SOURCE OF NEW WATER FOR A GROWING MULESHOE--City Engineer Ralph Douglas, left, and Dan McVicker, right, manager of Peerless Pump Co., keep a close eye on a new water well just south of Muleshoe. The new well will be a source of supply of water for Muleshoe residents. They

turned the well on for the first time Friday morning and kept it running for a test. The new well will be tied in with an enlarged pipeline system which encircles Muleshoe to boost a decreasing water pressure.

## Bollworm, Loopers Increase in Cotton

### Control Measures Beneficial to Some

Dr. Weldon Newton, state entomologist and Dr. Bill Clymer, area entomologist, toured south Bailey County fields Tuesday with Bailey County Agent J.K. Adams.

The entomologists found some fields practically free of insects, but in other fields there was a buildup, and in some instances, a combination of cabbage loopers, beet armyworms and bollworms.

"It is highly important for Bailey County farmers to recognize the need for them to understand what the looper is and what treatment is needed," stressed the entomologists.

"Cabbage looper activity has increased over much of the cotton growing area during the past few days.

"The looper is principally a leaf feeder and causes a characteristic buckshot hole in the leaves. Heavy infestations could possibly defoliate plants and are cause for concern this early in the fall," they continued.

"Unfortunately," the entomologists continued, "cabbage loopers are extremely difficult

to control with chemical treatment. However, natural controls usually control the looper populations. In several fields Cont. on Page 3, Col. 3

### Former Residents Termed Critical After Accident

Mrs. J.M. Moore returned to her home Thursday after having been with her daughter and family, the Bob Stinsons, at Breckenridge Hospital in Austin following an automobile accident Saturday night, August 16. The three-car wreck occurred on rain slick highway three miles south of San Marcos while the Stinson family was en route to Kingsville for a visit.

Stinson suffered severe head injuries and lost his left eye. His wife is suffering from a broken back and the five year old daughter Shelley is listed in critical condition from head injuries. Eight year old Mike was released from the hospital August 23 and will live for a while with his uncle's family, the J.B. Moore's at Bishop.

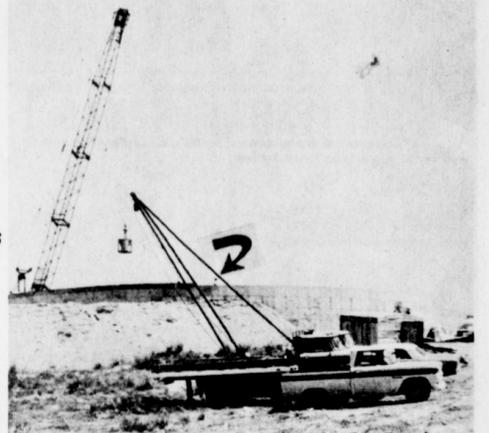

Mrs. J.M. Moore plans to return to be with her daughter's family in about a week. Stinson is the son of former Bailey County Commissioner and Mrs. Ike Stinson who recently retired and moved to Longview.

### Grain Prices Up Sharply During July

Gordon Marrah, member of the Bailey County Association of Grain Sorghum Producers, reported that export sales and local market prices moved up simultaneously during July, both reaching peaks since February of 1968.

He said the report released by Elbert Harp, executive director of the Grain Sorghum Producers Association, showed "18,167,000 bushels were sold into the world trade 1st month which helped to strengthen the overall demand and local prices, with some elevators paying as high as \$1.95 per hundred this week."

The major part of the July sales were to Japan, Israel, and India. These sales were equal to the total production of Parmer County, which is the nation's largest producer of grain sorghum, or the combined total production of Sherman,

CONSTRUCTION OF MASSIVE WATER TANK NEARS COMPLETION--Workmen are putting a concrete top on a 1,000,000 gallon water tank just south of the south city limits of Muleshoe. The arrow points to a man who is discernible as a speck on the picture. The huge crane is lifting concrete to the workmen on top of the tank.

## Guidelines Aired On Selecting Wheat

Wheat planting time is approaching and careful selection of a variety is important in obtaining the most economical return from grazing and grain production.

Although the performance of many varieties will vary somewhat from one year to the next, a variety should be selected based on its most frequently expected performance in the area, points out County Agricultural Agent J.K. Adams.

Texas has built a good reputation for producing quality wheat in recent years, adds the agent. For the High Plains, such varieties as Tascosa, Caddo, Scout 66 and Sturdy are first choice because of their yielding ability, high quality and good storm resistance.

Caprock, a sister strain of Sturdy, is also an outstanding variety and yields slightly better than Sturdy. Both of these varieties are short stature wheat recommended for growing under irrigation and high fertility where lodging may be a problem. Under dryland conditions, these varieties may be too short to harvest satisfactorily.

Foundation seed of Caprock was produced last fall for certified seed growers and should

be available to farmers for planting next year, points out Adams.

Other popular varieties on the High Plains are Improved Triumph, Crockett, Kaw, Concho and Wichita. These are second choice because of either lower quality and a tendency to shatter or weak straw. Under dryland production, they often have a good milling and baking quality but are weaker than desired under irrigation. Wi-

## around Muleshoe Migrant Program Slated by School

with the journal staff

Members of the Bailey County Hospital Authority met with city council and county commissioners Friday to bring the governing bodies up to date with tentative plans for new hospital facilities in Bailey County.

They announced that they had decided to stay with the hospital authority and apply to Housing and Urban Development for funds to build the new hospital instead of going to a hospital district with taxing power.

Muleshoe's Athletic Boosters held their first meeting for the year Friday night at the High School cafeteria.

It was decided to hold the meetings of the boosters each Monday night at 7:30 p.m. at the cafeteria during the football season.

New officers were elected. They included Eddie Beene, president; Vernon Bleeker, vice president; Jim Shafer, secretary and Beverly Heathington, reporter.

