

Goodfellows Application Deadline Is Tuesday, Dec. 10...

## More Donations Needed To Help Needy Families

BY HERREL HALLMARK

The number of applications received by the Goodfellows of Cisco this year has more than doubled since the last edition of the newspaper. In Thursday's edition, I reported that 12 applications had been received but by Thursday afternoon a total of 26 applications had been filed with the Goodfellows.

At a meeting Thursday night, the Board of Directors set the cut-off date for receiving applications for Tuesday, Dec. 10, since supplies must be ordered Dec. 11, in order to receive them in time for sorting and distribution.

Donations are continuing to trickle in and will be accepted through the end of December, but the Goodfellows are hoping for a big increase in funds before the supplies are ordered if they even hope to be able to help the applicants this year. There seem to be more applications than donations.

From the 26 applications, there are 58 adults and 55 children listed on the forms which need help this Christmas season. More applications will surely be received before the cut-off date.

Plans call for food baskets to be ready for pick-up and distribution on Saturday, Dec. 22. All applicants who have been approved by the Goodfellows will be con-

tacted before that time and told the hours for the pick-up.

One application from a divorced woman who has three sons (ages 13, 15, and 18) living at home says, "I am a divorced and single woman. It's hard to buy Christmas and paying bills and groceries with my paycheck. My son has tried to find work, but they are not hiring. That's my 18-year old son. We would appreciate the help. We don't get food stamps. May God bless you for the help."

Another application from a woman with two children (ages 13 and 2) simply states, "Don't have any food."

A woman living by herself says, "Bills take most of my Social Security and SSI check. Any help would be appreciated."

Two people, ages 56 and 46, say, "Me and my husband are both in bad shape. He has emphysema and heart trouble and I am just getting over surgery. He has had two checks in three months and I can't go back to work for three more months. So, anything would be greatly appreciated."

A woman writes about her sister and brother-in-law, who have two grandchildren (ages 6 and 4) living with them and says, "I would like for you all to help my sister and my brother-in-law. He has been in the hospital and has had heart surgery. He hasn't got to really work any in about three months and anything you could do for them would be appreciated."

A friend writes about a family which has a six-year old and a boy and girl in the 7th and 4th grades saying, "This is being submitted by a caring friend on behalf of this family. The father of

this family works in the oil fields. The mother doesn't work. This family is able to have the bare essentials, but very little is left over for any extras or Christmas."

Another application from a family with has three

children (ages 4, 12, and 13) says, "My husband has cancer which was found out in May of this year. He has not been able to work at all since then. Our first Social Security check came this month. There is nothing ex-

tra left to spend for Christmas. Food stamps may be either dropped in amount or dropped all together. Any help for Christmas would be appreciated."

A 73-year old woman

writes, "I live on a small Social Security check of \$319.00 and small SSI check of \$26.00. After I pay all my bills there is not much left for groceries."

Another family with three children (ages 5, 9, and 9)

says, "Our family needs some help because there isn't anything left after paying bills (gas, groceries, rent, lights, medical). We live on a disability income (\$420.00 a month). We only ask help for our children so that they may have a nice rememberable Christmas. Any help will be deeply appreciated."

Still another application, submitted by a friend (who requested her request be anonymous), concerns a family of one adult and two children (ages 2 and 6 months). It says, "This is being submitted by a concerned friend. Even if she doesn't request help herself I know she could use some help. She is a single mother with two small children, who lives on welfare and food stamps with no job. I'm sure any help would be very appreciated by her."

All solicitation for funds will be made through The Cisco Press and everyone is urged to donate to this worthy cause. All donations are tax deductible.

Letters of request for help from any family in Cisco are invited for review by the Goodfellows Board of Directors. The letters of request must be accompanied by an official Goodfellows application which may be picked up at the Cisco Chamber of Commerce office, 619 Conrad Hilton Avenue.

All letters seeking aid should contain the complete address of the person requesting help and the telephone number, if the family has a telephone. It should also contain brief directions on how to find the house where the family lives.

Those wishing to make donations to the Goodfellows are asked to mail them to: Goodfellows of Cisco, Box 1072, Cisco, Texas 76437. Donations may also be given to any of the directors.

A donor list will be published in The Press listing donors and their contributions. Anyone wishing their donation remain anonymous will be listed as such upon request.

All checks are to be made payable to: Goodfellows Fund of Cisco.

### TIME IS RUNNING OUT!!!

The Cisco Goodfellows need to meet their goal of \$5,000 this year by Dec. 11, in order to help as many local needy families as possible.

As of Dec. 6, approximately \$3,500 was still needed to meet that goal.

Won't you send in your tax-exempt donation today?

## Major War-On-Drugs Rally Set December 17th

A major War-On-Drugs Rally will be held in Eastland County soon and it will be the opportunity for every parent and young person to get involved in the crusade to provide a drug-free society.

The event will be held Tuesday, Dec. 17th, at Siebert Elementary Cafetorium beginning at 7 p.m.

### CJC Fall Semester Will Be Drawing To A Close

The fall semester of the 1985-86 school year will begin drawing to a close for students of Cisco Junior College as final examinations begin Thursday, Dec. 12, according to an announcement. Finals are scheduled for Thursday and Friday, Dec. 12-13, and Monday and Tuesday, Dec. 16-17.

According to the school calendar, all grades in all classes are due in the admission's office on Dec. 18th and the business offices will close at 4 p.m. on Friday, Dec. 20, for the holidays and the end of the school year.

The calendar noted that there will be a Christmas reception for students and

### Donations Of Blood Needed For Bill Wiley

The annual Christmas Concert at Cisco Junior College will be presented by the Wrangler Band and Belles and the CJC Singers, Tuesday, Dec. 10, at 7:30 p.m. in Harrell Fine Arts Auditorium.

This traditional event on the college campus will have medleys of carols played by the band, and the Wrangler Belles always have a small Christmas spectacle to dazzle the eyes of the audience. Music instructor Steven Zell plays more Christmas music on the Rockwell Memorial Organ, and the CJC Singers will present a variety of Christmas music with the emphasis on popular tunes and little known carols of other lands.

There is no admission charge, and the public is invited to attend this presentation, which lasts under an hour, and then witness the lighting of the campus Christmas tree on the mall in front of the Science Hall.

Tickets for the War-On-Drugs Rally to be held Tuesday, Dec. 17th, are available throughout Eastland County.

The public is urged to attend this very important meeting at which at least three top state anti-drug officials will be present. The event will be held at Siebert Elementary School beginning at 7 p.m.

Tickets for the Oscar's Barbecue-catered banquet may be secured at \$5.00 each. Tickets are available in

### Special Fund Is Set Up For James Wheat

A special account has been set up for James Wheat of Cisco to help defray cost of medical bills. Mr. Wheat, a longtime Cisco resident, is in the M.D. Anderson Hospital in Houston. He is being treated for cancer. They have no insurance.

His wife, Charlene, has been staying in Houston to be close to her husband. The account has been set up at the First National Bank in Cisco.

The Fine Arts Department will present a Christmas program and a visit from old Santa Claus will conclude the dinner event.

### Employees Of The Fine Arts Department Will Present A Christmas Program

The Fine Arts Department will present a Christmas program and a visit from old Santa Claus will conclude the dinner event.

Employees of the college in the lobby of the Fine Arts Building from 10 a.m. to 2 p.m. Friday, Dec. 13. Arrangements were being made by Mrs. Emma Watts and Mrs. Charlotte Speegle.

Employees of the college will hold their annual Christmas dinner and party at 6:30 p.m. Friday, Dec. 13. Plans call for the college to provide turkey and dressing and for families to take covered dishes.

The Fine Arts Department will present a Christmas program and a visit from old Santa Claus will conclude the dinner event.

Cisco at First National Bank, Joe Cooper's CPA office, Cisco Chamber of Commerce, or any PADD member.

Texas War-On-Drugs Officials Bob Bailey of Abilene, Rick Salwen of Dallas and Regional Field Coordinator Marilyn Goughly of San Angelo, will be present to speak briefly, answer questions and to recognize the efforts of citizens in Eastland County.

### Mr. Bailey was appointed by Gov. Bill Clements to the original W.O.D. Committee and Chairman Roscoe retained him as an active force.

Mr. Salwen is right-hand man to Mr. Perot and as an attorney, actually drafted most of the anti-drug legislation which is influencing last in Texas.

Eastland County's effort against drugs are recognized statewide, and these committeemen asked to visit Eastland to learn more about what citizens are doing and to recognize what has been done so far.

The special program is being sponsored by the Eastland County People Against Dangerous Drugs (P.A.D.D.) Committee in cooperation with Ministerial Alliances and the Eastland County Law Enforcement Association.

Every adult and young person in the county is invited and urged to attend this important meeting.

## HALL OF REMARKS

BY HERREL HALLMARK

IF YOU KNOW anyone who is planning to file an application with the Cisco Goodfellows (or if you want to file an application for someone else) be sure and tell them to do so by Tuesday, Dec. 10. That will be the cut-off date for receiving applications.

This year, with Christmas falling on a Wednesday, the Goodfellows are going to have to order food earlier than they had hoped to order. The food must be ordered by Dec. 11 so it can be received in time to sort it out and get ready to deliver it to those approved by the board on Dec. 21.

Also, if you are planning to make a donation this year you are urged to do so before the 11th so the Goodfellows will know exactly how much can be spent on food this year. If there is no way you can make a donation by then, but still want to, go ahead and send it in when possible.

The Goodfellows Board of Directors set a goal this year of \$5,000 in donations. As of Friday morning, they were approximately \$3,500 short of that goal. Please help in this humanitarian effort.

MRS. WILLY Walker, mother of Cordie Keck of

Cisco, is scolding back in at Cantebury Villa of Cisco after a stay in an Abilene hospital where she underwent three surgeries.

Mrs. Walker was on prayer lists of three separate churches in Cisco and she appreciates everyone's prayers and thoughts during her hospital stay.

IF YOU WANT to hear some good music, make plans to attend a concert next Thursday night, Dec. 12, in Eastland at the Majestic Theatre. The free concert starts at 7:30 p.m. and will feature Freedom Flight singing contemporary gospel music.

The group is composed of Tim Hull, Donna Parrigan, Darrell Price, and Frank Spangler, Jr. If you have never heard the group, you have missed some good music and singing.

Make plans now to attend and as the posters say, "Bring a friend"

HELP SUPPORT your local Police Department by attending the wrestling matches scheduled here Tuesday night, Dec. 10. As you probably know, the proceeds from the match will go to benefit the police department and be used to purchase needed equipment.

While at the matches, be sure and stop by the concession stand being operated by the Junior Class of Cisco High School. The proceeds from whatever you buy to eat or drink will help out the Juniors in their plans for a senior trip next year.

# Senior Citizens Nutrition Menu

So that you will be able to make plans in coming to the Senior Center, the Senior Center will be open every day, for Luncheon, except Tuesday, from December 9 thru December 20. We will plan to have the Senior Center closed from December 23 thru December 20.  
Be sure and advise your friends that we will be open every day except Tuesday for the next two weeks.  
The Christmas luncheon will be December 20 and you must make a reservation to be served. If you have a per-

son who is ill and they wish to have a lunch brought to their home by a friend, reservations for this luncheon must be made also.  
The programs for this past week included: The Senior Center Choir and Band participated, and the dinner music was provided by Mildred Johnston, Billie Wood and Ima Thompson. The Band was invited to the Coleman Senior Center to entertain.

The menus for the coming week will be:  
**MONDAY**- Ringum Diddy cheese, raw vegetable salad, green peas, cherry cobbler, bread, butter, and milk.  
**WEDNESDAY**- Cheezy meat loaf, corn, blackeye peas, tossed salad with carrots, tapioca pudding, bread, butter and milk.  
**THURSDAY**- Hungarian goulash, rice, tossed salad, carrots, gingerbread, bread, butter and milk.  
**FRIDAY**- Fish, french fries, mixed vegetables, chocolate cake, bread, butter and milk.

**CRAZY PATCHWORK**  
What's so-o-o CRAZY about Crazy Patchwork?  
• You can use ANY piece of fabric on it—silks (men's ties are great), velvets, brocades, taffetas and moires—even polyester knits!  
• Your patches can be ANY shape, ANY color, ANY texture—they overlap and go any-which-way—  
• You can use ANY stitch to sew them together and hide the seams—from the fast feather stitch to fancy flower sprays (there are hundreds of possibilities!)—  
• You can embroider on ANY personal message—  
The real joy of this lively art is the freedom with which you can get spectacular results! This practically foolproof instruction book shows you how to make dozens of projects such as vests (the Black Velvet winter vest is SUMPTUOUS!), evening dresses, evening bags, jackets, dressing gowns, a baby quilt and pillow (that will keep any baby entertained!), two wondrous Christmas wreaths and a Christmas stocking, an entire bathroom ensemble, and more! Step-by-step directions, diagrams and beautiful full-color photos show how to lay out the patches, quilt them and adorn them like MAD with dozens of stitches—all shown in BIG, CLEAR diagrams (use them, combine them or invent your own!) Conroy makes suggestions, and offers inspiring ideas and tips.  
Do it by hand or by machine. All the techniques are set out for you. It's easy, it's fast, it's creative.  
BONUS: The Crazy Patchworker's Designer's Notebook with ornamental patterns you can shape your patches to—or appliqué on. 110 pages, 8 1/2 x 11, hundreds of photographs (8 pages in full color) and diagrams, index.

