VOLUME V.

CISCO, TEXAS, FRIDAY, NOVEMBER 28, 1924

Number 204

CLEBURNE-CISCO PLAY HERE

C. G. HOWARD'S RESIGNATION IS ACCEPTED

At the Sunday night services of the Baptist church, which will be held in the city hall, Rev. C. G. Howard, who has been pastor of this flock since May, 1920, will deliver his farewell sermon, as he will leave for his new field of work by next Thursday.

"I have accepted the call of the First Baptist church at Conroe," Mr. Howard stated, "and while I am very much attached to Cisco, and regret to leave here, yet I have a most delightful place. We have a \$65,000 church edifice, with a \$6,000 pipe organ and pleasant pastor's home. The congregation numbers about 550, but in Conroe I am told that there are about 1,500 of Baptist inclinations. The town, including the 800 employees of the lumber mills, is about 4,000, and seems to be a delightful little city in which to live. We expect to get away by Thursday of next week.

"During my four and one-half years as pastor of the Cisco First Baptist church I feel that we have accomplished much in a material as well as in a spiritual way. We have built a handsome parsonage at a cost of \$9,000; started a \$75,000 church building, and have laid the foundation and purchased building material at a cost of \$15,000, which is all paid for. The church is now in good shape, and the next pastor should have a splendid pastorate.

"Both Mrs. Howard and myself are leaving many warm friends in Cisco, whom we will ever cherish." One of the officers of the church stated today that a new pastor has not yet been called, but services would be held every Sunday by some Baptist minister who would preach both at the morning and evening hour. For the present the services will still be conducted at the city hall.

NINE AND ONE BLOCK ON 8TH WILL BE PAVED

Preparations are under way for the commencement of paving Ninth street in the immediate future. The sand and other material is now being placed on the street, and the work of putting in the curbing and gutters, where needed, will start just as soon as the culvert work is complete on the Lake road; where the concrete crew is now at work. All property owners on Ninth street have signed up for the paving. However, it was stated at the city hall that before starting paving on Ninth, the block between E and F avenues of Broadway will be paved. There was a slight confusion in the priority of the two petitions for paving these streets, city officials said, as it was the impression that Ninth street had priority, but it seems this is an error. But, it was stated, all of the property owners on Broadway have not yet signed, and just as soon as the 200 block is paved the work will begin on Ninth street.

BLANKET FARES FOR RAILROADS HELD UNLAWFUL

AUSTIN, Nov. 28.—A blanket charge for the operation of a train carrying workmen, while charging the public usual fare, is an unlawful discrimination, the attorney general holds in an opinion to the railroad commission. The proposal of the Houston and Brazos Valley railroad to carry workmen of the Freeport Sulphur Company, between Freeport and Springtown, near Houston, for round-trip fares of \$50, was held to be in violation of the anti-pass law.

AUTO ACCIDENT PROVES FATAL TO MARK HAZEL

The body of Mark Hazel, eighteen year old son of Mr. and Mrs. A. J. Hazel, who live on the Eastland highway, arrived here today from O'Brien, Haskell county, where he was killed in an auto accident between O'Brien and Knox City Thursday afternoon. A. J. Hazel, the father, stated that there were five persons in the car at the time, and Mark, who was a careful driver, was driving the machine. He stated that the car skidded in a sandbed, causing it to turn over, and Mark was caught under the car and his neck broken. Two others in the car were slightly hurt. Pending the hour of the funeral the remains were at the home of W. H. Hazel, uncle of deceased, and from there were conveyed to the Corinth church, on the Eastland highway, where the services are being conducted at 4 o'clock this afternoon by Rev. J. W. Tennyson. Burial will be in the Corinth cemetery immediately after the services are concluded.

WACO GETS \$80,000.00 THANKSGIVING GIFT WACO, Nov. 28.—A Thanksgiving day gift of approximately \$80,000 to the city of Waco was announced here today, growing out of the settlement of the estate of the late Peter McClelland, who died at Dallas early this week. The gift was in the form of property here owned by Mrs. Joann McClelland, who died thirty years ago, and which was to revert to the city in event her stepson died without issue. McClelland had no children. The foundation will be utilized for the establishment of hospital facilities for women.

BAPTIST FIFTH SUNDAY MEETING STARTS TONIGHT

The Fifth Sunday meeting of the Cisco Baptist association convenes this evening in the city hall at 7 o'clock. Dr. Stephens of Winters, will deliver the principal address at the first meeting. Saturday morning Dr. Hornsburg of Brownwood, is on the program for an address, and in the afternoon the executive board will hold its quarterly session. At the closing session Sunday afternoon the association B. Y. P. U. will render an interesting program. Some of the messengers have already begun to arrive, and when the first session opens this evening it is anticipated that practically all of the churches will be present.

MAN IS HELD ON CHARGE OF FRAUDULOUS CRIPPLES PHILADELPHIA, Nov. 28.—Francis Swartsfager has been held in \$2,500 bail by Magistrate O'Connor charged with defrauding world war veterans by pretending to repair their artificial limbs. Hugh Gartner declared that Swartsfager had induced him to part with his artificial limbs on a pretense of repairing them. He consented, and said he did not see Swartsfager again until he was told he had been arrested.

BOY HIKES 170 MILES FOR COLLEGE EDUCATION ABILENE, Nov. 28.—With his back labeled "Student," C. A. Wood, eighteen, hiked from Fort Worth to Abilene, a distance of 170 miles, to enter McMurray College. Though he was given numerous lifts by motorists who saw the sign, the trip required seven days. "I wanted to save the railroad fare to apply to my tuition," said Wood. "I need all the money I can get."

DR. SIRMAN'S CAR WRECKED While returning home from the shallow oil field, and between here and Putnam, Dr. S. J. Sirman turned his car over, completely demolishing the machine, but Dr. Sirman, who was driving the car alone, escaped with only a few scratches. He stated that when meeting another car he applied the brakes rather suddenly, and the machine turned over. The accident occurred about one o'clock Thursday.

Temple—Bell county's cotton crop valued at \$10,000,000.

BADGERS BACK WITH CLIFTON COLLEGE SCALP

Gathering inspiration from the district champion Loboes the Randolph College Badgers motored over to play the grid team of the junior Clifton College at Clifton, in Bosque county Thanksgiving day, and came home with the scalps of the Clifton boys hanging to their belts. It was a close game, and the Badgers only won by a small margin, but as there was not a big score piled up it demonstrates that the game was hotly played, and the teams evenly matched. The Badgers took the long end of the score of 14-12. But it was a win, and that is what counts. This gives Coach West's grid team a season record of two games won and two lost. Every day West seems to have his team in better condition, as they show more speed with each try-out. Captain Stubblefield won the toss to kick off, Clifton putting ball in play on 20-yard line. After making one first down Clifton was forced to punt. Pass returned ball to 50-yard line, Randolph then marched steadily down the field. A 20-yard pass, Stubblefield to 17-yard line. After another first down Stubblefield carried the ball to the fourth down and kicked goal. End first quarter, Badgers 7, Clifton 0.

