Cisco Fans Hope For An Upset in District by Defeat of Breckinridge Thursday

The Cisco Lobos—who took the county championship by defeating Ranger Bulldogs Armistice day—are all set for the Thanksgiving game at Chesley Field, Cisco, Thursday, at 3 o'clock, with Breckenridge Buckaroos.

A victory for Cisco would not gain us a chance at the Oil Belt district championship, but it would rekindle the football spirits of Cisco and be a great aid in building next year's team.

A defeat of Breckenridge would throw the Buckaroos in a tie with Mineral Wells, which would have to be decided by the district committee on points.

As it stands, Breckenridge and Temple will play for the bi-district title.

Reserved seats went on sale at Breckenridge and in Cisco today at noon.

The price of 75c for reserved seats will include war tax, which will make this price only 20c higher than the ordinary admission, Principal O. L. Stamey said today.

The spirits of the Lobos are running high, it was stated at the high school this afternoon.

The team is in fair condition physically and there seems to be no good and sufficient reason why they may not be able to not only stem the Breckenridge onslaught, but to take the big end of the score.

Fans are optimistic regarding such a result and say that if the Lobos will get the super-spirit that pervaded former Big Dam Lobo games during certain games, they have no doubt that Cisco will come into the limelight as a number one upsetter.

Coaches Murphy and McCasland have been working the team into tip-top condition. The pep squad will be on the job, as will Director King with his band.

Come out there and help, Mr. and Mrs. Ciscoan!

The Cisco boys need your moral support.

D. A. R. MET NOVEMBER 24; GOOD PROGRAM

The Charles Crawford Chapter of Daughters of the American Revolution held its regular monthly meeting November 24 in the home of Mrs. Yancy McCrear, with Mrs. Homer Slicker as co-hostess.

The luncheon grace was said by Mrs. Albert Gleason of Gleasondale, Mass., who is the winter guest of her daughter, Mrs. Joseph M. Perkins of Eastland.

After the luncheon a short business session was opened with prayer by the chapter chaplain, Mrs. Philip Pettit, followed by the salute to the flag and the singing of "America." Responses were given along the different phases of D. A. R. work and proved most interesting. The chapter voted to send a year's subscription of the Spanish Readers Digest to a club in South America.

Mrs. Frank Harrell was program leader for the day, the theme being "Thanksgiving," the year book reminder being "It is a day of gladness—Thanksgiving day is here." Mrs. Pettit gave an article about early Thanksgiving and the efforts of Sarah Josepha Hale towards nationwide observance of one certain day. Miss Betty Slicker gave two piano selections, "Chopin's Prelude number 24" and "To a Waterlily," by McDowell.

The following were present: Mrs. Albert Gleason, Mrs. Joseph M. Perkins, Eastland; Mrs. J. E. Coffrey, Mrs. Randolph Lee Clark, Mrs. F. E. Harrell, Mrs. Yancy McCrear, Mrs. W. C. McDaniel, Mrs. Philip Pettit, Mrs. Homer Slicker, Mrs. Alex Spears, Mrs. W. W. Wallace and Mrs. Stanzier of California.

REDS IN PURSUIT NAZIS

KUIBYSHEV, Nov. 25. — Russian front dispatches asserted today that victorious Red armies, pressing an inspired counter-offensive in the south, were in swift pursuit of fleeing German and Italian divisions, while another Russian offensive was making headway in the north.

The Red army was holding on the Moscow front with the aid of newly-arrived British tanks, Soviet information said.

JAPANESE ARE BEATING THEIR BREASTS AGAIN

TOKIO, Nov. 25.—Premier Tojo Tuesday proclaimed Japan's "glorious duty" to smash the difficulties facing the nation, while Tokio newspapers fulminated once more against the United States and Russia.

Addressing the National Service association, Tojo declared the situation confronting Japan is "unprecedentedly grave" and added:

"It is the glorious duty imposed upon the Japanese to break through this difficult situation." Lieutenant General Kisaburo, vice president of the association, declared in reply that the entire Japanese nation now is ready to "start to march at the word of command."

The newspaper Kokumin simultaneously renewed Japan's press attacks on the United States. It said that if America insists upon depriving Japan of fulfillment of Nippon's ideals, "there is absolutely no way for a compromise between the two countries."

MASS EXECUTIONS.

LONDON, Nov. 25.—Gen. Dusan Simovic, premier of the Yugoslav government-in-exile, was quoted by the London Daily Mail Tuesday as charging that Chancellor Hitler plans to treat the entire population of Belgrade as hostages, "to be slaughtered in mass executions."

NEW YORK, Nov. 25.—The West Side waterfront, at Eleventh Avenue and Twenty-third street, was probably the most fragrant place in the United States Tuesday. A 12-ton truck and trailer loaded with chocolate candy and perfume turned over, spilling its contents all over the intersection.

FRIENDS HONOR FEES ON 54TH ANNIVERSARY

Honoring Mr. and Mrs. C. H. Fee on their 54th wedding anniversary, many friends, old and new, called at their home, 402 W. Fifth street, Monday.

Mr. and Mrs. Fee were married in Cisco, November 24, 1887, and have spent all their married life here.

They have watched Cisco grow from a small village to a prosperous, well kept city of 6,500. Mr. Fee has just recently returned home from Graham sanitarium, where he has been since he was injured in a fall about six weeks ago.

Their many friends in Cisco brought tributes of floral offerings which testified to the love and esteem in which they are held. Expressions of good will and hope held for other wedding anniversaries to be celebrated by this couple were spoken.

CANADIAN AIR FORCE PREFER TEXAS FLIERS

DALLAS, Nov. 25.—Texans and Californians are on the preferred list of the Royal Canadian Air Force, according to Clayton Knight.

Knight, World War flier and internationally-known artist, opened an RCAF recruiting station here. He said the men of the two states already have done more than their share in developing military aviation in Canada—and that is why they are being asked to do still more.

"At least half of the United States flying instructors and ferry pilots in Canada are from Texas and California," Knight said. "The Canadian government has seen enough of them to know what they can do."