## Does The IRS Owe You

### A 1985 Refund?

December is list-making time and even the IRS has taken to the custom. Over 5,800 north Texas taxpayers' name appear on the IRS list of undeliverable refunds. According to Pam Whittenburg, Chief of the Dallas IRS Taxpayer Service operation, the IRS is seeking to match up these taxpayers with \$2,683,322 they are owed.

Six Eastland County residents are among those who have refunds due from the I.R.S. They are: Richard and Willadean Fourd, Jeffrie W. Frye, Lloyd G. Gallaway and Laurie Mangum, all of Eastland; Luellen M. Bartolotta of Gorman; and Boby R. and Betty Freeman of Ranger.

"These taxpayers filed for refunds during 1985. We have processed their returns and issued refund checks, only to have them returned by the post office," Ms. Whittenburg said. "With the average refund at \$460, and individual checks ranging from \$1 to \$24,790, it is frustrating for us and the taxpayers not to be able to get them their money."

The most common reason for IRS' inability to deliver the refunds is attributable to taxpayers' moving after they've filed their returns and neglecting to notify the IRS and the post office of the new address. Ms. Whittenburg says that even moving from one apartment to another in the same complex has caused the problem for some. "Of course," she explained, "another reason might be our inability to read a handwritten address correctly."

"We're asking the news media to publish lists of those to whom we owe checks in hopes that the taxpayers themselves, or maybe friends or relatives, will spot their names and contact us with the correct address. Often, this is the only way the taxpayer learns about the undeliverable check," Ms. Whittenburg said.

If your name is listed call the IRS at 742-2440 in Dallas; 263-9229 in Fort Worth; or 1-800-424-1040 elsewhere in Texas.

## Homemaking Hints

County Extension Agent

Janet Thomas

Christmas time is a season of the year that we enjoy using candles. The rules of candles etiquette dictate simple tapers or votives, and white is the only appropriate choice for formal parties although other colors that coordinate with table ware and decorations are now considered acceptable for more casual event. Tapers should be tall - at least twelve inches - so the flames aren't at eye level when guests are seated. Votives in glass cups, either strewn along the center of the table or placed individually at each setting, are nother alternate.

Candle light, even on the most occasions, is only appropriate after dusk, when there is actually a need for illumination.

The best way to extinguish a candle, is to dip the wick into the pool of melted wax, which virtually eliminates any smoke. Snuffing is the next best alternative; if you must blow, do so gently and cup your hand behind the flame to avoid splattering melted wax on your table cloth.

If candle wax does get on your table cloth here are some guidelines. Prompt attention helps insure easier removal, for the longer a stain remains, the more difficult it becomes to remove. In some instances, removal may be impossible.

To remove table wax from linens, scrape off surface with a dull knife. Place stain between clear paper towels and press with a warm iron. Replace paper towels frequently to absorb more wax and to avoid transferring stains. Place stain face down on clean paper towels. Sponge remaining stain with cleaning fluid; blot with paper towels. Let dry. Launder. If any color remains, rewash using a chlorine bleach if safe for fabric, or an oxygen bleach.

For more information on removal of stains, request your free copy of the Texas Agricultural Extension Service bulletin Stain Removal Chart for Washable Clothing by calling 629-2222. **RECIPE FOR THE WEEK:** Baking Gingerbread Boy cookies at the Thomas home is a tradition that we look forward to each year. My husband and daughter join in. We enjoy using raisins, red hot candies, etc. to decorate. They are delicious.

**GINERBREAD BOYS**  
 ¾ cup butter or margarine, softened  
 1 cup sugar  
 1 egg  
 ¼ cup molasses  
 2¼ cups all-purpose flour  
 1½ teaspoon ground cinnamon  
 1 teaspoon ground ginger  
 Chopped raisins (optional)

Cream butter and sugar, beating until light and fluffy. Add egg and molasses; beat well. Combine next 4 ingredients; add to creamed mixture, stirring well. Cover and refrigerate several hours or overnight.

Work with one-fourth of

dough at a time; store remainder in refrigerator. Place dough on a lightly greased cookie sheet; roll out to ¼-in. thickness. Cut dough with a floured 2¼-in. gingerbread man cookie cutter, leaving 1 inch between each cookie. Remove excess dough; combine with remaining dough in refrigerator. Decorate with raisins, if desired. Bake at 350° for 7 to 10 minutes or until lightly browned. Cool on cookie sheets 3 to 5 minutes; remove to wire racks, and cool completely. Repeat procedure with remaining dough. Yield: about 5 dozen.

It is the season to buckle up... wherever you travel.

## PATSY KING

RANGER-Mrs. Corky (Patsy) King, 58, of Ranger died Monday at Ranger General Hospital.

Services were at 9 a.m. Wednesday at First Baptist Church in Ranger.

The Rev. Bill Chambers, pastor of First Baptist Church in Ranger, and the Rev. Bill Wright, pastor of First Baptist in Gordon, both officiated.

Graveside services were at 3:30 p.m. at Trinidad Cemetery in Trinidad, directed by Edwards Funeral Home of Ranger.

Born Patsy Smith Aug. 13, 1927, in Brazos in Palo Pinto County, she was the daughter of pat and Bonnie Smith. She married A.E. "Corky" King May 11, 1947, in Trinidad.

She attended Ranger schools and graduated from Trinidad High School.

She was a member of the First Baptist Church in Ranger and was past matron of the Eastern Star in Springtown. She was a homemaker.

Survivors include her husband of Ranger; twin children, Stanley Ray King of Austin and Katerina Kay Tablets of Fort Worth; and two sisters, Gerry Harris of Fort Worth and Sue Montgomery of Athens.

Pallbearers were Pat Vaughn, Dudley Simmons, James Johnston, Jim Kingree, James Boyton and Norman Lawler.

## LEONARD TINER

Leonard Houston Tiner, 81, of Merkel died Thursday morning at Hendrick Medical Center after a long illness.

Services were held at 4 p.m. Friday at First Baptist Church in Merkel.

The Rev. Wayne Keller, pastor of First Baptist Church, officiated.

Burial was held at Rose Hill Cemetery in Merkel, directed by Starbuck Funeral of Merkel.

Born May 7, 1904, in McLennan County, he married Letha Davis Jan. 2, 1929, in Merkel. He attended Old Grayson School in Jones County. He moved to Lubbock in 1947, where he was engaged in farming and returned to Merkel in 1967. He was a member of the First Baptist Church in Merkel.

Survivors include his wife; a son, Yewell Tiner of Arlington; a daughter, Mrs. Buddy (Gearldine) Hettler

## CHRYSANTHEMUMS

Chrysanthemums can be traced as far back as the Ming dynasty. There are as many historians claiming the Chrysanthemum originated in Japan as there are who claim China as the originating country for the Chrysanthemum. Many people think the flag of Japan displays the rising sun when in fact originally the yellow/red center of the flag of Japan was taken from a Spider Chrysanthemum.

Chrysanthemums moved from the far East to England where a lot of cross breeding took place by many hybridizers and the English Chrysanthemum was produced. The Chrysanthemum then migrated to the United States where today it is the largest year round pot plant grown.

There are many individual types of Chrysanthemums. Basically we have the Garden Hardy which grows outside in the landscape in mass plantings. Then we have the disbud which can be grown in flower beds or in pots. Basically the requirements of both types are the same. With the two above mentioned types we have additional breakdowns such as; The Incurve (Football Type), The Spider, The Decorative, The Reflex, The Pompon, The Amemone, The Spoon, The Quill, and the Brush and Thistle.

We have two methods of obtaining Chrysanthemums plants—by cuttings and by seeds. When planting Chrysanthemums you

will never obtain a true cultivar because of the cross pollination. The professional and show grower always plants anew from cuttings. This insures a true cultivar. On the Garden Hardy type they will repeat year after year from the same root system. When the Garden Hardy type has completed its blooming cycle and the leaves have turned brown cut them back to the ground level and mulch with leaves and they will return in the spring.

Chrysanthemums like a slightly acid soil with a good organic base. Mums do not like wet feet but to do their best and reward you with good blooms in size and color you should never let them dry out. When planting Chrysanthemums never overcrowd them. Plant the mums on fifteen to eighteen inch centers. They will fill in the open area as they grow. Chrysanthemums need to be fed on a regular basis every two weeks to obtain the maximum in bloom in clarity in color. Remember Mums as well as other plants have to have the fertilizer into a liquid form to begin with.

ready for the mum to use at once. If you will pinch back the Chrysanthemum you will get an abundance of blooms.

Some varieties of Chrysanthemums will bloom in the spring and again in the fall. The bloom for the Chrysanthemum is controlled by the amount of light. It takes twelve and one-half hours to initiate the bud and eleven and one-half hours of light to set the bud. I speak of these two times in reference to the maximum amount of light to accomplish both functions.

There are many Chrysanthemum shows in the fall of the year and you must remember that all the Chrysanthemums shown in the shows were grown outside and not in greenhouses.

Through out the South and Southwest we have many Chrysanthemum Chapters that are associated with the National Chrysanthemum Society, which welcomes visitors to their monthly meetings and shows.

"If you paid for this newspaper, we have something in common. We paid for it, too. In fact, every advertiser you see in these pages paid handsomely for the privilege of being here. And what we paid went toward the cost of producing the newspaper. Which made it a lot cheaper for you to buy."

"How much Cheaper? Well, if you took all the advertising away, the average newspaper would cost you about five times as much. And offer you about half as much."

THESE  
IMPORTANT  
TIPS...

**YOU AUTO KNOW**

If the engine floods, it doesn't help to keep pumping the accelerator. Press the pedal to the floor and crank the engine a few times. Then turn it off and wait at least 3 minutes before trying again.

"Permanent" antifreeze isn't really permanent. After a couple of years, the protective additives lose potency; rust and corrosion become a problem. Flush system and replace coolant every two years.

If your car breaks down in a hazardous location, it's smart to get everyone out and away from danger. Put the car in PARK and engage the emergency brake. Light flares behind the car, and activate the flashers.

Keep cool. Check the condenser coils of your car air conditioner for dirt, dead insects, and leaves. Accumulating, they can reduce cooling power.

# Drilling Bits

Richey & Co. of Fort Worth is planning to drill two new 4,200-ft. developmental wells in Eastland County.

The No. 1 Castleberry is to be located seven miles north-northwest of Eastland. The operator has leased 40 acres in the H&TC Survey, A-2021. It will be in the Snow Field. Drillsite for the No. 1 J.A. Miller is in a 100-acre lease in the SPRR Survey, A878. The well will be located in the Richey Field, three miles north-northwest of Cisco.

At a location six miles west-northwest of Rising Star, S.O. Operating has finished a new oil producer in an unnamed field in Eastland County.

The well is designated as the No. 2 Paul Harlow, pumping one barrel of oil per day. It was located in the ETRR Survey, A-1194. Bottomed at 2,550 feet, the well will produce from perforations in the Caddo Formation, 2,349 to 2,405 feet into the hole.

The No. 5 H.L. Mauldin, a 2,000-ft. developmental well, is scheduled to be drilled in the Eastland Regular Field. H.L.M. Oil of Abilene is the operator. The well will be spudded in a 320-acre lease in the H&TC Survey, A-192, two miles north of Scranton.

Texas United Oil & Gas of Dallas has revealed plans to drill two 1,500-ft. developmental wells in the Nimrod Field, Eastland County. The operator has 80 acres leased, with drillsites in the H&TC Survey, A-111. The ventures will be known as the Nos. 6-A & 7-A Wright T.U.I. "A". Drillsites are one mile southeast of Nimrod.

Drillsite has been staked for the No. 1 Gattis, a 1,800-ft. developmental well in the Scranton Field, Eastland County. The operation will be located one-half mile northeast of Scranton in a two-acre lease in the H&TC Survey, Sec. 128, Blk. 3. The operator is Western Production of Fort Worth.

Flowing 118 barrels of oil per day, the No. 1 Whitefield was completed successfully in Stephens County's East Ixey Field by TXO Production. Drillsite is four miles south-southwest of Eolian. The well was drilled to a 4,300-ft. total depth and will produce from perforations in the Atoka Conglomerate Formation, 3,841 to 3,851 feet into the wellbore. Production tests were run on 14/64 inch choke, and flowing tubing pressure registered 850 PSI.

Two new producers have been brought on line in the Stephens Regular Field, with Mobil Producing of Houston as the operator. The wells are designated as the Nos. 605 & 606 Southwest Breckenridge Unit, with drillsites four to five miles north-northwest of Parks. The wells are in the LAL Survey.

The two new producers indicated potential to pump oil at the combined rate of 111 barrels per day, along with 872 barrels of water. Each well reached a total depth of 3,300 feet. They will produce from perforations in the Caddo Formation ranging from 3,151 to 3,222 into the hole.

A Wichita Falls-based operator has staked location for the No. 2 Satterwhite

"A", a wildcat well to be located two miles west-southwest of Frankell, Stephens County. With projected total depth of 4,700 feet, the well will be drilled in a 120-acre lease in the T&P Survey. The operator is Thomas C. Canan.

A 4,500-ft. wildcat is planned by Harding Co. of Dallas at a drillsite one mile northwest of Crystal Falls. The location is in a 20-acre lease in Stephens County's TE&L Survey. Well's designation is the No. 2 F. Robertson.