Near the end of the second quarter Clifton completed a pass and raced 20 yards for a touchdown. Try for punt was low. This half ended as Stubblefield threw a 25-yard pass to Pass, who was downed on the 3-yard line, the score standing 7 to 6. The third quarter was opened by Clifton receiving the ball and returned to the 30-yard line, making two touchdowns Clifton then forced to punt. Randolph by a number of off-walk plays and passes soon had the ball on Clifton's one-yard line. On first play Howell was thrown for a 4-yard loss. Sims 3-yard off tackle on third down, line back failed to gain. On the fourth down a short pass over the goal line, Stubblefield to Herndon, made the second touchdown. Stubblefield kicked goal. Near the end of the third quarter Clifton run in a number of substitutes, and with perfect interference circled right end for 35 yards and a touchdown. Score 14 to 12.

The fourth quarter found both teams fighting desperately. Randolph's defense tightened and Clifton was held for downs on the Badgers' 22-yard line. With four minutes left to play, the Badgers with the ball marched steadily down the field, but failing to score when the game ended with the ball still in the Badger's possession on Clifton's 17-yard line. Randolph was forced to punt only once in the entire game. The thrill of the game was the 45-yard spiral by Stubblefield. Randolph attempted ten passes and completed six for a total of 85 yards, one being intercepted. Stubblefield started for Randolph on the offense, while Floyd and White played a great game on the defense.

CEDAR RAPIDS HAS HOUSE OF DAVID SCANDAL

BLOOMINGTON, Ill., Nov. 28.—The House of David scandal, headed by a man known as H. N. Ferguson, was revealed today to exist at Cedar Rapids, Iowa. After three months investigation by a score of ministers it was developed that Ferguson conducted a religious farm where there were over two hundred persons who had given him their world possessions and turned their daughters over to him. The ministers reported that his farm was nothing but a harem. Ferguson is charged with fraud and gross immorality.

OFF TO DAVIS MOUNTAINS J. H. Erwin leaves tonight to join a party at Abilene and Midland who will spend about ten days hunting in the Davis mountains.

DEATH CAME TO BUILDER OF THE FIRST K. P. HOME

FORT WORTH, Nov. 28.—De Witt Clinton Pendery, 76, responsible for the erection of the first K. P. temple in the world, died here at his home.

Pendery was a charter member of the Queen City lodge, K. of P., organized in 1876, and he himself making most of the collections for the erection of the first temple in the history of the order. J. H. Rathbone, founder of the order, participating in the dedication ceremonies.

SUDAN TROOPS MUTINY AND KILL THREE DOCTORS

LONDON, Nov. 28.—Two platoons of Sudanese troops at Khartoum mutinied today, attacking the hospital, killing three doctors, two natives and one Englishman. The British forces swept the rebelling troops with machine gun fire, quelling the attack in a short while. The Egyptian government has just paid two and one-half million to England for killing another one of its officials. Further arrests of Egyptian officials are occurring today for the death of Sir Lee Stack. The latest uprising puts the situation in a critical atmosphere.

Advices from Cairo this afternoon said the losses among the mutineers had been extremely heavy and that the outbreak sponsored by Egyptian officials was well in hand.

KID INDIAN FIGHTING BANNED IN FORT WORTH FORT WORTH, Nov. 28.—No more chasing Indians, or imaginary stage robbing for the "younger set" of the city, was the edict handed down by Probation Officer C. E. Baker, in banning the shooting of target or air guns in the city limits. Baker gave as his reason that two children had had their eyes shot out by BB shot, and several others had been killed due to careless handling of .22 rifles.

FORGERY NETS WOMAN \$42, GETS TEN REARS DENTON, Nov. 28.—Inez Skains, giving her home as Dallas, was sentenced on five charges of forgery, and given two years in each case, sentences totaling ten years. The woman plead guilty to forgery, the five forgeries aggregating \$42.

SOUTHWEST ARCHER TO GET NEW TEST The Churchill Drilling company has a derrick up and is moving in a rig for an important test on a likely structure three miles north-west of the Swastika pool and two and one-half miles northeast of Megargel, southwestern Archer county.

Location is in the northwest of the southeast quarter of block 19, Mead L. M. Pasture sub-division on the D. Harlesson fee. It is reported a big company has taken up acreage about three-fourths of a mile west on a drilling contract.

WOMAN ACQUITTED OF SLAYING HUSBAND CANYON CITY, Colo., Nov. 28.—Thankful for acquittal on a charge of murdering her husband, Mrs. Minnie Dickey, widow of a wealthy part Osage Indian, who was shot to death during a struggle with his wife over possession of a revolver, while riding in their automobile near here on April 15, returned to her home today a free woman. Mrs. Dickey was found not guilty of murder late last night when the jury hearing the case reported a verdict after three hours and forty minutes of deliberation.

SHALLOW GASSER IN THROCKMORTON THROCKMORTON, Nov. 28.—A gas flow of 2,000,000 cubic feet has been picked up by Penhandle-Larkin in their No. 1. J. Richards, A. J. Morgan surveyed eight miles southeast of here, in Throckmorton county, at 780 to 790 feet. The star rig is being skidded to another location as the gas will be used as fuel for the new operation.

SANTA TO VISIT FRIENDLESS MEN IN STATE PRISON

In accordance with the plans adopted by the State Federated Women's clubs to send a Christmas present to the inmates of the state prisons who have no friends, Mrs. Wm. Reagan is now collecting such material as the people of Cisco and vicinity care to give. These boxes must be sent out by December 10, so if you care to make some poor prisoner's Christmas brighter just send your present to Mrs. Reagan, who will see that it reaches the proper name.

A list of these friendless prisoners has been compiled, and divided into eleven sections, and one is sent to each of the eleven districts of the state federated clubs, and each man will get a present, as the parcels will be sent out with the name of the prisoner written on the cover. Such articles as stationery, gloves, sweaters, combs and brushes, handkerchiefs, tooth brushes and paste, tobacco, or any other useful present.

Mrs. Reagan hopes those who care to make some poor forgotten soul happy, will send in the presents promptly, as the boxes must leave here in time to reach the prisoners for Christmas.

DR. SENSABAUGH CARPENTER FOR ONE DAY ONLY

CLEBURNE, Nov. 28.—Without stopping to enjoy the usual masculine comments on receiving a "cracked thumb", thirty-five professional men of the city, built a brand new church in one day.

With only two or three carpenters present, the greater part of the work was done by men whose usual tools are typewriters or pencils. Presiding Elder O. F. Sensabaugh and other members of the ministry assisted, which explains the lack of good old fashioned "cuss words."

The ladies of the congregation served the workers with lunch, keeping the "pencil pushers" busy manhandling a saw, or hammering on their fingers or nails, whichever happened to get in the way of the hammer.

