Receives City Award Turkey Give Away Is Set

RECEIVES AWARD—A Certificate of Award to City Employee Bobby Johnson for 20 years of outstanding service was presented at the regular City Council meeting last Tuesday night. Cisco Mayor Eris Ritchie, left, presented Mr. Johnson with the award "in appreciation of his 20 years in municipal service to the City of

Cisco." Mr. Johnson has worked in almost every phase of city employment, from garbage truck driver, to water superintendent, and now to water meter reader. Mayor Ritchie said Mr. Johnson will be presented a service pin at a later date.

The Retail Trade Committee announces there will be a Turkey Give Away program

Do Not Park In Handicap Zone

Parents of High School students need to be reminded not to park in the space reserved for Handicap Parking. There are students who need to have their parents park in these places for easier pick up and drop off for school.

Lobo Yearbook Will Sell Nov. 26

A one-day sale of the Cisco Lobo yearbook will be conducted on all school campuses on Tuesday, November 26, it was announced today. All sales are to be completed and the entire price to be paid at that time. Cost of the annual this year is to be \$20.00, an increase of \$1.25 over last year's price necessitated by increase in production expenses. By selling on one day only, the school will not be required to charge or pay state sales tax, which will save the school some \$500.

This year the anticipated cost of preparation and publication of the yearbook

during the week of November 18th to 23rd and a Treasure Hunt on December 7th in Cisco.

Each participating merchant listed below will give away a turkey on Saturday, November 23rd. Tickets for the drawing will be available in their respective stores. These merchants are Cisco Lumber, Mundens, Western Auto, Little Shoes, P.J.'s, Kid Country, Interiors Unlimited, Psalms and Songs Bible Book Store, Lemon Tree, Merel Norman,

The Man's Store, Deans Drug, Anderson's Jewelry, Madison's Western Wear, Walton Electric, Carolyn's Florist Philpott Florist, and The Sidelines.

CHS Coaches And Officials

Attend District 11-AA Meeting

Cisco High School coaches and officials attended a District 11-AA meeting in Baird last Wednesday night to work on plans for the coming basketball and track seasons and to elect an all-conference football team for 1985.

The all-conference grid team will be announced after both Eastland and Coleman, the district's top teams that are in the state play-offs, complete their season.

The 1986 track meet for the district will be held in Cisco as the members schools accepted an invitation to return here again.

Attending the meeting from Cisco were Coach Doyle Walker and his football staff, Basketball Coach

The Treasure Hunt will be held from 11:00 a.m. Saturday, until all gifts have been claimed. A list of participating merchants and gifts will be published weekly in later editions.

Brian McCulloch, Supt. Ray Saunders, and Principal Jim Puryear.

WTU And CHS Homemaking Present Ideas

West Texas Utilities and the Cisco High School Homemaking Department will present Christmas Kitchen Crafts and Decorating Ideas.

It will be held Monday, November 25, at 7:00 p.m. in the Cisco High School Auditorium.

There is no admission charge and everyone who attends will receive a free cookbook.

Turkey Walk Is Set November 23

Valuable prizes plus free Turkeys are available to Cisco area residents in a Turkey Walk and Fun Run that will benefit the American Heart Association at City Park at 9 a.m. Saturday, Nov. 23.

All participants who turn in at least \$100 in pledges will receive a free turkey donated by Thrift Mart Super Market and Quickway Grocery.

Prizes will be offered in the competitive Turkey Walk and Fun Run as follows: 1st, ten-speed bicycle donated by Olney Savings; 2nd, \$100 Savings Bond donated by the First National Bank; 3rd, electric ice cream freezer, donated by Austin's Furniture; and, 4th, \$50 Savings Bond donated by E.L. Graham Memorial Hospital Auxiliary.

All participants who turn in \$65 in pledges will receive a Turkey T-Shirt.

Those wishing to compete were asked to contact Mrs. Helen Orr, administrator of E.L. Graham Memorial Hospital, Phone 442-3951.

Press Places Ad Specials For Holidays

With the Christmas season just right around the corner, the Cisco Press has come up with a Christmas special that we think can not be beat. It's called the 3x5 SUPER SANTA SPECIALS and consists of a 3x5 box ad that will run in all five of our newspapers. The ad will run beginning Thursday, November 21, 1985 and continue until Sunday, December 22, 1985, in all 12 issues for one low price.

Now, most of you are wondering what this low price is, right? Before we tell you that let us tell you what it would cost at our regular prices. For a 3x5 ad to run in all five of our newspapers, which are Callahan County Star (Baird), Cisco Press, Eastland Telegram, Ranger Times and The Rising Star, from November 21 until December 22 the price would be \$360.00. BUT - because we want to encourage shoppers to SHOP CISCO FIRST, and because we also want to help the merchants keep their costs down we are offering this very special price. Now, are you ready for that magic number, well here it is...the total cost of our 3x5 SUPER SANTA SPECIALS ad will be \$195.00 for the 12 issues, with a savings of over \$160.00!

Now isn't that news that was worth waiting for?! We think it is and hope you do to.

Our 3x5 SUPER SANTA SPECIALS ad must be used to advertise a specific item

Male monkeys lose the hair on their heads in the same way men do.

CISCO KID CAR WASH

Where Most People Wash. Wash your venetian blinds, throw rugs, motor.

CJC Is Recognized As A Sesquicentennial Assoc.

Cisco Junior College was officially recognized as a Sesquicentennial Association in a ceremony held Friday morning, November 15 at 10 a.m. in the college gymnasium. Lee Storey, Program Officer, Texas 1986 Texas Sesquicentennial Commission from Austin, was the guest speaker.

Mr. Storey presented a certificate to CJC President Henry McCulloch. He also presented an official Texas Sesquicentennial flag to Monte Lewis, Chairman of the CJC Sesquicentennial Committee.

Official Sesquicentennial lapel pins were presented by Mr. Storey to Dr. McCulloch, Monte Lewis, and Cisco Mayor Eris Ritchie.

In his talk, Mr. Storey reviewed Texas history concerning the Alamo and the men who fought and died there. He gave special recognition to Davy Crockett and William Barrett Travis. He said Travis was in charge at the Alamo and died at the age of 26.

He said if the Texans had not defended the Alamo, Mexican General Santa Anna would have been able to

go all the way across Texas without being stopped.

Mr. Lewis introduced guests of the ceremony as Virginia Davis, from Senator Bob Glasgow's office; County Judge Scott Bailey; Cisco Mayor Eris Ritchie; County Sesquicentennial Chairperson Ginger Mangum; Cisco Chamber of Commerce manager; Don Shepard; and CJC's official Sesquicentennial Mascot, C.J. Texadillo, escorted by Candy Asbury, CJC Student Government President.

Dr. McCulloch introduced the CJC Board of Regents as follows: Dick Woolley, president; Brad Kimbrough, vice president; Lloyd McGrew; Charles Preston; W.E. (Bill) Austin; Roy Dennis; Billy Reynolds; Rudolph Schaefer; and J.D. Yardley.

The CJC Wrangler Band played the National Anthem and the State Song, "Texas Our Texas" and the Belles performed to "Deep In The Heart Of Texas." The band also played the college school song to end the program.

In front of the building,

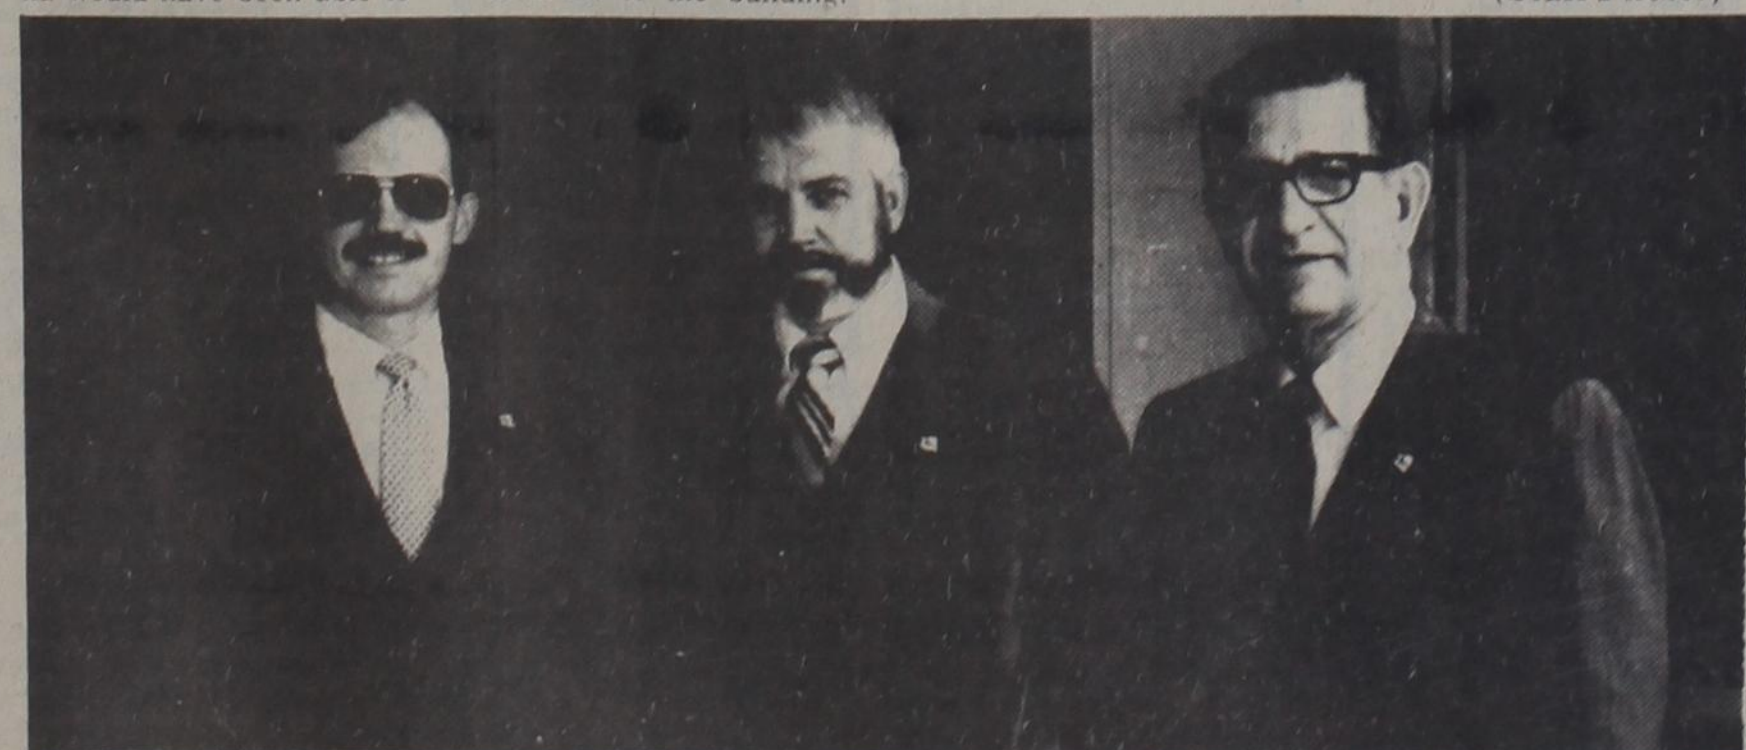

C.J. Texadillo placed the new Sesquicentennial flag on the flag pole along with the Texas and United States

flags already in place. A reception was held in the lobby of Schaefer Hall, following the ceremony.

THREE FLAGS OVER CJC— Cisco Junior College was flying three flags in front of Schaefer Hall Friday morning after the college was officially recognized as a Sesquicentennial Association. The three flags are (top to bottom): United States flag, Texas flag, and Texas Sesquicentennial flag.

(Staff Photo.)

CJC CEREMONY— Lee Storey, program officer, Texas 1986 Sesquicentennial Commission from Austin, (left), was talking with Monte Lewis, chairman, Cisco Junior College Sesquicentennial Committee, (center), and Dr.

Henry McCulloch, president of Cisco Junior College, following the ceremony held Friday morning at CJC.

(Staff Photo.)

RAISING THE FLAG— Cisco Junior College's official Sesquicentennial mascot, C.J. Texadillo, and his assistant, Candy Asbury, are shown raising the Sesquicentennial flag on the pole at Cisco Junior College Friday morning.