Better Fitted. "Somehow, they seem better fitted for aviation than men from other states," he said. "It may be because they are in better physical condition. They get a lot of sun and fresh air."

At Jarvis, Knight said, 38 of the 48 air corps officers are Americans, and half of the Americans are from Texas.

"It is estimated that 20,000 landings and take-offs have been accomplished there, all without mishap," he said. "The work was done in winter on fields covered with ice and snow. It's an enviable record."

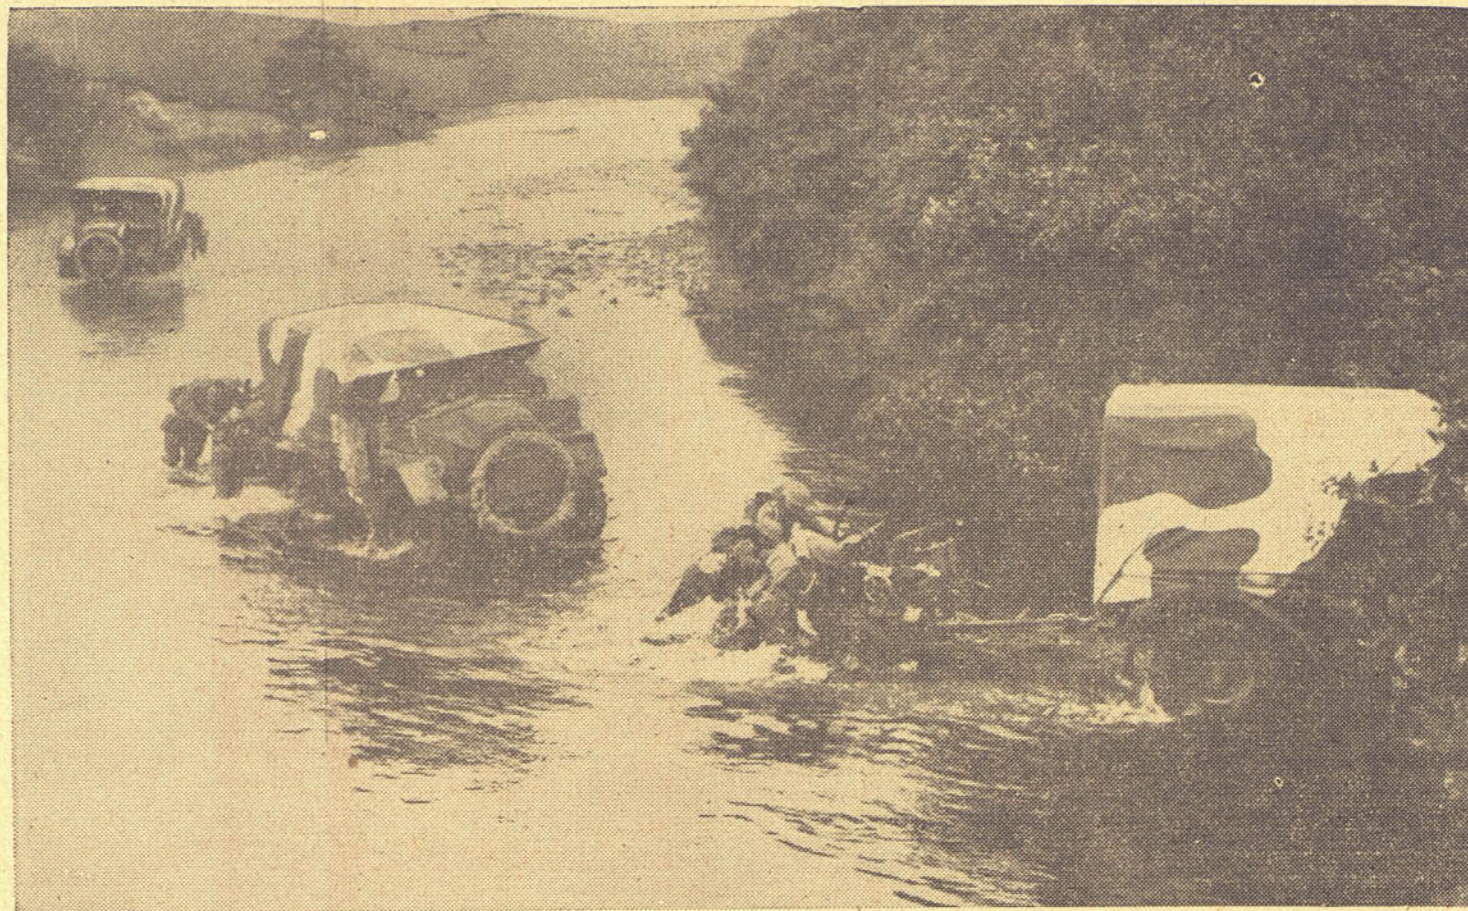

The ferry pilots' help fly American-made planes to England. Most of these are taken half-way across the Atlantic from Canada to the Bahama Islands. British pilots make the last, most dangerous lap.

Many Turned Down. Most pressing need, Knight said, is for pilots familiar with multi-engine flight.

"I am responsible for my own hardship," the artist-flier said. "I have to turn down many fliers. We cannot take them if their transfer would interfere with American commercial aviation."

TOYS FOR CHILDREN.

Mrs. Jack Anderson, Cisco nursery school committeewoman, asks the public for donations of old or new toys to be used as Christmas gifts for the nursery school children. Ring Mrs. Sutton Crofts, Mrs. James Harvey, Mrs. Jack Anderson or Miss Lillian Shertzer.

RIVER NO OBSTACLE—Men of an anti-tank regiment engage in river crossing tactics during maneuvers by British armed forces in Northern Ireland. Portee trucks provide the motive power, above, as anti-tank guns make their crossing.

SEAL DOOM OF GERMANS IN NORTH AFRICA

CAIRO, Nov. 25.—The British mechanized spearhead slashed more than 200 miles across the Libyan desert and captured Augila, it was disclosed officially today as infantry and artillery reinforcements arrived at the Sidi Rezegh battlefield to bolster the battered and almost exhausted tank columns near Tobruk.