The No. 3 Cook Heirs has been finished by Rogers Oil. It is a developmental well in the Nelson Scully Field, Stephens County. Drillsite is in a lease in the T&P Survey, five miles south of Caddo.

Daily potential of 279,000 CF gas was posted with the Railroad Commission. The well went to a 1,750-ft. bottom, and the absolute open flow rating was 800,000 CFD. Production will be from Strawn Formation perforations, 1,430 to 1,440 feet into the hole.

Flowing 1,267,000 CF of gas per day, the No. 1 Enserch-Roye was completed successfully in Palo Pinto County's Ringo Field by Walter Exploration.

Drillsite is three miles north-northwest of Gordon. The well is in a lease in the T&P Survey.

It was drilled to a 2,600-ft. total depth and will produce from perforations in the Strawn Formation, 1,704 to 1,826 feet into the wellbore. Production tests were run on an 18/64-in. choke, and the absolute open flow rating was 6,750,000 CFD.

A Dallas-based operator has staked location for the No. 1 Needham "A", a wildcat well to be located four miles north-northwest of Brazos, Palo Pinto County. With projected total depth of 1,280 feet, the well will be drilled in a 105-acre lease in the Robert Evans Survey. The operator is Dallas Production.

Production from one of the biggest wildcat blowouts in recent Eastland County history has now been brought under control.

The well in question is the No. 1 Jones, with Richey and Co. of Fort Worth as the operator. Location is five miles southeast of Ranger in the S.N. Mathias Survey.

At one time, the well was flowing over 9,700 barrels of oil and 11,500,000 CF casinghead gas per day from a depth of about 3,600 feet.

A spokesman for the Railroad Commission in Abilene said the well's flow

is now "fully contained". He said the question of whether the blowout has permanently damaged the future prospects for the well will depend solely on the characteristics of the producing zone.

Richey reportedly lost 1,100 feet of drill pipe in the hole at the time of the blowout.

Chapman Energy of Dallas has revealed plans to drill the No. 5 Carver "C," a 3,850-ft. developmental well, five miles northeast of Eastland in Eastland County's Snow Field. The well's target is production in the Duffer Formation. The operation will be in a 40-acre lease in the H&TC Survey, A-297.

Two undrilled locations have been abandoned by John Hoestenbach, Jr. in the Mary Ann Survey, A-51, Eastland County. A developmental well and a wildcat venture were to have been spudded two miles southwest of Romney. They were designated as the No. 2 Weise and the No. 3 Weise.

International Basic has finished a new producer in Eastland County, flowing 250,000 CF gas per day on a 20/64-inch choke. Absolute open flow came in at 305,000 CFD. Drillsite was in the Harvey Kendrick Survey, A-340, six miles southeast of Eastland in the Eastland Regular Field. The well is designated as the No. 6 Lowrance "A". The operator took the hole to a 993-ft. bottom and perforated the Frye Formation for production at 534 to 558 feet.

## County Cancer Society Meeting Minutes

The Eastland County Unit of the American Cancer Society met in the Eastland Bank room. Becky Beggs asked Roy Gevara to open the meeting with prayer.

Shirley Gentry read the minutes, reporting that 13 people have been serviced by A C S since October to the value of \$4,660. Pat Frosch of Abilene announced two important dates in Abilene, Jan. 16th an orientation of how to use the new material "Taking Control". Jan. 18th a crusade Seminar to correlate plans for the April Crusade. Dates were set for the "Send a mouse to College" which is the way children help with the Cancer Fund, by collecting 87 cents for each mouse that is obtained for research, Jan. 27-31.

Pat showed a new film that will be shown with new ideas of how each person can truly "take control" of their own health therefore take control of their own life. The film is titled "Wellness is Ageless" by Texas John Henry Faulk who said, "There's nothing wrong in getting older, now my biggest responsibility is to myself." All the Senior Citizens interviewed on the film gave their way of staying well such as; a well balanced diet, exercise, good attitude, stay out of the hot sun, stop smoking, take pride in yourself and that you could stop, and have a yearly check up, if expenses are a problem consider your Check up as a present for yourself.

## Teacher Feature Linda Boose

Although I was born in Ranger (because Eastland had no hospital), I was reared in Eastland. My education began in South Ward and I graduated from E.H.S. as an honor graduate. I attended the University of Texas at Austin for four years, graduating with a B.S. degree in Elementary Education and a minor in English.

While attending U.T., I was active in the church student programs and sang in the choir. From the middle of my sophomore year until after graduation, I also worked between 20 and 30 hours per week in banks and in Sears' Credit Department.

In 1973, after five years of commuting from Houston to Huntsville one night per week and during the summers, I received my Master's degree in education with kindergarten endorsement from Sam Houston State University.

My teaching experience has been varied. I've taught in Del Valle (outside Austin), Cypress-Fairbanks (outside Houston), Seymour, Cisco, and Eastland. Grade levels which I've taught include kindergarten grades 2, 3, 4, and 5 in elementary school and Special Education Resource for junior and senior high school. I have taught twenty years, five of those here at Siebert Elementary.

Professional organization are important to me and I am a member of A.T.P.E. (Association of Texas Professional Educators), Beta Upsilon Chapter of Delta Kappa Gamma, and P.T.O.

My family includes my husband, Stan; two daughters, Jana, a sixth grader, and Breanne, a first-grader; and five cats with four kittens (all outside cats). My parents are Leonard and Naomi Huckabay, residents of Eastland since 1935.

In addition to school activities and keeping up with my children's activities in church and gymnastics, I am pianist for First Christian Church. My hobbies and interests include church work, playing bridge, snow skiing, reading, playing the piano, and watching football games - the Mavericks, the Longhorns and the Cowboys, plus T.C.U. and Iowa.

Planning for the future is difficult, but I hope to begin work in genealogy soon. After attending a family reunion this summer and learning about my mother's side of the family, I became interested in doing some research of my own on the Boose family. However, since I have so much spare time (Ha! Ha!), this project will probably be delayed until next summer.

## Father Plus Physics Equals Bonus Points

A fourth grader thinking of bonus points in science, is responsible for a demonstration of selected basic principles of physics presented Friday, Nov. 22, to two fourth grade classes at Cisco Elementary.

The classes are studying a unit on "Energy and Machines." Some of the material covered was reminiscent of high school physics to the teachers, Mrs. Anderson and Mrs. Maxwell. They shared this fact with their classes.

One student immediately connected "physics" with "bonus points".

Daniel Bray is nine years old and in the fourth grade. His father, Carl Bray, teaches physics at Cisco Junior College, and his teacher, Mrs. Maxwell, gives five to ten bonus points

to students who bring in materials or equipment for science experiments.

Daniel asked his teacher, "How many points would I get to bring a real, live, resource person?" He then talked to his father. Upon receiving satisfactory answers from both, Daniel arranged the talk.

Mr. Bray used a gyroscope, a bicycle wheel, and a revolving stool to demonstrate some of the principles. A question-and-answer period followed.

The rewards were great. The students received some exciting and valuable scientific enrichment. The teachers enjoyed welcome help with the teaching of some difficult concepts. And Daniel claimed his well-earned 25 bonus points.

## Three Week Study Of American

### Indians Completed

Sitting Bull, Geronimo, Chief Joseph, Black Hawk, and Quannah Parker were names of American Indians who lived across our nation and left traces of their culture.

Fifth graders at Siebert Elementary finished a three week study on American Indians. Historical events, geographical regions, art, centers, films, poetry, legends, Indian leaders, and tribes, and an Indian project composed their study.

Totem poles, Indian dolls, some Indian scenes, Indian symbols and drawings were projects that the students made and then displayed in the library. A large tepee, drawings, Indian posters, and animal "skins" were displayed in the classroom. The children seemed to

have enjoyed this unit and displayed a better understanding of how our ancestors came to be. Some students put a lot of work on their projects and even

brought outside information about the Indians to class. This has also helped to tie in with the Thanksgiving season.

## Construction, Plant Science Studied In Third Grade

Our third grade class recently studied a unit of Social Studies pertaining to how our community provides shelter (homes) for us. We were privileged to have an informative, educational, and interesting program presented to us by Mrs. Chris (Cathy) Ball, owner and operator of Heritage Homes of Eastland. Mrs. Ball not only told us how to build a home, but also displayed various samples of building materials. After observing actual house plans, the students were asked to draw their own homes or their "Dream Home". These sketches were exceptional enough to warrant saving for display at this school year's "Open House". We want to particularly thank Mrs. Ball for her instruction, enthusiasm, and inspiration. Parents, don't be surprised if your child

asks to remodel their playhouse or treehouse!

Recently our class studied a unit of Science pertaining to plants. As a favor and interested parent, Mrs. Jack (Judy) Hallmark of Hallmark Floral and Garden Center visited our class armed with interesting educational information, lovely plants, and a tray of goodies for each of us. Her son, James, who is a member of our class, served the treats which were derived originally from plants. We would especially like to thank Mrs. Hallmark for her inspiration and kind consideration. The plant, a lovely Springeri, that she gave our room is now a special privilege and responsibility for us. We are still watching the roots of the ivy grow!

Thanks again

**News From  
Cantebury Villa**

By Mae Green

Cisco Nursing Center is now known as Cantebury Villa of Cisco. New owners are Texas Health Enterprises, Inc., of Grand Prairie, Texas.

Thanks to Brenda Wingham and Maudie Husband for their visit to the home to take care of some of the residents' hair, which made the residents very happy.

The monthly birthday party was hosted by the Ernest Damron family assisted by friends. The party was from 2-4 p.m. Saturday, Nov. 16. Birthday honorees were William Taylor, Lillie

Beene, Etta Judia, Cleo Bell, Henry Pence, Alice Carbury, and Georgie Chapman. Everyone was served cake and punch.

On Thursday, November 21, Joyce Deadman invited the Crow family to come for the Thursday morning sing-a-long and Bible study. The family sang many songs of which Philip wrote.

Friday, November 22, the Senior Citizens Rhythm Band came and played for the residents. Some of the residents were given instruments and played along with the band.

Saturday, November 23, the residents and families pre-Thanksgiving dinner was held at noon. Everyone was served turkey, dressing with all the trimmings. We really appreciate the families for your response. Your help made the dinner a success. A special thanks to the staff also, for your cooperation.

Tuesday, November 26, at 3 p.m., a group of 63 Kingdom Kids and their

supervisors visited the nursing home. They sang and did some of their routines to some of their songs. The residents thoroughly enjoyed their program. The supervisors are doing a great job. We're looking forward to seeing them again.

Thanks again to all the churches, Ministerial Association, and the City of Cisco for your consideration of the staff of Cantebury Villa. We will always remember you as long as we live.

Pastors and churches scheduled to visit the home during November were: John Clinton, First Evangelical Methodist; Carl Ingram, Mitchell Baptist; Randy Housh, Word of Life; Ronnie Shackelford, Calvary Baptist; and Church of Christ. Hope you all had a Happy Thanksgiving and looking to a Merry Christmas. God Bless you.

Thought of the Month: Troubles are often the tools by which God fashions us for better things.

CANTEBURY VILLA visitors this past week were 63 Kingdom Kids.

Coming back from the Thanksgiving holidays not much has happened. There is only about two more weeks of school left before we get out for the Christmas holidays.

From the way it sounds all of the people who ordered their senior rings from the

school will be in Tuesday, December 10. So be sure and bring your money to pay your balance.

It's getting closer and closer to the big night of wrestling. I know that Mr. John Bailey and Mr. Ricky Whately just can't wait. We should be able to see them at ringside.

**Rebekah S.S. Class Meets**

The Rebekah Sunday School class of East Cisco Baptist Church held their quarterly class social and business meeting on Monday night, November 25 at 7 p.m. in the Educational building of the church.

The meeting began with the class forming a circle of love around the table and Mrs. Omalee Holdridge voicing the prayer.

Then the class enjoyed an old fashioned Thanksgiving supper.

After finishing the meal, the devotional was given by Mrs. Jewell Kinard. She read Psalm 100, verses 4 & 5

concerning being ever thankful for blessings. Some blessings are taken for granted. She quoted the "Children's prayer" which tells of blessings people take for granted everyday then she read a poem "Let Us Offer Thanksgiving" by Sybil Leonard Armes, then read "Confide in a Friend" by A.L. Alexander, which is about friendship, another thing that sometimes taken for granted.

Then the business meeting began, presided over by Mrs. Omalee Holdridge. First was the treasurers report given by Mrs. Leona

Morton. Approved as read. Next was Scrapbook report given by Mrs. Clara Hallmark. One scrapbook filled and another one bought and started. This item will be carried over till next class meeting and Dec. 12.

New business was: requests for prayer and reports on answered prayers for and by those present and their families and friends.

Next, it was brought to attention of the class the idea of forming a prayer chain for the class that could be triggered anytime of day. It was agreed that anytime a class member, their family or friends were in need of special prayer that whoever heard the need first would call the person on her right as they were standing around the table. Others who couldn't come will be added to the chain as they wish and told who they should call to keep the prayers going uninterrupted.

The closing prayer was voiced by Mrs. Marie Ivie, who will be hostess to all class members on Dec. 12, at her home for class Christmas party.

The supper of chicken and dressing, green beans, mashed potatoes, buttered spinach, sweet potatoes, fruit salad, hot home made rolls, chocolate pumpkin, & pecan pies, mints, nuts, iced tea and coffee was made and furnished by the hostesses, Mrs. Clara Hallmark and Mrs. Jewell Kinard.