CHIMNEY SWEEP 442-4338 p-100

AMERICAN CANCER SOCIETY

One of the nicer dwellings, beautiful inside and out. Have to see to appreciate, close to churches, stores and school. Very roomy, well-kept older house with attractive style in a very good part of town and priced to sell.

Three bedroom, can be four, very good repair, extra ground and on paved street. You cannot believe the low price.

Three bedroom, one bath dwelling, very nice kitchen with built-in oven, cook top stove, new cabinets, gas wall-furnace and can you believe only \$17,000.00.

Very livable roomy dwelling, carpeted on West 9th Street and the price is very, very reasonable.

Another older, stylish dwelling on 9th Street just across street from First Baptist Church.

You will like this two bedroom dwelling on corner, real nice and clean inside and out, paved street and good neighborhood.

Three bedroom, 1 1/2 bath, both garage and carport, good condition and on paved street.

Two bedroom brick, nice and on paved road.

Neat two bedroom frame on Breckenridge Hwy. \$19,500.00. Nice livable dwelling on East 14th Street, very reasonably priced.

Solid frame, five rooms, needs some attention and we need to sell, price negotiable, 307 West 18th Street.

Good frame dwelling sitting on 1/2-acre ground. \$21,500.00. Neat two bedroom stucco, good location.

Small four room house, needs work inside. \$5,000.00. Extra nice place west end of town, 70x140 ft. lot.

Very attractive two story, we will listen to any reasonable offer. Very good commercial property on West Hwy. 80.

Commercial corner in town, West 8th Street.

Large commercial building on the West 100'x362.6', Blk. 117, Sub. 2 and all of Blk. 117, Sub. 3. This is on East 16th Street.

Lots of various other properties.

Assembly Of God Sets Family Crusade

The Cisco Assembly of God Church, 7th and Ave. G, will have a Family Crusade every night except Saturday evening beginning Sunday, November 10, thru Sunday, November 17. The services will begin nightly at 7:00 p.m.

Evangelist Jennie L. Powell will be the guest speaker. She uses black light, chalk drawing, puppets, and gospel magic to present a Christ-centered ministry for the whole family.

Everyone is invited to attend. For more information or to obtain a ride call 442-1561.

Rummage And Bake Sale Set

The Catholic Women's Society of Holy Rosary Church in Cisco will sponsor a rummage and bake sale Nov. 22 and 23, featuring homemade flour tortillas and other goodies suitable for holiday tables.

Maria Duncan, society president promised bargain hunters would find not only a

varied selection of toys, appliances and furniture, but would find them at great prices. "We intend to sell as many items as we can, so we will be ready to bargain," she said.

The rummage and bake sale is the group's fall fund raising project. The Women's Society provides money for maintenance of the church as well as special expenses. It helps support the young people's Christian Education program.

Mrs. Duncan said hosts and hostesses looking for just the right pastry or dessert to complete their Thanksgiving tables will have a delicious variety of sweets to choose from. "Of course, the flour tortillas always sell the fastest, especially since they're home made," she said.

Other rummage sale items include baby clothing, furniture, and accessories, a stereo, barbecue grill, and toys. "People can probably find several items to help complete their Christmas shopping list," Mrs. Duncan said.

The sale will begin at 9 a.m. Friday, the 22nd, and continue through the day. Saturday's hours will be from 9 a.m. to noon. The church hall is located next to the church at 1106 Ave. F

Commodities Are Set Here

The Food Commodities will be distributed in Cisco on Tuesday, Nov. 19, at the Gaslight Apts. Lobby, 8th and Conrad Hilton Ave. The time will be 8 a.m. to 12 noon.

Senior Citizens Nutrition Menu

There has been a campaign to use less and less salt on our food. Many people have found that seasoning during the cooking process is far more acceptable than pouring it on at the table.

So many have been looking forward to the new sodium content labels that were scheduled to appear on some food products in July.

Well, don't look for it now! The Food and Drug Administration has delayed for another year the mandatory sodium labeling for food packaging that carry nutritional information. The reason for the extension is because 66 companies had stockpiles of old labels that would have been costly to replace - a cost that might have been passed on to the consumer.

The following programs were presented during the past week: The band and choir accompanied by Billie Wood and Gerald Parks entertained. A musical program was presented by Bob Bevers, and Vida Killion and Lois Holder presented the dinner music. The band participated in a program in Abilene at the Rose Park Senior Center, and entertained at the nursing homes in Eastland and Ranger.

The menus for the coming week will be:

Monday - Chili with beans, potato salad, cole slaw, sliced onions, jello with topping, cornbread, butter, and milk.

Wednesday - Oven fried chicken, baked beans in tomato sauce, potato salad, carrot cabbage slaw, cookies, bread, butter, and drink.

Thursday - Beef stew, vegetable salad with cheddar cheese, cream banana pudding with cookie, cornbread, butter, and milk.

Friday - Cheese ham rice casserole, green peas, celery carrot pineapple raisin salad, chocolate pudding, bread, butter, and milk.

Thursday - Beef stew, vegetable salad with cheddar cheese, cream banana pudding with cookie, cornbread, butter, and milk.

Friday - Cheese ham rice casserole, green peas, celery carrot pineapple raisin salad, chocolate pudding, bread, butter, and milk.

Each and everyone of you has left a lasting impression that will abide in our hearts forever. Perhaps someday each and everyone of us will be able to be the giver instead of the receiver.

May God Bless and Keep Everyone.

Sincerely,
All the Employees of
Canterbury Villa

Legal Notices

Cisco Independent School District will accept bids on a 1970 48-passenger Chevrolet bus-- needs motor and transmission. The bus may be seen at Lee's Truck Service on East 23rd Street, Cisco, Texas. Bids will be accepted until December 2, 1985, at 4:00 p.m. Please send bids to C.R. Saunders, Superintendent, Cisco ISD, P.O. Box 1645, Cisco, Texas 76437. CISD reserves the right to reject any or all bids. 11-17-85

Dear People,
On behalf of the employees of "Canterbury Villa" (Cisco Care Center), we would like to say that words could never describe our appreciation and our deep felt thanks for your most generous response to our desperate needs.

Your sweet compassion has warmed our hearts and you have certainly proved to be some of the best people that ever lived. Our situation is still not over, and I've just recently found out that part of the checks T.R. Jewell, Co. sent for the first part of October were hot. Several employee's have been unable to cash them.

Sybil Boyd, our director of nursing has offered her deep freezer for those that would like to donate turkeys for Thanksgiving and Christmas.

If anyone would like to donate Christmas trees and decorations they may be brought to my back yard patio at 1100 Front Street.

Some of us have special needs for blankets. Your love and generosity has given us faith that we will see it through.

A very special thanks to all of the churches for their love and support to the Ministers Association of Cisco, to the utilities and to all the rest of the people who are too numerous to name individually.

Each and everyone of you has left a lasting impression that will abide in our hearts forever. Perhaps someday each and everyone of us will be able to be the giver instead of the receiver.

May God Bless and Keep Everyone.

Sincerely,
All the Employees of
Canterbury Villa
Ruby Luna

County Dispatch Will Keep Their Own Control

Board members of the Eastland County Cooperative Dispatch voted to keep themselves in control of the dispatch during a meeting Wednesday afternoon. Board members took this action after a subcommittee submitted a suggestion that Eastland County Sheriff Don Underwood be allowed to serve as manager over the entire dispatch.

Bob Mercer, dispatch supervisor told the board that federal guidelines had been issued by the National Criminal Identification Center (NCIC), stating that a Criminal Justice Agency be in charge of the telecommunications. The telecommunications is the system that is used by the dispatch center to request and receive vital information from Austin such as warrants, arrests, previous criminal history and etc.

Mr. Mercer also stated that the problem arose when he requested connection with Austin for a new teletype machine. He stated that Austin asked who would be in charge of the system since they do require someone of a Criminal Justice Agency to be in charge and responsible for the system.

Eastland City Manager Roy Underwood informed the board that the reason for this issue was due to the fact that Eastland Police Chief Lyndall Underwood had traveled to Austin and removed his name from the documents requiring a Criminal Justice Agency's name. Thus leaving no one responsible for the telecommunications with Austin.

A subcommittee then proceeded to draw up the following changes to the charter of the Eastland County Cooperative Dispatch...

1. Paragraph 2 changed to read as follows:

2. MANAGEMENT CONTROL

A. The Eastland County Cooperative Dispatch will be under the management control of the Sheriff of Eastland County in accordance with the NCIC policy the Sheriff will set and enforce (1) Priorities; (2) Standards for the selection, supervision, and termination of person-

nel; (3) Policy governing the operations of computers, circuits and telecommunications terminals used to process criminal history record information insofar as the equipment is used to process, store, or transmit criminal history record information.

B. A Executive Board comprised of one representative from each city-county government. The Executive Board will be responsible for the approving of an annual budget, and the receipts and disbursements of the dispatch.

C. A Enforcement Board comprised of one representative from each law enforcement agency. The Enforcement Board will act in an advisory capacity to the Sheriff in the operation of, and related security of the dispatch.

D. A Communication Supervisor will be responsible to the Sheriff and the Executive Board for the day to day operation of the Dispatch. The communications supervisor will oversee the Dispatch operation

The board voted to meet again Wednesday, November 20 at 1:30 p.m. to learn if this new change by the board will meet standards set by Austin.

Mary Martha Sunday School Class Meets

Mary Martha Sunday School Class of East Cisco Baptist Church met Tuesday night November 12th, in the home of Viola Abbott for their regular social and business meeting.

Veneta Mitchell expressed the prayer of Thanks before the group ate a delicious salad supper, pumpkin pie, tea and coffee.

Class President Florene Hagan presided over the business meeting which was opened with the group repeating the class watch word "God is our refuge and strength, a very present help in trouble." Teacher, Lucy Hagan led in prayer. Secretary and Treasurer Mildred Foster read the

minutes from last meeting and gave the treasurer report. The group discussed what the class would like to do for their Christmas project. Louise Pryor gave the devotional, using the Thanksgiving theme "Thank God For Life", Psalm 197 and read two short poems. The business meeting was dismissed with prayer by Viola Abbott.

A fun time and games was enjoyed by all, led by Mildred Foster and Florene Hagan. Those present were Lucy Hagan, Ruth Carey, Mildred Foster, Louise Pryor, Florene Hagan and visitors Leota Hughes and Veneta Mitchell and hostess Viola Abbott.

4-h Leaders To Meet Nov. 19

4-H Adult Leaders will have a meeting Tuesday, Nov. 19, at 7 p.m. in the Eastland National Bank conference room.

This meeting concerns the loosing of our county home economics agent. Extension supervisors Ron Wooley and Glenda Timble of Stephenville will attend the meeting to answer questions and help decide what can be done about the situation.

The public is invited and urged to attend.

4-H Will Sponsor Open Horse Show

Today

Today, Sunday, November 17, at 1 p.m. at the Eastland County Livestock Showgrounds in Eastland, the Eastland County 4-H will sponsor an open Horse Show. The horse show is open to everyone and will have 4 age divisions: 8 and under, 9-13, 14-18, and 19 and over. There will be a small entry fee and awards will be given. The classes will include: 1 showmanship at halter, 2. western pleasure, 3. Western horsemanship, 4. Western Riding, 5. Reining, 6. Barrel Racing, 7. Pole Bending, 8. Stakes Race, 9. Flag Race.

Mr. Scott Jackson from Stephenville will be the judge for today's show. This is the first of a 4 month series. Points will be kept and at the end of the series high point awards will be given. The horse show is open to the public and everyone is invited to attend.

The Great American Smokeout

The Great American Smokeout is aimed at all smokers, but this year, because of a grim "first" expected to occur in 1985, women are a special focus of the event. According to the latest annual estimates announced by the American Cancer Society, lung cancer is expected to overtake breast cancer as the leading cancer killer of women for the first time in U.S. history.

The Smokeout is Thursday, November 21, the ninth year as a national event. National Smokeout Chairman, Larry Hagman, who is serving his fifth consecutive term as the event's leader, urges everyone to make a particular effort this year to teach women who smoke - from the very young to the very old. "We've got to put a stop to this unnecessary waste of lives," says Hagman.