The tank battle near Sidi Rezegh is "lessening in activity," a spokesman said, as the result of big losses on both sides, but British reinforcements—mechanized infantry and artillery—are smashing forward to hold the ground already taken and attempt to seal the doom of the Germans.

There was no evidence that fresh troops were being sent into the battle by the Germans, who gradually are being cut off from their supplies by the swift British drive westward along the Mediterranean coast.

Although the Germans were reported to be rushing additional planes to Libya, presumably from Europe, the RAF was declared to be maintaining superiority in the air.

An RAF communiqué said the British planes attacking Axis tanks, trucks, encampments, stores and supply dumps, were especially successful on the road east of El Adem, a few miles southwest of Tobruk, where at least 12 tanks in a motorized column were hit.

WANTS STRIKE LAWS.

WASHINGTON, Nov. 25.—President Roosevelt told congress to start writing its own ticket Tuesday on strike curbing legislation. The chief executive conferred more than two hours Monday night with key House members—Republicans as well as Democrats—who reported that he appeared to favor suggestions for a cooling off period and compulsory arbitration when strike calls threaten defense production.

DOCTORS MEAN BUSINESS IN UNIV. DISPUTE

FT. WORTH, Nov. 25.—Aroused alumni of the University of Texas School of Medicine "have just begun to fight" in the bitter controversy over administrative affairs of the institution, Dr. Jack Furman, acting secretary of the regional alumni organizations, said here Tuesday.

Dr. Furman said the alumni groups, far from appeased by an agreement reached at a hearing before the university regents at Austin Saturday, would press the fight with the avowed objective of gaining the ouster of Dr. John W. Spies, dean of the medical school.

He described the Austin agreement as "merely a starting point toward bettering the institution." He asserted the alumni will not be content until they not only have brought about removal of Dr. Spies as dean, but have effected a realignment of the institution's program, which they believe has been set on a course contrary to the best interests of the school and of the state.

The Austin agreement, which still requires final action of the regents 30 days hence before becoming effective, granted a demand of the faculty for greater participation in affairs of the school.

Dr. Furman said organization of the alumni into regional groups to combat the situation that has arisen in the school would be 100 per cent complete in the next 30 or 60 days. A fund has been raised to carry on the campaign and a permanent secretary is to be employed.

The movement, Dr. Furman said, is being joined by some who are not former students of the school but who "have its best interests at heart."

Dr. Furman appeared at the Saturday meeting armed with resolutions adopted by the Fort Worth regional group at a meeting here last week, and said another meeting will be held within the next two weeks to lay further plans.

Dr. Homer P. Rainey, president of the university, also is being brought under fire of the alumni groups. Dr. Furman asserted that "a majority of the alumni has been expecting, and is awaiting, assurance from the president that in regard to medicine in general, and the medical school in particular, he is most earnest and sincere."

The regular meeting of the board of directors of the Cisco chamber of commerce will be held at 7:30 o'clock tonight.

L.C. MOORE DEAD; HIS DAUGHTER IS DYING

L. C. Moore, long-time druggist of Cisco and his invalid daughter, were found shot through the head at the Moore residence at 2101 D avenue this afternoon shortly after 3 o'clock by the woman who works in the home.

Mr. Moore died soon after being found and the daughter is fatally wounded, according to Drs. Graham and Ball.

The daughter was discovered lying on her bed where she had presumably been sleeping and Mr. Moore was lying in the bath room with a small .25 pistol near his body.

The girl who works for the Moores came in about 3 o'clock and hearing no noise feared that Mr. Moore had overslept, it being his habit to take an afternoon nap, while Mrs. Moore helped at the drug store.

She went into the daughter's room and found her on the bed with the cover over her head. Investigating, she was found to have been shot through the head.

Mrs. Moore and a sister, Mrs. Evans, and friends, were notified.

Physicians pronounced Mr. Moore dead and the daughter fatally wounded.

Justice of the Peace Brown has not rendered a verdict.

BERLIN PEEVED.

BERLIN, Nov. 25.—American occupation of Dutch Guiana represents "the first United States military attack on South America," the semi-official publication Dienst aus Deutschland charged Tuesday. "The United States wants to get near a bridgehead to Natal and Dakar," the publication said. Berlin newspapers attacked the occupation as "another Roosevelt gangster act."

S. CROFTS AND A. D. ANDERSON KILL 3 DEER

Mr. and Mrs. A. G. Tuttle, Mr. and Mrs. James Harvey, Mr. and Mrs. A. D. Anderson, Mr. and Mrs. Jack Anderson and Mr. and Mrs. Sutton Crofts spent Sunday at the H. E. Crofts ranch near Marble Falls.

Sutton Crofts killed two nine-point deer and A. D. Anderson killed an eight-point deer.

NORMAN COAST RAID

LONDON, Nov. 25.—Britain's Commandos, tough, black-uniformed "phantom" troops, made a daring hit-and-run raid on the Normandy coast Sunday night and Monday morning, it was disclosed officially today.

The Commandos, organized to reconnoiter German defenses and cause as much havoc and destruction as possible, got ashore, completed their mission and returned—the only casualty being a man who was shot in the arm by a machine-gun bullet.

As the ministry of information was announcing the raid, Admiral Rogers Keys, recently relieved of his command, said in the house of commons that the Commandos were eager and ready to act a year ago when, he said, they might have altered the course of war.

Keys started training the men 15 months ago—after the fall of France.

The training was a closely-guarded secret and even war correspondents were not allowed to visit them. Later it was learned that the Commandos operate at night with tommy guns, grenades, knives, sticks and dynamite.

The Commandos black their faces to make them match their weird, black battle dress.

2 NAMES ADDED TO MERCHANTS' CAMPAIGN LIST

Two names are to be added to the list of contributors to the merchants' Christmas-trade campaign, says Nick Miller, committee chairman.