Fred Hedgecock, athletic director, expressed his appreciation for the meeting and said the boys have a good attitude, are working hard and deserve the support of the boosters.

Mrs. J. Waid Griffin's nephew, Orville Fox, of Cheyenne, Wyo., was killed in an automobile accident in Colorado Friday morning. The Griffin family had just returned from a camping trip and had been camped with the Fox Family, Rev. and Mrs. Griffin planned to attend the funeral.

Mr. and Mrs. Richard Ellis Brenda, Janet and Larry Guley left Friday for Pomme de Terre, Mo. to visit with Mrs. Ellis' parents, Mr. and Mrs. D. Warner. Mr. Warner is ill.

Mrs. Otis Blaylock was admitted to West Plains Memorial Hospital around 4 p.m. Friday after being in an automobile accident on Highways 214-70.

At presstime Saturday, she was undergoing x-ray examinations and a spokesman for the hospital said her general condition was "good".

Mr. and Mrs. Leon Wilson, Wade and Denise moved back to Muleshoe August 12 after living in Wilcox, Arizona four years. Wilson is harvesting his crop in Wilcox and will not live here until November. His family moved at this time so eight year old Wade could enter school. Denise is four. The Earl Schmidts are parents of Mrs. Wilson and Mrs. Lorene Wilson is the mother of Leon.

Miss Gay Geigling of Wichita Falls has been a guest in the Donald May home since Monday. She will leave next week for her home prior to entering college.

A free preschool program for migrant children of migrant agricultural workers will be held in both the Mary DeShazo and Richland Hills Elementary Schools during the 1969-70 school year.

"The purpose of the preschool program is not one of reading readiness, but rather to provide a rich environment for living, thinking and learning in which he can develop concepts, have experiences needed for learning, and develop ability in

the use of oral language. This should help each child to experience success both at present and in the future," said Ralph Stevenson, of the Muleshoe Schools.

"The project will be limited to five and six year old children who will enter the first grade the following school year. This means that to participate in the program a child must be five years old on or before September 1, 1969 and must have moved with his family from one school district to another during the past year in order that a parent or other member of his immediate family might be employed in agriculture or in related processing activities.

"Children will attend the preschool in the elementary

school which they would attend if they were enrolled in any of the grades one through five. Transportation will be provided on the regular bus routes which serve the other students.

"It is planned to have two units of the preschool program in Mary DeShazo Elementary School and one unit in the Richland Hills Elementary School. Each unit will serve a maximum of 20 children. Each unit will be provided with a qualified teacher and a full-time teacher's aide. Each child enrolled in the program will be furnished a free hot lunch and a free snack each day," concluded Stevenson.

Children may enroll in the preschool on or after September 1, 1969.

The representative will be at the Muleshoe High School cafeteria to show the type instruments approved by the Muleshoe School System Music Department for beginners.

Both new and used instruments and rental and time payment plans will be available.

Goodwill Center Set Kindergarten Registration

The Kindergarten of the Muleshoe Area Goodwill Service Center will have registration Thursday, August 28, from 8:45 a.m. to 12 noon.

All children who will be five years of age on or before September 1 will be eligible to register.

Fee for the school is \$1 per week.

Regular classes will begin on September 1 and the bus will pick up all students who have registered and have given addresses.

At the Muleshoe luncheon on Tuesday, Dr. I.V. Payne, Assistant Professor and Chairman of the Department of Educational Administration, Eastern New Mexico University, Portales, will be special guest speaker.

Dr. Payne is a member of Lions International and a Mason and is a Baptist. He and his wife, Miriam, have a daughter and two sons.

He graduated from New Mexico State University and also has attended the University of New Mexico, Columbia University Teachers College and University of Colorado.

He taught school in Lincoln County, New Mexico; Carlsbad; Cont. on Page 3, Col. 3

## Lazbuddie Teachers Feted at Luncheon

At noon Tuesday, August 26, Muleshoe's teachers, administrative staff and other employees of the Muleshoe Independent School System will be honored with the second "Teacher Appreciation" luncheon.

The Muleshoe luncheon will be held at the High School cafeteria.

Thursday, Lazbuddie school staff members were honored for the eighth annual year when members of the Muleshoe Chamber of Commerce, business people and interested citizens traveled to that community.

Don Harmon acted as master of ceremonies and introduced Superintendent Sam Barnes, who in turn, introduced the teachers, administrative staff, custodial workers, bus drivers and cafeteria workers.

Neal Dillman was guest speaker and emphasized the importance of parents, teachers and the community working together to train children.

"Take a stand," he said, "we all have to stand for something."

"All we can offer is an opportunity, time and guidance," continued Dillman. "The basic training has to start with all you can give them at home.

"No school is better than the caliber of teacher in the class stated Dillman. "We need to establish a learning atmosphere, let the student know what he can and can't do and establish an operating routine."

"Be consistent," he added, "by being consistent and fair, maintaining a positive attitude and keeping enthusiasm will make it much easier to teach today's youth. An remember," he continued, "don't ever try to fool a youngster, from the first grade through the twelfth. It can't be done. If you are interested, they know it and by

the same token, if you are not interested, they know that also."

At the Muleshoe luncheon on Tuesday, Dr. I.V. Payne, Assistant Professor and Chairman of the Department of Educational Administration, Eastern New Mexico University, Portales, will be special guest speaker.

Dr. Payne is a member of Lions International and a Mason and is a Baptist. He and his wife, Miriam, have a daughter and two sons.

He graduated from New Mexico State University and also has attended the University of New Mexico, Columbia University Teachers College and University of Colorado.