The American Cancer Society estimates that between 1950 and 1982, the lung cancer death rate rose 373 percent for white women and 335 percent for non-white women. If lung cancer statistics are excluded, death rates for all other cancers fell 16 percent for white women and 14 percent for non-white women. In 1985 alone, 38,600 will die of lung cancer, whereas breast cancer will kill 38,400. And lung cancer is a largely preventable disease. The Society estimates that 83 percent OF THE DEATHS FROM LUNG CANCER COULD BE AVOIDED IF INDIVIDUALS NEVER TOOK UP SMOKING.

The American Cancer Society explains the rising number of women affected

by lung cancer as a direct reflection of the increasing number of women who took up smoking during the years since World War II.

Individuals wishing to receive a "SMOKEOUT SURVIVAL KIT" are asked to call Becky Biggs at 643-2814 after 5:30 p.m., or Colleen Green at 629-2934.

So, you think that because you don't smoke tobacco that the American Cancer Society's Great American Smokeout, on Thursday, Nov. 21, isn't for you?

Well, according to the American Cancer Society, the Smokeout is for all tobacco users, and that includes you "smokeless" users who dip or chew. November 21

can be a day to kick every tobacco habit for 24 hours.

In recent years, the use of smokeless tobacco has risen dramatically in this country. Once restricted to a relatively small percentage of the U.S. population, smokeless tobacco is now used by about 22 million Americans, estimates the National Centers for Disease Control in Atlanta.

Promotion of smokeless tobacco is also on the increase. Ads for chewing and dipping smokeless tobacco products are on television and in magazines and feature popular sports figures. Athletic events are sponsored by tobacco companies to promote their smokeless products. Free

samples of snuff and chewing tobacco are distributed by attractive young people to help potential users get started. In 1983, average retail sales were \$500 million.

The implication of these promotions is that smokeless tobacco is harmless. But who needs discolored teeth, bad breath and decreased senses of smell and taste? And more importantly, says the Society, like other tobacco products, smokeless tobacco is habit-forming and hazardous to your health.

Smokeless products do not carry the warnings on packages and ads that cigarettes do. Earlier this year, the Federal Trade Commission asked the U.S. Surgeon General to do a full-scale review of the possible health effects of the smokeless tobacco products. In at least three states - Massachusetts, New York and Utah - law requiring health warning labels on smokeless tobacco products are being considered.

If you are a smoker or a dipper, the Smokeout is for you. The American Cancer Society wants you to be aware of the dangers of smokeless tobacco, and by joint fellow tobacco users during the Great American Smokeout, perhaps find it easier and more fun to give up a bad habit. Smokeout's Adopt-a-Smoker program can include dippers and chewers, to!

Engagement

Mr. and Mrs. Ronnie Joe Cagle of Carbon, would like to announce the engagement and approaching marriage of their daughter, Darla, to Jack Lowrance, son of Mr. and Mrs. Jerry Lowrance of Eastland.

The bride-elect is a graduate of Eastland High School.

The future bridegroom is a graduate of Eastland High School and currently attending Cisco Junior College.

The couple are planning a

January 11, 1986 wedding at 2 p.m. in the Harmony Baptist Church in Morton Valley.

CRAZY PATCHWORK

What's so-o-o CRAZY about Crazy Patchwork?

- You can use ANY piece of fabric on it—silks (men's ties are great), velvets, brocades, taffetas and moires—even polyester knits!
- Your patches can be ANY shape, ANY color, ANY texture—they overlap and go any-which-way!
- You can use ANY stitch to sew them together and hide the seams—from the fast feather stitch to fancy flower sprays (there are hundreds of possibilities)!
- You can embroider on ANY personal message!

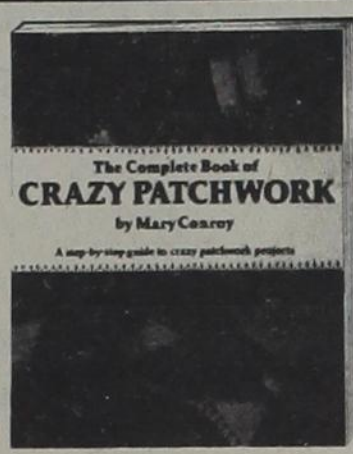

The real joy of this lively art is the freedom with which you can get spectacular results! This practically foolproof instruction book shows you how to make dozens of projects such as vests (the Black Velvet winter vest is SUMPTUOUS!), evening dresses, evening bags, jackets, dressing gowns, a baby quilt and pillow (that will keep any baby entertained!), two wondrous Christmas wreaths and a Christmas stocking, an entire bathroom ensemble, and more! Step-by-step directions, diagrams and beautiful full-color photos show how to lay out the patches, quilt them and adorn them like MAD with dozens of stitches—all shown in BIG, CLEAR diagrams (use them, combine them or invent your own!) Conroy makes suggestions, and offers inspiring ideas and tips.

Do it by hand or by machine. All the techniques are set out for you. It's easy, it's fast, it's creative.

BONUS: The Crazy Patchwork's Designers' Notebook with ornamental patterns you can shape your patches to—or appliqué on. 110 pages, 8 1/2 x 11, hundreds of photographs (8 pages in full color) and diagrams, index.

TO ORDER: Send your name, address, zip code and \$9.95 plus \$1.25 postage and handling to American Melody, 123 South Street, Oyster Bay, NY 11771. NY residents add appropriate sales tax. Please print clearly.

SAVE! Order two for \$19.00 plus \$1.90 postage and handling.

Obituaries

ANNA McEVER

RANGER-Anna McEver, 84, of Ranger, a former business teacher, died Wednesday at Ranger General Hospital.

Services will be at 2:30 p.m. Sunday at Edwards Funeral Home in Ranger.

The Rev. Bill Chambers, pastor of the First Baptist Church in Ranger, will officiate, assisted by Rev. Jerry Speer, pastor of the Eastside Baptist Church in Ranger.

Burial will be at Mt. Marion Cemetery in Strawn.

Born Aug. 14, 1901, in Lakota, she was a member of the First Baptist Church. She was a graduate of Ranger Junior College, North Texas State University and Hardin-Simmons University.

A business teacher at Ranger High School for 13 years, she had taught business at Ranger Junior College for 7 years.

She was a member of the Order of the Eastern Star, the Royal Neighbors of America, Delta Kappa Gamma and the 1920 Club.

Survivors include a sister, Mrs. Rose Deffebach of Harlingen.

BILLIE JEAN REED

Billie Jean Reed, 59, died November 10 in Odessa after an illness.

Services were November 12, at Mountain Top Pen-

taconal Church, with Rev. Johnny Jones and Rev. Jasper Masseege officiating. Burial was at the Long Branch Cemetery.

Born Billie Jean Bush, February 16, 1926, in Ranger, she married Hoyle Reed, who survives her. Also two daughters, Mrs. Dwain (Carolyn) Brown of Odessa and Mrs. Ron (Jean) Hardman of Mount Pleasant, Texas.

Four brothers, Durwood Bush of Phillip, Texas; J.M. Bush of San Juan, Porto Rico; T.L. Bush of Fort Worth and Ronald Bush of Fritch, Texas.

Five sisters, Jessie Lee Rollins, Lois Drienhofer and Audrey Rose all of Ranger; Bernice Walthall of Ponca City, Okla. and Joyce Stroope of Odessa.

Five grandsons, one granddaughter and four great-grandchildren also survive.

Memorials may be sent to the American Cancer Society.

Verlee R. Dover

Verlee Robertson Dover, 81, of 3225 S. 13th, died Saturday at her home. Services were held Thursday, 10:00 a.m. at Elliott-Hamil Funeral Home Chapel at 542 Hickory, Abilene. Graveside services were held Thursday.

Born Aug. 27, 1904, in Carbon, she married Devoe Dover June 19, 1927, in Carbon. She attended Tarleton State University in Stephenville, where she served as postmaster. She moved to Abilene from Stephenville in 1978. She was a member of Aldersgate United Methodist Church, where she was a member of the Mary Martha Sunday School Class. She was a member of the Rose Park Senior Citizens.

Survivors include two daughters, Mrs. Milton (Doris) Brown and Mrs. Floyd (Glenna) Geer, both of Abilene; a son, Aaron Dover of Aledo; two sisters, Mrs. Gladys Herring of Merkel and Mrs. Oleta Leamon of Abilene; two brothers, Truman E. Robertson of Breckenridge and B.W. Robertson of Eastland; six grandchildren; and six great-grandchildren.

DELLA MCCARROL

CISCO- Della McCarroll, 90, died at 2:40 a.m. Friday, November 15, 1985, after a short illness.

Funeral services were

held at 2:30 p.m. Saturday, November 16, 1985, at the First Christian Church in Cisco. Rev. Kenneth Breeze, pastor, officiated.

Burial was in Oakwood Cemetery directed by Cisco Funeral Home.

She was born Della Ford, December 24, 1894, in De Leon. She married W.L. McCarroll in Jan. 1930. He preceeded her in death. She was a member of the First Christian Church and the Eastern Star.

Survivors include three sisters, Oga Fay Parker, Azle Henderson and Nona Stevens, all of Cisco.

Sheriff's Department Will

Continue Investigation

The Eastland County Sheriffs Department is continuing its investigation of the burglary of a home near Gorman. The David Gutherie's discovered the break in Tuesday, November 12 after returning

home from work.

Gutherie said entry was gained by a broken window.

Nine guns, hand guns and rifles, some money and jewelry including a DeLeon class ring was taken.

Nominations Open For WTCC Cultural Achievement Awards

Nominations are now open for the coveted West Texas Chamber of Commerce Cultural Achievement Awards for the 1985-1986 year, according to WTCC Cultural Affairs Chairman Lloyd Incent, San Angelo.

Each year, the WTCC honors individuals and organizations for outstanding contributions to West Texas culture. Past recipients of the award have included artists, musicians, authors, craftsmen, cartoonists, corporations, and others who have made outstanding contributions to the culture of West Texas.

Nominations and materials supporting the nominations, such as news clips, brochures, letters of recommendation, programs and other written information, should be sent to Cultural Affairs staff representative Terri Young, West Texas Chamber of Commerce, P.O. Box 1561, Abilene, TX, 79604, no later than December 15, 1985. Material may not include video tapes, slides, records, tapes, or anything that requires mechanical assistance.

Nominees must reside in

the 132-county area served by the West Texas Chamber of Commerce and be able to attend the presentation. The presentation honoring 1985-1986 recipients will be held in conjunction with the WTCC's Annual Convention in Amarillo, April 23-25, 1986.

Supportive materials (letters, clippings, etc.) should be as complete as possible and well organized in an attractive display. Final selection can be based on materials provided.

For additional information contact Terri Young at 916/677-4325.

\$200,000 Assessment Levied Against G.E. Railcar Corp.

A \$200,000 assessment in civil penalties and investigative costs has been levied by the 91st State District Court in Eastland County against Quality Services Railcar Repair Corporation and General Electric Railcar Services Corporation of Ranger.

This action was the result of a matter referred to the Texas Attorney General by the predecessor agency to the Texas Water Commission (TWC).

In the final judgement agreed to by all parties, the court assessed a civil penalty of \$195,000 and an additional \$5,000 reimbursement to the State of Texas for investigative costs relating to violations by the companies of the Texas Solid Waste Disposal Act. The violations occurred at the railcar cleaning and repair facility located in Ranger.

Prior to this final judgement, the companies and the staff of the TWC and the Attorney General's Office came to an agreement on the terms included in the directive from the court. As ordered, the companies are currently conducting a groundwater assessment through the use of monitor wells and soil borings. These steps should determine the extent and concentration of potential contamination from the surface impoundments which were in violation of certain provisions of State law.

A closure plan for the impoundments has been sub-

mitted to the TWC and officials report that Quality Services and General Electric are presently acting in good faith to meet the terms of the agreement. Checks for the amounts levied by the court were received by the State of Texas during the first week of November.

CJC To Host 2 Major Events In Month Of November

The Cisco Junior College Wrangler Belles will be busy hosting two major events on the campus November 23 and 24. The 3rd Annual Big Country Drill Team Competition is set to begin at 10:00 a.m. on Saturday, November 23 and the fall auditions for Wrangler Belles is scheduled for 2:00 on Sunday afternoon November 24.

