expressed his appreciation to all for the cooperation of all concern-ed during the time of consolida-tion.

Elevator Accident Victim's Rites Held

Funeral services for Donald Ray Harris, 38, who died Wednesday in Parkland Hospital in Dallas from injuries suffered in a grain elevator explosion in Plainview August 9, were conducted Saturday, September 1 at 2:00 p.m. in Pen-tecostal Church of God.

The Rev. Jerry Toddy, pastor, and the Rev. Tommy Noble, pastor of the Pentecostal Church of God of Sunray, officiated.

Graveside services were at 5:00 p.m. Saturday in Cee Vee. Arran-gement were by Lemons Funeral Home of Plainview.

Mr. Harris suffered burns over 70 percent of his body when an explosion sparked in the dust and grain of the main leg of an Amer-ican Grain Co. elevator ripped through much of the elevator area.

Cosmos Silvas of Plainview was killed instantly in the explosion that injured five others including Mr. Harris, who had been in the Dallas hospital since shortly after the explosion.

Damage to the elevator was \$100,000.

Mr. Harris was born and reared in Foster, Oklahoma and moved to the Cee Vee community in 1943.

He lived in Plomot and Quitaque before moving to Plainview after his marriage in 1965 to the former Ruby Brown in Hobbs, New Mexico.

He had been employed with Amer-ican Grain for five years, and was assistant superintendent at the time of his death.

He was a member of the Pente-costal Church of God and a veter-an of the U. S. Army.

Valley of Tears Episode To Be Shown Monday

Dallas artist Carlton Meade, who painted and sketched scenes at the site of the Valley of Tears on the Jim Stroup ranch this summer, has notified Jim that the television episode filmed for Gunsmoke, will appear next Monday night, Sep-tember 10.

Mr. Meade, who will appear on the show, says that he is disap-pointed in what the producers have named that particular epi-sode. He said they have named the episode "Women For Sale," which concerns the bartering of white captive women between the Co-mancheros and Indians, who did business in stolen cattle and cap-tive whites in that area during their hey-day.

Valley Schools Off To Good Start

Supt. Loran Denton reports that classes got off to a pretty good start Tuesday, all things consid-ered, and there was quite a lot of enthusiasm on the part of faculty and student body alike on the first day of school in the brand new school plant.

Mr. Denton said that enrollment, although the complete figure is not available as yet, is ahead of the first day last year. He said that the figure is going to be above 400 for the first day and it will almost always pick up a few more during the next few days.

There is always a certain amount of uncertainty and confusion on the very first day of school, and especially as is the case of Valley High when the school is new and in a new location. Probably the most uncertainty came at the end of classes and children started boarding the buses. There was no way to estimate exactly how many buses would be needed to trans-port the children home because it was not known how many would come in their own cars and how many would be picked up by the parents, and as a result, one extra bus had to be called in and caused a few minutes delay for that group.

Mr. Denton reported, however, that there was no problem and all children arrived home before the storm hit that area late Tuesday afternoon.

Visiting with Mrs. Hazel Fus-ton over the weekend were Mr. and Mrs. David Fuston of Bryan, Mr. and Mrs. Sonny Coleman of Rockwall and Miss Peggy Fuston of Dallas.

Mr. and Mrs. Jay Stone and Dev-lin of Garden City, Kansas, and Mr. and Mrs. Clyde Stone and fam-ily of Lubbock visited over the La-bor Day weekend with their par-ents, Mr. and Mrs. Leroy Stone. The Clyde Stones also visited with her parents, Mr. and Mrs. Buck Lancaster.

Mr. and Mrs. Josh Smith vaca-tioned in Denton and Rockwall. In Denton they visited Josh's three sisters and in Rockwall they vis-ited their son and family, Mr. and Mrs. Foster Smith and girls.

A. D. Monk spent several days last week in Methodist Hospital in Lubbock undergoing a series of tests. He has to go back this week for further treatment but he plans to go back and forth each day if possible.

The Valley High Patriots will host the Chillicothe Eagles Friday night at 8 o'clock at Turkey in the season-opener for both teams. The Patriots will be starting their second year of existence against the team they started off the first year against.

Last year the Patriots started off a winless year favored to lose hand-ily to the heavily favored Eagles, but surprisingly held the Eagles to a 14-12 victory. The Eagles took the opening kickoff and ran it back for a touchdown and just a few minutes later scored again to own a quick 14-point lead. How-ever, the Patriots settled down and played the Eagles on even terms the rest of the way.

The Patriots are starting off with a new head coach, Matt Chal-mers, who comes to Valley from an assistant's post at Graham High. Coach Chalmers will be assisted by Bill Hulsey, who comes from Bol-ling (home town Tulsa), and by George Scott, who has been at Turkey and Valley for the past three seasons.

Coach Chalmers will have possi-bly 14 returnees from last year's squad with which to work, plus one senior transfer from Lubbock. Some 23 turned out at the begin-ning of workouts a couple of weeks ago, but six of the group have fal-len by the wayside and one has been lost due to injuries.