He taught school in Lincoln County, New Mexico; Carlsbad; Cont. on Page 3, Col. 3

LAZBUDDIE SCHOOL ADMINISTRATORS AND GUESTS--Principal Johns, left, Superintendent Sam Barnes, both of the Lazbuddie School; Superintendent Neal Dillman of Muleshoe, who was guest speaker and Don Harmon, far right, master of ceremonies, took time out from the Teacher Appreciation at the Lazbuddie School Thursday to pose for the photographer. The Lazbuddie Teacher Appreciation was the first of four to be hosted by the Muleshoe Chamber of Commerce and local civic clubs in the area.

## Insurance Rates Increase for Autos

Austin, --When all the conversation about automobile insurance is done, one fact remains foremost-- the only way to lower insurance rates is to (1) lower the cost of repairs to automobiles and cost of hospital and medical costs for treatment of the injured, and (2) lower the frequency of accidents.

August R. Buchel, president

of the Association of Texas Fire and Casualty Companies, pointed out that unfortunately both cost and frequency soared beyond reasonable expectations last year resulting in a 17 per cent inadequate insurance rate.

Testimony given before a committee of laymen appointed by Gov. Preston Smith to look into insurance rates has been told that whereas in the past

garages maintaining what is known as a large crash manual giving the cost of replacement parts and cost of labor made appropriate page changes every three or four months as necessary; the entire manual is now being reprinted every month due to the rapid change in prices.

"The same repair job that cost \$589.72 in January 1967 cost \$641.42 in 1968; and rose

to \$683.53 in January 1969. What's even more significant, the same repair job went up to \$741.58 by July 1969," Buchel pointed out.

In Harris County labor costs have jumped 40 per cent in the last three years, with 20 per cent of the increase coming in the last 15 months. At the same time, the same number of cars that produced 17,800

claims in 1967 at an average cost of \$300, produced 19,000 claims in 1968, costing \$331 each.

In Dallas, there was some reduction in frequency of accidents, but the average claim cost jumped from \$288 in 1967 to \$320 in 1968.

"Insurance companies cannot long continue to provide protection at 1969 costs, at 1968's inadequate rates, based on 1967 experience. It hardly seems appropriate that so much discussion is going forward as to

whether a 14.8 per cent increase recommended by the State Board of Insurance is "too much" when the facts are that a 17 per cent increase is needed," the Dallas insurance executive pointed out.

Other factors involving higher 1969 prices paid for out of premiums include a general increase of 25 per cent in wrecker charges and increased storage fees now up from 50 to 100 percent in most cities.

"To complicate the costs even more, the former prac-

tice of allowing insurance companies a discount on parts of from 15 to 20 percent due to volume buying has been discontinued completely in some areas and reduced to 10 percent in the few areas where such practice is continued," Buchel observed.

"The strain of overloading the costs while unduly restricting premiums to inadequate levels cannot help but have a serious impact on the insurance companies and their ability to provide insurance to

all those who seek it," Buchel concluded.

**LEUKEMIA PROGRESS**  
New York--American scientists have been advised that four Soviet scientists have tried a new experiment which helped several children with acute leukemia. Twelve children in advanced stages were paired and live leukemia cells taken from each member of each pair were injected into the pair-mate. Eight showed "remission" from their disease.

Mr. and Mrs. May plan to spend the Labor Day weekend in Ruidoso.

Amy Lawry of Mineral Wells has been a guest in the home of her cousin, Mrs. Tim Campbell and Mr. Campbell, for several weeks. She will return to her home next week to enroll in high school.

Mr. and Mrs. Leroy Hughes, Sandra and Dale returned recently from a vacation spent in Prescott, Arizona where they visited with Hughes' brother and family, the Lloyd Hughes. While there the two families visited Grand Canyon and went to Glen Canyon Dam at Page, Arizona on the Utah line.

Mr. and Mrs. M.M. Barefoot and son Bob Barefoot, of Tempe, Arizona are expected to spend several days next week in the home of Mrs. Barefoot's brother and family, the Robert Hootens. They will be en route to Arkansas where they will visit Mrs. Barefoot's father and other relatives.

Bob is an assistant professor of Mathematics at Arizona State University.

Mr. and Mrs. Elton Gulley, Larry and Becky, Miss Brenda Ellis, Robbie and Gina Phipps returned Wednesday from a week's vacation in Cimmaron, N.M.

They were joined Sunday by their daughter and family, Mr. and Mrs. Kenneth Phipps, Tracy and Mrs. Danny Gulley, their daughter-in-law, all of Clovis. The group enjoyed camping, fishing and sightseeing. They spent one day at Red River and stopped en route home at Taos where they say the art galleries "and the Hippies."

Mr. and Mrs. Marshal Head, Janice, Linda, Susan and David returned Monday from a trip to Six Flags over Texas. They also attended a horse show while they were gone.

Mr. and Mrs. Rufus Gilbreath and Mrs. John C. Gilbreath and sons left Friday for Hawaii where they will meet Maj. John C. Gilbreath, on r&r leave from Saigon, Vietnam.

Major Gilbreath's career in the service of his country, is on his second tour of duty in Vietnam. This will be his first time to see his son, Christopher, 2 1/2 months old, Eric is seven. The John Gilbreath family is residing in Roswell while he is overseas.

Spec. 4 MP and Mrs. B.E. (Butch) Johnson Jr. have been visiting with his parents, Mr. and Mrs. Baker Johnson. He was on ten day leave from Fort Hood, Killeen.

Mrs. Harold Allison drove to Greenville this weekend for her mother, Mrs. Sam McKinstry, who has been spending the summer with an aunt, Mrs. C.E. Girdner. Mrs. McKinstry will resume her piano teaching this fall.

Kiddieland Kindergarten will open September 1, according to Mrs. Jackie Tate, the director and teacher.

Mrs. W.F. Birdsong and her daughter Mrs. Pat Leonard drove to Albuquerque Wednesday after Susan spent several days in Muleshoe. Mrs. Birdsong returned home Friday night.