The drill team competition is open to high school drill teams, officer lines and soloists from within the participating teams. The three categories of competition are dance, kick and prop routines. Teams receiving a first place rating in all three categories qualify for sweepstakes trophies. Some of the special awards given at the conclusion of the com-

petition include "Best Team in the Big Country", "Miss Drill Team of the Big Country", and "Best Officer Line". The public is invited to what is sure to be an afternoon full of entertainment. Admission is \$1.00 at the door.

High school girls who are interested in becoming Wrangler Belles can demonstrate their skills at the first open audition of the year, Sunday, November 24. Dance steps and combinations are taught to those auditioning and a decision for accepting girl's ability to learn and show the potential of performing up to expected standards as well as her attitude and over-all appearance. All auditioning is done in groups and no solo performances are expected.

Scholarships are given to all girls accepted into Wrangler Belles. For more information contact Nicki Harle at Cisco Junior College, (817) 442-2567.

Camp Inspiration

To Host Stew Supper Nov. 21

A stew supper will be held Thursday, Nov. 21, at Camp Inspiration Church of God. Serving will begin at 5 p.m., and will continue until 8 p.m. or until the stew runs out.

Tickets are \$2.50 each and are available from any church member. The menu will consist of stew, corn bread, crackers, tea, coffee and dessert.

A Symbol of Personal Responsibility

The best known symbol of Freemasonry... the nation's oldest and largest charitable fraternity... the "Square and Compasses."

The 3 1/2 million Masons in the United States use the tools of the medieval stonemasons, the builders of the great Gothic Cathedrals. They are reminders of a Mason's duty to live by the highest moral standards, to practice brotherly love, and to affirm loyalty to his country.

Masons believe that the quality of a man's life should reflect his faith in God and his ethical ideals. Although Masons do not solicit members, men of good character may ask to become members.

Gaeta Reports On MSRTS Program

Margaret Gaeta is one of the special-program people functioning in Siebert's classrooms. She has prepared the following in-depth explanation of her work.

Description - The Migrant Program is nationwide and provides supplemental educational services for more than 750,000 eligible children who have moved across state or school district lines with a parent who is seeking temporary or seasonal work in agricultural, fishing, or related work, including food processing, harvesting, and cultivation of trees. Migrant workers follow the growing seasons across the country.

The eligibility of the child depends on the parents move. Was the move for agricultural purpose? If so the child can qualify. A home visit must be made so that the parent can sign an eligibility form and also giving permission to work with his/her child during school hours.

Characteristics - The characteristics of migrant children may vary from the very gifted to low over-all achievement and frustration. These children represent many ethnic groups. Their education is constantly interrupted when their parents move from job to job. They have little knowledge and preparation for other kinds of jobs. These children usually become part of the migrant force.

Establishment - The Program was established to meet the special needs of migrant children by Congress in 1966. The U.S.

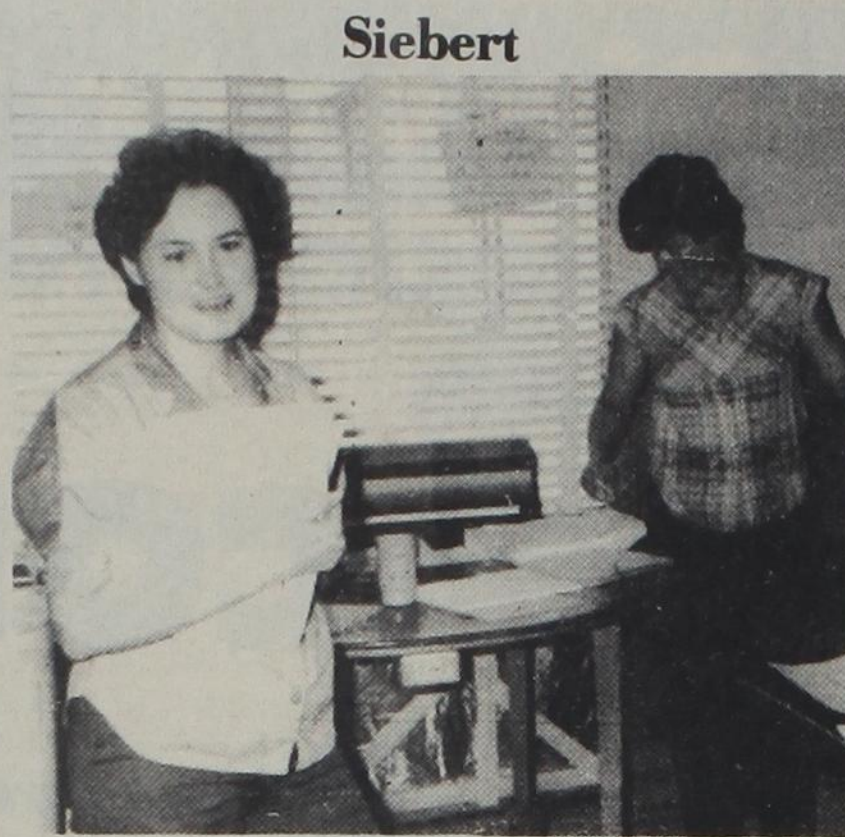

Department of Ed. allocates funds to the states based on each state's identified migrant student population. Each state department of education determines the best ways to deliver services for eligible migrant children from pre-school - twelfth grade.

Student records - As migrant children move there are records kept and updated by migrant personnel, one such record is called the MSRTS (Migrant Student Record Transfer System). After the certificate of eligibility has been signed by the parents, it is sent to the terminal site, which is at the Ed. Service Center, Rg. 14 in Abilene. There the data entry specialists enter the information on a terminal which sends it electronically to the computer in Little Rock, Ark. If a child has not been enrolled, the computer creates new records for the child. If the child has been enrolled in the past, the new information is added to the child's records. The child's records are then sent immediately from Little Rock to local staff in the enrolling school. I'm the local staff here so I get the records. It takes about 8-10 days for me to receive the students records. The MSRTS contents include the parental information, personal history, schools attended, high school credits, basic health information, and skills the student was studying at the time of withdrawal from his or her last school.

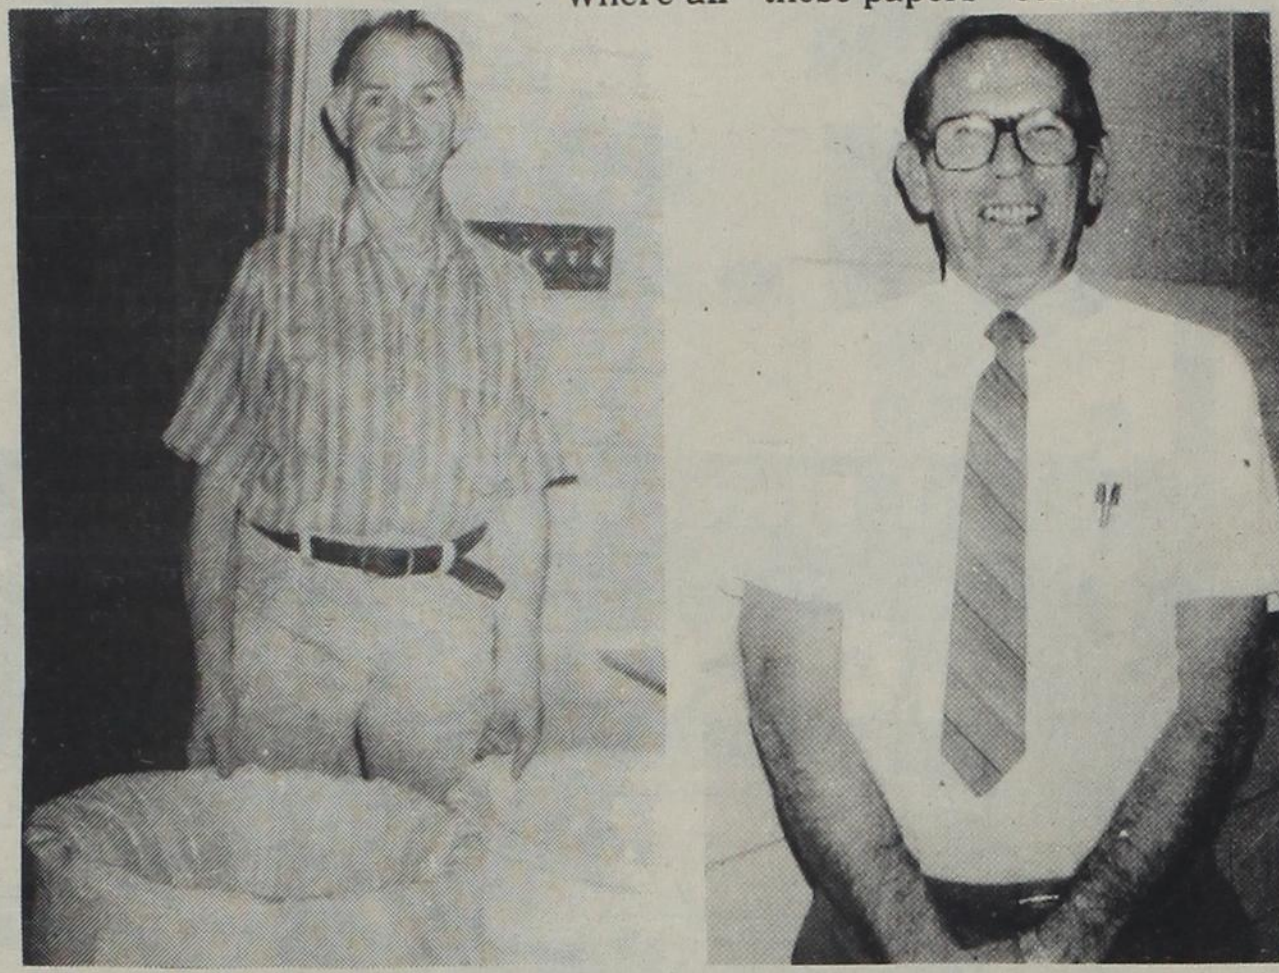

Skills are reported for the areas in reading, math, early childhood and oral

language. Mrs. Hill and I were monitored by TEA in April and my MSRTS on my students were evaluated very closely, because they are used by federal, state and local officials.

Pruitt checks up.

Kindergarten - Beginning of a long trek.

Siebert

Cisco Intermediate Guest Teacher

Monte Lewis, history professor at Cisco Junior College, was guest speaker in Mrs. Johnson's third grade recently.

The youngsters are studying about the Pilgrims and the Indians in recognition of the approaching Thanksgiving holiday.

Mr. Lewis talked about the Indians that once lived around Cisco. They were the Wichitas and the Tawakonis.

Going To The Dogs?

Has Siebert Elementary gone to the dogs? No, not at all, they just had a special visit from one Tuesday, November 5.

Telly, along with his owner, Martha Tomme from Waco, gave the school a thorough going over with his nose.

Telly visited each individual classroom checking lockers and cabinets, making many new friends along the way.

Kindergarten children were given a special treat of seeing him do several tricks.

Telly never alerted during his visit, but he did show the students, first hand, a new method of detecting drugs.

Hill Explains Ch. 1 Reading Aid

The report JoAnn Hill, Siebert's Chapter I reading teacher, made to the PTO in October follows:

"I would like to say, on behalf of all the teachers here at Siebert Elem., not just myself, that our highest priority is YOUR CHILD.

1) We want your child to be a success

2) because we believe that all children can succeed.

"The federal government is funding a program called Chapter I that is designed to give a student additional help in reading to remedy his weaknesses. This program is available to all school districts. We try to identify each child's need or problem and there provide the help they need to correct it. This extra help is offered to all six grades.

"For a child to get behind in reading can be discouraging to him. Why does a child get behind in reading? That's a big question with a lot of answers.

1) First of all we all realize that some of our children just learn easier than others.

2) Maybe a child has moved from another school or even from another state. The school s/he left had not covered as much material or s/he were in a different reading program.

3) Sickness can cause children to get behind. Everyday they are learning something new so you can see how important it is for them to be at school everyday.

"To qualify for the Ch. I program a child would be reading one year below grade level. Ch. I is by no

means a complete reading program. It is only to provide extra help. I guess we could call it, "giving a double dose."

"Working with the regular classroom teacher is very important. At the beginning of school each year each student is given a reading test on different reading levels. The test consists of 3 parts. (1) silent reading; (2) oral reading; (3) word recognition. This is done in a one to one situation, so if the child is having a problem we know it.