The West Texas Produce Co. was omitted from the list printed in the Cisco Daily Press of Sunday, through error in copying the list.

The Southwestern Bell Telephone company's check had not arrived when the list was printed, but is now in hand.

W. G. JOHNSON HELD IN DEATH OF JOE WATSON

W. G. Johnson, 73, of Ranger, was being held by officers Monday noon in default of bail of \$2,500, which had not been approved at that hour. Johnson is charged with murder with malice in connection with the fatal shooting of Joe Watson at Ranger Sunday night, at a resort in that city.

Matters that led up to the tragedy, so far as reported to District Attorney Early Conner, Jr., are that Watson and a woman companion entered the resort where Johnson and another woman companion were seated.

Watson, after remaining a short while, urged his companion to leave with him, and on her refusal to depart, Watson is alleged to have attempted to force her to accompany him.

Johnson, it was stated, interfered in the woman's behalf and a fight between the two men resulted.

During the altercation it was stated that Johnson pulled a pistol and shot Watson, causing death almost instantly, the bullet striking Watson in the upper part of his body.

Johnson was placed under arrest, but said he had sustained a fractured rib, and the officers, fearing pneumonia, took him to a Ranger hospital. An x-ray examination showed the rib to be fractured.

The case will be given to the 91st court grand jury when that body is impaneled on Dec. 1.

WIDOW TAKES OFFICE.

Mrs. Garland Branton, widow of County Treasurer Garland Branton, gasoline explosion victim, filed her bond Monday, took the prescribed oath and was inducted into the office by the commissioners' court of Eastland county. Her term will expire Jan. 1, 1943.

The Cisco Daily Press

(Consolidated with Cisco Daily News and Cisco American and Round-Up, November, 1937.)

A. B. O'FLAHERTY, Publisher and General Manager. W. H. LARQUE, Advertising Manager.

Published daily except Saturday and Sunday at Cisco, Eastland county, Texas, by the Free Press Publishing Corporation, incorporated under the laws of the state of Texas. Editorial and publication offices at 304-306 D Ave., Cisco, Texas. Telephone 608.

National advertising representatives, Texas Daily Press League, Dallas, Texas.

SUBSCRIPTION RATES: \$2 per year by mail (outside of Cisco) in Eastland, Stephens, Shackelford, Callahan, Brown and Comanche counties; Texas, outside the above-mentioned counties, \$3.50; \$4.75 in U. S. outside of Texas.

Per week, by carrier boy.....10c Per year, in advance.....\$5.00

LAW AND ORDER OR GANGSTER RULE!

When union heads refuse to abide by the decision of mediation boards, they are digging free labor's grave. If, due to the ruthless tactics of a few labor leaders, the mediation principle must be abandoned, all that will be left for Congress to do will be to pass uncompromising laws which will assure the continuance of defense production, and make strikes against the nation's safety impossible.

Labor would do well to read and ponder a statement made by Dean Wayne L. Morse of the University of Oregon.

Dean Morse headed the President's emergency board which was created to pass on railway labor's demand for impossible wage increases. Here is what he said:

"The call for the railway strike is absolutely unjustifiable. The officials of the union and their lawyers admitted on the record of the case that they had a fair and judicial hearing. If they go through with their threat of strike, they will sacrifice the judicial processes guaranteed to them by the Railway Labor Act— which will be much more costly to the future interest of railway labor than the temporary financial benefits which they seek to gain through a strike. It is my judgment that a strike of railroad labor at this time will jeopardize the very high place it has up to now enjoyed in public esteem."

Courts and mediation boards and laws are useless if powerful labor groups can defy judicial decisions and menace the safety of a whole nation by the gangster threat of "pay up or else!"

If we are to retain law and order in this nation, instead of descending to a state of anarchy, both sides to labor controversies must accept the conclusions of courts and mediation boards. Otherwise we will have rule by brute force.

If mediation boards are not backed up 100 per cent by the government in such cases as the railway wage controversy, it is futile to hope for fair and

legal settlement of difficulties which may arise in the future. Labor must learn that this nation cannot be blackmailed into capitulating to any and all demands. Basically, the problem is this:

"Are labor pressure groups or the government going to run this country?" And no one need doubt what the answer of the American people will be to that.

SAN FRANCISCO SPEAKS.

The citizens of San Francisco are to be congratulated. At an election on the fourth of November, they dealt, with the ballot, a heavy blow at a type of federal and state officialism which is attempting to dominate and control the affairs of local government.

The election was to determine whether or not San Francisco should have municipal power—a question which San Francisco had voted on seven times in the past fourteen years, in each case voting "no." But this last election involved an issue of far greater importance than whether or not San Francisco was to sanction socialized power. That issue was injected into the campaign by the secretary of the interior of the United States.

For many years San Francisco has sold power generated as a by-product of its municipal water system, to a private utility for distribution to the city, receiving in return some \$2,000,000 a year. To the vast majority of people, what San Francisco did with its power was its own business, to be decided by San Francisco people. But the secretary of the interior thought otherwise. He had at hand a court decision which held that an old federal statute made it illegal for the city to sell its power to be distributed by a private agency. He opposed any and all efforts to revise this statute. Instead, he forced the principal officials of the city to agree to stipulations governing the election of November fourth, which made an absolute mockery of the free election system.

These officials were forced to do everything in their power to persuade the voters to adopt municipal ownership. They issued a pamphlet to all voters urging adoption of the proposal, without allowing in it a single word in opposition. They bought newspaper advertisements and radio time with public funds to advocate the proposal—again without a single word in opposition. The secretary of the interior came to San Francisco in the closing days of the campaign to promote passage of the proposal at a meeting in which no opposition speaker

was present. The governor of the state did likewise. In short, all the power of officialism was ruthlessly urged to rig the election to the greatest possible extent.

Then the people of San Francisco went to the polls. And by a vote of almost two to one, they voted power socialism down for the eighth time.

