Reddy Bargain Time

Every minute of every day, your electric clock indicates with visible proof, the precision and dependability of electric service.

It's dependable, because electricity operates the clock faithfully — 24 hours a day. It's precise, because our electric system operates in time with a master clock at the U.S. Naval Observatory, keeping your clock in step, down to the second.

Your clock operates a whole year on about 43 cents worth of electricity... one of the bargains you get with your electric service.

Today, the average residential customer uses nearly twice as much electricity as he did in 1962. But the average cost of a kilowatt hour is 15% less now than it was ten years ago.

METHODISTS URGED TO SUPPORT TOTAL PROGRAM

This is the time of the year when Methodists are called upon to make their annual contributions toward support of the total child-care program of Methodist Home in Waco.

The home of nearly 500 children, Methodist Home began its 83rd year of operation two weeks ago. There are some 335 living on campus, another 131 in foster homes and 23 away at college.

Methodist churches throughout Texas and New Mexico traditionally take a Christmas offering the second and third Sundays of December. The offering is not for Christmas gifts for the residents of Methodist Home but rather for their year-around total care.

Mr. Hunt Graham, Tyler businessman; Rev. Duane Bruce of

Lubbock, and Mr. Charles Prothro, Wichita Falls businessman, have encouraged fellow Methodists to support the Christmas offering in a colorful little brochure.

Mr. Graham is serving as Chairman of the Board of Commissioners, a group of laymen and ministers who unselfishly give many hours toward promotion of the Christmas offering.

Said Graham, "I can assure you that Methodist Home takes frustrated, untrusting and sometimes unwanted youngsters and turns them into kind, trustworthy, loveable Christian adults. Small gifts as well as large ones are needed to keep this program alive."

Methodist Home provides homes for children of all races and creeds from Texas and New Mexico.