Bill Frost of San Antonio has been a guest in the L.B. Hall home since Wednesday. He will be returning to his home Monday. Bill and Perry Hall were school friends in San Antonio.

which were checked the past couple of days, up to 20 percent of the loopers appeared to be infected with the polyhedral virus which is the best control that we have for the cabbage looper. Several reports have been received with various materials being used for looper control with only fair to moderate results generally obtained. It is hoped that this virus will go ahead and develop and will substantially reduce looper populations. There are several predators and parasites which also attack the cabbage looper.

Dr. Newton emphasized that "Some people are calling the beet armyworm the bollworm. A bollworm can be recognized as a true bollworm if he has tiny spines on his body which are not found on the beet armyworm. Also the beet armyworm has a small black mark immediately back of his head on the side, this also, is not found on the bollworm."

Bollworms are being found in light to moderate infestations in fields in the county, according to Bailey County Agent Adams. Activity seems to be increasing in many areas and producers are urged to carefully observe their fields and should conditions warrant it, control procedures should be applied.

A light infestation of cotton fleahoppers is apparent in the county in a light infestation. Entomologists say that much of the cotton in the dry-land areas has slowed down considerably in fruit production due to the droughty conditions present. Producers should carefully observe their fields and if the plants are not holding 50 percent or more of the fruit, control should be considered. However, control for fleahoppers often opens the door to heavy bollworm infestations after the beneficial insects are killed, said the county agent.

Grain sorghum producers report that greenbug activity has almost ceased in most areas. Some spraying is still being done on isolated fields where greenbug populations are still of economic importance. Parasitic wasps have cleaned the greenbug populations in many fields. Much of the grain sorghum is rapidly approaching harvest and should not require further chemical treatment.

Another grain sorghum problem, corn leaf aphids, are still present in many areas but are normally of little economic importance.

Mr. and Mrs. James Crane and daughter Jane will go Monday to El Paso where Jane will see a bone specialist.

Mrs. Joe Walker and Cindy, of Hobbs, N.M. visited several days this week in the home of her parents, Mr. and Mrs. Byron Gwyn.

Mr. and Mrs. Louie Norwood, Mr. and Mrs. Felton Harper and Mr. and Mrs. Marvin Nieman drove to Canyon Tuesday evening to see the production "Texas". They were celebrating the wedding anniversary of the Niemans.

The group stopped in Canyon to eat and then proceeded to the Canyon. They thought the show delightful but "will always wonder how it ended" because they were caught in a rainstorm about thirty minutes before it ended.

Mr. and Mrs. Jack Young, Prisca and Pamela returned Wednesday after an eleven day trip to California. En route to Los Angeles they visited the Grand Canyon, Sequoia National Park and Disneyland.

August 16-17 they attended the Young family reunion at Los Angeles. They were met there by Mrs. Tye Young who flew out from Muleshoe to be a part of the group.

The Youngs spent two days with Jack's uncle, Ed Roark, at San Luis Obispo, California.

chita and Improved Triumph continue to be popular, however, due to their extreme earliness.

What is the best variety for grazing? That's a question often asked by wheat growers and cattlemen alike. Generally, a good grain yielding variety will usually provide good grazing. However, grazing of the early maturing varieties such as Triumph should be discontinued earlier in the spring if they are being saved for a grain crop than later varieties such as Tascosa.

A new variety, Agent, has been released in Oklahoma as a special purpose forage wheat, adds Adams. This variety has a high resistance to leaf rust but has not yielded as well as local varieties. It also lacks winter hardiness on the High Plains. More observation and tests are necessary before it can be recommended in Texas.

For maximum forage and grain production, it is important to maintain adequate soil fertility and proper stocking rates throughout the grazing period regardless of the variety being grown. The longer the grazing period is extended in the spring, the greater will be the reduction in grain yields. This is especially true if soil nitrogen is allowed to become depleted after a good grazing season.

Hansford and Oldham Counties. It would also take the total production of Yoakum, Terry, Gaines, and Dawson counties to fill these shipments said the grain association director.

Harp said, "The more demand that can be developed either locally or overseas, the better the prices will be to our producers."

GSPA is sponsoring a referendum in early October in which the grain farmers of the High Plains and Panhandle will decide if they want to expand their sales and market prices through an intensive local and overseas sales promotion program. Upon passage, farmers will invest one-fourth cent per 100 pounds to finance this market development and research program.

## Forty Came To Dinner

All of the ten children of the late Frank and Ruth Elliott, together with their families, held a reunion Sunday, August 17 in the home of Mr. and Mrs. Hubert Elliott of the Lazbuddie community, about forty people in all.

Brothers and sisters of Hubert Elliott and their families present were Mr. and Mrs. John Elliott of Modesta, Calif.; Mr. and Mrs. Gene Fountain of Modesta, Calif.; Mrs. Lawrence Wright of Oakland, Calif.; Mr. and Mrs. Eli Elliott, Melvin and Jenny of Firebaugh, Calif.; Mrs. Arvid Allen of Firebaugh, Calif.; Mrs. Robert Benton and Lori of Fresno, Calif.; Rev. and Mrs. Douglas Elliott of Selma, Alabama; Mr. and Mrs. Elmer Elliott of Anadarko, Oklahoma; Mr. and Mrs. Clarence Jackson, Debbie and Chris of Oklahoma City; Mr. and Mrs. Leonard Elliott, Traci and Hart of Lazbuddie; Mr. and Mrs. Pat Elliott of West Point, Calif.; and the Hubert Elliott family.

The California group rode a train together to Clovis where they were met by the others from the East, and then they all came together to the Hubert Elliott home.

## Elaine Tiller, Mr. Hall Exchange Vows

A double ring ceremony performed in Bula Baptist Church August 23 at 6:00 p.m. united in marriage Miss Shirley Elaine Tiller and John Edward Hall III, both of Bula.