The squad is light, slow and still relatively inexperienced as it goes against the Eagles Friday night, but for a change they will not be outweighed 20 to 30 pounds as was the case in almost every game last year.

The Eagles will probably field an all-senior and junior team on offense and the Patriots will have only one senior, six juniors, three sophomores and a freshman.

Most of the Patriots, of course, will play both offense and defense. Due to start on offense, according to Coach Chalmers, will be Scott Eudy at left end, Norman Mullin at left tackle, Mickey Smith at left guard, Smitty Lane at center, Randy Green at right guard, Gary Meacham at right tackle, Pepper Jones at right end; Ron Eudy will quarter-back the Patriots, Scotty Settiff will be wingback, Brian Wheeler will be at fullback, and Brent Guest at tailback.

On defense, it will be Mullin and Jones at ends, Meacham and Bruce Patrick at tackles, Green, Wheeler and Lane as linebackers. Corner-backs will be Scott Eudy and Steve Eudy, and halfbacks will be Guest and Settiff.

Other members of the squad and all will probably see action are Jim Davidson, Norman Mullin, Robert Gragson, Rex Fuston, Barry Wheel-er, Doyle Proctor and Bruce Tif-fin. Reggie Cathey was counted on to see much action this year but he is out for the season with a broken foot. Robert Gragson is in-jured but it is hoped that he will be able to play.

All Patriot fans are urged to be on hand Friday night to get the season off to a good start. Fans will remember that last year's team although outmanned all the way, nevertheless fought tooth and toenail and scrapped all the way all season. This year's team gives indication that it will battle them just as hard, and they will deserve your complete support. Don't let them down!

Mr. and Mrs. W. L. Caylor and Horace Caylor of Dallas visited in Turkey over the weekend with their sister, Mrs. I. D. Mullin, sr.

Mr. and Mrs. Jim Baisden and Dempsey of Grapevine visited over the weekend with his parents, Mr. and Mrs. Emmett Baisden.

Mr. and Mrs. Paul Langdon, Kim and Kevin of Ralls spent Labor Day weekend with her parents, the R. J. Harmons.

Any erroneous reflections upon the character, standing or reputation of any person, firm or corporation which may appear in the columns of The Valley Tribune will be gladly corrected upon its being brought to the attention of the publishers.

Broxson Family Reunion Held

Members of the Broxson family held their annual reunion over the Labor Day weekend at Lugart Lake

in the Quartz Mountains near Altus, Oklahoma. Some members began arriving Friday night, and Saturday night registering totaled 66, with 57 spending the night. There were 76 present for lunch and visiting Sunday, with 55 spending the night. All the group disbanded for home by 10:30 Monday morning, tired but looking forward to next year's get-together.

For entertainment, there was mountain climbing, cycle riding, swimming, various table games and some hotly-contested horse-shoe pitching.

Late Sunday evening, a bonfire was built and a large number of roasted weiners and marshmallows were consumed. After the fire died down, a light was brought out, chairs were circled around and a period of hymn singing was enjoyed to close out the day.

Those present this year were Mr. and Mrs. Willie Broxson, Pampa; Mr. and Mrs. Charles Broxson, Fort Stockton; Mr. and Mrs. Bill Broxson, Mr. and Mrs. Marion Don Broxson and Donnie, Corsicana; Mr. and Mrs. Bill Broxson, jr., Francis and Damon, Hereford; Mr. and Mrs. Randy Parker, Mr. and Mrs. Cecil Broxson, Sherri Dillard, Twilla and Angie, Allene Young, Viola Fawver, Mr. and Mrs. Leonard Fawver, Lenny Fawver, Mr. and Mrs. Ryan Smith, Marti, Bicki and Bryan, all of Fort Worth; Mr. and Mrs. Benny Tinker, Grapevine; Mr. and Mrs. Raymond Trantham, Houston; Mr. and Mrs. Cecil Ray Trantham and Shane Ray of Huntsville; Mr. and Mrs. Gibbs Rucker, Broadview, New Mexico; Mr. and Mrs. Johnny Rucker, Rusty, Terry, Sheree and Tasha, Texico, New Mexico; Jack Broxson, Pampa; Mr. and Mrs. Don Tindall, Ricky and Marc, Borger; Opal Broxson, Mr. and Mrs. Bob Broxson, Bruce, Annette and Lance, Sunray; Mr. and Mrs. Larry Hedrick, Scott, Todd and Layne, Amarillo; Byron Young, Turkey; Mr. and Mrs. Ralph Carter, Quitaque. Four cousins were present. They were Mr. and Mrs. Conner Monroe and Mr. and Mrs. Herman Monroe of Cordell, Oklahoma. Three visitors, Dorinda Parker and Carolyn Felts, Fort Worth, and Mitchell Carthel, Amarillo, also attended.