ARREST IS MADE IN GUN BURGLARY CASE BRECKENRIDGE, Nov. 28.—Sheriff L. B. Head is just back from Olney where he arrested J. B. Shumate and lodged him in the Stephens county jail to await the action of the grand jury. The man is charged with burglary in connection with the theft of three new guns and a scabbard from the N. T. Harper hardware establishment. The sheriff followed clues here and worked rapidly on the case until the arrest was made. Clues were obtained through a new glove with a trade mark in it, also by finger prints on a gun the man dropped in getting out of the building and a finger print on the inside of the glove. There is only one establishment in each town that sells the make of glove found and through this means a description of the man was had.

A LODGE GOAT WITH AN EVENTFUL CAREER FORT WORTH, Nov. 28.—Led by their famous goat, the Cleburne Lodge, I. O. O. F., staged a parade Thanksgiving afternoon through the business district before their ceremonial last night at the Fort Worth Odd Fellows hall. Several hundred were in attendance for the ceremonial, and took a class of 60 over the rough and rocky route atop of the famous goat. The Cleburne Odd Fellows' goat has had an eventful career. Been put in jail, stolen, kidnapped, but is always present at the ceremonial when some novice craves a ride.

KNIFE THROW ACCURATE DALLAS, Nov. 28.—Augustine Cintero, 18, was treated at the emergency hospital for a severe stab wound in his right arm. "My buddy and I were practicing throwing knives," the boy told attending physicians, "and I went to the wall to take my knife out, when my brother threw too quickly and hit me."

Chesley Field Will Be Scene of Lobo-Cleburne Clash When Game Called Here Friday Afternoon

The Cisco Loboes will meet the Cleburne football team on Chesley field in Cisco next Friday afternoon at 2:30 o'clock.

This was the message that G. H. Wells, principal of the Cisco high school phoned to Mrs. Wells from San Antonio this afternoon, where Mr. Wells is attending the meeting of the inter-scholastic league. Just how the time and place was decided the message did not state, the main point of interest being the fact that Cisco will have an opportunity of seeing her district champions in action at home.

With the exception of two minor conference games, all of the Lobo contests have been on other grids than the home field.

The work of extending the grandstand down both sides of the field will be started at once, to take care of the immense throng that will be here to witness this game, which will probably be the largest crowd ever assembled to witness a football game in West Texas.

INSURGENTS BARRED FROM G. O. P. CAUCUS

WASHINGTON, Nov. 28.—The Republican membership of the senate today, in completing their organization, elected Senator Curtis of Kansas, floor leader to succeed Senator Lodge. The Republicans also staged one of the biggest surprises in recent years when they resolved to bar Senators La Follette, Brookhart, Ladd and Frazier from any future Republican caucuses. It was also indicated that more punishment will follow when they will also be barred from membership on the Republican committees.

WANTS ANNULMENT OF MARRIAGE TO NEGRO NEW YORK, Nov. 28.—Alice Jones Rhinelander, bride of Leonard Kip Rhinelander of the "Rhinelanders of New York," will "fight to a finish" the annulment suit started in White Plains by her husband, counsel and family of young Mrs. Rhinelander declared today.

Attorneys for Leonard Kip Rhinelander said the action begun on the ground that his wife "falsely represented herself to be white and denied she was of colored blood," was instituted by young Rhinelander on his own initiative.

RED LIGHTS BEST, SAYS BUREAU OF STANDARDS WASHINGTON, Nov. 28.—To settle the question of which lights are most easily distinguished at a distance and to bring about standardization of colors for traffic signals, the Bureau of Standards Department of Commerce, has conducted exhaustive tests. "Red signal lights are easily distinguished from other colors at a distance and require the lowest integrity for unmistakable recognition," the report of the bureau sets forth. "Green signals come second on the list of colored lights easy to identify."

MALE MANNEQUIN MAKES HIS DEBUT IN LONDON LONDON, Nov. 28.—The male mannequin has made his debut here. With women mannequins, he showed off the latest fashions in men's wear at a dress show here recently. Spectators declared that he performed his duties more effectively than mannequins of the opposite sex do. He not only knew the name of the material of which his suit was made, but also all about its cut, fit and wearing qualities. Contrary to the women's mannerisms, he had not acquired a special walk nor the deliberate mannequin stare, but paraded quite at ease.

GLADEWATER CHILD HURT LONGVIEW, Nov. 28.—Alford, 4-year-old son of Mr. and Mrs. A. F. Shepard of Gladewater, was run over and badly injured by a negro, Nathan Webb, when he ran out from behind a wagon into the street.

Lubbock—Street paving program under way.

CISCO'S FIRST GOLF TOURNEY FINE SUCCESS

Decided interest was shown Thanksgiving day in the first golf tournament held by the Cisco Country club. Play was in three flights. Paul J. Butler was the winner of the first flight, J. M. Williamson won the second and George P. Fee the third. Results were as follows:

First flight, first round—W. W. Moore was eliminated by M. C. Williamson, 3 down and 2 to play; Price eliminated Elenberg after a tight match, which went two extra holes, 1 down; Butler beat Woods, 4 down and 3 to play; Patton beat Kelly, 2 down and 1 to play. Second round—M. C. Williamson won from Price, Butler from Patton. Final round—Butler eliminated M. C. Williamson, 4 down and two to play.

Second flight, first round—Morse beat Pardee, 1 down; J. M. Williamson beat McClelland, 2 down, 1 to play; Fairless eliminated Richardson, 1 down. Second round—Morse was eliminated by J. M. Williamson, Fairless drew a bye to third round. Final round—J. M. Williamson beat Fairless, 3 down, 2 to play.

Third flight, first round—Logan beat McCrea, 1 down; Maxwell beat Huey, O'Flaherty beat Campbell, 2 down 1 to play; Womack won from Wright by default; Fee beat Morse, 1 down. Second round—Logan eliminated Maxwell, O'Flaherty beat Womack, 4 down 3 to play. Fee drew a bye. Third round—Logan won from O'Flaherty through default; Fee drew a bye. Final round—Fee beat Logan.

Careful scrutiny of the Campbell-O'Flaherty score card late today developed the fact that this contest—according to the rules under which they were playing—was in reality a tie and these gentlemen should have played another hole to decide the matter. Each won three holes and tied on three. Campbell's total for the nine holes was 61 and O'Flaherty's 59. A season ticket to the Eastland County fair of 1925 was awarded to Paul Butler for the best score of the day—9 holes in 40 strokes.

PAGE J. LYNCH, ERE THESE TWO SKUNKS ESCAPE

SAN ANTONIO, Nov. 28.—Two six-shooters made their appearance the other night, according to reports from police stations, and Clara Smith, negro woman, was held up at the point of a pistol and an attempt made to force her into a waiting automobile.

The negro was returning from a dance when the white men walked up beside her and accosted her. After rebuking them, she said they left to return in a few minutes later and one of the men drew a pistol on her and forced her into the car. Her screams attracted two negro service car drivers, who ran to her assistance. The two white men jumped into their car and sped away, but the number of their car was obtained by the witnesses.