Parents of the couple are Mr. and Mrs. Dewitt Tiller of Bula and Mr. and Mrs. Johnny Hall of Hale Center. Rev. Eddie Howard, pastor of the church, was the officiating minister.

The couple stood before an archway of white gladioli trimmed in pink ribbon, flanked with candelabra and baskets of gladioli.

Escorted to the altar by her father, the bride wore a formal wedding gown of Roschelle lace, accented by long petal point sleeves and scalloped neckline.

Mrs. Elliott said they had tried to surprise her but she had a niece who "felt sorry for her" and she had seven hours warning in which she prepared food for the crowd. She said they drank 120 cups of coffee Saturday and five gallons of tea.

This was the first time in 32 years the entire family had been together and there was much visiting, singing, picture taking and good fellowship.

On the return trip the California members again rode the train together.

The dress was fashioned with fitted bodice and bouffant skirt. The flowing chapel train hung from the shoulders and the shoulder length veil was attached to a lace headpiece accented with tiny pearls. The bridal bouquet was a spiral arrangement of feathered white carnations atop a white Bible.

Mrs. Dennis Wayne Newton of Bryan was matron of honor. Bridesmaids were Miss Beverly Tiller of Bula, sister of the bride and Miss Pat Chandler of Littlefield; Mrs. Pat Risinger of Bula was bridesmatron. They wore identical street length dresses of pink, accented at the Empire waistline by hot pink velvet sashes. They carried nosegays of hot pink roses and carnations.

Candles were lighted by Janice Tiller of Bula, sister of the bride and Kevin Aduddell, cousin of the bride.

Billy Glenn Tiller of Bula, brother of the bride, and Kenna Duckett, cousin of the bride, of Plainview were ring bearers.

Serving as best man was Sam Fain of Littlefield. Groomsman were John Charlton, of Littlefield, and Keith Jones and Dennis Jones, both of Hale Center.

Randy Aduddell of Littlefield, cousin of the bride, and Steve Brandt, also of Littlefield, seated guests.

Miss Donna Crum of Bula, cousin of the bride, furnished wedding selections on the piano and Miss Geofreen Grizzle of Littlefield as she sang "The Twelfth of Never", "Because" and "The Lord's Prayer".

Following the wedding a reception was held in Fellowship Hall of Bula Baptist Church.

The bride's table was covered with pink net over pink. Assisting in hospitality were Miss Lana Overland, cousin of the bride; Miss Joene Reed, also a cousin of the bride; Miss Marsha Barnes, aunt of the bride; and Miss Sheryl Saylor.

For a wedding trip to Brownwood the new Mrs. Hall chose a white two-piece suit with pink scarf and pink accessories. They will be at home in Bula after August 27.

The bride's mother wore a beige knit suit trimmed in white, with bone accessories. She wore a white carnation corsage.

The bride is a 1969 graduate of Littlefield high school and will attend South Plains College this fall. The groom attended Hale Center schools and served in the Armed Forces. He is now engaged in farming.

The rehearsal party was held Friday, August 22, at 6:30 p.m. in Fellowship Hall of the Bula Baptist Church. About forty persons attended. Featured colors used in decorations were pink and white.

Minister Returns After Revival

Royce D. Clay, minister of the Church of Christ, returned Monday from Devine, Texas where he presented the lessons in a gospel meeting. He mentioned that "it was hot". The citrus fruit was growing as were bananas. The "picking" of cotton will begin within the next two weeks. Good attendance and response was enjoyed in the meeting. He was accompanied on the trip by his wife, Patricia, and 2 children, Royce Don and Brenda. Rev. Clay leaves again Monday the 25th for a gospel meeting in Estelline, Texas.

## Pruitt Family Has Cookout

Mr. and Mrs. E. M. Pruitt were hosts for a cookout Tuesday evening at their home, 1725 Avenue D.

Attending were Mr. Pruitt's parents, Mr. and Mrs. J. M. Pruitt, and the host couple and daughter Connie, the Pruitt children: Joan and Stanley Baldwin and family of Redonda Beach, California; Dwan and Sandy Pruitt and children of Clovis; Harold and Elaine Pruitt

and children of Hobbs; and Bobby Woodson.

This was the first time the family has all been together in several years.

The Baldwins arrived August 13 and will visit until Labor Day before returning to their home.

WEDDING PLANNED.....Mr. and Mrs. J.P. Pryor of Muleshoe announce the engagement and approaching marriage of their daughter, Betty Jean, to Borden Mullins, son of Mr. and Mrs. Winford W. Mullins. The couple will exchange double ring vows in a simple home ceremony September 12. The bride-elect is a 1967 graduate of Tulia high school and is employed as a beautician. The prospective groom was graduated from Muleshoe high school and is employed at Piggly Wiggly.

## White Bible Ceremony Honors Miss Tiller

YWAs of the Bula Baptist church honored Elaine Tiller with a White Bible ceremony Sunday evening at the regular worship hour.

The worship table was centered with a large family Bible with gold lettering, against a background of three white burning tapers. To the left of the Bible was a graduating candelabra with green burning tapers.

Miss Diane Crume opened the service by playing the YWA prayer song "O Zion Haste", followed by Rev. Eddie Howard giving some opening remarks. Mrs. Patsy McCain, YWA sponsor presented the white Bible to Elaine, followed by Rev.

Howard singing "Whither Thou Goest." Mrs. McCain, Margaret Richardson and Donna Crume gave responsive reading and sang "The World is a Lamp to my Feet." Benediction was given by Rev. Howard.

## Richland Hills PTA Executive Meet August 27

An executive meeting of Richland Hill Parent-Teacher Association will be held August 27 at 2:00 p.m. in the school cafeteria. Mrs. W.T. Watson, the president, will preside.

## Gift Coffee Honors Mrs. Ricky Galt

Mrs. Ricky Galt, a recent bride, was honored at a gift coffee August 19 in the home of Mrs. Baker Johnson.