"Through the school year, if a student enrolls, and the classroom teachers notices a reading problem, the child is given a reading placement test to see what is the level of reading.

"Through experience, we have decided first and second graders who require extra help achieve better when they stay in their regular classrooms.

For grades three and up, greater gains are made in a "pull-out" arrangement. This means they come to the Ch. I Reading room for their "double dose". This has to be arranged during the time the regular classroom teacher is having some type of extra reading activity because they cannot miss out on another subject. So you can see how important it is for the Ch. I teacher and the classroom teachers to work together.

"Just stop and think a minute. Haven't you heard your parents say, "I never had the advantages you did starting out in life". Who knows, if we had been offered all of these extras when we were in school we might have all become Einsteins!"

Wedding Announcement

Pamela Alicia Morren and Stephen Dwayne Rice were united in marriage on Saturday, October 12, 1985 at seven o'clock in the evening. The double ring, candlelight ceremony was held at The First United Methodist Church in Eastland, with Rev. Richard Watson, pastor of New Hope Baptist Church, officiating the ceremony.

Pamela is the daughter of Mr. and Mrs. Johnnie W. Morren of Eastland. Stephen is the son of Mr. and Mrs. Robert C. Rice of DeLeon and the grandson of Mrs. J.R. Rice and Mrs. A.L. McCrary, both of DeLeon.

The ceremony was performed among a setting of two pink gladioli arrangements. Two spiral candelabras and one half moon candelabra, each containing fifteen candles and trimmed with greenery, dusty pink and burgundy silk roses, and burgundy bows, were arranged in the choir loft. Votive candles were lined along the altar and in each window. Pew candelabras with pink bows were staggered down the aisle.

Given in marriage by her parents and escorted by her father, the bride wore a designer gown of ivory satin featuring a high Venice lace collar with a Schiffler embroidered yoke adorned with satin rose motifs. The fitted bodice was enhanced with Venice lace medallions and pearls and long Victorian shadow sleeves of English net, satin, Venice lace and pearl buttons. The full ballroom satin skirt and semi-cathedral train flowed from a basque waistline and was encircled with Silk Venice lace. Her matching hat was trimmed with Venice lace and pearls and featured a floor length veil of ivory illusion.

For something old, the bride wore a diamond ring, originally belonging to her mother, that was given to her on her 21st birthday. For something new, she wore diamond earrings, a gift from the groom. Something borrowed was a pearl necklace and earrings belonging to the bride's mother. Something blue was her garter. In her shoe, she carried pennies minted in the birth date years of the

bride and groom.

The groom wore an ivory Dynasty Collection tuxedo with a dusty pink tie and matching cummerbund. He wore a boutonniere of two dusty pink silk roses with baby's breath.

Ms. Dawn Underhill of Eastland was the bride's maid of honor. She wore a cherry wine taffeta dress with bouffant sleeves and a full, tea-length skirt, featuring a fitted bodice and sweetheart neckline. Mrs. Susan Grosz of Austin was her matron of honor. Bridesmaids were Ms. Denise Bartels of Austin and Ms. Connie Gasaway of Dublin. Each wore an antique rose taffeta dress designed the same as the maid of honor. They each carried an ivory, pink and burgundy ribbons.

Mr. Tim Hare of Arlington was the groom's best man. Groomsmen were Mr. Michael Rice of DeLeon, brother of the groom, Mr. John Buckley of Desdemona, and Mr. Roger Winkles of DeLeon. Each wore a black Dynasty Collection tuxedo with a dusty pink tie and matching cummerbund with boutonnieres of fresh dusty pink carnations.

The mother of the bride chose a floor length dress of plum chiffon with a lace bodice and featured a shoulder sash of chiffon. She wore a corsage of white silk roses with pink ribbons. The groom's mother chose a floor length dress of pink taffeta with a lace bodice overlay and wore a corsage

of burgundy silk roses with ivory ribbons.

Ushers were Mr. Tom Morren, brother of the bride, Robert Morren and David Morren, nephews of the bride, all of Eastland. Robert and David also served as candlelighters along with Jeffrey Morren, nephew of the bride. Each wore a tuxedo matching the groomsmen.

Attending the register's table was Mrs. Jeanette Morren of Eastland, sister-in-law of the bride. Before the ceremony, Mr. Durel Reid of Eastland played a variety of traditional wedding music on the pipe organ. After the mothers were escorted in, Robert and David Morren lighted the two spiral candelabras and half moon candelabra. Jeffrey Morren then entered and lighted the two candles on each of the unity candle.

Nan Baird and Grant Goodman, both of Stephenville, sang "The Wedding Song" as Rusty Freed of Stephenville, accompanied on the piano. The "Bridal Chorus" was played on the organ as the wedding party entered the church.

After the bride was given away, "Endless Love" was sung by Nan and Grant with piano accompaniment. The bride and groom then exchanged wedding vows and rings. As they lighted their united candle Nan and Grant sang "To Me". The unity candle was made with their wedding invitation inside of

it. The "Wedding March" was played on the organ as the wedding party left the church. The reception was held in the fellowship hall of the church immediately following the ceremony.

The bride's wedding cake was three tiers with white icing and burgundy roses. Two smaller cakes were on each of the three tiered cake connected with a staircase which had figurines of the wedding party. A fountain of burgundy water was underneath the cake. The groom's cake was chocolate with bride and groom figurines and the wording "Too Late Now, Stephen". The tables were decorated with pink and cherry wine tablecloths with matching bows. The bridal bouquet served as the centerpiece for the bride's table.

Catering the reception was Mrs. Joyce Eaves of Kokomo. Serving the bride's table were Mrs. Tammy Collins of Carbon, and Mrs. Kim Lawson of Graham. Serving the groom's table were Ms. Diane Fox and Ms. Carolyn Wooten, both of Stephenville.

For going away, the bride wore a striped skirt with matching blazer and purple sweater. The groom wore a brown corduroy sports coat with brown shirt and jeans.

The couple spent their honeymoon in San Antonio. Upon return, they will reside in Stephenville.

The groom's family hosted the rehearsal dinner in the church fellowship hall on Friday, October 11. The dinner was catered by Oscar's BBQ of Cisco and fried fruit pies and cake were made by Joyce Eaves.

Gorman Senior Class To Sponsor Turkey Shoot

Sunday,

November 17, 1985

Commissioners Present Contract For Rural Firefighting Liability

The Eastland County Commissioners held several meetings on Tuesday, Nov. 12 in the Commissioners Courtroom. An Executive Session began at 9 a.m. and ended around 10:30 a.m. It dealt with personnel matters, the acquiring or disposing of real estate, and considering of a litigation against the county. The courtroom was then opened to the public.

Commissioners present for the meetings were Richard Robinson, Pct. 1, L.T. Owen, Pct. 3, and C.B. Dill, Pct. 4. County Judge Scott Bailey presided over the meetings, and Mrs. Jack Blackwell sat in as an observer on the public sessions. Jack Blackwell, Comm. of Precinct 2, was absent due to illness.

The first item in the open meeting was for County Tax Collector Nancy Trout to have an audit of her office Smith, Verette and Parker at a cost of \$1500. Mrs. Trout had requested that at the last Commissioner's meeting. The auditing firm will also help set up a new security system for the office.

F.W. Rogers then appeared in court in regards to a road lying between his property south of I-20 at Olden and the Hunter property.

The road was apparently abandoned by the county more than 20 years ago, but oil companies were reported to be "making a road out of it".

Rogers asked for a Resolution from the Commissioners that the road was abandoned, and then ownership of the right-of-way would be determined. The Commissioners agreed that the road was abandoned and relinquished any interest.

Mike Moore, Cisco City Manager, and Roy Underwood, Eastland City Manager, came before the Court to discuss Contracts with the County on rural firefighting.

A basic contract had been drawn up for considering, but some objections as to provisions were voice on both sides.

The County was unable to obtain Liability Insurance from their carrier, Ledbetter of Cisco, on personnel who are not working directly for the county.

"This would expose us to everything under the sun," commented Richard Robinson, Comm. Pct. 1. "The cities are already covered on their personnel."

The Commissioners

discussed Liability on equipment, and a modified plan was suggested where the County would be responsible for only ordinary wear-and-tear on equipment used on rural fires, and fair market value of any vehicles destroyed.

Comm. Robinson and Dill voted for this contract. L.T. Owen dissented, saying that he had some reservations on the Liability, and did not wish to vote for a plan in which the people of his area did not care to participate.

The motion carried, and the city managers will present the county contract to Commissioners of their respective towns.

Late word from Cisco is that Cisco City Commissioners approved the contents of the Contract at a meeting Tuesday night, Nov. 12. They returned the Contract to the County Commissioners for signing, then the City of Cisco will sign the document.

Precinct 2 Problems Again Before Court

Several times during 1985 groups and individuals have discussed some of their precinct 2 problems with the Commissioners Court.

At the latest meeting on Nov. 12 Brad Stephenson, representing a number of citizens of the Precinct, came before the Court with a request and possible plan.

He said that the people of Precinct 2, which includes much of the eastern part of the County, should no longer go on with the current situation. He stated that Commissioner Jack Blackwell was apparently unable to fulfill the duties of his office, and the people were left with no representation.

He said the citizens of that Precinct were sympathetic with Commissioner Blackwell's plight - that they realized his inability to perform was due to illness.

Stephenson also remarked that he had heard that Blackwell's reluctance to resign was that the Commissioner wanted to continue to draw his salary and then retire under County benefits. The benefits would be granted if he continued to be employed by the County until Dec. 31, 1986.

Under a possible alternate plan, Stephenson said, Blackwell could resign as Commissioner but would be offered some other county position which would keep

him on the payroll and hold his retirement benefits. That would clear the way for the appointment of a new Commissioner in Pct. 2.

Mrs. Blackwell, sitting across from Stephenson, appeared to be surprised by this discussion. Some of her audible comments were that she wasn't sure how to approach her husband on this; she thought the roads were being taken care of - she thought things were going alright.

Stephenson replied that of course the roads were in very bad shape - that someone really needed to be in charge.

"But the roads and some of the other matters," he continued, "are not the worst part of the situation. What concerns us the most is that during 1985 we have had no representation on important issues such as budgetary matters and the management of county affairs."

"This operation is a multimillion dollar business. It can't be stopped for a two or three year period without something going very wrong. We read of Eastland County issues and difficulties in area newspapers - yet we have no voice in what is happening."

If something is not done quickly, he stated, the people of Pct. 2 are prepared to go to District Court to have Commissioner Blackwell forcibly removed. "We have tried to avoid this," he added.

The Commissioners indicated that they would also like to avoid that type of Courtroom proceedings, but needed more time to decide on the issues involved.

Stephenson said his Precinct "could go with a few days, maybe up to the next meeting" but would not wait longer than that for legal action.

When Mrs. Blackwell mentioned the possibility of her being appointed to fill her husband's place, Stephenson stated that he had no knowledge of her qualifications. Judge Bailey, who would be the official to appoint any possible successor to Blackwell, declined to discuss any alternate plans or arrangements. The matter was tabled until the Commissioners could formulate an answer to Stephenson's request.

Afternoon Windup

During the afternoon meeting Nov. 12 the Eastland County Commissioners attempted to wind up various matters. Results from the Nov. 6 election on the State Amendments were canvassed and approved. Although the 14 proposed Amendments passed statewide, six of them failed in Eastland County. Those failing here were Amendments 3,4,5,6 and 13.

A rent charge was approved for the office of Justice of the Peace H.V. Heyser of Cisco. The present rent of \$180 per month will be raised to \$225 monthly Dec. 1. This office is located in the Longhorn Cafe Bldg. on East Highway 80.

County Auditor Emma Morris presented a number of bills for payment. The Sheriff's bills were not presented, because he was out-of-state purchasing a car.

Mrs. Morris was authorized to attend a Liability Insurance Crisis Seminar on Nov. 20. This brought up a discussion of how insurance charges have reached the point where some counties are carrying their own liabilities.

The session adjourned, with the next regular meeting scheduled for Nov. 25.

