

## POPULATION OF CONTINENTAL UNITED STATES IS 105,000,000

### Contract Let for Cisco's Great Water Reservoir

#### CISCO AWARDS CONTRACT FOR ITS NEW DAM

H. F. FRIESTEDT OF CHICAGO IS SUCCESSFUL BIDDER.

WILL COST \$914,050

Hollow Reinforced Concrete Construction Selected; Start Immediately.

The contract for the construction of Cisco's giant dam on Sandy Creek has been awarded.

At a meeting of the City Commission at the City Hall Thursday evening the bid for the work submitted by H. F. Friedstedt of Chicago was accepted after the city fathers had spent several weeks in deliberation over the many proposals presented.

With a deduction of credits, the Friedstedt bid was approximately \$914,050. It was the lowest submitted.

The specifications call for a hollow reinforced concrete dam.

The agreement is that work shall be started within 10 days after order from the City Commission and shall be completed within 208 days from that time.

According to a representative of the successful construction concern, machinery for the work will be loaded aboard flat cars in Chicago immediately and forwarded to this city.

The dam will be built across Sandy Creek from Buzzard's Roost to its confluence with the river, a distance of 1,200 feet.

The dam will be 125 feet high from a foundation of bed rock. It is estimated that 12,000,000 gallons of water will be impounded.

The land is being rapidly cleared of trees and other obstructions by a gang of laborers who have been at work for several weeks.

"I am satisfied that we have chosen the best dam construction at the cheapest price," said Mayor Williamson this morning.

The contracting company has a nation-wide reputation for its work and owing to its extensive operations has more equipment than the average contracting firm.

#### HOOVER SAYS PEACE TREATY MUST STAND

U. S. CAN'T AFFORD TO NOT ACQUIESCE IN PLANS OF ITS ALLIES.

CONTRARY TALK BUNK

Is Guarantee of Disarmament of All the Foreign Autocracies.

NEW YORK, June 25.—Speedy ratification of the Treaty of Versailles after article 19 of the League of Nations has been eliminated, was urged by Herbert Hoover, in a statement published here today as the platform upon which the republican party would stand.

Hoover declared that sooner or later the United States must ratify the treaty in some form, and said that the talk concerning negotiations for a new treaty was "bunk."

He said that the treaty is a charter of independence for Poland, Czechoslovakia and Finland and a warrant of increased territory, and the several great nations are not going to reopen a discussion as to their titles.

It is a guarantee of disarmament for the great autocracies, he said, and no European nation is going to risk a revival of competition in armament.

Young Men's Bible Class of Methodist Church Gives Picnic

More than 300 people enjoyed a picnic and outing at the Ward ranch Thursday evening, given by the Young Men's Bible Class of the First Methodist church.

Mrs. Phillip Pettit, teacher of the class, was in charge of the affair. The ranch is about four miles from this city on the Breckenridge road and is the residence of Mr. and Mrs. Lloyd Winston.

The members of the party enjoyed swimming and the exercises gave them a hearty appetite for a good picnic dinner.

"Critical Importance" of N. C. Suffrage Told by President Wilson

WASHINGTON, June 25.—President Wilson sent messages today to Governor Bickett and Senators Simmons and Overman of North Carolina suggesting that he need not point out to them "the critical importance" of the action taken by the North Carolina legislature when it meets in special session next month to consider the federal suffrage amendment.

Governor Bickett, at Raleigh, commenting on the president's message said that he hoped the Tennessee legislature would meet in special session and ratify woman suffrage, thus relieving North Carolina of doing it.

#### WILSON ACCUSED CAUSING STRIKES OF LABOR MEN.

LEE, IN STATEMENT, SAYS ONE BIG UNION IDEA IS DANGEROUS.

IS UP TO THE POWERS

Predicts Strife of 1894 May Be Repeated Unless Matter Is Settled Quickly.

CHICAGO, June 25.—Officials representing all recognized railroad unions, met here today in an effort to keep the men in line and put a halt to a series of unauthorized strikes that have been sweeping the country the past several weeks.

W. G. Lee, president of the Brotherhood of Railway Trainmen, spokesman for the labor unions, today laid the responsibility for the present situation on President Wilson.

In a statement Lee said that the president had permitted the railway administration to "daily along" nearly a year after the men had presented their demands, and that it took the president 49 days to appoint a railway labor board after the Esch-Cummings bill, authorizing it, became a law.