The hostesses appreciated very much the love and caring shown them by the members present when the cal members washed and put away the dishes cleaned up the kitchen and rearranged the furniture back in the proper places. It saved the hostesses a lot of work.

Those attending besides the hostesses, were Mrs. Jean Posey, Mrs. Marie Ivie, Mrs. Nita Hill, Mrs. Leona Morton, Mrs. Doris Crutchfield, Mrs. Omalee Holdridge, and Mrs. Marie Brock.

**Patti Gorr Is Elected As Campus Leader**

BROWNWOOD, TX—Patti Vondell Gorr, daughter of Mr. and Mrs. Donald Gorr of Cisco, was one of 27 Howard Payne University students selected as national outstanding campus leaders to be included in the 1986 edition of "Who's Who Among Students in American Universities and Colleges."

Campus nominating committees and editors of the annual directory choose students based on their academic achievement, service to the community, leadership in extracurricular activities and potential for continued success.

Miss Gorr, a 1981 graduate of Cisco High School, joins an elite group of students selected from more than 1,400 institutions of higher learning in all 50 states, the District of Columbia and several foreign nations.

Outstanding students have been honored in the annual directory since it was first published in 1934.

**Cisco Country Club Luncheon Well Attended**

Some 50 members and guests attended the December luncheon of ladies of the Cisco Country Club last Wednesday noon at the club house. The ballroom was decorated in the Christmas theme with red candles in brass candlesticks, holly, poinsettias, wreaths and greenery.

Susan Hanlon catered the luncheon. The menu included chicken and rice with broccoli, cranberry salad, rolls and pumpkin dessert.

Emma Watts, president, presided during a brief business meeting. Helen Crawford won high score at bridge following the luncheon.

Chairman Yvonne McMillan was assisted by Debbie Whitley, Madrine Glenn, Bonnie Rice, Lucy Collier, Effie Kamon, Brenda Thomas, Mary Crofts, Dorothy Jones, Evelyn McGuire, Pat Owens and Dana Goosen as hostesses.

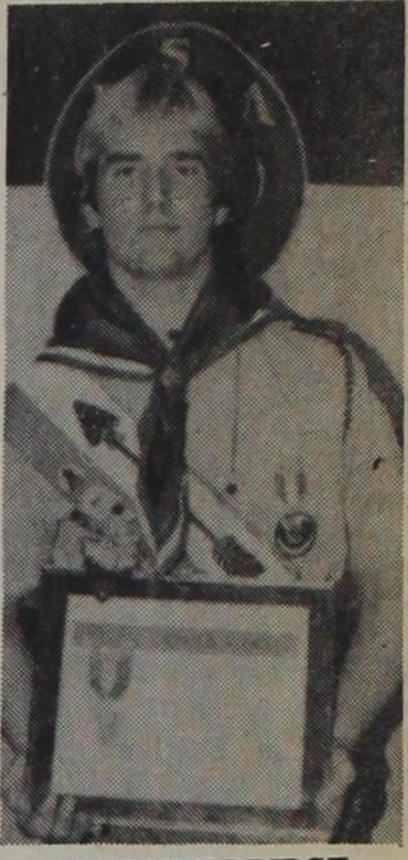

The tape also showed Lion E.L. Jackson of the Cisco club who told of visiting the camp last spring. He said that he had been active in the Lions Club for 62 years and that the accomplishments of the camp and its program was rewarding to all Texas Lions.

Lion O.L. Stamey, a former district governor, reported that a number of Cisco young people have served over the years as camp counsellors at the camp. "We had five there one recent summer," he added.

Mr. Stamey also called attention to the fact that the dining hall at the camp has a plaque that pays tribute to the late Ed and Ola Huestis of Cisco whose contribution made the hall possible some years ago. The Cisco club, he noted, has long been a 100 per cent contributor to the camp each year.

Richard Ballinger was introduced as a new member who will be initiated in the near future. Mr. Ballinger is employed at Thrift Mart.

**FALSE ALARM**  
Cisco firemen took equipment to East 16th Street last Tuesday afternoon after receiving a call that there was a gas fire in that area. No fire was found, firemen reported.

**Grandson Of Local People Is Eagle Scout**

James Holdridge, son of Mr. and Mrs. Gary Holdridge of Midland, Texas, grandson of Mr. and Mrs. Carson Holdridge of Cisco and Mr. and Mrs. Jim Norris of Abilene, earned and received the rank and distinction of Eagle Scout. He is a member of Boy Scout Troop 95 in Midland, Texas.

The ceremony was held at the Texas Electric Service Center, on Saturday, Nov. 2, 1985. Guest speakers included Doug Palmer and Pat Ennis of the Buffalo Trail Council and Sheriff Gary Pointer all of Midland.

James has been a Boy Scout for 5 years and during this time he has served as Assistant patrol leader, Patrol leader, assistant Senior patrol leader, and also Senior patrol leader. He has earned 22 merit badges and 12 skill awards. James is 15 years old and attend Lee Freshman High School in Midland.

**Lions Club Sees Video Tape Of Camp Wed.**

A video taped movie made at the Texas Lions Camp for Crippled Children by Cisco Lion Earl Ray was shown last Wednesday noon at the program feature at the weekly luncheon of the Lions Club at the Colony Restaurant.

Mr. and Mrs. Ray visited the Kerrville camp last spring and he made the video tape with sound. An official of the camp took the Rays on a tour of the camp, which is located on some 500 acres of land and has 44 major buildings. The official's description of the camp and its purpose was included in the program.

The camp has an annual budget of approximately \$1,500,000 and has a staff of 100 counsellors who are supervised by a half dozen professionals. Mr. Ray reported. The camp operates during the summer months for the benefit of handicapped young people and in the winter months to assist the adult blind. Lion Earl Gorr served as program chairman.

The tape also showed Lion E.L. Jackson of the Cisco club who told of visiting the camp last spring. He said that he had been active in the Lions Club for 62 years and that the accomplishments of the camp and its program was rewarding to all Texas Lions.

Lion O.L. Stamey, a former district governor, reported that a number of Cisco young people have served over the years as camp counsellors at the camp. "We had five there one recent summer," he added.

**High School Basketball Started Tuesday**

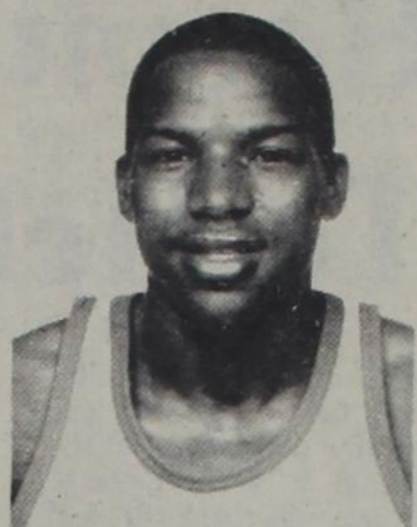

By Chris Ledbetter  
 Basketball started off this week, on Tuesday night, as the Lady Lobos played Winters at the Community Gym. It was a close score all through the game, but the Lady Lobos ended up losing 35-32.

The Lady's played an excellent game giving Winters a run for their money. Coach Lori Larrison stated, "Low percentage shooting is what hurt us the most, but this was probably our best game all season." This makes the Lady Lobos 2-2 for the season.

Starters for the game were: Stacy Pope, 8 points; Tracie Edgar, 3 points; Stacy Willingham, 6 points; Kay Scott, 0 points; and Janice Woolley, 7 points. Other players that scored were Hazel Worley, 4 points, and Robin Ritchie, 7 points.

The Varsity boys played Tuesday night against Dublin, in Dublin, and lost 76-38. Starters were Billy White with 6 points; Jason Phillips, 12 points; Pete DeLeon, 0 points; Kelly Darr, 6 points; and Ricky Chambers, 4 points. Other scorers were James Berry, 6 points; Cliff Hatcher, 2 points; and Kirk Wallace, 2 points.

Thursday afternoon both the boys and girls played in the Cisco Junior College tournament. The Lady Lobos played at 11 a.m., against Albany winning 47-34, breaking Albany's winning streak of 4-0. Coach Larrison said, "The third quarter is what won it for us." Starters were Stacy Pope, 4 points; Tracie Edgar, 8 points; Stacy Willingham, 13 points; Janice Woolley, 0 points; and Robin Ritchie, 12 points. Other scores were Hazel Worley, 6 points; and Susie Endsley, 4 points. They were expected to play the winner of the Baird and Eastland game Thursday afternoon.

**CJC Holds Angelo State JV Wednesday**

The Cisco Junior College men held Angelo State's Junior Varsity to only 11 points in the second half, and rolled up to a 67-32 win in San Angelo Wednesday night.

After leading by 31-21 at halftime, the Wrangler defense held the Rams scoreless for twelve and a half minutes at the start of the second half. Rodney Murray was the only player to score in double figures (15), as twelve Wranglers got into the scoring column.

The Wranglers return to action at 8:00 p.m. Monday in Wrangler Gym as they host Western Oklahoma. The Wranglers defeated Western, 75-61, earlier in the season at Altus.

Season Record-- 7 wins, 3 losses (1-0 in conference play).

Stats follows:  
 CISCO (67)-- Ellis, 4-0-8; Howard, 2-0-4; Murray, 7-1-15; Parker, 1-0-2; Lemon, 2-0-4; Westbrook, 4-0-8; Downey, 1-0-2; McCrimmon, 3-3-9; Griffin, 4-1-9; Knorr, 1-0-2; Booker, 0-1-1; Kelly, 1-1-3. Team, 30-7-57.

ANGELO JV (32)-- Bruce, 3-1-7; Steadman, 0-1-1; Hatch, 1-0-2; Mason, 2-0-4; Emerson, 2-3-7; Robertson, 4-0-8; Wilburn, 1-1-3. Team, 13-6-32.

Halftime-- Cisco, 31; Angelo, 21. No technicals.

**Courier Service Now Available**

A new service business has been established in Eastland County which could become a real help to businesses and individuals.

Jimmy Tibbs has announced that he will operate Tibbs Courier Service for pickup and deliveries within this local area as well as for routings to Abilene and the Metroplex area.

Presently the service is for up to 100 pounds, and Mr. Tibbs is hoping to expand the service to provide other conveniences including the possibility of a shuttle service.

He may be reached at either of these telephone numbers: 629-3177, 629-2019 or 629-1940.

Mr. Tibbs welcomes the opportunity to discuss long-term delivery schedule arrangements.

**Applications Due For Review**

The consideration of applicants for the Justice of the Peace Office in Precinct 2 (Ranger) will be one of the major items on the agenda when the County Commissioners meet in the Courthouse on Monday, Dec. 9 at 10 a.m.

This J.P. office has been vacant since the resignation of Luther Maxwell on Nov. 25.

The Commissioners will also consider several requests for pipeline crossings on county roads. One of these is from Pride Refinery for Rd. 474 in Precinct 2, apparently for the big new well south of Ranger.

The Commissioners will have a report on Wage and House legislation, and consider implementing daily cash flow deposits for county departments which have computer terminals.

An Executive Session will be held during the day to consider personal matters and litigation against the county.

**Methodist Churches Plan Special Sessions**

Dr. Edward Otwell, director of church growth and development of the Central Texas Conference, will speak at a special session of church school classes and the morning worship service for members of First and Wesley United Methodist Churches at the First church Sunday. The church school session will begin at 9:45 a.m. in Fellowship Hall.

Dr. Otwell will continue his presentation during the morning worship hour, it was announced by the Rev. Frank Williams, pastor. Dr. Otwell is recognized nationally by the church in the areas of town and country development and church growth and development, Rev. Williams said.

All members of the local Methodist churches were urged to attend.

**Extension Info Day Held Dec. 6 and 7**

An Extension Information Day will be held in conjunction with the Eastland County Pecan Show Friday and Saturday, December 6 and 7. Educational exhibits prepared by Extension agents will be on display along with the pecan exhibits on the first floor lobby of the courthouse. One exhibit will feature the identification and control of fire ants. Other exhibits will feature Home Economics and 4-H topics.

The main attractions will be pecans and baked goods containing pecans. A pecan identification board will also be displayed.

Extension Agents, Pecan Grower Association officials, Extension Homemaker Clubs and the Eastland Chamber of Commerce invites everyone to visit the pecan show and other exhibits on Friday. The pecans will also be on display Saturday morning.

In-shell and shelled pecans will be sold by the growers association following the pecan show Saturday at noon.

About 200 entries of pecans representing over 40 varieties will compete for honors. Judges will judge the pecans at 1:00 p.m. on Friday. They are judged on the basis of size (number per pound), appearance and shell color. Kernel quality is equally important and is based on the percent kernel, color, general appearance, texture, hollowness, taste, freeze and spots.

Volunteer Fire Department and their families will be held at the Corral Room of the Laguna Hotel on Tuesday night, Dec. 17, it was decided at the regular meeting of firemen last Tuesday night.

Committees were appointed to make arrangements for the event. Details will be announced in the near future.

**Christmas Dinner Set For Board**

Members of the board of trustees of the Cisco Independent School District and their wives will be honored at a Christmas dinner Monday night at the high school homemaking department. The dinner will begin at 7 p.m. and a business

meeting will follow in the library.

