SNAKES ALIVE! Although the young ladies in the above photo are not professional snake hunters by any means they have proven able to meet whatever the need should that occasion arise. Pictured above are from left to right, Becky Morrison, Gwen Martin, Peggy Hill holding the whopping big rattler and Gelene Proctor. The young ladies are employed by the boll weevil exterminating project and were engaged in doing just that last Wednesday in the Grey Mule community when they happened upon the rattlesnake and these young ladies promptly went to battle and put an end to its rattling. The manner in which they put it away is the amazing part of this little story for they killed it with—get this—their lunch! Now before someone gets the wrong idea and supposes that it was fed some of their cooking and it was all that bad—not so, for they beat it to death with a can of vienna sausage, a quart of Coke, a jar of Picante sauce, a jar of pickles. A fire tool, a chain, a couple of rocks and a log were tossed in also, but the coup de grace was administered with a can of pork and beans. The critter was 4 ft. 6 in. long, weighed 5 lbs. 10 ozs, and was 8 in. around its biggest part. The ladies were asked if they salvaged their lunch after the killing but they replied that they did not. They buried the lunch and kept the snake.

QUITAQUE POSTMASTER ATTENDS CONVENTION

On Saturday, Sept. 30, Jarrell Rice, Postmaster at Quitaque, left Lubbock at 10:00 a.m. by plane for Buffalo, New York. He changed planes in Dallas, then again in Chicago, Illinois, and arrived in Buffalo late that afternoon.

A group of Postmasters from Texas got together Sunday and took a tour to Niagara Falls, and on into Canada. The beauty of the flowers and countryside was indescribable.

There were many good speakers at the convention, but the two best ones were E. T. Klassen, Postmaster General, and Gale McGee, Chairman of the Post Office and Civil Service Committee.

At 12:00 noon on Wednesday, Jarrell attended a McGovern rally, George McGovern and Ed Muskie were the major speakers. There was an estimated 40,000 people in attendance.

The convention concluded on Friday morning and Jarrell flew back to Lubbock, arriving home in the afternoon. There were between 900 and 1000 registered at the convention. Jarrell felt it was an honor to be one of the delegates to represent the Texas Postmasters.

H. G. Tant was honored on his 68th birthday anniversary Saturday, October 7, when all his children and grandchildren visited him and brought gifts and birthday cake. Those present were Mr. and Mrs. Bill Watson and Randy, Mr. and Mrs. Johnny Butler, Callie and Susanne, Mr. and Mrs. Derrell Brummett and David, all of Plainview, and Mr. and Mrs. George Hulsey. Mrs. Twilla Bynum and Denise called from Plainview, and Harold Tant called from Cherokee, North Carolina to wish him happy birthday.

Mrs. James Barefield, Quitaque, Mrs. Johnny Bingham, Rhonda and Lori of Big Spring and Phil Barefield of Hereford visited Mr. and Mrs. Tom Barbee Saturday. Mr. and Mrs. Wayne Whittington visited them Sunday.

Patriots Lose First District Tilt To McLean Tigers 25-2

Valley High's lightweight Patriots slugged it out with the McLean Tigers last Friday night on Vardy Field and lost the decision 25-2, although the score was not an indication of the actual closeness of the game.

The Patriots, once again outweighed by about 35 pounds per man in the line, held their own against the Tigers on defense and pretty well stopped the running attack of the enemy but could not completely contain the passing game of the Tigers.

The Tigers won the coin flip and received to open warfare, taking the opening kickoff on the 30 and returned it to the 44. The Tigers picked up a first down on the Valley 44, made six yards and the Patriots stopped the drive forcing the Tigers to kick with the Patriots taking over on their own 28.

Alvin Ivory picked up four yards on the first play of their possession, then Jerry Green picked up a Valley first down on the 39. The Tigers were too tough to move against and the Patriots faced a fourth down and needed 25 yards for a first and kicked to the Tigers on the McLean 46, with no return on the kick. From that point the Tigers moved for a touchdown in nine plays with Gary Griffin ramming over from the 3 yard line with 2:15 left in the first period. The extra point try was missed and the score was 6-0.