BLAMES IGNORANCE FOR AUTO CRASHES CHICAGO, Nov. 28.—Ignorance, chief cause of most of our motor accidents, should be determined by the examiners in giving state operator's licenses, declared Richard E. Kropf, supreme regent of the Royal Arcanum, in addressing a safety conference here. Careless and perfunctory examinations are the cause of many crashes, he maintained.

Dallas—Contract let for construction of new city hall and fire station at University Park.

Entered at the Postoffice in Cisco, Texas, as second class mail matter

PAYING THE EXPENSE OF ELECTION

A bill is being prepared for introduction in congress to make the government pay the expenses of presidential and congressional campaigns. The idea is not so much to save the candidates money as to prevent their spending too much money.

Most people will smile at that, despite its moral purpose. Many millions have been spent in recent national campaigns. In some cases, unquestionably, the expenditure was larger than the occasion warranted, and was not all devoted to legitimate purposes.

The government presumably could finance campaigns more cheaply than party committees can. In particular, it would get the essential publicity matter before the voters with less expense than private distributors, through the postoffice and other routes.

It may be that Ben Adhem's name led all the rest because he made a full rendition of all his taxable property.

HUNTING WITH THE CAMERA

Enos A. Mills Rocky Mountain guide, naturalist and author, once credited the kodak with helping to save the wilderness. In one of his books he wrote:

"It requires more skill to focus a kodak than a rifle upon big game; the triumphs of picture taking are infinitely greater than the triumphs of the trigger. Pictures taken will help soften and subdue the savage heart of man; it is destined to displace the rifle in outdoor literature, and will help the wilderness win our hearts.

Hunting with a camera leads the hunter to seek always Nature's best. To capture true and artistic pictures of shy wild creatures with their own background and entirely unaware of man's presence brings a thrill hard to duplicate.

Of late years hunting to kill has begun to come into disrepute. There are so many hunters and the means of transportation have been so tremendously increased that hunting has come to be far more like wholesale and wanton slaughter than a true sport or test of skill.

The camera-hunter may be a bore back home if he insists on showing all his pictures to uninterested friends, but he is rarely a curse in the woods because he harms no one and leaves no trail of death and misery behind him.

The trouble with most listeners, like most radio receiving sets is that there's too much re-radiation.

THE GREAT VALUE OF LIGHT

A favorite occupation of statisticians since the armistice has been discovering ways that would pay the national war debt without losing any money. Dr. M. Luckiesh, lighting research engineer for Edison, thinks better lighting would do it.

The nation is losing more than \$1,000,000,000 a year, he says, through damage to eyesight, more than \$3,000,000,000 from the handicap that imperfect lighting puts on manufacture and business, and millions more in accidents in industries and on the streets.

The waste has been far greater in the past. But then there was the excuse of ignorance and lack of facilities. Now, as this distinguished engineer remarks, the knowledge and equipment are available. It remains only for the nation to make full use of them.

Both Cleburne and Vernon are said to be tough football nuts, but it should be remembered that there's no credit in cracking the other kind.

SHOULD BOBS TIP THEIR HATS?

German newspapers are earnestly debating the question whether bob-haired women should tip their hats to each other. The public is participating and there is much interest pro and con. Hat-tipping is the common mode of salutation practiced in public by German men. They tip their hats to each other, as well as to women.

Very likely the German women and girls will adopt this custom, as they have adopted so many other masculine practices. And if it ever become established, it will probably perpetuate bobbed hair; because hats worn over long hair are pinned, and a pinned hat couldn't be tipped.

DISARMAMENT OF DENMARK

The Danish legislature has been asked to consider a bill providing for complete abolition of the army and navy of Denmark, and the substitution of a small force of land and sea police, solely to maintain boundaries and preserve internal peace.

In 1914, Danish papers point out, the general staff admitted that the country's fleet could not protect Copenhagen from a hostile force and that the army was too feeble to repel any invasion. The situation has not been improved since, and yet the nation is spending \$6,500,000 a year to maintain its inadequate defense forces. The minister of defense introduced the bill, saying:

"If by paying \$6,500,000 a year to the League of Na-

tions we could keep Denmark from future wars, then we gladly would pay. But this is not the case. Hence we are introducing this bill, since we look upon the present military arrangement as not only insufficient but positively dangerous."

Obviously Denmark has no thought of attacking or harming in any way, the countries that are her neighbors. If any of them wished to hurt her they could easily do so in her present condition of inadequate defense. But apparently she trusts them. And so, with this same outlook upon the rest of the world, Denmark is willing to entertain the idea of dropping her military establishment and putting these millions of dollars to more constructive uses.

Denmark contemplates this as a simple matter of common sense. Will a time ever come when the whole world feels the same way and all countries are not only sure of their own honest attitude, but also trust their neighbors?

The golf grounds at the Cisco Country club were well patronized Thursday, not less than 100 people gathering there during the day for play or to watch the army of semi-professionals drive the white pellets down the well-kept, grass-covered fairways. And the invigorating air, warm sunshine and good fellowship were beneficial to all--which is the why and the wherefore of the great game of golf.

An American football game is noisier than a Chinese war; also rougher.

England, even with a change of government, always looks like the same old John Bull.

Building of Park in Keeping With Cisco Enterprise is Purpose of C. Of C. Directors; Time to Get Busy

"The Oil Belt town that first builds a creditable plant for fair grounds and athletic field will be the real city of this section of Texas," P. W. Campbell stated at the directors' meeting last night. This remark was repeated in his presence by a citizen of another town. "Its truthfulness struck me very forcibly," Mr. Campbell stated, "and I vision that city as Cisco. Certainly we have all other towns in the Oil Belt outclassed as to natural advantages. With the start we have made, the probability of a state park, the bathing beach, Lake Cisco and the lake park, we are already in a class of our own."

"I have long since been sold to the idea of a fair park," said Guy Dabney. "I believe Cisco should have a fair park in keeping with Cisco's enterprise. Not a make-shift, but a real plant, with a race track and one of the best grand stands that we can build. And, right now is the time to get busy, as it will take all our time to get the plant ready for the fair next fall. We should build a plant that would take care of our requirements for all time, and I think the fair association and athletic association can come together and build a plant that will be a credit, not only to Cisco, but the entire section. An athletic field can be provided at the fair park that will be the pride of the athletic association, as well as the fair organization."

The sentiments expressed by Directors Campbell and Dabney seemed to be entertained by every member at the directors' meeting Tuesday night, and the only conclusion that was drawn is the almost certainty of the fair park, with one of the best race tracks in Central West Texas. This plant a reality Cisco will attract the best racers, both in horses and automobiles, and the first meet will insure the permanency of Cisco's fair, for once visitors see the attractions here, and see the Cisco spirit manifested, they will return to the next meet.

In furtherance of the plans to commence activities the directors appointed a committee from the chamber of commerce to confer with the athletic association to put on foot plans for building a real fair plant in Cisco.