MORRIS REUNION HELD

The Morris Reunion was held in the Flomot Cafeteria August 18-19. The following brothers and sisters, according to age as given to The Tribune, were R. M. (Bob) Morris, Bud Morris and wife, Mrs. Bertie Gunn and husband, Ardie (Jackie) Morris and wife, Mrs. Dillie Garrett and husband, Bill Morris, Mrs. Lillie Tanner, John Morris and wife, Mrs. Zula Gibson and husband, Boyd Morris. One sister, Mrs. Annie Washington, was not present. There were approximately 20 nieces and nephews and their families, several great nieces and great nephews and their families, and a number of friends to join the group for basket dinner. The Morris family moved to Flomot in 1916.

Mr. and Mrs. Monte Stephens of Canyon and Mrs. B. E. Myers of Plainview visited Mr. and Mrs. Deloy Myers and children on Wednesday of last week.

John Bowman and sons, Dan, Tommy and Scott of Brownfield visited Mr. and Mrs. A. E. Gragson over the weekend. They spent the weekend on Lake Theo.

Mr. and Mrs. Pierce White and Minnie Mae Roberson spent Sunday with Mr. and Mrs. Reuben Hilton in Pampa. The occasion was the birthday anniversary of Reuben. Yolán Roberson visited her brothers, Mr. and Mrs. Boyd Knox and Mr. and Mrs. Debbs Knox, in Hereford over the weekend.

Mr. and Mrs. Murry Morrison, Mrs. Ruby Cushenberry of Quitaque and Mrs. Neva Hickey, Era Heckerson and Dorothy Mayfield, all of Dimmitt, attended Market in Dallas from Saturday through Monday.

Mr. and Mrs. Eddy Curry of Plainview visited his parents, Mr. and Mrs. Bill Curry, Monday night.

Mr. and Mrs. James Starkey and boys of Plainview spent Monday visiting the Willie Woods, Mrs. Grady Starkey and other relatives and friends in Quitaque.

Mr. and Mrs. Keyth Tiffin of Silverton spent Sunday with Mrs. M. E. Loving.

Guests in the home of Mr. and Mrs. H. G. Boyles over the weekend were his brother, Mr. and Mrs. J. W. Boyles of Worland, Wyoming, who had not been back to Quitaque in 34 years. He left Quitaque when he was 18 years old, and had not been back. Mr. and Mrs. Ray Boyles of Amarillo brought them down and spent the weekend.

Others joining them Sunday for a visit were their sister, Mrs. Dud Watters of Silverton, another sister and husband, Mr. and Mrs. K. Y. Mayfield of Lubbock, and cousins, Mr. and Mrs. Keyth Tiffin of Silverton and J. B. Tiffin, Quitaque.

Mr. and Mrs. Denver Anderson spent the Labor Day weekend with Mr. and Mrs. Charles Daniel in Graham.

Mr. and Mrs. H. E. Mullin of Turkey visited Mr. and Mrs. Tom Barbee Sunday. Mr. and Mrs. Willie Woods also visited the Barbees.

Visitors in the home of Mr. and Mrs. A. C. Barrett for the Labor Day weekend were their children, Mr. and Mrs. Clovis Hill and Terri, and a friend, Rhonda Lane, Amarillo; Mr. and Mrs. Millard McNabb and Sandi, Seminole, and Mrs. Robert Moring of Amarillo. Afternoon callers were Mr. and Mrs. Pat Cogdill, Silverton.

Dane and Brett Cheatham, small sons of Mr. and Mrs. Jack Cheatham, had their tonsils removed at Hall County Hospital in Memphis Friday of last week. They are doing fine according to reports and were able to enroll in school Tuesday morning.

Tom Pierce suffered a heart attack Tuesday night of last week and was taken to Central Plains Hospital where he remains in intensive care. Mrs. Pierce came home Tuesday morning and reported the doctor said he is out of immediate danger but he lacks a long way being out of danger (as we all know who have had any experience with heart condition). He is resting. Mrs. Pierce has been at

his bedside without rest until Tuesday when she came home for clothing and a little rest. She returned to the hospital Tuesday evening.

Home Preserved Foods Cut Cost, Say 4-H'ers

For many families, canning and freezing fresh fruits, vegetables and meats helps make their food budgets last longer. And they're finding that home preserved foods retain their freshness and nutritive value long after they're first stored.

Boys and girls enrolled in the national 4-H food preservation program are helping to spread the good word about home preserved foods. Sponsored for 45 years by Kerr Glass Manufacturing Corporation, young people in the program learn about safe and efficient methods of canning and freezing their favorite foods. 4-H'ers have found that home preserved foods supplement the amount of fruits, vegetables and meats in their daily diets. And the youths use the home preserved foods they've made as gifts and as meal ideas when unexpected guests drop in.

Preparing creative meals with preserved foods, and developing jams, jellies and relishes are also stressed in

the program. Encouraging 4-H'ers in the food preservation program with incentives and recognition is Kerr Glass Manufacturing Corporation. They provide up to four medals of honor to county winners and an expense-paid trip to National 4-H Congress in Chicago, Nov. 25-29, for a winner from each state.