Mrs. Jerry Stephenson, homemaker teacher, and members of her classes will prepare and serve the dinner, which is an annual December event.

## People n Things

**IT'S A GOOD** idea to buckle up your seat belts. That's the advice of Mr. Billy Rains, Cisco police chief. Some authorities, including DPS troopers, have told interviewers that they would not be stopping motorists just to look at their seat belts. And Chief Rains hasn't instructed members of his staff to do that.

But...if you're stopped by an officer for any reason he will look at your seat belt. If it's not buckled, it could cost you up to \$50. Like it or not, it's the law.

**LET'S ALL HELP** Miss Teresa Gaeta, 15-year old daughter of Helen and Al Gaeta, find her diamond ring. She's a CHS freshman and the small diamond was her recent birthday gift. Somehow, the ring was lost off her finger at school.

The Gaetas are in the telephone book and Helen is office secretary at the Chamber of Commerce.

**SPEAKING OF** the CofC, the membership held a nice breakfast meeting out at the White Elephant Restaurant last Wednesday morning. The food was good, especially the biscuits and gravy... Dr. Kenneth Breeze, pastor of First Christian Church, was the speaker and did a fine job.

Dr. Breeze told the CofC folks about their move from Chandler, Okla., last spring to Cisco. They had a dog, a goat and a rooster, a feisty bantam, that they didn't want to bring to Cisco. So they gave the dog away and sold the goat. But they couldn't catch the rooster.

The rooster had a reputation of sorts. He went to be at night and for naps in a tree. Once, Dr. Breeze said, an owl attacked the rooster. They tumbled to the ground and fought for several minutes before the owl gave up. The rooster wouldn't let the owl leave until the owl put the rooster back on his favorite tree limb, Dr. Breeze added.

**OFTEN THERE** is a "plus" or a "bonus" when something unpleasant happens to you. For example, Banker Jerry Morgan lost part of his left thumb in a tractor accident a few weeks ago. The stump has now healed and, we're told, he can tell when there's a change in the weather coming by the way the stump feels.

After several months pass and Mr. Morgan has time to analyze the feelings put out by the thumb, maybe he'll be able to forecast weather with accuracy. And wouldn't that be a plus.

**DR. E.E. ADDY's** good wife Inogene has a good reason to be extra mad at the thief who recently took two large pots of geraniums from the E.L. Graham Hospital lobby. She is a member of the Hospital Auxiliary who has logged hundreds of hours as a volunteer worker, and she recently mixed up a supply of liquid fertilizer for the plants.

When she arrived at the hospital, Mrs. Addy found that the two large pots of plants had been stolen. Returning home, the liquid fertilizer spilled in her car.

The large pots each contained several geraniums and thieves took both from the lobby inside the hospital.

**DRIVING DOWN** Houston way for Thanksgiving last week, the Jim Graham's car developed transmission

troubles at Bryan. They called son Randy and they waited near Kyle Field and watched it fill up with fans for the A&M-Texas football game while Randy came for them.

Three days and \$300 later, the Grahams were back at Bryan, climbed in their car and drove home to Cisco...full of turkey.

**POSTMASTER** Wylie Cox tells us that they're expecting the "biggest week" of the Christmas mailing season during the coming week. The post office folks are experiencing mail sacks that are a bit fuller every day, he added.

The post office gets quite a number of calls from folks wanting the Chamber of Commerce, Mr. Cox says. The PO number is 442-2357 and the CofC number is 442-2537.

**GLAD TO HEAR** that Mrs. S.L. Mahaney of our town is making progress in recovering from a serious heart attack at Hendrick Memorial Hospital in Abilene. She suffered the attack while visiting a doctor's office in Abilene and spent a couple of weeks or so in ICU... Mrs. Charles (Sandra) Maples, office secretary at the Cisco Police Station, was reported as some improved Thursday at Hendricks hospital. She was taken there after becoming seriously ill last weekend. Her parents flew in from California Wednesday.

**MAYOR ERIS** Ritchie went out for his regular jogging bit the other day. In the cemetery area, a small blonde dog took up with Eris and jogged all the way home with the mayor. Next day, the dog was still there and the Ritchie youngsters offered food that was accepted.

Mr. Ritchie reports that the dog is still there and shows no sign of leaving. If you've lost a dog, check in with Eris. Otherwise, the stray will have found a home.

**MR. RITCHIE TELLS** us that the folks who live around the Park Drive Circle appreciate the work of a few of their number who contribute their time and labor and machines to keeping the circle area free of weeds and grass in summer months. Leaders in this work include Dr. Ken Hammes, Hershall

Penn, Robby Robinson... Ricky Hudson, one of the Cisco hunters who found the corpse of a missing man while deer hunting in Erath County last weekend, should be getting used to unusual things happening to him. It was to his home that a seriously burned man stumbled a few weeks ago after a fire and explosion northeast of town. His mother-in-law, Mrs. Ted (Nina Jo) Anderson, tells us that Ricky shot a nice six-point buck early in the season.

**THE WEATHER** started off pretty warm and got cold before their three-day hunting trip ended last Sunday late. That's the report of a group of area hunters who spent three days last weekend on a deer lease near Sanderson, southwest of here. They got home with four nice bucks.

Making the trip were Jack McCanlies, Billy Wright, Mike Anderson, and Ronnie Ledbetter of Cisco, and Tommy Beardon of Baird.

**MISS WENDY** Wester, sweetheart of the Cisco Lions Club, was applauded by club members last Wednesday when they learned that she earned a "superior" grade in a piano competition at Brownwood last Saturday. She is the daughter of the Dan Westers and a CHS student... They sang Happy Birthday to Rancher Charles Clark last Wednesday noon out at El Rancho Clark. Instead of a cake, he received a large platter full of his favorite dessert - fried apricot pies.

**BILL AND CAROL** (Mayhew) Brimer and sons, Bret and Barry, of Vernon visited her parents, the Steve Clarys, here over Thanksgiving weekend. Carol teaches speech at Vernon High School and Bill is a communications technician with West Texas Utilities Co. Steve and Brenda Thomas and children of Cisco joined the group for Thanksgiving dinner at the Clary home. Mrs. Brimer and Mrs. Thomas are sisters.

**Kountry Kids 4-H Club** Will Have Meeting

Kountry Kids 4-H will have their regular monthly meeting on Monday, Dec. 16, 3:30 p.m., at Intermediate School cafeteria. Due to the holidays, November and December meetings were combined.

# Hospital Auxiliary Donates Bed To Help Graham Hospital Staff

E.L. Graham Memorial Hospital Auxiliary has recently purchased for the hospital a Video Cassette Recorder, a critical care bed and a patient support system to be used during the taking of lateral x-rays, according to Helen Orr, Hospital administrator.

The VCR will be used for employee and hopefully, for community and physician education. Work shops, prohibitive because of costs in time and travel, will now be

available on cassettes which may be either bought or rented. In many cases Hendrick Hospital provides VCRs for in-service training free of charge.

Patients and their families will benefit also. For example, a spokesperson said, diabetics and patients with hypertension and their families may use the VCR for learning about the diseases and about home care.

The critical care bed

which operates on one motor making for simple maintenance, will be placed in the cardiac unit. The controls, completely automatic, are placed at the foot of the bed and feature a Trendelenberg position (lowered head) for treatment of shock patients.

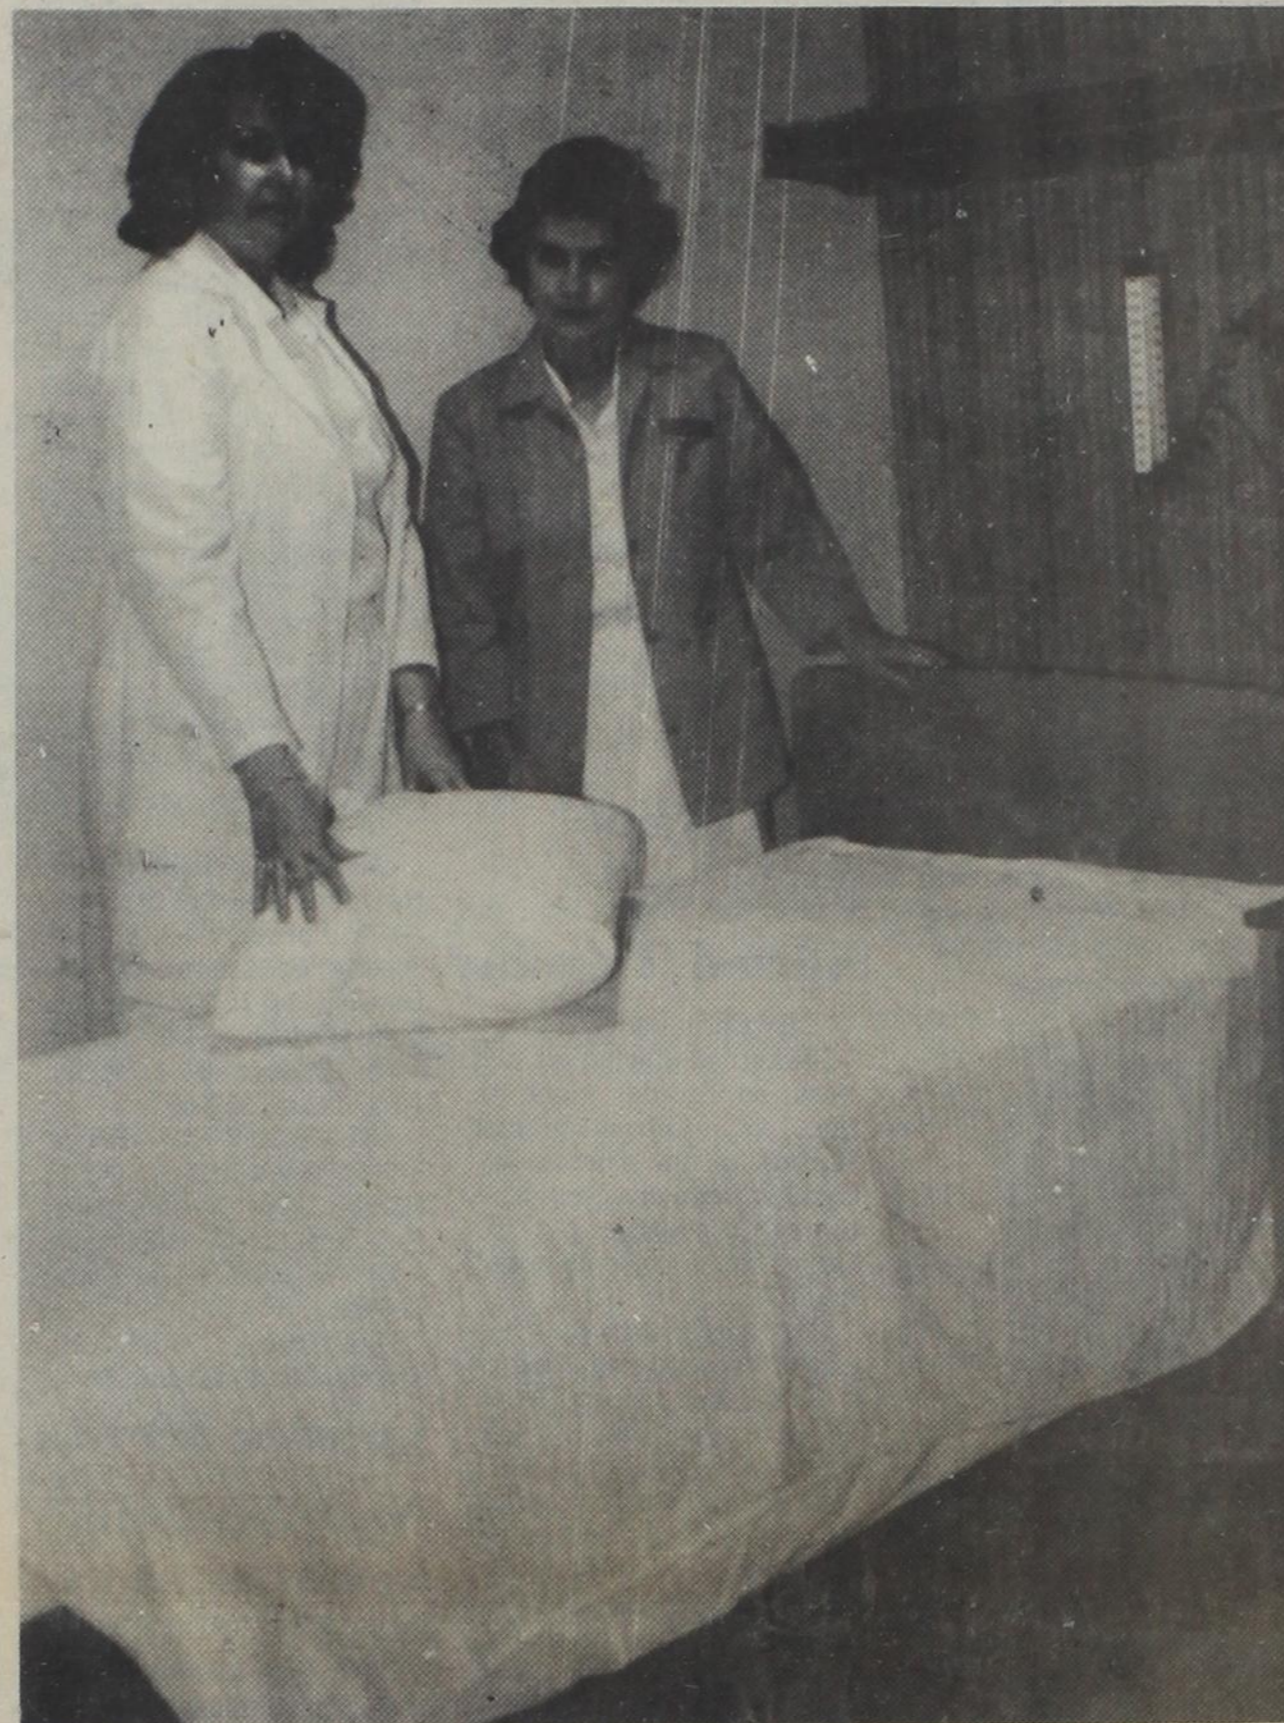

Other features praised by Ms. Alice Rodgers, Supervisor of Nursing, are raising, lowering, high cardiac chair position, non-skid mattress, wheel locks and grounding

for patient safety. Ms. Rodgers stated that they are very pleased with the equipment and are most grateful to the auxiliary for providing it.