FUNERAL OF W. H. HORN AT DAN HORN TUESDAY

Gathered to pay their last tribute, many of the older citizens of Eastland county were present Tuesday afternoon to attend the funeral of W. H. (Uncle Billy) Horn, whose death came Monday, probably from a stroke of paralysis, as he suffered a slight stroke about ten years ago, and up to the time of his sudden passing away he had not complained of illness. There were none near him when he died, as he was alone, working in his orchard. The body was buried in the Mitchell burying ground in the Dan Horn community, near his home. The funeral services were conducted at the grave by Rev. Chas. H. Puckett, pastor of the Seranton Methodist church. Deceased was born in Leesburg, Ky., in 1845, and was married Jan. 12, 1872, and came to Texas the same year, settling about two miles from the present site of Eastland. Two years later he moved to and

settled the farm on which he died. All of his children were present at the funeral except his son, Talmadge, who had recently removed to Arizona.

RICKS SWITCH

RICKS SWITCH, Nov. 26.—The States Oil Co. is making fine progress on the No. 1 Toke Boles well. J. B. Ledbetter has leased 200 acres off the same tract for drilling purposes.

The Rev. J. B. Weathers, beloved pastor of the Wayland church, and his interesting wife and daughters leave this week for their new charge at Pioneer. The year was closed with all conference claims paid in full. Among the delegates to the conference at Brownwood were Mrs. J. W. Noel and Bruce White. Mrs. Noel is well up in the seventies, but attends to her household duties, and

"Broken Out" Faces Are Not In Style

The girls who can't wear clothes which are in style because they have eczema, rash, tetter, scurfula or a "breaking out" where it would show are more to be scolded than pitied, because there is no need for them to be unattractive in out-of-style dresses when they can get rid of these skin troubles so easily now.

Black and White Ointment, and Soap, are surprising thousands of girls who have had to deny themselves the attention which more attractive girls get, because they quickly remove all trace of these skin troubles.

They are economically priced, in liberal packages. The 50c size Ointment contains three times as much as the 25c size. All dealers have both the Ointment and the Soap.

HOW DOCTORS TREAT COLDS AND THE FLU

To break up a cold over night or to cut short an attack of grippe, influenza or sore throat, physicians and druggists are now recommending Calotabs, the nauseasless Calomel tablet, that is purified from dangerous and sickening effects. Those who have tried it say that it acts like magic, by far more effective and certain than the old style calomel, heretofore recommended by physicians. One or two Calotabs at bed time with a swallow of water--that's all. No salts, no nausea nor the slightest interference with eating, work of business. Next morning your cold has melted and your system feels refreshed and purified. Calotabs are sold only in original sealed packages, price ten cents for the large family pack, and recommended and guaranteed by druggists. Your money back if you are not delighted--adv.

boards the two teachers of the Gun-sight school.

Bob Dye has more water impounded for irrigation than anyone else in this community. He planted four acres to sweet potatoes and sold the crop for \$1,100.

Mrs. Boles has returned home from an extended visit to Oklahoma and Colorado.

Gene Louderer visited Dr. Louderer at Leuders Sunday.

Mr. and Mrs. Andrew Billman are enjoying life in their newly completed bungalow. It has five rooms, bath, breakfast room and other modern conveniences. Added to their comfort is a new Overland car, which they recently purchased.

The solution of the grasshopper problem has been solved in this section. Farmers are advised to take advantage of the hatches and have enough turkey eggs hatched to eat all the grasshoppers, and thus turn these pests into an asset as feed for the young turkeys, instead of spending large sums for poison to destroy them. Just put the amount you spend on poison into turkey eggs, hatch them and the turkeys will rid your crop of hoppers.

Some of the prettiest yards and homes lie along the unbeaten paths. Mrs. Pearl Louderer's home, which is situated a mile or more off the highway, is set by a real old fashion flower garden. She has now growing and blooming flags, lilac, moss, holly-hock, larkspur, four o'clock, poppy, prince feather, zinnia, bachelor button, wintner pinks, petunia, daisies, honeysuckle, periwinkle, crepe myrtle, roses, chrysanthemums, morning glory, Mexican fire bush, phlox, bridal wreath, golden rod and jewel. Those that are in season are in full bloom. To drive up suddenly a most pleasing vista is spread before the eye.

The Steamer Onondaga of the Ford Motor company's fleet sailed from the River Rouge plant for Buenos Aires, South America. It carried a cargo of manufactured automobile parts, the first of the kind ever exported direct from any Great Lakes port. The Onondaga left the dock of the Ford plant at 12:30 o'clock, nosed her way down the Rouge to the Detroit river and then headed out into the open water with Montreal, Canada, as the first stop of the voyage to the South American coast. Departure of the Onondaga created something of a furor in the offices of the customs officials here, where clearance papers were issued for the first time to a ship sailing to a foreign port. Application for the papers from the Ford Motor company presented the officials with something new so far as the port of Detroit is concerned and there was a hurried perusal of records and rulings governing the issuance of such papers.

CISCO MAY SEE COLLEGE GAME PLAYED HERE

If plans of Cisco fans materialize there is a probability of Ciscoans seeing the Lobos in action with one of the strong Eastern teams, provided, of course, that the Lobos succeed in winning the state championship. A movement has already been started having for its objective the bringing to Cisco one of the leading college teams of the East if the Lobos go through the state finals successfully. Secretary Richardson has already been in communication with football authorities, and if the Lobos win the state championship efforts will be made to get an Eastern team of outstanding prominence to be the guests of the Lobos some time during the holidays—probably New Year's day.

"There is no question about the publicity that the Lobos have brought to Cisco," said President Lee of the chamber of commerce at directors meeting Wednesday night, "and the thought has occurred to me that one of the prominent Eastern college teams would be glad to accept an invitation from Cisco to make a southern trip at this season of the year, and play the Lobos, in the event they win the state championship. At least it is worthy of trial, in my opinion."

The proposition is not unreasonable, as those fellows in the cold, bleak East, would no doubt be glad of the opportunity of taking a trip south during the winter.

LOBO QUEENS DEFEAT BAIRD IN 50-11 SCORE

The Lobo Queens are maintaining their previous reputation in defeating all comers, and it now appears that the cagers will enjoy the reputation won by the Fighting Lobos on the gridiron. Three successive victories are now the boast of the Queens when they defeated the Baird high school basketball team at the Cisco high school gym Wednesday night by taking the long end of the score of 50 to 11. The Queens had the visitors outclassed in every way. The Baird girls put up a game fight but were entirely too light to cope with the powerful though graceful Lobo cagers, who are manifesting the same pep as the district champion griders.

In the first half the locals shot goals at random, as though by some magnetic influence the ball seemed to find the basket when tossed from any quarter, and when the signal came had run up a score of 31 to the visitors' 8, at the end of this half.

Seeing that the first string of the Queens had the visitors outclassed Coach Trig ran in the second string players when the last half was called. The visitors made a brave start to retrieve their losses in the last frame, and started out with a determination to at least lessen the distance between the two scores, but with no better results than the first part of the play, and this came to a close with the final score showing Queens 51, Baird 11.