Six national winners are announced during 4-H Congress, and each receives a \$700 scholarship from Kerr.

One 4-H'er in the program, found her family's food bill cut in half after she began to can and freeze food. Janet Harrington, of Tremont, Ill., prepared hundreds of dishes, using home preserved foods, which saved her family many trips to the store. A \$700 scholarship winner last year in the program, Miss Harrington believes that food preserved "just harvested, at its peak of ripeness, will always taste best".

Another 1972 4-H food

preservation national winner was well prepared to help when two disasters struck her community. Karen Wedgeworth, of Laurel, Miss., served her home preserved foods to persons left homeless by the ravages of hurricane Camille and a railroad tank car explosion. Also, through her efforts, food preservation exhibits have been retained at the South Mississippi Fair.

"I know people still preserve food", says Miss Wedgeworth, "and I believe that the preservation of food is important to good health and happiness."

One of the oldest supporters of the 4-H program, Kerr provides additional support to the food preservation program through publications on canning and freezing food processing, and technical and public relations assistance.

For more information on the 4-H food preservation program contact the county extension office.

Beginning of the year TWO

How did we ever get into the habit of looking backwards? By-product of some shoddy mathematics, no doubt. If the day you are born is your birthday—then it's undoubtedly your first birthday. And when you are a year old you should celebrate your second birthday, and begin your second year.

Of course, we are not seriously advocating that everybody add one to his next birthday. That would be too confusing for certain friends of ours who are 39 and holding!

But you will agree, won't you, that on birthdays we ought to be looking ahead? The only year we can do anything about is the one we're about to live. Opportunities do a great deal more for human character than memories, no matter how fond the memories.

The churches with their tremendous resources for spiritual training and growth always celebrate our children's birthdays by looking ahead.

Mrs. Ed Foxhall To Serve As County School Nurse

The Hall County Board of Trustees met Friday, August 24, and employed Mrs. Ed (Billie) Foxhall under the Emergency Employment Act as Hall County School Nurse. Mrs. Foxhall is a Registered Nurse and has worked part time at the Hall County Hospital since June as Supervisor until recently when she resigned. In prior years Mrs. Foxhall served as a nurse in the local hospital, and is well known and respected in her profession. The Hall County Board feels the schools are fortunate indeed to secure the services of "Billie" as she is familiarly called by her friends and patients.

Mrs. Foxhall is employed under the Emergency Employment Act and it is under Department of Labor. Mr. Grady Hollifield, Community Development Officer, Panhandle Regional Planning Commission, Amarillo, was instrumental in securing the Hall County project of a school nurse. E.E.A. pays 90% of the cost of program and the schools of the county pay 10%. Mrs. Foxhall will be in Estelline Tuesday. Her schedule calls for Wednesday at Valley School (Turkey-Quitque Consolidated), Thursday and Friday at Memphis School and Monday at Lakeview.

Mrs. Foxhall, because of her varied experience, will be able to assist the schools and school children in many capacities such as meeting SB 27 and SB 971 requirements of health laws which went into effect January 1, 1972. The bill requires immunization against six diseases: diphtheria, tetanus, poliomyelitis, measles, rubella and small pox for elementary students. The number of immunizations is fewer for junior high, high school, and college-level students. State Health Department has now deleted small pox vaccination. The nurse will provide health education services to each of the school communities in the county. It is the concept of schools that a Health Department and School Nurse is the most effective way to reduce the incidence of all preventable and recognizable diseases.

Prior to the employment of Mrs. Foxhall, the Board accepted the resignation of Mrs. Raymond (Elizabeth) Hall, Lakeview, who served as County School Nurse from February 1973 to June 15. Mrs. Hall stated in her resignation that she had accepted a position with West Texas State University in Canyon and was moving to Amarillo.

Ladies Day Slated At Floyd Fair

Ladies Day activities at Floyd County Fair Friday, September 14, will begin at 10 a.m. with Christmas craft demonstrations. The afternoon program beginning at 2 p.m. will feature a style show called "Hats and History," with local models wearing costumes and hats dating from 1896 to 1973. Registration will start at 9:30. Door prizes will be awarded at frequent intervals during both the morning and afternoon programs. All ladies from Briscoe County are invited to attend.

Besides the Christmas craft demonstrations by Mrs. Josie Taylor (jeweled tree ornaments) and Mrs. Tom Duvall (rolled paper angels and other items), yarn pictures will be shown by Mrs. Lloyd Widener, and tile painting will be discussed by Mrs. David Frizzell. A display by Mrs. R. C. Kellison of products from the Lubbock cotton flour mill is planned.

The style show will be preceded by a micro-wave oven demonstration. Sponsor of the style show is S&H Green Stamp Company, with Ginger Grant of Tulsa, Oklahoma, as producer. As each hat and costume from a different period in American history is shown, the narrator will mention events of that time. Costumes used are owned by ladies of this area.