The citizens of a great city have said, at the polls, that local business is within the province of local citizens. They have said that they will run their own affairs without dictation from federal or state officials. They have administered a ringing, far-reaching rebuke to those who would centralize more and more governmental power in federal hands—a centralization of power whose logical and inevitable end is a Washington dictatorship. The citizens of San Francisco have shown the American people that those traditional American characteristics of independence and freedom are still alive.

PROBATE CASES DISPOSED OF IN COUNTY COURT

T. E. Knight, guardian of Everett E. Harper, incompetent, petition to accept real estate on which he holds a deed of trust lien, plus taxes paid, in lieu of the principal and interest due the estate of his ward. Petitioner showed to the court that property had been appraised at \$1,400. Approved and settlement authorized.

Ben E. Hamner, application for letters as temporary administrator estate Stephen S. Brawner, deceased. Approved and hearing ordered.

Fred Roberds, administrator estate M. L. Shook, deceased; application for authority to execute mineral lease to the undivided one-half of lot 11, T. J. Fennell surveys 31, 32 and 33. Approved and lease authorized after publication of notice of intended lease. Report of lease approved and same confirmed.

Leo Wilson, lunacy; verdict of the jury that defendant was a person of unsound mind, and it was the order of the court that he be

committed to the state hospital at Rusk for restraint and treatment. Neil Barber, administrator estate P. P. Barber, deceased; application to sell 160 acres of land located in J. H. Garrison and M. M. Starkey surveys; approved and order of sale issued after hearing application. Report of sale confirmed and sale bond approved as filed with the National Surety Co. of New York.

Mrs. Eula L. Meadow, surviving widow and administratrix of the community estate of herself and Nathan W. Meadow, deceased, petition for appraisers. Approved and I. C. Underwood, J. Frank Dean and O. R. Buchanan named appraisers, whose report and inventory of the estate was approved as filed.

DEC. TERM OF 91ST COURT TO OPEN MONDAY

Geo. L. Davenport, Judge, New Cases Filed. The following new cases are on file for hearing in the 91st court, State of Texas vs. Absher Hartsfield et al, injunction.

Maudie Wood vs. G. W. Wood, divorce.

Judgments and Orders. Judge Davenport named a jury commission to draw grand and petit juries for the December term of the 91st court, composed of L. M. Cawley, Eastland; Tom Butler, Rising Star; Mat Robinson, Ranger. This commission appeared in court Monday morning at 9 o'clock, and, being sworn, were instructed to draw the names of 16 qualified citizens to act as a grand jury, which will appear Monday, Dec. 1, to be empaneled. The commission was also instructed to draw 40 names for each week from which petit jurors will be chosen to serve for the second and third weeks of the December term—to report for service Monday, Dec. 8, and Monday, Dec. 15.

Erma Lois Bailey vs. Lloyd Bailey, divorce. Judgment for plaintiff and custody of minor children. It was the further order of the court that defendant pay to the district clerk \$30 per month, beginning December 1, to be paid to plaintiff for the support and education of said minor children.

State of Texas vs. Absher Hartsfield et al, injunction. It was the order of the court that the district clerk cite the defendant to appear in open court on Dec. 3 and show cause why a temporary injunction should not be granted against each of them as prayed for.

Beatrice Weddington et al vs. Big Dam Oil Co., damages. Dismissed on plaintiff's motion.

Walter Edmund Coleman vs. Travelers Insurance Co., damages. Settled and dismissed by agreement of parties.

State of Texas vs. Charter Oil Co. et al, tax suit. Judgment for plaintiff for \$255.52, covering taxes due for years 1930 to 1940 inclusive, principal, interest and penalties, plus \$2 cost, and lien on leasehold.

State of Texas vs. G. C. Barkley et al, tax suit. Judgment for plaintiff for \$1,895.75, covering principal, interest and penalties, plus \$2 cost, and lien on leasehold.

CLASSIFIED

LOST—Gold Elgin wrist watch, with "D. J. J." on back; on Eastland highway near Cisco. Leave at Daily Press office and get reward. 62

FOR SALE—Stone-venerer dwelling at 604 W. Fourteenth; newly reconditioned. Also a five-room dwelling at 1202 W. Ninth. Reasonable terms and low interest. Phone 198. CONNIE DAVIS. 62

FOR SALE—Jersey milk cows and white leghorn pullets. J. L. Wooden, mile and a half on Rising Star Highway. 61

WANTED TO BUY—Fifty to 75 acres, well improved, close in or on good road. Phone 236, Cisco. 63

FAMILY BUNDLES washed and ironed, seven cents pound. 704 E. Tenth. 66

field et al, injunction. It was the order of the court that the district clerk cite the defendant to appear in open court on Dec. 3 and show cause why a temporary injunction should not be granted against each of them as prayed for. Beatrice Weddington et al vs. Big Dam Oil Co., damages. Dismissed on plaintiff's motion. Walter Edmund Coleman vs. Travelers Insurance Co., damages. Settled and dismissed by agreement of parties. State of Texas vs. Charter Oil Co. et al, tax suit. Judgment for plaintiff for \$255.52, covering taxes due for years 1930 to 1940 inclusive, principal, interest and penalties, plus \$2 cost, and lien on leasehold. State of Texas vs. G. C. Barkley et al, tax suit. Judgment for plaintiff for \$1,895.75, covering principal, interest and penalties, plus \$2 cost, and lien on leasehold.

Congress is now considering another pension grab. The idea is that veterans will appreciate it and taxpayers are already too numb to give a darn.

Legal Notice

No. 17,063. SHERIFF'S NOTICE OF SALE. The State of Texas, County of Eastland.