New Law For Outdoor Sign Owners

A new law which will, affect nearly all outdoor advertising sign owners was enacted by the last Texas Legislature. This bill, known as HB 1330, requires the owner of each off-premise advertising sign erected before September 1, 1985, along a road outside an incorporated city or town in Texas to register the sign by December 30, 1985, with the State Department of Highways and Public Transportation. An off-premise sign is one which advertises a service or product not principally sold on the premises where the sign is located.

John M. Arthur, right of way engineer for the Brownwood district said the rules became effective Sept. 8, 1985, and the Brownwood office has the forms available for registering these signs now. He explained that the law requires owners to register existing signs on all rural roads including U.S. and State highways, Farm to Market roads, and County roads.

Evangelism Benefit Rally Held Thursday, Nov. 21

A special overseas evangelism benefit rally will be held Thursday, Nov. 21, at 7 p.m. at Kendrick Diorama Auditorium on Hwy. 80 between Cisco and Eastland.

The rally will be for the Outreach Ministry of Billy McCannon and his evangelistic team, a Pentecost voice, of Midwest

City, Okla.

There will be singing, snacks, fellowship, and a film on the Crusade in Guatemala. Team members are Evangelist McCannon, Mr. Hodges, Mr. Maples, Mr. Avlo, and Mr. Hernandez.

The public is invited to attend.

Birth Announcement

Joe S. and Lil Martinez of Eastland are proud to announce the arrival of a son Joe Alan, born Oct. 28, 1985,

at 11:12 p.m. in Hendrick Medical Center. He was 20 1/2 inches long and weighed 7 lb. 2 oz.

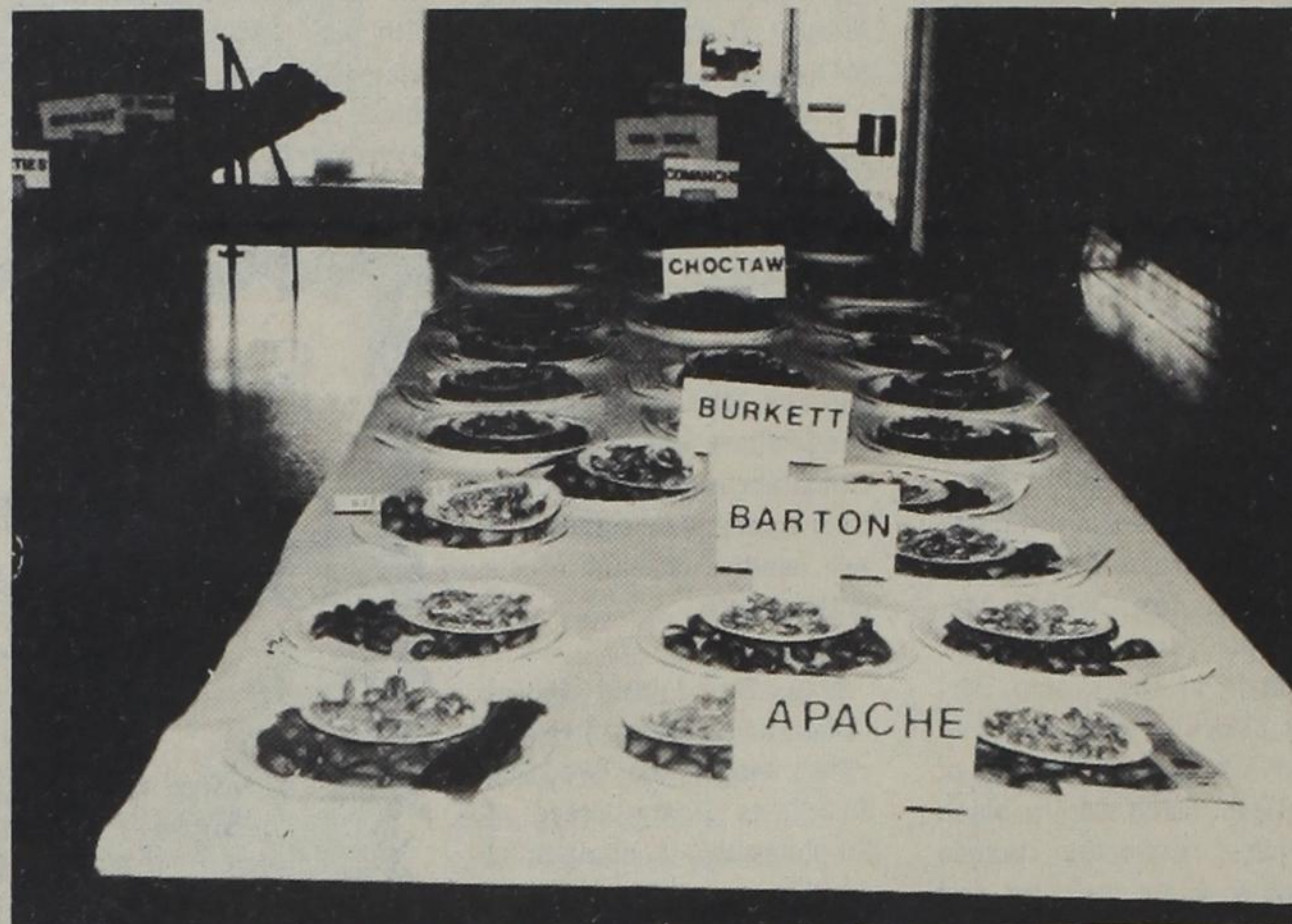

He is welcomed by a step

brother and sister Larry Joe and Tiffany Martinez of

Ranger. Maternal grandparents are Mr. and Mrs. Sid Davis of Cross Plains. Pater-

nal grandparents are Mr. and Mrs. Selestino Martinez of Eastland.

County Pecan Show To Be Held Dec. 6-7 In Courthouse Lobby

The Eastland County Pecan Show is scheduled for December 6 and 7 in the Eastland County Courthouse lobby. This will be the 33rd consecutive pecan show in the county reports Charles Walker, president of the Eastland County Pecan Growers Association. The show is sponsored by the grower's association and the Eastland Chamber of Commerce.

A large pecan crop is being harvested this year. The quality of the pecans in the show should also be good according to the County Extension Agent DeMarquis Gordon.

Anyone producing pecans in 1985 may enter the pecan show. An entry consists of 43 pecans of one variety and natives or seedlings from any single tree. All entries should be sacked and labeled **Rising Star Hosts Playoff**

Rising Star will host the 6-man playoff game between Christoval and Woodson Friday, Nov. 22, at 7:30 p.m. in Wildcat Stadium. Admission will be \$2.00 for adults and \$1.00 for students.

with the grower's name, address and variety of pecans.

All entries of nuts must be entered by 4 p.m. on Thursday, December 5. They may be sent or left at the County Agent's office in Eastland prior to December 5. Growers are limited to one entry of each improved or papershell variety and as many natives or seedling en-

tries as they have. The first place entries will be sent to the Regional Pecan Show. Entries not winning first place will be sold to pay expenses of the show.

Any alteration of pecan shells by marking, filing, or polishing will disqualify the entry so treated. However, exhibitors are encouraged to remove all traces of husks and foreign matter from the shells.

Walker said there will be class for every variety provided there are at least two entries in that class. There will be a class for the smallest pecans, native pecans, seedlings, as well as all varieties. Plaques will be given to exhibitors of champion in-shell, shelling and native entries. Rosettes will be awarded for reserve champions and the first three place ribbons will be given in each class.

Pecans will be judged by Extension Service and Experiment Station Horticulturists. They will judge pecans based on size, color, appearance, shell thickness,

THIS AD HAS ALREADY SAVED YOU MONEY

"If you paid for this newspaper, we have something in common. We paid for it, too. In fact, every advertiser you see in these pages paid handsomely for the privilege of being here. And what we paid went toward the cost of producing the newspaper. Which made it a lot cheaper for you to buy."

"How much Cheaper? Well, if you took all the advertising away, the average newspaper would cost you about five times as much. And offer you about half as much."

Gordon Spot

County Extension Agent
DeMarquis Gordon

Fall is often the time when fruit tree care is forgotten or neglected, but it's a critical time for controlling many peach and plum tree diseases to insure a good crop next year.

With the arrival of fall, there's often a tendency to forget our peach and plum trees that served us so well last summer.

Applying a copper fungicide now can stop or reduce three of the six diseases that attack peach and plum trees in Eastland county. These are peach leaf

curl, bacterial leaf spot and bacterial canker.

Puckered and distorted peach tree leaves that were either bright red or light green in diseased areas last spring were due to peach leaf curl fungus. The only time to effectively control this disease is in the fall with a copper fungicide such as Kocide 101 or Kocide 404.

Timing of the fall spray is critical for effective control and for avoiding the damage. Copper is a metal

and may cause severe defoliation unless applied correctly.

Spray when 70 percent of the leaves fall off the tree which is about now. Spraying too early will cause leaf shed or cause the spray to be ineffective later.

Bacterial leaf spot and bacterial canker can be partially controlled by fall spraying with a copper fungicide. But again it's important to spray at the right time to prevent foliage burn.

Bacterial leaf spot affects both fruit and foliage. The infection causes fruit to crack and leaves develop angular spots which drop out leaving holes in the leaves.

Bacterial canker is a serious problem of fruit

trees in Eastland County. The infected trees are killed slowly. The symptoms include gum or wax forming on the trunk and limbs.

Fall spraying is important to the health and production of fruit trees, because there is no other time when 50 percent of the peach and plum tree diseases can be controlled with one spray.

YOUR LOCAL NEWSPAPER now has a large selection of Bibles, including Gift Bibles and Award Bibles, Giant Print Bibles, The Scofield Reference Bible, The Criswell Study Bible, and many others.

Masons Sponsor Chorus

Mark your calendar for Saturday, November 23 to hear the Masonic Home Chorus of Fort Worth. The program is to be held in auditorium of Eastland High School beginning at 7:30 p.m. and is free. The public is invited. The singing group is made

up of orphan children who attend Masonic Home. For this performance, they are being sponsored by all the Masonic Lodges in Eastland County.

This will mark the first time the chorus has given a program in Eastland County.

2-story, 11 rooms, 6 BR, remodeled kitchen, fenced yd., \$41

Intermediate Work Scheduled To Begin Tuesday

Construction work on a substantial improvement program for Intermediate School Building was scheduled to begin Tuesday after contract details were finalized at a meeting of the board of trustees of the Cisco Public Schools last Monday night.

Earl Thompson of Thompson Construction Company, Breckenridge, the successful bidder for the job, attended the school board meeting and signed the contract along with Cisco school officials. Mr. Thompson told the board that his company would start work in the coming week.

The Thompson company was awarded a contract on a bid of \$768,132 at a board meeting some ten days ago. The project calls for a cafeteria, library, 12 class rooms, rest rooms and other quarters totaling some 18,000 square feet of floor space. The company has 300 working days in which to complete the project.

Architect Tom Huckaby attended the meeting and went over contract details with the board and the contractor.

tractor. In other action, the board approved the sale of a 1970 48-passenger school bus and a call for bids will be issued soon.

Attorney Gilbert Bragg of Austin was present to discuss plans for a contract with the school system for the collection of delinquent taxes. Action was tabled.

CPA Joe Cooper presented an audit of the financial records of the school system.

Green Thumb Holds Advisory Committee

Texas Farmers Union Green Thumb recently held its annual Advisory Committee meeting in conjunction with the 20th anniversary of the signing of the Older American Act, which provides legislation for senior employment programs.

The keynote speaker was O.P. "Bob" Bobbitt, Executive Director, Texas Department on Aging, who addressed more than 50 representatives from government, agriculture, and social service organizations. Mr. Bobbitt, a member of the Federal Council on Aging and a recognized leader in the field, provided committee members and guests with a better understanding of the role his agency plays in providing services to senior citizens throughout the state.

Texas Green Thumb employs more than 1,000 low-income persons age 55 and older in 126 counties across the state. Sponsored by Texas Farmers Union, Green Thumb marks 15 years of operation in placing older workers with non-profit organizations in rural areas. As a Senior Community Service Employment Program, Green Thumb allows senior workers the opportunity to continue living productive lives as well as provide needed services at the local level.

Also addressing the committee was Dan Stewart, Director of Administration, Texas Department on Aging, who discussed the other Title V programs operating within the state. Green Thumb host agency sponsors as well as Green Thumb workers shared personal points of view regarding the benefits they and their communities

for the year 1984-85, and the board voted acceptance.