Other contributions made by the auxiliary to the hospital in the past are blinds for the dining room and a defibrillator. All new babies born at the hospital are given t-shirts with "I got my first hug at E.L. Graham Memorial Hospital" printed on the front and those born during the month of December are sent home in a baby-sized Christmas stocking, compliments of the Auxiliary.

Hospital employees are justly proud of approval by the Joint Commission on Accreditation of Hospitals, a voluntary accreditation body for whose survey services hospitals must pay.

Organized several years ago with Mrs. Wm. E. Austin, Sr. as the first president, the auxiliary has some 35 active members who volunteer their time and work on a regularly scheduled basis and some 25 supportive members who help with special projects such as the blood drives, health fairs, book fairs and bake sales. Mrs. E.D. Anderson is current president.

**CORONARY CARE BED**— Pat Isbell (right), member of the Hospital Auxiliary, is shown with Alice Rodgers, R.N. and Director of Nursing, as they look over the recently donated coronary care bed at E.L. Graham Memorial Hospital. The Auxiliary donated the bed to the hospital.

## Mobley Work Is 25% Complete

Work on restoring the Mobley Hotel as the first of the world-wide Hilton chain is approaching 25 per cent of completion, Mayor Eris Ritchie, chairman of the Conrad Hilton Memorial Park and Community Center, reported Friday.

The official board of the Hilton Center will meet at 10 a.m. Tuesday, Dec. 10, at the First National Bank to hear progress reports from the architect and contractors, Mr. Ritchie said. The meeting agenda also calls

for the board to hear a Sweetwater man who is interested in donating items to the Center's museum.

The contractors have informed Mr. Ritchie that they expect to complete work on the project by early spring. Official opening has been set for October, 1986, as part of the year's Sesquicentennial program for the State of Texas.

The contractors have been installing steel beams on the interior of the building during the past two weeks.

# Blowout Under Control

History may well be repeating itself in Eastland County with this recent oil discovery. In October 1917, the McCleskey No. 1 gushed

Ranger into a famous oil boom that would last for several years. The McCleskey No. 1 flowed for four weeks gushing 450 barrels a

day into pits until storage tanks and lines are readied.

And then on November 6, 1985, the Ora B. Jones No. 3 blew in with many thousands of barrels of oil daily. Some guesses were that it happened sixty-eight years, 18 days one and a half hours later.

It was first guessed that the Ora B. Jones No. 3 was producing as much as 20,000 barrels a day, but was later confirmed to closer to 10,000 barrels a day. The well, drilled to 3,600 feet has an estimated 11 million cubic feet of gas that is being flared that this time.

The well is being produced by Richey and Company of Fort Worth and is being drilled by Richey Drilling Company of Eastland.

When the Richey Rig No. 1 struck natural gas at about a half-mile deep, a blow out preventer, a device used to prevent the escape of pressure, failed and gas roared to the surface and spread a fog-like yellow cloud over the countryside for about six miles.

With the flow out of control the area was evacuated while the attempts to cap it were futile. Experts from Houston's Boots and Coots were called in. The flow refused to be capped and spread an oily film over everything downwind from the drillsite.

A Lafayette, Louisiana

firm, Stooksberry, Inc., arrived and set up a flow control equipment and piped the oil into a battery of 20 storage tanks. Two separators, capable of handling 80 million cubic feet of gas and 10,000 barrels of oil were taxed to the limit.

At least 100,000 barrels of oil had been contained and moved to refineries by mid November. With no facilities to hold the gas, the Texas Railroad Commission granted permission for the flaring.

A four inch gas pipeline is laid and tied into an existing line 7,000 feet away to move the gas.

Experts estimate the well is capable of producing more than \$355,000 worth of oil every day. Industry observers report that this is the most prolific well in the area in the past 35 years.

State limitations will regulate the limit daily productions of the well. The Texas Railroad Commission in Austin will allow only 80 barrels of oil a day to be produced. At this rate it would take more than three years to produce enough oil to match the well's potential for a single week.

Caroline Morgan of the Texas Railroad Commission, said the strike is the most significant she has seen in District 7B, the RRC nomenclature for the well's location.

Mrs. Morgan said it is a one-in-a-million thing, a freak of nature.

Alex Mills, executive vice president of the West Central Texas Oil and Gas Association said it would be nice if it wasn't a freak. He said you would see a real boom taking place. He likened the discovery to those of Texas' peak oil boom years of 1920 and 30.

"It would open up a lot of people's eyes to that area," Mills said. If an offset well produces 10,000 barrels a day, I think your going to see a whole new interest in the Eastland area.

The well, named Ora B. Jones No. 3 was named for the daughter of settlers that moved to Texas from Alabama around the 1800's.

Ora Duffer was born in 1875 near the Leon River on the family farm. The Duffer oil and gas producing zone, a well known zone, gets its name from the Duffer family.

Ora married Thomas Alexander Jones, an Eastland County farmer, who was a part of Eastland County history later in life. He was known as "Uncle Tom" around the county and was a constable.

"Uncle Tom" was shot during an attempted jail break by Marshall Ratliff on November 18, 1929. "Uncle Tom" was wearing a special jailer at that time. Marshall Ratliff was the infamous Santa Claus during the Santa Claus bank robbery in Cisco Dec. 23, 1927. He had been returned to Eastland jail for another

trial connected with the robbery.

Angered over Jones' shooting, a crowd gathered at the jail, and broke in a guy wire between two telephone poles. "Uncle Tom" died a few hours later from gunshot wounds.

Ora Jones raised her eight children and after her death in 1951, the Jones land was passed on to her children and heirs.

T.A. Jones, Jr., a son, was born in the Chaney community and is a graduate of Eastland High School. He lives with his wife and their son Thomas A. Jones III. They have a daughter Kay Loy Cagle who lives nearby.

Jones and his sister Gwendolyn Clyatt, a retired home economist in Houston, own the family holdings of about 800 acres around the present well site and about 400 acres about six miles south of the Leon River. The heirs of the six other Jones children are owners also.

Several other wells are located on the Jones land near the Ora B. Jones No. 3 but are stripper wells producing 10 barrels or less of oil per day.

It has been reported that as many as 50 other wells are

## CJC's Annual Christmas

### Concert Dec. 10, 7:30

The annual Christmas Concert at Cisco Junior College will be presented by the Wrangler Band and Belles and the CJC Singers, Tuesday, December 10, at 7:30 p.m. in Harrell Fine Arts Auditorium.

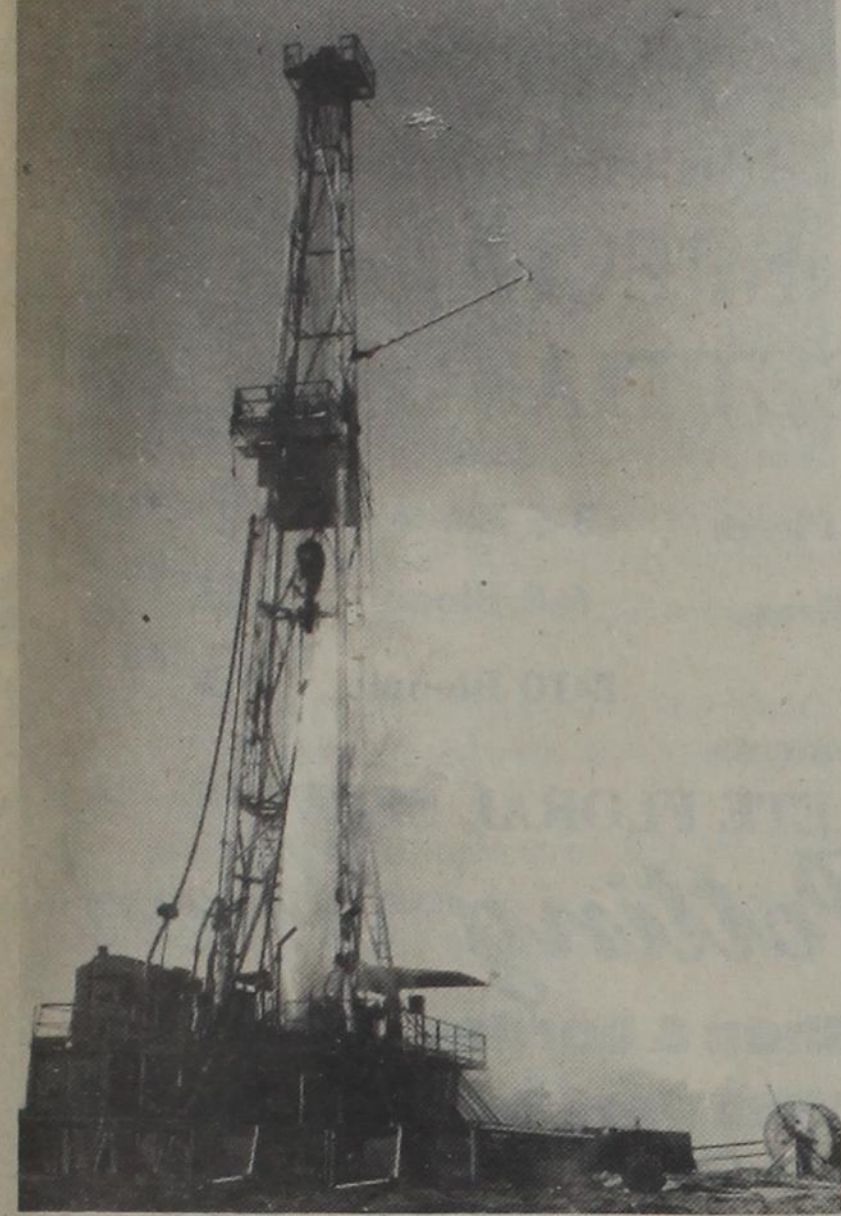

This traditional event on the college campus will have medleys of carols played by the band, and the Wrangler Belles always have a small Christmas spectacle to dazzle the eyes of the audience. Music instructor Steven Zell plays more Christmas music on the Rockwell Memorial Organ, and the CJC Singers

will present a variety of Christmas music with the emphasis on popular tunes and little known carols of other lands.

There is no admission charge, and the public is invited to attend the presentation, which lasts under an hour, and then witness the lighting of the campus Christmas tree on the mall in front of the Science Hall.

Sunday, December 8, 1985

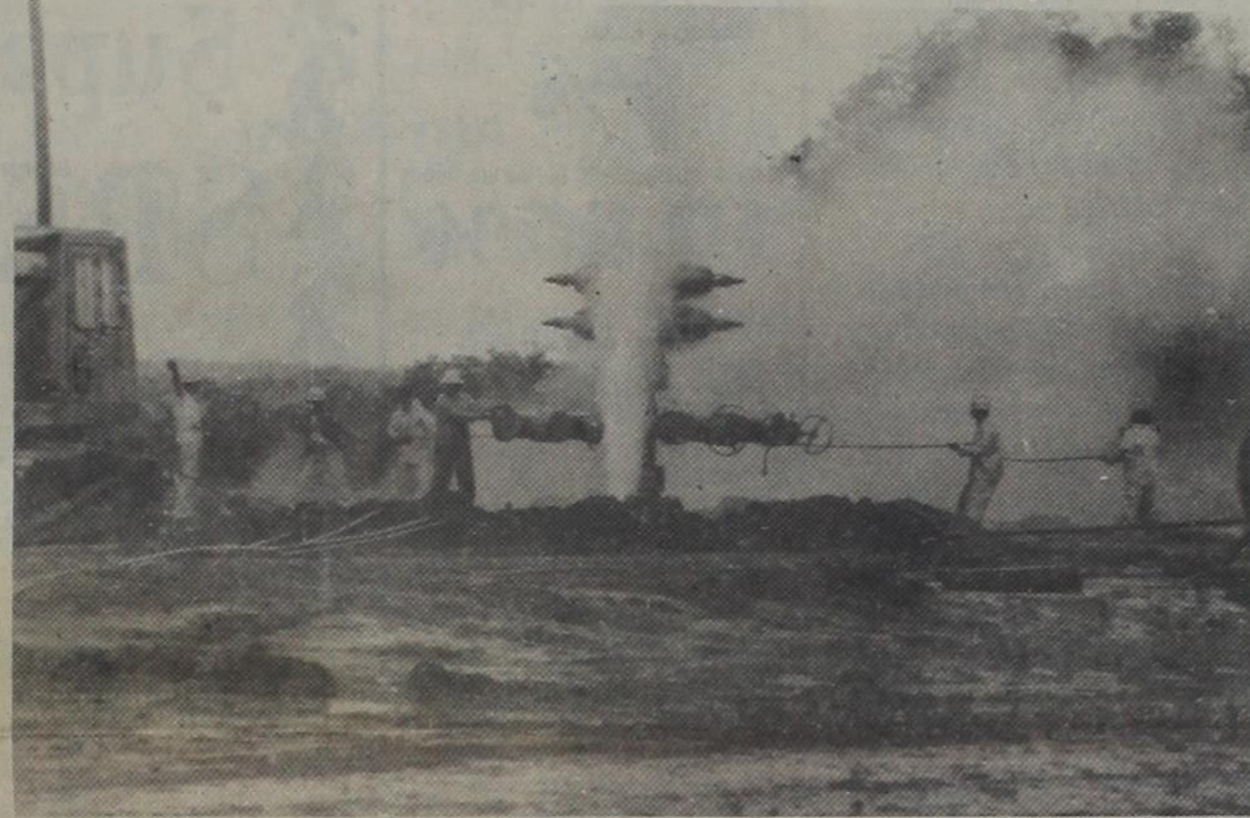

Production from one of the biggest wildcat blowouts in recent Eastland County history has now been brought under control.