Discharge Recorded Free For Veterans

There is available to all veterans one free service which is too often overlooked or disregarded. This word comes from Henry Teubel, Veterans County Service Officer for Briscoe and Swisher Counties, office located in the Courthouse in Tulsa.

This particular free service enables all veterans to have their service discharges recorded by the County Clerk of any County in the State of Texas. Most veterans who take advantage of this service have their discharge placed on record in their county of residence.

The importance of this service was illustrated last month when a disastrous fire destroyed the service records of millions of persons who were discharged or released from the Armed Forces of the United States prior to 1960. Many of the people in this category will now be unable to obtain proof of their military service, and could encounter great difficulties in the event they ever wish to apply for some veterans benefit provided either by the State or Federal Governments.

Every person who is released or discharged from active duty with the Armed Forces should be advised to have their discharge recorded immediately upon their return home. The original discharge paper is one of the most important documents that a person may receive during his or her entire lifetime, and every precaution should be taken to protect it. Any number of disasters may occur, however, which could result in loss or destruction of this very important piece of paper, such as fire, storm, and others. If any such event occurred, and a veteran's discharge was recorded, he could readily obtain a certified copy by contacting his local County Clerk.

Every veteran, regardless of when he was in military service, should take advantage of this free service and have his discharge paper recorded.

USDA PROPOSES TO CLOSE GRAIN INSPECTION POINT

The U. S. Department of Agriculture (USDA) has proposed that the designation of Tulsa, Texas, as an official grain inspection point be revoked.

The Plainview Grain Inspection and Weighing Service, Inc., the agency to which the Tulsa inspection point is assigned, recently requested the closing because of the low volume of grain inspection work done at Tulsa. The Plainview agency will provide grain inspection as needed from Happy, Texas.

Official grain inspection service is administered by USDA's Agricultural Marketing Service under the U. S. Grain Standards Act.

Anyone wishing to comment on the proposal should send comments, in duplicate, to the Hearing Clerk, Room 112-A, USDA, Washington, D. C. 20250, no later than September 30.

The proposal was scheduled for publication in the August 31 Federal Register.

J. W. Lyon, Jr. of Silverton came for his parents a couple of weeks ago and took them to Silverton to spend the weekend at his home. Sunday afternoon the four went to Plainview to visit Mrs. Bertha Rhoderick, who is presently staying at the home of her daughter, Mrs. Lorene Johnson. Mrs. Rhoderick suffered a stroke about two months ago. She is reported to be recovering well. The Lyons returned to Quitaque on Monday night.

SOME VETERANS MAY RECEIVE PENSION INCREASE

Some veterans who are receiving Veterans Administration payments because of disease or injury incurred during military service may soon receive an increase in their monthly benefits. This announcement was made today by Henry Teubel, Veterans Service Officer for Briscoe and Swisher counties.

natural energy HOME

CLEAN ENERGY FOR TODAY AND TOMORROW

A Natural Energy Home uses natural gas for heating, cooling, water heating, cooking and clothes drying to save you money and help conserve our cleanest natural energy resource... natural gas.

That's because electricity in West Texas is generated by burning natural gas, and in the process of generating and transmitting electricity to your home, 2/3 of the gas energy is lost.

So, by using gas directly in the home for the jobs it can do, you're helping to conserve it and you're getting more energy for your money.

CANNING FOR "SPECIAL" DIETERS

Home canning operations don't have to fold when salt-free or sugar-free diets enter the picture.

Sugar and salt used in regular home canning are primarily for flavor. They don't affect the keeping quality of food.

To can without sugar, use fully ripe—but not soft-ripe—fruit. Prepare fruit as you would for regular canning. Then add a little water and cook fruit until it's boiling hot. Pack hot into hot canning jars.

If needed, add boiling water to cover. Adjust caps, and process in a water bath canner, following recommended time for fruit being canned.

Don't add artificial sweeteners to fruit before it's canned. Sweeteners should be added to fruit when it's ready to eat.

To can vegetables or meat without salt, just process as usual, leaving out salt.

In canning special foods for just one member of the family, half-pint or pint jars may be the best size to use.

Once open, a jar of home-canned food will keep in the refrigerator for two or three days, depending on the type of food and refrigerator temperature.

DO IT YOURSELF!

Non-food items make up a large part of most everyone's budget. And of these items chemical products account for the greatest share by far. If you doubt this, just look in your cupboards, medicine chest, on the dressing table, or at the checkout counter of your store. Cleaning supplies of all kinds, floor waxes and furniture polish, detergents, personal and health care products, shampoos and hair rinses, cosmetics, pet supplies, automotive chemicals, yard and garden chemicals and home care products are just a few of the many.

Now here's a fact that may surprise you. On an average, less than 3c is spent by the manufacturer for materials that the consumer pays \$1.00 for in the form of the finished product. But given the formulas and taught the simple procedures, anyone can formulate their own products in small quantities from locally available materials, using simple kitchen utensils. Here are several examples.