Pierle and Stringler starred for the locals, while Morrison and Holmes were the outstanding players for the visitors. Referee: Miss Ina Wolfenbeiger of Breckenridge.

A CATCH TO IT
"Dinah," said the mistress, "I hear you are married."
"Yassum, I see you a good man now."
"Does he provide for you all right?"
"Yes, he's a good provider, but I see he's goin' to get cotched at it."

Business picks up when you pick it up with good advertising.

DIRECTORS C. OF C. FAVOR BRIDGING DAM

Many propositions for the city's weal were taken up and discussed at the called meeting of the directors of the chamber of commerce Wednesday evening. Those attending and participating in the deliberations were President R. Q. Lee, Secretary G. C. Richardson, Forrest D. Wright, Henry S. Drumright, A. B. O'Flaherty, Guy Dabney, F. W. Campbell, Phil F. Keelan, Chas. G. Gray, Minter Womack, Dr. Chas. Hale, and J. M. Williamson.

The directors unanimously endorsed Col. Penick of Stamford, as a member of the highway commission for a vacancy that existed previously, but this vacancy has been filled, and as the new commission will likely be named by the incoming administration west Texas will endorse Col. Penick for a place on the commission.

The matter of the erection of a bridge across Lake Cisco dam was discussed, and the committee headed by Chas. G. Gray was continued. P. W. Campbell was instructed to see the county judge of Shackelford county, and ascertain just what progress has been made on the Albany, via Moran, to Cisco highway, and to acquaint the Shackelford officials with the activity at this end of the highway, to the end that both counties may co-operate in the early completion of the road.

No definite action was taken on the state park proposition. However, it was suggested that the city acquire this site and begin some improvements, and when the policy of the state regarding the park is definitely defined, then it could be transferred to the state.

P. W. Campbell and Secretary Richardson reported that the Poultry Show was a success, both in attendance and the class of exhibits. It was stated that Judge Payne, who judged the poultry on this occasion, and was present at the show last year, stated that he saw a marked improvement in the quality of exhibits since the last show. The directors were informed that all expenses of the show and prizes had been paid, and there was a surplus of \$40 now in the treasury.

Dr. Chas. Hale informed the directors that Dick Gray of Gorman, had presented the Lake Cisco zoo with a three-year-old deer, and that he and Frank Harrell would make a trip to Gorman and bring in the buck and place him in the zoo.

Guy Dabney, Forrest Wright and Dr. Chas. Hale were appointed a committee to confer with the athletic association regarding the building of a permanent athletic field and fair grounds, with grand stands, bleachers, etc., and to report to the meeting Tuesday night, December 9.

PLANS READY FOR OPENING CONGRESS MON.

WASHINGTON, Nov. 28.—The program for opening congress Monday was completed today by the house leaders. Speaker Gillette, who goes to the senate on March 3, will call the house to order. President Coolidge will transmit the report of the budget containing the appropriations and such comments as he might have. The house will then adjourn until Tuesday, as a mark of respect to Senators Lodge, Brandegee, Colt and Congressman Green, who have died since congress adjourned. President Coolidge will deliver the president's annual message Tuesday.

SECOND TRIAL OF BOB MOHLER STARTS MONDAY

Simultaneously with the reconvening of congress, the case of the state of Texas vs. Bob Mohler will come on to be heard in the 88th district court of Eastland county with the convening of that court next Monday morning. Sheriff Barton has made his official returns for the 250 special veniremen from which a jury will be selected in the second trial of Mohler for the murder of Hugh Maples August 10, 1922. His decomposed body was discovered about seven months later buried in a shallow grave in a pasture adjoining the farm of Mohler's brother in Coryell county, but the new Ford car owned by Maples has never been recovered, which was thought to have been the incentive for the murder.

Mohler was captured in the lower Rio Grande Valley a few months after Maples' disappearance, and returned to Eastland county. In the November term of the 88th district court of 1923 Mohler was tried and given the death penalty. The case was taken to the court of criminal appeals, and recently this judgment was reversed and the case remanded for a new trial.

Senator Joe Burkett and Judge Elzo Been assisted County Attorney W. J. Barnes in the prosecution in the former trial and will assist him in the coming trial. Judge D. D. Shropshire and Judge Tom Cunningham defended Mohler in the former trial, but Judge Shropshire will not appear in the case this time. Judge Cunningham will be assisted by J. Lee Cearley, attorney of Cisco.

It required more than a week to try the case before and it is understood, that, with some additional evidence, it will require that long and perhaps longer to try the case this time.

THE FIRST MASS IN ST. FRANCIS NEW MONASTERY

WACO, Nov. 28.—With the prior, the Very Rev. M. Vidal, T. O. B., as the celebrant, the first mass in the monastery of St. Francis was held here the fore part of the week.

Miss Fannie Smith, who recently purchased the building for the Monastery, at a cost of \$18,000, and gave it to the church, was present for the opening ceremonies. The St. Francis Monastery, center of the Galveston diocese, has approximately 25,000 members, all of whom belong to this monastery. The donor, Miss Smith, is the maiden aunt of H. C. Whipper, of Cisco, and this property was acquired about three weeks ago by Miss Smith and presented to the church.

You can tell China is a republic. The great leaders are trying to save her.

New Way to Stop Night Coughing
Those who have suffered the tortures of sleeplessness due to continual coughing at night, and who as a result often feel utterly worn-out and useless during the day, need no longer permit their systems to be weakened and their vitality sapped by this distressing ailment. For through a very simple treatment the trouble can be stopped almost at once, and people often get their full night's rest undisturbed after the very first trial.

Here is the method: Simply get a bottle of the prescription known as Dr. King's New Discovery from any good drug store. Then to-night before retiring take one teaspoonful and hold it in your throat for 15 or 20 seconds before swallowing it. This prescription has a double action. It not only soothes and heals the soreness and irritation, but it quickly loosens and removes the phlegm and congestion which is the real cause of the cough. So your throat is left wonderfully moist and cleared of irritating gatherings, you can sleep soundly and restfully, and the cough is usually gone in a very short time.

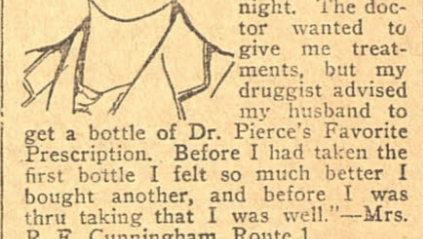

Dr. King's New Discovery is a remarkable remedy for coughs, chest colds, hoarseness, sore throat, spasmodic croup, bronchitis, laryngitis and bronchial asthma. At all good druggists. Ask for

KEEP VITAL GLANDS IN BALANCE SAYS PHYSICIAN

Regain Health, Strength and Vigor By Restoring The Important Glands to Normal Activity

New Scientific Discovery, Glandogen, Provides Simple Method of Taking Glandular Treatment

In an interesting interview, Dr. Samuel J. Staub, according to a recent dispatch, said that people suffering from that "below par" feeling, accompanied by loss of appetite, sleeplessness, loss of weight and so forth, can be set right by having the balance of their glandular secretions restored.