WHEREAS, by virtue of a certain execution for costs issued out of the 91st District Court of Eastland County, Texas, on the 18th day of October, A. D. 1941, in a certain cause No. 17,063 (consolidated with No. 6,779 and No. 17,066 pending in said 91st District Court of Eastland County, Texas, wherein Carrie Ella Tipton and husband, A. P. Tipton, are plaintiffs and Fannie J. Kimmel and husband, Sam Kimmel, Josephine Tipton Latson and husband, J. H. Latson, Jr., Harvey Tipton, Chesley Tipton, Elbert Tipton and Leonard Tipton are defendants, on a judgment rendered in said Court against the plaintiffs Carrie Ella Tipton and husband, A. P. Tipton, principals on cost bond filed in said suit, and Mrs. Emma L. Chesley, Mrs. Bernie McCrea and Yancey McCrea, sureties, jointly and severally, for the sum of \$624.29, costs of suit, I have levied upon and will upon the 2nd day of December, A. D. 1941, between the hours of 10 o'clock A. M. and 4 o'clock P. M. at the Courthouse door of said County, proceed to sell for cash to the highest bidder all the right, title and interest of the said Mrs. Emma L. Chesley and of the same Mrs. Bernie McCrea and husband, Yancey McCrea, in and to the following described property levied upon, to-wit:

(1) The right, title and interest of the said Mrs. Emma L. Chesley and of the same Mrs. Bernie McCrea and husband, Yancey McCrea, in and to the following described property levied upon, to-wit: Lot 3, City of Cisco, as fully described in Block 4 at page 64 of the County Surveyor's records of Eastland County, Texas, and being the same lot as described in Commissioner's report in Cause No. 15,673 in the 91st District Court, said lot having been therein set aside to said Mrs. Emma L. Chesley.

(2) The right, title and interest of the said Mrs. Bernie McCrea and husband, Yancey McCrea, in and to 277 acres of land, more or less, the South part of Sec. 354, S. P. RR. Co. Survey, Abstract 912, Eastland County, Texas, same being fully described in "Group No. 7" in said Commissioner's report above described, beginning at page 571 of Vol. F-1 of the Minutes of the 91st District Court, Eastland County, Texas. Reference is hereby made

to said Commissioner's report for more complete description of both tracts above set out and upon which levy has been made.

And in compliance with law, I give this notice by publication in the English language once a week for three consecutive weeks immediately preceding said day of sale, the first publication of which is not less than twenty days preceding the day of said sale in the Cisco Daily Press, a newspaper published in Eastland County, Texas.

LOSS WOODS, Sheriff, Eastland County, Texas. By STEELE HILL, Deputy. (3 Tuesdays) 61

No. 17,064. SHERIFF'S NOTICE OF SALE. The State of Texas, County of Eastland.

WHEREAS, by virtue of a certain execution for costs issued out of the 88th District Court of Eastland County, Texas, on the 18th day of October, A. SOCIETY and CLUBS

By MRS. KATE RICHARDSON

**Dinner Party
at Lauderdale
Home Sat. Night**

Mr. and Mrs. J. D. Lauderdale honored the Powell-Lauderdale wedding party with a rehearsal dinner in their home, 1322 Park drive, Saturday night.

The dining table, covered with lace cloth, was centered with a silver bowl of pink sweet peas and delphinium. A turkey dinner was served buffet. The bride and the guests found their places at small tables in the living room. Bowls of pink rosebuds formed the decorations on each table.

After the meal the guests were entertained with a duet, "Yours," sung by Misses Bilye Cole and Marian Jacobs; Mrs. Troy Powell played several piano numbers. Just before the wedding party went to the church, the honorees

presented each of their attendants with a lovely gift.

Those present were Rev. and Mrs. J. R. Wright, Mr. and Mrs. C. B. Powell, Mr. and Mrs. Troy Powell, Mr. and Mrs. Don Sivals and daughters, Mary Martha and Betty of Midland; Mr. and Mrs. Cecil Richardson of Abilene; Mr. and Mrs. O. M. Wilson and son, Mickey of Stamford; Mrs. Nick Miller, Misses Mary Elizabeth Wright, Jane Moore, Bilye Cole, Noma King, Edleen Armstrong, Marian Jacobs and Bobby Lee Miller; J. C. Paschall, the honorees; Miss Betty Lou Powell and Jack Lauderdale and the hosts, Mr. and Mrs. J. D. Lauderdale.

**Powell - Lauderdale Nuptials
Held Sunday in Local Church**

The marriage of Miss Betty Lou Powell, daughter of Mr. and Mrs. C. B. Powell, to Jack Dillon Lauderdale, son of Mr. and Mrs. J. D. Lauderdale, Sr., took place Sunday evening at 6 o'clock in the First Christian church. Rev. J. R. Wright read the single ring ceremony before an altar of greenery interspersed with baskets of white chrysanthemums; tall lighted white candles were placed atop the archway and in wedding candelabra at each side.

Ushers were Misses Jane Moore and Mary Elizabeth Wright, who wore gowns of blue taffeta, and Misses Inka Sherman and Edleen Armstrong, whose gowns were rose-colored taffeta. Each wore a corsage of white chrysanthemums. During the playing of "Evening Star," from Tannhauser, they entered and lighted the tapers in the windows and above the altar.

Nuptial music included "Rustle of Spring," played by Bobbie Lee Miller; "Because," sung by Miss Bilye Cole accompanied by Hjalmar Bergh; "At Dawning," sung by a trio composed of Misses Bilye Cole, Marian Jacobs and Noma King. The Lohengrin and Mendelssohn wedding marches were played by Mrs. Troy Powell, who also played "Liebertraum" during the ceremony.

Mrs. Cecil Richardson of Abilene, cousin of the bride, was her only attendant. Her gown was of dusty rose taffeta and she carried a bouquet of yellow chrysanthemums. J. C. Paschall served the groom as best man. Little Betty Sivals of Midland, dressed in blue taffeta, scattered roses, and Mickey Wilson, nephew of the bride, was ring bearer.

The bride was given in marriage by her father, C. B. Powell. She wore a gown of white slipper satin made with long, fitted bodice, trimmed with self-covered buttons, sweetheart neckline and long, fitted sleeves. Her finger-tip veil of illusion fell from a tulle halo. Her only ornament was a strand of pearls. For "something old" she wore a small gold watch, which was worn by her mother when she was married; she held a handkerchief that was carried by the groom's grandmother on her wedding day. Her shower bouquet was of bride's roses and bouvardia.