The purchase of materials for use in repairing the front building at the school Ag Farm near College Hill was approved. Some \$4,800 will be spent on the materials. Volunteers, including ag students, parents and others, will contribute their labor in the project.

The board accepted the 1984-85 school performance report as submitted by the

administration. Replacing the locks on the junior-senior high school building doors was approved.

Present at the meeting were Dr. Allen McGinness, board president, and Trustees Ralph Berry, Emmitt Rich, Howard Worley, Sue Covert and Bobby Smith, Supt. Ray Saunders, Architect Tom Huckaby,

Contractor Earl Thompson, Maintenance Supervisor Rick Payne, Attorney Gilbert Bragg, CPA Joe Cooper, Business Manager Martha Davis, Principal Jim Puryear and Robert Mitchell.

ing importance in telephones. Pure glass fibre is replacing copper wiring at a fast pace, and the laser beam is being used in 177 Texas locations to improve communication systems, Mr. Haehnel said. The speaker was introduced by President Jerry McBeth, who noted that Mr. Haehnel appears throughout the southwest and elsewhere on programs dealing with tele-communications.

Richard Ballinger, Mrs. Robbie Robinson, Mrs. Gene Damron were visitors.

Lions Hear SWBell Demonstrator Nov. 13

The far-flung lines of Southwestern Bell Telephone Company are fast being utilized for an assortment of telecommunications functions that are providing exciting things, Bill Haehnel, Jr., science demonstrator for SWBell, told the Cisco Lions Club in a talk at their weekly luncheon last Wednesday.

The transmission of information and data by SWBell has been growing at a fast pace as more and more computer functions become standard practice in numerous business organization, Mr. Haehnel said.

Recently, SWBell engineers assisted the City of Dallas and several other large Texas cities with a project that allows their various utility meters to be read monthly by computer, the speaker reported. This reduces errors from an average of 35 per cent to less than one per cent in monthly billings, he added.

Another example of computer use by telephone is in catalogue advertising, Mr. Haehnel said. This allows homes with computers to dial a number and have any items of interest flashed on screens in their home. And

the cost of this service over use of standard catalogues is comparatively small, he said. This service will be available to 84 per cent of Texas homes by 1987.

Computerized banking is gaining favor over the state, according to Mr. Haehnel. There are now some 33,000 automatic teller machines in use by bank computers that use SWBell lines, he said.

Lone Star Bank in Dallas is the state's fastest growing financial institution and it handles no money - does everything that a bank needs to do to serve its customers by computer. Mr. Haehnel noted that the Texas Comptroller recently began transferring all tax funds to cities by computer, saving the use of 44 employees.

The future for computers has no limit, Mr. Haehnel believes. He noted that "we're teaching computer use from the 4th grade and in high school and college, and these people assure the computer's future."

It has been predicted that by the end of this decade over half of the homes will be equipped with some kind of computer system, Mr. Haehnel said. There were 89,800 computers in Texas

tied into SWBell's system as 1985 began, he said.

There is good news in other areas as SWBell continually seeks to improve its ability to serve in the communications field, the speaker said. He pointed to microchips and their grow-

ing importance in telephones. Pure glass fibre is replacing copper wiring at a fast pace, and the laser beam is being used in 177 Texas locations to improve communication systems, Mr. Haehnel said. The speaker was introduced by President Jerry McBeth, who noted that Mr. Haehnel appears throughout the southwest and elsewhere on programs dealing with tele-communications.

Horse Trailer Has Extensive Damage

A horse trailer had extensive damage and one of two horses being hauled in it sustained serious cuts when the rig that was being pulled by a Jeep pickup overturned on I-20 four miles west of Cisco last Tuesday night.

DPS Trooper Hernando Hernandez, who investigated the accident, reported that the Jeep was being driven by Jesse James Johnson, Odessa machine shop owner, who told him

that he lost control and the trailer turned over on its side. The Jeep did not turn over.

Jerry Hastings, local carpenter, and several other persons stopped and helped get the top off the trailer to free the two quarterhorses. The injured horse was taken to the Patrick Clinic on the Lake Road for treatment. The horse was still there Friday and will be transported to Odessa in a few days, it

was reported. Ted Fields, local wrecker service operator, picked up the trailer and a new hitch was welded on it Wednesday by Randy Honea, who operates a shop on the Lake Road. The uninjured horse and trailer was taken to Odessa Thursday and Mr. Johnson said he would send for the other horse in a few days.

Mr. Johnson was traveling alone.

COACH DAN Montgomery of the Cisco Junior College men's basketball team is pictured above with the captains of the Wranglers, Rodney Murray (left) and Cedric Ellis. Murray is a 6-2 sophomore guard from Victoria. Ellis, a 6-0 sophomore guard, is from Shreveport.

CJC Wranglers Will Play Here

The Cisco Junior College Wranglers, victorious in a basketball game Tuesday night at Altus, Okla., will meet Howard County JC in a contest at 8 p.m. Tuesday, Nov. 19, at the CJC Gym.

The Wranglers will go to Big Spring to play in the Howard County Classic on Friday and Saturday Nov. 22-23.

At Altus, George Westbrook, 6-4 freshman guard from Fort Lauderdale, Florida, came off the bench midway through the first half to ignite a rally that led to a 75-to-61 Cisco victory over Western Oklahoma JC.

The Wranglers are now 1-1 and are looking forward to their home opener next Tuesday night.

Coach Dan Montgomery announced that members of the Cisco Senior Citizens Club will be admitted free to all Wrangler home games (men and women). All they need to do is present a Wrangler basketball card at the gate.

The box score of the Western Oklahoma game follows:

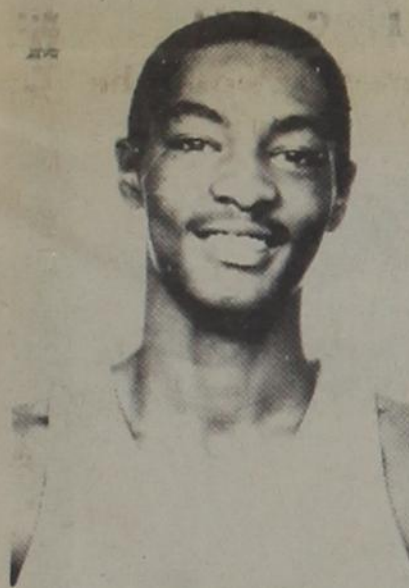

CISCO (75)-- Cedrick Ellis 2-3-7, Steve Martin 1-2-4, Rodney Murray 3-1-7, Donald Lemon 2-2-6, George Westbrook 7-4-14, Brenden Downing 2-1-5, Jack McCrimmon 1-5-7, James Griffin 7-4-14, Mike Knorr 2-3-7, Kirk Chambers 2-0-4; Totals 29-17-75.

WESTERN OKLA. (61)-- Leroy Maxwell 4-5-13, John Linke 1-1-3, Clarence Haggard 6-4-16, Chris Young 1-0-2, Kevin Hurst 1-1-3, Greg Cross 2-0-4, Richard Anderson 4-0-8, Leroy Fontenot 2-0-4, Richie Richardson 4-0-8; Totals 25-11-61.

HALFTIME - Cisco 37, Western Okla. 27.

FOULS-- Cisco 22, Western Okla. 26.

FOULDED OUT-- None.

Lady Wranglers Will Play Here

The Lady Wranglers of Cisco Junior College will play Tarleton State University's women's team in a basketball game at 7 p.m. Monday at the CJC Gym.

The Cisco team used fast breaks to take an early lead and continued to dominate the game in beating Western Oklahoma JC at Altus, Okla., last Tuesday night. Cisco scored a 75-to-50 victory to give the team a 3-2 record for the year.

The Lady Wranglers had a 11-0 lead in the first five minutes of play. Coach Ronnie Hearne called the contest "a good, fast game and our full court press worked fine."

Scoring leader was Valerie Barnett, sophomore from Azle, with 17 points and nine rebounds. Karen Dawson had six rebounds, seven

assists and 12 points. Jeanie Nix scored 15 points.

Cisco out-rebounded Western, 31-28.

Box score of the Altus game follows:
WESTERN (50)-- Henderson 1-0-2, Reynolds 3-3-9, Kennemer 5-0-10, Mooter 1-0-2, Filer 1-0-2, Jones 1-0-2, Elkouri 3-0-6, Kenrick 1-2-4, Smith 3-0-6; Totals 22-6-50.

CISCO (75)-- Karen Dawson 5-2-12, Angie Pickard 1-0-2, Jeannia Nix 6-3-15, Diane Saville 1-0-2, Tina Walker 0-1-1, Sharlyn Barree 1-0-2, Michelle Henry 3-3-9, Cara Cranford 2-3-7, Valerie Barnett 6-5-17, Jana Feist 1-0-2, Pam Roland 1-0-2, Wendy Endsley 1-2-4; Totals 28-19-75.

Halftime-- Cisco 47, Western 26; fouled out - Western; Luwetta McGee, Amy Henderson.

At Temple Thursday night, the Lady Wranglers scored an 80-to-73 victory over Temple Junior College to give them a 4-2 season's record. Cisco shot 52 per cent from the field and played an over-all good game, Coach Hearne reported.

The Lady Wranglers led 48-to-37 at the half. Valerie Barnett had nine rebounds

and 18 points, and Karen Dawson was high point maker with 19. Cara Cranford scored 14 points.

The coach cited Angie Pickard as playing an especially good game. Pam Roland and Sharlyn Barree did a good defensive job after coming off the bench. Barree had 10 points.

The Monday night game

here with Tarleton will be against that school's varsity team.

The box score of the Temple game follows:

CISCO (80)-- Karen Dawson 8-3-19, Angie Pickard 2-0-4, Jeannia Nix 2-0-4, Sharlyn Barree 5-0-10, Michelle Henry 3-3-9, Cara Cranford 3-8-14, Valerie Barnett 7-4-18, Pam Roland

1-0-2; Totals 31-18-80.

TEMPLE (73)-- Michelle Powell 4-2-10, Laura Sodalak 1-1-3, Sandra Jackson 6-4-16, Dana Jackson 2-4-8, Joyce Bourdreaux 8-3-19, Carrie Thomas 6-0-12, Tanya Andrews 1-0-2, Angie Williams 1-1-3; Totals 29-15-73.

Halftime score-- Cisco 48, Temple 37; fouls-- Cisco 20, Temple 22; fouled out-- Bourdreaux.

CJC Belles Will Hostess Events

The Cisco Junior College Wrangler Belles will be busy hosting two major events on campus November 23 and 24. The 3rd Annual Big Country Drill Team Competition is set to begin at 10:00 a.m. on Saturday, November 23 and the fall auditions for Wrangler Belles is scheduled for 2:00 on Sunday afternoon November 24.

The drill team competition is open to high school drill teams, officer lines and soloists from within the participating teams. The three categories of competition

are dance, kick and prop routines. Teams receiving a first place rating in all three categories qualify for sweepstakes trophies. Some of the special awards given at the conclusion of the competition include "Best Team in the Big Country", "Miss Drill Team of the Big Country", and "Best Officer Line". The public is invited to what is sure to be an afternoon full of entertainment. Admission is \$1.00 at the door.

High school girls who are interested in becoming Wrangler Belles can demonstrate their skills at the first open audition of the year, Sunday, November 24. Dance steps and combinations are taught to those auditioning and a decision for accepting girls into the college dance/drill team is based on the girl's ability to learn and show the potential of performing up to expected standards as well as her attitude and over-all appearance. All auditioning is done in groups and no solo performances are expected. Scholarships are given to all girls accepted into Wrangler Belles. For more information contact Nicki Harle at Cisco Junior College, (817) 442-2567.

NOTICE

It bespeaks the quality of people in Eastland County.

The response to the public by Super Duper Grocery to contact the store regarding checks given there on Friday, Nov. 8, has been tremendous, a Super Duper representative said.

The store was robbed on Saturday, Nov. 9, and most of the checks taken Friday were stolen, so the store is asking the public to come by and stop payment with their bank so that the checks cannot be cashed elsewhere.

Investigation is continuing and indications at presstime that progress is being made toward apprehending those responsible for the robbery.

Others who gave checks on Nov. 8, are being urged to contact the Store Manager John Holmes who may be reached at 629-3305.