Guests were registered by Miss Madelyn Galt, of Goodland sister-in-law of the honoree. Special guests were Mrs. Ruby Denman of Muleshoe, her mother, and Mrs. Tommy Galt, of Goodland, her mother-in-law.

The serving table was covered with a white linen cloth and decorated with an arrangement of cornflower blue flowers in a blue vase. Mrs. Joe

Sowder served coffee, party doughnuts and fruit cheese tidbits from milkglass appointments.

The hostess gift was a set of cookware.

Serving as hostesses for the occasion were Mrs. Clint Everett, Mrs. Cecil Cole, Mrs. J.G. Arna, Mrs. Joe Sowder, Mrs. Horace Hutton, Mrs. Leon Reeves, Mrs. Pete Tarlton, Mrs. Wayland Altman, Mrs. Frank Knox, Mrs. Conrad Harris, Mrs. W.C. McCelvy, Mrs. M.T. Gant and Mrs. Baker Johnson.

## Receives Bachelor's Degree

The Oscar Allison's hosted a family get-together at their home Tuesday evening to help their niece, Mrs. John Skogland, celebrate being awarded her bachelor's degree from the University of Texas.

Attending were Susan and Buddy Black and son Mitch; Jan and Charles King and Sherri; Harold and Jean Allison, Carolyn, Jack, Fred and Jim; and the Oscar Allison's.

Veta and John have both attended Texas Tech this summer and they will both enroll there again for the fall term. Veta will be working toward a master's degree and John will continue his study in law school. Carolyn Allison has been attending summer school and was home between semesters.

## Education In Pleasant Doses

Crabbing on the beach at Norfolk, touring art museums in Washington, or clambering over the decks of an aircraft carrier, it added up to a wonderful vacation for Mr. and Mrs. D.T. Garth and their children. They were gone ten days, and toured fifteen states, returning to Muleshoe early in the week.

Mrs. Garth said it was the first vacation the family had taken in fourteen years "so we made it a good one".

They drove through Illinois, Indiana, Penn., Maryland and to Washington, D.C. where they spent one day and on to Norfolk, Va. where they spent three days with former Muleshoe residents, the Wayne Holmes family. Wayne is stationed on the USS Columbus, and lives at Portsmouth.

The Garths enjoyed the beach, Oceanview Park and the art museums there and were taken aboard the USS Columbus. They also saw the USS Enterprise.

Leaving their friends, they drove through North Carolina to Hertford, N.C. the town where they were married. They drove then on through South Carolina where they spent a night on the beach and enjoyed collecting shells.

**Trinity Baptist News**

BY REV. V.L. HUGGINS  
The church "large enough to serve you but small enough to know you."  
C.S. Coffman and V.L. Huggins attended the Llanos Altos Baptist Associational meeting at Sudan Monday night. The program was on Evangelism and the New Challenge for the 70's. Our fellowship hall was packed Wednesday night to see the young people of Trinity Baptist of Lubbock present the play "Daniel and the Temple". This play was enjoyed by all and the cast was outstanding.  
A fellowship was enjoyed by all of the youth following the play.  
There is no fun as good as that you can have at church. Are you missing it?  
Miss Vickie Payne and Larry Baker returned Wednesday after spending a week at Glorieta Baptist Assembly.

Our newly organized WMS will meet each Tuesday at 9:30 a.m. All ladies are urged to attend.  
The church is the best place to find the answer to life's problems.  
The advantages to attending church are, you receive spiritual enlightenment, mental upbuilding, wonderful fellowship, you meet so many new and wonderful people and can have an encounter with God plus a lot of real good clean fun, without having to defend you actions or ask God for forgiveness. Where else can you do this and set a good example for your children and others?

Group Medicine  
In its simplest form, group medicine is where three-five kind relatives and thoughtful friends pitch in with a cure apiece for your cold.

**Ask Amy**  
BY AMY ADAMS

**IS DAD'S JOB COOLING HER SOCIAL LIFE?**

Dear Amy:  
My problem may not seem serious, but to me it is. My dad is a teacher at the high school I attend, and not too well liked among a lot of the kids, especially the boys because some of dad's regulations are very strict. In any event, I'm not very popular with the boys (although a lot of people think I am pretty). They seem to think that just because I'm the teacher's daughter, that I don't want to go out or have any fun. But it isn't like that at all.  
In the two years that I have attended high school, I've never had a date even though quite a few fellows like me for a friend. I've had lots of fun with fellows from other towns, at camps and youth activities. But not in my own neck of the woods.  
In other words: I don't understand it!  
Susan  
Dear Susan:  
You should not expect your father to compromise his principles in class to further your social life nor blame him for anything that could be lacking in your own personality.  
Frankly, I would think boys would seek out your company hoping it would put them in good stead with your father... whether they like you or not. Examine yourself more closely. Poor "dad" is a poor excuse!  
Dear Amy:  
I am not a very good letter writer. But I think you'll understand. What's wrong with a mother (my wife) who is pushing our 18 year old daughter into marriage? The boy was just drafted. My wife wants them to get married on his first leave.  
Mr. C.A.  
Dear Mr. C.A.:  
What's wrong with your wife stems from what's wrong with you! Beside the fact that this marriage is untimely, if you feel that your daughter is not "ready", put a stop to it. Dad, your family needs a man around the house... and no matter how you look at it, you're ill!  
Dear Amy:  
Now that the weather is nice and the days are long, why don't