"There is no reaction to the treatment," asserted Dr. Staub. "Understand this is not a matter of unnatural stimulation, but is simply a process of restoring a balance among the many ductless glands of the body which control the speed and extent of all our bodily processes."

PHYSICIANS AND SCIENTISTS OF INTERNATIONAL RENOWN EXPLAIN FUNCTIONS OF GLANDS

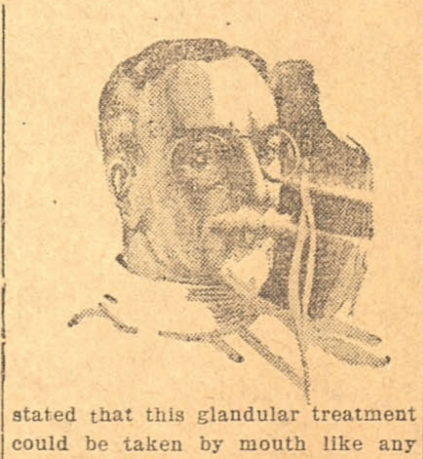

At a recent medical convention in Chicago, Dr. Roy Upham, President of the American Institute of Homeopathy, stated that because of the intimate connection of the nervous system with the glands, many sufferers from nervous disorders were receiving remarkable benefits from glandular treatment. He further stated that this glandular treatment could be taken by mouth like any other medicine, and that an operation is not necessary.

Dr. Serge Voronoff, an international authority on Organotherapy, has said: "The brain, the nerves, the muscles, as well as the liver, the kidneys and all other organs would be incapable of playing any useful part without the aid of the glands. The functioning of our organs is no more than the activity of our glands, and when the bodily functioning is disturbed, the cause in most cases should be sought, not in the condition of the organ itself, but in the condition of the gland which controls it."

Dr. Arnold Lorand says in his book, "Old Age Deferred," in speaking of the glands: "We must insist upon the reinforcement of their functions, if changed by age or disease, by means of extracts obtained from the similar organs of healthy young animals."

GLANDULAR TREATMENT (GLANDOGEN) CAN NOW BE TAKEN IN CONVENIENT TABLET FORM

Hundreds of men and women are now turning to glandular treatment to help regain lost strength, vigor, vitality and health. Since Science has prepared a gland treatment in simple compact tablet form—Glandogen—it is a simple matter to take glandular treatment. Glandogen is scientifically prepared in two different forms, one for men and one for women, from the vital glands of healthy young animals, combined with other efficacious ingredients. Corner Drug will supply you. Mail orders accepted. (Advertisement)

Thanksgiving Party
Wednesday night at the home of Mr. and Mrs. Guy Dabney, Mrs. George Wells' Sunday school class of the Presbyterian church enjoyed a Thanksgiving party. The evening was spent playing a variety of games. Refreshments consisting of sandwiches, potato chips and hot chocolate were served to the following: Misses Bessie Olson, Liburn Neel, Lucile McCall, Katherine Moss, Marian Meyers, Doris Betes, Bertha Helen Triplitt, Aline Russell, Marjorie Morse, Glenn Richardson, Frances McGinnis, Virginia Dabney, Louise Trammell, Juanita Mayberry, and Messrs. Odie Stovall, Glenn Roberts, Dick St. John, Carl Mount, J. D. Carroll, Allen Boone, Truman Stovall, Jack Moss and Alfred Carroll.

Circle 1, Baptist
Circle 1 of the Baptist W. M. U. met at 3 o'clock Tuesday afternoon with Mrs. C. McLeroy, in a work meeting. The eight members present sewed on garments for the Christmas bazaar. A reading entitled "Many Kinds of Tables" was given by Liveous McLeroy. Those present were Mesdames Eugene Lankford, G. M. Stephenson, Henry Kunkle, Vernon Duncan, George Carmichael, R. H. Craig and Miss Mattie Lee Kunkle.

Baptist Circle 3
Circle 3 of the Baptist W. M. U. held an all day quilting Tuesday at the home of Mrs. L. W. Skiles. Each member carried a basket of lunch and at the noon hour the lunches were arranged on the dining table and thoroughly enjoyed by the fifteen members present.

Mr. and Mrs. L. B. Norvell and family spent Thursday in Eolian with Mr. and Mrs. B. B. Norvell.

Mr. and Mrs. Mickey McDonald and little daughter, Jean, of Big Lake spent Thursday with Mrs. R. Q. Lee.

Mrs. Ed Chism of Moran is the guest of her mother, Mrs. M. E. Stevens.

Dr. and Mrs. G. W. Griswold spent Thursday in Gorman with Mrs. Griswold's mother.

Mrs. R. F. Blackstock and mother, Mrs. Frances Gillespie, spent Wednesday in Moran with Mrs. A. A. Smith.

Mr. and Mrs. T. P. Cochran had as their guests yesterday Mr. and Mrs. J. A. Thompson and daughter, Miss Novaline, of Anson; Mrs. W. P. Withers of Cooper, Tex. Mexico; Mr. and Mrs. W. C. Cochran of De Leon, and Mr. and Mrs. E. G. Pierce of Breckenridge.

T. S. Oliver of Abilene spent Thursday with his grandparents, Mr. and Mrs. J. C. Oliver.

Mrs. Ollie Johnson and sons, Joe Dale and Noble, of Brady, are spending the week end with her parents, Mr. and Mrs. J. C. Oliver.

Friends are glad to see that A. G.

Dabney is able to be out this week since his recent illness.

Mr. and Mrs. A. J. Ward have returned from a motor trip to Waco, where they spent Thanksgiving day with Mr. Ward's father, John Ward.

J. M. Howard had as his dinner guests Thursday, Messrs. and Mesdames Willis Grist and A. J. Lloyd of Romney, H. A. McCannies and family of Eastland, J. R. Burnett, J. S. Yeager and family of Putnam, E. L. Howard and family of Stamford, John L. Higdon of Abilene and Mrs. Kate Richardson and daughters, Misses Glenn and Gladys.

Mr. and Mrs. R. E. Grantham and son, Bobbie, spent Thanksgiving in Greenwood with Mrs. Grantham's father and brother, W. R. and Woodson Wilson.

Misses Minnie Margaret Howard and Kathaleen Whittington of Stamford are spending the week end with Misses Glenn and Gladys Richardson.

R. R. Huddleston of Eastland spent Thursday with Mr. and Mrs. J. A. McGinnis and family.

The Boy Scouts regular meeting will be held at the Labor Temple at 7:30 tonight.

Mr. and Mrs. E. J. Wende are spending the week end in Dallas.

Mr. and Mrs. John Gerhardt of Romney spent Wednesday in Cisco enroute to Illinois for a month's visit with relatives.

Mrs. Frances Gillispie spent Thursday in Breckenridge with friends.