CJC Wrangler Football Team Plays In Miami, Oklahoma Nov. 16

Sixty members of the Cisco Junior College football squad and ten coaches and assistants left by chartered bus at 7 a.m. Friday for Miami, Okla., where they were scheduled to conclude the 1985 season in a game at 7:30 p.m. Saturday, Nov. 16, against Northeastern Oklahoma A&M College.

There was a possibility that the contest might be played at nearby Joplin, Mo., as heavy rains inundated the football stadium at Miami Wednesday and Thursday. CJC coaches were advised that the football field was under water Thursday morning.

The NEO team, ranked No. 6 in the nation among junior colleges last week, has an 8-1 record for the season, losing only to

Kilgore JC. The Wranglers, with a 6-2-1 record, won a hard fought 31-24 victory over Kilgore.

Plans called for the Wrangler squad to arrive in Tulsa in time for a workout at the University of Tulsa's stadium and for the team to eat dinner at the UofT dining room. They planned to attend a high school football game Friday night in Miami and to remain overnight there. The team expected to return home in their bus immediately after the Saturday night game.

Workouts Monday through Thursday were spirited and productive, Coach Rick Frazier said. Particular attention was paid to the passing game, which had been ailing in recent outings.

Randy Roe, who suffered a

knee injury in last week's game, remained on the doubtful list, but David West, defensive end, was running at full speed in workouts Wednesday and was expected to be ready.

The probable Wrangler starting lineup was listed as follows:

Offense-- Mark Pilling, quarterback; David Smith and James Dixon, running backs; Daryl Grant and Phillip Walton, split ends; Jim Bartee, tight end; Mark

Lazaro and William Abernathy, tackles; Jeff Copeland and Tim Weisenfels, guards; and Matt McBride, center.

Defense-- Mike Johnson and Lineal Overshawn, tackles; David West and John Buesing, ends; John Matthews, Troy Edwards, and Jim Wilson, linebackers; John Booty and Kenneth Pryor, corner backs; Clayton Patton and Wayne Hutchinson, safeties.

CHS Basketball Will Begin

The 1985 basketball season for Cisco High School teams will begin Tuesday night as the girls' varsity and junior varsity teams meet teams from Stamford at the high school gym in Cisco. Game time will be 6 p.m. for the JV game at the Community Gym.

The season's opener for the Lobos will also be in Cisco and Bangs will be the opponents. This program is scheduled for Friday night, Nov. 22, at the Community Gym.

The Friday night program will begin at 5:30 p.m. with the girls' junior varsity game. This will be followed by the girls' varsity and the boys' varsity contests.

The junior high boys

schedule opens with a home game against Early at 4:30 p.m. Monday, Nov. 25.

Coach Lori Larrison's varsity girls squad includes five seniors and seven juniors. Her JV squad is made up of freshmen and sophomores.

Varsity girl seniors on the squad include Hazel Worley, Stacy Pope, Sampty Sipe, Kay Scott, and Robin Ritchie. Juniors are Sherry Seabourn, Tracie Edgar, Kathy Choate, Missy Bailey, Stacy Willingham, Janice Woolley, and Susie Endsley.

Coach Brian McCulloch's Lobo squad is composed of some 15 players and the junior varsity has a like number.

Chris Ledbetter

People n Things

SIX MEMBERS of the Methodist Church from Japan got an introduction to Texas and Cisco, complete with Oscar's barbecue, last Tuesday noon and they loved it. That's the report of the Rev. Frank Williams, local Methodist pastor.

The Japan group, visiting in Texas and the Brownwood District of Methodist churches, came to Cisco at noon Tuesday. They went to the home of Mr. and Mrs. Carl Kleiner for lunch, and the menu featured barbecue from Oscar's with all the trimmings.

Mrs. Kleiner, a native of Japan, and her mother-in-law, Mrs. Lloyd London, and others took the group on a tour of the area after lunch. They attended a meeting of the Methodist Kingdom Kids before going to Brownwood for an evening meeting.

The Japanese folks, from age 21 to senior citizens, had cameras and recorded a lot of Cisco area scenes to take back home.

A SUNDAY School Class of young adults meets at 10 a.m. Sundays at Traditions Restaurant out on I-20 Access Road, and their 4th gathering will take place Nov. 17th. The class is sponsored by Calvary Baptist Church with Jeff Holloway, youth director, as the promoter. Mrs. Tim Boersma is the class teacher.

The class is composed of some 15 members and has been growing each Sunday, our scouts report. It's pretty informal in the beginning with folks enjoying coffee and rolls. Everybody's invited.

OUR SCOUTS report that Mr. Melvin Wende, the assistant postmaster, bagged two nice bucks down Brady way last weekend... Police Chief Billy Rains took the past week off for a deer hunting vacation but he hadn't scored when we last heard... You'll want to notice the mums and other fall blooming flowers at the Joe Wheatley home and the Dr. Ayres Cermin office out on Leggett Street.

A GROUP OF Cisco Chamber of Commerce leaders took part in a seminar one day last week at Weatherford, President Bill Austin, Jr., tells us. The seminar was sponsored by the West Texas CofC for CofC leaders of the region, and it was a most informative program, Mr. BA reports.

Attending from Cisco were Mr. Austin, CofC Manager Don Shepard, Linda Cozart, Shirley Hargrave, Gerald Winnett, and Lynn Wages.

THERE WILL BE a reception honoring Mr. E.G. Damron at Canterbury Villas (Cisco Nursing Center) from 2:30 to 4:30

p.m. Saturday, Nov. 16. Mr. EGD will be observing his 90th birthday. His good wife and their two children, Mrs. Chief Brown and Gene Damron and spouses and nieces and nephews and grandchildren will help greet visitors.

The Damrons have resided in Cisco since the early 1940s and are long-time good citizens... Mr. and Mrs. Robbie Robinson and Mrs. Gene Damron went to DFW Airport last Wednesday afternoon to pick up the Damron's daughter, Genie, who flew in from the West Coast for the Saturday event.

COACH JERRY Reeves of the CHS football staff has rented and moved into the John Parchman home at 7th and Avenue N... John Parchman, CHS head coach last year who moved to El Paso Socorro, has finished a 4-5 season there, our scouts report. His JV team won the El Paso city championship for junior varsities... Butch Willingham shot an 8-point buck at the Clifford Smith place down near Rising Star last weekend. Also hunting there were his wife, Brenda, who saw and passed up a doe, H.D. Willingham, Clifford Smith, Harold Hendricks, and Jimmy and Bryan Smith of Clyde.

THE CHURCH of Christ of Cisco will be sending out Missionary Sam Flanary before long, reports an elder of the church. Mr. Flanary and his wife, Mary, and daughter, Samantha, have been in Cisco for the past four months on home leave after an assignment on the east coast.

Roy Dennis and Hershell McDonald of the local Church of Christ were in Virginia and Tennessee recently to look over possible places for the young missionary family to work.

MAYOR ERIS Ritchie has words of commendation for the Cisco Ministers Association and others for their support of the nursing home folks in the recent problems there. The delinquent pay checks for the first half of October were distributed a week or so ago, he reports.

As you know, local ministers sponsored a benefit program for the employees who remained on the job to care for the some 60 senior citizens in the nursing home even though their pay checks didn't come on time. As you know, a new firm has taken over and everything is running smoothly there.

LOOKING THROUGH the president's annual report to the board of regents of Cisco Junior College, we learned that Prof. Wesley Valek and Ag Instructor Herman Glueck are preparing a permanent display of the col-

lege's branding iron collection. The branding irons are being arranged for display at the Ag Building as part of CJC's Texas Sesquicentennial Celebration.

Prof. Richard Spencer has been appointed to the governing board of Fort Belknap Archives Section, the report shows... Dr. Monte Lewis, prof and editor of the Cross Timbers Review, has been elected to the governing board of the Fort Belknap Historical Society. And he is continuing his oral history project on Humboldt, an early-day oil camp in Cisco, and his biography of James Hamilton, Jr., in Texas.

A TOTAL OF 43 deer had been logged in a Rust Processing Center's deer department early Friday, and with cooler weather they're expecting business to pick up. The season was a week old.

Bobby Rains of Cisco bagged a nice and unusual looking deer that was at the Rust plant. It apparently was a cross between white tail and mule deers. A large and fat buck, it had big ears, no tail and white spots on its sides. Bobby planned to ask the area game warden to look at it for an opinion.

DAN AND Shirley Griffith are moving from Gilmer to Cisco and have purchased the home at 610 West 6th street from Richard and Paula Elliott. The Elliots are moving to Big Spring... Calvin and Cathy Wallen have purchased the home of Arlie and Deborah Whitley in West Cisco and will be moving there from Del Rio. The Whitleys, as you know, recently purchased the Ron Scheuren residence at 510 West 8th Street and are remodeling same preparatory to moving. Mr. Wallen is associated with his sons Mike and Bobby of

Cisco in oil activities in the area... Sale of the homes mentioned above was handled by Ann Williams of Pat Maynard Realty.

Mary Goode Remains In County Jail

Mrs. Mary Goode, 48, remained in the county jail at Eastland Friday after separate charges of murder and attempted murder were filed last Tuesday afternoon in the shooting death of her husband, Hershell M. Goode, at their home, 205 West 11th Street, in Cisco.

Bonds in the amount of \$100,000 on the murder charge and \$50,000 in the attempted murder charge were set by Justice of the Peace Luther Maxwell of Ranger. The charges were filed by Cisco Policeman R.D. Kirkland and were handled by District Attorney Emory Walton.

The charges alleged that Mrs. Goode shot her husband three times in the head at their Cisco home last Saturday morning. He died at 6:07 p.m. Saturday at Hendrick Memorial Hospital in Abilene. He was 58.

It was also alleged that Mrs. Goode walked to the front porch and pointed the gun, a .38 calibre revolver, at their step-son who wrestled the gun away from her. Police took possession of the gun when they arrested Mrs. Goode soon after the shooting.

Funeral services for Mr. Goode, who formerly was an engineer for Oil States Rubber Company here, were held Tuesday in Mansfield with burial in the cemetery there, according to information here. Survivors include two sons and a daughter.

DISTRICT GOVERNOR Clif Drinkard, left above, was the speaker Thursday noon at the Cisco Rotary Club meeting. He is shown with Dr. Henry McCullough, club president, in the picture. (Staff Photo.)

Robert Puryear Is Named As Outstanding Young Man

The Board of Advisors for the Outstanding Young Men of America awards program announced that Robert Nolan Puryear of 5817 Dana Dr., Ft. Worth Texas, has been selected for inclusion in the 1985 edition of "Outstanding Young Men of America."

The men who are chosen were selected from nominations received from Senators, Congressmen, Governors, Mayors, State Legislators, University and College Presidents and Deans as well as various civic groups.

Rotary Hears Project Plans

Rotary International's plans for their Polio 2005 project that will be launched by the world-wide service organization early next year were outlined by District Governor Clif Drinkard of Coleman in a talk last Thursday noon at the Cisco club's weekly luncheon.

The mission of the project is to rid the world of polio by the year 2005, Mr. Drinkard said. Rotarians will make polio vaccine available throughout the world during the campaign.

The 1986 Rose Bowl Parade in Pasadena, Calif., will include a Rotary Club float emphasizing the polio project theme. Mr. Drinkard said that Rotary Clubs everywhere will have a part in the program.

Rotary has spread to 159 countries with 22,000 clubs. Membership is expected to reach the 1,000,000 mark in January, 1986, and the one millionth member and his sponsor will be flown expenses free to the June international convention in Las Vegas, Nevada.

"Rotary is a club of volunteers - men seeking to discover the world of service," Mr. Drinkard said. "We are dedicated to service

above self." Mr. Drinkard was a guest of honor at a meeting of Rotarians and their wives at the home of Dr. and Mrs. Henry McCullough Wednesday night. After the reception, he met with club leaders to discuss the local club's program of work.

The Cisco club's new directory that includes pictures of members and complete data about the club and Rotary International was complimented by the district governor as "one of the best I've ever seen."

Mr. Drinkard, a retired civil service author and veteran Coleman civic leader, was introduced at the luncheon by Rotarian Jerry Morgan. County Judge Scott Bailey was a guest. Secretary Bill Reynolds reported that the past two meetings had 100 per cent attendance.