Lee said: "We are here to discuss some way of avoiding this danger, because of the government's delay in passing on our wage demands. Unless immediate action be taken, we fear that the transportation situation will be paralyzed."

Lee continued: "One of the biggest dangers to be faced now is the one big union idea propaganda, which is responsible for the sporadic strikes now going on. It is up to the powers to decide whether they want the one big union idea, which caused strife in 1894, or whether they want the strong, sane organizations which have kept the men in a reasonable mood for many years."

Heads of fifteen railway organizations today declared that the situation was the most menacing they had been called upon to meet since the war, and expressed doubt as to their ability to prevent a "complete paralysis of transportation" unless given co-operation by the railway labor board now considering the wage demands.

Lee declared: "The men have reached the breaking point in patience, and in the meantime men are leaving railroad work for more money, or are being expelled from trainmen's organizations because of the unauthorized strikes."

Texas U. Glee Club Leader Is to Direct the Methodist Choir

C. R. Hooton, concert leader of the Glee Club of the University of Texas, is in Cisco for the summer vacation and will direct the choir of the First Methodist church.

Hooton is a tenor soloist of note and an accomplished musician. He was graduated in music from the Southern Methodist University where he studied under Dr. Arthur L. Manchester.

He will be the pastor's assistant here and will return to college in the fall.

#### HOMEAGAIN HIRAM—Cub Reporter for the Cass City Clarion, Arrives in Frisco and Sends in His First Copy.

Dear Ed and readers of the Cass City Clarion: Arrived in Golden Gate City called Frisco for short without mishap barring an altercation with a guy who tried to take my new grip from me. He said he was a hotel porter I sitting on him with my loose left and he went down flat like a cookie as the sport writers say. Another slicker staggered up to me coughing whilst I was looking at the time clock on Ferry tower and said he was dying of the Con and had a sick wife and nine starving kids and would sell me a first mortgage on the Ferry bldg. for 5 bucks. I asked him if he saw anything green in my eye and whilst he was looking I wrecked him with a swat. Mebby I look green but they cant fool me I've been in big cities before and I can take care of myself you bet I'm busy trying to find the Convention and have asked several natives where it is but so far to no avail yours truly Hiram

#### Dallas County Farmers Engage in Man Hunt; Girl Was Assaulted

DALLAS, June 25.—Several hundred farmers, armed with shotguns and rifles are searching the northern part of Dallas county for a man today, following a brutal assault on a young woman, according to reports issued from the sheriff's department.

The girl was found in a cane patch near here yesterday.

She was bound hand and foot and gagged.

Dallas officers hurried to the scene.

Leaders of the man hunt are said to have declared that they will not turn the girl's assailant over to the law if they capture him.

#### Little Motor Kar Officials Are Again Taken Into Custody

DALLAS, Tex., June 25.—A member of the Little Motor Kar Company officials and stockholders against whom indictments alleging violation of the postal laws were quashed on technicalities, were re-arrested last night, but are at liberty today under new bail.

The new warrants were issued on complaints of postoffice inspectors, charging fraudulent use of the mails in company stock sales.

The officials said the new action will be passed before the grand jury Tuesday.

#### LEERAY GETS 1600 BARREL OIL GUSHER

BAGGETT NO. 2, IN SEC. 445, DRENCHES DERRICK AFTER SHOT.

BLOCK 37 GETS PLAY

13 Derricks Now Dot That Block, Which Is History-Maker for New City.

Special to The News. LEERAY, Tex., June 25.—Late Wednesday afternoon the Greenwood & Terrell's Baggett No. 2, in the southeast quarter of section No. 445, north of Leeray about a mile and a half, was shot with 210 quarts of nitroglycerine. The shot got ready response in about two minutes after the fuse exploded the charge, causing an upheaval of debris, gas and oil, which feathered well over the derrick, drenching the surrounding ground several hundreds of feet, with 50 barrels of 41 gravity oil.

This fine well began running by hour-long heads, with a great gas pressure, late Wednesday night, and noon Thursday the gusher announced it was good for 1600 barrels, with good prospects of increasing its flow.

The other wells in the Baggett acreage are nearly ready for the shot, and both of these are close to the Baggett No. 2, not over 1000 feet distance.