W. E. Prescott of Dallas was a business visitor in the city Wednesday.

Mrs. John H. Garner and daughter, Miss Dorothy, of Dallas arrived yesterday for a visit in this city.

Mr. and Mrs. J. A. Elliott of Carbon spent Thursday with Mr. and Mrs. J. T. Elliott.

A. E. Cunningham of Pioneer spent yesterday in Cisco with his parents, Mr. and Mrs. J. S. Cunningham.

THIEVES SAW STEEL

BARS ENTERING STORE
DENTON, Nov. 28.—Breaking into the general store of Cobbs and Co., at Lewisville the other night, thieves made away with over \$1,000 of merchandise, selecting bolts of silk, men and women's suits, and other articles of clothing as their loot. Cutting their way in with steel saws, the burglars cut through steel bars to get inside the rear of the building.

DE VALERA THREATENS TROUBLE FOR REPUBLIC

DUBLIN, Nov. 28.—Despite the fact that Eamonn de Valera is now languishing in an Ulster jail, his political stock in the Free State is rising. Very few deny that the tactics of De Valera and his followers in openly criticizing every move President Cosgrave and the treaty-making government makes are winning them additional adherents. Elections to be held soon to fill seven vacant seats, due to resignations and death, will show definitely just what progress De Valera has made. Should De Valera win all the seats his party would have the largest representation in the Dail, and President Cosgrave, it is understood, would resign. The defeat of the Labor government in England and the succession of the Tories to power will make many difficulties for the Free State government on the boundary question. The Republicans will take advantage of any slip made by the Free State member of the commission, and the government may suffer defeat in the Dail. Well-informed circles report that a section of the De Valera camp is in favor of compromising with Cosgrave. If they can force their views on the rest of the party the Free State may be saved from much trouble in the future. Otherwise De Valera's increasing strength may throw the Southern counties into chaos again.

SOUTH AFRICANS BUY CHICKASHA BROOMCORN

CHICKASHA, Okla., Nov. 28.—Buyers from New Zealand and South Africa and other foreign countries were represented here at the annual fall broomcorn market, the largest in the world. Several car loads will leave this week for abroad. This year's crop brought from \$225 a ton to \$265. Larger crops of broom corn are being raised each year in this section as farmers frequently have their money for their effort within 90 days after the crop was planted.

TROTSKY FORCED TO RESIGN

STOCKHOLM, Nov. 28.—Press dispatches today said that Leon Trotsky, the soviet commissioner of war, has been forced to resign from the political bureau because of the rising tide of feeling adverse to him. A recent book written by himself opposing the doctrines of the beloved Lenin prompted the cries of "oust Trotsky."

AUTO LICENSE

Commencing Dec. 1, I am prepared to write auto license, transfers and bills of sale for 1925.—J. H. McDonald, at City Hall.

Lassitude

Nothing will drive away so quickly that heavy, dull, worn-out, and tired feeling as this wonderfully invigorating tonic.

Force Tonic

"It Makes For Strength"

Sideache

Backache

"I have been taking Cardui," says Mrs. Lillie Bolton, of Lake Providence, La. "I got down in bad health and lost in weight until I only weighed 120 pounds. I had had pains in my sides and back and my legs hurt me until I couldn't walk. I stayed in bed half the time. I tried all kinds of medicine, but it did me no good. Finally I tried

CARDUI

The Woman's Tonic

"It seems like it did me good from the very first. After I had taken half a bottle I noticed an improvement. I continued its use and I got better and better. The pains in my legs and sides disappeared and I began to gain in weight until now I weigh 155 pounds and feel better than I ever did in my life." Cardui should help you, too. Why not give it a fair trial?

EX-103

MANY FLEE SCANTILY CLAD IN SNOW STORM

KANSAS CITY, Nov. 28.—Hundreds of scantily clad apartment dwellers were forced out into the bitterest snow storm of the season early this morning when fire destroyed the Alexander Metal Company, which entailed a loss of seventy thousand dollars, and is threatening a block of dwellings.

"GOLD DIGGERS" JAILED FOR HIGHWAY ROBBERY

AMARILLO, Nov. 28.—"Gold digging de luxe" would make an appropriate caption for the following story, told by a Potter county man. Here is the story, from the sheriff's office: "Bertha Creach and May Ward were riding along the highway, north of Clarendon, when they overtook this man, walking. He asked for a ride, and they agreed to it, if he would pay them \$5. After paying them the five bucks for his transportation, he states that they took \$135 from him and put him out of the car. The two women were placed in jail, in Donkey county, on charges of highway robbery.

FORMER FEMALE CLERK SUED FOR OFFICE FEES

FORT WORTH, Nov. 28.—For fees of office, claimed never to have been paid into the county treasury, Mrs. Frank Coffey, former district clerk, was made defendant in a suit for \$8,613, filed by district clerk Sam Williams and the county, in the district court here.

According to the petition filed by District Attorney R. K. Hangar, Mrs. Coffey was short in her accounts when she relinquished her position on January 1, 1923.

STALCUP SELLS CONNELLEE EASTLAND, Nov. 28.—A. C. Stalcup, manager and owner of the Connellee theatre in this place, has just closed a deal with G. S. Campbell of Denton, where the latter becomes owner, lessee and manager of that picture show. Stalcup will remain with the Connellee until the first of the year, but the new owner will be in charge after Dec. 6.

"OLD GRAY MARE" BAND TO ATTEND INAUGURAL BROWNWOOD, Nov. 28.—The "Old Gray Mare" band has been invited by Mrs. Ferguson to attend the inaugural ceremonies at the capital January 20, and has accepted the invitation.

DIPLOMACY

Sue—"I can't help it if I'm not perfect. There's only been one perfect little girl."
Mother—"Oh, and who was that?"
Sue—"You, Mummy, when you was little."

Diseases traced to constipation are many —get permanent relief with Kellogg's Bran

Why does constipation breed other diseases? Because it floods your system with dangerous poisons. And the longer you suffer, the more poisons accumulate. That is why constipation should be relieved at once.

Doctors recommend Kellogg's Bran, cooked and krumbed. They know it brings results because it is ALL bran. And only ALL bran can be 100 per cent effective in relieving constipation.

ALL bran — Kellogg's — sweeps, cleans and purifies the intestine. It acts as nature acts. It makes the intestine function naturally and regularly. If eaten regularly, it will bring permanent relief in the most chronic cases of constipation—is guaranteed to do so or your grocer returns your money.

Eat at least two tablespoonfuls daily—in chronic cases, with every meal. You will like the wonderful Kellogg's flavor—so crisp and nut-like—so different from ordinary bran, which are most unpalatable.

Eat Kellogg's Bran, cooked and krumbed, with milk or cream. Sprinkle it over other cereals. Cook it with hot cereals. And by all means try it in the recipes given on every package.

Kellogg's Bran, cooked and krumbed, made in Battle Creek, is served in individual packages by the leading hotels and restaurants. Sold by all grocers.