DRAIN CLEANER

- 1) Baking soda (Sodium Bicarbonate)—2 level tablespoons
- 2) Table salt (Sodium Chloride)—2 level tablespoons

- 3) Baking powder (Tartaric Acid)—1 teaspoon

Mix powders 1, 2 and 3 together in cup with fork. Pour into drain, flush slowly with water. Note safe bubbling cleaning action. Important: This is not a clogged drain opener, but a drain cleaner. Regular use will keep drains fresh and free running. Retail cost per can, about 79c. Your cost to make, about 1c. This really works!

UNDERARM DEODORANT

- 1) Powdered alum (aluminum/ammonium sulfate) from your drug gist—3 tablespoons
 - 2) Water—1 pint
 - 3) Perfume (toilet water, cologne or rose water)—To suit
- Dissolve 1 in 2 and add 3. Apply with cloth, tuft of cotton, plastic spray bottle. Retail cost for some quantity, about \$10.00. Your cost to make, about 3c.

Telecast Highlights Career Ed Week

"Work is Child's Play," a 30-minute color special which shows the concept of Career Education at work in Texas schools, will be broadcast over a 19 station television network during "Career Orientation Education Week," September 2-9. Station KGNC-Amarillo will carry the program from 7:30 to 8:00 p.m. Friday, September 7.

"Work is Child's Play" was filmed on campuses in six school districts around the state and in community locations in Arlington, Dallas, Fort Worth and Houston. The program stresses the personal side of Career Education, examining the concept from the student's point of view. The special also portrays the various approaches to Career Education at different grade levels: awareness in elementary grades, exploration at junior high level, and skill training in high school situations. Texas Governor Dolph Briscoe introduces the special with a 30-second endorsement of the film and the concept it embodies. "The following television colorcast, 'Work is Child's Play,' portrays children becoming aware of themselves and the world of work," the Governor says. "Career oriented education is relevant education for all students," he concludes, "and it is a dream becoming a reality." Funding for the special was provided by the Agency, Department of Occupational Education and Technology and was produced by the Region XII Service Center and Fred Miller Productions of Austin. Tele-

Contestants Sought For Floyd Fair Queen

The Floyd County Fair Association will sponsor the ninth annual Miss Floyd County Fair Queen Contest on Saturday night, September 15, in the entertainment building on the fairgrounds in Lockney. The preliminaries will begin at 2:30 and the finals will start at 7:30.

Entrant must be an American citizen not less than 16 or more than 19 years of age. She must be single and never married. She must be of good character and possess poise. She must possess and display in a maximum of two minute a talent presentation. This may be singing, dancing, twirling, playing a musical instrument, dramatic reading, art display, a dress designing, creative poetry, writing, etc., or she may give a talk on the career she wishes to pursue. She must appear in talent attire and a formal.

Young ladies from Floyd, Briscoe, Motley, Crosby, Hale and Swisher counties are welcome to enter the event.

The rehearsal party will be Tuesday, September 11 at 4:30 p.m. at the home of Mrs. Raymond Rucker in Lockney. Deadline for entries is the same day.

Briscoe County girls may enter by contacting Mrs. Edwin Dickerson.

Fun-D-Night To Be Held Saturday

There will be a 4-H Fun-D-Night Saturday, September 8, at 6:30 p.m. at the Silverton Rodeo Arena. Entrance fee will be \$1.00 per event.

Events will include barrel racing, pole bending, flag race, steer riding, breakaway roping, father and child ribbon roping. There will be a stickhorse race for all youth four years and younger.

A concession stand will be available and the 4-H'ers ask that you plan to eat supper there.

Dog Obedience Class Stated In Plainview

A Dog Obedience Class will begin Wednesday, September 12 at 7:00 p.m. in the Broadway Park in Plainview. Jim Scott of Silverton will be the instructor.

The ten-week class will cost \$10 and this includes membership in the Plainview Kennel Club.

Dogs must be at least six months old. Handlers must be big enough to hold the dog. Dogs must have choke chain and six foot long leather leash.

cast time provided by Regional Service Centers.

I didn't know how to tell Billy about the accident. How can you say to your son that his mother is injured and there seems no hope?

I held him close, but could find no words of comfort. Suddenly I heard Billy start to pray softly. I had always left prayers and that sort of thing up to Mary. I somehow felt it couldn't really help, but I felt myself kneeling with Billy.

Softly he prayed as his mother had taught him. To my surprise I heard no begging plea but rather earnest conversation like that with a trusted and loved friend. "Thy will be done," not hopelessly, but serenely acknowledging the goodness of God's will.

Miraculously, we brought Mary home yesterday, and I plan to spend the rest of my life praising God, not only for her recovery, but also for the faith I have learned from our son.

You can bet that when Mary and Billy go to church next Sunday, I'll be right there with them—singing, praising and believing.