The well is the No. One Jones, with Richey and Co. of Fort Worth as the operator. Location is five miles southeast of Ranger in the S.N. Mathias Survey.

At one time, the well was flowing over 9,700 barrels of oil and 11 million cubic feet of gas per day from a depth of about 3,600 feet.

A spokesman for the Railroad Commission in Abilene said, "The flow is now fully contained. The question of whether the blowout has permanently damaged the future prospects of the well will depend solely on the characteristics of the producing zone."

The definite zone has not been confirmed. The operator reportedly lost 1,100 feet of drill pipe in the hole at the time of the blowout.

## BAIRD

The Texas State Board of Soil and Water Conservation held a hearing recently upon the division and reorganization of the Central Colorado SWCD and the Lower Clear Fork of the Brazos SWCD. This includes land lying in Coleman, Callahan, Shackelford and Stephens counties. The State Board gave permission to proceed with the division of the two old districts and the formation of the three districts. The new district will be named "Callahan Divide", and will include the town of Baird and a large area to the south and southeast. Other districts are now conducting audits, and the final division will take place in mid-December or early January.

Christmas decorations and Christmas cheer is popping up all around Baird. The Chamber of Commerce has put up Christmas trees and lights, and businesses have attractive decorations in the windows. Area people are invited to drop off the freeway and see how very pretty a town can be. Don't forget the Parade of Homes on Saturday night, Dec. 7, 5:30 to 9 p.m. It begins at the Vestal home at 600 East 9th. Tickets are \$3 each, and refreshments will be served at the last beautiful home.

The "Meals on Wheels" organization will have their annual Chili Supper Thursday, Dec. 12, starting at 5:30 p.m. Chili, beans, crackers, coffee or tea and cake will be served. Skip Parker is the chef, so this is bound to be good. Proceeds go to help serve elderly and disabled people in Clyde and Baird a home-delivered meal.

## EASTLAND

Plans and specifications for the construction work at Siebert Elementary School will be available at Supt. Ray Pruitt's office beginning Monday, Dec. 9. Bids will be accepted until 2 p.m. Thursday, Dec. 19. Written bids should be sent to the attention of Burnett Hunt, Director of Construction. Telephone bids will only be taken from 8 a.m. until 2 p.m. Dec. 19. The construction plans call for 13 additional classrooms at Siebert, plus a science lab at Eastland Junior High and new aluminum seats at Maverick Stadium. Area contractors and subcontractors are invited to bid on this project.

The Family Planning Clinic at the Multipurpose Center will be held Tuesday, Dec. 10 from 10 a.m. to 5 p.m. The center is located at 204 N. Lamar in Eastland. Dr. Stephen Krech will be the physician in charge, and a number of services are offered. These services are free for Medicaid patients, and a small co-pay fee is charged for those who are income eligible. Private patients are also welcome.

The Eastland Ladies Auxiliary Fire Department is sponsoring a "Magic of Christmas" show on Tuesday, Dec. 10, 7:30 p.m. in the Eastland High School Auditorium. The show will have a clown, singers, ventriloquist, magic and Santa and Rudolph. There will be prizes given away during the show, including a television set to some child. Advance tickets are \$2 per child and \$3 for adults, with tickets at the door \$3 and \$4. Funds raised from the presentation will be used for a new rescue van for the fire department.

Eastland Memorial Library has received a rare collection of geneological material from former residents Gene and Marie Boney, now of Fort Worth. Mr. Boney is a Texas Electric Service Co. employee, and Mrs. Boney a Journalism teacher in the Ft. Worth area. When the family lived here Mrs. Boney was a writer for the Eastland Telegram. The hundreds of volumes in their library donation includes maps, rare books, search-helms and periodicals of interest to those tracing their family histories.

The Eastland County Retired Teachers Association will have a luncheon meeting at 12:30 p.m. Monday, Dec. 9, at Best Western Inn, I-20 East. A program with a Christmas theme will follow a short business meeting. All retired teachers in the county are invited to come out and join this Eastland County Unit of the Association.

Lisa Butler, a third-year veterinary medicine student at Texas A&M University, has been named recipient of the first scholarship awarded by Abilene Kennel Club Inc. The \$500 Scholarship was awarded for the fall semester. The daughter of Charles and Elizabeth Butler of Eastland, Miss Butler attended Cisco Junior College and Abilene Christian University before going to A&M. Her plans are to establish a small animal practice after graduation.

## GORMAN

Santa Claus is coming to Gorman on Saturday, Dec. 14 at 2 p.m. He will arrive in downtown on the fire truck

compliments of the Volunteer Fire Department. He will then be at Movies Galore and More to visit with all the youngsters that come by. Santa will also have candy, compliments of Sav-On Food Inc. There will be still more festivities for the day, so make plans to bring your children. This annual event is sponsored by the Gorman Chamber of Commerce.

The South Eastland County Hospital District Tax Office is open at Blackwell Hospital on Monday, Wednesday and Friday from 9 a.m. until noon and 1 p.m. to 3 p.m.

The regular monthly musical will be held Friday, Dec. 13 at 7 p.m. at the fire hall. Visitors are always welcome, and there is good entertainment.

## CISCO

Cisco is celebrating with its annual Christmas Parade and Treasure Hunt this weekend (Saturday), and the town is full of people. Merchants in the town are giving away a number of beautiful gifts from their stores. The hunt will begin at 10 a.m. after the Parade, and will last until all prizes are claimed. Decorations are up, adding to the festive mood.

Ten oil paintings by Betty Armstrong are now on display at the First National Bank in their "Artist of the Month" program. Mrs. Armstrong, wife of Billy R. Armstrong, moved to Cisco with her husband in 1984. Mrs. Armstrong took her first painting class in California in 1970, and has since done paintings in many places in the U.S. and Malasia. She

has taught art classes and won numerous awards for her work. She enjoys painting portraits as well as landscapes. The public is invited to come by the bank and see her outstanding work.

A \$500 reward was paid to Steve and Janey Linebarger of Cisco because they returned the bag they found containing a \$10,000 mink coat. The coat was apparently stolen from the owners, the Ed Farrow's of Dallas, who accidentally left it on the top of their car parked near the White Elephant Restaurant. The Linebargers found it along the access road to I-20, and took the bag and its contents to an officer at the police station. The Farrow's had reported the loss, and were happy to recover the coat.

## RISING STAR

The Church of Christ will sponsor a Youth Night Dec. 11, at 7 p.m. All interested youth are invited to come for an evening of song, prayer, and special lesson by Ben Zigafous, the gymnastics coach at Abilene Christian College. Refreshments will be served in the new fellowship building following the program. All are welcome.

There will be a reception for the food commodities at the Senior Citizen Center on Tuesday, Dec. 10, from 1:30 to 4:30 p.m. Come if you wish to be eligible to receive these commodities.

Leslie Alford will perform in the Abilene Metropolitan Ballet Company's presentation of the "Nutcracker Suite" on Dec. 7 and 8 in Abilene's Civic Center. Leslie, a freshman at Abilene Christian University, is a student of ballet in Mary Baucom's Studio of Dance in Abilene. Mrs. Baucom will direct the "Nutcracker Suite", which

is one of the highlights of Abilene's Holiday season.

## RANGER

Ranger is full of visitors this weekend for the Roaring Ranger Bowl game. Kickoff is 1 p.m. for the match between the Dodge City, Kansas Conquistadors and the Dixie, Utah rebels. The Roaring Ranger Bowl is one of only seven Bowl games sanctioned by the National Junior

College Athletic Association. It is sponsored locally by the Ranger Chamber of Commerce. Many major college scouts are expected to be at the game Saturday, since both teams are loaded with players that are considered prospects for the big time college scene.

Barry Eddleman, Senior Agricultural Education Major from Tarleton State University, has begun his student teaching in Glen Rose High School. Eddleman will teach until Dec. 12, assisting with all activities concerning the local Vocational Agricultural Program. Upon completion of

the training period, he will receive a Bachelor of Science Degree from TSU, and will be eligible for a Vocational Teaching Certificate. Barry Eddleman grew up on a ranch north of Ranger, and has been interested in agriculture all his life. He has won numerous awards for his work in FFA.

**10 reasons why you should maintain and increase your newspaper advertising when business is slow.**

1. Whether business is good or slow, you have to get your share of whatever business is around. Cutting back your advertising puts you at a disadvantage at the very moment when you need an edge. Increasing your advertising gives you the edge.
2. In times of uncertainty, consumers are careful and a little reluctant to spend. They want to be sure before they buy, they want information about products, services, prices and values. This is from newspaper advertising. Yours—or somebody else's.
3. Maybe you figure other retailers in your line are going to cut back their advertising, so it's safe for you, too. Right? Wrong. You're in competition for the customer's dollar with every other retailer in town, no matter what he or she sells. People have only so many dollars to spend and if they don't spend them for what you sell they'll spend them for something else.
4. There are more people working now than ever before. More women working, too, adding to family income. People still need and want goods and services and will spend for them. There is plenty of business out there. Your competitors will be bidding for their share—and yours.
5. You can't do much about most factors in the marketplace: rent, labor costs, price of merchandise, what the competition will do. But one thing you do control is your own promotion. Remember that newspaper advertising is not just a cost of doing business. It's a proven sales tool that returns many times your investment in store traffic and sales.
6. Remember how long it took you to get started? Once you build up a business, you can keep it going with a moderate, consistent advertising program. But if you cut your advertising and lose your hold on the public's awareness you'll find it's much harder to build it up again. It's sort of like starting all over.
7. Your advertising is part of your sales force. Newspaper ads help to pre-sell the customers and help you close the sale faster. What saves you time saves you money.
8. You say your customers know you and for a while at least they'll keep coming in even if you don't promote? That's partly true, but shortsighted. Remember one out of five Americans moves every year. So there's a steady flow of your customers out of your market, and a corresponding influx of new folks who don't know you at all. Tell them about yourself.
9. Here's a hard fact to chew on. Over any given period, a business that advertises below the industry average has sales that are below the industry average.
10. Advertising is "news" — about products and services. Your customers look for this kind of news in the pages of The Daily Courier. In plus times, retailers often experiment with other media. But when the going gets tough, they concentrate their efforts in the daily newspaper because it provides an immediate payoff at the cash register.

### HELPFUL HINTS FROM HINDSIGHT

There are any number of things I've learned NOT to do by doing them in the first place—and regretting it.

It is true that I may have been told not to do them—even as I tell you. Somehow, the spoken advice not to pick up baby's toy from the floorboard while you are driving Sister to school and Baby is armed with a glass bottle of milk does not have the same impact as the knot the bottle raises on your skull and as the crunch of the front of your car when it bashed the rear of the one ahead.

Would the foregoing be called, "Alerting a Behavioral Objective by Motivational Impact?"

Anyway, I stopped doing such bending long ago—partly because of the knot on my head and not a little because of the repair bills.

For a long time I was polite to telephone salespersons. I do not think it is nice to hang up on anyone, but lightning has not struck since I decided it wasn't of any real interest to anybody in New York, Denver or Chicago if I felt great or suffered from the gout. I usually do say, "I prefer to pick

my own magazines, dog biscuits, louvered windows—whatever" before I hang up—not always. One night a persistent individual called back to say, "Mrs. Worthy,"—very reproachfully—"I wasn't through!"

I said, "I was," and hung up again. Now, I cheerfully lie. As soon as I get the drift of the spiel, I say, "Oh, you must want my daughter-in-law! She's not here." Bang with the phone.

I've tried being polite. You can stay on the phone half of forever if you stick with polite. I absolutely agree I've probably missed some great bargains. We'll never know.

Those tags that come on pillows, comforts, sleeping bags and such—the ones that threaten dire misfortune if they are removed. Yep. Well, I don't know how many years I was dumb enough to leave the rough, unsightly things in place. But I now whack them off with almost as much glee as I fold, bend, staple and mutilate notices about practically everything.

My hindsight often reminds me of things I've learned to do by not having

done them in the first place; for instance:

Turn off the mixer before you lift it out of the cream.