Immediately following the wedding, a reception was held in the home of the bride's parents, Mr. and Mrs. C. B. Powell. A miniature bridal couple topped the

three-tier wedding cake which centered the lace-covered table. After the cake was cut by the bride, refreshments of wedding cake and tea were served by Mrs. Elmer Jobe and Mrs. J. M. Hooks of Abilene and Mrs. W. M. DuPuy and Mrs. Herman Scheiblich of Marlin. Assisting in serving were Misses Mary Louise Poe and Topsy Russell. Mrs. Blake Stephens presided at the bride's book.

The young couple left after the reception on a short wedding trip. Mrs. Lauderdale wore a fur-trimmed costume suit of soldier blue with brown accessories. After the wedding trip to San Antonio and other points they will be at home at 604 G avenue, Cisco.

Out-of-town guests attending were Mr. and Mrs. J. M. Hooks, Mr. and Mrs. Elmer Jobe, Mr. and Mrs. Cecil Richardson of Abilene; Mmes. E. M. DuPuy and H. Scheiblich, Joe Tom Haney, Edward and Sue Scheiblich of Marlin; Mrs. B. J. Pittman and Mrs. Finis Evans, De Leon; Mrs. Audrey Spencer, Dublin; Mr. and Mrs. F. M. Ford, Misses Martha June, Joyce and Clark Ford, Sweetwater; Mr. and Mrs. Don Sivals, Mary Martha and Betty Sivals, Midland; Mr. and Mrs. L. C. Bullock and Mr. Ramsey, Ft. Worth; Mr. and Mrs. Lauderdale, Harkersville; Miss Edleen Armstrong, Houston; Miss Myra Jean Tompkins, TCU, Ft. Worth; Miss Topsy Russell, Baird; Mrs. Silas George, Sweetwater.

GOLDEN WEDDING

Mr. and Mrs. J. T. Waddell, Sr., will celebrate their golden wedding anniversary Sunday, Nov. 30, with open house held in their home, 900 E. Ninth street. A reception honoring the couple will be held from 4 to 7. All friends and acquaintances are cordially invited to attend.

Mr. and Mrs. Waddell have lived in Cisco many years and have a host of friends who wish to congratulate them on this special occasion.

Prissy vulgarity once thought bare feet men. If moderns seem less "modest," they have less dirt to be ashamed of.

MOTHER LOVE.

MARLBORO, Mass., Nov. 25.—After dropping her 7-year-old daughter into her husband's arms from a second-story window, Mrs. Henry Bourgeois, 27, went back into a smoke-filled bedroom Tuesday to death with another daughter, Joanne, 4. Firemen found her on the floor with little Joanne's body clasped in her arms. The names of her husband, 28, and Rita, were on the danger list at Marlboro hospital.

You can still live in spite of high prices if you will only become reconciled to eating less meat and more gravy.

MOVING ALONG NICELY.

NEW YORK, Nov. 25.—Military aircraft production has hit the halfway mark toward President Roosevelt's original goal of 50,000 planes a year, Aviation Magazine said Tuesday. Defense orders held by aircraft manufacturers have shot up to a new high of \$8,343,000,000, an increase of \$400,000,000 during the month despite record high deliveries, Aviation said. Aircraft deliveries now total more than 2,000 planes a month, according to the magazine's figures. By the middle of 1942 they will accelerate to between 3,000 and 3,500 a month.

We have always heard of tax reduction and now it has come.

Taxes surely are going to reduce us.

Our nephew never has any business anywhere. He drives fast just because he is curious to know where he is going.

**Relieves
CHAPPED
SKIN**

MENTHOLATUM

● If your skin is chapped, you will be delighted with the effect of Mentholatum applied to the stinging, red, swollen parts. Mentholatum quickly cools and soothes the irritation, assisting Nature to more quickly heal the injury. Mentholatum is also a most soothing and effective application for other minor skin irritations. Jars or tubes, 30c.

Mr. Telephone will wear plastic TO SAVE METAL FOR UNCLE SAM

We're ready with a wartime telephone in which plastic and steel replace the more vital defense metals—zinc, aluminum, magnesium. It's not a makeshift telephone—it's a good telephone.

In the months ahead, however, you may find it hard to get one. Where all lines in our cables are taken up we can't add new customers quickly, because nearly all the additional cable we can get is required for vital defense construction.

We're making every substitution, salvaging every bit of usable equipment to keep up with orders as well as we can.

We hope that our record over more than 60 years is evidence that we will always be doing our best to keep your service as good as conditions permit.

NORVELL & MILLER
WHERE MOST PEOPLE TRADE

BRIEFLY TOLD

Word has been received that Oscar L. Stutenroth of Cisco and T. A. Kirk of Eastland have arrived in Mexico City on their vacation trip. They are making their headquarters at the Hotel Reforma, from where they are visiting nearby points of interest, including the Floating Gardens at Xochimilco and the hillside town of Taxco, whose cobblestone streets and colonial architecture date back to the days of the Spanish conquest.

Miss Mary Alice Brown of Putnam visited in the home of her uncle, N. A. Brown, over the week-end.

Mrs. A. B. O'Flaherty and daughter, Mary Sue, left today for San Angelo to spend a few days with the former's parents, Mr. and Mrs. Frank Neely. Mr. Neely, ill for several months, is in Shannon hospital, San Angelo.

Mrs. Judson Prince, accompanied by Mrs. Pat Crawford and Mrs. Pierce of Olden, went to Abilene this morning to attend a meeting of the Baptist Women's Missionary Union of District 17, which is being held in the University Baptist church there.

Mrs. Allen Boon of Fort Worth spent the week-end in the home of Mr. and Mrs. R. H. Boon.

J. E. Shelton of Brownsfield is a guest of his brother-in-law, A. E. Lyle at the Mobley hotel.

Miss Marie Winston returned to Abilene Monday morning after spending the week-end in the home of her parents, Mr. and Mrs. W. R. Winston.