The Fensland-Stokes No. 1, which came in on April 26 for 3600 barrels, is still making over 1100 barrels daily, and is holding up steadily around the 1100 figure.

Thirteen derricks now dot Block No. 37, in which the Fensland is located, it is expected that this block will make some impressive oil history for the Leeray field.

The Southwestern Oil Development Company's Stokes No. 1 is spudding in on the 30 acre lease of the Big Four Consolidated Oil Company of El Paso, which adjoins the Fensland lease.

#### Department of Justice Uncovers Communist Party's Revolt Plans

WASHINGTON, June 25.—Evidence of the formation of a united communist party by consolidation of the communist labor party and the communist party, with an avowed purpose of fomenting revolution against the existing government, was received today at department of justice headquarters.

Communist publications in the hands of the department announce the formation of a new party at a secret convention of delegates of the two oil organizations.

Department of justice officials said today that steps were being taken to guard against the spread of propaganda.

Irish Civil War Situation Improved; But Still Fighting

LONDONDERRY, June 25.—Since Friday Londonderry has been the scene of violent street warfare between Unionists and Nationalist forces.

The Sinn Fein factions are approaching outside the city.

Conditions today were nearly normal. Banks and shops were re-opened and people are venturing out on the streets.

The shortage of food still prevails.

The fighting since midnight has been confined to sniping, the rivals fearing to clash in view of the increased military forces.

DEAD MEN'S CLUB FOR LIVING VETS REPORTED KILLED

AKRON, Ohio, June 25.—A dead man's club, composed exclusively of ex-service men now living but listed officially as killed in action overseas, is still alive. He suggests they organize a "Dead Men's Club," and adopt the slogan "We may be dead, but we won't lie down."

#### 13,000,000 IS THE INCREASE PAST 10-YEAR PERIOD

SHOWS GROWTH OF COUNTRY HAS FALLEN OFF; MANY REASONS.

IMMIGRATION WANES

War Deaths Played Large Part Too, Says Chief Statistician.

WASHINGTON, June 25.—The population of the continental United States for 1920 is estimated at 105,000,000 by J. A. Hill, chief statistician of the Census Bureau.

His calculation is based upon the combined populations of 1406 cities and towns for which statistics have been announced.

This indicates an increase over 1910 of only about 12,000,000, showing that the growth of the country during the past 10 years has not kept pace with past decades.

A vast decrease in immigration and the influence of war deaths are ascribed as the causes.

#### ORIENT FILES BIG TEX. BOND

\$4,436,623 IS SUM ROAD PUTS UP WITH SECRETARY THAT MAY BE SECURED

AUSTIN, Tex., June 25.—Acting under authority of the Texas Railroad Commission, the Orient Railroad this morning registered a \$4,436,623 bond with the secretary of state.

The bond is secured by property of the company in Texas.

Registration of the bond, H. S. Garrett, general attorney for the company in Texas, explained, is to aid in financing the road as there is pending before the Interstate Commerce Commission an application of the road for aid.

#### First Big Guns of Democrat Convention Are Started Booming

SAN FRANCISCO, June 25.—The first big guns of the approaching Democratic national convention were fired today when the national committee met to draw up the temporary roll of delegates.

Three contests have been called to the committee's attention, but only that one involving an effort to give Senator Reed of Missouri a seat with that state's delegation promised more than routine interest.

The mysterious and persistent boom for Meador continues, despite his flat declaration that he is not a candidate.

Meador's adherents say they plan to withhold his name from the balloting through the early stages, and in event there is a deadlock between the leading candidates they would put him forward.

There has developed a sudden movement to ignore the prohibition enforcement question entirely in the platform.

#### Stage Set for High School Annual Fund Play Here Tonight

The stage at the city hall auditorium is all set for the three-act farce comedy, "Mrs. Temple's Telegram," which is to be produced here tonight by high class local talent, for the benefit of the fund high school annual, the "Occidental."

Prominent members of the high school faculty, business, social and church circles will take part in the play. The production has been rehearsed to a nicety and promises to be of a higher order than the usual local talent entertainments.

#### Bubonic Plague Has Little Chance Against These Three Bodies

A capacity house is anticipated.

AUSTIN, June 25.—That a cooperative plan has been perfected between the United States health service, the city authorities and the state health department for handling the bubonic plague situation at Galveston was announced today by C. W. Goodard, state health officer.

## THE MUNICIPAL HOSPITAL.

How many times have you crossed the street during your life?