Dee Whittington took the following kickoff on the 30 yard line and returned it to the 50, almost breaking it to go all the way. On the first play the Tigers were fined 15 yards on a personal foul. The Patriots moved the ball to the 20 yard line for a first down as the first quarter ended. The Patriots were penalized 5 yards for illegal procedure, then picked up 4 yards in two rushes, then a pass attempt failed. The Patriots tried for a field goal, which was short and was killed on the Valley 4 yard line. The Patriots then moved to a first down but the defense stiffened, the Tigers were penalized for offside and McLean faced a fourth and long yardage. The center threw the ball over the kicker's head and the Valley boys took over on the three yard line

Mrs. Vineyard Laid To Rest Here

Funeral services for Mrs. Wilmoth Vineyard, 83, of Turkey were at 1:30 p.m. Friday, October 6 in the First United Methodist Church in Turkey.

The Rev. Roy Patterson, pastor, and the Rev. Johnny Williams of Hamlin officiated. Burial was in Rest Haven Cemetery at Quitaque by Seigler Funeral Home.

Pallbearers were Bill Grundy, Mark Jones, Roger Jones, J. B. Miller, John Tom Miller, Leon Brandenburg, Joe Vineyard, Dave Vineyard and Paul Vineyard. Honorary pallbearers were Jack Bell, T. W. Bell, Tom Stoker, Bert Degan, John Adamson, Alga Turner, R. C. Green, Tom Salem and Gordon Bain.

Mrs. Vineyard, a native Texan, had lived in Turkey since 1938 and formerly lived in Quitaque. She died late Wednesday in a hospital at Abilene.

She was the widow of Abe Vineyard and was a member of the United Methodist Church of Turkey.

Survivors include a son, Wren of Abilene; two brothers, Jim and John Miller, both of Lubbock;

with a first and goal to go and it looked like a sure TD for Valley. The Tigers had other ideas, however, and threw the Patriots back to the 15 from where a field goal was missed and the Tigers had the ball again. McLean moved out to midfield where the Patriots stopped them and forced a punt. Scotty Setliff took the punt on the 15

and returned it to the 22 but couldn't move from there and had to cough it up again. The Patriots' kick was a short one and went out on their own 39 but the Tigers couldn't move either and the second quarter ended with the score still 6-0.

The Patriots' Jerry Green took the second half kickoff on the 10

and returned it to the 30 but on the first play the Patriots fumbled and McLean recovered on the 22. From that point the Tigers moved for their second TD, the big gain-er coming on a pass play. Gary Griffin again carried in for the score from 4 yards out. The conversion attempt failed and the Tigers led 12-0.

The Patriots couldn't move after receiving the kickoff and the attempted punt was blocked and rolled into the end zone and was recovered by McLean in what was ruled by the officials as a TD although some thought the ball had been covered off the playing field. The Tigers again missed the conversion and led 18-0.

The Patriots took the following kickoff and moved the ball with the aid of a couple of penalties against the Tigers to the 19 yard line where the ball went over on downs. The Tigers moved the ball to the 31 yard line for a first down, then were penalized for clipping to the 17 and then for five more yards for offside. On the next play the Patriots chased the Tiger quarterback all the way back to the three yard line and downed him there. On the next play the Patriots tackled the quarterback in the end zone for a safety and the Valley boys were on the scoreboard with a safety.

The fourth period saw the Tigers get their fourth touchdown on a sort of a weird play and a bit of luck. From the Valley 36 yard line the Tigers quarterback threw for a 20 yard pass that was completed but the Valley tacklers knocked the ball loose from the Tigers' Griffin. The loose ball rolled toward the goal line and was recovered by the Tigers on the one yard line and the Tigers scored from there and kicked the extra point for the final scoring 25-2.

Just about everyone who witnessed the game agreed that it was one of the better efforts of the season for the young Patriots because except for some mistakes and fumbles the Valley boys held their own against the Tigers, whose line averaged some 193 pounds to about 159 (these are our own unofficial figures) for the Patriots. The Patriots are still looking for a better offense but they did move the ball a little better this time but the biggest drawback has been the inability to hold the defense in check long enough for the offense to get a play working. The Patriots completed a few passes during the game, one of the better ones was a Brent Guest to Kenny Setliff aerial in the final period that was good for about a dozen yards and Kenny, who weighs 123 pounds, was clobbered by a pair of defenders just as he went up for the ball but managed to hang onto the pigskin.