parents give their children some advice on where and how to play outdoors? We live next door to one family whose child and his friends are all over our lawn.  
They throw paper, garbage, toys all over, throw stones at the windows and tease our dog something terrible.  
They have their own yards but having no respect for others, they are ruining our property. This woman has been told about this but does nothing about it. In her eyes, the kids are doing nothing wrong, but I have heard her call down other children if they do anything to her property.  
You can't imagine how terrible it is living next to someone who has no respect or consideration for her neighbors.  
Disgusted  
Dear Disgusted:  
Your letter along with many others arrive in droves on my desk at the first sign of spring and continue until the first frost.  
I personally suggest that every parent of young children make a genuine effort to keep their children in their own backyard where they belong. Besides being a nuisance to others, you can be held liable for the damages that your tykes might do to the neighboring properties. So let's get together and refrain from causing hard feelings on both sides of the fence.  
Dear Amy:  
I'm an average 12 year old girl, average in just about every way. What do you advise me to do to attract boys? I like boys, but they don't like me. Why am I...  
Unpopular?  
Dear Unpopular:  
When I was your age, my mother authored and taught me the following ditty which I shall never forget. It seems to be apropos for you...  
Here I stand upon the stage,  
Just a tiny little figure,  
I know the boys don't like me now,  
But they will when I grow bigger...

BY GAIL WILCOX  
The Muleshoe Square Thru's came home with the third place trophy from the square dance contest held in Bovina during Bovina Bulltown Days. Eddie Gunnels, our club caller, was master of ceremonies for this event. There were 8' squares of dancers competing in this contest. First and second place trophies were taken by a Clovis club, the Y-Squares.  
Square Thru's going to Bovina were Mr. and Mrs. Ben Roming, Mr. and Mrs. Robert Hunt, Mr. and Mrs. Ike Wilcox, Rick and Sheila.  
Littlefield Square Dancers are having a street dance, Squaring up time is 8:30, August 30th, in front of the courthouse in Littlefield. They will

have all area callers. All area dancers are welcome and urge to attend this fun.  
Also, Buddy Jones will be at the Cannon Air Base August 30th, at 8:00 New Mexico time. Buddy is from Lubbock, and is a real fine caller.  
So Square'em up some place August 30th. These will both be real good dances.  
Lessons were held Tuesday night at the American Legion Hall, with caller Eddie. There has been a time change on this, from 8:00 to 8:30.  
These students have had four lessons now and I would like to invite everyone out to watch them. They dance like they have danced all their lives. It is really great to have these young people. You have never heard so much enthusiasm from students. They enjoy it, we believe.  
Refreshments were served by Mr. and Mrs. Curby Brantley and Mr. and Mrs. Robert Hunt to these... Lizann Gunter, Terry Gunter, Rick Wilcox, Debbie Bruns, Ronald Scott, Jerry Scoggins, Jeaneane Freeman, Tracy Cowan, Jana Bruns, Laura Hall, Kim Cowan, Robert Stovall, Kelly Cihak, Stephanie Brantley, Brent Blackman, Kathy Pena, Jennifer Estes, Karen Stovall, Sherman Presley, Tammy Bruns, Jimmy Wiesan, Mike Wiesan, Patty Pena, Joe Dan Briscoe, Benita Roming, Jo Roming, with members helping, Ike and Gail Wilcox, Laura and Don Seales, Judy and Ben Roming, Liz Seales, Hilbert and Sherry Wiesan, Robert and Nelda Hunt, Donna and Eugene Shaw, Jimmy and Laura Jean Presley, Curby and Mary Brantley, and Sheila Wilcox. Visitors were Betty Bruns, Betty Cowan, Darwin Green, Ruth Briscoe, Gil and Martha Lamb, Nancy Stovall, Jessica Hall, Mrs. Don Cihak, Betty Gunnels, Mrs. Sherman Sweatmon.

Jenny TOPS met Thursday night at 7:30 in the Community Room of the Bailey County Electric Co-op. Nineteen members weighed in.  
Leader Mabel Wolfe called the meeting to order and the club pledge was recited: "I am an intelligent person. I will control my emotions, not let my emotions control me. Every time I am tempted to use food to satisfy my frustrated desires, build up my inspired ego or dull my senses, I will remember, even though I overeat in private- my excess poundage is there for all the world to see What A Fool I've Been!"  
Members sang the TOPS Fellowship song, "The more we get together, together, together, the more we get together, the slimmer we'll be. For your loss is my loss and my loss is your loss. The more we get together the slimmer we will be."  
Assistant Weight Recorder Ruth Clements called the role. Five members sat in the pignep and sang the pig song. June Vinson reached her goal with an eighty pounds loss. TOPS members wish to congratulate Mrs. Vinson. She will be a KIW (Kops in waiting) for three months. After three months holding the same weight she will become a KOP (Keep Off Pounds).  
Queen for the week was Judy Lambert. First runner-up was Lucille Harp and second runner-up was Anna McDonald.  
Ruth Clements received a check for a hairset, having lost weight consecutively six weeks.  
Mrs. Clements an Mrs. Crain are tied in our weight losing contest which will end August 28. Each member is asked to bring ideas for a new contest which can be started September 4.  
Recreation chairman Mae Province had charge of the games. Zora Mae Beller assisted her. They placed 17 scrambled words on the blackboard, each pertaining to TOPS. Evelene Harris, Rose Sain and Judy Lambert won the three prizes.  
The meeting was closed with all members singing the Good Night Song.  
Members are urged to come to each meeting. If you can't stay for the meeting, do come and weigh in. The weight recorder, or assistant weight recorder, or any officer, will be glad to weigh you any time on Thursday.  
It is through regular attendance, right dieting and determination that a member reaches her goal. Let's all reach our goal this year.

Next Lesson will be Tuesday August 26 at the Legion Hall. Everyone try to be there for this fifth lesson. These Students are invited to our regular dance Monday Night at 8:30 at the Legion Hall.  
All members please be at this dance Monday August 25th, we will square up for a night of fun.