How many of those times have you been run over?

How many more times do you think you can cross the streets without some sort of accident happening to you?

These questions were not taken from the catechism of an insurance company. They are merely an observation of the laws of chance to which all of us are subject. And it is only one of the hundred risks we are taking daily.

The next question is not: "What provision have you made for those dependent upon you?" The question is whether you want this city to have a hospital to which you may be removed speedily in event of accident, or where members of your family may be taken in cases of sudden illness.

It is a good thing to make provision for your family so that it will not be in want should you die, but it is a far better thing to keep alive as long as possible for the sake of your loved ones and have the foresight to make sure of swift and adequate attention in event of any physical emergency. A minute's delay is a long time

when one is at the point of death. We need a municipal hospital. Let's all vote the bonds and build it without delay.

## FRONT DOOR GARBAGE CANS.

What would you think if you were to call at a fashionable residence and find a garbage can standing open at the front door and the veranda littered with trash and papers?

Suppose you went around to the back yard of the same residence and found things generally in a clean and orderly condition?

What would you think? Next to a feeling of repugnance at the garbage and debris, it would probably occur to you that the residents of the house had a somewhat contorted idea of the proper place for things.

The railroad station is the front door to Cisco. It is the portal through which strangers come and go. From it strangers get their first impression of this city and their farewell view.

The depot has been rebuilt until it is almost impossible to detect that it is not entirely new. The railroad company in charge of it has two men and one woman constantly at work to keep the premises clean.

Our front door is a beautiful massive piece of architecture. But how about the filth and trash in the immediate vicinity? If we must have debris at all, would it not be better to have it almost anywhere else than heaped at our front door?

Mr. Baseball Fan, The News is giving you these days what it believes to be a classy sport page. If it is live enough for you—fine! If it's not, we'd appreciate you coming in and telling us about it, for we are sure of one thing—that The News' service to its readers will best improve by the criticisms it receives.

"Mrs. Temple's Telegram" abounds with laughs. Presented by an all-star cast at the City Hall auditorium Friday night, 8:45 Benefit High School Annual. Admission 50c and 35c. 24-25

Courtesy, cleanliness and sanitary conditions is what they have at the Liberty Cafe. 14-16

For your banquets and special dinners see the Liberty Cafe. 14-16

## SOCIETY

Mrs. Ira C. Jared and two sons, Ira C. Jr. and Frank, of 509 South Clinton street, Dallas, are visiting Mrs. Jared's mother, Mrs. O. S. Hardy of this city.

Sam Carter and wife of Brownwood are spending the week-end with Mr. and Mrs. K. H. Pittard, 906 West Ninth street.

Mrs. Minnie Williams, to surprise her mother, Mrs. T. A. Rose on her 75th natal day last Tuesday, entertained her with a gathering of friends at her home on West Twelfth street. From 3 till 8 o'clock the guests gathered and paid their respects to Mrs. Rose, who received them in her generous, hospitable manner.

Incidents of days long gone by were recalled, mingled with gladness.

After spending an hour in the social chat Mrs. Williams served delightful angel food cake and sherbet to Mrs. J. H. Holcomb, Mrs. Augusta Mason, Mrs. T. W. Neel, Mrs. Cowan Holcomb and Mrs. Minnie Craddock.

News comes from Dallas of the arrival of a son to Dr. and Mrs. Charles Jones. In the future their home will be brightened with the young dentist, and their business affairs will be a "howling" success.

Mrs. Dr. A. Owen and Mrs. Preston Owen of Dallas visited the family of Lee Owen and Mrs. C. Owen this week. They expressed a desire to move back to Cisco, and we hope to again have them among our residents.

Mr. and Mrs. George Langston, with their daughter, Miss Joyce, departed Wednesday night for San Francisco, California. Miss Joyce goes to meet Paul Schmidt of Los Angeles, California, whom she will marry in San Francisco. Miss Langston was born and reared in Cisco, and is the only child of Mr. and Mrs. Langston, and the choice she has made to bring them a son has proven very satisfactory.

The groom-elect is a bright young business man in Los Angeles, and is engaged in the furniture business with his father. All Miss Langston's friends congratulate the groom in the beautiful choice.

he has made in taking one of Texas' choicest young women. Many friends accompanied them to the west bound Sunshine Special Wednesday night to say good bye to their friend and school mate.