The defense was once again the highlight for the Patriots and it was a team effort with just about all hands getting in their licks. If someone or ones would have to be picked out for outstanding play one would have to name Brent Mullin, David Johnston, Leckie Fuston, Mickey Smith, Larry Bradford, David Self, Brian Wheeler, Kenny and Scotty Setliff—these were the names heard most often when the plays were unstacked or the opposing quarterback was nailed behind the line of scrimmage. But the entire squad gave their best. It is amazing and gratifying to coaches and fans how these youngsters keep battling against the bigger opponents they have faced all season and have never quit or let down. This reporter feels just like all local fans in that we are very proud of the Valley Patriots!

Friday night the Patriots go up against one of the district's toughest, the Clarendon Bronchos at Clarendon at 7:30. The Bronchos are tough but the Patriots will go just as they have all season giving it 100%. It is hoped that a good crowd of fans will drive over to Clarendon and support the Patriots.

buy land?

Acquiring that farm might seem more practical with financing through the Federal Land Bank. Land is easier to pay off when costs are amortized over extra years with a long-term Land Bank Loan. Your total cost of borrowing, too, can be less. Ask us for help: We know land values; we will inspect the property. We will then try to make a loan that meets your exact needs.

DON'T TAKE RURAL
TEXANS FOR A RIDE...

...AND DON'T TAKE US FOR GRANTED.

HERE'S WHAT NIXON IS DOING TO
RURAL AMERICA

WHEAT SCANDAL - Giant wheat exporters made huge profits at the expense of individual wheat farmers, many in Texas, on Soviet trade.

TAXES - Wall Street Journal says federal laws favor the corporation or investor who farms on the side for a tax write-off.

FARM ISSUES - Under Nixon, parity dropped the lowest since 1933. Nixon held up payments of nearly \$400 million for feed grains in 1970, forcing farmers to borrow at highest interest rates in history.

CONGLOMERATE SCANDALS - Big Business first, the public second - that's the Republican philosophy. Anti-trust suit against ITT dropped at the same time ITT pledged \$400,000 to finance Republican Convention.

Harry S. Truman said, 'The Republicans admire our government so much they want to buy it.'

Let's face it. The Republicans just haven't changed much since the days of our grandfathers. They still favor Big Business over the average working man and woman. And while they're taking us for a ride, they keep telling us what a 'dangerous radical' Senator McGovern is.

That's what they said about Harry S. Truman.

HERE'S WHAT McGOVERN IS DOING FOR
RURAL AMERICA

HIS STANDING - George McGovern has been elected time and again as a Democrat from a Republican farm state . . . because they know where he stands.

TAXES - His tax proposal would end the loopholes for tax-loss farming by giant corporations and the wealthy individuals who compete unfairly with family farmers. McGovern's proposal calls for the same tax on capital gains as on earnings.

FARM ISSUES - He sponsored and co-sponsored: Meat Import Limitation Law; Dairy Import Act; Wheat, Feed Grain, and Soybean Emergency Reserve Bill; Rural Development, Rural Job Development, and Rural Telephone Acts; Farm Credit Act; and other pieces of important legislation.

HIS BELIEFS - George McGovern knows that the answers to many of our most pressing problems in America today can be found by developing genuine opportunities for everyone in our small towns and rural areas throughout the country.

Let's not be taken for granted by the Nixon Republicans. Rural America has always fared best under a Democratic administration. If you want to stand up and do something good for rural America, the answer is to help put a Democrat in the White House. We need George McGovern . . . and George McGovern needs us.

RURAL TEXANS NEED A DEMOCRAT.

If your six year old saw something like this, would he know how to phone for help?

It's too important a question to leave to chance. That's why we're running this ad. If there are any six- or seven-year-olds around your house, teach them how to report emergencies. Tell them to dial "0", give their name and tell our operator where they are and what's wrong. With older children, train them to dial emergency numbers direct, since that's the fastest way to call for help. But don't stop there. Copy down the emergency

numbers listed on the inside front cover or first page of your telephone directory. Add your family doctor's number. And the number of the nearest hospital. Next, tack up the list near your phone. Then get your kids to memorize it, in case it gets lost. By the time they're through memorizing those numbers, they're going to have every grownup in the house knowing them, too. Which is also why we're running this ad.