Mrs. Wiley Clinton of Putnam was shopping in the city today.

Miss Edleen Armstrong of Houston spent the week-end in Cisco, a guest of Miss Mary Louise Poe.

Mrs. W. E. Dean and daughter, Billie Jean Dean visited her parents in Hico over the week-end.

Miss Dorothy Childers will arrive from S. M. U., Dallas, today to spend Thanksgiving holidays with her parents, Mr. and Mrs. Bill Childers.

F. B. Altman, Miss Edith Altman and Mrs. Myrtle Anderson spent Monday at the Dallas market. They also witnessed the Christmas parade there Monday evening.

Miss Topsy Russell of Baird visited her parents, Mr. and Mrs. O. J. Russell over the week-end.

Mr. and Mrs. Reed Young have returned from Waco where they attended the funeral of his aunt.

Mrs. Bob Clinton and Mrs. Williams of Putnam were Cisco visitors Monday.

Mrs. H. E. Baugh of Big Spring is a guest in the home of Dr. and Mrs. N. A. Brown.

Mr. and Mrs. H. N. Lyle spent

MAKING FEED CROPS PRODUCE MORE

(ELMO V. COOK, County Agent)

National defense is calling for Eastland county farmers to produce eight per cent more livestock feed in 1942. A lack of feed production is all that keeps Eastland county from being a banner dairy and livestock county. We grow the beef calves, feeder pigs, feeder lambs, and have the dairy cows it takes to produce an abundance of meats and milk for market, but the livestock are not fed for market and the dairy cows do not produce to full capacity because there is always a shortage of feed in

Eastland county. The average farmer could more than double his farm income by finishing some livestock for market or keeping a few good dairy cows for milk production. He could also utilize his time more profitably the year around instead of having a slack season with little work to do.

There is no land in cultivation in Eastland county that could not produce a profitable crop of some kind of feed properly managed. All land now planted to feed in the county will produce a more profitable yield if the best farming practices are used. Some of these practices are soil conservation measures, such as terracing and planting of legumes, planting of better seed, proper use of commercial fertilizers, seed treatment and proper harvesting and storing the crop produced. Since there is an urgent need for an increase in feed production in the county in 1942, soil conservation measures that would take a long period of time will not be discussed at this time.

Getting Land Terraced Free. It actually costs the farmer

nothing to get his land properly terraced if he goes about it in the proper manner. Every farm has a certain soil building allowance that can be earned in the AAA program. This can be earned by building good terraces and the payment is 75 cents per 100 feet. This will pay for the construction of terraces 25 feet wide or wider. Arrangements can be made to have the owner of the equipment building the terraces paid at the time the terraces are complete. Any farmer can learn how much money he can earn by terracing if he will contact the AAA office at Eastland.

Sorry Seed Cost the Most. One of the most expensive things a farmer can do is to plant poor seed. The Texas Agricultural Experiment Station has been doing some outstanding work for years in developing improved strains of seed. Some of these are Texas Milo, Blackhull Kafir, Hegari, Feterita, Red Top Sorghum, Texas Hybrid corn, Yellow Sorropper corn, New Nortex cats and Wintex barley. The Texas Hybrid corn is now available for the first time. It produces an average of about 20 per cent more corn than the best of the other varieties, but the seed are still scarce and a little high in price. Farmers who want any of the hybrid seed should get in touch with the county agent at once. Information on where to get the other seed mentioned can be had from the county agent or any other agricultural worker.

It Pays to Treat All Planting Seed. Seed corn should be treated with New Improved Semesan Jr. to insure a good stand and keep down diseases that are carried over on the seed. Grain sorghums, sweet sorghums and small grains should be treated with New Improved Ceresan to keep seed from rotting in the ground and control head smuts. The cost of treating a bushel of seed with either of these treatments is only a few cents and

an excellent farming practice. **Fertilize Your Feed Crop First.** Nearly all farmers will admit that a feed crop failure is worse than a cash crop failure because a farmer cannot farm without feed crops, corn included, in Eastland county prove that fertilizer can be doubled or quadrupled by the proper use of fertilizer. The poorer the land, the greater the response to fertilizer. A good fertilizer for feed is 4-12-4, at least 100 pounds per acre. If peas were grown on the land the year before, the fertilizer would should be invested in superphosphate as the peas left nitrogen in the land for the next crop, but the only way to add phosphate is from a sack. It does not pay to use fertilizer and then let the weeds grow as they will get more of the fertilizer than the crop will get.

FOR BUCKNER HOME.

The annual offering by the churches of the Cisco Baptist association is being made to Buckner Orphan Home today. Gifts of fruit, canned goods, clothing, hay and cash are being brought to the First Baptist church today by the thirty churches composing the association. This evening a large truck load of Thanksgiving offerings will head for the large orphan home. For the past years the Merchants Fast Motor Lines have carried the offering free of charge in one of their fast motor trucks. This has been their contribution.

Thanksgiving

It wouldn't be Thanksgiving to us if we didn't express our gratitude to our friends and customers for enabling us to maintain in Cisco a Grocery Store in quality and service equal to the best in towns of ten times the population of Cisco.

We are also thankful that we live in America in Cisco, Texas.

We are thankful that we have faith to believe that out of all the chaos, disturbance and distress there shall emerge a greater America that shall still be the land of Freedom.

Surely there is much reason for every one to be thankful, because it could be much different if it had not been for those heroes gone before that held faithfully to the maintenance of America's Standards and traditions.

Today we would not be enjoying this glorious nation, were it not because of those that have come and gone, and no less should you and I share the same responsibility and trust today.

Then with resolute purpose and self denial or sacrifice in this most crucial period of our history let each of us do all in our might to keep things right so that after we are only memories or forgotten, those of tomorrow, those yet unborn, may enjoy many more glorious thanksgiving and say, "I am thankful that I live in America on this Thanksgiving Day."

It couldn't be a good Thanksgiving Dinner to you without these Choice Meats, Turkeys, Hens, Vegetables, Fruits, and Fancy Foods.