After spending a week at their ranch home in Tom Green county, Mr. and Mrs. E. B. Gude and Roy Lee Gude and wife returned home Wednesday.

Mr. and Mrs. Wm. Reagan and daughter, Miss Gladys, and Mrs. M. E. Hall, visited the family of Harry Hall in Carbon Thursday.

After spending several weeks with her parents, Mr. and Mrs. Gilford Eppler, Mrs. Nellie Hines Dean, with her little daughter, returned home to Dallas Tuesday.

Mrs. E. H. Roberts left Wednesday for a month's visit with friends in Hereford, Texas.

The greatest hit of the season, "Mrs. Temple's Telegram," City Hall auditorium, Friday night 8:45. Admission 50c and 35c. 24-25

## EASTLAND HAS HER REVENGE

### HITS, ERRORS AND DECISIONS TOO MUCH FOR THE SCOUTS.

### FANS PAN THE UMPIRE

### Judges Had Batting Clothes On and Hit the Old Ball at Will.

### HARRELL PARK, June 24.—It's a sad tale, fellow fans.

We lost two games yesterday— And we lost them to Eastland! And we lost the first one by an awful margin—16 to 1—hurrah for free silver!

Eastland started her run getting in the third inning when, with two errors, a double and a single, two runners crossed the plate. In the three more runs were registered on two singles, a double and another error. The next inning was a humdinger—for Eastland! It was the sixth, and Hartwick, the first man up, hit one long swat to John King in center. John started back for it, but his feet got all mixed up and he fell about the same time the ball hit the ground. Before he could find the ball, Hartwick had crossed the plate. Then followed a regular parade by the Judges around the bases, a walk, three singles and an error netting them five more runs, or a total of six for the inning.

A single and two doubles netted them two more runs in the eighth, and two errors, a walk and a hit batsman, with a single netted them three more in the ninth.

The Scouts threatened in three innings, but managed to get just one run over. Johnson started well, but the combined elements against him were too strong, and he gave up the ship. The box score:

First Game.		AB	R	H	P	O	A	E

Summary: Stolen bases, Standifer, Chapman; two-base hits, Payne (2), Lewis, Thornton (2), Chapman, King, R. Johnson; three-base hits, King; home run, Hartwick; sacrifices hit, Payne; hit batsman, by F. Johnson, (Standifer); struck out, by Cheever 5, by F. Johnson 6, bases on balls, off Cheever 1, off F. Johnson 2; double plays, Faye to Kotesnick to Faye, Standifer to Eberhart to Bratcher; time of game, 2 hours, 40 minutes; umpire, Dale.

Second Game.  
The gods were still working against the Scouts in the second game. Cruse was elected to hurl by York, and Dar-

rough took the mound for the Judges. Eastland scored one in the first inning on a triple and a single. No more runs were made by either club until the fourth, when the Scouts rushed three over the home platter with a walk, a sacrifice, two singles and an error. It looked like we had the game right now. But, say—looks don't count in ball games, for the Judges came back in their half of the fifth and tied up the old score just like that with two walks, a single and an error.

Earnshaw played an important part in cutting down the Judges in the sixth. Hartwick singled and Darrough sacrificed. Gross placed a Texas leaguer over the second base bag. Earnshaw ran over and grabbed it and touched the base for the third out, doubling Hart-

rick. The Scouts could do nothing in their half, and the Judges came up in the eighth, and pushed over the winning run.

Yes, it was a sad tale.

Home Sweet Home Cafe—Ladies' Aid Society, Christian church, will open the new Home Sweet Home Cafe, next door to Nunn Electric Co., by giving a chicken dinner at 6:30 Saturday evening. It is needless to say that this will be an excellent dinner with everything good to eat under the sun. A seven piece orchestra will furnish music for the occasion. The ladies will charge \$1 for this dinner and if you miss it you will be missing a real treat. Come out and help the Ladies' Aid and incidentally help open the Home Sweet Home Cafe—Cisco's most popular cafe. 24-25

## SCOUTS HAVE NEW MANAGER

### TOM CARSON, WACO MAN, IS CHOSEN TO HEAD CISCO TEAM.

## NO CHANGE IN TEAM

### York, Retiring Pilot, Has Built Up the Best Team in League.

Announcement was made today by the president of the Cisco Baseball Club that Jack York had been supplanted as playing manager of the club by Tom Carson of Waco, the change to become effective immediately. Carson has been in Cisco for the last few days looking the team over.