Thy Will Be Done

- Sunday James 5:13-20
- Monday Psalms 34:1-10
- Tuesday Psalms 39:1-13
- Wednesday Psalms 42:1-11
- Thursday Psalms 73:21-28
- Friday Psalms 19:14 Isaiah 26:3-4
- Saturday II Corinthians 10:1-5

Youths Aid Conservation Efforts in 4-H Program

SPECIAL—Numbered among the strongest proponents of environmental quality are the youth of America. And adding their action-oriented leadership through a conservation of natural resources program are nearly 400,000 directly involved 4-H members, notes the National 4-H Service Committee.

With incentives and recognition sponsored by John Deere, the 4-H conservationists participate in activities geared towards improvement of the environment at home and in the community, be it rural or urban.

Working individually and in groups, the 4-H'ers clear waterways, roadsides and parkland of litter and debris and help in wildlife conservation and protection. They participate in reforestation projects, in community and rural development planning and aid in action programs.

Youths in the Cooperative Extension Service supervised program gain increased appreciation of the nation's natural resources. And they are prodded to seek ways to

use such resources wisely, the basis of good conservation practices. Some of the young people find their career choice through their work in the 4-H conservation of natural resources program.

Raising 30 different species of wild waterfowl in her community was just part of the conservation activities of one 1972 national winner in the program, Molly Moore, of Lake Charles, La., raised over 200 birds and identified 200 more species that visited her parents land. She's also been active in tree seeding projects, and the 4-H'er helped to clear harmful plant life from a nearby artificial lake.

A recipient of a \$700 scholarship as a 4-H winner, Miss Moore has also worked to help curb air and water pollution in her community, in her role as a conservation writer for a local newspaper.

While enjoying success working alone, 4-H'ers have found their clubs and groups an even better way to multiply their conservation efforts.

These 4-H'ers are helping to clear litter from a stream as part of their activities in the 4-H conservation of natural resources program, sponsored by John Deere. Other youths in the program work in wildlife conservation, cleaning roadsides, restocking forests and streams, beautifying urban areas, and other environmental efforts geared for urban and rural communities.

A group in San Diego County, Calif., helped the U.S. Forest Service replant large areas of Cleveland National Forest that were destroyed by fire. They also built bird houses to encourage the nesting of useful birds in the forest preserve.

John Deere's schedule of incentives includes up to four medals of honor in each county, and an expense-paid trip to National 4-H Congress in Chicago, Nov. 25-29, for one winner from each state.

During the national 4-H event, six national winners are to be announced, each receiving a \$700 scholarship from the donor.

Club and group recognition included county and state certificates and a \$50 cash award to one county in each state reporting the most outstanding 4-H conservation program.

For more information on individual and group activities in 4-H conservation of natural resources program, contact the county extension office.

The people whose names appear below sponsor this message with the hope of promoting a better Christian community.

Mr. and Mrs. Venus Gillespie, jr. and baby of Dallas visited friends in Quitaque over the weekend.

Gladys and Jim Stroup spent last week in Fort Morgan, Colorado at the home of their brother, Charles, and his family.

Visiting in the home of Mr. and Mrs. James Wyatt for the Labor Day weekend were their son and wife, Mr. and Mrs. James L. Wyatt of Dallas. They attended the ex-students reunion of J. J. Road High School in Childress, where Mr. Wyatt attended school.

GREAT GRANDSON

Mrs. Delila McFall of Quitaque is the great-grandmother of Marty Del McFall, son of Mr. and Mrs. Gary McFall, and grandson of Mr. and Mrs. Billy Joe McFall of Pampa. He was born August 31, on the wedding anniversary of Mrs. Delila McFall's parents, Mr. and Mrs. W. H. Courington, both deceased. Maternal great-grandparents are Mr. and Mrs. M. B. Trout of Allamore.

Mr. and Mrs. Bob Eudy of Fort Worth spent Saturday night with

Mr. and Mrs. Tom Eudy in Turkey. They were dinner guests of Mr. and Mrs. Leroy Hamilton in Quitaque Sunday. They also visited the Raymond Hamiltons Sunday.

Mr. and Mrs. Leroy Hamilton attended the funeral services for her uncle, John Hedrick, in Amarillo. Mrs. Joe Woodruff spent the week there with her sister, returning home Saturday.

Mr. and Mrs. Lon McKay spent the weekend with Mr. and Mrs. Corky Davis and Scotty in Amarillo. They also visited the George McKays while there. They also enjoyed a visit with Mr. and Mrs. J. D. Chadwick of Petersburg, who were visiting in the George McKay home. They had not seen them in 20 years.

Trent McKay spent the weekend with a friend in Fort Worth. Trent and the group he is working with on the railroad have moved from Vernon to Plainview this week.

Mrs. Bill Lane and Susanne of Turkey, Mr. and Mrs. Jerry Hudson and children of Edmonson and Mr. and Mrs. Eldon Martin and children were dinner guests of Mr. and Mrs. Lon McKay for Labor Day.

JERRY SMITH

Two McCameyites Named Outstanding

Two young men from McCamey have been selected as Outstanding Men of America for 1973, according to Doug Blankenship, Chairman of the Board of Advisors for the national awards publication.

Selected for the honor were Max Joel Mainord and Jerry B. Smith.