Check the saddle girth before you get on the horse. Boil the eggs before you color them for Easter.

Put the letter in the envelope before you put it (either one) in the box.

Take the lid off the pot of rice when the water begins to boil.

Turn off all burners on the kitchen stove before you answer the phone.

Be sure a chair is under you before you sit down.

Be sure your car keys are in your hand when you lock the car.

I haven't locked the doors on the car keys since one cold, miserably winter night when a couple of fellows robbed a convenience store in Waco. They left the motor running for a quick getaway, got the holdup done in short order, and dashed back to their car. They had thoughtfully locked it so no one could steal it.

Unfortunately, hindsight doesn't usually work until there is a breakdown in foresight. You are welcome to share mine.

## Second County 4-H

### Horse Show

#### Scheduled For

Sunday, Dec. 8th

The second of the Eastland Co. 4-H Winter Horse Show series will be held Sunday, December 8th, at the County Livestock Show grounds starting at 1:30 p.m. The first one was a big success, and this one is shaping up great. George Ward of Weatherford, Tex. will be the judge. The points from this show will be added to the first one and then the next two, to give the top three high individuals of each age group. These high individuals will receive year end awards. The age groups are: 8 and under; 9-13; 14-18; 19 and over. Each of the high point individuals of these groups will receive a high point award Sunday. For more information about the 4-H sponsored Horse Show contact Paul Brown or Ken Lyster. See ya out there Sunday afternoon.

December 15th at 3:00 p.m. They will finalize plans for their walk-a-thon to be this Spring, plus bill board promotions for this Spring. The group will meet at the advisors house.

## Districts For Election Of Silver Haired Legislature

Districts for the election of representatives to the Silver Haired Legislature have been designated in the West Central Texas area, according to information from Eastland County Judge Scott Bailey.

Judge Bailey, Chairman of the State Advisory Council on Aging, is working with this group for the implementation of this special Legislature. The Texas Legislature approved this plan in 1985.

The counties of Eastland, Comanche, Brown, Coleman and Runnels will be in a District with one representative, and Callahan, Shackelford and Stephens will be in other. There will be four representatives from the 19-county West Central Texas area.

The Silver Haired Legislature process will begin with candidacy petitions, which will be available through Area Agencies on Aging. Candidates may file petitions Jan. 1, 1986 through Feb. 28, 1986.

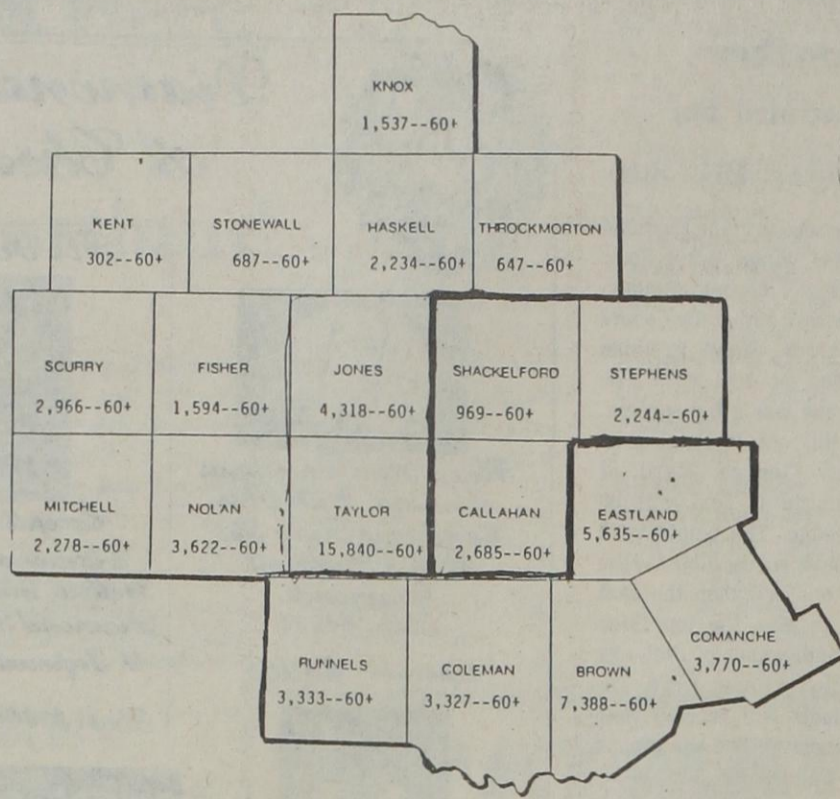

Balloting will begin with absentee voting Thursday, May 1 through Friday, May 23. Election Day will be Friday, May 30, 1986. Only persons more than 60 years of age may vote in this election.

Candidates must be citizens 60-plus year of age prior to Jan. 1, 1986. They must be registered voters residing in the area of Texas from which he or she is applying for candidacy, and who will uphold the responsibilities of the office as an elected Silver Haired Legislator.

The first Texas Silver Haired Legislature will meet in the Texas Capitol in Austin Sept. 29, 30 and Oct. 1, 1986. The group will consider and vote on proposed legislation that concerns the needs of older Texans. Recommendations will be passed along to the regular Texas Legislature for consideration when it convenes in January, 1987.

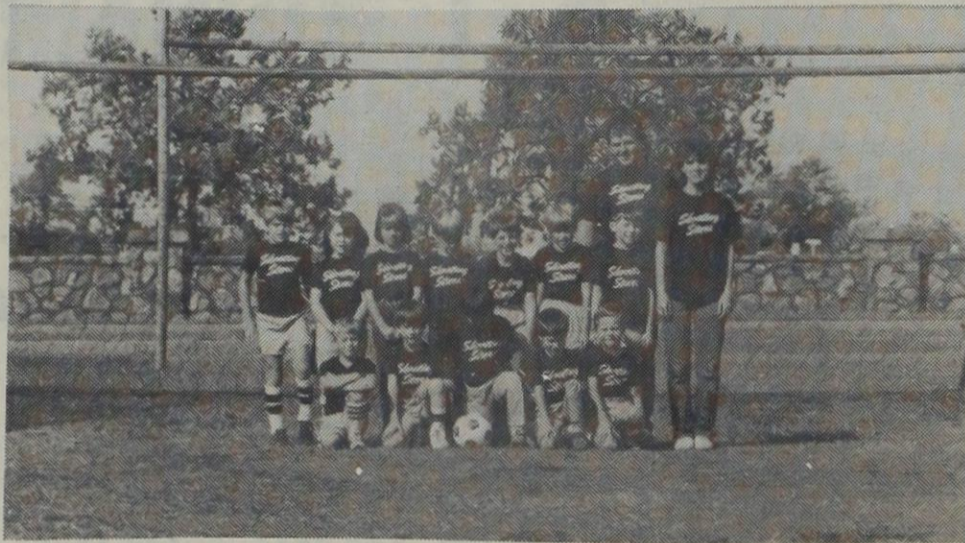

In the 22 other states that have such a program, nearly 70 percent of the legislation forwarded to regular sessions has been received favorably.

"The Silver Haired Legislature will be a historic occasion," Judge Scott Bailey says. "I feel that some Eastland County persons might have a chance to win the District election and represent this area in Austin. I certainly hope so."

This map shows the 19-county West Central Texas area. The figures report the number of persons over 60 years of age in the counties at the time of the 1980 census. The area is divided into districts for the purpose of electing representatives to the Silver Haired Legislature. Outlined on the map are the districts containing Eastland and Callahan County.

## Moffett - Dressel United Saturday

Janet Elizabeth Moffett and Pearce Allen Dressel, Jr. were united in marriage Saturday, December 7, 1985, in the First Methodist Church, Eastland, Texas. Dr. Wayne Ashlock, officiated. Dr. Ashlock is the minister of the First Christian Church.

The bride was given in marriage by her father, William A. Moffett. Janet is the daughter of Mr. and Mrs. W.A. Moffett, of Jakarta, Indonesia, and the granddaughter of Mr. and Mrs. W.Q. Verner of Eastland, Texas and the late Homer T. Ferguson of Cisco. The

bridegroom is the son of Mr. Pearce Dressel, Sr. and the late Mrs. Dressel of Aloha, Oregon.

Mrs. Michael Dawkins of Abilene was Matron of Honor. Bridesmaids were Misses Delette Jenkins of Stephenville, Jennifer Smith of Breckenridge, Colorado and Jean Adams of Greensboro, North Carolina. They wore floor length red taffeta gowns with Victorian necklines and elbow-length sleeves. Each carried a bouquet of red and white silk roses, trimmed with baby's breath, Christmas holly and white lace.

Amber and Ginger Body acted as ring bearer and flower girl. They both wore long white lace dresses with red sashes.

Paul Dressel of Seattle, Washington, brother of the groom was best man. Groomsmen were Scott Rawles of Breckenridge, Colorado, Ron and Vick Christensen of Tacoma, Washington. William Mitchell Moffett, brother of the bride, of Boulder, Colorado and Kirk Rawles of Breckenridge, Colorado were ushers and lighted the candelabras prior to the ceremony.

Maurine Keith of Westport, Conn. registered the guest.

The mother of the bride was escorted to her seat by her son Mitchell. She wore a long gown of Peacock green silk and a hand woven jacket of gold and peacock green threads. Both mothers wore white gardenas.

The brides dress was white taffeta with chiffon overlay accented with lace and seed pearls. Chiffon and lace joined the collar with a fitted bodice in a Queen Anne's neckline. The sleeves at the shoulders were trimmed with ruffles, tapering to the points at the wrist which were edged with pearls and lace. The floor length bouffant skirt formed a Chapel train. The skirt and train were bordered with triple rows of small ruffles.

The bride carried an airy bouquet of red silk roses, Christmas holly and gardenas cascading with Stephanotis and ribbon.

Following the ceremony, the bride's parents hosted a reception at Lone Cedar Country Club. In the receiving line were Mr. and Mrs. W.A. Moffett, Mr. and Mrs. Pearce Dressel, Jr., Mr.

and Mrs. Pearce Dressel, Sr. The brides three-tiered cake was cut by Janet and Pearce. The guests were invited to the buffet tables where a light meal was served. The guests danced to the country music of the Roy Claton Band from Denton, Texas.

Mrs. Joe Bob Moore and Mrs. Matt Johnson of Cisco, served at the brides table. Mrs. Milton Coffey of Midwest City, Oklahoma and Mrs. Eldress Gattis of Eastland served at the grooms table.

The grooms parents hosted the rehearsal dinner at "The Sisters" Restaurant in Eastland.

The bride is a graduate of Tarleton State University where she received a B.S. degree in Elementary Education. The groom attended Western Washington University, Billingham, Washington.

Following a trip to Hawaii, the couple will be at home in Breckenridge, Colorado, where the groom owns his business and works at Beave Run Resort.

**PRE-NUPTIAL PARTIES**  
Janet Moffett was honored at a Tea hosted by the ladies of the First Christian Church on November 24, 1985.

A luncheon was hosted for the bride's immediate family Saturday, Nov. 30, 1985 by Dr. and Mrs. Conley Jenkins, in Stephenville, Texas.

A shower honoring Janet was held December 5, 1985 in the home of Mrs. Michael Body of Breckenridge. Other hostesses were Mrs. "Buddy" Johnson and Mrs. Michael Dawkins of Abilene.

A brunch for Janet Moffett and all out of town guests was hosted by Mrs. W.Q. Verner, grandmother of the bride, December 7, 1985 at The Sisters Restaurant.

## Word of Life To Present Bible Films

The Word of Life Church of Eastland is presenting the Genesis Project's New Media Bible films on Sunday and Monday nights, December 8 and 9, at 7 p.m. The screening will be held at the church, corner of Lamar and Valley Streets. This opportunity to view the Bible on film is open to the public, and all are welcome.

Now through the power of the motion picture medium, employing the best talent

and highest quality professional production technique available, the Bible is brought to life in a new way. The birth of Jesus through

his early ministry will be the topics for December 8, followed December 9, with the fulfillment of Christ's mission, his crucifixion, resurrection and ascension. Additional information may be obtained by calling the church at 629-3413.

## Vicki Green and Brian Brockman

Miss Vicki Jo Green of Memphis, Tenn. and Brian Paul Brockman of Amarillo are planning a February 22

wedding. The bride-elect is the daughter of Mr. and Mrs. Donald Lee of Midland and

the late James Ralph Green of Cisco. Her maternal grandparents are Mr. and Mrs. J.C. Poe of Eastland; and her paternal grandparents are Mr. and Mrs. Roy Lee of Midland and the late Mr. and Mrs. Emmitt Green of Cisco.

The prospective bridegroom's parents are Mr. and Mrs. Robert F. Brockman of Amarillo. His maternal grandparents are Mr. and Mrs. Clarence Brockman, and his paternal grandparents are Mr. and Mrs. George Brockman, all of Umbarger, Texas.

Miss Green is a 1977 graduate of Robert E. Lee High School, Midland, and graduated BSN from West Texas State University in 1981. She is currently assistant Director of Nursing in ICU at Le Bonheur Childrens Medical Center in Memphis.

Mr. Brockman is a 1976 graduate of Vegas High School in Vegas, Texas, and he plans to graduate in December, 1985, from Texas Tech University with a degree in Agricultural Economics and Finance.

They plan to be married at 7:30 p.m. Feb. 22, at St. Hyacinth's Catholic Church in Amarillo.