The change was made, according to directors of the club, because they believed the team would have a better opportunity to win more games with an older manager. Each of the officials of the club had only praise for York's ability to play the initial sack. They believed, however, that with new management on the field, new pep would encourage the boys to put forth greater efforts and more games would be added to Cisco's win column.

Tom Carson, the new manager, is well known in many of the baseball leagues over the country, he having performed in the Texas league at Waco, where he played for five years; in the Southern league, Pacific Coast league, Interstate league, and South Atlantic league. His main position was behind the bat, and he was leading catcher on these various teams in fielding. He has not played for some time, but has kept in active touch with the game.

There will be no change in the Scouts line-up, Carson said today. He stated that he believed Cisco had as good a team as was in the West Texas league, and that he would do his best to get all he could out of it. He added that he was out to win every game possible.

It was stated by officials of the team that York had been released outright. Jack York has many friends in Cisco, who will be sorry to learn of his leaving here. He is a good, heady ball player, and has gotten together the best team in the league, and he will have no trouble in getting a contract with a good club at once.

and all were playing their own little games! Love, scandal, intrigue and a woman's wiles.

Over them all—the menace of disaster. Entangling them all—the secret affairs of state. Engulfing them all—a whirling vortex of adventure.

Beautiful women, sumptuous scenes, reckless deeds of daring, and thrilling battles of fists, swords and wits. With Robert Warwick, supported by a big, brilliant cast, in a role of a hundred sensations.

## Resorters Drop Two to Gorman by Large Scores, 12-4; 13-3

GORMAN, June 24.—Gorman took both games of a double header here Thursday against Mineral Wells. In the second game 14 men batted against McQueen in one inning. Whitney, Strudy and Taylor hit home runs for Gorman.

Score by innings, first game: R H E Mineral Wells—010 030 000—4 12 4 Gorman—103 132 202—12 19 3 Batteries: Mead and Byers; H. Baldrige and Whitney.

Second game— R H E Mineral Wells—300 000 0—3 3 5 Gorman—203 030 2—13 14 2 Batteries: McQueen and Byers; Wood and Pemberton.

## Abilene Bats Out a Victory Over Nitros In Fourteen Innings

ABILENE, June 24.—With two down in the fourteenth, three singles in a row put over the winning run for the Eagles in the final game of the series with the Nitros by a score of 6 to 5.

Score by innings— Ranger—000 000 140 000 00—5 Abilene—000 040 001 000 001—6 Batteries: Hudspeth, Boyer and Penn; Gaines, C. Hill, Young and Shaffer. Umpire, Sorrells.

## Elks Will Initiate Thirty New Members Tomorrow Evening

The Elks of Cisco will put on another of their big initiations this Saturday evening and night, some 30-odd novices having signified their desire to become members of the "best people on earth" at tomorrow's session.

The Cisco branch of the Benevolent Order of Elks has experienced an enviable growth since its incorporation some 18 months since, and the plans of the local to erect a home for the comfort of their brother Elks and their families are maturing to the point that within another month or two actual construction will be under way.

Exalted Ruler N. F. Payne states that tomorrow's class of novices will be witnessed by many out-of-town brothers who have signified their intention to come here for the occasion.

T. U. Summer School.  
Special to The News.  
AUSTIN, Tex., June 25.—Registration of students in the summer school at the University of Texas, which opened June 21, is still in progress. Up to noon Wednesday a total of 275 students had been enrolled. It is expected that this number will be considerably increased, thus bringing the total number of students in attendance at the summer school and normal close around 1800.

**Dallas-Fort Worth Interurban Will Be Fastest In Country**  
FORT WORTH, Tex., June 25.—A double-tracked, perfectly ballasted straight line over which one of the fastest services of its kind in the United States will be maintained is promised for the Dallas-Fort Worth interurban, if the improvement program now under way can be maintained for the next few years, a statement issued from Worth headquarters of the traction company operating this line declared.

Already half the distance is double-tracked, said George H. Clifford, vice president and general manager, and the program calls for rapid completion of the work of eliminating curves and grades where possible and the completion of the double tracking.

### City Folk Soon to Be Eating Bermuda Grass Says Tex. C. of C. Man

Special to The News.