Smith is a native of Turkey, and son of Mr. and Mrs. Josh Smith of

Shirttail Sermon

THE SIN OF BEING TOO BUSY
Everyone thinks at times he is the busiest person in town. Entering the office, store, or mill, one hears the statement, "This is my busy day." Approach the ordinary individual concerning some project aside from the regular routine, and he will likely say, "I haven't the time to do it."

Because folks are busy with big business is no reason why they should neglect the claims of the biggest man ever known in this world. Jesus Christ was both big and busy—none has been bigger or busier. Yet he has always found time to be about His Father's business.

In I Kings, Chapter 20—a chapter on the battles of Israel—this story springs forth. The Israelites under King Ahab had beaten the Syrians under King Benhadad. The captured leader of the Syrians was marked for punishment and entrusted to one of the prophets. The prophet allowed the prisoner to escape. His excuse was that he had been too busy even for his chief duty of securing the prisoner.

We may think how terrible for a man to be so busy that he cannot tend to important matters. Yet how many are so busy that they have not the time to accept Christ as Saviour. There is nothing of more importance in the life of man. Many men are too busy for Christ. They are concerned only about the things of this world.

The Christian is guilty of being too busy also. We may not be rebellious against God, but we may simply kick duty under the bed while we imagine God is not looking our way. "He that loveth not his brother whom he hath seen, how can he love God whom he hath not seen?" If you do not love Christ enough to serve him then you are too busy. The Christian that is too busy to attend the House of God is missing out on the blessings of God.

Christ needs men that are big and busy. He needs you if you are willing to commit your life and serve him. He does not need our excuses of being too busy to serve Him. We need to preserve our moral balance, speed up our spiritual development, and live

Pioneer Applies For Cost Adjustment

Pioneer Natural Gas Company made application August 22 to all incorporated cities and towns served by its West Texas Transmission System to change the cost-of-gas adjustment provision of the general service rate, according to an announcement by K. Bert (Tex) Watson, company president.

For the last three years, the general service rate has been adjusted annually in April to reflect increases in the average cost of gas for the prior year. Pioneer's request would allow making this adjustment each month for the current monthly average cost of gas. According to the company, this change would more closely meet the objective of the original adjustment provision.

"Annual cost-of-gas adjustments," Watson explained, "will happier lives because we find time for Christ. What about you? Do you have time for Christ?"

shortly penalize the company for aggressive competition for new gas supplies because of the lag between increases in the average cost of gas in the field and the time these increases may be passed on to the customers."

Watson made note of the increasing demand for natural gas and the critical gas supply shortage which has developed within the last few years. "There is increasing demand in the company's gas supply area for new gas that is being developed at much greater costs than existing supplies. Pioneer must be able to buy this new and more expensive gas and participate in more costly drilling and exploration activities in order to assure an adequate gas supply for its system customers. Fortunately, Pioneer has pipelines into two areas of good potential gas supply, and since the acquisition of new gas will be necessary to continue serving existing customers, this advantage should not be lost to Pioneer's service area by failure to meet going prices," Watson said.

If approved, the effective date of the new rate adjustments would be October 1, 1973, and the first adjustment would be applied to all bills rendered on or after that date. Since the end of 1972, the company's cost of gas has increased by about 2 1/2 cents per thousand cubic feet (MCF) and the first adjustment would therefore be about 3 percent of the average domestic price.

"In 1970, when we reached the original agreement on a cost-of-gas adjustment with the cities, it appeared that an annual adjustment would be appropriate," Watson said. "At that time, it was not predicted that the energy situation would develop so rapidly accompanied by the accelerated increase in the field cost of gas which makes it necessary for us to request this more current provision," Watson concluded.

Nine Amendments Proposed This Year

Nine more proposed constitutional amendments will appear on the November 6 general election ballot—just a couple of months before the Legislature sits as a constitutional convention.

The amendments for the November ballot are:

SJR 8—Proposing a \$15,000 a year salary for legislators and annual legislative sessions.

SJR 13—Extending the \$3,000 property tax exemption to homesteads of unmarried adults.

SJR 29—Authorizing cities to levy ad valorem taxes sufficient to pay the principle and interest on general obligation bonds.

HJR 6—Providing an additional \$100 million for the Veterans Land Program.

SJR 1—Establishing new requirements for conservation and reclamation districts.

SJR 25—Exempting water supply cooperative property from taxes.

SJR 26—Giving district courts concurrently with county courts general jurisdiction of probate courts.

SJR 12—Providing for financing of seawalls by bonds.

HJR 7—Similar to SJR 13, plus exemption of property from forced sale.

Mr. and Mrs. Larry Farley and a friend, Joe Hamilton, of Amarillo spent the weekend with Mr. and Mrs. Wendell Farley, Debbie and Dennis. Debbie has returned home from Amarillo to help her mother through the Fall business.

son continued. "I think the spirit of the original agreement, to permit Pioneer to recover its increased costs for gas, is reflected in this request," Watson concluded.