Mrs. Loleta Thomas

**Mrs. Thomas Celebrates 80 Years**

Mrs. Loleta Thomas celebrated her eightieth birthday August 19 at her home, 608 West Avenue G. There were no parties for her but she was made happy when a large bouquet of flowers arrived from the florist, a gift from her children. Later in the day she received phone calls from them to further gladden her.  
Mrs. Thomas spent her early life in Dallas County at Lancaster and lived there until she and her husband, Arthur David Thomas, moved to Lubbock. They lived 20 years on 16th Street in Lubbock and then moved to Morton where they lived 11 or 12 years. In 1954 Mr. and Mrs. Thomas moved to Muleshoe.  
Mr. Thomas, a retired stock farmer and rancher, died in 1960 and Mrs. Thomas has lived alone since that time. She expressed gratitude that she is still able to drive her car and says she drives to the grocery, to church and for a little visiting.  
"Most of the time," Mrs. Thomas said, "I just sit around and read the Bible." Having enjoyed good health all her life, she now finds she must limit her activities somewhat. She says, "So many of my friends my age do not drive- I don't have much company." She enjoys TV and says, "My children call often."  
Mrs. Thomas is a member of Muleshoe Church of Christ and of Senior Citizens and attends both as regularly as possible.  
Mrs. Thomas has three children, Charles of Colorado Springs, Colo., Evan C. of Albuquerque, N.M. and a daughter Mrs. C.E. Burns, also of Albuquerque. Mr. and Mrs. Charles Thomas have one son and the Evan Thomases have a daughter.

We feel that the Teacher Appreciation Luncheon at Lazbuddie was a tremendous success, made possible only because of the wonderful participation of many of the businessmen and interested citizens. We would like to thank everyone who attended the

luncheon, because we know that you had to take time out from your busy schedules to attend. Our special thanks go to the Lazbuddie teachers and Sam Barnes, Superintendent, for their wonderful co-operation, and to the cafeteria ladies, who prepared a delicious meal.

Don Harmon did an excellent job as master of ceremonies at the luncheon, and Neal Dillman delivered an inspiring speech, which was beneficial to everyone. We would like to express our appreciation to both men for their contribution to the luncheon and also to the ambassadorettes, who helped us in many ways

with the luncheon. We are all looking forward to the remaining Teacher Appreciation Luncheons, and we urge everyone to attend. The dates for these are: Muleshoe -- Aug. 26 (noon); Threeway -- Aug. 23 (8:00 p.m.); Bula -- Sept. 2 (8:00 p.m.). We hope to see you there!!

### LEGAL NOTICE

THE ESTATE OF R. Q. WHATLEY DECEASED

Notice is hereby given that original Letters Testamentary upon the Estate of R.Q. Whatley, Deceased, were issued to me, the undersigned on the 21st day of August, 1969, in the proceeding indicated below my signature hereto, which is still pending, and that I now hold such Letters. All persons having claims against said estate, which is being administered in the county below named, are hereby required to present the same to me respectively, at the address below given, before suit upon same are barred by the general statutes of limitation, before such estate is closed, and within the time prescribed by law. My residence is 914 West Second Street, Muleshoe, Texas.

Dated this 21st day of August, 1969, Ruby E. Whatley, Executrix of the Estate of R.Q. Whatley, No. 897 in the County Court of Bailey County, Texas. Itc

Salt Lake City and they drove the next day home.

Mrs. Wright and boys have been here visiting in the home of their parents for two months. Little Micah arrived into this world while his mother was here and his father Bill really had a treat as he had never gotten to see his youngest son. Their parents are Mr. and Mrs. Guy Sanders and Mr. and Mrs. R. B. Wright.

Bill is stationed at Idaho Falls attending a U. S. branch of submarine school of instruction.

P. R. Pierce and brother Eddie Howard attended the monthly workers conference at the Sudan Baptist Church Monday evening.

If you didn't go to the senior citizen meeting Saturday evening you missed seeing your neighbor and having a good time playing dominoes and also some good eats.

A good size crowd was gathered for the meeting Saturday evening. Zed Robinson of Muleshoe, formerly of Enochs, was present to lead the group in singing with Mrs. Raymond Austin Jr. at the piano. Zed also gave several numbers alone. Mr. Austin and her boys Kerry and Gregg, entertained the group with several selections, especially the "hobo song" was enjoyed as the boys were dressed as hobos.

Mrs. Pearl Walden enjoyed having for lunch Sunday her son and wife Mr. and Mrs. Lowell Walden of Earth and her brother J. D. Swanner. They were enroute to Roswell and Ruidoso for a few days.

Mr. and Mrs. W. T. Thomas ate Sunday dinner with their daughter and family the Leon Kesslers of Morton. They en-

joyed hearing their Kesslers tell of their trip to Georgia and Alabama with relatives. They arrived home Saturday evening late.

### BIG VOICE IN SKY

Kansas City, Mo.--When Timothy Adams took too long to get home from kindergarten, his mother called the police. They took the police helicopter and soon saw a boy playing along the way and told him to go home using a megaphone. When the lad raced in and told his mother about the big voice, she didn't explain.

## People, Spots In The News

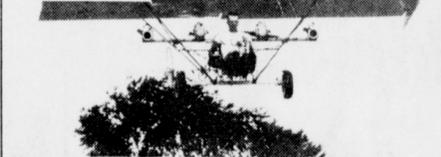

LOW-DOWN TRICK? No, it's just regular at-bat style of Campy Campaneris of Oakland. But where's his strike zone?

PAT BENTLEY, a mild diabetic, wears medallion with Medic Alert's always-in phone number (at Turlock, Calif.). Protection is available at lifetime cost of \$7 to anyone with hidden medical problem.

ROPE RANGERS of South Vietnam army show how they ascend into, as well as descend from, helicopters.

AIRGOING GO-KART—Total of only 35 horsepower, from four go-kart motors, powers this 250-pound, 55-miles-an-hour plane of Verdon (shown) and Vernon Weber, of Cuba City, Wis. And they call astronauts adventurous!