DALLAS, Tex., June 25.—"We city folks, will be eating evaporated bermuda grass within three years unless we wake up and lend the farmer a hand in the matter of better markets, extension of 'middle term' credit, and improved farm equipment," declared James Z. George, vice president and general manager of the Texas Chamber of Commerce before a gathering of farmers, bankers and business men in Dallas recently. The meeting marked the opening of the state chamber's movement for the extension of middle term credit by banks to farmers for the purchase of farm equipment as a means of partly offsetting the farm labor situation.

The plan of the state chamber as outlined by Walton Poteat, manager of the agricultural department, includes the extension of three-year, four-year and five-year credit to farmers, so they may pay cash for tractors, trucks, implements and better home equipment. The extension of this type of credit will enable the farmer to make immediate improvements and partly offset the bad effects of labor shortage.

D. E. Loyday, president of the Farmers' Union, stressed the need of steady market conditions. He declared that the farmers will not become extremely enthusiastic about increased production until agriculture is made more "permanent and prosperous."

A permanent committee has been named by the Texas Chamber of Commerce to carry forward the campaign for better markets, extension of "middle term" credit and better farm equipment.

#### FRESH CUT FLOWERS

Home grown. Summer prices. We are expert designers of bouquets, corsages, funeral pieces, etc. Phone 119.—Cisco Floral Co. 25-24

The greatest hit of the season, "Mrs. Temple's Telegram," City Hall auditorium, Friday night 8:45. Admission 30c and 35c. 24-25

### PERSONAL MENTION

Mrs. J. D. Alexander has been appointed chairman of the transportation committee for the Texas Woman's Press Association for the year.

Nick Miller is spending his vacation in San Benito and Laredo.

Oliver Maxwell, one of the old-time Cisco boys, is spending a week in Cisco looking after business interests. Maxwell is owner of a drug store and other valuable property in Cisco. His expression of the wonderful growth of Cisco is to be commended, he having full confidence that the city is destined to be one of many thousand population in the near future.

William Rickard of Caddo, Stephens county, is looking at the relics of bygone days in Cisco, but finds very few places left that he was once associated with. He is surprised to know that Cisco now maintains one of the best daily newspapers in West Texas, and says he finds many interesting articles in it daily.

### Cisco Rod and Gun Club to Hold Shoot Here This Afternoon

The Cisco gun and rod club will hold its regular fortnightly shoot this afternoon at Lake Bernie, according to the announcement made this morning by officers of the organization.

Shooting will start at 4:30 and continue until dark.

At the time of its birth the giraffe measures six feet from its hoofs to the top of its head.

FOR RENT—Nice front room, adjoining bath; call 591 W. Broadway; phone 292. 25-27

### Continental Textile Plant to Be Located Near Humbletown?

If actions count for anything there is reason to believe the rumors of the past few days that the cotton textile plant of the Continental Tire & Rubber Company may be located adjoining Humbletown, on a tract of 12 acres, the property of G. H. Julia.

For several days rumors of such location have been current, but when asked to confirm the report F. W. Strang said: "In due time notice of location will be made. There is more or less noise caused by the running looms and spindles, some dust and lint, and until the property changes hands there is nothing to be said concerning our location. We have several men here now, but what they are doing I do not care to say."

When approached Julia said: "I refer you to the Continental people who will probably give you such information as they desire published. My agreement with them is to that effect."

Yesterday and today several men have been "working" the tract in question, plating, measuring and examining. The fact that a temporary survey is being made and that in an article begging Cisco to clean up, published in these columns some days ago, the Continental representative was very much impressed with civic conditions at Humbletown, lends credence to the rumors. The property mentioned is one of the most desirable around Cisco as a factory or refinery site location.

"Mrs. Temple's Telegram" abounded with laughs. Presented by an all-star cast at the City Hall auditorium Friday night, 8:45. Benefit High School Annex. Admission 30c and 35c. 24-25

### LEG BONE OF MASTODON IS DUG UP BY AUSTIN FARMER

AUSTIN, Tex., June 25.—What appeared to be the bone of the leg of a giant mastodon has been unearthed by a

farmer residing about 10 miles south of Austin. Apparently only half the bone was found, as on one end there was a joint, while the other end was broken. The section of the bone is three feet long and 12 inches in diameter.

The Bible is now printed in 528 languages and dialects.

The Tartars used to eat books with the idea of acquiring knowledge.
