We extend Our
Sincere Best Wishes
To the Newspaper serving this area

The Valley Tribune

We hope that Mr. and Mrs. Guston Owens will have a successful and profitable enterprise as they publish the twin-city newspaper which will serve the people of Turkey and Quitaque in the future.

News is important to everyone. With this new cooperation of our two towns, we will be able to record for posterity the important events which are happening in both communities, as well as having an interesting medium to carry the messages of interest to those who reside in our immediate area.

Our customers have made it possible for us to have served this trade area since 1942. We would like to take this opportunity of saying “Thank you” for the patronage you have given us in the past. We hope we can continue to serve you in the best way possible in the future. Your interest is our main concern.
